Address by Retiring President R. C. JOHNSON

TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Our records show this to be the eighteenth year of this organization. We have witnessed its workings since its inception; its growth from a mere handful of members to more than six hundred. To one who remembers athletics as they were conducted in the high schools eighteen years ago, our growth in standards is as remarkable as our growth in membership.

In the earlier days it was largely a matter of controlling football which was the prevalent sport in the high schools. There were but few schools doing track work at that period and basketball was practically unknown. Many evils surrounded football and in attempting to curb these the pendulum was swung the other way; until very recently the football teams in the high schools of the state were few indeed. Basketball was urged as a substitute and has become our major sport with track and field work occupying a minor place. Some of us have viewed this with much satisfaction while others of us are inclined to feel that the recent revival of interest in football is an excellent thing. Personally, I feel that basketball, because of its adaptability to the small school, is largely responsible for the growth of the Association and that it is one of the strong ties that holds us together; however, I believe that we are becoming 'top-heavy' due to our emphasis on this sport and am pleased to note the tendency to return to football.

Although we are inclined to feel that our growth and success has been a perfectly healthy one, and at the risk of seeming pessimistic I shall point out some grave dangers facing our organization. My experience as a Board member has convinced me that too many principals have the intra-rather than the inter-school vision relative to athletics. We are inclined to feel that rules should be interpreted to fit our especial cases and we are intolerant of the other fellow's view. Most of the cases that come before the Board during my term have been due either to ignorance of the rules or to

a willingness to believe the other fellow "crooked" without having the evidence to warrant the presumption. For the first cause there is no excuse; it is a duty of the principal to become conversant with the rules of the Association and he owes it to himself, his school and his community to see that these rules are obeyed. For the second cause there is little excuse—let us remember that faith and charity are still cardinal virtues.

Another prevalent evil is the development of a winning team at any cost. The professional coach has made his appearance in some of our high schools—sometimes secured by the school board and sometimes by 'good fans.' Fortunately recent legislation tends to prohibit the latter. Too much attention is given to athletics and too little to physical training. We should have more physical training teachers and fewer coaches.

Our tourney method of determining a champion has many commendable features. However it encourages one evil that must be eradicated if basketball is to remain in good repute. All over the state a certain element keeps close tab on the basketball situation and gambling is becoming more and more noticeable at our games and tourneys. Some are inclined to scoff at the idea but others of us feel that unless drastic action is taken we shall sometime awaken to such a scandal as has so recently besmirched baseball. It takes a principal with courage and "backbone" to oppose this evil, especially when it involves many of his so-called "best fans," but in the end he will be more adm'ed than if he ko-tows to them.

It was my privilege to be in attendance, last spring, at a meeting of the representatives of the High School Athletic Associations of Illinois, Iowa, Wisconsin, Michigan, Ohio and Indiana. It is gratifying to note that our organization stands out in such a group. In nearly every way we are much in advance of our neighboring states.

The phenomenal growth and success of our association is comparable to a rowing trip on some fast stream. There is considerable work attending the launching of the craft, the trip down is comparatively easy but the return is attended with real difficulty. Our craft has evidently been successfully launched; we have gone with the stream and have speedily increased our membership. We must be near the turning point. Now is the time when we need the steady hand of our Permanent Secretary; when every member must bend to the oars in a sincere effort to retain that which we have gained—supervised athletics, a real benefit morally, mentally and physically to the youngsters of our state.

Announcement of I. H. S. A. A. Sectional and Final Basketball Tourneys, 1920

THE NINTH ANNUAL

The Board of Control has completed the details for the State Championship Basket Ball Tourneys and announces the scheme in full:

SECTIONAL TOURNEYS MARCH 5 AND 6

The following bases were used in selecting centers:

(1) Location—geographical and with reference to schools desiring to participate. (2) Railways and interurban facilities. (3) General conditions—attitude of local authorities, floors entertaining facilities, etc.

Schools have been assigned by counties with the intention of having about the same number in each Tourney. The following scheme gives the Centers and also the counties assigned to each center. The name of your county locates your center. The Board reserves the right to readjust the scheme if unforeseen conditions make it advisable and necessary. The numbers indicate the schools from each county that have expressed their desire to enter at the present time.

After all expenses, save those of transportation, have been paid a balance shall be ascertained. The first one hundred (100) dollars or part thereof in this balance shall belong to the Center High School. If there is more than one hundred (100) dollars in the balance, the transportation expenses of the competing schools shall be paid or such part thereof as the balance prorated will give each school, the Tourney Center not sharing. Eligibility—The eligibility of each player must be certified to by the Principal of the school sending the team. Certificates must be made on the regular blanks furnished by the Permanent Secretary, and all data must be given as indicated. Entries will close Monday, February 23. This means that they must be in the hands of the Permanent Secretary complete in every detail on that date. All students must be eligible when they participate.

Admission Fee—The admission fee to all Tourney games shall be thirty-five (35) cents for single session tickets and one (1) dollar and fifty (50) cents for season tickets and no more shall be received for said tickets. No more tickets shall be sold than capacity of the house will justify.

Prizes—No prizes of any kind are to be awarded to any school or individual.

Any unfair methods or prices higher than those mentioned in this announcement should be reported to the Board of Control with evidence.

Minutes of Meeting of Board of Control

Board of Control Meeting

The Board of Control met in the Cortland Hotel, Kokomo, at eight o'clock Friday evening, September 24. All members and the Permanent Secretary were present.

Mr. Johnson and Mr. Carson were chosen by the Board to serve as members of the Board until the annual elections in December. The former is now out of the teaching profession and the latter has moved out of the district in which he was elected.

Warsaw High School was ordered to pay the Wabash High School the \$10.00 forfeiture as provided for in a contract.

The Orland and the La Grange High Schools were suspended from the I. H. S. A. A. until June 1, 1921 for having played ineligible boys in baseball last spring.

The Treasurer was instructed to expend \$3000.00 in the purchase of War Saving stamps in the name of the I. H. S. A. A.

Ray Johnson, President.

A. L. Trester, Permanent Secretary.

BOARD OF CONTROL MEETING

The Board of Control met at 10:30 A. M. in the Claypool Hotel, Indianapolis, Monday, December 22. All Board members, the two newly elected members and the Permanent Secretary were present.

The Permanent Secretary reported that 333 schools had indicated desires to enter the Sectional Basket Ball Tourneys. Center invitations were gone over with the participating schools in mind and the Board authorized the Permanent Secretary to submit a list of centers and schools soon to the Board.

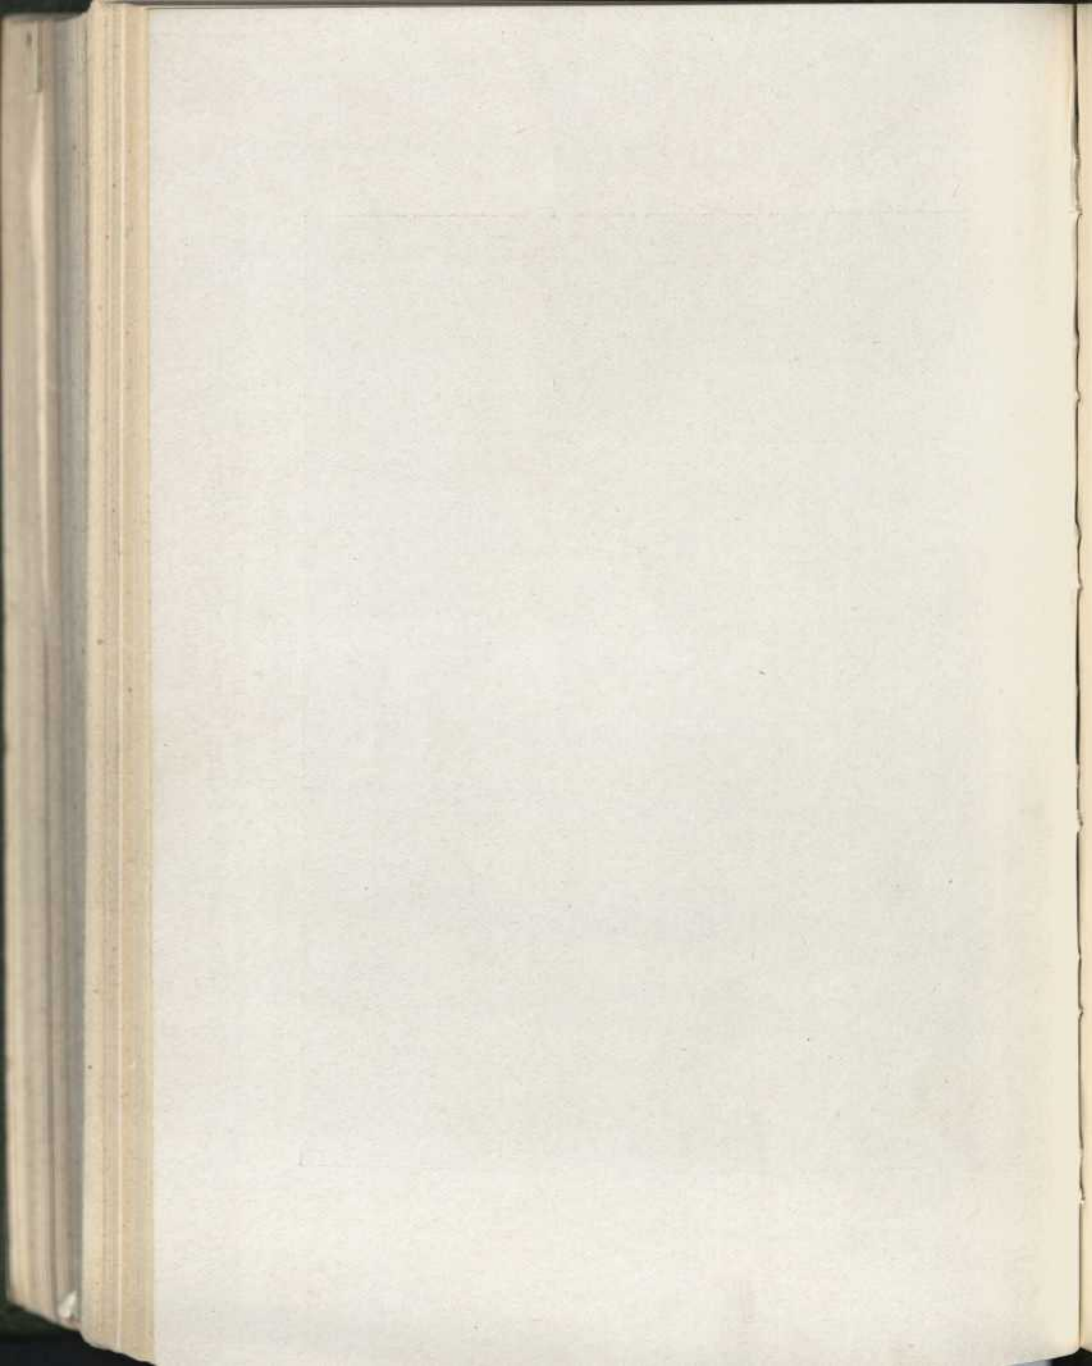

Superintendent Payne of Reynolds was present and gave information regarding athletics in his school. A definite promise was given by him to the end that all athletics would be looked after carefully in the future.

The decision of the referee was sustained in a game between Ashley and St. Joe.

TECHNICAL (INDIANAPOLIS) BASKETBALL TEAM

Top Row—Black, coach; Hay, Gorman, manager. Second Row—Black, Drayer, Hawkins, Van Arsdale. Bottom Row—Slaughter, Griggs, Nipper.

The Board re-affirmed the decision given in the Battle Ground—Mulberry controversy.

The Permanent Secretary was instructed to request the presence of representatives from Monroe City, Freelandville, Edwardsport, Emison, Oakton, Sandborn, Frichton, Decker, Vincennes University and Vincennes at the next Board meeting to give evidence regarding the Knox County Tourney held under the auspices of Vincennes University.

The Homer High School was suspended until January 1, 1921, for having played Charles English, Leland Parker and Orrin Miller. Each of these boys entered school after the first twenty days of school.

A Carthage-Cadiz contest was declared "no game."

The Modoc-Ridgeville contest was declared "no game" and all athletic relations cancelled between the two schools until January 1, 1921.

The Connersville-Falmouth contest was declared "no game" and all following warning is to be read by Principal Jeffrey to his High School and to the crowd at his next home game:

"The Indiana High School Athletic Association of which Falmouth is a member stands squarely for clean athletics both on the part of the schools and the fans. The Board of Control knows that money was given some of the Falmouth players by a fan and afterwards returned. The Board of Control also knows that the game between Connersville and Falmouth was unsatisfactory and unsportsmanlike. The students, teachers and fans are hereby warned that unless the best of sportsmanship is shown by all concerned at Falmouth, the school will automatically remove itself from membership in the I. H. S. A. A."

The I. H. S. A. A. Board of Control has gone on record against the participation of the State High School Basket Ball winning team in any inter-state games because of the strenuousness of the schedules and tourneys already arranged by High School teams throughout the season.

The Board decided to continue the single authority and single responsibility in handling all sectional tourneys.

Corunna High School was suspended until January 1, 1921, for having disclaimed any obligations to the I. H. S. A. A. in some games with the Butler High School.

The Permanent Secretary was authorized to ask the Greencastle

management to coach their Basket Ball players along the line of cleaner playing.

Justin Moloney, Merle Abbet and Ross Smith were sanctioned as State Tourney Officials.

BOARD MEETING FEBRUARY

The Board of Control met in the Claypool Hotel, Indianapolis, at 10:30 A. M., February 7th, all members of the Board and the Permanent Secretary being present.

Representatives from Vincennes University and the schools participating in a recent tourney under the auspices of Vincennes University were present. The Board decided that all schools participating be placed on probation until January 1, 1921, that all cups, medals and prizes given by Vincennes University be returned at once to Vincennes University, and that the organization formed under the direction of Vincennes University be dissolved. The students of the Vincennes High School who played on the Y. M. C. A. team were declared ineligible for this entire season.

Harold Caldwell, a student in Shortridge High School, was protested as living in Castleton but the charge was not proved.

The Edinburg-Columbus protest was settled by sustaining the referee.

Several letters from schools desiring to change Tourney places were read and considered but no changes were ordered.

The list of sectional officials was gone over and assignments were discussed but not decided.

It was decided to offer George Veenker of Hammond a position as State Tourney official and to offer E. B. Palmer of Indianapolis a position as State official in case Principal Merle Abbett of Bedford wins the sectional tourney at Bedford.

The invitation of Purdue University to hold the State Track Meet there May 22 was accepted and the Permanent Secretary was authorized to secure a contract for the Meet.

The selection of additional tourney centers in case more are needed was discussed.

It was decided that members of the I. H. S. A. A. would jeopardize their standing by playing public High Schools of Indiana, who are not members of the I. H. S. A. A., whether the games are played in Indiana or in some other state.

The next meeting was set for the Courtland Hotel, Kokomo, at 10:00 o'clock A. M. Saturday, February 28.

The Board voted to request Superintendent W. A. Denny of Anderson to personally manage the Sectional Tourney there.

It was decided to request the New Castle management to make their playing floor as near 50x70 as possible and also to secure a timer other than the man that was used there last year.

BOARD OF CONTROL MEETING

The Board of Control met in the Bowles Hotel at 12:00 o'clock noon, March 11, to consider the protest of Summitville regarding the Anderson game during the sectional tourney.

Mr. Johnson, Mr. Abbett, Mr. Carson and the Permanent Secretary were present. The Board unanimously decided that the facts did not sustain the protest.

BOARD OF CONTROL MEETING

The Board of Control met in the Gymnasium at Indiana University, Friday evening, March 12. Mr. Johnson, Mr. Abbett, Mr. Ammerman, Mr. Carson and the Permanent Secretary were present.

The details of the sectional and state track meets were discussed and the Permanent Secretary was authorized to proceed with the negotiations regarding these meets.

The Orleans High School was ordered to pay the Scottsburg High School one-half of the expenses incurred by the latter high school in trying to carry out a contract to play a game at Orleans. Payment was ordered on or before May 1 under penalty of suspension.

The Petroleum High School was ordered to pay the Berne High School \$10 forfeit money on or before April 1 under penalty of suspension.

The Board authorized the Permanent Secretary to pay each of the officials who were required to work on Thursday evening at some sectional tourney \$5 expense money.

The Board adjourned to meet at 10:30 a. m. Saturday, April 10, in the Claypool Hotel, Indianapolis.

BOARD OF CONTROL MEETING

The Board of Control met at the Cortland Hotel, Kokomo, at 10:00 o'clock Saturday, February 28, Mr. Johnson, Mr. Abbett, Mr. Carson, Mr. Ammerman and the Permanent Secretary being present.

After full consideration of the assignment of schools to the different centers and after certain changes had been made in the ap-

portionment, the Board proceeded to the drawing of the schedules for the sectional tourneys and the final tourney.

The selection and assignment of officials was gone over carefully and these were added to the schedules.

The Hope High School was suspended from the I. H. S. A. A. until June 1, 1920, and was denied the privilege of participating in the sectional tourneys for 1920 because this high school participated in a tourney at Cincinnati University in the face of a warning not to do so by the Board of Control.

Several entries were received by the Permanent Secretary later than the date specified in the announcement and the Board of Control voted to bar all of these schools from the sectional tourneys.

The Board Members were given copies of the schedules in order that a sufficient number might be printed for each center.

Franklin College asked permission to hold a Basket Ball Tourney and the sanction of the Board was not given.

BOARD OF CONTROL MEETING

The Board of Control met in the Claypool Hotel, Indianapolis, at 10:30 A. M. Saturday, April 10,—all members and the Permanent Secretary being present.

The admission fee for sectional meets was placed at 35 cents.

The following points were discussed with a view to presenting some definite recommendations to the next State Meeting.

1. Number of Basket Ball games for one season.

Rules of the Indiana High School Athletic Association Regarding Track and Field Meets

Based on the Rules of the Intercollegiate Conference Athletic
Association.

RULE I.

Officials.

Section 1. All meetings must be under the direction of

The Board of Control.

One referee.

Two or more inspectors.

Three or more field judges.

Three judges at finish.

Three or more timekeepers.

One starter.

One scorer.

One marshal.

Section 2. If deemed necessary, assistants may be provided for the clerk of the course, the scorer and the marshal, and an official announcer may be appointed.

RULE II.

The Board of Control.

The Board of Control shall have jurisdiction of all matters not assigned by these rules to the referee or other game officials.

RULE III.

The Referee.

The referee must decide all questions relating to the actual conduct of the Meet, whose final settlement is not otherwise covered by these rules, and shall have the power to add to or alter the announced arrangements of heats in any event. A referee has no authority, after heats have been drawn and published in a program, to transfer a contestant from one heat to another.

When in any but the final heat of a race a claim of foul or interference is made, he shall have the power to disqualify the competitor who was at fault, if he considers the foul intentional or due to culpable carelessness, and shall also have power to allow the hindered com-

petitor to start in the next round of heats, just as if he had been placed in his trial.

When in a final heat a claim of foul or interference is made, he shall have the power to disqualify the competitor who was at fault, if he considers the foul intentional or due to his carelessness or conduct, and he shall also have the power to order a new race between such of the competitors as he thinks entitled to such a privilege.

If during the athletic contest under the rules of the I. H. S. A. A. a competitor shall conduct himself in a manner unbecoming a gentleman or offensive to the officials, spectators or competitors, the referee shall have the power to disqualify him from further competition at the Meet; and if he thinks the offense worthy of additional punishment, must promptly make a detailed statement of the facts to the Board of Control.

Power to change the order of events, as laid down in the official program, is reserved to the Board of Control, which shall, through its chairman, exercise this authority, unless it sees fit to expressly delegate this power to the referee.

The referee shall not have authority to disqualify any competitor for violation of the eligibility rule of the I. H. S. A. A. All protests as to eligibility made on the field must be referred to the Board of Control, and the protested competitor must be allowed to compete until disqualified by the arbitrator of the I. H. S. A. A.

RULE IV.

The Inspectors.

It shall be the duty of the inspector to stand at such point as the referee may designate, to watch the competition closely, and, in case of claim of foul, to report to the referee what he saw of the incident. Such inspectors are merely assistants to the referee, to whom they must report, and have no power to make any decision.

RULE V.

The Judges of the Finish.

The judges of the finish must determine the order of finishing of contestants, and must arrange among themselves as to noting the winner, second, third and fourth, etc., as the case may require, and there must always be two judges, whose duty must be to choose the winner.

Their decision in this respect must be without appeal, and in case of a disagreement a majority must govern.

RULE VI. The Field Judges.

The field judges must make an accurate measurement and keep a tally of all trials of competitors in the high and broad jumps, the pole vaults, the weight competitors and the discus throws.

They must act as judges in these events, and their decisions must likewise be without appeal. In case of disagreement, a majority must govern. There must be at least three judges for every event.

RULE VII. The Starter.

The starter must have sole jurisdiction over the competitors after the clerk of the course has properly placed them in their position for the start.

The method of starting must be by pistol report, except that in time handicap races the word "go" must be used.

An actual start is not effected until the pistol has been purposely discharged after the competitors have been warned to get ready.

In case the pistol was not purposely discharged, the competitors shall be called back by the starter by pistol fire.

Note—The starter must have at least two good cartridges in his pistol before starting a heat.

When any part of the person of a competitor touches the ground in front of his mark before the signal is given, it must be considered a false start.

Penalties for false starting must be inflicted by the starter as follows: In all races to and including 125 yards, the competitor must be put back one yard for the first and another yard for the second attempt; in races over 125 yards and including 300 yards, two yards for the first and two more for the second attempt; in races over 300 yards and including 600 yards, three yards for the first and three more for the second attempt; in races over 600 yards and including 1,000 yards, four yards for the first and four more for the second attempt; in races over 1,000 yards and including one mile, five yards for the first and five more for the second attempt.

In all cases, the third false start must prevent his competing in that event.

The starter must rule out of that event any competitor who attempts to advance himself from his mark, as prescribed in the official program, after he has been given the warning to "get ready."

RULE IX.
Clerk of the Course.

The Clerk of the course must be provided with the names and the numbers of all entered competitors, and must notify them to appear at the starting line before the start in each event in which they are entered.

RULE X.
The Scorer.

The scorer must record in the order in which each competitor finishes his event, together with the time furnished by the referee.

He must keep a tally of the laps made by each competitor in races covering more than one lap, and must announce, by means of a bell or otherwise, when the leading man enters the last lap.

He must draw up a list of the actual competitors in each event which shall be filed with the papers of the Association, and shall be the official record of competing entrants, and shall be final evidence in the enforcement of Rule III., of the rules of eligibility.

He must control his assistants and assign to them such of his duties as he may deem proper.

RULE XI.
The Marshal.

The marshal must have police charge of the enclosure, and must prevent any but officers and actual competitors from entering or remaining therein.

He must control his assistants and assign them to their duties.

RULE XII.
The Official Announcer.

The official announcer must receive from the scorer and field judges the result of each event, and announce the same by voice or by means of a bulletin board.

RULE XIII.
Competitors.

Competitors must report to the Clerk of the Course immediately upon their arrival at the place of meeting, and must be provided by that official with their proper numbers, which must be worn conspicuously by the competitors when competing, and without which they must not be allowed to start.

Each competitor must inform himself of the time of starting, and must be promptly at the starting point of each competition in which he is entered, and there report to the Clerk of the Course.

Under no circumstances shall attendants be allowed to accompany competitors at the start or during any competition.

RULE XIV.

Track Measurement.

All distances run or walked must be measured upon a line eighteen inches outward from the inner edge of the track, except that in races on straightaway tracks the distance must be measured in a direct line from the starting mark to the finishing line.

RULE XV.

The Course.

Each competitor must keep in his respective position from start to finish in all races on straightaway tracks, and in all races on tracks with one or more turns, he must not cross to the inner edge of the track, except when he is at least six feet in advance of his nearest competitor. After turning the last corner into the straight in any race, each competitor must run a straight course to the finish line, and must not cross to either the outside or inside from such straight course in front of his opponents.

In all races of the I. H. S. A. A. up to and including 220 yards, each competitor must have a separate course marked out and measured, whether races are run straightaway or with turns.

The referee must disqualify from that event any competitor who willfully pushes against, impedes, crosses the course of, or in any way interferes with another competitor.

The referee must disqualify from further participation in the Meet any contestant competing to lose, to coach, or in any way impede the chances of another competitor, either in a trial or a final contest.

RULE XVI.

The Finish.

The finish of the course must be represented by a line between two finishing posts, drawn across and at right angles to the sides of the track, and four feet above which line must be stretched a tape, attached at either end to the finishing posts. A finish must be counted when any part of the winner's body, except his hands or arms, touches the tape at the finishing line. The tape must be considered the finishing line for the winners, but their order of finishing across the track line must determine the position of the other competitors.

RULE XVII.

Hurdles.

In the 120 yards hurdle race, ten hurdles must be used, each hurdle to be three feet six inches high. They must be placed ten yards apart, with the first hurdle fifteen yards distant from the starting point, and the last hurdle fifteen yards before the finishing line.

In making a record it must be necessary for the competitor to jump every hurdle in its proper position.

In all hurdle races of the I. H. S. A. A. up to and including 220 yards, each competitor must have separate hurdles and a separate course marked out and measured, whether races are run straightaway or with turns.

A competitor knocking down three or more hurdles, or any portion of three or more hurdles, in any race shall be disqualified.

RULE XVIII.

Jumping.

Section 1. A fair jump must be one that is made without the assistance of weights, diving, somersaults, or handsprings of any kind.

In scratch events competitors must jump in order as placed on program.

Sec. 2. The running high jump.—The field judges must decide the height at which the jump shall commence, and must regulate the succeeding elevations.

Each competitor must be allowed three trial jumps at each height, and if on the third trial he shall fail, he must be declared out of the competition.

Competitors must jump in order, as provided in Section 1; then those failing, if any, must have had their second trial jump in a like order, after which those who have failed twice must make their third trial jump.

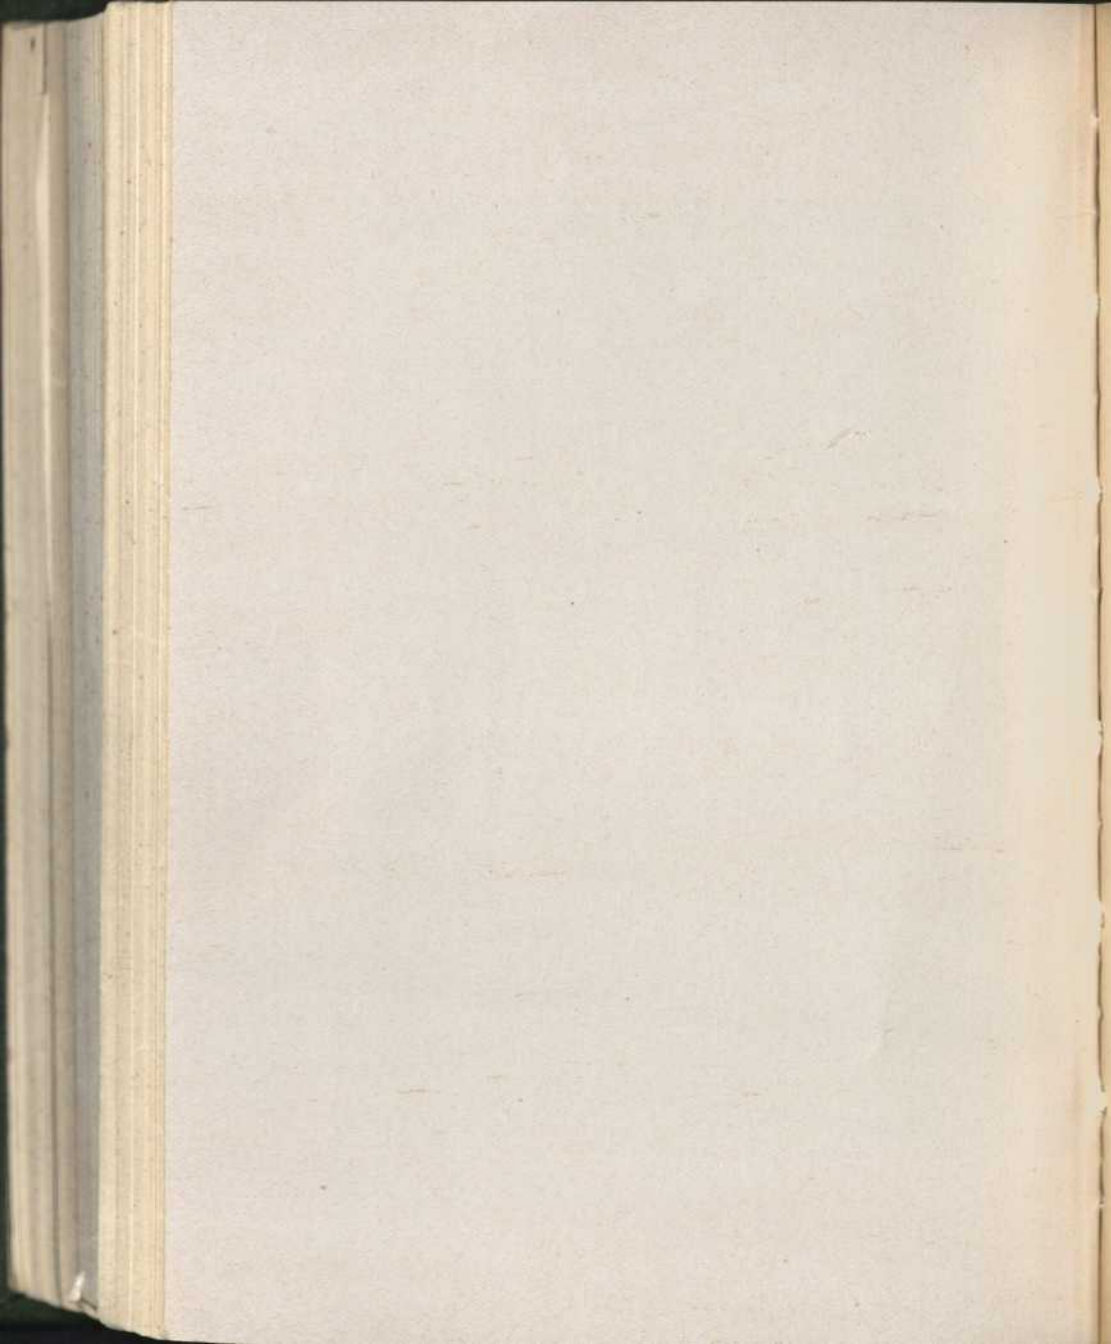

The jump must be made over a bar resting on pins projecting not more than three inches from the uprights, and when this bar is removed from its place by the competitor when trying, it must be counted as a trial jump.

Running under the bar in making an attempt to jump must be counted as a "balk," and three successive "balks" must be counted as a trial jump.

SUMMITVILLE HIGH SCHOOL BASKETBALL TEAM

Standing, Left to Right—John McMillin, back guard; James Price, sub. forward; Sam Inglis, sub. guard; Ralph Kizer, floor guard; Paul V. Woolley, coach. Seated, Left to Right—Paul Jones, sub. forward; Ralph Dailey, center; Joseph Johnson, forward.
Insert—Edgar Ice, captain, forward.

The distance of the run before the jump must be unlimited. A competitor may decline to jump at any height in his turn, and by so doing forfeits his rights to again jump at the height declined.

Sec. 4. The running broad jump.—When jumped on earth, a joist five inches wide must be sunk flush with it. The outer edges of this joist must be called the scratch line, and the measurement of all jumps must be made from it, at right angles, to the nearest break in the ground made by any part of the person of the competitor.

In front of the scratch line the ground must be removed to the depth of three and the width of twelve inches outward.

A foul jump must be one where the competitor, in jumping off the scratch line, makes a mark on the ground immediately in front of it, or runs over the line without jumping, and must count as a trial jump without results.

Each competitor must have three trial jumps, and the best three must have three more trial jumps.

The competition must be decided by the best of all the jumps of the competitors.

The distance of the run before the scratch line must be unlimited.

Section 5. The pole vault.—A pole must be furnished by the managing committee (but contestants may use their own private poles if they so desire, and no contestant shall be allowed to use any of these private poles except by the consent of their owners. The poles must be unlimited as to size and weight, but must have no assisting devices, except that they may be wrapped or covered with any substance (to obtain a firmer grip,) and may have one prong at the end.

No competitor shall, during the vault, raise the hand which was uppermost when he left the ground to a higher point of the pole, nor shall he raise the hand which was undermost when he left the ground to any point on the pole above the other hand.

The rules governing the running high jump must also govern the pole vault for height, except when the man leaves the ground in an attempt it shall be counted a trial.

RULE XIX.

Putting the Shot.

The shot must be a solid sphere, made of metal, and must weigh twelve pounds.

It must be put with one hand, and in making the attempt it must be above, and not behind, the shoulder.

The competitor must stand in a circle seven feet in diameter. The circumference of the circle must be divided into halves by a line drawn through the center of the circle. On four feet of the front half of the circumference a board four inches high must be placed, the edge of which must be equally distant from the intersection of the line with the circumference, and at which the competitor must stand when the shot leaves his hand.

A fair put shall be one where no part of the person of the competitor touches in front of the circle, or on the board, in making the attempt.

A put must be counted as a foul if the competitor steps outside the circle on the board. A competitor must leave the circle by the rear half. Leaving by the front half must be declared a foul.

The measurement of all puts must be made from the nearest mark by the shot to a point on the circumference of the circle on a line with the object mark and the center of the circle.

Foul puts and letting go the shot in making an attempt must be counted as trial puts without results.

A board similar to the one in front may be used at the back of the circle.

The order of competing and the number of trials shall be the same as for the running broad jump. Shots must be furnished by the managing committee. Any contestant may use his own private shot, if correct in weight and shape; in which case the other contestants must be allowed to use it if they wish.

RULE XXI.

Ties.

In case of a tie in any event, the points shall be divided and the place awarded by lot.

RULE XXII.

Relay Racing.

1. A line must be drawn twenty feet in front of each starting line. Between these two lines each runner must touch the succeeding runner. Failure to do this disqualifies the team in that event. The judges must see that all touches are properly made.
2. The same rule with reference to fouls, coaching or impeding a runner in any way, apply to relay racing as to other events.
3. No member of a relay team can run back of the line, nor can one man run two relays in any team.
4. The positions of the team must be drawn.

(b) It shall have exclusive control of the annual Inter-scholastic Meet; (c) It shall give interpretations of the rules of the Association; (d) It shall determine forfeitures under Sec. 11; (e) The Board of Control at the end of any athletic season may, at its discretion, issue a statement of its official opinion as to the relative standing of teams. No school which has violated the rules of the Association in regard to the qualifications of players shall be awarded special honors in that particular branch of athletics.

Sec. 4. (a) When charges are made in writing by a member of the Association against another member for violation of the rules

of the Association, the Board of Control, after giving due notice of the place and time for the school so charged to be heard, shall consider such charges, and may suspend the offending school for a period not exceeding one year. (b) The Board of Control shall decide upon all protests brought before it with reference to qualifications of contestants in the Inter-scholastic Meet. (c) When any matter comes before the Board for decision which is of special interest to a school of which a member of the Board is representative, the remaining members shall appoint another person to act in his place in that matter.

Sec. 5. At the annual meeting of 1906 a Permanent Secretary shall be elected, who shall have charge of the property and records of the Association; shall receive all money for dues and the sale of publications of the Association; shall issue all circulars authorized by the Board of Control; shall attend meetings of the Board when requested to do so by the Board; shall turn over to the Treasurer of the Board all money in his possession when called upon to do so; shall perform such other duties as the growth of the Association as determined by the Board may require; and shall receive as compensation the sum of \$150 annually, and such allowances for expenses and clerical help as the Board may approve. Vacancies in the office may be declared by the Board for cause, and a successor appointed by the Board to act until the next annual meeting.

It shall be the duty of the Permanent Secretary to publish the I. H. S. A. A. Year Book immediately following the annual meeting of the Association.

Local Management:

Sec. 6. The Principal or his authorized representative shall accompany his team to all contests.

Sec. 7. The principal of the school, or High School teachers authorized by him, shall be manager or managers of the teams representing the school.

Sec. 8.—No games shall be played without the sanction of the principal.

Sec. 9. The eligibility of all the contestants shall be certified to by the principal of the school in accordance with the rules hereby adopted. Such statements shall be presented in writing within ten days before any contest. In case of disputes the principal must furnish the Board of Control the following data in regard to each contestant: The date of last enrollment; the number of years he has been a member of a secondary school athletic team; date and place

of birth; average mark in each study for the last preceding term in school; average mark in each study from the beginning of the current term or semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from the Annual Inter-scholastic Meet.

Sec. 10 The principal has power and is advised to exclude any contestant who, because of bad habits or improper conduct, would not represent his school in a becoming manner.

Sec. 11 It is recommended that principals, in arranging for games, provide a forfeit of \$10, to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control, after hearing both sides, shall have authority to expel the delinquent school from the Association. Notification of such expulsion shall be published in the papers, with cause therefor.

Sec. 12. **Paid Coaches**, other than those regularly employed as teachers by the trustees of the school, are prohibited. By paid coach is meant any person who receives, directly or indirectly, remuneration of any kind, money, traveling expenses, gifts, etc., in return for services rendered in instructing or coaching any high school athletic team. No High School shall be permitted to employ a coach or athletic director who receives any extra pay, salary, gifts, trophies, trips or presents from any outside sources.

Sec. 13. Each school in the Association shall report to the Permanent Secretary a list of pupils representing the school in athletic contests during the year. Each school is asked to report also the kind of treatment accorded them to, from and on the field, while guests of another school.

Officials:

Sec. 14 On and after July 1, 1910, all the **Major Officials** in all athletic contests participated in by teams connected with school in the I. H. S. A. A. shall be regularly licensed teachers in the public schools of Indiana or shall be persons whose names have been furnished and approved by the Board of Control. It is recommended that these officials shall be disinterested, and it is required that when a school demands disinterested officials at the time of scheduling the game, such officials shall be furnished. The Board shall drop from its list of approved officials any person who is palpably unfair and biased in his decision in games.

Sec. 15 Non-playing student officials or assistants shall conform to the same rules as the players.

Membership:

Sec. 16 Membership in this Association shall be limited to public High Schools of the state, and each school shall have one vote. The annual dues shall be \$1.50, payable when the school becomes a member, and thereafter by January 1 of each year, in advance.

Academies with commissioned high school standing shall be eligible to membership in the Association, and wherever the word "high school" appears in this Constitution it shall be understood to apply equally to these academies.

Beginning with the year 1914, and every year thereafter, the fiscal year of the Indiana High School Athletic Association shall close on December 31.

Games and Game Rules:

Sec. 17 No game shall be played with public high schools in this state not belonging to the Association.

This rule does not prevent a member of the Association from playing high school teams outside of the state, nor from playing non-high school teams within the state, except as follows:

It is a violation of the Constitution for schools in the Association to play non-high school teams, including high school boys, unless the latter are certified as eligible by the Principal of the school to which they belong.

Sec. 18 The games recognized by the I. H. S. A. A. shall be: Football, Rugby Football, Basket Ball, Soccer, Track Work and Baseball. Further, all form of inter-school athletic games shall be subject to the rules of the I. H. S. A. A.

Sec. 19 In all football contests held under these rules, the length of each half shall be twenty-five minutes, unless changed by mutual consent.

Sec. 20 The basketball rules as published in Spalding's Official Basketball rule book, shall be the official rules governing all contests between members of the I. H. S. A. A. However, the rule governing the selection of officials in the above rules shall be void, and unless otherwise agreed by mutual consent, each school shall furnish one official, and these officials shall alternate their duties, each acting as referee and each acting as umpire one half.

Eligibility:

Rule 1. To represent a school in any inter-scholastic contest, a person must be under twenty-one years of age; must have entered some public high school within the first twenty school days of the semester in which the contest occurs, and must be an amateur as defined by the A. A. U. Eighth grade pupils are not eligible. A semester is one-half a school year.

(The term "Amateur" is defined and explained in Spalding's Official Handbook of the Inter-Collegiate Association of Amateur Athletes of America.)

Rule 2. Any pupil who has been enrolled twenty (20) or more days from September 1 to December 1 of same year for each of four semesters will be ineligible to play football a fifth semester.

"Any pupil who has been enrolled for a period of twenty (20) or more days from December 1 to March 1 of the next year for each of four semesters shall be eligible to play a fifth semester, provided he meets the requirements of the other eligibility rules; provided further that no pupil shall represent his school longer than four years."

INTERPRETATION—This rule applies only to students entering school for the first time during the second semester of the school year, and enrollment in school rather than participation in athletics shall determine the eligibility of all students.

Any pupil who has been enrolled for a period of twenty (20) or more days from March 1 to June 1 of the same year for each of four semesters shall be ineligible to play baseball a fifth semester.

INTERPRETATION—This section covers all branches of athletics.

Rule 3 A pupil withdrawing permanently from school within the first twenty school days of the semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more inter-scholastic games, in which case he shall be regarded as having engaged in Athletics for that season.

Rule 4. Post Graduates are not eligible, but pupils graduating from regular three year courses shall not be deemed post graduates.

Rule 5. A student is a post graduate of a school after he has completed the work required for graduation by that school, irrespective of the time of granting the diploma.

Rule 6. Pupils meeting requirements for graduation in three and one-half years in high schools with regular four years course shall be eligible to participate in school athletics the last half of the

fourth year, provided they meet all other eligibility rules of the I. H. S. A. A.

Rule 7. Time spent in athletic sport by pupils while in grades below the high school shall not be counted as part of the four years.

Rule 8. No person shall enter a contest under an assumed name.

Rule 9. Any member of a high school athletic team who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

An exception is hereby made for basketball and basketball players in those towns and cities whose schools have no gymnasium and whose students are forced by necessity to use a Y. M. C. A. or some other gymnasium for their practice games. It is a well known fact that the use of such gymnasium by high school students under such circumstances will likely require that such students play on the teams of the organizations maintaining such gymnasium. No student, however, will be permitted to play on any other team than that representing the organization controlling the gymnasium, and no student will be allowed to play in the teams of the latter without the knowledge and consent of the principal.

Rule 10. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week, exclusive of rhetorical, physical culture, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire term.

Pupils enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Back work may be made up, providing that it is done in accordance with the regular rules of the school and becomes a matter of final record before the next semester.

INTERPRETATION—In each of the studies representing the minimum requirement of work specified above: (a) For the current semester the average of the monthly grades up to the time of certification must be passing; (b) for the current or school month the average of the daily or weekly grades must be passing (c) if the average of the monthly grades at the beginning of any month is be-

low passing in any study, the pupil is ineligible as far as that study is concerned for the entire month.

Rule 11. No person who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Rule 12. The eligibility rules of this Association shall apply to students taking part in all contests, whether with schools inside or outside the State of Indiana.

Rule 13. On and after January 1, 1911, no student shall be eligible to play football unless he has been examined by a regular physician and his physical condition has been pronounced satisfactory. Further, such student shall not be eligible until the physician's certificate has been filed with the Permanent Secretary of the Association. Said certificate shall be good from September 1 to December 1, only.

Rule 14. On and after January 1, 1911, no pupil shall be eligible to play football without the written consent of his father, mother or guardian. Said written consent shall be attested by the Principal or Faculty Manager and shall be filed with the Permanent Secretary of the Association. The copy of said written consent shall be attached to the physician's certificate when filed with the Permanent Secretary.

Rule 15. No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one full semester, unless the parents of such student actually change their residence to the second school district. In the latter case the student will be as eligible as he was in the school from which he withdrew.

The resolution is interpreted as follows:

1. Students finishing the courses offered in schools maintaining less than four years of high school work are not bound by the resolution.

2. The fact that a transfer has or has not been issued, or that the student pays or does not pay his tuition has no bearing on the resolution.

3. The resolution is now in force for the present semester but is not retroactive as to penalty.

4. A student enrolled in one High School of a city or school corporation shall not be eligible in another High School of the same city

or school corporation until he has been enrolled in the other High School for one full semester.

Interpretations

First. A game is an Inter-High School athletic contest.

Second. The football season is defined as beginning with the opening of school and closing with November 30.

Third. No student who violates the rules of the Association will be reinstated by the Board.

Fourth. A pupil who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season.

Sixth. The basketball season is defined as lasting the entire school year.

Seventh. Pupils under twenty-one at the time of registration in school shall be so regarded until the time of their next registration.

Eighth. Any student, who carries at least 15 hours of regular High School work, is a High School student.

Ninth. It is recommended that Principals take proper measures to control the crowd and the players in all contests. Failure to do so shall be considered sufficient grounds for expulsion from the Association.

Please state definitely the kind and number of each wanted.
