ADDRESS TO INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

(G. Warren Phillips)

The importance of a well balanced program of school activities has gained increasing recognition among educators since the turn of the century. Today every modern school gives serious time and attention to its proper direction. To say that the valuable outcomes of a school activity program will be proportionate to the proper selection of activities to be sponsored and to the intelligent direction of those selected is to express a self-evident fact. The broad educational policy of the school must permeate not only the scholastic curriculum but the whole activity program as well. Any activity which does not contribute to the established and accepted aims of education should be revised or discarded. To insist that final authority for the direction of any and all school activities rests in the hands of those responsible for the entire school program is only to insist that they be established on a sound educational basis consistent with the aims and ideals of the school. It has been the purpose of the I. H. S. A. A. since its inception to assist, as a voluntary educational organization, in the direction and control of inter-high school athletics as a part of the educational program of member schools. Basic rules and regulations consistent with sound educational principles have been made by the member schools to the end that athletics may contribute to the best ideals of the school. A thorough knowledge of these rules and regulations by every high school coach and principal is imperative. Proper dissemination of this knowledge to fans, teachers and students is important.

As we move forward new problems appear and must be met with our best thinking. By way of illustration, one of the more recent seems worthy of attention. Not so many years ago the problem of financing the athletic program in most communities involved the receipt and expenditure of little money. Athletic finances were of little concern except to those willing to donate. With improved athletic fields and more adequate gymnasias athletic receipts are receiving more attention from individuals and groups not otherwise interested in athletics. In many communities there is such an erroneous and exaggerated opinion regarding athletic income and expenditure that it is of concern to all. It has been the policy of the I. H. S. A. A. not only to exercise careful and judicious care in the management of its funds but also to place in the hands of its member schools each year a complete financial report. Many schools follow a similar plan in informing their own student body and community of local athletic finances. School newspapers, local newspapers, bulletins and bulletboards are excellent media for dissemination of this information. Honest publicity will disarm much groundless suspicion and sinister criticism.

The I. H. S. A. A. has the heritage of a sound foundation laid by the clear thinking, vision and courage of its founders. Its past speaks for itself and is overshadowed only by the possibilities of even greater future service for the boys and girls of Indiana.

G. WARREN PHILLIPS
President I. H. S. A. A. Board of Control

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS, 1939

THE TWENTY-EIGHTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full.

SECTIONAL TOURNEYS

March 2, 3 and 4

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location,—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions,—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney and the assignment of all schools is given below. The Board of Control reserves the right to readjust the scheme if conditions arise making changes necessary or advisable. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—The exclusive control of these tourneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board and every attempt will be made to choose none but fair, disinterested and competent men. Two officials will be assigned to tourneys having 8, 9, 10, 11 or 12 teams, and three officials will be assigned to tourneys having 13, 14, 15 or 16 teams. Two officials will work each game alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.

TOURNEY REQUIREMENT—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the High School has played eight (8) inter-scholastic games during that season. Schools holding less than full membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following scheme:

1. Entertainment for all teams in all tourneys will end not later than 10:00 P. M., Saturday, March 4.
2. Entertainment for all teams will begin as follows:
 - a. In 8 and 9 team tourneys,—5:00 P. M., Friday, March 3.
 - b. In 10, 11 and 12 team tourneys,—12:00 Noon, Friday, March 3.
 - c. In 13, 14, 15 and 16 team tourneys,—5:00 P. M., Thursday, March 2, for teams playing on this evening and 8:00 A. M., Friday, March 3, for other teams.
3. In 8, 9, 10, 11 and 12 team tourneys, one extra round-trip transportation and one extra meal will be given to the teams playing Thursday evening, March 3.
4. All tourneys will begin at 7:00 P. M., Thursday evening, March 2. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 and 9 team tourneys; and there will be no games Friday morning in 10, 11 and 12 team tourneys. Principals may arrange their school work accordingly.

Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, February 28, (2) transportation only, one round trip, shall be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowance shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of the school securing such and not an expense of the tourney, (5) teams arriving late or leaving a tourney early should not expect full tourney entertainment.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.
2. The Center High School shall receive one hundred dollars (\$100).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.
7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.

8. One-half of the sixth balance shall be divided on the basis of season ticket sales in the local communities on or before 4:00 p. m. Thursday, March 2. Season tickets sold after this hour and date can not be counted in finding the share of any one school. Keep the two lists separate at all times.

9. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

10. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

Note—The amounts provided for the Center School shall not be divided among the participating schools as a bid for a tourney or in payment for the support of these schools. The expenses of a manager, if any, belong to the Center School and not to the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. Entries will close Friday, February 17. These blanks should be sent between February 9 and 16. Do not mail entry blanks later than February 16, 1939. Blanks mailed according to these instructions should reach the I. H. S. A. A. office in time to be accepted. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted. The Board of Control has so ruled.

ADMISSION FEE—The admission fees to all tourney games shall be as follows:

Four-session tourneys—season ticket \$1.00, session ticket 35 cents;
Five-session tourneys—season ticket \$1.25, session ticket 35 cents;
Six-session tourneys—season ticket \$1.50, session ticket 35 cents.

Tickets shall not be sold for more or less than the prices here given. No more tickets shall be sold than the seating capacity of the house will justify. Standing room shall not be sold or used. All requirements of the State Fire Marshall and the City Fire Marshall shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on distance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on

Monday, February 27. Much ticket information can be secured prior to this date. Center Principals and participating Principals should communicate with each other on Monday morning, February 27. This responsibility is mutual. All Principals have duties in this matter. Any unfair methods or prices higher than those mentioned in this announcement should be reported to the Board of Control with evidence. The division on season ticket sales shall be made on the basis of such tickets being sold and paid for on or before 4:00 p. m. Thursday, March 2. All schools must observe this provision. Season tickets sold after this hour and date should not be credited to any one school in the sharing and should be reported separately.

TYPE OF BALL—The new molded type of basketball shall be used.

RADIO SERVICE—Stations in Indiana may broadcast I. H. S. A. A. tourneys provided the requirements in the I. H. S. A. A. rules and regulations governing broadcasting are observed. The managers of the stations and the Tourney Principals will have copies of these rules and regulations.

SOUVENIR PROGRAMS—Souvenir programs other than those provided by the I. H. S. A. A. shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made.

PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games. This ruling is meant to protect the vision of the players.

SUGGESTIONS—Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc., etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

WARNINGS—Entries close Friday, February 17, and can not be changed or received afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entry blanks and checks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given on entry blank. Get all right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted.

March 25

ENTRANTS—The four (4) winning teams of the Semi-final Tourneys shall constitute the participants in the Final Tourney. The schedule will be drawn by lot by the Board of Control according to the sectional tourney scheme.

ENTRIES—Teams are limited to ten men and these men may play. Twelve men may be certified but two of these men must be scratched

prior to the opening game of the tourney. These teams may or may not be made up of the same men that participated in the other tourneys. Certificates must be made on the regular blanks furnished by the Commissioner, and all data must be given as indicated. These are due in the hands of the Commissioner on Monday, March 20, complete in every detail. If you desire to change your Semi-final Tourney blank, send a definite telegram giving all data on or before this date. One entry fee covers all tourneys. The Semi-final entry blank will suffice for the State Tourney and will be used as made unless you instruct us otherwise on Monday, March 20.

ENTERTAINMENT—Twelve men will be entertained on each team (which number must include the faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$48.00 for lodging, \$48.00 for meals, \$200.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. ADMISSION FEE—The admission fee shall be \$1.25 for a Season Ticket and 75 cents for a session ticket.

PRIZES—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual trophy. A medal, known as the "J. CONDUCT OF PERSONS DURING STATE TOURNEY—Decision to continue I. H. S. A. A. efforts to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, but to stress the idea among Principals, Superintendents, Coaches, teachers, parents and communities that the receipt of tickets by their High School Principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.—Athletic Council, Dec. 19, 1931.

Management—The Board of Control has designated the Commissioner as Manager, and K. V. Ammerman, Broad Ripple High School,

and Fred R. Gorman, Technical High School, as Assistants, of this tourney. The 'phone numbers are as follows:

Commissioner—Riley 7270
Ammerman—Broadway 2408
Gorman—Cherry 2949

During the tourney the I. H. S. A. A. Field House Office will be at Gate 4.

Press reservations will be handled by Principal K. V. Ammerman, Broad Ripple High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

Tickets—All tickets will be handled through the I. H. S. A. A. office according to the following scheme:

1. Season tickets and these only will be sold prior to Saturday, March 25, 1939. In recent years all tickets were sold prior to this date. The price for a season ticket will be one dollar and twenty-five cents (\$1.25) and such a ticket will entitle the purchaser to attend the games in the afternoon and evening sessions of the tourney. If the capacity of the house is not sold in season tickets, session tickets at 75 cents each will be sold on the day of the tourney.

2. Tickets will be sold only through the Principals of High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at prices higher than one dollar and twenty-five cents per season ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to Arthur L. Trester must accompany each order. Tickets purchased can not be returned. Please do not send money. The limitations below must be observed as given:

a. Orders for tickets having official Post Office stamp marks on the envelopes including and from Monday, March 6, to and including Wednesday, March 15, will be accepted if received not

later than Thursday, March 16, 1939. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Each High School Principal, having a team entered in an I. H. S. A. A. Sectional Basketball Tourney for 1939, and each High School Principal holding a modified membership in the I. H. S. A. A., may order tickets to six (6) per cent of his High School enrollment as of September 19, 1938, and as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. **If there are questions, ask them now.** All enrollments will be checked with the report herein mentioned. **Be sure you are right.**

6. All tickets remaining unsold after the High School Principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the Principals of the 64 sectional tourney winning schools if ordered by them. These Principals should state on their letter, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that may be distributed to them as sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than the tickets remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be no tickets or only a few tickets so remaining. None are guaranteed. Tickets purchased can not be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from March 6, to March 15, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in the order here given.

c. Incorrect orders are returned with instructions.

d. Orders will be filled by drawing the tickets as follows and in the order given: (1) Beginning with Section 9 and proceeding to the right around the 1st balcony in blocks with about 10% of each block in the front rows of the block; (2) Beginning with Section 1 and proceeding to the right around the bleachers, if there are available tickets, and (3) Beginning with Section 11 and proceeding to the right around the second balcony.

e. The method of filling ticket orders is a method entirely by lot and the scheme automatically assigns the seats. The location of seats of any particular school depends upon a number of things,—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in

the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

WARNINGS—Entries are due Monday, March 20, and can not be changed afterwards. Special privileges will not be granted to anyone. Send all entry blanks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given. The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Tourneys.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot.
2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.
3. No pass-out tickets will be issued. Holders of tickets may leave the Field House when they choose in any session, but they can not re-enter until the next session. The seats will be cleared between sessions.
4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.
5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.
6. Comfort accommodations will be found on each floor at each end of the Field House.
7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Field House look for the Gate Number above the door corresponding to the one on your ticket.
8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor having 650 seats to the block, will be reserved for the four schools whose teams are in the tourney until Monday, March 20. Twelve blocks of seats, immediately around the playing floor and with 150 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The High School Principals whose teams are represented should get in connection with the I. H. S. A. A. Office on Monday, March 20, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control.
9. First Aid Rooms will be located in the east end of the Field House. Look for sign. A physician and a nurse will be available.

GIMBEL PRIZE FOR MENTAL ATTITUDE

In 1917 Jake Gimbel of Vincennes presented to the I. H. S. A. A. Board of Control a proposal to give a prize each year at the State Basketball tourney to the boy among the teams represented that showed the best mental attitude throughout the tourney. Mr. Gimbel did not have in mind the quality of the playing of any boy on any team, but did have in mind the qualities that belong to a real gentleman. He clearly recognized the mental and moral strain under which the players play during the tourney and he also recognized the numerous opportunities for the players to lose control of themselves and to do something not conducive to true sportsmanship.

The Board of Control accepted the proposal of Mr. Gimbel and the awarding of this prize known as the "Gimbel Prize for Mental Attitude" has been an annual affair, calling for much favorable comment. The prize and the things it represents are cherished by the players and schools of Indiana. The prize has meant much to real sportsmanship and self-control in the High Schools of the State and it is a prize sought for by all schools. The school to which the winner of this prize belongs claims the winner as their own and accordingly the whole school and the whole community are proud. In a number of cities similar prizes are being given to the players who show the best mental attitude within their own schools. The Gimbel prize and these other similar prizes have exalted in a very real sense the qualities belonging to a gentleman in the minds of our boys and girls.

The following boys have won the prize:

Claude Curtis	Martinsville	1917
Ralph Esarey	Bloomington	1918
Walter Cross	Thorntown	1919

committees have made their choices by observing the boys and by consulting the officials. Only one boy can receive the prize each year, but several boys have been worthy each year. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

LIBERTY H. S. PLAY FIELD

This field was acquired three years ago by Short High School of Liberty. At that time it was a cultivated field adjacent to the high school grounds, the latter being situated near the edge of town. Over a year was consumed in leveling it and in growing a sod on the field. Provisions already have been made for football, archery, basketball, two softball diamonds not shown in the picture, and the lighted one shown here. These have been so laid off that a quarter mile track and two hard surface tennis courts may be added in the future. The track will go around the other diamond and the tennis courts inside the other end of the oval. Volley ball courts and horse shoe pits will also be added in the near future. The field is used for many activities outside the regular school program. With the further developments complete it will become a real community recreational center.

ELKHART STADIUM

This stadium extends the whole length of the football field and seats approximately 6,500 persons. It is built of re-enforced concrete with red wood seat boards supported by cast-iron brackets. The materials were furnished by the High School Athletic Association and the labor was paid out of W. P. A. funds.

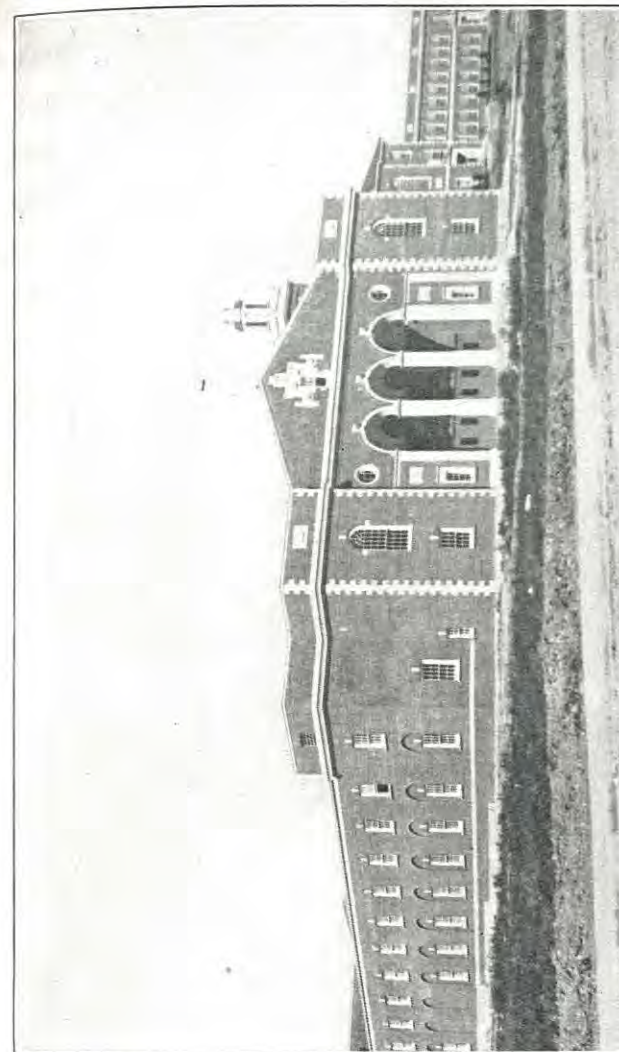

There is a large and well-equipped press-box and a public address system operated from the press box. The field has 48 lighting units of 1500 watts each and the electric score board will be operated from the press box.

Beneath the stadium are dressing rooms for the students participating in the several sports and for the visiting teams, band equipment room, concession rooms and accommodation.

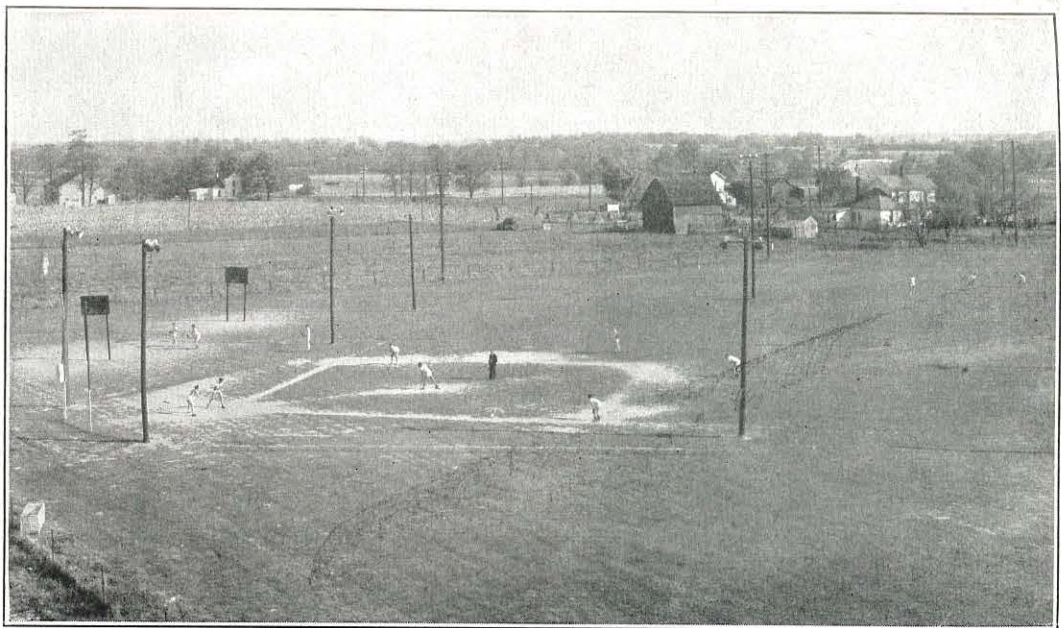

In addition to the seating in the new stadium, one of the old wood stands remains with a capacity of 2,400, thus making a total seating capacity of approximately 8,900.

The following gives the available data about other new gymnasiums:

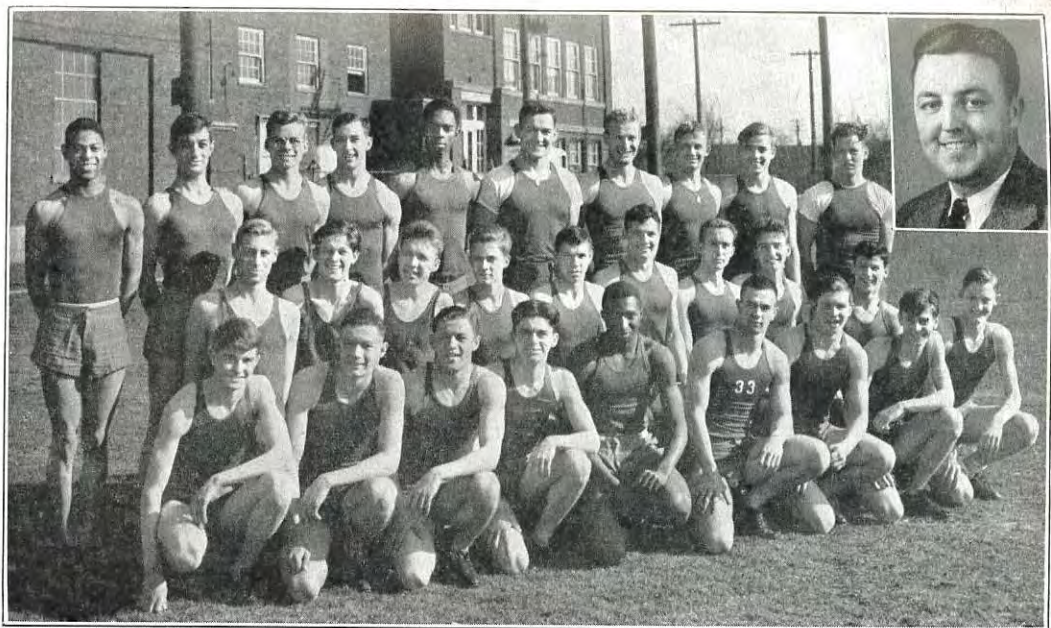

Silver Creek; South Bend (seating 4,000), a part of the new East Side High School; Bremen (seating 2,000); Jasper (seating 3,100); Crawfordsville (seating 3,000); Peru (seating 3,800); Decatur (seating 2,000); Albion (seating 1,500); Butler (seating 1,900); Madison (seating 2,500); Broad Ripple; and Mill Creek. BASEBALL PLAYING
(Hard Baseball and Soft Baseball)

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I.H.S.A.A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Pearcy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are eight hundred and six (806) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the several Board members of the I. H. S. A. A. follows:

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Perma-

ment Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a Board of Control from the membership of the Athletic Council by the membership of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been held up as an ideal by the Association through the thirty-four years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics.

MINUTES OF I. H. S. A. A. BOARD OF CONTROL MEETINGS

I. H. S. A. A. BOARD OF CONTROL MEETING

Purdue University, Lafayette, November 19, 1938.

Present: President G. L. Russell, G. Warren Phillips, Robert S. Hinshaw, H. E. Sanford, Mark Wakefield and Commissioner Arthur L. Trester.

EVANSVILLE

Superintendent Irons presented information regarding some athletic questions in connection with the students that will enroll in a new Mechanic Arts School the second semester of the present school year. Students in this school will be students belonging to Central, Bosse and Reitz High Schools and who have completed the first two years of high school work. The last two years of high school work by these students will be done in the new school, but they will receive diplomas from their former schools respectively. The new Mechanic Arts School will have no inter-school athletics.

Decision—The enrolled students in the new Mechanic Arts School may be considered students in their former high schools, as far as inter-school athletics is concerned, provided the rules and regulations of the I. H. S. A. A. are observed in every way by the Principals of these former schools as they relate to eligibility, responsibility, liability, certification, etc. Prior to the opening of the new Mechanic Arts School a conference by Superintendent Irons, the Principals of the three high schools in Evansville and the Dean of the new Mechanic Arts School shall be held so that definite understandings and agreements may be reached. A copy of these understandings, agreements and methods of procedure shall be sent to the Commissioner, bearing the signatures of the individuals just cited. Specific and unforeseen questions shall be decided as they arise but prior to the participation in athletics of the students in question.

ELIGIBILITY CASES

Several situations in which ineligible students had participated in athletics were considered. Some of these violations were due to a lack of knowledge of the rules, some were due to negligence, some were due to inefficiency on the part of the teacher acting as an agent of the Principal, and some presented the appearance of a "get-by" attitude.

The Commissioner was authorized to follow in such cases the long-standing policy in the I. H. S. A. A. as indicated below:

1. Require explanatory letters to be sent by the erring Principal to the opponent Principals of games in which the ineligible student participated, forfeiting the games and requesting that acknowledgment of the receipt of the letter be sent to the Commissioner. Copies of the explanatory letters must also be filed with the Commissioner.

2. Require the erring Principal to declare the students ineligible for the entire semester of their enrollment following the semester in which they participated when ineligible. A statement to this effect must be filed with the Commissioner.

3. Require a hearing before the Board of Control in cases in which suspension might be the penalty for the school.

BEDFORD

Mark Caress moved with his parents to Cumberland in June, 1938. The boy entered Warren Central High School September 6 and remained a few days. The mother and the boy went back to Bedford September 10 and the boy entered high school there September 12, the opening day of school. The mother has taught in the Bedford schools for the past thirteen years.

Decision—Mark Caress considered eligible for athletics in the Bedford High School, as far as the change of high school rule is concerned.

CLAYPOOL

John Hathaway and Keith Hathaway entered the Claypool High School from Pierceton last March. While at Pierceton, they and their father lived at the home of their brother, Ray. Ray and his two brothers moved to Claypool but the father remained at Pierceton with another son.

Decision—John Hathaway and Keith Hathaway may be considered eligible for athletics in the Claypool High School, as far as the change of high school rule is concerned.

RUSHVILLE (Case 1)

Melvin Gray formerly lived with his grandmother near Glenwood and attended that high school. In January, 1938, the grandmother moved to Rushville, the boy going to live with his mother near Glenwood. On August 1, 1938, Melvin went to live with his grandmother at Rushville and entered that high school.

Decision—Melvin Gray can not be considered eligible for any athletics in the Rushville High School until he has been enrolled one calendar year. The change of high school rule is applicable in this case.

RUSHVILLE (Case 2)

WESTERN MICHIGAN RELAYS

The long standing policy of the I. H. S. A. A. to investigate, check and act on the doings and settlements in such situations was approved. It was considered that the I. H. S. A. A. not only had the right to act in such cases but that it had the duty to act in order to protect clean athletics among the member schools.

The Board adjourned to meet at ten o'clock Saturday morning, November 26, 1938.

G. L. RUSSELL, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

MEMBERSHIP

The rule regarding membership passed by the Athletic Council at their last meeting was discussed. no change had been made in the other sections in the Constitution regarding membership. It was decided that all other rules and regulations of the I. H. S. A. A. would be considered binding on schools holding modified memberships.

MISDEMEANORS

The correspondence regarding some cases in which school colors were raised, some painting was done and accompanying misdemeanors were committed in connection with but prior to games was considered. It was decided to extend appreciation to the Principals who have shown co-operative attitudes and who have made careful investigations with proper settlements and provisions for prevention of such misdemeanors in the future. It was also decided to continue to check carefully the cases in which settlements have not been reached or co-operative attitudes have not been shown by Principals.

MEETS

It was decided to hold a Wrestling Meet at Indiana University and a Swimming Meet at Purdue University under the auspices of the I. H. S. A. A. and at the expense of the I. H. S. A. Copies of the audit of the finances of the I. H. S. A. A. by Ernst & Ernst for the year ended November 14, 1938, were given to the Board Members.

CHANGE OF HIGH SCHOOL RULE

It was decided to continue the policy of considering that a change of high schools by a student should correspond to the change of residence of the parents if eligibility of the student is desired.

BASKETBALL

1. It was decided to use the molded type of basketball in the sectional, regional, semi-final and final basketball tournaments for 1938-1939 and to consider the specifications in the Official Rules as binding in the selection of the ball.

2. Consideration and discussion were given to the arrangements, contracts and reports of the several I. H. S. A. A. tournaments. It was decided that the bonus for each participating school in the Semi-final Tournaments would be \$200.00 instead of \$150.00. Six hundred fifty (650) final tournament tickets were allotted for purchase to each of the four participating schools in the Final Tournament, and one hundred fifty final tournament tickets were allotted for purchase to each of the other twelve participating schools in the Semi-final Tournaments. It was ruled that reasonable expenses for help in holding tournaments should be paid out of receipts if sufficient, but that the management of a tournament should be an expense of the school inviting and holding the tournament.

The Board adjourned to meet immediately after the Athletic Council meeting Saturday, December 17, 1938.

Any and all questions asked were answered. The I. H. S. A. A. representation received a courteous reception from Chairman Arnold and the Senators present.

The Commissioner was instructed and authorized to call a meeting of the Board of Control in connection with any bills that may be presented in either House having to do with the I. H. S. A. A. It was the opinion of the Board that school officials and others should continue to be concerned about present bills in the Senate and House, and also to watch for future bills having an effect on the I. H. S. A. A.

It was decided that the Board of Control members at their discretion could attend the meeting of the National Federation in Cleveland on Monday, February 27, 1939, with legitimate expenses in attending such meeting to be paid out of I. H. S. A. A. funds.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 24, 1939.

Present: J. L. Tierney, Eugene O. Higgins, C. D. Manhart, John M. French and Commissioner Arthur L. Trester.

Mr. Higgins was elected Chairman in the absence of President Phillips.

BASKETBALL TOURNEYS

Arrangements for the championship basketball series of tourneys were completed. The assignment of schools to centers and the assignment of officials to tourneys were made. The drawings of the sectional, regional, semi-final and final tourneys were made in the presence of representatives of the Associated Press, United Press, International News Service, Indianapolis News, Indianapolis Star and Indianapolis Times. The item of trophies and medals for the final tourney was discussed and the Commissioner was authorized to purchase these medals and trophies. The tourney bulletin regulation regarding flash-light pictures was affirmed. The matter of complimentary tickets for the final tourney was considered and the Commissioner was authorized to follow past policies. The hours and time of games in the schedules for the tourneys were affirmed.

PHYSIOLOGICAL EXAMINATION

Dr. Sid Robinson of Indiana University requested the I. H. S. A. A. to assist financially in a study proposed by him, having to do with the comparison of the physiological capacities of a number of men who participated in high school athletics fifteen to twenty years ago with the capacities of non-athletic men of the same ages.

The Board of Control and the Commissioner are in sympathy with investigations and studies having to do with the health and physical fitness of athletic participants but at date are not convinced that the proposed study would be valuable to the I. H. S. A. A. or to athletics in general. Accordingly, the Board is not convinced that the proposed study should receive financial assistance from the I. H. S. A. A.

MORAL TWP. (Fountaintown)

Chester Miller and Lester Miller, twins; exchanged shirts and numbers between halves of a basketball game and played all of the second half without the change being discovered by the Coaches, Officials or Scorer. Principal Harrell and Coach Copple brought the boys to the I. H. S. A. A. office February 12 and presented the situation.

The Commissioner had placed the boys on probation and the Board of Control continued the probation until June 1, 1939.

CASES UNDER CONSIDERATION

The Commissioner reported that considerable correspondence and data were on file regarding several situations but that complete information had not been received. The cases were considered briefly, then postponed to a later meeting.

STINESVILLE-SMITHVILLE

There were some difficulties following a game at Stinesville January 28, 1939. The evidence is clear that James Mobley, a player on the Smithville team, struck Coach Armstrong of Stinesville when the latter was attempting to prevent trouble. Principal Botkin states that Coach Armstrong's intentions were misunderstood by the boy.

Decision—James Mobley declared ineligible for any athletics in high school until June 1, 1939, and his name cancelled on the tourney entry blank.

PRIZES AND AWARDS

The policy of keeping the giving of prizes, awards, gifts, etc., to athletes at a minimum, was affirmed.

MODIFIED MEMBERSHIP

A request that ten complimentary tickets be given to the members of a team belonging to a school holding a modified membership and hence ineligible to participate in a sectional tourney was considered.

The Board decided that schools holding modified memberships are not entitled to any complimentary tickets to any sectional, regional, semi-final or final tourneys.

GIMBEL MEDAL WINNERS

A request that complimentary tickets be granted to such Gimble Prize winners as desire to attend the final tourney was considered. The Board affirmed the long-standing policy in the I. H. S. A. A. that it had no authority to grant complimentary tickets to special groups.

INSURANCE

The continuance of a Larceny and Embezzlement Bond in the amount of \$80,000.00, covering Commissioner Arthur L. Trester, was authorized.

E. O. HIGGINS, Chairman.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, March 25, 1939.

Present: President G. Warren Phillips, J. L. Tierney, Eugene O. Higgins, C. D. Manhart, John M. French and Commissioner Arthur L. Trester.

GIMBEL PRIZE SELECTION

Nominations were made for boys to be considered in the selection of the winner of the Gimbel Prize. After careful consideration and discussion, the Board unanimously selected James Myers of Bosse High School, Evansville, as the winner of the Gimbel Prize for Mental Attitude given in connection with the State Final Basketball Tourney in 1939.

PRIZES, GIFTS, ETC.

This topic was discussed at length. The Commissioner was instructed and authorized to give opinions according to the following regulations:

(1) A suitable and reasonable gift, properly inscribed, may be given to the Coach and to each of the ten members of the championship basketball team in 1939, provided such are given by and with the consent of the Principal and school officials concerned.

(2) The regulation in the Tourney Bulletin for sectional, regional and semi-final tourneys and reading as follows, "Prizes—No prizes of any kind are to be awarded to any school or individual from any source" applies to players, teams and schools requesting that trophies, medals, gifts, etc., be permitted to be given to tourney players or tourney winners.

(3) The Sections and Articles in the Constitution regarding Prizes and Awards for players and Coaches are considered binding on Board of Control members as well as on others.

ROCKPORT, LUCE TWP. (Richland), CHRISNEY and GRANDVIEW

It was decided to invite the Principals and Coaches of the Rockport, Luce Township, Chrisney and Grandview High Schools to appear before the Board of Control in the I. H. S. A. A. office, 812 Circle Tower, Indianapolis, at 1:30 o'clock Saturday afternoon, April 8, 1939. This hearing will have to do with the playing of a basketball tourney on February 11, 1939.

LOOGOOTEE-PLAINVILLE

There were some difficulties between these schools during and after a basketball game during the season. Principal C. D. Manhart, an I. H. S. A. A. Board member, was authorized to invite the Principals and Coaches of these two schools to a hearing to be conducted by him at an early date, and to make a complete report to the full membership of the Board of Control at their next meeting.

The Board adjourned to meet at 1:00 o'clock Saturday morning, April 8, 1939.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 8, 1939.

Present: President G. Warren Phillips, J. L. Tierney, Eugene O. Higgins, C. D. Manhart, John M. French and Commissioner Arthur L. Trester.

TRACK

Careful consideration was given to the following points with the decisions as indicated for the 1939 meets:

1. **Scheme.** Arrange 15 or 16 sectional meets and a final meet as last year. It was found that distances and scarcity of track teams in some parts of the state, together with large numbers of

teams in other parts of the state, prevented satisfactory arrangements for semi-final meets.

2. **Centers.** The Commissioner was authorized to secure and accept suitable invitations for the sectional meets. The facilities and accommodations at Butler University and Technical High School were compared and discussed, and it was decided to hold the final meet at Technical High School.

3. **Admission.** Use arrangement of last year for sectionals and charge 25 cents for final meet.

4. **Expenses.** Change entertainment provisions of last year by increasing lodging amount to \$1.50 per person and price of meals to 60 cents. Schools within the 50-mile area will receive one meal over last year's allowance.

5. **Inner Grounds (Final Meet)**—Rule 16 of the 1939 N. C. A. A. Track and Field Rules shall govern.

6. Relay Racing

a. Starting lanes shall be reversed according to Official Rules in the Mile Relay in the sectional and final meets.

b. Starting lanes shall not be reversed in the Half-Mile Relay in the sectional and final meets.

GOLF

The facilities and accommodations of the Speedway Golf Course were compared with some City courses in Indianapolis. It was decided to use the Speedway Course.

LOOGOOTEE-PLAINVILLE

This case concerned some difficulties following a basketball game at Loogootee February 17, 1939. On February 27th the Commissioner wrote to the Principals as follows: "Both schools are being considered on probation until the case is finally decided by the Board of Control." On March 25th the Board instructed Principal Manhart, a board member, to hold a hearing in this case and report to the full Board of Control. Principal Manhart held the hearing at Petersburg on March 31st and made a report to the full Board. Principal Young, Superintendent Halgerty, Coach Costello, teacher Jones, Principal Lowe, Coach Johnson, Professor Johnson and Scorer Bennington attended the hearing.

Decision.—The probationary period for the Plainville High School terminated. The probationary period for the Loogootee High School continued to January 1, 1940 due to lack of proper arrangements and mismanagement of the game and crowd.

ROCKPORT, CHRISNEY, GRANDVIEW and LUCE TOWNSHIP

These schools played a second team basketball tournament at Rockport February 11, 1939. Principals Hendrickson, Harris, Pruitt and Rue; and Coaches TeVault, Wilhelmus, Thrasher and Amy were present at the hearing. Each of these men reported that he was

either ignorant of the I. H. S. A. A. rule or he had forgotten it. They testified that they did not intend to violate the rule.

Decision—Rockport, Chrisney, Grandview and Luce Township High Schools placed on probation in the I. H. S. A. A. until April 1, 1940 for violation of the rule regarding the playing of tourneys out of season.

BASKETBALL TOURNEYS

The Commissioner submitted a detailed report covering the tickets and finances of the Final Tourney and a detailed report covering the food concession for the Final Tourney. These reports were considered correct and approved by the Board of Control.

Some consideration was given to the sectional, regional and semi-final reports, but lack of time prevented complete consideration which was postponed to next meeting.

Some injury cases were considered. The Commissioner was instructed to present them to the Insurance Company for settlement and to make settlement out of I. H. S. A. A. funds if the cases are not covered by insurance.

FRANKLIN

Dan Cravens enrolled on the last day of semester one for the second semester of the school year 1938-1939, then left for Florida. He remained in Florida five weeks, did school work under a private tutor, played in two invitational golf tournaments, then returned to Franklin. Principal Garrison requested information about the eligibility status of this boy for golf.

Decision—Dan Cravens considered ineligible for golf this present semester due to his participation in the two invitational golf tournaments and also due to the fact that he was not a member in attendance of the Franklin High School for the first twenty days of semester two of the present school year.

HAMMOND (Clark)

Wilbur Buerckholtz accepted an invitation to take a trip to St. Petersburg, Florida, as a guest of the St. Louis Cardinal Baseball Team. He was absent from school eight days and worked out with the Cardinal Team. Principal Miller says that his expenses were paid by the Cardinals in this manner, "He went from Hammond to St. Louis by automobile with Mr. Finch, a Cardinal employee. He was given a railroad ticket to St. Petersburg and return to Chicago by the Cardinal management. His meals and hotel expenses were paid by the Cardinal management." . . . "The purpose of the trip was to establish the probability of Wilbur being of sufficient calibre to take up professional baseball as a career."

Decision—Wilbur Buerckholtz considered ineligible for high school athletics due to his activities in connection with the Cardinal Professional Baseball management and also due to the obligations, verbal, written or implied, in these activities. The I. H. S. A. A. rules and regulations consider that a high school student belongs

to his high school in athletics but that he severs this relationship when he places his loyalty elsewhere. This boy was advised by his Principal before he went to St. Petersburg that there might be a question of his eligibility.

RULE BOOKS

The Commissioner was authorized to purchase 1,000 early copies of the 1939-1940 Official Rules in Basketball and distribute them among the member schools.

Discussion was given to several miscellaneous topics and the meeting adjourned to meet at 10:00 o'clock Saturday morning, April 22, 1939.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 22, 1939.

Present: President G. Warren Phillips, J. L. Tierney, Eugene O. Higgins, C. D. Manhart, John M. French and Commissioner Arthur L. Trester.

PROPOSED AMENDMENTS

It was decided that the Board of Control would propose the following amendments for the consideration of the Athletic Council at their next meeting:

1. Add to Section 10, Article VIII the following:

(a) "No athletic contest shall be held with any high school of another state that is not a member of its state high school athletic association if eligible for membership therein."

(b) "No athletic contest shall be held with any high school of any state other than Illinois, Ohio, Michigan and Kentucky, the states contiguous to Indiana."

2. Section 3, (e), Article VIII be dropped from the Constitution.

3. Necessary changes in the sections of Article XII in order that a part or all of the surplus of \$100,000 in the I. H. S. A. A. may be divided among the schools by the Board of Control.

BASKETBALL

The tourney scheme, dates, reports (financial, officiating and general), clinics, type of ball, etc., were carefully considered with the following actions:

1. Decision of January 21 regarding dates for sectional tourneys, February 29, March 1 and 2, 1940 and February 27 and 28 and March 1, 1940, affirmed.

2. Reports approved.

3. Purchase according to long-standing policy of Government Securities in the amounts of \$10,000 on March 22, 1939, and \$15,000 on April 6, 1939, by the Commissioner at the market price approved.

4. Financial report by Ernst and Ernst for year ending November 14, 1938, considered approximate budget for ensuing year as all items of receipts and expenditures are listed.

5. The molded type of basketball, tanned in leather color, shall be considered official for all I. H. S. A. A. Tourneys in 1939-1940.

SECTION 6, ARTICLE VIII

Several cases coming under the participation of students, particularly Seniors, after the basketball season had closed in their high schools, were considered. The correspondence shows that these students were informed and warned by their Principals prior to the close of the season about the I. H. S. A. A. rule, but that they participated because they considered themselves through with high school athletics.

It was decided to continue to hold Principals for the extension of information and warnings to all students prior to the close of the season, and to cover this whole matter in Bulletin No. I, 1939-1940 with a definite warning that probation or expulsion of schools will be the penalties given for violations.

State Clinic

The purpose and details of holding a general clinic on basketball rules sometime during the last two weeks in September, 1939, were discussed. It was considered advisable to invite representatives from the several voluntary associations of officials and the coaches' association to meet with the Board of Control and President of the Athletic Council with a view to establishing definite attitudes, practices and interpretations regarding the basketball rules for the high schools of the state to be extended in public meetings to the several associations of officials, coaches, and schools afterwards. It was decided to withhold publicity until the plans were perfected.

Discussion was given to the formation of a legislative organization in the I. H. S. A. A. membership so that immediately reactions could be secured regarding any bills that may be introduced in the State Legislature affecting the I. H. S. A. A., and it was thought that the present discussion groups among the High School Principals could be utilized to excellent advantage.

The Board instructed the Commissioner to attend at his discretion the N. E. A. convention in San Francisco next summer at the expense of the I. H. S. A. A. and ordered him to take an additional vacation of two weeks next summer. The commissioner reporting the illness of Miss Lucille Rector, secretary, and he was authorized to pay her regular salary for a reasonable time of absence, while getting well enough to return to work.

German Township (Marshall Co.)—Bremen, located in German Township, will abandon its high school at the end of the present year and will be turned over to German Township which is completing a new high school building. The High School students from Bremen and the high school students from German Township, who

have been transferred outside of the township will be required to attend the German Township High School next fall.

Decision—The Bremen High School students and the high school students whose parents live in German Township may be considered eligible for athletics in the new German Township High School under the change of high school rule, even if they have been transferred elsewhere in the past, provided they enter the new German Township High School at the beginning of school next fall.

The Board adjourned to meet at 12:00 o'clock Saturday, May 20, at the Technical High School, Indianapolis, cafeteria or at 10:00 o'clock on the same day in the I. H. S. A. A. office upon call of the Commissioner.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 20, 1939.

Present: President G. Warren Phillips, J. L. Tierney, Eugene O. Higgins, C. D. Manhart, John M. French and Commissioner Arthur L. Trester.

HAMMOND

Tom Clintis was present during the practice of the "Sons of Pericles" Basketball Team in Gary after the basketball season had closed in the Hammond High School. Manager Peter Chappas and the six other boys present at this practice filed affidavits that Tom Clintis did shoot baskets, but that he did not take part in any scrimmage and did not play in any game with this team.

Decision—The connection and the activity of Tom Clintis with the "Sons of Pericles" Basketball Team considered irregular and not in keeping with the spirit of the rules and regulations of the I. H. S. A. A., but was not considered a direct violation of the I. H. S. A. A. rule preventing actual basketball playing after the season had closed in his High School.

BASKETBALL CLINIC

It was decided to hold a State Basketball Rules Clinic Saturday and Sunday morning, if necessary, September 23 and 24, 1939, in Indianapolis. The Commissioner was authorized to employ Editor Oswald Tower of the Rules Committee to be the instructor in this Clinic, and to pay him \$125 for his services.

BASEBALL PLAYING

A letter by Vice-President Branch Rickey of the St. Louis National Baseball Club regarding Wilbur Buerckholtz of Clark High School, Hammond, was read and the letter by the Commissioner, in reply, to the effect that the I. H. S. A. A. believes that representatives of professional baseball clubs should not approach high school boys for pro-

fessional base ball, until these boys graduate from high school was sanctioned.

Wilbur Buerekholtz received a trip from Hammond to St. Louis, and then to St. Petersburg, Florida with expenses paid, to try out as a baseball player this spring with the St. Louis National Baseball Club.

GAME AUSPICES

The long-standing policy of requiring all athletic games, meets, contests, etc., to be held under the direct supervision of the I. H. S. A. A. or the high schools concerned, was affirmed. The immediate occasion for confirming this policy was the request for information from Michigan to permit I. H. S. A. A. students to participate in a relay carnival at Western State Teachers' College in 1940.

The Board of Control adjourned to meet at 10:00 o'clock Wednesday morning June 7, 1939.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, June 7, 1939.

Present: President G. Warren Phillips, J. L. Tierney, Eugene O. Higgins, C. D. Manhart, John M. French and Commissioner Arthur L. Trester.

STATE BASKETBALL CLINIC

The following arrangements were made for a State Basketball Clinic to be held in Indianapolis, Saturday, September 23, 1939, with Editor Oswald Tower as discussion leader:

1. Sessions Saturday morning and Saturday afternoon, and a session Sunday morning if necessary, the Saturday morning session to begin at 9:30 o'clock.
2. Representatives to be selected from the several voluntary officials' associations, the Athletic Council and the Coaches in the state.
3. Expenses of representatives to be paid as follows: Transportation four (4) cents a mile for the round trip, the noon meal on Saturday, and two (2) cents additional for the round trip if a Sunday morning session is held.
4. Discussions to be based on Official Rules and Official Play Situations.
5. The follow-up procedure shall include dissemination of results of clinic by representatives present with the payment of necessary expenses by the I. H. S. A. A.
6. The Commissioner was instructed and authorized to complete the detailed arrangements for the Clinic.

OUT-OF-SEASON PARTICIPATION

This whole topic and the rules and regulations of the I. H. S. A. A. were carefully considered. The rules, regulations and policies of the

Association were affirmed and the Commissioner was instructed to include an article covering this whole matter in Bulletin No. 1 for 1939-1940, with a statement that students and schools would be penalized for violations.

MODIFIED MEMBERSHIPS

Careful consideration was given to this topic and it was the unanimous opinion of the Board of Control that a school holding a modified membership in the I. H. S. A. A. is bound by all of the rules and regulations in the I. H. S. A. A. the same as a school holding a full membership.

AMENDMENT RESOLUTIONS

The Board of Control decided to present to the Athletic Council at their next meeting not only the amendments listed in the minutes of April 22, 1939, but also the following amendments:

1. Change of sections in Article XII having to do with the establishment of a surplus so that additional distributions may be made by the Board of Control.
2. Change of part "K", Section 3, Article III so that the Board may employ a Commissioner for a term not to exceed five years.

BASKETBALL TOURNEY SCHEME

By unanimous decision, after careful consideration of the correspondence on file and the results, financial, educational and otherwise, of the several tourneys in the State Championship Series in past years, the Board of Control decided on the following dates for the tourneys in 1939-1940:

Sectional—February 29, March 1 and 2.

Regional—March 9.

Semi-final—March 16.

Final—March 23.

Carefully worded statements regarding this scheme were agreed upon as being correct and explanatory, and the Commissioner was instructed to include these in Bulletin No. 1, 1939-1940.

BASKETBALL REGULATIONS

It being understood that the Officials Rules will carry a provision that "the distance from face of backboard to end line has been made four feet, with proper allowance on courts where this distance is impossible", the Board affirmed the following regulation made by a former Board of Control, August 20, 1938:

"This provision may be used in single games by mutual consent prior to the game, but will not be used in I. H. S. A. A. tourneys."

The Board of Control also affirmed a regulation made by a former Board, August 20, 1938, regarding baskets other than the regular type of baskets reading:

"This provision may be used in single games by mutual consent prior to the game, but will not be used in I. H. S. A. A. tourneys."

TRACK AND GOLF

The Commissioner submitted reports and information about these meets. The Board of Control checked and passed as correct all reports, financial and otherwise.

The Board adjourned to meet at 10 o'clock Saturday morning, August 26, 1939, upon call of the Commissioner, provided there is work for the Board to do at that time.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, August 26, 1939.

Present: President G. Warren Phillips, J. L. Tierney, Eugene O. Higgins, C. D. Manhart, John M. French and Commissioner Arthur L. Trester.

PLAINVILLE

Principal Lowe had reported to the Commissioner on August 18th that he had used James Miller last school year in softball and basketball games. Mr. Lowe and the boy, upon invitation, appeared before the Board of Control. This boy attended the Washington High School during the school year 1937-1938, living with Mr. Roy Mendenhall in Washington. The step-father lived in Washington then and since. James lived with an aunt in Plainville last year and changed high schools without any change of residence to Plainville of anyone with whom he had been living.

Decision—1. James Miller, a Junior last year, considered ineligible for any athletics during his Senior year because he participated last year when he was ineligible under the change of high school rule.

2. Plainville High School placed on probation in the I. H. S. A. A. until June 1, 1940, due to the failure of Principal Lowe to check carefully and to ascertain accurately the eligibility status of the boy, James Miller, who entered his high school from another high school.

3. Principal Lowe required to take the following steps at an early date:

(a) Send an explanatory letter, containing a copy of the minutes of the Board of Control covering this case, to each of the Principals of the schools against whose teams James Miller participated in athletic games last school year and forfeit the games won by Plainville High School.

(b) Send a copy of his letters, as specified above, to the I. H. S. A. A. office.

(c) Request the opponent Principals to notify the I. H. S. A. A. office that they are in receipt of such letters as specified above.

(d) Check with the I. H. S. A. A. office within a short time to find out if all opponent schools have notified the I. H. S. A. A. as requested.

DATES FOR 1940

The following dates were set:

1. Swimming Meet—February 24. (To be held at Purdue University if satisfactory arrangements can be made).

3. Golf Tourney—May 18. (Place to be selected later).
4. Track Meet (State)—May 18. (To be held at Technical High School, Indianapolis, if satisfactory arrangements can be made).

AMENDMENT RESOLUTIONS

The Commissioner was instructed to include in the agenda for the next meeting of the Athletic Council the resolutions mentioned in the minutes of the Board of Control for April 22 and June 7. It was also decided to present to the Athletic Council for discussion the topics of membership of colored, private and parochial high schools, and All-Star vs. State Champion games.

It was decided that the "Note" under Section 2, Article VIII should apply for courts using end lines 4 feet or any other distance behind the backboards.

Indianapolis, Indiana, September 23, 1939.

Present: President G. Warren Phillips, J. L. Tierney, Eugene O. Higgins, C. D. Manhart and Commissioner Arthur L. Trester.

BASKETBALL RULES CLINIC

The Board Members and the Commissioner attended these meetings and the luncheon. All of the fifteen official representatives were present and participated in the discussions under the chairmanship of Mr. Oswald Tower, Editor and Official Interpreter of the National Rules Committee. The Clinic was considered very successful by all present and plans were made to disseminate the results of the discussions by the official representatives, bulletins and sectional clinics. The Commissioner was authorized to select three of the representatives living near Indianapolis to serve as a special committee in assisting in wording the results of the Clinic.

ALL-STAR AND STATE CHAMPION CONTESTS

Careful consideration was given to this topic and it was decided to present it for discussion to the Athletic Council at their next meeting by presenting the following proposal:

"Participation, directly or indirectly, in the officiating, management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport having definite seasons in the I. H. S. A. A. by member schools, by their school officials or by their teachers shall be considered a violation of the spirit and purpose, if not the actual wording, of these rules and regulations, and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall jeopardize their standing in the I. H. S. A. A. for such length of time as the I. H. S. A. A. Board of Control deems advisable."

The Commissioner was instructed to secure additional information about the games of football and basketball played during the past summer in which high schools, high school coaches or high school students participated.

GOLF TOURNAMENT

The place for holding this tournament on May 18, 1940, was discussed. President Jackiel Joseph of the Indianapolis Park Board had been invited to the meeting but was unable to be present. Superintendent Sallee of the Park Board was present and extended an invitation to hold the next tournament on the Coffin Golf Course in Indianapolis, the green fees to be \$125.00 for the day.

No action was taken regarding the selection of the place to hold the tournament but Superintendent Sallee was informed that the Board of Control would make a decision after all conditions, invitations and proposals were considered.

OLYMPIC SWIMMING MEET

A request that a small fee for one football game at each high school be made and the amount be turned over to the American Olympic Committee to aid swimming was considered. It was decided that the I. H. S. A. A. should take no action along this line but that each school should be permitted to use its own discretion in this matter.

WEST LAFAYETTE

Clay Whiteaker attended Lafayette High School last year until his father and mother separated. The father and Clay moved to West Lafayette and the boy entered school there February 20, 1939. The mother and another son remained in the old home in Lafayette. A sworn statement by the father, Mr. Fred Whiteaker, to the effect that West Lafayette is his permanent residence, was placed on file.

Decision—Clay Whiteaker may be considered eligible for athletics in the West Lafayette High School, as far as the change

of high schools is concerned, provided the change of residence of his father to West Lafayette was regular and bona fide in every way. The Board of Control reserves the right to re-open this case if evidence is submitted to prove the change of residence irregular and not bona fide.

WRESTLING TOURNAMENT

The Commissioner reported that arrangements had been completed to hold this tournament at Indiana University, Friday and Saturday, February 23 and 24, 1940, under the auspices and by the permission of the I. H. S. A. A.

SWIMMING MEET

The Commissioner reported that arrangements were being completed to hold this meet at Purdue University, Saturday, February 24, 1940, under the auspices and by the special permission of the I. H. S. A. A.

The meeting adjourned to meet immediately after the next Athletic Council meeting Wednesday evening, October 25, 1939.

EMERSON (Gary)

In checking the track entry blanks last May, it was observed that the date of birth of James Holman was given as April 13, 1918. Principal Spaulding was informed and the boy was considered ineligible. On May 10th Principal Spaulding wrote, "The date, April 13, 1918, seems the right date for the birth of James Holman." The 1937, 1938 and 1939 entry blanks, signed by Principal Spaulding, carry the same date of birth. On May 23rd Principal Spaulding wrote, "His mother assures us . . . that he was actually born in April of 1919. She says that she can secure a birth certificate stating that this date is correct. . ." On October 2, 1939 Principal Spaulding wrote that from no source could a birth certificate be secured. Mrs. Holman, under date of September 13, 1939, certifies that the boy was born on April 13, 1919, and that this statement is based on the family Bible record. The records all the way back in the school give the birthday as of 1918. Eleven games of football were forfeited by Principal Spaulding at the request of the Commissioner.

Decision—The date of birth of James Holman considered to be April 13, 1918, as far as the I. H. S. A. A. is concerned, on the basis of the information in the school records of this boy in the grades and high school and on the basis of the certification by

Principal Spaulding for three consecutive years on the track entry blanks for his high school.

FINAL TOURNEY DATE

This topic was discussed and it was decided to present the requests to change the date from Holy Week in 1940 for the consideration of the Athletic Council.

SIX-MAN FOOTBALL

Managing Editor, Franklin M. Reck, of the "American Boy" requested that the I. H. S. A. A. Board of Control select or authorize the selection of players in Indiana high schools for a national honor roll to be published and known as the American Boy's Six-Man Honor Roll. The Commissioner had informed Mr. Reck that the I. H. S. A. A. did not look with favor on such proposals but that his request would be presented to the Board of Control for final action.

The request was carefully considered and the Commissioner was instructed to notify Mr. Reck that it would be a violation of an established policy of the I. H. S. A. A. to grant his request or to sanction his proposal. This I. H. S. A. A. policy is applicable to all high school sports and is not a new one in the Association. The Association itself does not have honor rolls in any sport.

SOUTHPORT

Ed White left the Southport High School last year and arrived at the Cortland High School. Principal Marshall of Cortland writes, "I have inquired about the boy and find that he came here to stay with his grandmother and enrolled here (according to one of the record books of the teachers) January 30, 1939 and withdrew February 3. I do not know why he left and I have no idea why his name was not recorded in the register." Mr. Thompson was Principal at Cortland last year. Principal Leedy of Southport says that Mr. Curtis, Principal last year, advised the boy to remain at Southport last year. The boy returned to Southport and the Commissioner had given his opinion that he is ineligible for one calendar year. A sanction or rejection of this opinion was requested.

Decision—Ed White considered ineligible for any athletics in the Southport High School until he has been enrolled one calendar year following his most recent enrollment therein. The change of high school rule in the I. H. S. A. A. Constitution considered applicable and binding in this case.

METZ

In Steuben County the opening day of school was Friday, September 1. Don Brunkhart, whose parents lived in the Metz school district last year and who live there now, attended Metz last year but attended the Scott Center High School on the opening day

(September 1) this year, then re-enrolled in Metz on Tuesday, September 5 (September 4 being a holiday).

Decision—Don Brunkhart may be considered eligible for athletics in the Metz High School, as far as the enrollment activities he entered into at Scott Center High School on Friday, September 1, known as organization day on which no class room instruction was given in that high school are concerned.

PAOLI

Philip Holaday is reported to be the adopted son of Mrs. R. L. Holaday, the grandmother. Last year the boy and his grandmother lived with the mother of the boy at Jeffersonville, the boy attending school there. Principal Anna Maris of Paoli writes, "At the beginning of school Philip entered school here and is staying in the home of a class-mate." Mrs. Holaday is a nurse and is now employed in Jeffersonville. She returned to Paoli last summer and remained there until September 18. The boy visited in Jeffersonville and spent some time in camp last summer.

Decision—Philip Holaday may be considered just as eligible for athletics in the Paoli High School as he would have been had he remained in the Jeffersonville High School, provided there is no undue influence connected with the case in any way by any persons in school or out of school.

BLOOMINGTON

Principal Simon, President of the Secondary School Principals' Section of the State Teachers' Association, requested the Board of Control to assist in the payment of the expenses of their annual meeting. The Commissioner was instructed and authorized to honor this request in an amount not to exceed fifty dollars (\$50.00).

SPEEDWAY CITY

Victor Tremor and family lived at Morristown for several years and his sons, Charles and James, attended school there. In June, 1938, Mr. Tremor, a surgeon, was transferred to the government hospital in West Virginia. The sons attended the Morristown High School in 1938-1939. In June, 1939, Mr. Tremor was attached to the Veterans' Hospital in Indianapolis and moved to Speedway City. The sons entered the Speedway High School at the beginning of semester one, 1939-1940.

Decision—Charles and James Tremor may be considered just as eligible for athletics in the Speedway City High School as they would have been had they remained in the Morristown High School, provided no undue influence is attached to the cases in any way by any person in school or out of school.

DECATUR

Leo Powierzza, known also as Leo Powers, is a ward of the Allen County Welfare Board. He attended the Libbey High School in

Toledo, Ohio, last year. The Welfare Board placed this boy in the home of his sister, Jeanette Gephart, a resident of Decatur, last summer and the boy enrolled in the Decatur High School at the beginning of semester one last fall. Letters are on file signed by the sister of the boy, Jeanette Gephart, and by Ora R. Kuhlman, Director of Public Welfare of Allen County.

Decision—Leo Powierzza, known also as Leo Powers, may be considered just as eligible for athletics in the Decatur High School as he would have been had he remained in his former high school, provided no undue influence is attached to the case in any way by any persons in school or out of school.

BLUFFTON

The Commissioner was instructed to invite Principal Willey of Bluffton to attend the next Board of Control meeting to give information and explanations regarding a "scrimmage" in football last summer between his high school football team and a team of alumni players.

The Commissioner reported that Rules Clinics in Basketball were being scheduled and held all over the state by the official representatives of the State Clinic held September 23, 1939, under the Chairmanship of Mr. Tower, Editor of the rules. These sectional Clinics are being attended in large numbers and the whole scheme is receiving much favorable comment.

The Board of Control adjourned to meet at ten o'clock Saturday morning, November 4, 1939.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, November 4, 1939.

Present: President G. Warren Phillips, J. L. Tierney, Eugene O. Higgins, C. D. Manhart, John M. French and Commissioner Arthur L. Trester.

FINAL TOURNEY DATE

Rev. G. H. Henninger, Rev. S. G. Fisher and Rev. E. Arnold Clegg of Indianapolis, were present upon invitation, and the whole matter of changing the date of the Final Basketball Tourney to some date other than during Holy Week was discussed. The Board of Control presented the difficulties in the way of making a change due to contracts made and schedules already arranged by schools but stated that additional and careful consideration would be given at an early date to the request for a change. The Commissioner was instructed to check with Butler University regarding available dates on which the Field House could be secured, and then report to the Board of Control at their next meeting. All of the correspondence regarding this topic was presented to the Board of Control by the Commissioner.

BLUFFTON

Principal Willey reported the following:

(1) Eleven boys, graduates of his high school, visited the camp at Epworth Forest on Wednesday, August 30, and participated in a short scrimmage with his high school football team under the direction of Coach Templin.

(2) This session was conducted with no thought relative to a game but only as an objective demonstration.

(3) The camp is primarily for boys desiring to be taught and conditioned in football but a number of boys enroll who do not intend to play football.

Decision—Bluffton High School placed on probation in the I. H. S. A. A. until September 1, 1940. The long-standing policy of the I. H. S. A. A. affirmed that a "scrimmage" by high school athletic teams or students with or against athletic teams made up wholly or in part of players not belonging to the high school constitutes a "game."

BASKETBALL TOURNEY ARRANGEMENTS

The Commissioner was authorized to change from six to five the per cent used in the apportionment of tickets to each school for the State Final Tourney if the total enrollment of the high schools in the membership makes it necessary.

It was decided to schedule the games in the regional, semi-final and final tourneys at 1:30, 2:30 and 8:00 P. M.

Other regulations in the Tourney Bulletin for 1939 were sanctioned for 1940 with the exception of tourney centers and assignment of schools, which will be arranged later.

OUT-OF-SEASON GAMES

The Commissioner was instructed to invite to the next meeting of the Board the Principal and Coach of the Frankfort High School, the Principal and Coach of the Elkhart High School and the Principal and Coach of any other high schools that have used high school students in such games.

SILVER CREEK (Sellersburg)

Principal McBride reported that he used Walter Wilkinson in a softball game on Monday afternoon, September 18, 1939, when he was ineligible due to changing high schools from Henryville to Silver Creek without any change of residence of the parents. The boy entered Silver Creek from Henryville on September 18, 1939.

The Commissioner was instructed to invite Principal McBride and Coach Murr and the boy to the next meeting of the Board.

GARY

A letter from President G. Jane Reynolds of the Indiana Association for Health, Physical Education and Recreation, requesting the Board to consider a change in the meeting place of the I. H. S. A. A.

Annual Meeting from Manual Training High School to Technical High School, Indianapolis, was presented and discussed. The Commissioner was instructed to inform Miss Reynolds that the request would be filed for final consideration at the time arrangements were being made for the Annual Meeting next year.

EVANSVILLE

A proposal by Mr. E. B. Miller, writing for Mr. John H. Fendrick, to give a large trophy to the football champion of the city high schools each year, was discussed. The Commissioner presented the correspondence showing that he had stated that, in his opinion, the Board of Control would not approve the proposal. In a formal way the Board of Control decided that approval of the scheme would not be in line with the spirit and purpose of the rules and regulations of the I. H. S. A. A.

The correspondence of the Commissioner regarding several situations and cases was presented for the information of the Board.

The Board adjourned to meet at 10:00 o'clock Saturday morning, November 18, 1939.

G. WARREN PHILLIPS, Pres.

MINUTES OF THE I. H. S. A. A. ATHLETIC COUNCIL MEETINGS

I. H. S. A. A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, December 17, 1938.

Present: President F. H. Croninger, G. L. Russell, G. Warren Phillips, David G. Small, Fred W. Rankin, John M. French, J. L. Tierney, Thomas Boardman, Clifford L. Pribble, E. V. Minniear, O. G. Lidikay, Donald Reel, H. E. Sanford, K. V. Ammerman, F. R. Gorman, Howard M. Hill, Merritt C. Reed, Eugene O. Higgins, Robert S. Hinshaw, J. W. O. Breck, William E. Wilson, W. S. Fellmy, Claude Miller, C. D. Manhart, Mark Wakefield and Commissioner Arthur L. Trester.

The reading of the minutes of the last meeting was dispensed with, each member having received a copy of the minutes soon after the last meeting.

It was decided to require thirteen favorable votes to pass motions, and to vote by voice on all questions other than in the elections.

PRIZES, AWARDS AND GIFTS

The sections in the Constitution having to do with these matters were read and the proposal which was postponed at the last meeting of the Council was also read. After quite a little discussion, it was decided to make no changes in the sections as they are now worded in the I. H. S. A. A. Constitution.

GIRLS' ATHLETICS

This topic was thoroughly discussed after reading a letter signed by the officers of the League of High School Girls' Athletic Asso-

ciations. Questions were asked and the adjustments that had been made by the Board of Control regarding play days and game training days for boys and/or girls were extended and discussed.

It was decided that the I. H. S. A. A. should continue its authority, supervision and direction of inter-school athletics between and among its members for boys and/or girls, and that it should not change its long-standing policy of assuming no authority, supervision or direction of athletics within the schools. The Athletic Council was unanimous in its belief that the athletic activities desirable for girls and/or boys in the I. H. S. A. A. member schools can be best served under the rules and regulations of the I. H. S. A. A. as they now stand and as they are adjusted and executed by the Board of Control.

ELECTIONS

(1) Board of Control Members

Members of the Board of Control were elected for the classes indicated below. In each case there was only one nomination, and the unanimous ballot of the Council was voted in each case.

Class 1—J. L. Tierney, Wawaka

Class 3—Eugene O. Higgins, Greenfield

Class 4—C. D. Manhart, Petersburg

Class 5—John M. French, LaPorte

(2) Athletic Council

Principal O. G. Lidikay, Linden, was unanimously elected as President of the Athletic Council, there being no other name presented.

Some discussion was given to the type of basketball to be used in I. H. S. A. A. tournaments and the question was left in the hands of the Board of Control.

The provision passed at the last meeting regarding I. H. S. A. A. membership was reviewed and the following changes in the wording were approved: (1) "Limited Membership" changed to "Modified Membership", (2) "Offer three or four years of work" changed to "offer and maintain three or four years of work."

F. H. CRONINGER, Pres.

I. H. S. A. A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, October 25, 1939.

G. Warren Phillips served as temporary Chairman and the Council selected him to serve as permanent Chairman of the meeting.

Present: G. Warren Phillips, Ralph P. Sparks, David G. Small, Fred W. Rankins, John M. French, J. L. Tierney, Thomas Boardman, Clifford L. Pribble, E. V. Minniear, F. H. Croninger, Donald Reel, H. E. Phillips and Commissioner Arthur L. Trester.

The reading of the minutes of the last meeting was dispensed with. It was decided to vote by voice and to require thirteen favorable votes to pass motions.

Instead of filling the vacancies in the Athletic Council, it was voted that the persons elected at the next election should take office upon election.

The following proposals by Principals were considered carefully and actions were taken as indicated:

"A bona fide change of residence by an orphan makes him eligible for athletics." TABLED.

"Our conference unanimously favors a rule in the I. H. S. A. A. prohibiting members of the association from playing non-members of their respective state who do not abide by the rules of the state high school athletic association." TABLED.

"No student, who has been enrolled as a school student in any school district, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year." TABLED.

The following proposals by the Board of Control were considered and actions were taken as indicated:

"No athletic contest shall be held with any high school of another state that is not a member in good standing of its state high school athletic association, if eligible for membership. PASSED.

"No athletic contest shall be held with any high school of any outside state other than the states contiguous to Indiana." POSTPONED TO DECEMBER MEETING.

"Drop Section 3, Part (e), Article VIII having to do with records to be made for entering sectional track meets. PASSED.

"Change Part (k), Section 3, Article III so that the Board of Control may employ a Commissioner for a term not to exceed five years." PASSED.

"Change the Sections in Article XII so that the surplus in the I. H. S. A. A. may be distributed to the schools and so that all I. H. S. A. A. money may be handled as a working balance with distributions by the Board of Control of all money above the amounts necessary for administration" THE BOARD OF CONTROL WAS AUTHORIZED TO DISTRIBUTE APPROXIMATELY \$60,000.00 AMONG THE MEMBER SCHOOLS AND TO PLACE THE REMAINDER OF THE SURPLUS IN THE WORKING BALANCE OF THE I. H. S. A. A.

A Committee of Three was authorized by the Council to re-word the Sections now in the Constitution and to word any new Sections necessary to incorporate the meanings of the proposal. President Phillips appointed the following committee: K. V. Ammerman, Chairman, Eugene O. Higgins and J. W. O. Breck.

"Participation, directly or indirectly, in the officiating, management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the I. H. S. A. A., unless under the supervision and auspices of the I. H. S. A. A. by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the I. H. S. A. A. for such length of time as the I. H. S. A. A. Board of Control deems advisable. Approved officials shall be suspended for promoting or officiating in such contests." PASSED.

Note: This action shall take effect upon publication in the next I. H. S. A. A. Bulletin.

Consideration and discussion were given to the following topics, and actions were taken as indicated:

Change of date of final Basketball Tourney from Saturday of Holy Week. The Board of Control was requested to hold a conference with some of the persons requesting such a change, then act in a final way on the question.

Membership of Private, Colored and Parochial schools in the I. H. S. A. A. This topic was given careful consideration but no action was taken.

The Council adjourned to meet at 10:00 o'clock December 16, 1939.

G. WARREN PHILLIPS, Chairman.

There shall be five classes of high schools in each I. H. S. A. A. District as follows:

(The determination of the Class of any high school shall be based upon the enrollment reported to the State Board of Education in the last official report requested by that body.)

b. The twenty-five district-class units shall at all times be entitled to representation in the Athletic Council of the I. H. S. A. A. except as hereinafter provided. During the inauguration of this plan there shall be for a few years what shall be known as an "Adjustment Period," during which duplicate memberships in the various classes shall in certain cases necessarily be allowed whenever hold-over memberships from any district or districts shall happen to fall in the same enrollment class or classes. (County Superintendents who are hold-overs shall be considered "members-at-large" from their districts, and not be allocated to any class.)

c. As soon as practicable after the elections of December 10, 1930, the Legislative Body of the I. H. S. A. A. shall provide for special elections to be held as soon as convenient at which there shall be elected a new member of the Athletic Council from each unrepresented class in each I. H. S. A. A. District for terms of such length as will the soonest fit into the scheme on the accompanying table, which is to be considered an integral part of this amendment. These terms may be from one to five years, but they shall in no case exceed five years. When the scheme is in full operation all elective terms for Athletic Council members shall be for five years, or for the remainder of an unexpired term in cases of a vacancy.

d. Vacancies in the Athletic Council shall be filled by the Athletic Council, the appointees to serve until the successors chosen at the next annual election take office. Such persons must be from the same Class and District High School as the member originally chosen.

e. The Athletic Council shall choose a Board of Control of five members from the membership of the Athletic Council. All five classes of high schools shall be represented on the Board of Control, except as hereinafter stated for members who change their high school class after being elected. (During the Adjustment Period the Board of Control shall consist of the present hold-over members, together with such other members as may be necessary to provide representation for all five classes of high schools.) No member of the Board of Control shall serve more than three years, unless re-elected by the Athletic Council. Temporary vacancies on the Board of Control may be filled by the Board of Control from the membership of the Athletic Council, but only until the next meeting of the Athletic Council, when the Athletic Council shall itself choose the successors.

Both the Athletic Council and the Board of Control shall choose its own presiding officer, who may or may not be the same individual. The duties of the Athletic Council shall be the same as provided in the present constitution for the Legislative Body, and the duties of the Board of Control shall remain the same as already provided, except as herein altered.

f. Any eligible person from a high school in good standing in the I. H. S. A. A. may have his name submitted, not later than November 15 of each year, on a nominating petition signed by five high school principals in his district, at least two of whom shall be in his high school class, to the Commissioner of Athletics for election to the Athletic Council from the district in which his school is located. Such person shall be from the class of high school from which the selection is to be made in that particular year. The Commissioner shall send printed ballots listing all such names to all principals of high schools in good standing in that district who constitute the electorate in the said district. The person receiving the largest number of votes shall be declared duly elected by the Board of Control, who shall constitute the canvassing board. In case of a tie, the vote shall be taken again, printed ballots listing only the names of those tied being sent out by the Commissioner, with a return date designated by the Board of Control.

g. Removal from an I. H. S. A. A. district, withdrawal from the teaching profession, resignation, suspension or expulsion of his school, or a lapse in membership of his school in the I. H. S. A. A. shall constitute a vacancy to be filled in the manner hereinbefore provided. A person elected to represent a certain class high school, who changes to a school of a different class or whose school changes from class to class due to a decrease or increase in enrollment, shall continue to serve out his term as long as he remains in his original district.

h. Each year on the third Saturday in December the Athletic Council shall meet to reorganize for the ensuing year. At this meeting there shall be elected members of the Board of Control to fill the places which will be vacated by retiring Board Members on the following January 1. The Athletic Council shall also meet on the evening prior to the Annual Meeting. At this meeting proposals by High School Principals will be acted upon and other business may be transacted.

i. All sections or parts of sections of the present constitution which are in conflict with the present amendment are hereby repealed and declared of no effect.

j. No member of the Athletic Council shall be eligible for a longer term on the Athletic Council than the one he is serving until the expiration of his term.

k. This Athletic Council may amend the Constitution and shall make the rules governing the I. H. S. A. A. Upon written petition signed by twenty (20) High School Principals from each of the five (5) I. H. S. A. A. Districts, the amendments and rules of the Athletic Council shall be subject to a referendum vote of the Principals in the membership.

l. The Commissioner of High School Athletics shall serve as secretary of the Athletic Council.

A. shall have the power to initiate investigations regarding inter-school athletic activities participated in by the members of this Association and to make and enforce, with such penalties as this board may consider proper, the regulations deemed necessary by this board to make effective the spirit, the purpose and the wording of the provisions of the Indiana High School Athletic Association Constitution and Rules; and further, the said Board of Control shall have power to make and enforce with

Section 1. Spalding's Official Football Rules shall govern in football.

Section 2. Spalding's Official Basketball Rules shall govern in basketball.

Note—Rule 1, Section 4 in the Official Basketball Rules for 1933-1934 was changed to read as follows by the Athletic Council on December 16, 1933, and it was voted that the change should go into effect upon information being extended to the Principals:

"The court shall be divided into two parts by extending the diameter of the center circle in both directions until it intersects the side lines; except, that, if the court is less than 80 feet long, it shall be divided by drawing two lines parallel to the end lines, each 40 feet from the farther line. If, however, this would cause these lines to be inside the free throw lines, the court shall be divided by extending the free throw lines until they intersect the side lines. These lines shall be painted in the same color. The line (or lines) described in this section shall be termed the Division Line."

Section 3. Spalding's National Collegiate Athletic Association Track and Field Rules shall govern with the following exceptions:

(a) Rule 2, regarding a Games Committee shall be void.

Section 6. No inter-school basketball games shall be played by players or schools prior to November 1 of each year nor after the last evening session of the State Final Tourney. Intra-mural practice and gymnasium work in basketball may be done prior to November 1 and after the final tourney. (The penalty is suspension.)

(The penalty is suspension.)

Section 10. No games shall be played with public High Schools of this State not belonging to this association. This rule does not prevent a member of the association from playing High Schools outside of the State nor from playing non-high school teams within the State, provided all players on the I. H. S. A. A. teams are eligible in every way and also provided there are no public High School students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Section 11. All basketball tourneys other than the State Tourneys shall be held prior to February 1 of each year.

ARTICLE IX ELIGIBILITY RULES

Scholarship

Section 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Section 1, Article IX, under Scholarship in the I. H. S. A. A. Constitution reading, "—a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester credit value and for which a full semester credit is given." The combination of two subjects, not excluded in this Section in the Constitution, whose total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted."

Section 2. Students enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Section 3. Back work may be made up, provided that it is done in accordance with the regular rules of the school and becomes a matter of final record before the opening day of the next semester.

Interpretation—

In each of the studies representing the minimum requirement of work specified above, the following shall govern: (a) For the current semester the average of the period grades up to the time of certification must be passing; (b) For the current or school grading period the average of the daily or weekly grades must be passing; (c) If the average

of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Enrollment

Section 1. No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Interpretation—

- (a) A student enrolled in one High School of a City or School corporation shall not be eligible in another High School of the same city or school corporation until he has been enrolled in the other High School for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.
- (b) Students finishing the courses offered in high schools maintaining less than four years of High School work are not bound by this section.
- (c) The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Section 2. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Section 3.

(a) Any student, who has been enrolled twenty (20) or more days between September 1 and December 1 for four times, shall be ineligible for football.

(b) Any student, who has been enrolled twenty (20) or more days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter twenty (20) or more days between December 1 and March 1 for four times.

(c) Any student, who has been enrolled twenty (20) or more days between March 1 and June 1 for four times, shall be ineligible for baseball and track, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball and track until he has been enrolled thereafter twenty (20) or more days between March 1 and June 1 for four times.

Section 4. A student withdrawing permanently from school within the first twenty days of a semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more inter-scholastic games, in which case he shall be regarded as having engaged in athletics for that season.

Section 5. The eligibility rules of this association shall apply to students taking part in all contests, whether with schools inside or outside of the State of Indiana.

Section 6. In order to be eligible for athletic competition during any semester a student must have entered some public High School within the first twenty school days of the semester in which the contest occurs.

The physical examination shall be made prior to the first practice during the season of each of the six sports by a regularly licensed physician (M. D.).

Previous to the first practice, the Principal shall certify to the I. H. S. A. A. that the certificates required herein are on file in his office.

Remuneration

Section 1. No High School student shall be eligible to participate in any inter-school contest under the rules of the Indiana High School Athletic Association, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the State High School Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Undue Influence Rule

Section 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

Post Graduates

Section 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

Section 1. Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible.

Married Students

Section 1. Married students shall not be eligible for participation in inter-school athletic competition.

(Note—Students who have been divorced or whose marriages have been annulled are bound by this rule.)

2. There shall be a distribution on an equitable basis among the High Schools in the I. H. S. A. A. membership of the amounts accumulated above the adequate working balance and above the amount legitimately necessary for the running expenses of the I. H. S. A. A., these distributions to be made on October 1, 1932, and on October 1 of and for each three-year period thereafter.

3. There is granted power and authority to the I. H. S. A. A. Board of Control to make the financial adjustments in contracts for inter-scholastic games, tourneys, meets and athletic contests that are deemed necessary through the years and to administer, execute and control all receipts, expenditures and holding of moneys in connection with the I. H. S. A. A.

Interpretations

1. When a contestant, official, game or decision is protested the game should be played as scheduled and the protest with evidence filed with the Board of Control for settlement later.

5. As the Principal is the responsible party in High School athletics, it is recommended that he carry on all correspondence with the Board of Control and the Commissioner.

11. The Principal of each school or a teacher in his school delegated by him in writing shall represent such school at all meetings of the Association.

12. Schools may have as many teams in the same sport as they desire, and all rules apply to all teams and all individuals on all teams.

13. A temporary regulation of the I. H. S. A. A. shall be understood to be a regulation having effect until the next meeting of the Athletic Council at which time it will be subject to the disposal of this body.

14. A High School that is suspended or expelled from the I. H. S. A. A. shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension or expulsion, according to the Sections in the Constitution and the rules and regulations governing memberships.

15. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in both schools.

Note: The undue influence rule is applicable to the retention of a student as well as to the securing of a student.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF I. H. S. A. A.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

I. Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships).

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The High School Principal in any high school belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.

3. The I. H. S. A. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A. A.

4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.

5. The I. H. S. A. A. requests Principals having 9th grade students enrolled to confer and co-operate with the Senior High School Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The I. H. S. A. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

8. A 9th grade student may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

203

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tourneys and meets in which more than two teams compete, except in play days, etc., held in same city school system. This exception shall not be interpreted as giving sanction to regular athletic tourneys and meets.

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request.

18. See modified membership regulations immediately following.

II. Modified Membership Regulations

Section 4, Article II, reads: "Modified membership may be extended to any public high school offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests with other schools belonging to the I. H. S. A. A. but not in meets and tourneys in which more than two teams participate except in meets and tourneys in which only the teams from the high schools of the same city participate."

* * * *

Reasonable meals, lodging and transportation may be accepted by such players if accepted in service

3.

Q. If a student plays on an independent team in either hard or soft baseball during the school year, does he make himself ineligible for both hard and safe baseball in high school?

A. No. He makes himself ineligible only in the sport in which he participates on an independent team, provided he does not violate his amateur standing in some way.

* * * *

4.

Q. Are soft baseball and hard baseball considered separate sports?

A. Yes, except that an official who is approved in "Baseball" may be considered eligible to officiate either soft baseball or hard baseball.

SUMMER SCHOOL WORK

1.

Q. Does summer school work in a school other than his home school jeopardize the standing of a student?

A. No, provided the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I. H. S. A. A. recommends summer school work of an approved type for students needing credits. (See standards and requirements of State Board of Education.)

* * * *

2.

Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?

A. Back work during the summer may be counted toward eligibility provided: (1) it be done according to the regular rules of the school and according to good school procedure (2) no more than two credits be given for work done during the summer months (3) all

work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (4) all work and credits be bona fide in every way and certified as such by the High School Principal. (See standards and requirements of State Board of Education.)

MISCELLANEOUS

1.

Q. May a High School schedule and play games during the week?

A. The I. H. S. A. A. has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

* * * *

2.

Q. May students, who are ineligible for the first team, play on teams of lower ranking?

A. No. Ineligibility for one team means the same for all teams.

* * * *

3.

Q. Are Parents and Physicians' Certificates required in all sports?

A. No. They are required in football, basketball, track and field, boxing, wrestling and swimming for all participants—boys and girls.

* * * *

4.

Q. Does the I. H. S. A. A. stipulate any price for tickets to other than tourneys and meets held strictly under the supervision of the Board of Control?

A. No. Other than a recommendation that reasonable prices be made at all times for all games.

* * * *

5.

Q. Is a student, who is expelled from High School one semester, eligible for the following semester?

A. The I. H. S. A. A. has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the I. H. S. A. A. are binding on a student under expulsion or suspension. See **Conduct** rule.

* * * *

6.

Q. May a High School support a grade team in the same school system out of its athletic funds?

A. Yes.

7.

Q. May two or more High Schools combine to form one athletic team?

A. No. This is not permitted under any conditions, unless they consolidate and become one school.

* * * *

8.

Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?

A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

"Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible."

* * * *

9.

Q. May the rules of a school be changed or special examinations be given in order to make students eligible?

A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

* * * *

10.

Q. Does wrestling come under the rules of the I. H. S. A. A.?

A. Yes. All "inter" athletic participation comes under the I. H. S. A. A.

* * * *

11.

Q. May High Schools belonging to the I. H. S. A. A. take part in a track meet or tourney games outside of Indiana?

A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the High Schools belonging to the I. H. S. A. A. must be held under the direct supervision, management and auspices of the member High Schools concerned, or under the I. H. S. A. A. Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

12.

Q. May High School students take part in tourneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.?

A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games

208

held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal. See regulations for baseball in this handbook.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

* * * *

14.

Q. What is considered the school year?

A. A school year covers all time from the first day to the last day of the school year, including vacations.

* * * *

15.

Q. Are tourney schedules drawn or arranged?

A. All tourney schedules in the I. H. S. A. A. are drawn by lot by the Board of Control and no schedule has ever been arranged or "fixed."

* * * *

16.

Q. Does the Commissioner have a vote in the Board of Control and in the Athletic Council?

A. The Commissioner is not a member of either group and has no vote in any of their deliberations.

* * * *

17.

Q. May a married student be considered eligible?

A. No, see rule.

* * * *

18.

**STATEMENT OF CASH RECEIPTS AND
DISBURSEMENTS**

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

November 14, 1939

The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the fiscal year ended November 14, 1939, and have examined or tested accounting records of the Association and other supporting evidence by methods and to the extent we deemed appropriate.

The scope and nature of our examination are outlined in the following comments:

Cash on deposit at November 14, 1939, in the amount of \$752.74, was verified by reconciliation with the amount reported directly to us by the Fletcher Trust Company, Indianapolis. Recorded cash disbursements for the year were supported by examination of purchase invoices or other data on file. Canceled bank checks, with the exception of those outstanding at November 15, 1939, were traced to the records of cash disbursements. Recorded cash receipts for the year were reconciled with deposits as shown by bank statements on file.

United States Treasury bonds on hand at November 14, 1939, as shown by schedule included herein, were presented for our inspection. Interest income from bond coupons maturing during the fiscal year was accounted for.

Insurance in force at November 14, 1939, was as follows:

Larceny and Embezzlement Bond—A. L. Trester, Commissioner	\$80,000.00
Burglary and Robbery—safe deposit box—each risk.....	112,000.00
Public Liability—owners, landlords and tenants.....	20/100,000.00
Workmen's compensation and public liability.....	All Employees

The recorded minutes of the meetings of the Board of Control and of the Athletic Council were reviewed by us. The minutes of the Board of Control meeting of April 8, 1939, record the approval by the Board of the detailed report covering the ticket sales and finances of the state final basketball tourney, as submitted by the Commissioner and we did not further verify the recorded proceeds from this source.

Opinion

In our opinion, based upon our examination, the accompanying statement of cash receipts and disbursements correctly sets forth a summary of the recorded cash transactions of the Association for the fiscal year ended November 14, 1939.

ERNST & ERNST,
Certified Public Accountants.
