J. ORD FORTNER

President I.H.S.A.A. Jan. 1, 1928, to Jan. 1, 1929.

TO THE INDIANA HIGH SCHOOL
ATHLETIC ASSOCIATION

J. Ord Fortner, President

Twenty-five years ago the I.H.S.A.A. was founded by a small group of school men who had a vision as to the possibilities for good to be derived from the proper control and administration of athletic contests between schools. Their expectations probably have been more than realized, but our growth and the worth of the I.H.S.A.A. have proved the soundness of their judgment in creating such an organization.

And this, our SILVER ANNIVERSARY, finds the school men of the State ready to stand "uncovered," as it were, in tribute to the work they so nobly wrought.

From a membership of fifteen schools in our first year (Anderson, Alexandria, Bloomington, Eaton, Fairmount, Goshen, Huntington, Kokomo, Manual Training (Indianapolis), Marion, Noblesville, North Manchester, Shortridge (Indianapolis), Salem and Wabash) we have grown in the quarter century to a membership of 800 schools.

The original purpose has not been lost sight of by the association. Administered always by school men in sympathy with its Ideals and Aims, it has not been difficult to foster and develop its program. Outstanding, now, in the program are: "Good School Procedure," "Properly Directed Athletics," "Adequate Gymnasiums," "Playfields, Swimming Pools," "Health Education," "Amateurism," "Games for All" and "Clean Athletics."

Insofar as the school does not reach each boy and girl in its Health program, just to that extent it has failed. It is a healthy sign to see the schools developing intra-mural programs and activities in which more boys and girls meet in competitive games. Our motto should be, "A Health Program For All and All For The Health Program."

The Association has always made progress and the future will not find this spirit dormant. The past year has seen us graduate from the "Cow-barn" at the State Fair Grounds to the splendid structure of the "Butler Field House" as the place for staging the annual Basket Ball Tournament where 14,000 people may witness the winter sport. Future Boards will ever be on the alert to take advantage of situations that will make things more comfortable for the Public and the boys who participate in the sports.

Events that will use the swimming pool, football field, tennis courts, and indoor track should and will be arranged for the schools of the membership. The use of these is included in our lease with the Butler authorities.

Activities have developed to such an extent throughout the State and demands for the services of a man are so great that the time seems to be here when the Association should place a "Field Man" in the State to travel among the high schools rendering the much-needed service. (Provision was made for this service at the last Legislative Body Meeting. Editor.) The finances of the Association are in good shape and fully protected. Sufficient funds are on hands or in sight that any constructive program may be readily administered.

The rules of the Association are our rules, made by the Principals in the beginning, now by the Legislative Body, elected by the Principals, and administered by the Board of Control, the Permanent Secretary acting as the Board's spokesman. Infringement of rules may be due to lack of knowledge of same, wrong interpretation, or the "get by" attitude. Whatever the reason the rules will mean as much as we care to have them mean. They must be obeyed in spirit as well as in letter. Teams winning at any cost are too costly. If a rule be wrong, repeal it. If it be right, abide by it. Rules are so written that but one interpretation may be given. Get the one meaning.

With the fine spirit manifest by the members of the Association, and the "Carry on" attitude predominating, the I.H.S.A.A. can maintain the elevated position which it now occupies and continue to engage in broader fields of activities thereby increasing its usefulness to its membership.

It has been a pleasure and privilege to serve as a member of the Board of Control. I leave its membership with no regret for any decision or move made in the three years of service. Principals of High Schools of the membership, I thank you for the honor of serving on your Board of Control. May I predict many more years of worthwhile service for our splendid organization.

BASKET BALL

The game of basketball continued to be the most popular High School sport among the boys. A number of schools organized letter teams and arranged a schedule for each team to play during the regular season. The best players on these teams in each school were used to form the team for the State Tourneys.

There were a number of girls' basketball teams but most of the playing was done between teams within the schools rather than in inter-school games. The need for trained women to coach, direct and manage girls' athletics and to officiate in girls' games is very urgent. The number of women employed to handle the intra-mural work in girls' athletics is growing each year, but too many schools do not provide any work in Physical Education for the girls enrolled.

The State Tourney for boys provided for sixty-four (64) sectional tourneys on March 2 and 3, sixteen (16) regional tourneys on March 10, and a final tourney of sixteen (16) teams on March 16 and 17. There were seven hundred forty (740) teams in the sixty-four (64) sectional tourneys and each team was made up of ten (10) men, so seventy-four hundred (7400) players were certified for these tourneys.

The Muncie High School, Raymond Jolly, Coach, won the State Final Tourney held in the New Butler University Field House in Indianapolis and the State Championship in basketball for 1928. Robert McCarnes of the Logansport High School team won the Gimbel Prize for Mental Attitude, the five members of the Board of Control making the selection.

The New Butler University Field House was used for the first time by the I.H.S.A.A., and it proved to be an ideal place for the State Tourney. There were 14,000 excellent seats and the seating capacity was sold completely for Saturday and sold almost completely for Friday of the tourney.

The following reports will be found interesting to those desiring information about schedules and scores. All schedules were drawn by lot by the Board of Control and the halves in all games were fifteen minutes in length.

USED FOR STATE BASKETBALL TOURNEYS

ANNOUNCEMENT OF I.H.S.A.A. SECTIONAL, REGIONAL AND FINAL BASKETBALL TOURNEYS

1928

THE SEVENTEENTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full

Sectional Tourneys, March 2 and 3

The following bases were used in selecting centers:

(1) Location,—Geographical and with reference to schools desiring to participate, (2) Railway, interurban and automobile facilities, (3) General conditions,—attitude of local authorities, floors and entertaining facilities, (4) Rotation.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney and the assignment of all schools is given below. The Board of Control reserves the right to readjust the scheme if conditions arise making changes necessary or advisable. The numbers indicate the number of schools that will probably enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control.

MANAGEMENT—The general management of these tourneys rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. Two officials for each tourney will be selected by the Board and none but fair, disinterested and competent men will be chosen. Both officials will work each game alternating as referee and umpire. All schedules of hours, floors, teams and officials will be made out and printed by the board. No changes will be made in them.

OPEN CONTEST—The tourneys are open to all members of the Association, irrespective of their season's record.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

PROTESTS—All protests against teams or individuals must be made in writing by the Principal and filed with the Permanent Secretary on or before 11 A. M. Thursday, Feb. 23. Protests must be accompanied by evidence. Eleventh hour protests are usually unfair as such do not give the team or individual time to meet the protest.

ENTERTAINMENT—Teams are limited to eight men, but ten men can be certified. The Center Principals have contracted with the Board to entertain ten men (which MUST include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 7 a. m. Friday, March 2 and continue, if necessary, to 8 a. m. Sunday, March 4. Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. All competing schools are requested to ask for no longer entertainment than is necessary, but all schools are entitled to entertainment throughout the tourney. Fairness by all parties must prevail in this matter of entertainment.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, which money will go into the treasury of the I.H.S.A.A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement according to the following scheme and in the following order:

1. All legitimate expenses except for transportation shall be paid from the gross receipts.
2. The Center High School shall receive one hundred dollars (\$100.00.)

GIMBEL PRIZE FOR MENTAL ATTITUDE

In 1917 Jake Gimbel of Vincennes presented to the I. H. S. A. A. Board of Control a proposal to give a prize each year at the State Basketball tourney to the boy among the teams represented that showed the best mental attitude throughout the tourney. Mr. Gimbel did not have in mind the quality of the playing of any boy on any team, but did have in mind the qualities that belong to a real gentleman. He clearly recognized the mental and moral strain under which the players play during the tourney and he also recognized the numerous opportunities for the players to lose control of themselves and to do something not conducive to true sportsmanship.

The Board of Control accepted the proposal of Mr. Gimbel and the awarding of this prize known as the "Gimbel Prize for Mental Attitude" has been an annual affair, calling for much favorable comment. The prize and the things it represents are cherished by the players and schools of Indiana. The prize has meant much to real sportsmanship and self-control in the High Schools of the State and it is a prize sought for by all schools. The school to which the winner of this prize belongs claims the winner as their own and accordingly the whole school and the whole community are proud. In a number of cities similar prizes are being given to the players who show the best mental attitude within their own schools. The Gimbel prize and these other similar prizes have exalted in a very real sense the qualities belonging to a gentleman in the minds of our boys and girls.

The following boys have won the prize:

Claude Curtis	Martinsville	—1917
Ralph Esarey	Bloomington	—1918
Walter Cross	Thorntown	—1919
Harold Laughlin	Bedford	—1920

agement of the State Tourney and by the Board of Control. These committees have made their choices by observing the boys and by consulting the officials. Only one boy can receive the prize each year, but several boys have been worthy each year. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys as the I. H. S. A. A. desires to be proud of them always.

I.H.S.A.A. FINANCIAL REPORT.

"Indianapolis, Ind., Nov. 20, 1928.

Mr. Arthur L. Trester, Permanent Secretary
The Indiana High School Athletic Association,
Anderson, Ind.

Dear Sir:

In compliance with your request we have examined the recorded cash receipts and disbursements of The Indiana High School Athletic Association, Anderson, Ind., for the fiscal year ended November 14, 1928, and submit herewith our report.

A summary of the cash transactions, as determined by our examination, is set forth in the attached schedule of Receipts and Disbursements. Cash on deposit at November 14, 1928, was confirmed by direct correspondence with the Citizens Bank of Anderson, Ind., and reconciled with the balance shown by the records.

All recorded cash receipts were compared with the deposits as evidenced by bank statements on file and all disbursements were found to be supported by officially signed and canceled bank checks with the exception of three checks outstanding at the date of our examination. We examined invoices and correspondence in support of disbursements and believe them to be proper. All invoices, expense reports, etc., have been approved for payment by the Permanent Secretary.

The \$6,000.00 payment to Butler University represents the annual payment on a ten-year contract for the use of the field house.

U. S. Government Securities were presented for our inspection, and all interest coupons falling due during the period under review were properly accounted for. The proceeds of all Securities sold or retired during the year were traced to the cash receipts. We examined a Fidelity Bond for \$35,000.00 carried on the Permanent Secretary and a Burglary and Robbery policy for \$80,000.00 (\$40,000.00 each) insuring the Government Securities.

Subject to the foregoing statements, WE HEREBY CERTIFY, that we have examined the recorded cash transactions of The Indiana High School Athletic Association - Anderson, Ind., for the fiscal year ended November 14, 1928, and, in our opinion, the attached statement of Cash Receipts and Disbursements is correct.

Very truly yours,

[SEAL]

ERNST & ERNST,
Certified Public Accountants."

TRACK AND FIELD

Froebel High School, Gary, won the State Final Track and Field Meet held at Technical High School, Indianapolis on Saturday, May 19, 1928, with 36½ points, and won the I.H.S.A.A. State Championship in Track and Field for 1928.

Carroll Odom, of Kokomo, was the individual point winner with 13 points to his credit. He won second in the 100-yard dash, second in the 220-yard dash and first in the broad jump. He also ran in one of the half-mile relay races, his team winning the race.

Willie Fowlkes, of Muncie, won the 100-yard dash, 220-yard dash and ran in one of the half-mile relay races, his team winning the race. He broke the I.H.S.A.A. record of 10 seconds in the 100-yard dash, running it in 9:9 seconds after being set back one yard.

Herbert Sears, of Technical High School, Indianapolis, ran the 880-yard dash in 2:00:2 minutes, thus setting a new record in the I.H.S.A.A. for this event.

The Muncie team, made up of Graham, Johnson, Swift and Fowlkes, lowered the I.H.S.A.A. record in the half-mile relay race to one minute and 33 seconds.

There were fifteen (15) sectional track and field meets held in as many centers on Saturday, May 12. The winning relay teams, all men in first places and the winners of the toss in all second places, constituted the entrants in the State Meet. One hundred fifty-three (153) teams having a total of sixteen hundred seventy-nine (1679) boys entered the sectional meets. Five schools sent their entry blanks too late for entrance.

One hundred (100) schools, having three hundred fifty-six (356) boys were eligible for the Final Meet. Forty-one (41) schools won points in the Final Meet. A number of the entrants from the smaller schools won points this year in the Sectional and State Meets.

Dual meets, invitational meets, county meets and relay meets were very popular again this year and it was quite evident that track and field work was growing in popularity.

The State Meet held the trials in the morning and the finals in the afternoon. The trials began at 9:00 o'clock and were completed by 10:30. The Finals began at 1:30 o'clock and were completed by 4:00 o'clock. The efficiency of the management, the competency of the officials and the attitude of the participants and coaches made the meet a decided success. Deke Noble, of Kokomo, did an excellent job of announcing the results of the meet.

Schools have been assigned by counties, and the accompanying scheme gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the scheme if necessary. The numbers indicate the schools from each county that have expressed a desire to enter. Entry blanks are necessary, however.

The Center Principal shall arrange a program for his meet from the list of entries sent to him by the Permanent Secretary. All meets shall begin at 1:00 o'clock and follow the order of events here given. Places on the track must be assigned by lot. RENSELAEER ARMORY AND COMMUNITY BUILDING (Inside View)

FOOTBALL

Ninety-six squads enrolling 3,633 boys played football this season. Last year there were 94 squads and 3,171 boys. In all probability football among the High Schools of the State is more popular at the present time than for a number of years. An increasing number of good football fields are being constructed and increased attention is being given to football.

A recent tabulation by groups of the enrollments in the High Schools of Indiana showed the following:

Enrollment Groups	No. of Schools
0 to 50	187
51 to 100	332
101 to 150	127
151 to 200	46
201 to 250	22
251 to 300	11
301 to 2000	66
Above 2000	6

This tabulation shows conclusively why many of our High Schools do not play football, but the complete answer is not here given and it is not known.

The following data for the 1928 season are very interesting:

BASEBALL

Baseball was played by a number of schools for several weeks in the fall season and for several more weeks in the spring season. Both of these seasons are too short to accomplish all that is desired in the game of baseball in High School.

High School students in Indiana are given permission, however, to play on independent teams during the summer months without jeopardizing their standing in the State High School Athletic Association, provided, they do not play under assumed names and also provided they do not accept remuneration in any way for their playing. Many High School boys play on these teams during the summer months and then withdraw from the teams when school opens.

BRIEF HISTORY OF I.H.S.A.A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are seven hundred ninety-seven (797) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the several Board members of the I. H. S. A. A. follows:

Principal Geo. W. Benton, Shortridge H. S., Indianapolis.
Supt. Lotus D. Coffman, Salem.
Principal J. T. Giles, Marion.

Prin. J. Ord Fortner, W. Terre Haute.
Supt. J. Fred Hull, Kentland.
Supt. Harry Nixon, Portland.
Supt. B. H. Watt, Owensville.
Prin. G. Ray Sharp, Warren.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was estab-

lished, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constitute this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passes on all proposals submitted by the High School Principals. It is the law making body of the Association. The scheme is considered a step in advance in state administration and legislation in athletic activities.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been held up as an ideal by the Association through the twenty-five years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

HIGH SCHOOL GYMNASIUMS, COMMUNITY BUILDINGS AND ATHLETIC FIELDS

The past year has seen the building of many High School gymnasiums and the construction of a number of High School athletic fields in the State. Detailed information is given about several of these gymnasiums and fields in the following pages, and pictures of the same will be found elsewhere in the book. The regulation playing floor for basketball in the I. H. S. A. A. is 50 feet x 74 feet.

Muncie High School will dedicate sometime this season a gymnasium with the largest seating capacity of any High School Gymnasium in Indiana. For games the seating capacity will be 7,500 and for other public gatherings it will be about 10,000.

Marion High School now has installed in their Field House a fine \$25,000 pipe organ. The seating capacity for games is about 5,000 and for other public meetings about 7,000.

The following High Schools have reported new gymnasiums for this season: Attica, LaPaz, Tippecanoe, Bremen, LaFontaine, Kewanee, Grass Creek, Lewisville, Corydon, Tyner, Hillsdale, Delphi, Rensselaer, Pierceton and Warsaw. No doubt there are other gymnasiums built this year that have not been reported to the I. H. S. A. A. office.

LAFAYETTE

This gymnasium is a part of an addition which serves for industrial education and physical education. The new building covers a square adjacent to an old school building. The street between was closed and a connecting link gives access to additional class rooms and a cafeteria.

The size of gymnasium floor is 96 by 137 feet. A large stage with an orchestra pit is provided in one end of the building. The seating capacity for games is 5,000. The balcony has 2,000 theatre chairs. There are no supporting posts within the enclosure.

The cost of the building occupying the second block was \$300,000, the cost of the connecting link was \$55,000 and the cost of the heating plant was \$70,000, thus making the total cost \$425,000 furnished by a bond issue by the Board of Education.

Locker rooms for the physical education classes of both boys and

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

girls, offices for the physical education directors, equipment rooms, showers, toilets, and complete accommodations are included.

GARY MEMORIAL HALL

The Gary Public Schools Memorial Hall has been built by the children, citizens, and Board of Education of Gary at a cost of approximately \$325,000. The School City of Gary acquired a title to nine centrally located lots, of which seven were the gift of the Gary Land Company; and the various schools of the city out of their entertainment funds paid \$23,000 for the other two. On this property was built a building, with a seating capacity of approximately 5,000 people. There are 2800 opera chairs on the first floor, 1000 in the balcony, 400 on the ends of the court and 800 on bleachers on the stage. There are no obstructions to the view any place in the building. The playing floor is 50 x 74 feet with an outbound space of 5 feet all around the court. The ceiling height is 40 feet and the court is beautifully lighted.

The City Council authorized a \$120,000 Bond Issue, which the schools will retire in twenty years from the proceeds of athletics and other activities. The Chamber of Commerce sold \$20,000 worth of season tickets that are good for all High School Athletic Contests. These tickets sold at \$20.00 for one year and \$50.00 for three years. The various schools of the city from their entertainment funds paid in approximately \$35,000, and the balance of \$150,000 is being carried by the School City as prepaid rent, and this is to be charged off systematically from year to year in payment for the use of the auditorium for certain school functions and for the use of certain rooms by the Division of Adult Education.

HUNTINGTON

The gymnasium is for community purposes as well as serving the Central Ward school during the school days. It is one block from the High School and is just at the edge of the business section. It will have a seating capacity of four thousand. It will contain two large dressing rooms with shower rooms adjoining. Public rest rooms and private rooms for officials are provided.

EDINBURG HIGH SCHOOL BASKETBALL TEAM.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

The playing floor will be forty-eight feet by seventy-five feet. Ample space for officials and newspaper reporters will be enclosed in boxes. Two electric score boards are being installed.

The inside measurements of the gymnasium are 105 by 176 feet. The entire maple floor will be fifty-four by ninety-two feet.

The height of the base of the trusses from the floor is twenty-five feet and six inches. There are ten exits from the room. There are four ticket offices. Sufficient heating facilities and ample ventilating and lighting systems are provided.

SHORTRIDGE HIGH SCHOOL GYMNASIUM (Indianapolis)

The Gymnasium is situated in one end of the mammoth new school building located at Thirty-fourth and Meridian Streets and has been constructed for Shortridge by the Indianapolis Board of School Commissioners.

The Gym has a seating capacity of twenty-four hundred. The playing floor is of maximum size, being fifty by seventy-four feet. During the week the floor is partitioned off by huge doors about twenty feet in height, forming two separate playing floors, both of regulation size. One of these floors will be used by the girls' gym classes and the other by the boys'. Six regulation glass basketball backstops have been installed for the use of the gym classes and the school basketball teams.

The shower and dressing rooms are spacious and well-lighted. The girls' dressing room has accommodations for nine hundred. Large well-ventilated steel lockers line the walls, equipped with a novel system of padlocked baskets for the purpose of holding the gym clothes. There are eighteen individual marble-tiled shower baths in the room.

The boys have similar accommodations. Two other rooms with chipped marble floors and marble-tiled showers are used for the varsity and for visiting teams. These rooms are fully equipped with steel lockers and benches. Adjoining is a training room in which there is a training table, a large and small bath, high-powered electric baking apparatus, and a complete line of first aid materials.

The coaches and officials of both boys' and girls' athletic organizations are provided with private dressing and shower rooms. Rooms for the storage of gymnasium equipment are located at either end of the gym. The office is adjoining the gym, and close by is an adequate equipment room from which will be issued all uniforms.

MUNCIE HIGH SCHOOL GYMNASIUM.

The Muncie Gymnasium is a building of brick and steel construction trimmed with stone. It is located three squares north of the Court House. The building is to be used for vocational, health and physical education, and to promote a properly supervised recreational program for the school children of Muncie. The building is 191 feet by 215 feet. It has a seating capacity of 7,500 for basketball games. The court for interscholastic games is 74 by 50 with six feet out of bounds. There are no obstructions to shut out the view of the spectators. There are ramps leading to the 5500 permanent balcony seats. Between the permanent seats and the basketball playing floor will be the 2,000 temporary seats or bleachers. There is a well-lighted corridor under the permanent seats. The class rooms under the seats meet the state requirements in every way.

The Public School Extension Association is an organized group of representative citizens who were organized and incorporated for the sole purpose of providing funds for and erecting and equipping a building for the use of the public schools of the City of Muncie, and without profit to the members of said Association and with the approval of the Board of School Trustees of the School City of Muncie. The School City entered into a lease for the building covering a period of fifteen years. This arrangement made possible the sale of bonds to the extent of two hundred forty thousand dollars (\$240,000.00) for the erection of the building. Eight hundred five-year basketball season tickets were sold at fifty dollars (\$50.00) each, making an additional amount of forty thousand dollars (\$40,000.00) for the erection of the building. The total cost of the building is two hundred seventy-five thousand dollars (\$275,000.00.)

MUNCIE HIGH SCHOOL ATHLETIC FIELD.

In the spring of 1928 the School Board of Muncie purchased twelve acres of ground on which to erect a modern school plant. Part of the ground was graded and leveled in order to have an athletic field. The field was enclosed with an athletic fence. The field includes a running track, a baseball diamond and a football field. There was a grandstand built that would seat 1,700 people. There are bleacher seats for 3,500 people. It is a beautiful field with natural drainage.

BRAZIL PHYSICAL EDUCATION AND VOCATIONAL BUILDING.

The Brazil Physical Education and Vocational Building was plan-

ned to provide adequate facilities for vocational and physical training as well as a commodious gymnasium for large crowds at games and other community meetings.

The dimensions of the building are 137 feet by 120 feet. The building has four entrances and exits, one at each corner of the building. The exterior is constructed of steel and Brazil brick with attractive stone trim. The auditorium is one large room, unobstructed by posts or columns save at the four corners.

The total seating capacity is approximately 4,000. There are 240 opera chairs, 2,000 permanent bleacher seats and 1,800 portable bleachers built around the main floor. A stage 50 by 25 feet. A clear floor space of 92 ft.x80 ft. may be obtained by removing portable bleachers.

The heating and ventilating system is modern in design and construction. Warm air is forced into the building from heating ducts run from the fan room in the basement through outlets around all the sides of the building. Foul air is taken out through ventilating stacks.

There are two tiers of recitation rooms 24 feet wide extending around three sides of the building. On the three sides in the basement is located the Manual Training Department with its woodworking, electrical, sheet metal and print shops. The Art Department with its office and supply rooms, toilet, shower, locker, dressing and drying rooms for both boys and girls. On the main floor are found Home Economic Rooms, Music rooms, girls' rest room, physical directors rooms, equipment room, trophy room, officials room, visiting teams' room and two additional dressing rooms, four ticket booths and four toilet rooms.

The cost of the building exclusive of equipment will be one hundred twenty thousand dollars (\$120,000.00). Finances as follows:

Civil City, \$35,000.00; School City, \$40,000.00; and the remainder by the Brazil Schools Athletic Association.

SHORTRIDGE HIGH SCHOOL (Indianapolis) ATHLETIC FIELD.

The athletic field is located at Forty-third and Haughey Streets about two miles from the school. It is only in its first stages of completion, but has been accessible for use in football for the last two years. A wonderful club-house has been constructed beneath the stands which at the present time will seat twelve hundred. There are three large dressing rooms in the field house, one for the varsity team, another for the second teams, and the third for the freshmen and visitors. These rooms have built-in wooden lockers, mounted

from the floor and about six feet high. Another room is provided for the coaches and officials, with private showers adjoining. There is a training room fully equipped, and a large shower room.

The field is surrounded by a newly laid, cinder quarter-mile track. The track has an eight lane, one hundred and twenty-yard straight-away. The entire field is surrounded by high steel wire fence, topped by three strands of barbed wire. Steel goal posts and a sixty-foot steel flag-pole are added features. Temporary bleachers have been put up so that approximately 3,000 persons can be accommodated.

This equipment has been provided at the cost of about eighteen thousand dollars, and is being paid for by gate receipt money taken in by the Athletic Department.

DELAVAN SMITH ATHLETIC FIELD MANUAL TRAINING HIGH SCHOOL, INDIANAPOLIS.

The Indianapolis Foundation, an organization which receives bequeaths of money to be administered for the benefit of the citizens of Indianapolis, has built and presented to the Emmerich Manual Training High School a large athletic field. This field was built at an expense of \$100,000.00 from money bequeathed to the Foundation by Delavan Smith, former owner of The Indianapolis News, who left his fortune to the citizens of Indianapolis. The field has been named the Delavan Smith Athletic Field in his honor.

The field comprises about seven acres. It contains a quarter mile track with a football field within the track. The baseball diamond will lie without the track. There will be tennis courts, hockey field and a practice field for football. The usual necessities for field events will be provided for.

On the west side of the field is a concrete grandstand seating about 3,000. Under the grandstand are team rooms, shower baths, rooms for coaches and caretaker. These rooms are heated with an oil-burning furnace. On the east side of the track are portable bleachers which will seat 1,500. These bleachers will be used for baseball in the spring and football in the fall.

The entire field is surrounded by a concrete retaining wall. There are gates on Madison Avenue and Pennsylvania Street. Each is equipped with ticket booths. On Delaware Street there is a service gate. When the field is covered with turf it will be a very beautiful and complete athletic plant.

It was decided that the I. H. S. A. A. should not prevent the Indianapolis High Schools from holding a city tourney in the Butler Field House next December.

Field House.

A visit was made with Mr. Irwin of Butler, Mr. Smith, the Superintendent and Mr. Bartlett, the supervising architect on the job. Careful consideration was given all points and the Board was promised the building by March 1, 1928, unless a period of very abnormal weather should come.

Basketball Tourneys.

The selection of centers and the assignment of schools to centers were carefully considered from all angles and the Permanent Secretary was authorized to print a bulletin soon covering all details as agreed upon. In addition to the above some of the details discussed were,—Help at the State Tourney, prices of tickets, reservation of

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

seats at State Tourney, entertainment of teams, number and pay of officials. It was the consensus of opinion that the Permanent Secretary would need considerable assistance to put on the State Tourney and that it might be a good idea to reach an agreement with some or all of the Indianapolis High Schools to furnish this help.

Re-organization.

By unanimous vote J. Ord Fortner was elected President of the I. H. S. A. A. for the calendar year of 1928.

Meeting dates were set as follows:

1. January 14, 1928—9:00 A.M., Claypool Hotel.
2. February 24, 1928—9:00 A.M., Severin Hotel.

C. F. ALBAUGH, President.

BOARD OF CONTROL MEETING

Claypool Hotel, Feb. 4, 1928.

Present—All members and the Permanent Secretary.

Beech Grove—The Beech Grove High School was suspended from the I.H.S.A.A. until June 1, 1928, at the last meeting. The three members of the School Board requested a review of the case and such was granted.

Decision—Former decision of the Board of Control affirmed. Recognition extended to the members of the School Board on account of their fine attitude.

Terre Haute—Referee Charles Jensen contracted to officiate a basketball game at Central High School, Evansville, on December 31, 1927. A week or ten days prior to the game, Mr. Jensen made arrangements with another official to officiate in his place as he desired to work in two games at St. Louis. Central High School received their first knowledge about this substitution by telegram from Mr. Jensen at 1:00 o'clock Saturday afternoon, December 31, and sent a telegram to Mr. Jensen telling him not to send the substitute. Mr. Jensen had gone to St. Louis and the substitute official made the trip to Evansville, but did not officiate in the game.

Decision—Referee Charles Jensen did not observe his contract with Central High School in a way satisfactory to the spirit and rules of the I. H. S. A. A. An entry carrying this decision with a warning ordered placed on the record of the official in the I.H.S.A.A. office.

Tell City-Evansville (Bosse).—A contract was made for a game of basketball at Tell City for December 23, 1927. No statement was

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

made regarding the ranking of the teams, but each school understood that first teams should play. The game was played as scheduled. Principal Humphreys of Tell City stated that Bosse High School sent their second team and that their first team played the second team of Reitz High School, Evansville, on the same evening. Principal Eifer of Bosse High School stated that they used the two teams in question in their High School in a scrimmage game the day preceding the games on December 23, and that the winning team was sent to Tell City because they considered it their best team. Both of the Bosse High School teams lost their games.

Decision—Bosse High School instructed to arrange their scheme of ranking teams so that there will be no question about the matter in the future. No harm is recognized as intended or done in the case under consideration, although the right to question the procedure by Tell City is clearly recognized.

Webster-Centerville—Harold Hunt, a freshman in the Webster High School during semester one of the present school year, entered the Centerville High School at the beginning of semester two without a change of residence of his parents. Principal Grant Cooper of Webster, brought charges against Centerville, stating that undue influences had been used in that no transfer had been issued and no tuition was being paid for this boy. The Township Trustee in the two school districts state that transfers have not been issued to students in the past, there being an exchange scheme in operation. These men are not in agreement, however, about the exchange of students when the numbers going to one township from the other township, and vice versa, are not equal.

Decision—Available evidence at date does not prove that undue influences have been used to secure Harold Hunt as a student in the Centerville High School.

The Board of Control reserves the right to re-open this case at any time that new evidence is available and hereby emphasizes the point that the responsibility of proving eligibility rests with the High School Principal in all cases at all times.

Somerset—Principal N. M. Good used Kenneth King, Emmitt Merrimer and Clarence Shively on the Senior High School basketball team and on the Junior High School basketball team during the present season.

Decision—These three boys declared ineligible for all basketball for the present season. Principal Good given a warning, and instructed to send letters at once forfeiting all Junior High School games in which these boys have played this season requesting the Principals of the opposing schools to notify the Permanent Secretary when such forfeit letters have been received.

Grovertown—Principal Paul Ashby used Millie Oaf in a game of

basketball when she was ineligible due to having been enrolled for some time in the Hamlet High School during semester one of the present school year. Her parents did not change their place of residence.

Decision—The girl declared ineligible for all basketball for the present season. Principal Ashby given a warning and instructed to send letters at once, forfeiting all games in which this girl has played this season, requesting the Principals of the opposing schools to notify the Permanent Secretary when such forfeit letters have been received.

Frankton—Principal Reynolds asked about the eligibility status of Oscar Samuels, a student in High School there who did not graduate from the 8th grade in Lafayette Township and who entered the Frankton High School without an 8th grade diploma.

Decision—The boy can not be considered for athletic eligibility as a High School student until he has the necessary promotion certificates signed by the proper school officials entitling him to High School work.

Anderson—The eligibility of Henry Stickler and the eligibility of Robert Crocker were in question and a hearing was given. Principal Weidler, Manager Rotruck and Coach Staggs were present.

Henry Stickler attended the Spiceland High School, Henry County, in 1925-1926 and in 1926-1927. He entered Anderson High School at the beginning of semester one, 1927-1928 as a Junior. He boards and rooms in Anderson and, according to the evidence submitted by Principal Weidler, the father pays directly out of his own funds for his board and room and also pays his tuition. The boy worked at the Remy Factory in Anderson during July and August last summer. He has played in one game of basketball on the Anderson Team this season.

Robert Crocker attended Frankton High School, Madison County, in 1925-1926, 1926-1927 and the first week of 1927-1928. He entered the Anderson High School the first day of semester one, 1927-1928, the Anderson High School beginning one week later than the Frankton High School. He boards and rooms in Anderson and, according to the evidence submitted by Principal Weidler, the father pays directly out of his own funds for his board and room. This boy has a transfer to the Anderson City School System issued by the Township Trustee of Lafayette Township. He has not played in any basketball game on the Anderson Team this season.

Decision—Available evidence at date does not prove that these boys are ineligible on the charge of undue influences being used to secure them as students in the Anderson High School. The Board of Control reserves the right to re-open this case at any time that new evidence is available; and hereby emphasizes

the point that the responsibility of proving eligibility rests with the High School Principal in all cases at all times.

Mitchell—The Permanent Secretary was instructed to reply to Principal A. W. Wilson regarding the selection of a tourney center in that district and the contents of the letter were discussed.

Basketball Tourneys Prior to Feb. 1—Section II, Article 8 in the Constitution of the I.H.S.A.A. reads as follows:

"Basketball Tourneys other than the State Tourneys shall be held prior to February 1 of each year."

The Board was unanimous in stating that this rule applies to girls' tourneys as well as to boys' tourneys and that it applies to 9th grade students even when playing on the Junior High School teams. One year ago the Board ruled that beginning with the present basketball season this rule should apply to tourneys wherever played, in Indiana or in other States.

Officials for Tourneys—Officials for all tourneys were discussed and the Permanent Secretary was authorized to employ sufficient number for all tourneys, giving careful consideration to the recommendations and records on file regarding officials.

National Basketball Tourney—The Board of Control instructed the representative of the I. H. S. A. A. Board of Control, who will attend the National Federation of High School Athletic Associations in Boston, February 27, 1928, to vote against the holding of National Basketball Tourneys.

State Tourney—The consensus of opinion was that the tourney should be held at the Butler Field House provided all arrangements could be made satisfactorily in a conference by the Permanent Secretary with the Butler College authorities at an early date. If all arrangements can not be satisfactorily made and if the contract with Butler will permit, then the tourney should be held at the cow barn. The Permanent Secretary was authorized to proceed as outlined.

It was thought that ticket prices should be as follows, if the tourney is held at Butler Field House:

Day Tickets—\$1.00 for second balcony, end seats.

\$1.50 for all other seats with evening tickets at 50c and 75c, if room is available.

The Permanent Secretary was given authority to adjust these prices slightly if found necessary.

K. V. Ammerman and Fred Gorman—The Permanent Secretary was authorized to reach an agreement with these men regarding the compensation for their services in connection with the State Tourney with the understanding that the amount will be about \$200.00 each.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

The Board adjourned to meet at 9:00 o'clock Friday morning, February 24, in the Severin Hotel, Indianapolis.

J. ORD FORTNER, President.

BOARD OF CONTROL MEETING.

Claypool Hotel, Indianapolis, Jan. 14, 1928.

Present—All members and the Permanent Secretary.

Webster-Centerville—The case concerned the alleged use of "undue influences" by Centerville High School in securing Harold Hunt as a student from the Webster High School.

Decision—Case continued pending further investigation. The Permanent Secretary instructed to secure information from County Supt. Arthur Hines regarding the policy of giving transfers between Center Township and Webster Township.

Beech Grove—A game of basketball was played at Beech Grove Friday night, January 6, 1928, between Beech Grove and Fishers. The final score was Beech Grove 19, and Fishers 18. The referee brought charges against Principal L. B. Mann of Beech Grove, stating that he used abusive language and that the unsportsmanlike conduct of a number of fans was due largely to the attitude and conduct of Principal Mann.

Decision—Beech Grove High School suspended from the I. H. S. A. A. until June 1, 1928. The rules of the I. H. S. A. A. hold the High School Principal responsible in all High School athletic activities. The evidence and admissions in this case convicted Principal L. B. Mann of Beech Grove of conduct and language unbecoming a gentleman and a High School Principal.

Indianapolis—Miss Ada B. Crozier, representing a group of women interested in basketball, presented a scheme for the approval of women as basketball officials in the I. H. S. A. A.

Decision—The I. H. S. A. A. now has in operation a scheme for the approval of officials for both men and women. According to this scheme applicants receive approval to officiate by making application and by submitting satisfactory recommendations to the I. H. S. A. A. The I. H. S. A. A. will gladly receive and carefully consider any recommendations made by this organization and any other organization or individual regarding persons desiring to become approved officials, but it does not seem desirable to establish any dual system for the approval of officials as the rules and regulations of the I. H. S. A. A. are binding on boys' and girls' athletics in the membership of the association.

Standing, FRANK FEHSENFELD; Left, FRANK KENNEDY; Right, PHILIP ANDERSON. Winners of Columbus High School Invitational Swimming Meet, April 27, 1928.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Officials—Officials for the basketball tourneys were discussed but no selections were made.

Drawings—The schedules for the regional tourneys and the final tourney were drawn by lot with the understanding that they be published in our next Bulletin.

State Tourney Help—The Permanent Secretary reported that he had made arrangements with Principal K. V. Ammerman of Broad Ripple High School and Athletic Manager Fred Gorman of Technical High School to act as Indianapolis Manager and Indianapolis Assistant Manager respectively. These men will work under the Permanent Secretary representing the Board of Control of the I. H. S. A. A. in handling the details of the State Final Tourney. All help will be selected on the basis of efficiency and paid for out of the proceeds of the tourney. The Permanent Secretary was authorized to arrange with Principal Ammerman and Mr. Gorman regarding their compensation.

Field House—A visit was made to the Field House by Fortner, Sharp, Watt and the Permanent Secretary. The work is going well but completion of the building in time for the final tourney is still one of doubt. A final decision should be made regarding this matter at our next meeting, else we will not have time to get ready for our tourney.

Terre Haute—The Permanent Secretary was authorized to require F. R. Hochstetler of Terre Haute to make settlement with Principal Robling of Hazelton at an early date according to contract, with instructions to disbar him as an approved official if such were not done.

Terre Haute—The Permanent Secretary was instructed to investigate the difficulty in connection with the contract of Charles Jensen to officiate in a game at Evansville.

Huntington County—The Permanent Secretary was instructed to investigate the compliance of the schools concerned with a decision given by the Board last May regarding a prize given by a newspaper and a theatre in Huntington.

The Board adjourned to meet in the Claypool Hotel, Indianapolis, at 9:00 o'clock Saturday morning, February 4, 1928.

J. ORD FORTNER, President.

BOARD OF CONTROL MEETING

February 24, 1928.

Present: All members and the Permanent Secretary.

All entry blanks submitted late, according to instructions given in Bulletin No. V, Bulletin No. VI and the Entry Blank, were rejected.

The assignment of officials was considered and made.

Wanatah—Coach Ralph Owens withdrew the Wanatah High School basketball team from the floor during the second half of a game with Morgan Township, Valparaiso, due to dissatisfaction over the officiating of F. C. Ritenour of Wheatfield. Written statements on file in the I. H. S. A. A. office by Principal Charles Palmer, of Morgan Township, Referee F. C. Ritenour of Wheatfield, Principal Leslie A. Childress of Wanatah and Coach Ralph Owens of Wantah are in agreement on the above statement.

Decision—Wanatah High School suspended from the I. H. S. A. A. until June 1, 1928. Note: On January 4, 1927 the Board of Control published and distributed the following regulation: "The Board of Control of the I. H. S. A. A. deplors the action of any one withdrawing a team from an athletic contest and announces that such action in the future will jeopardize the standing of the school taking such action in the I. H. S. A. A."

The schedules for the sixty-four (64) sectional tourneys for 1928 were drawn by lot by the Board of Control.

BOARD OF CONTROL MEETING

February 25, 1927.

Present: All members and the Permanent Secretary.

Orleans-Mitchell—John Williams attended the Orleans High School three years, 1924-1925, 1925-1926 and 1926-1927. He enrolled in the Mitchell High School on the first day of semester one, 1927-1928. The boy has lived with his mother for all of this time and there has been no change of residence. He played in no inter-school games at Mitchell during semester one. The eligibility status of John Williams in the Mitchell High School for semester two, 1927-1928 was considered the question for settlement.

Decision—Available evidence at date does not prove that John Williams is ineligible on the charge of undue influences being used to secure him as a student in the Mitchell High School. The Board of Control reserves the right, however, to re-open this case at any time that new evidence is available and hereby emphasizes the point that the responsibility of proving eligibility rests with the High School Principal in all cases at all times.

Attica-Veedersburg-Covington—Lewis Henderson attended the Hillsboro, Indiana, High School 1924-1925, 1925-1926, and 1926-1927. He entered the Danville, Illinois, High School September 6, 1927, his parents having changed their place of residence from Hillsboro to Danville. The Assistant Principal of Danville, Illinois, High School states,—“Our records show that Lewis (Henderson) withdrew on Nov. 14. The date of his last attendance here was November 8. He did not take the examinations on November 9 and 10. On Friday, the 11th, we had no school. To the best of our ability to remember, he reported to the High School office Monday morning, November 14, that he was withdrawing from school and starting in at Covington. It was at this time that he brought back his lock to secure a refund.”

Principal Verna Glascock of Covington states,—“Our records show that we received Lewis Henderson's credits from the Danville, Illinois Principal on December 5. He was passing in three regular High School subjects in the Danville High School. English, Art, Modern History and Mechanical Drawing were carried by the boy in the Danville High School in semester one.”

Lewis Henderson entered the Covington High School Wednesday afternoon, November 9, and enrolled in three subjects, — English, Civics and Horticulture, the last two subjects being entirely new ones for him. He was certified as eligible and played basketball on November 18. Principal Verna Glascock states,—“He was given three subjects in the Covington High School, two of which he had to do back work from September 12 to the time he entered our school. In the other subject we accepted his grades from the Danville, Illinois High School.”

The questions of the use of undue influences and the date of the establishment of a residence in Covington of the father and mother of Lewis Henderson were presented and considered.

Decision—Lewis Henderson declared ineligible for any athletics in the Covington High School during semester two of the present school year due to the irregularity regarding scholarship grades and grading in semester one; and Principal Verna Glascock instructed to write letters to the Principals of the opposing schools forfeiting the games in which the boy played during semester two of the present school year and requesting these Principals to notify the Permanent Secretary when such letters have been received.

Available evidence at date does not prove that undue influences were used and does not prove anything wrong regarding the establishment of the residence of the parents. The Board of Control reserves the right, however, to re-open this case at any time that new evidence having real weight is available and hereby emphasizes the point that the responsibility of proving eligibility rests with the High School Principal in all cases at all times.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Brazil-Bainbridge—A complaint was made by the Athletic Board of the Brazil High School charging unsportsmanlike action against Principal Elmer Norris of Bainbridge during a game at Bainbridge on February 11, 1928. It was alleged that Principal Norris at one time during the game went to the timer and requested him to blow his whistle to stop the game. Principal Norris states in a letter,—“I called the referees to the bench and asked them if they realized that almost all of the fouls were being called on Bainbridge while but one had been called on Brazil.”

Decision—The testimony did not show that the results of the game nor the efficiency of the officiating were changed by action of Principal Norris but the Board of Control believes that the attitude and action of Principal Norris were wrong and not conducive to securing the desirable things in athletic games.

The sixteen (16) blocks of seats set aside for the teams in the final tourney were assigned to the regional winners by lot by the Board of Control as follows:

- | | |
|---------------|-----------------|
| 1. Frankfort | 9. Bloomington |
| 2. Muncie | 10. Mishawaka |
| 3. Rushville | 11. Auburn |
| 4. Gary | 12. Greencastle |
| 5. Columbus | 13. New Albany |
| 6. Evansville | 14. Marion |
| 7. Fort Wayne | 15. Logansport |
| 8. Vincennes | 16. Anderson |

It was agreed that the reserved seats for the Board should be in Section 24 in the Butler Field House.

It was decided that it would not be advisable to try to arrange for a band at the State Final Tourney this year, decisions for other years to be made in the light of all elements: Full completion of Butler Field House and its adaptability, administration, cost, selection of band, supervision, facilities, demand and need. The playing schedule occupies nearly all of the time and the reservation of seats eliminates the tiresome periods of former years.

Careful consideration was given to the need of some new rules in the I. H. S. A. A. covering the following points: (1) Change of schools without change of residence of parents, (2) The use of “Undue Influences” to retain or to secure a student or his parents, and (3) Eligibility following a semester or more of absence from school.

The Board adjourned to meet at five (5) o'clock Saturday afternoon, March 17, in the Claypool Hotel, Indianapolis. The selection of the Gimbel Prize winner will be made by the Board at this time.

Note: The following points were mentioned by the donor of the Gimbel Prize for Mental Attitude when it was first given:

DUNKIRK HIGH SCHOOL BASKETBALL TEAM.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

1. The winner may be the weakest player on the weakest team in the tourney.
2. Poise and calmness in play under any and all conditions.
3. Ready acceptance of decisions of officials.
4. Attitude toward members of team, opponents and officials.
5. Attitude and conduct as known or observed on floor, in dressing room, on street, in hotels, etc.
6. Briefly, the qualities that go to make a real gentleman are the ones in the mind of the donor.

J. ORD FORTNER, President.

BOARD OF CONTROL MEETING

Claypool Hotel, Indianapolis, March 31, 1928.

Present: All members and the Permanent Secretary.

Muncie—Principal L. S. Martin purchased a number of season tickets for the State Basketball Tourney, paying for them when they were purchased. The Saturday tickets of these season tickets were sold by Principal Martin but some of the Friday tickets of these season tickets were unsold by him. He returned to the I. H. S. A. A. ticket office for sale the unsold Friday tickets of these season tickets about noon Thursday, March 15. These tickets, returned for sale, were placed on sale by I. H. S. A. A. ticket sellers at the ticket windows in the Field House all day and evening Friday, March 16. Three other schools requested and were granted permission to sell their unsold Friday tickets at the I. H. S. A. A. ticket windows on Friday.

All of the money from the sales by I. H. S. A. A. ticket sellers of the Muncie tickets for the day and for the evening of Friday, March 16, was turned over to Principal Martin. No discrimination at all was shown in the sale of tickets at the I. H. S. A. A. ticket windows or elsewhere by the I. H. S. A. A.

Decision—Ticket arrangements, sales and settlements made with Principal L. S. Martin considered fair and the same as were made with all schools purchasing tickets.

Attica-Veedersburg-Covington.

1. On February 25, 1928 the eligibility status of Lewis Henderson of Covington was considered and decided by the Board of Control. Bulletin No. VII, March 20, 1928, carries full information about this case. Principal Glascock and Superintendent Wysong of Covington stated that they accepted this decision of the Board and had carried out the instructions given.

2. On Saturday, March 3, 1928, at the Veedersburg sectional basketball tourney a "funeral demonstration" was presented on the floor of the gymnasium by several Covington fans and two Covington High School boys. Superintendent Wysong, Principal Glascock and Coach

Sanford of Covington stated that they knew nothing of this stunt prior to its happening and that they disapproved it afterwards. Superintendent Wysong stated that the two High School boys were suspended from school for two days for their part in the demonstration.

3. Charges were filed by Covington against Principal F. L. Cofing of Attica, as follows:

(a) The sale of some season tickets in coupon form at Covington under the direction of J. C. White, a teacher in charge of tickets in the Attica High School for the sectional basketball tourney at Covington, March 4, 1927. Mr. White reported about 25 more season tickets sold on Thursday, March 3, 1927, than were sold and arranged with an Attica boy to sell these tickets at Covington on Friday, March 4, 1927, for a small consideration for his services. Superintendent Wysong stated the following to Mr. White at the Tourney in 1927: "Miss Glascock will give you \$15.00 for the season tickets and you give her a check for \$8.00 for the single tickets you sold and she will put these in with the single admissions, 10 yesterday afternoon and 10 last night."

(b.) Coaching from the bench in a number of basketball games in which the Attica team was playing.

Decision:

1. The decision of the Board in the Lewis Henderson case affirmed.
2. The ticket sale activities of Mr. White were irregular, but a settlement was reached by Superintendent Wysong and Mr. White a year ago and no report was made to the I. H. S. A. A.
3. Coaching from the bench by a Coach is not sanctioned by the Board of Control, but it is an act to be penalized by the officials in the game according to Spalding's Rules for Basketball.
4. The standing of the schools concerned in this case in the I. H. S. A. A. will be jeopardized by further wrangling and bickering.
5. Fan control of athletic activities is not in line with the I. H. S. A. A. constitution and a warning is hereby given all schools concerned.
6. The "funeral demonstration" is deplored and considered as being opposed to the ideals of sportsmanship and conduct prevalent in the I. H. S. A. A.

Bainbridge-Brazil—Case continued.

Rushville—Rushville won the Regional Basketball Tourney on March 10, 1928, defeating Connersville, a nearby rival. On Monday, March 12, eighteen or twenty Rushville High School students went to Connersville during school hours without the knowledge of the Rushville school authorities and put on a little celebration there.

Some Connersville persons, not students, responded and some trouble arose.

Supt. Allman and Principal Lockwood, of Rushville, immediately took several disciplinary steps and adopted methods of penalization. Apologies were drawn up and presented to the Connersville High School, the I. H. S. A. A. and to the newspapers by the guilty parties. School representation privileges in activities were taken from the guilty students by the Rushville school authorities. The student body as a whole deplored the incident.

Decision—The whole situation deplored and the students in the Rushville High School informed that the standing of their High School in the I. H. S. A. A. has been jeopardized by a few of their number. The school authorities of Rushville commended for their immediate and efficient handling of the situation and Principal Myers of Connersville commended for his tact in handling the visiting students from Rushville.

Rochester—Principal L. V. Phillips, during a basketball game between Rochester and Logansport, had "time-out" called early in the game for the purpose of telling the Referee that he was calling fouls on Rochester players that were not being made and that the feigning of one of the Logansport players was the cause.

Decision—The attitude and action of Principal L. V. Phillips were wrong and not conducive to securing the desirable things in athletic games. Referee Hugh Vandivier commended for his efficient way of handling the situation.

Kirkland Township (Decatur)—Case continued.

Shelbyville-Washington—Case dropped.

Fort Wayne—The Y. M. C. A. Secretary and the three High School Principals of Fort Wayne, through Superintendent L. C. Ward, requested some definite statements regarding the playing of basketball by High School boys after the local High School seasons had closed.

Statements:

1. An I. H. S. A. A. rule reads,—“No inter-school basketball games shall be played by players or schools * * * after the last evening session of the State Final Tourney.” “Intramural practice and gymnasium work in basketball may be done * * * after the final tourney.”
2. “Within the school” basketball playing is permitted at any time but students, who play basketball on any team other than in “within the school” games after the State Final Tourney or after the season has closed in their High Schools, make themselves ineligible for all athletics until January 1 following and also jeopardize the standing of their High School in the I. H. S. A. A.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

3. High School Principals are expected to inform and warn all of their students about basketball playing early. In fact, they are expected to do this about all of the rules and regulations of the I. H. S. A. A. If this information is carefully given and if the necessary warnings are made by High School Principals, the Board of Control feels that individual students, rather than the High Schools, should be penalized.
4. All basketball playing after the State Tourney or after the local season has closed by students or schools must come under "within the school" playing in order to comply with the rules and regulations of the I. H. S. A. A.
5. The Board of Control last Saturday decided that Y. M. C. A. basketball playing, Turnverein basketball playing, Sea Scout basketball playing and other basketball playing on similar teams could not be considered as "within the school" playing.
6. The purpose in the rule in the I. H. S. A. A. regarding basketball playing is to curtail the playing of so much basketball and to stimulate the playing of other games. The I. H. S. A. A. considers this purpose a commendable one and solicits the co-operation of all non-High School organizations.

Olitic—Case dropped.

A complete financial statement covering the Sectional and Regional basketball tourneys was submitted and considered. A complete financial report of the State Tourney could not be made, but a report almost complete was submitted and considered.

The Permanent Secretary was authorized to take out Rain Insurance on all track meets for 1928.

The Permanent Secretary was authorized to invest surplus I. H. S. A. A. money in Liberty Bonds.

The Permanent Secretary was authorized to employ Mr. K. V. Ammerman and Mr. Fred Gorman to manage the State Track meet in 1928.

The Board adjourned to meet at ten (10) o'clock Saturday morning, April 28, in Anderson.

J. ORD FORTNER, President.

BOARD OF CONTROL MEETING

Anderson, Indiana, April 28, 1928.

Present—All members and the Permanent Secretary.

Bainbridge-Brazil—The date of birth of Delmas Goodin, a player on the Brazil High School basketball team, was questioned by Principal Elmer Norris of Bainbridge. A hearing by the Board of Control

OPENING DAY CELEBRATION, DELAVAN SMITH ATHLETIC FIELD, EMMERICH MANUAL TRAINING HIGH SCHOOL, INDIANAPOLIS.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

was held April 2, 1928 and the case was continued pending additional evidence. Documents as follows were submitted: (1) Birth certificate, (2) Attending Physician's Certificate, (3) Entry blanks for four years, (4) Enumeration records and (5) School attendance records.

Decision—The date of birth of Delmas Goodin established as March 25, 1907, as far as the I. H. S. A. A. is concerned. The documents submitted give conflicting dates, but the Board believes that the evidence justifies the above decision.

The Brazil High School is instructed to secure prior to participation and to keep on file at all times accurate data regarding all athletic participants in their High School.

Kirkland Twp. (Decatur)—Case continued.

Oolitic-Smithville—The Board commends the action of Principal W. C. Roberts of Oolitic, Principal Ralph Watson of Smithville and Referee Kenneth Beckner in having Thomas Evans, a fan from Oolitic, fined for striking the said Referee after a game of basketball last season.

Terre Haute (Normal High School)—Principal E. E. Ramsey requested a ruling on a proposed scheme of the employment of a student in the Normal School Physical Education Department to Coach the athletic teams of the Normal High School this spring.

Decision—The Board ruled that the proposed scheme would be a violation of an I. H. S. A. A. rule reading as follows: "Paid Coaches, other than those regularly employed as teachers by the trustees of the school, are prohibited." Qualified teachers only in the grades or High School, who are regularly licensed and regularly employed as such by the trustee or school board, may coach High School teams.

Contract With Butler University—The Permanent Secretary was authorized to negotiate and reach an understanding with the Butler University authorities regarding the Track and Field privilege stipulation in the Butler University-I. H. S. A. A. lease.

Track Meets—The details of the sectional and final track meets were discussed and settled. The Permanent Secretary was authorized to carry on the meets accordingly.

Summer Baseball and Track Participation—It was decided that participation of a High School student on an independent baseball team or track team during the summer months when the schools were not in session would not make such a student ineligible for athletics the following year, provided he does not accept, directly or indirectly, remuneration for his participation in some way and also provided he does not participate under an assumed name. It is understood that this statement holds for the time only that school is not in session during the summer months.

Center Twp. (Knox)—Knox—The eligibility of Albert Byer, of Knox, was protested by Principal Coombs of Center Township on the grounds that the boy participated in a skating contest in which a cash prize was given the winner.

Decision—Albert Byer did participate in a skating contest in which a cash prize was given the winner. The boy dropped out of the contest without finishing. He received no prize of any kind. Boy declared eligible as he did not accept remuneration, directly or indirectly, for his participation and he did not participate under an assumed name.

Oolitic—This High School, through Coach Scott, asked in substance how High School work might be made up in absence by a High School student. The Board affirms statements made many times that back work must be made up according to the regular rules of the school and must be made a matter of final record prior to the opening day of the semester in which the contest occurs. In cases of doubt, full details of the method used by the Principal, the teacher and the student must be submitted for consideration and decision by the Board of Control prior to participation.

Fidelity Bond—It was decided to increase the fidelity bond of the Permanent Secretary to cover the amount now in the treasury of the I. H. S. A. A.

Burglary and Robbery Insurance—It was decided to increase these policies to cover the amount now in the I.H.S.A.A. treasury.

Change of Schools—It was decided to print in the next I. H. S. A. A. Bulletin some statements about the residence rule now in the constitution, with a view to securing some needed legislation on this point.

I. H. S. A. A. Treasury—The members of the Board examined the books and the holdings of the I.H.S.A.A. and found them all right.

Constructive Measures—Careful consideration was given to ways of spending the surplus money of the I.H.S.A.A. in order to benefit all of the schools in the Association. It was the unanimous opinion of the members of the Board that (1) A good balance should be maintained at all times in the treasury (2) The expansion of the program of the I. H. S. A. A. by the employment of a field man should receive careful consideration, (3) Clinics and schools for officials should be encouraged, (4) Sports needing encouragement and assistance should be aided and (5) The purchase of a permanent home for the I. H. S. A. A. in Indianapolis should be investigated thoroughly.

Board of Control Procedure—This topic was carefully discussed and the following plan for hearings was tentatively adopted:

1. Brief statement of main points at issue culminating in an agreement on such points.
 2. Statements by schools concerned, plaintiff then defendant, on points at issue.
 3. Questions on points at issue by Board Members and Permanent Secretary.
 4. Additional statements by schools concerned on points at issue or on other points thought to be relevant.
 5. Discussion, consideration and decision by Board in private.
 6. Decision sent by mail to parties concerned.
 7. Publication of cases and decisions in bulletins.
 8. All decisions to be Board decisions and not individual decisions.
 9. President to be chairman of all hearings and as such to hold discussions on the points at issue.
 10. All decisions to be made after all evidence has been submitted.

BOARD OF CONTROL MEETING.

Technical High School, Indianapolis, May 19, 1928.

Present—All members and the Permanent Secretary.

Discussion was given to the question of schools for approved officials in the I. H. S. A. A. and it was decided that the Board would not establish any such schools at present, but that due recognition would be given to work given along this line by universities and individuals, provided such is in line with I. H. S. A. A. standards.

Kirkland Twp. (Decatur)—This case concerns the eligibility status of Walter Meyer for semester one and semester two of the school year 1927-1928, and the question at issue has to do with the grades given the boy in his school work. Conflicting statements have been made regarding the grades given and the interpretations of the grade marks used in the High School. Some marks on the report card of the boy have been changed at some time by some parties for some purposes.

Decision—Kirkland Township High School, Decatur, placed on probation in the I. H. S. A. A. until June 1, 1929 for having no well-defined and clearly established grading system in the High School, with the instructions given to the High School Principal to initiate a satisfactory system to be used beginning with the school year 1928-1929, and to send a copy of the scheme and the instructions to the County Superintendent and to the I.H.S.A.A. office prior to any inter-school athletic participation for next school year.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

The Board adjourned to meet in the Claypool Hotel, Indianapolis, at 10:00 A.M., Saturday, September 15, 1928.

J. ORD FORTNER, President.

BOARD OF CONTROL MEETING

Claypool Hotel, Indianapolis, Sept. 15, 1928.

Present: J. Ord Fortner, J. Fred Hull, Ben Watt, G. Ray Sharp and the Permanent Secretary.

Midland—Elza Pershing played basketball on a Sunday School basketball team after the season had closed in 1926-1927. He then played football on the High School team in the first semester of 1927-1928.

Decision—Midland High School placed on probation in the I.H.S.A.A. until June 1, 1929, and Elza Pershing, if now enrolled in High School, declared ineligible for any football games during the present season of 1928-1929.

Charlottesville—Dale Koon, who stayed at the home of Lowell McDaniel near Kennard, attended the Kennard High School last school year. Mr. McDaniel moved to Kansas last Spring and Dale Koon is now making his home in Charlottesville and attending the Charlottesville High School. The boy's father lives in South Bend.

Decision—Dale Koon declared ineligible for any athletics in the Charlottesville High School for one full semester according to the residence rule in the I.H.S.A.A. constitution.

Kniman—Terre Curtis lived with his mother and did High School work in Oklahoma in 1922-1923; he lived with his brother and attended High School in Fort Wayne in 1923-1924; and he lived with his brother and attended High School in Mishawaka one semester in 1924-1925. The boy returned to Fort Wayne and has not been enrolled in High School until the present semester. He is now enrolled in the Tefft High School.

Decision—Terre Curtis declared ineligible for any athletics in the Tefft High School for one full semester according to the residence rule in the I. H. S. A. A. constitution.

Lizton—For a number of years students have been transferred from Harrison Township, Boone County, to Lizton, Hendricks County, there being no High School in Harrison Township. A High School has been built and is being used in Harrison Township this year.

Decision—The High School students living in Harrison Township may attend the Lizton High School or they may attend the Harrison Township High School and be considered eligible this

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

first semester, provided no undue influences are used to retain the students in Lizton or to secure the students in Harrison Township. This same statement will hold regarding students that may have been transferred elsewhere from Harrison Township.

Rushville—The Webb High School opened September 3 and was abandoned by the Trustee during the week.

Decision—The Webb High School students may choose their High School for this first semester, 1928-1929 and may be considered just as eligible for athletics in the new High Schools as they would have been had they remained in the Webb High School, provided no undue influences are used to secure them as students.

Pine Township (Fowler)—Last year the Round Grove Township High School gave two years of High School work. This year some third year work is being given. Some of the students, who finished two years of work last year, are now attending other High Schools.

Decision—The students who finished two years of work at Round Grove last year and who are now attending other High Schools, declared ineligible for any athletics in these other High Schools for one full semester if regular third year work is being given at Round Grove this semester and if it is recognized as such by the State Department of Public Instruction.

Ohio Decision—The following paragraph was sent to us recently by the Commissioner of the Ohio High School Athletic Association and we are extending it to the members of the Board:

"I know you will be interested in hearing that the injunction suit filed by the Fostoria Board of Education restraining the O.H.S.A.A. from suspending it till January 1, 1929, for violating rule six-c was dismissed by Judge Duncan for lack of jurisdiction. The judge held that high-school athletic associations are associations not organized for profit and that actions of such associations against their members in accordance with the rules, regulations and by-laws are not reviewable by the courts."

State Department Conference—State Superintendent Roy P. Wisheart met with the Board of Control and two questions were discussed,—(1) the mid-week game rule of the State Board of Education and its enforcement, and (2) The employment of a Physical Education man by the I. H. S. A. A. to work in the schools of the State.

No final decisions were made regarding either question but both were discussed in a very friendly and rather complete way. Superintendent Wisheart stated that he would work out some statements regarding the mid-week game proposition and submit them to the Board; and he also stated that the recent discussion in the State Board

of Education arose over a definite proposal by him and his assistants to rescind the mid-week game rule. The Board stated that any rule to be enforced by the I. H. S. A. A. Board of Control would have to be passed by the Legislative Body in the regular way for legislation. A number of points were discussed under the proposed employment of a Physical Education man and the whole question was left for further consideration by all parties.

Butler Visit—The members of the Board and the Permanent Secretary visited the athletic facilities at Butler and decided to urge the Butler authorities to furnish steel bleacher seats in place of the temporary wood bleachers used in the Field House last year. The wood bleachers were examined and it was evident that safety could not be assured by using them again.

Legislative Body Vacancies—The letters received from the Legislative Body members regarding this question for this year were considered and the Board agreed that the only decision that could be made due to the variety of opinions, would be to leave all vacancies unfilled until election time for this year.

State Meets and Tourneys—It was decided to study the advisability to holding a swimming meet and a tennis meet this school year. The Permanent Secretary was instructed to collect data and opinions on these points soon.

State Basketball Tourney—The details of the tourney were discussed and it was decided to employ Mr. Ammerman and Mr. Gorman as managers for 1928-1929 and to pay them not more than three hundred dollars (\$300.00) each for their services in basketball and track. The price of seats for last year, the complimentary ticket apportionment and the reserved section for the same, were considered all right for this year. The Permanent Secretary was instructed to carry out plans for the 1928-1929 tourney accordingly.

The Board adjourned to meet at the Legislative Body Meeting, Oct. 17, 1928.

J. ORD FORTNER, President.

I.H.S.A.A. BOARD OF CONTROL MEETING

Claypool Hotel, Indianapolis,
Saturday, Nov. 3, 1928.

Present. All members and the Permanent Secretary.

Permanent Secretary authorized to grant the printing of the 1928 Handbook on the bases of cost, convenience, quality and service. The office of "Field Man" and the qualifications to be required for the position were discussed briefly. It was decided not to make public the names of the applicants. No other action was taken.

The new "two-semester" rule was considered in effect according to the statements in Bulletin No. III, dated October 23, 1928.

The Permanent Secretary reported that little progress had been made in securing steel bleacher seats for the Butler Field House. Instructions were given to keep pushing the matter and to find out if any scheme could be found to provide the seats.

The report regarding the sale of the lumber used for the State Basketball Tourney at the Fair Grounds was accepted, a complete report having been sent to each Board Member prior to the meeting.

The Permanent Secretary was instructed to secure two tickets each for the Board Members and himself for the Indiana-Purdue football game on Saturday, November 24, 1928, with the understanding that the expense accounts of each one should show the amounts paid for the tickets.

Principal Blanche Ridley of Corydon requested the Permanent Secretary to speak at the dedication of Corydon's new gymnasium, Friday Evening, October 2, 1928. Due to inability of the Permanent Secretary to render this service for the I.H.S.A.A., Superintendent M. J. Abbett of Bedford was secured for the work. The Board sanctioned the scheme and voted to pay his expenses and a small fee for his services. It was agreed that a similar scheme, using selected and available persons, should be used when necessary and with discretion, until the "Field Man" arrangements are settled.

A report was made on a proposed Junior High School basketball tourney for January, 1929, under the auspices of five Junior High Schools of Muncie. The Permanent Secretary met with these Principals recently and arranged to have all of the rules and regulations of the I. H. S. A. A. observed. No official sanction was necessary nor given as the I. H. S. A. A. rules do not prohibit such tourneys.

It was decided that the I. H. S. A. A. should cooperate with the athletic sections of the several Teachers' Associations of the state and should spend a reasonable amount of money in aiding with their programs.

Bosse (Evansville)—Jasper Academy (Jasper)—Coach John B. Wilson of Bosse High School withdrew his football team from the field and the game at the end of the first half of a game with Jasper Academy, October 6, 1928, on account of the alleged roughness on the part of the Jasper players. The officials of the game were agreed upon prior to the game.

Decision—Bosse High School, Evansville, suspended from the I.H.S.A.A. until January 1, 1929.

NOTE:—The Board of Control on December 18, 1927, unanimously declared: "The Board of Control of the I. H. S. A. A. deplors the action of anyone withdrawing a team from an athletic contest and announces that such action in the future will jeopardize the standing of the school taking such action in the I. H. S. A. A." This declaration has been printed and sent to

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

the High School Principals in the membership in two separate bulletins.

Frankfort—Herman Yeager, a student in the North Vernon, Jennings County High School last year, and Bernard Low, a student in the Zenas, Jennings County High School last year, entered the Frankfort, Clinton County High School on September 10, 1928. The parents of these boys did not change their places of residence and according to their own statements they received the impression that their boys would be cared for in Frankfort in the way of jobs to fill in order to pay their board, room, tuition and other expenses.

Coach Everett Case of Frankfort called to see Herman Yeager at his home in Jennings County last summer. Basketball and the entering of Herman Yeager in the Frankfort High School were discussed.

Coach Everett Case of Frankfort talked with Bernard Low and the mother of the boy at a sale in Jennings County last summer. Basketball and the entering of Bernard Low in the Frankfort High School were discussed.

Mr. Vance Curtis, a teacher in the Frankfort Public Schools at present and formerly a resident of North Vernon, furnished transportation in his automobile for Herman Yeager and Bernard Low from Jennings County to Frankfort in order to enter the Frankfort High School. Coach Everett Case of Frankfort requested Mr. Vance Curtis to bring the boys to Frankfort when he visited his former home.

Both boys withdrew from the Frankfort High School on September 26, 1928.

Decision—Frankfort High School suspended from the I. H. S. A. A. until January 1, 1929, due to "undue influences" being used to secure Herman Yeager and Bernard Low as students in the Frankfort High School for athletic purposes.

Lancaster (Bluffton)—Kirkland (Decatur)—Principal C. R. Bair of Lancaster charged Principal Hansel Foley of Kirkland of using "undue influences" to secure Raymond Durr as a student for the Kirkland High School this semester. The evidence clearly showed that Principal Hansel Foley did visit the home of Raymond Durr two times to discuss enrollment in the Kirkland High School. Basketball, opportunities to work, and the dissatisfaction among the athletes and the Coach at Lancaster last year were discussed. Principal Foley also talked to Raymond Durr in Craigville.

Coach W. V. Bryan accompanied Principal Foley on one visit to the home of Raymond Durr.

Raymond Durr visited the Kirkland High School one morning and was present in an English class taught by Coach W. V. Bryan. Raymond Durr was introduced to the class as a prospective student. Raymond Durr never enrolled in the Kirkland Township High School.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Decision—Kirkland Township High School, Decatur, suspended from the I. H. S. A. A. until January 1, 1929, due to "undue influences" being used in attempting to secure Raymond Durr as a student in the Kirkland Township High School for athletic purposes.

Rock Creek-Andrews—Principal Burton Stephan and Principal Frank Felkins used non-approved officials in baseball game this semester. One of these games ended in trouble and as a partly played contest.

Decision—The Rock Creek High School and the Andrews High School placed on probation in the I. H. S. A. A. until June 1, 1929. The attention of both Principals is directed with a warning to "Interpretation Third" page 129 in the 1927 Handbook, reading as follows:

"It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association."

In connection with this case the following declaration was unanimously passed and is now in effect in the I. H. S. A. A.:

"The Board of Control strongly affirms in an executive manner Section I, Article VI in the I.H.S.A.A. Constitution reading as follows. "The major officials in all inter-contests shall be on the approved list of officials in the I.H.S.A.A., and announces that a violation of this section in the future will jeopardize the standing of all schools concerned."

Lancaster (Huntington County)—Polk Township (Huntington County)—Case continued in order to have both Principals present at the hearing.

Fair Oaks—Principal Ira L. Huntington played Elton Gifford in baseball when he was ineligible due to a change of schools without a change of residence of his parents. Principal Huntington reported the case.

Decision—Fair Oaks High School placed on probation in the I.H.S.A.A. until June 1, 1929. The games in which Elton Gifford played this semester officially forfeited to the opposing schools,—Medaryville and Wheatfield.

Yorktown—Principal L. H. Clark played Merlin Cox and Earland Sears in a basketball game with Dunkirk this semester. The Cox boy was ineligible due to failure to pass in three regular High School subjects during his last semester in High School and the Sears boy was ineligible due to his being a five-year man. Both cases were reported by Principal Clark.

Decision—Yorktown High School placed on probation in the I. H. S. A. A. until June 1, 1929, and the game in question officially forfeited to Dunkirk.

Kniman—Principal Chas. E. Marshall played Ruth Liskey when she was ineligible due to failure to pass in three regular High School subjects during her last semester in High School.

Decision—Kniman High School placed on probation in the I. H. S. A. A. until June 1, 1929. The game in which Ruth Liskey played is officially forfeited to Tefft High School.

Stewartsville-Owensville—Case continued in order to have both Principals present at hearing.

The following statement is being sent to the Principal of each suspended school. There is a moral and probably a legal responsibility here even if a school has been suspended,—

“It is understood that the Principals of High Schools suspended from the I. H. S. A. A. should inform at once the Principals of all schools with whom games have been scheduled during the period of suspension that their High Schools have been suspended and that they are ready to negotiate regarding settlement of the forfeiture stipulation in the contract.”

The Board adjourned to meet at ten (10) o'clock Saturday morning November 24, in the Fowler Hotel, Lafayette if desirable seats can be secured for the football game in the afternoon, or at ten (10) o'clock Saturday morning, December 1, in the Claypool Hotel, Indianapolis, if seats could not be secured for the Indiana-Purdue game.

The “Proposals” as submitted by Principals in the membership and as printed and distributed to the membership several days prior to the meeting, were considered with the results given below. The following Proposals were passed, all others being lost:

II.—Change of Schools.

No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another High School until he has been enrolled in such High School for two full semesters, unless the parents of such student actually change their residence to the second school district. In the latter case the student will be as eligible as he was in the school from which he withdrew.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Note:—This rule strikes out “one full semester” and substitutes “two full semesters” in Section I under Enrollment in the I.H.S.A.A. Constitution. The interpretations as written in the Constitution and as given by the Board of Control remain binding. The two semester requirement goes into effect November 1, 1928, and it will apply to students changing High Schools on and after this date. The one semester rule applies to students changing High Schools prior to November 1, 1928. This makes the new rule active, but not retro-active.

Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

INTEPRETATIONS AND SUGGESTIONS

First—When a contestant, official, game or decision is protested the game should be played as scheduled and the protest with evidence filed with the Board of Control for settlement later.

Third—It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association.

Fourth—A game is an athletic contest entered into by a member of this association with players or teams not belonging to the member.

Fifth—As the Principal is the responsible party in High School athletics, it is recommended that he carry on all correspondence with the Board of Control and the Permanent Secretary.

MUNCIE HIGH SCHOOL GYMNASIUM.

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Sixth—By passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Seventh—Mutual agreements to violate the rules of this association shall result in suspension of all schools concerned.

Eighth—Visiting schools shall be held responsible for the conduct of visitors from their home city regardless of the place of the contest.

Ninth—For athletic purposes the record at the end of a semester shall be final. Deficiencies in one semester can not be made up in a subsequent semester for qualification purposes during that semester. Back work may be made up and counted toward eligibility during the summer providing it is done and becomes a matter of final record prior to the opening day of the next semester.

Tenth—The baseball season is defined as beginning and ending with the school year.

Eleventh—The Principal of each school or a teacher in his school delegated by him in writing shall represent such school at all meetings of the Association.

Twelfth—Enrollment for any time is considered enrollment and students who do not pass in three regular High School subjects in any semester in which they are enrolled are ineligible until they have done so.

Thirteenth—Schools may have as many teams in the same sport as they desire, and all rules apply to all teams and all individuals on all teams.

QUESTIONS AND ANSWERS REGARDING THE I. H. S. A. A. RULES AND REGULATIONS

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the Permanent Secretary has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. The answers have been given according to the rules of the association and the interpretations of the Board of Control. It is hoped that this bulletin will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

We must remember, however, that the letter of printed rules and regulations will not suffice. The following appeared in Bulletin VII, November 27, 1922, and is given here so that it may permeate all that we do:

"THE SPIRIT MAKETH ALIVE. The rules and regulations of the I. H. S. A. A. have been couched in words meant to secure loyal and fair-minded support of her members for clean sportsmanship, honest dealings and fair play, but these rules can be evaded if the spirit as well as the letter is not observed. School officials may grant credits for work not done, may neglect to investigate records, may mutilate and even destroy records, may change the regular schedules for the ending of one semester and the beginning of the next, and may do many other things without violating the letter of the rules and regulations of the I. H. S. A. A., but such can not be done according to the spirit of the high ideals of the I. H. S. A. A. No school official is a loyal supporter of the association who practices such things, and students in the care of such officials surely learn to live by fraud and deceit. The I. H. S. A. A. never attained its present high standing by such practices. If it were not for the fact that the large majority of the members of the I. H. S. A. A. live not only according to the letter, but also according to the spirit of her rules, she would die by suicide. We, as school officials, must be honest in our dealings, if we intend to secure honesty in boys and girls. Clean athletics follows clean coaches and clean school officials. Boys and girls deserve real leadership. There is no vitality in rules and regulations. The spirit alone maketh alive."
