HAROLD E. SANFORD
President I. H. S. A. A. Board of Control

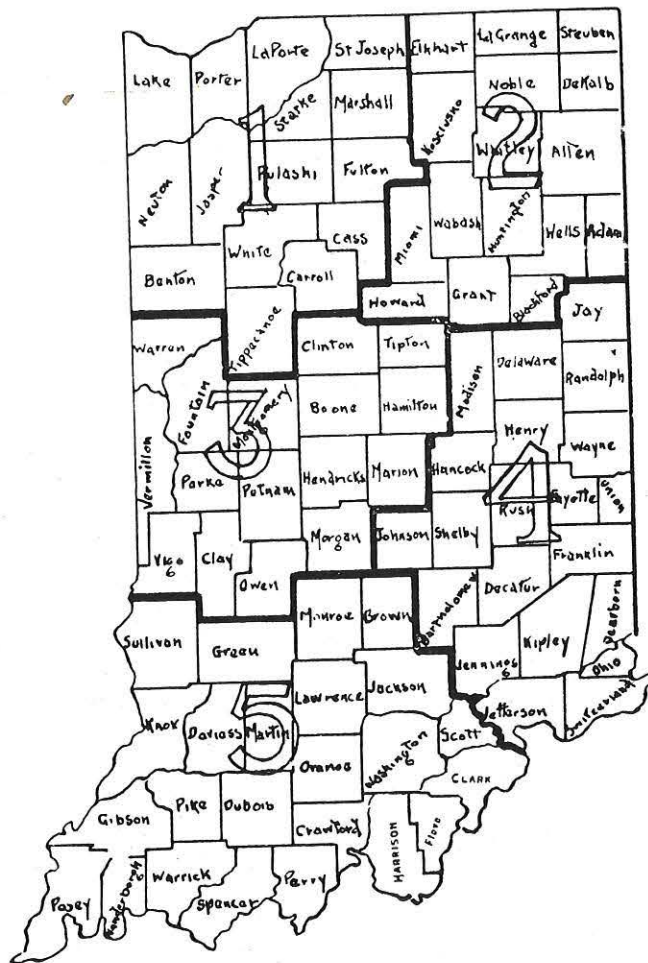

ADDRESS TO INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

(H. E. Sanford)

The educators of the state of Indiana are well aware of the fact that schools of the country have a most important part to play in our war effort. They realize that a great responsibility rests upon the shoulders of the schools and their administrators. They know, too, that since these are unusual times, schools cannot be conducted with the even tenor that has characterized our educational system in the past. Curriculums must be changed to meet the demands made by those agencies which are turning out war materials. Our students must be trained in a very short time to assume jobs which have been and will be made vacant by those who are to be inducted into the armed forces and the new jobs which have developed as an outgrowth of the war program. Now, more than ever before, our attention will be focused upon one very important phase of our school program: The health and physical fitness of our boys and girls. Whether we believe it or not, we are training the boys and girls today who will be tomorrow's soldiers and nurses. If we fail to give them that instruction, that guidance, and that supervision which are so vitally necessary to fit them for the job which lies ahead, then we have neglected our duty and our responsibility as teachers. With this thought in mind we are anxious to do what we can to build up in our youth the strength of body and the mental alertness which we know will be required of them in the successful prosecution of this war. How can we best do this? We believe that competitive sports, properly supervised and controlled, will do more to prepare our youth to become physically fit than any other one thing. Inter-school athletic contests down through the years, even though severely criticised by certain groups at times, have been recognized at last by medical men as a distinct contribution to the physical fitness of our youth and these same men are now ready to give credit where credit is due. The following quotation is taken from the September, 1942, issue of the Journal of the Indiana State Medical Association: "These people who have devoted their lives to the athletic program which has been in vogue in this country deserve our everlasting gratitude and should derive much personal satisfaction from the recognition they are now receiving from the army and navy training schools."

If such a time comes when the inter-school athletic contests will be curtailed, it will be our job to carry on through a strong intramural program. In this way we shall be able to reach all the boys and girls and without doubt will make the program attractive enough to hold the interest of those who are participating. Those games of physical skill and bodily contact are the type of contests which have developed in our youth those qualities which make them efficient in any line of endeavor in which the government chooses to place them. A long range program of physical education starting in the elementary grades will be a product of this war. Contests involving physical effort, body building activity, and tests of endurance must be incorporated in this program if we as a nation shall survive.

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS, 1942

THE THIRTY-FIRST ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full.

SECTIONAL TOURNEYS

February 26-27 and 28

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location,—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions,—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney and the assignment of all schools is given below. The Board of Control reserves the right to readjust the scheme if conditions arise making changes necessary or advisable. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—The exclusive control of these tourneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board and every attempt will be made to choose none but fair, disinterested and competent men. Two officials will be assigned to tourneys having 8, 9, 10, 11 or 12 teams, and three officials will be assigned to tourneys having 13, 14, 15 or 16 teams. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.

TOURNEY REQUIREMENTS—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the High School has played eight (8) inter-scholastic games during that season. Schools holding less than full membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following scheme:

1. Entertainment for all teams in all tourneys will end not later than 10:00 P. M., Saturday, February 28.
2. Entertainment for all teams will begin as follows:
 - a. In 8 and 9 team tourneys,—5:00 P. M., Friday, February 27.
 - b. In 10, 11 and 12 team tourneys,—12:00 Noon, Friday, February 27.
 - c. In 13, 14, 15 and 16 team tourneys,—5:00 P. M., Thursday, February 26, for teams playing on this evening and 8:00 A. M., Friday, February 27, for other teams.
3. In 8, 9, 10, 11 and 12 team tourneys, one extra round-trip transportation and one extra meal will be given to the teams playing Thursday evening, February 27.
4. All tourneys will begin at 7:00 P. M., Thursday evening, February 26. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 and 9 team tourneys; and there will be no games Friday morning in 10, 11 and 12 team tourneys. Principals may arrange their school work accordingly.

Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, February 24, (2) transportation only, one round trip, may be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowance shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of the school securing such and not an expense of the tourney, (5) teams arriving late or leaving a tourney early should not expect full tourney entertainment.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.
2. The Center High School shall receive one hundred dollars (\$100).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.
7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.

8. One-half of the sixth balance shall be divided on the basis of season ticket sales in the local communities on or before 5:00 p. m. Thursday, February 26. Season tickets sold after this hour and date can not be counted in finding the share of any one school. Keep the two lists separate at all times.

9. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

10. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

Note—The amounts provided for the Center School shall not be divided among the participating schools as a bid for a tourney or in payment for the support of these schools. The expenses of a manager, if any, belong to the Center School and not to the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. Entries will close Friday, February 13. These blanks should be sent between February 5 and 12. Do not mail entry blanks later than February 12. Blanks mailed according to these instructions should reach the I. H. S. A. A. office in time to be accepted. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted. The Board of Control has so ruled.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

1. Session ticket (All tourneys):	
Established Price	\$.36
Tax04
Total40
2. Season ticket:	
a. Four-session tourney:	
Established Price	\$1.00
Tax10
Total	1.10
b. Five-session tourney:	
Established Price	\$1.27
Tax13
Total	1.40
c. Six-session tourney:	
Established Price	\$1.50
Tax15
Total	1.65

Tickets shall not be sold for more or less than the prices here given. No more tickets shall be sold than the seating capacity of the house will justify. Standing room shall not be sold or used. All requirements of the State Fire Marshal and the City Fire Marshal shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on distance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on Monday, February 23. Much ticket information can be secured prior to this date. Center Principals and participating Principals should communicate with each other on Monday morning, February 23. This responsibility is mutual. All Principals have duties in this matter. Any unfair methods or prices higher than those mentioned in this announcement should be reported to the Board of Control with evidence. The division on season ticket sales shall be made on the basis of such tickets being sold and paid for on or before 5:00 P. M. Thursday, February 26. All schools must observe this provision. Season tickets sold after this hour and date should not be credited to any one school in the sharing and should be reported separately.

TYPE OF BALL—The molded type of basketball tanned in natural leather color will be used.

RADIO SERVICE—Stations in Indiana may broadcast I. H. S. A. A. tourneys provided the requirements in the I. H. S. A. A. rules and regulations governing broadcasting are observed. The managers of the stations and the Tourney Principals will have copies of these rules and regulations.

SOUVENIR PROGRAMS—Souvenir programs other than those provided by the I. H. S. A. A. shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. All principals should notify their business men now.

PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games. This ruling is meant to protect the vision of the players.

GOVERNMENT TAX—The tax on all tickets in all tourneys will be assumed and paid by the tourney management out of tourney receipts. Ticket prices were determined with this in mind.

SUGGESTIONS—Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc., etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

WARNINGS—Entries close Friday, February 13, and can not be changed or received afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entry blanks and checks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given on entry blank. Get all right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted.

CONDUCT OF PERSONS DURING STATE TOURNEY—Decision to continue I. H. S. A. A. efforts to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, but to stress the idea among Principals, Superintendents, Coaches, teachers, parents and communities that the receipt of tickets by their High School Principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.—Athletic Council, Dec. 19, 1931.

Management—The Board of Control has designated the Commissioner as Manager, and K. V. Ammerman, Broad Ripple High School, and Fred R. Gorman, Technical High School, as Assistants, of this tourney. The 'phone numbers are as follows:

Commissioner—Market 9793

Ammerman—Broadway 2408

Gorman—Market 6331

During the tourney the I. H. S. A. A. Field House Office will be at Gate 4.

Press reservations will be handled by Principal K. V. Ammerman, Broad Ripple High School, Indianapolis, if requests are made several

33

days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

Tickets—All tickets will be handled through the I. H. S. A. A. office according to the following scheme:

1. Season tickets and these only will be sold prior to Saturday, March 21, 1941. In recent years all tickets were sold prior to this date. If the capacity of the house is not sold in season tickets, session tickets will be sold on the day of the tourney.

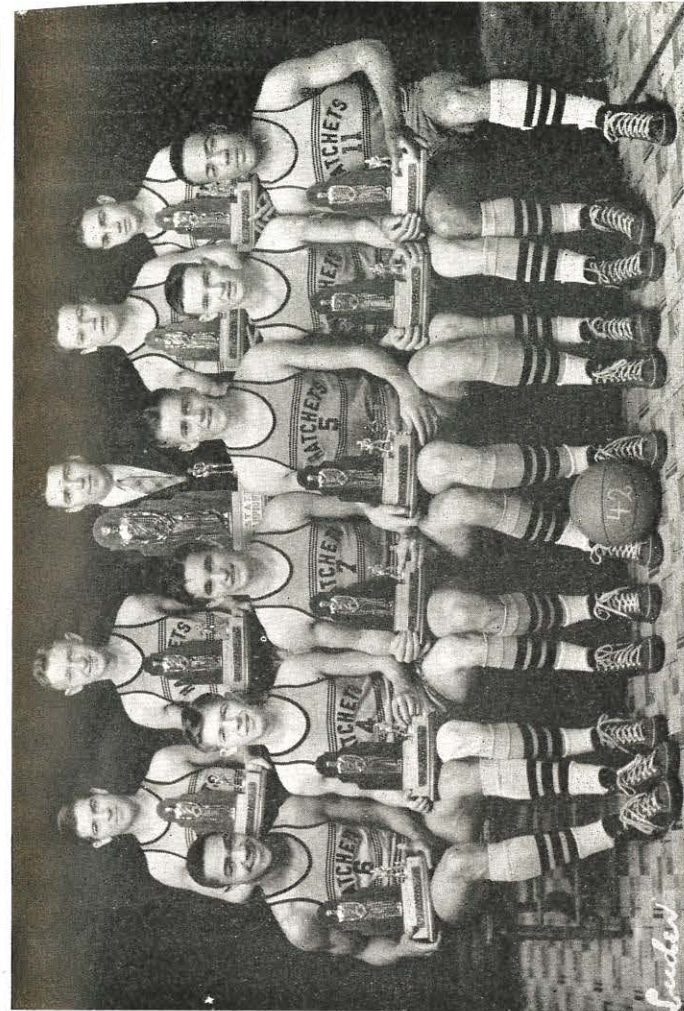

2. Tickets will be sold only through the Principals of High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at prices higher than one dollar and fifty cents per season ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to Arthur L. Trester must accompany each order. **Tickets purchased can not be returned.** Please do not send money. The limitations below must be observed as given:

(a) Orders for tickets having official Post Office stamp marks on the envelopes including and from Monday, March 2, to and including Wednesday, March 11, will be accepted if received not later than Thursday, March 12. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Each High School Principal, having a team entered in an I. H. S. A. A. Sectional Basketball Tourney for 1942, and each High School Principal holding a modified membership in the I. H. S. A. A., may order tickets to five (5) per cent of his High School enrollment as of September 16, 1941, and as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. **If there are questions, ask them now.** All enrollments will be checked with the report herein mentioned. **Be sure you are right.**

WASHINGTON HATCHETS, "State Champions, 1942"
Front Row—Left to Right: Charles Harmon, Garland Raney, Arthur Grove, James Riffey, Robert Donaldson, John Dejernett.
Back Row—Left to Right: Robert Sum, Merle Harrell, Marion Crawley Coach, Forest Crane, Norman Harner.

6. All tickets remaining unsold after the High School Principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the Principals of the 64 sectional tourney winning schools if ordered by them. These Principals should state on their letter, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that may be distributed to them as sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than the tickets remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be no tickets or only a few tickets so remaining. None are guaranteed. Tickets purchased can not be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from March 2, to March 11, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in the order here given.

c. Incorrect orders are returned with instructions.

d. Orders will be filled by drawing the tickets as follows and in the order given: (1) Beginning with Section 9 and proceeding to the right around the 1st balcony in blocks with about 10 per cent of each block in the front rows of the block; (2) Beginning with Section 1 and proceeding to the right around the bleachers, if there are available tickets, and (3) Beginning with Section 11 and proceeding to the right around the second balcony.

e. The method of filling ticket orders is a method entirely by lot and the scheme automatically assigns the seats. The location of seats of any particular school depends upon a number of things,—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

WARNINGS—Entries are due Monday, March 16, and can not be changed afterwards. Special privileges will not be granted to anyone. Send all entry blanks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given. The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Tourneys.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Field House when they choose in any session, but they can not re-enter until the next session. The seats will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Field House.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Field House look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor having 725 seats to the block, will be reserved for the four schools whose teams are in the tourney until Monday, March 16. Twelve blocks of seats, immediately around the playing floor and with 125 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The High School Principals whose teams are represented should get in connection with the I. H. S. A. A. Office on Monday, March 16, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms will be located in the east end of the Field House. Look for sign. A physician and a nurse will be available.

GIMBEL PRIZE FOR MENTAL ATTITUDE

In 1917 Jake Gimbel of Vincennes presented to the I. H. S. A. A. Board of Control a proposal to give a prize each year at the State Basketball tourney to the boy among the teams represented that showed the best mental attitude throughout the tourney. Mr. Gimbel did not have in mind the quality of the playing of any boy on any team, but did have in mind the qualities that belong to a real gentleman. He clearly recognized the mental and moral strain under which the players play during the tourney and he also recognized the numerous opportunities for the players to lose control of themselves and to do something not conducive to true sportsmanship.

The Board of Control accepted the proposal of Mr. Gimbel and the awarding of this prize known as the "Gimbel Prize for Mental Attitude" has been an annual affair, calling for much favorable comment. The prize and the things it represents are cherished by the players and schools of Indiana. The prize has meant much to real sportsmanship and self-control in the High Schools of the State and it is a prize sought for by all schools. The school to which the winner of this prize belongs claims the winner as their own and accordingly the whole school and the whole community are proud. In a number of cities similar prizes are being given to the players who show the best mental attitude within their own schools. The Gimbel prize and these other similar prizes have exalted in a very real sense the qualities belonging to a gentleman in the minds of our boys and girls.

The following boys have won the prize:

Claude Curtis	Martinsville	1917
Ralph Esarey	Bloomington	1918
Walter Cross	Thorntown	1919
Harold Laughlin	Bedford	1920
Ralph Marlowe	Sandusky	1921
Reece Jones	Vincennes	1922

Arthur Gosman	Jasper	1934
James Lybault	Richmond	1935
Steve Sitko	Central (Ft. Wayne)	1936
Robert Menke	Huntingburg	1937
Robert Mygrants	Hammond	1938

KENNETH BROWN

Burriss High School (Muncie), Gimbel Prize Winner, 1942

Jim Myers	Bosse (Evansville)	1939
Duane Conkey.....	Mitchell	1940
Donald Server	Madison	1941
Kenneth Brown, Jr.....	Burris (Muncie)	1942

These boys have been chosen by committees appointed by the management of the State Tourney and by the Board of Control. These committees have made their choices by observing the boys and by consulting the officials. Only one boy can receive the prize each year, but several boys have been worthy each year. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

BASEBALL PLAYING

(Hard Baseball and Soft Baseball)

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I.H.S.A.A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are eight hundred and six (806) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the several Board members of the I. H. S. A. A. follows:

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December

26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a Board of Control from the membership of the Athletic Council by the membership of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been held up as an ideal by the Association through the thirty-four years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics.

I. H. S. A. A. BOARD OF CONTROL MEETING

Bloomington, Indiana, November 22, 1941.

Present: President Howard M. Hill, W. S. Fellmy, H. E. Sanford, E. V. Minniear, F. R. Gorman and Commissioner Arthur L. Trester.

AWARDS AND MEDALS

The alumni of Purdue University in Indianapolis have been giving medals each year to fifteen football players selected from the high school teams in Indianapolis by the athletic directors, coaches and representatives of the three Indianapolis papers.

The alumni organization of Indiana University proposed this year to have its local alumni groups over the state give a medal to the best football player in each of the schools playing football; each player to be selected by the members of the team and members of the faculty of the high school.

Since the plans of each group had been almost completed for the present year, it was decided to permit schools and students to accept these medals for the present school year with the understanding that the schemes of the alumni groups of Purdue University, Indiana University and other similar organizations, if any, be dropped beginning with next school year. The Board of Control believes and so asserts that high school athletes should be permitted to complete their high school careers without being molested by outside parties.

CROWN POINT

Superintendent Lindley, Principal Erwin and Dr. Pettibone were present upon invitation to give information about Lloyd Haniford, who dropped out of school toward the end of last semester without making any credits for the semester. The class records of the teachers showed the boy withdrawn from school.

Superintendent Lindley wrote, "Lloyd came to me about the first of August this year and wanted to make up his work so he could play football this year." A credit in Mathematics was entered on the record without any work being made up. Some assignments in outside reading were given to the boy by Superintendent Lindley and credits were entered in Citizenship and English with the note, "Work made up in the summer."

According to the testimony, Principal Erwin advised against the giving of the credits to Lloyd Haniford and tried twice on the day of the first game of football to change the mind of Superintendent Lindley about the credits. Superintendent Lindley said, "If there is any criticism of his grades, I accept the responsibility for the criticism."

DECISION

The giving of credits to Lloyd Haniford considered irregular and not in line with the scholarship rules and regulations of the I. H. S. A. A.

Principal Erwin had been requested to consider the boy ineligible for the present semester and for his next semester, and to forfeit all games in which the boy played when ineligible. He reported that this had been done.

The Board required that a definitely worded "High School Athletic Policy" for Crown Point signed by the members of the School Board, the Superintendent, the Principal and the Athletic Director, be sent to the I. H. S. A. A. office within a few days. This policy will be accepted if it meets the rules, regulations and standards of the association in the handling of athletic activities and is carried out in good faith.

PIERCETON

Principal Plew reported that he filed charges, resulting in a fine of \$11.60, against Frank Fruit for disorderly conduct during a basketball game November 8, 1941. He also reported that the reaction to this prompt action on his part in the community was very gratifying. Mr. Louis H. Breeding, sports editor of the Warsaw Times-Union, commended the stand of the Pierceton school officials in an article filled with valid arguments.

The Board of Control commends Principal Plew for protecting his athletic activities and appreciates the attitude of the community and the sports writer, Mr. Breeding.

NOMINATING PETITIONS

The Commissioner was instructed to follow closely the rules and regulations of the I. H. S. A. A. Constitution as they govern the determination of classes of high schools in the districts of the association and to print the ballots for athletic council members accordingly.

The meeting adjourned to meet at 9:30 o'clock Saturday morning, December 13, 1941.

HOWARD M. HILL, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, December 13, 1941.

Present: President Howard M. Hill, W. S. Fellmy, H. E. Sanford, E. V. Minniear, F. R. Gorman and Commissioner Arthur L. Trester.

PENDLETON

Superintendent Miner and Principal Ellsworth reported that Walter Rumler had three teachers in United States History during the second semester of last school year and that the teacher of the third or last division of the semester failed the boy for the semester. Evidently the grades for the three divisions and the semester examination grade were considered in the final semester grade of "F," or failure. Some time after the present semester began, the grades of this boy were reconsidered and the school officials gave the boy a passing grade in United States History for semester two of last year

and considered him eligible for athletics, this credit being necessary to make three credits for last semester.

Decision—The time and method used in giving the boy a credit during the present semester for last semester considered irregular under I. H. S. A. A. rules and regulations. Walter Rumler considered ineligible and, since he was used in several games, Principal Ellsworth is requested to take soon the actions mentioned in I. H. S. A. A. Bulletin No. 1, September 1, 1941, under "Some Steps to Take in Ineligibility Cases."

MICHIGAN CITY

Russell Wright changed high schools from Indianola, Illinois, to Michigan City at the beginning of the present semester. His mother died in 1935, and his father in June, 1941. Russell came to Michigan City to live with his brother Robert.

Decision—Russell Wright considered just as eligible in Michigan City as he would have been had he remained in his former school.

CROWN POINT

A copy of the recently adopted athletic policy of the Crown Point High School, signed by the School Board, Superintendent, Principal and Athletic Director, was considered and filed for future reference.

ANDERSON

A proposed scheme to give Freshmen athletes shirts on which numerals could be placed was presented for consideration.

Due to Section 1, Article XI in the I. H. S. A. A. Constitution and also due to the fact that the Athletic Council has under consideration the whole matter of "Prizes and Awards," the Board of Control decided that the recipient of a shirt as mentioned could not be considered eligible for another similar award in the same sport in high school.

WABASH

Richard Paullus entered Wabash High School September 8, 1941, from Los Angeles, California. The mother and father separated and Principal Carpenter says that the mother is the legal guardian according to the terms of the divorce. The father brought the boy to Wabash last summer, remained there for a few weeks and left for California two or three weeks ago. The boy lives with his paternal grandmother in Wabash.

Decision—Under the conditions the Board of Control feels that the father brought this boy to Wabash to live with his grandmother since the mother is the legal guardian of the boy according to the terms of the divorce. The alleged change of residence of the father to Wabash does not satisfy I. H. S. A. A. rules and regulations as far as the eligibility of the boy is concerned and the change of high school rule in the I. H. S. A. A. Constitution is considered binding in this case.

MILROY

Paul Frazier admitted in the presence of Principal Smith, Coach Anderson and the Commissioner that he participated in a basketball scrimmage with and against nine members of the Rushville Merchants. He also admitted that his Coach had told him to refrain from such participation.

Decision—Paul Frazier made himself ineligible for high school basketball for all of the present school year by participating in a scrimmage on a non-high school team, during the present school year.

OTTER CREEK-CONCANNON

The difficulties in a game between these schools was considered and the Commissioner was instructed to try to effect a settlement, but if unable to do so, to request both Principals to appear for a hearing before the Board of Control.

CAMDEN

Principal Hunt reported that Alfred Judy of Converse was contracted to officiate a game of basketball in Camden, November 14, 1941, but did not appear for the game. The contracts are clear and the Commissioner attempted to get Mr. Judy to make settlement with Principal Hunt. The statement of a settlement was requested to be on file in the I. H. S. A. A. office on or before December 8, 1941. No statement arrived and the Commissioner wrote to Mr. Judy, stating that the case would be presented to the Board of Control. No word had been received from Mr. Judy on the day of the meeting.

Decision—The approval card of Mr. Alfred Judy cancelled in the I. H. S. A. A. December 13, 1941, to take effect at once, and the Commissioner instructed to send a copy of this decision to Mr. Judy and to Principal Hunt.

POSEYVILLE

Principal Reynolds reported that Bob Wolf played baseball with the Lincoln Bakers' Baseball Club and that he also practiced with the Evansville Bees last summer, but that he did not receive any remuneration for this participation.

Decision—This boy may be considered for eligibility in high school athletics on the basis of the statements submitted by Principal Reynolds, but the case may be re-opened if new and different information is received.

LIZTON

Principal Stowers reported that Donald Ashley was in an automobile accident December 9, 1940, and had not been enrolled in high school since that date. He was employed at the Electric Steel Casting Company from June to October, 1941. The boy did not receive any credits in high school for semester one of last year. He has done no school work since that time and is not now enrolled in high school.

Decision—Donald Ashley considered ineligible for athletics in any high school until he has been enrolled and has passed in three regular high school subjects for one entire semester. The scholarship rule in the I. H. S. A. A. Constitution is binding in this case.

TRACK

The information and suggestions received about track schemes for next spring were presented and filed for consideration when track arrangements are being made by the Board of Control.

BASKETBALL TOURNEYS

PLAINVILLE

A letter was read from Principal Lowe in which he desired to know whether or not the case concerning the classification of his high school as in class one in the I. H. S. A. A. for election purposes was considered closed.

The Commissioner was instructed to notify Principal Lowe that the I. H. S. A. A. Board of Control does consider this case closed as decided in two previous meetings and according to information already sent to him.

OTTER CREEK-CONCANNON

The Commissioner read a letter signed by the Principals and Coaches of these schools, stating that they had reached a satisfactory settlement of their difficulties and that they pledged themselves to try to avoid future differences.

The Board of Control reaffirmed the long standing policy of making available to interested parties statistical information on file about games, tourneys and athletic contests, and also reaffirmed the long standing policy of refraining from extending sanction and support to commercial publications.

The report was made that all arrangements for the 1942 basketball tourneys would be completed by the present Board of Control except the selection and assignment of tourney officials and any minor details that may need adjustment later.

Consideration and discussion were given to methods of procedure in meetings of the Board and agreements were reached.

In the reorganization of the Board of Control, H. E. Sanford was elected President for the calendar year 1942 and the new Board scheduled their first meeting for 9:30 o'clock Saturday morning, January 17, 1942.

2. The tourney bulletin of last year was studied and sanctioned for 1942 with the changes already made.

3. The Commissioner was instructed and authorized to complete the detailed arrangements for all tourneys and to make minor adjustments if such are considered necessary after a careful study of all factors and situations.

The 1941 Board of Control adjourned.

H. E. SANFORD, Chairman.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 17, 1942.

Present: President H. E. Sanford, Ralph P. Sparks, K. V. Ammerman, Thomas Boardman, J. W. O. Breck and Commissioner Arthur L. Trester.

TOURNEY OFFICIALS

The applications, recommendations, records and qualifications of officials were carefully considered and a sufficient number of officials, regular and reserve, were selected for the sectional, regional and semi-final tourneys with the understanding that no information would be given out until the contracts are consummated. The Commissioner was authorized to negotiate contracts and to make adjustments in the selections if conditions necessitate changes.

MEMBERSHIP REGULATION

The new provision of the Athletic Council opening the membership of the I. H. S. A. A. to all secondary high schools in the State was considered and it was decided that the long standing policy of preventing member schools from participating in athletics with non-member secondary schools which are eligible for membership shall extend in like manner to participation with the new secondary high schools eligible for membership August 15, 1942.

RE-ASSIGNMENT

Due to the excessive number of schools assigned to the Gary sectional tourney, the Wirt High School of Gary was assigned to the sectional basketball tourney to be held at East Chicago.

NORTH MANCHESTER COLLEGE

Miss Martha Darley, instructor of Girls' Physical Education, requested permission to sponsor a Play Day for the high schools in Wabash County.

The I. H. S. A. A. has had for many years a regulation requiring all games, meets, tourneys, and inter-scholastic athletic activities participated in by the member schools be held under the direct supervision, management and auspices of the member schools concerned or under the I. H. S. A. A. The High School Principal is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned, and his authority covers all of the students in his high school.

The proposed Play Day, therefore, should be under the general supervision of some one High School Principal, preferably the Principal at North Manchester, and all negotiations and arrangements should be made direct with the other Principals concerned. The Play Day may be held at North Manchester College under these regulations.

PAY OF OFFICIALS

The pay of game officials in basketball tourneys for 1942 was carefully considered after the information and memoranda on file had been presented by the Commissioner, and it was decided that in view of the uncertainty regarding attendance at tourneys this year the Board could not justify an increase in the salaries of officials as an additional expense on the schools entering the tourneys. This topic was considered also by the 1941 Board of Control, and with a like decision.

MARKLEVILLE

Principal Anderson requested the opinion of the Board of Control about the eligibility status of one of his students under the "Conduct Rule" in the I. H. S. A. A. He said that the boy had been considered ineligible since November, 1941.

Decision—Principal Anderson may consider the boy in question eligible under the "Conduct Rule" if and when a statement signed by himself, his trustee and the teachers in his high school is on file in the I. H. S. A. A. office clearly obligating them for the responsibility of the behavior and conduct of the boy in the future. The name of the boy should be included in the statement.

MILLERSBURG-LIGONIER

It was decided to invite the Principal and Coach of each of these high schools to appear for a hearing before the Board of Control in the I. H. S. A. A. office, 812 Circle Tower, Indianapolis, Indiana, at 10 o'clock Saturday morning, January 31, 1942, to give evidence regarding a partly played game at Millersburg, December 9, 1941.

GAME LIMITATIONS

It was decided to follow the rules and regulations of the I. H. S. A. A. as they concern the number of games and the seasons of sports. The Commissioner was instructed to answer all inquiries regarding extra games, change of season, etc., accordingly.

GARY SCHOOLS (Horace Mann, Froebel and Lew Wallace)

It was decided to invite the Principals and Basketball Coaches of Horace Mann, Froebel and Lew Wallace High Schools to appear before the Board of Control in the I. H. S. A. A. office, 812 Circle Tower, Indianapolis, Indiana, at 11 o'clock Saturday morning, January 31, 1942, to give evidence regarding the difficulties at basketball games between and among these schools this season.

TOURNEY CENTER SELECTIONS

The correspondence regarding some objections to tourney center selections was presented and reviewed, but no actions were considered necessary.

TICKET DISTRIBUTION

The apportionment and distribution of season tickets in the sectional tourneys in which the demand for tickets by the schools is such as to exhaust the available tickets prior to the tourney shall be done according to the following scheme if there exists a disagreement on other schemes by the schools concerned:

1. Subtract from the total seating capacity of the gymnasium twelve season tickets for each participating school, the press tickets and the complimentary tickets.
2. Divide, apportion and distribute the remaining season tickets among the participating schools on the basis of the enrollments in the ninth, tenth, eleventh and twelfth grades as of September 16, 1941, and which were sent to the Inspection Division of the State Board of Education.

MEETING DATES

The Board set the following dates:

1. January 31, 1942—9:30 o'clock.
2. February 20, 1942—9:30 o'clock.

It was agreed that the representatives of the Indianapolis News, Times and Star, Associated Press, United Press and International News Service should be invited to be present for the tourney drawings at 1:00 o'clock and that no publicity by anyone be given about the schedules until 8:00 o'clock a. m., February 21, 1942.

The Board adjourned.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 31, 1942.

Present: President H. E. Sanford, Ralph P. Sparks, Thomas Boardman, K. V. Ammerman, J. W. O. Breck and Commissioner Arthur L. Trester.

MILLERSBURG-LIGONIER

Principal Davis, Coach Bevington, Principal Bangs and Coach Fisher presented information about a basketball game at Millersburg December 9, 1941.

Near the end of the game a Millersburg player deliberately fouled a Ligonier player, the latter player falling to the floor. Coach Fisher entered the playing court to see if his boy was hurt. Play was resumed, but soon Coach Fisher motioned for his boy to follow him to the dressing room. The other Ligonier players left the playing floor also. The Millersburg players remained on the floor until time had expired. Coach Fisher said that he did not intend to take his team from the floor.

Decision—The Ligonier high school placed on probation in the I. H. S. A. A. until January 1, 1943, on account of the actions of Coach Fisher in causing the game to end in such an unsatisfactory manner.

HORACE MANN-LEW WALLACE-FROEBEL (Gary)

Principal Trump, Coach Crown, Principal Coons, Principal Hoke, Assistant Principal Asher and Coach Polk presented information regarding basketball games between and among these schools during the holiday tournament and later.

All testified that there was rough playing, excessive fouling, unwise cheering and general dissatisfaction in these games. Loose officiating was charged although there were 110 fouls called and 9 players removed from the four games. The officials were selected by the schools concerned.

The officials of the schools had held conferences and had made several investigations. Remedial steps had been taken and all school officials stated that they thought there would be no such difficulties in the future and promised to work toward this end.

Decision—The Board of Control accepts the statements made regarding the investigations, actions and promises by the officials of these schools with the understanding that conditions will be under observation and the cases may be re-opened by the I. H. S. A. A. if deemed necessary. All parties are expected to take remedial steps now and to follow these and other necessary steps closely in the future in inter-school athletic activities.

FINAL BASKETBALL TOURNEY PRIZES

It was decided that the prizes and awards given by the I. H. S. A. A. Board of Control shall constitute the only prizes, awards or similar rewards permitted to be given to or accepted by the schools, teams, coaches or players in the State Final Basketball Tourney.

GOLDEN GLOVES CONTESTS

It was decided that participation in such athletic contests does not make a student ineligible for other high school sports unless

the student violates his I. H. S. A. A. amateur standing in some way, directly or indirectly, or violates the I. H. S. A. A. rules and regulations regarding prizes and awards.

PENDLETON

Principal Ellsworth asked regarding the decision of the Board of Control December 3, 1941, regarding Walter Rumler.

The Board of Control affirmed this former decision since the conditions under which it was made remain the same.

President H. E. Sanford was authorized to represent the I. H. S. A. A. at the National Federation meetings in San Francisco this month with legitimate expenses paid by the I. H. S. A. A. if he could arrange to attend.

WAR ADJUSTMENTS

It was decided to check the high school credits, withdrawals, graduations, etc., of students who enter college, the Navy or the Army during Semester II of the present school year and, if no irregularity exists, to permit such students the privilege of competing in high school athletics until the end of Semester II, provided they observe other I. H. S. A. A. rules and regulations.

Some miscellaneous information was presented and discussion was given to the topics.

The Board adjourned to meet at 9:30 o'clock, Friday morning, February 20, 1942.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 20, 1942.

Present: K. V. Ammerman, Thomas Boardman, J. W. O. Breck, Ralph Sparks, and Commissioner Arthur L. Trester.

In the absence of Mr. Sanford, Mr. Ammerman was designated as Chairman of the meeting.

WRESTLING

A question had been asked about the holding of a postponed dual wrestling meet after the date of the State Wrestling Meet. It was decided that the rules of the I. H. S. A. A. do not prevent the holding of such a dual meet.

MOUNT OLYMPUS (Hazleton)

The information submitted by the Principal of Mount Olympus, the Principal of Hazleton, the coach of Mount Olympus, the father of Marion McNeece, the employer of the father, the County Superintendent of Schools and others was considered and the Board of Control found no convincing evidence that undue influence was used in effecting the change of high schools of Marion McNeece from Mount Olympus to Hazleton.

CASH AND MERCHANDISE PRIZES

The Board of Control affirmed the long standing policy of the I. H. S. A. A. to the effect that the playing for or the accepting of cash or merchandise prizes in athletic events makes high school students ineligible for high school athletics.

FIDELITY BOND

It was decided to reduce the amount of the bond carried on the Commissioner from \$80,000 to \$40,000 due to a reduction in the amount of holdings in the I. H. S. A. A.

ATHLETIC COUNCIL EXPENSES

The Board of Control instructed and authorized the Commissioner to pay, as a maximum amount, the expenses of the members of the Athletic Council who attend the State Final Basketball Tourney, eight cents a mile, round trip, and a total of \$1.50 for meals, upon presentation of itemized statements.

BASKETBALL TOURNEYS

1. The necessary transfer of schools as provided in the tourney bulletin was made.
2. The tourney entry blank of Lincolnville (Wabash) High School, received February 20, was considered a late entry blank and rejected according to regulations sent to all schools in the tourney bulletin and on the entry blanks.
3. The contract of one official, who notified the Commissioner on February 19 that he could not work a tourney unless he was assigned to a certain tourney designated by him, was cancelled.
4. The contract of one official which was returned to the Commissioner with a letter saying that he desired the contract cancelled was cancelled by the Board, although a second letter was received from the official on the morning of February 20 to the effect that he had changed his mind.
5. The assignment of officials to all sectional tourneys was made.
6. The drawings of the sectional, regional, semi-final and final tourneys were made by the Board of Control in the presence of representatives of the three Indianapolis daily papers and the three Press Associations in Indianapolis.

PLAINVILLE

This school played a game of basketball that had been changed in name from a first team game to a reserve team game in order to stay within the rule regarding the number of games per season for a team and for each player. Plainville used as players in this so-called reserve team five of the players listed on their tourney entry blank for the sectional tourney.

The Board of Control considers this so-called reserve game a first team game for the Plainville High School, to be counted as one of

the first team games on the regular schedule in accordance with Section 7, Article VIII in the I. H. S. A. A. Constitution.

It was decided to consider the Board in session during the several tourneys since all members would be available to the Commissioner by telephone.

PAY OF OFFICIALS

This topic was given additional consideration, but no action was taken.

A small list of officials from which the officials for the Final Tourney would be selected was given to the Commissioner for final action later.

The Board adjourned to meet immediately after the afternoon game of the State Final Tourney in the I. H. S. A. A. office at Gate No. 6 in the Butler Field House.

K. V. AMMERMAN, Chairman.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, March 21, 1942.

Present: President H. E. Sanford, Ralph P. Sparks, Thomas Boardman, K. V. Ammerman, J. W. O. Breck and Commissioner Arthur L. Trester.

The Commissioner reported that he had been checking some tourneys and would make a complete report at the next meeting.

BROOK-RENSSELAER

The Board decided to invite the Principals, Superintendents and Coaches of these high schools, and the Coach of the Mount Ayr High School to the next meeting.

NEW CASTLE

The Board decided to invite the Superintendent, Principal and Coach of this high school to the next meeting.

TRACK MEETS

The Board decided to hold Sectional track meets and a Final track meet along the lines of those held in past years. This decision was reached after a careful consideration of some suggestions on file about A and B track meets, and about the introduction of a regional track meet.

GIMBEL MEDAL WINNER

In the afternoon, the Board considered boys for this selection, then consulted the Principals and Coaches about all of the boys on their teams. In the evening, the Board of Control met again and unanimously selected Kenneth Brown, Jr., of Burris High School,

Muncie, as the winner of the "Gimbel Prize for Mental Attitude" in the 1942 tourney.

The Board adjourned to meet at 9:30 o'clock, Saturday morning, April 4, 1942.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 4, 1942.

Present: President H. E. Sanford, Ralph P. Sparks, Thomas Boardman, K. V. Ammerman, J. W. O. Breck and Commissioner Arthur L. Trester.

BROOK-RENSSELAER

Principal Dickey and Coach Robbins of Brook, and Superintendent Cleaveland, Principal Hoshaw and Coach Bausman of Rensselaer were present and gave evidence.

Case number one concerns the eligibility status of Dale Ames of Rensselaer due to his alleged participation in a basketball game on an independent team during the high school season.

Case number two concerns the visit of about forty Brook High School students to Rensselaer, Remington and Mount Ayr the week following the sectional tourney. These students entered the high school at Rensselaer while school was in session and caused some disturbance.

Decisions—(1) Case number one was postponed. (2) The Brook High School was placed on probation in the I. H. S. A. A. by the Commissioner soon after the visit of the Brook students to Rensselaer. The Board of Control approved this action and extended the probation of the Brook High School until January 1, 1943. The I. H. S. A. A. does not approve such unwelcome visitations. (3) Principal Hoshaw and Principal Dickey requested to read a copy of the actions of the Board of Control to their high school students and to send to the I. H. S. A. A. office on or before April 9, 1942, a statement that this reading has been done.

NEW CASTLE

Superintendent Valentine, Principal Mitchell and Coach Allen gave evidence regarding the difficulties connected with the sectional basketball tourney. Principal Mitchell presented the cases, investigations and actions taken to date. He reported (1) that Charles Sweigart and James Myers had been suspended from school indefinitely, (2) that five other boys had been suspended for three days each and placed on probation until June 1, 1942, for their connection with egg-throwing, (3) that one person had been fined for breaking a window glass in a Middletown bus, and (4) that Sam Wallace, Greensboro, who works in New Castle, was fined one dollar (\$1.00) and costs and also sentenced to jail for ten days, the jail sentence being suspended during the defendant's good behavior.

Superintendent Valentine and Principal Mitchell assured the Board of Control that the School Board of New Castle is acquainted with and supports the investigations and actions taken, and that the student body as well as the community deplores the unsatisfactory situation.

Decision—The attitude, investigations and actions to date of Principal Mitchell in an effort to know and to penalize the guilty persons is approved with commendation. The Board of Control believes that Coach Allen could have rendered some valuable assistance during the tourney. The I. H. S. A. A. stands ready at all times to commend and support High School Principals, their high schools and communities in their efforts to have and maintain clean and wholesome situations in high school athletics.

EVANSVILLE REGIONAL TOURNEY

Mayor Lafayette O'Haver and Supt. M. N. O'Bannon, of Boonville, filed their dissatisfaction with the officiating of the Boonville-Central (Evansville) game in the Regional Tourney. Letters were on file from both officials and from Principal Carl Shrode, of Central (Evansville).

Decision—After careful consideration of the evidence on file, the Board of Control ruled that the decisions of the officials stand as the decisions of the I. H. S. A. A. and that the case be considered as closed. The judgment of the officials is accepted. Schools agree to this regulation when they enter I. H. S. A. A. tourneys.

SOUTH BEND

Mr. George R. Lambert, 138 E. Ewing Avenue, South Bend, wrote to the Commissioner in part as follows: "Furthermore, will you please strike my name from your list of approved officials of the I. H. S. A. A.? I am cancelling those games contracted for 1942 and 1943, and will resign from those offices which I now hold in official associations."

Mr. Lambert, on February 18, wrote as follows: "If it seems advisable, I wish to rescind my request for disqualification, both as to tourney contract and as an approved official of the I. H. S. A. A."

On February 21 the Commissioner wrote to Mr. Lambert as follows: "No action was taken about your Approval Card, however, and I shall be pleased to know soon whether or not you desire to be an Approved Official in the I. H. S. A. A." No answer was received by the Commissioner.

Decision—The Approval Card of Mr. George R. Lambert, 138 East Ewing Street, South Bend, cancelled and his name removed from the list of Approved Officials in the I. H. S. A. A. as of present date.

REQUESTS ABOUT MEDALS

Some requests were on file about the acceptance of medals by high school students, and the Commissioner was instructed to answer

these requests according to the present rules and regulations for the present school year only.

PRIZES AND AWARDS

The Board of Control, all of whom were present in the Athletic Council meeting of December 20, 1941, when interpretations "a", "b", "c", "d", "e", "f" and "g" were passed, are sure that interpretation "g" should include the wording "or their alumni" immediately after "colleges, universities and higher institutions of learning" and decided to enforce the rules accordingly.

FINAL TOURNEY REPORTS

The Commissioner presented full and complete reports covering the concessions, finances, tickets (sales and complimentaries), press, radio and general conditions of the Final Tourney. These reports were checked and sanctioned as correct by the Board of Control.

TOURNEY ARRANGEMENTS

Consideration was given to tourneys for 1943, but no actions were taken due to unsettled conditions.

GOLF

The Commissioner presented the reactions received recently from the Principals of high schools in the State Golf Tournament last year regarding a State Golf Tournament this year. After careful consideration, it was decided to hold no State High School Golf Tournament in 1942, as only twenty-three out of forty-three schools recommended that such a tournament be held this year.

FINANCES

The Commissioner gave detailed information about the holdings, recent purchases, bank balance, tourney receipts, revenue taxes paid, and amounts to be paid soon by the I. H. S. A. A. It was reported that Defense Bonds in the amount of Ten Thousand Three Hundred Sixty Dollars (\$10,360.00) were purchased March 18, 1942, and that Treasury Bonds in the amount of Twenty Thousand Dollars (\$20,000.00) (par value) were purchased March 27, 1942.

The Board adjourned to meet at 9:30 o'clock, Saturday morning, April 25, 1942.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 25, 1942.

Present: President H. E. Sanford, Ralph P. Sparks, Thomas Boardman, K. V. Ammerman, J. W. O. Breck, and Commissioner Arthur L. Trester.

BEDFORD-MITCHELL

Superintendent Mourer, Principal Totten, Coach Holmes and Mr. Noble Padgett, of Bedford; Superintendent Deckard, Principal Bishop, Coach Polson and Dr. Hamilton, of Mitchell, were present to give evidence regarding the date of birth of James Padgett. After hearing this evidence and checking the information presented, the men from Mitchell were excused.

The men from Bedford gave evidence regarding the participation in three basketball games after the season had ended by James Padgett and John Blackburn, senior boys who were members of the Bedford High School team during the season. One of these games was played in the Bedford High School gymnasium.

The Board decided to continue both cases in order to secure additional information.

BROOK-RENSSELAER

A hearing was held in this case at the last meeting of the Board of Control, and the case was continued to secure, if possible, additional information about the alleged participation of Dale Ames, a senior in the Rensselaer high school in an independent game at Mount Ayr during the season.

The evidence shows that one game was played and that a period of basket-shooting and scrambling by any and all persons desiring to take part took place after the game. No score book or score sheets are available. Dale Ames testified that he went to the game, dressed in a suit for basketball playing, and intended to play in the game, but did not play in the game upon advice from the manager. He said that he did participate in the period of basket-shooting and scrambling. The evidence secured from students and others at Mount Ayr and at Rensselaer is conflicting and of an opposite nature. The Coach at Brook, in company with some fans, visited Glen Weston, of Mount Ayr, and secured an affidavit dated February 23, 1942, that Dale Ames did play in the game. A short time later, on February 26, 1942, the same boy signed another affidavit directly conflicting with the first affidavit.

Decision—The Board of Control believes that undue pressure was used to secure the two affidavits signed by the same boy within a short period of time and, of course, can not condone such actions to secure evidence by school men or by others.

No school men were present at the game and at date no school man has been able to present any evidence on either side other than such as could be secured by hearsay. This information is conflicting in its nature and seems to indicate a feeling between and among some of the schools in the county that is not wholesome and needs to be eliminated by co-operation and confidence rather than to be fostered by the opposites of co-operation and confidence. The I. H. S. A. fully expects decided improvement along these lines in these schools at once.

Due to the facts that Dale Ames did attend the game in question, was dressed in a suit to play, did intend to play and did shoot baskets, the boy is declared ineligible for all spring athletics.

PRIZES AND AWARDS

This whole matter was considered briefly and it was decided to consider it at length at the next meeting. The Commissioner presented his understanding of the rules and their interpretations as they now exist. The information presented was considered correct according to the rules and interpretations in the Constitution.

BASKETBALL TOURNEYS

Consideration was given to all available information, but no action was taken regarding the tourneys for next year.

AURORA-MADISON

Principal Wegener and Principal Salm reported that Wayne Montgomery and Bill Lodge, of Madison, and Donald Ritter and Lloyd Miller, of Aurora, all seniors, participated in a basketball game or scrimmage at Purdue University March 28 after the season had closed. These Principals declared the boys ineligible and forfeited the baseball game in which they participated this spring. The evidence seems to be clear that the boys knew that such participation in basketball after the season had closed is a violation. The Board of Control sanctions the steps taken by the Principals.

OFFICE LEASE

The lease on the present I. H. S. A. A. offices was extended one year from May 1, 1942, at a monthly rental of \$150.00.

TRACK ASSIGNMENTS

After careful consideration of a few requests from schools to be transferred to other track centers, it was decided to make no changes in the centers and assignments as given in the Track Meet Bulletin for the present season.

RE-INSTATEMENT OF OFFICIALS

It was decided that officials, disqualified for certain periods and required to appear in person before the Board of Control to secure reinstatement, should make their applications as indicated in the original decisions of the Board at the time set in the decisions for hearing such applications.

The Board adjourned to meet at 9:30 o'clock, Saturday morning, May 9, 1942.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 9, 1942.

Present: President H. E. Sanford, Ralph P. Sparks, Thomas Boardman, K. V. Ammerman, J. W. O. Breck and Commissioner Arthur L. Trester.

PRIZES AND AWARDS

The rules, regulations and policies of the I. H. S. A. A. and Board of Control were considered at length. The consensus of opinion supported the following working regulations in the execution of the rules of the association:

1. Donors should be checked carefully regarding attitudes, purposes and types of business.
2. Recipients should be selected by committees on which the Principal and school authorities hold the balance of power.
3. All prizes and awards should be limited in number and confined to those reasonable in price and having symbolic value.
4. Purposes should be critically studied so that commercial interests, proselyting interests and interests foreign to good school procedure may be eliminated.
5. Principals shall be expected to know and to execute the rules, regulations and policies to the best of their ability according to their wording and spirit since the giving and receiving of awards shall be done by and with the consent and under the supervision of the Principal in each high school.

MAKE-UP WORK

The following statement was affirmed: "Tutorial work, front porch recitations and shade tree siestas to make up work during the summer months are not looked on with favor in the I. H. S. A. A. Board of Control." The Board is opposed to the giving of credits to students who fail in a subject for semester two of a school year, then take an examination, with or without additional work during the summer, for credit toward eligibility in athletics for semester one of the following school year.

Work done by a student in a regularly accredited summer school may be counted toward eligibility to the extent of two credits only for any one summer.

CLINICS

It was decided to hold clinics in football and basketball along the lines used last year.

MEMBERSHIPS

The applications of several high schools seeking membership under the open rule for memberships passed by the Athletic Council were considered. The Commissioner was instructed and authorized to accept their and other applications upon assurance that the require-

ments for membership in the I. H. S. A. A. were being met, all doubtful cases to be referred to the Board of Control for final action.

BEDFORD

Hearings were held by the Board of Control Saturday, April 25, 1942, covering the date of birth of James Padgett and the participation of this boy and John Blackburn in basketball games after the season had closed.

The school records of Mitchell show the date of birth of James Padgett as October 19, 1921, for his school years there up to the sixth school year, when the boy entered the Bedford schools. On the permanent record at Mitchell, the year "1921" in ink carries a figure "2" in lead pencil for the last "1." At date it is not known how nor why this happened. There is other evidence of a reasonable nature indicating the date of birth of this boy as October 19, 1921, but the father and mother filed a verified petition in Circuit Court that the boy was born October 19, 1922. The school records of Bedford show the date of birth of the boy as October 19, 1922, and October 19, 1923. The basketball entry blanks of Bedford show date of birth in 1923.

James Padgett and John Blackburn participated in basketball on independent teams after the season closed, one game being played in the Bedford High School gymnasium. Principal Totten and Coach Holmes testified that they had not informed and warned these boys about such participation prior to the end of the high school basketball season, although there is a definite rule in the I. H. S. A. A. against such participation.

The Bedford School records show that James Padgett received a "Condition" in 10-B English May 31, 1940, and that he was permitted to take an examination in this subject on September 6, 1940, for credit. The boy needed this credit for eligibility in athletics as he had failed completely in one other subject.

Decision—The Board of Control believes and so declares that the situations recited in these cases indicate a laxness in the execution and administration of athletics in the Bedford High School by Principal Totten and Coach Holmes and that this laxness has resulted in a total situation in which the spirit, rules, standards and best interests of the I. H. S. A. A. are not supported as they deserve to be supported by member schools and their school officials.

The Board of Control places the Bedford High School on probation in the I. H. S. A. A. until September 1, 1943, and reserves the right to re-open these cases and to take appropriate action at any time during this period of probation.

Robert Fell and Paul Tyndall, of Oolitic and Bedford, respectively, approved officials in the I. H. S. A. A., were placed on probation in the I. H. S. A. A. until September 1, 1943, for officiating in the independent game of basketball in the Bedford High School gymnasium, in which James Padgett and John Blackburn participated after the basketball season in the high school had ended.

The Board adjourned to meet at 11:30 o'clock Saturday morning, May 23, 1942, in the cafeteria at Technical High School, Indianapolis.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING
Indianapolis, Indiana, May 23, 1942.

Present: President H. E. Sanford, Ralph P. Sparks, Thomas Boardman and Commissioner Arthur L. Trester.

BASKETBALL CLINIC

The Commissioner reported that Secretary H. V. Porter, of the National Federation, had been secured as Discussion Chairman of a state invitational basketball rules clinic to be held at Indianapolis, Saturday, September 26, 1942. It was considered advisable that the Board of Control attend this meeting if possible.

MINUTES OF LAST MEETING

These minutes were discussed as to their wording and were approved as written.

SUMMER CREDITS

The Board considered the scheme proposed by some schools of withholding credits for work in Agriculture during Semester Two of a school year until some time during the summer when additional work is completed. In some of these schools, credits in Agriculture are given for Semester One at the end of Semester One.

It was decided that a student should pass and receive credit in a subject at the end of the semester in which the work is done if it is desired to count this subject toward eligibility in athletics for the next semester, with the understanding that a student may count as many as two credits toward eligibility if made in a regularly sanctioned summer school.

The rules of the I. H. S. A. A. require that a student actually pass in three regular high school subjects throughout his last semester in order to be eligible for athletics for the next semester. Conditional grades, deferred grades and similar grades are not considered passing grades in the I. H. S. A. A.

The Board adjourned to meet during the summer months if necessary, upon call of the President and the Commissioner.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING
Indianapolis, Indiana, September 5, 1942.

Present: President H. E. Sanford, Ralph P. Sparks, K. V. Ammerman, Thomas Boardman, J. W. O. Breck and Commissioner Arthur L. Trester.

MITCHELL

Principal Bishop, of Mitchell, and Principal Totten, of Bedford, had been invited by the Commissioner to attend the meeting to give information about the eligibility status of Neval Emmons, who changed

from French Lick High School to Mitchell High School for the school year 1941-1942, and who is now enrolled at Mitchell. The question at issue is the change of residence of the parents.

Principal Bishop and Coach Polson were present, but Principal Totten was not present to give information and to answer questions.

Principal Totten urgently requested to attend the next meeting of the Board of Control in the I. H. S. A. A. office at 11:00 o'clock Saturday morning, October 10, 1942.

WARSAW

Principal Chastain had filed information regarding the date of birth of Leonard (Milford) Risner. The information gives conflicting dates of birth and there is some evidence for each of the dates. The boy was discharged from the Navy February 21, 1942, for disability, but has presented a physician's certificate as of August 21, 1942, stating that he is physically fit to participate in football.

Decision—The I. H. S. A. A., on the basis of the evidence on file, considers May 28, 1923, as the date of birth of this boy, with the privilege of changing this opinion if additional and conclusive evidence to the contrary is presented.

REGULARLY EMPLOYED TEACHER

The Board of Control studied the sections in Article V in the I. H. S. A. A. Constitution regarding Coaches, and decided as far as I. H. S. A. A. rules are concerned, that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full-time service as a teacher on a full-time contract and regularly paid out of school funds.

MEMBERSHIP

The rules, regulations and policies of the I. H. S. A. A. concerning membership were considered carefully in the light of some recent questions, and it was decided that it would be necessary for a high school seeking or holding membership in the I. H. S. A. A. to meet and maintain the policies, regulations and standards of the State Department of Public Instruction for the accreditation and classification of high schools in Indiana.

SUMMER FOOTBALL CAMP

The Board of Control interpreted Section 14, Article VIII in the Constitution reading: "Football practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff" to prevent summer football camps, for high school football teams.

RE-INSTATEMENT

Mr. Fred Koster, 2539 Trevilian Way, Louisville, Ky., was suspended as an official in the I. H. S. A. A. for two calendar years following September 9, 1940, for officiating in an all-star game in Indianapolis.

After considering Mr. Koster's written statement that he has no record of having officiated in any athletic contest in which an Indiana High School team participated since September 9, 1940, and that he has officiated in no all-star game in which an Indiana team participated since September 9, 1940, the Board of Control authorized the Commissioner to accept Mr. Koster's application for re-instatement as an official in the I. H. S. A. A.

The meeting adjourned to meet at 9:30 o'clock, Saturday morning, October 10, 1942.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, October 10, 1942.

Present: President H. E. Sanford, K. V. Ammerman, Thomas Boardman, J. W. O. Breck, Ralph P. Sparks, and Commissioner Arthur L. Trester.

MITCHELL

This case concerns the eligibility status of Neval Emmons, who lived with his parents and attended the French Lick High School in 1940-41. The parents of this boy traveled in a trailer during the summer of 1941 and occasionally visited the home of Robert M. Bass, who lives near Mitchell. The boy attended the Mitchell High School in 1941-42 and is enrolled there at the present time. Principal Bishop and Coach Polson, of Mitchell, gave evidence to the Board of Control on September 5, 1942, and Principal Totten, of Bedford, gave evidence today.

Mr. Robert M. Bass wrote to Principal Bishop on August 26, 1941, as follows:

"My brother-in-law, Neval Emmons, is now living with me and he will want to enter Mitchell High School this fall. Neval's parents are moving about the country and do not have an established residence and do not know just when they will. They have left Neval wholly in my care. I am anxious for him to continue in school. He was enrolled in French Lick High School last year. Will it be all right for him to enroll in Mitchell High School this year?"

The evidence shows that the parents of Neval Emmons traveled here and there in a trailer during the summer and fall of 1941, but

did not establish a home in the Mitchell school area in a sufficiently permanent way, if at all, to justify the conclusion that they actually changed their place of residence from French Lick to the Mitchell area at any time.

The change of high school rule in the I. H. S. A. A. Constitution is binding on all parties in like manner in this case and it was an error for Principal Bishop to consider Neval Emmons eligible for athletics in the Mitchell High School in 1941-42. The evidence does not show that any undue influence was used to secure the boy as a student in the Mitchell High School. Since the boy participated in athletics at Mitchell last year when he was ineligible, the Board of Control declares him ineligible for all athletics in 1942-43 or for all of his senior year in high school.

ARGOS

Billy Middleton lived with his parents and attended the Argos (Indiana) High School in 1940-41. The parents moved to Louisiana and placed the boy in the Oakdale High School, Louisiana, in 1941-42. In the summer or early fall of 1942, the parents placed the boy in the Argos (Indiana) High School, but they did not move back to Argos. All available correspondence and data were placed before the Board of Control.

Decision—The change of high school rule in the I. H. S. A. A. Constitution is binding on all parties in like manner in this case, and the Board of Control has no authority to set aside or to waive this rule. The requirement of the rule is that Billy Middleton can not be considered eligible for any inter-scholastic athletics in the Argos High School until he has been enrolled one calendar year following his most recent enrollment therein. This rule is not a new rule, but has been a rule in the I. H. S. A. A. for many years.

OUTLOOK FOR ATHLETIC ACTIVITIES

The possible and probable effects of the rationing of buses (school and commercial), tires and gasoline were discussed at length, and it was unanimously decided that the Board of Control could offer no suggestions to schools other than to go along with their athletic programs as well and as long as they can, under the rules and regulations established by government authorities for the transportation of athletic teams.

H. E. SANFORD, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, October 21, 1942.

Present: President H. E. Sanford, K. V. Ammerman, Thomas Boardman, J. W. O. Breck, Ralph P. Sparks and Arthur L. Trester, Commissioner.

BEDFORD

A letter from Principal Totten regarding his investigation of the activities of Warren Wagner, a Bedford High School student, and James Armstrong, of Springville, in persuading William Harland Anderson to enter the Bedford High School was read. The Commissioner and Principal Ammerman reported their conversations with James Armstrong about the same matter.

No action was taken.

ARGOS

The information and data concerning the case of Billy Middleton was reviewed and it was the opinion of the Board of Control that the change of high school rule in the I. H. S. A. A. Constitution is binding on all parties in this case, therefore the decision already given by the Board of Control is affirmed.

The Board of Control adjourned to meet at 10 o'clock Saturday morning, November 21, 1942, at Purdue University.

H. E. SANFORD, Pres.

I. H. S. A. A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, December 20, 1941.

Present: President Ralph P. Sparks, Paul Stangle, K. King Telle, H. Ralph Beabout, Morris E. McCarty, J. L. Tierney, Thomas Boardman, Clifford L. Pribble, E. V. Minniear, M. H. Northrop, Russell C. Callaway, Donald Reel, H. E. Sanford, K. V. Ammerman, F. R. Gorman, Merritt C. Reed, Floyd A. Hines, Robert S. Hinshaw, J. W. O. Breck, Herman M. J. Prage, W. S. Fellmy, Adolph G. Zollman, C. D. Manhart, L. V. Phillips and Commissioner Arthur L. Trester.

Absent: Howard M. Hill.

The minutes of last meeting were approved without a reading since each member received a copy of the minutes soon after the last meeting.

It was decided to require thirteen favorable votes to pass motions and to vote by voice in all matters other than the election of officers, but to vote by ballot in the elections. All officers were elected unanimously so ballots were not necessary.

ELECTIONS

1. Clifford L. Pribble was elected President of the Athletic Council for the calendar year 1942.
2. Ralph P. Sparks was elected a member of the Board of Control in Class One.
3. Thomas Boardman was elected a member of the Board of Control in Class Two.
4. K. V. Ammerman was elected a member of the Board of Control in Class Four.
5. J. W. O. Breck was elected a member of the Board of Control in Class Five.

PROPOSALS

The following proposals were passed:

1. "There shall be no inter-school athletic contests on Sunday."
2. Sanction Refusal—"The Board of Control shall have the duty, right and authority to refuse sanction to games, meets, tourneys and athletic contests in which member schools are connected if these games, meets, tourneys and athletic contests seem, upon investigation, to be in conflict with the spirit, purpose, ideals, standards, policies or best interests of the Association in their inception, arrangements, promotion or management."
3. Prizes and Awards—Leave the sections in Article XI as they are now worded in the Constitution and add the following interpretations:
 - (a) "One award such as a metal football, metal basketball, metal track shoe or similar article may be given in lieu of but not in addition to the one award permitted in section one, provided the cost of the award shall not be more than the cost of the award in section one. Athletic insignia, emblems and tokens of athletic achievement may be given and received."
 - (b) "The word 'reasonable' shall be understood to mean 'sound', 'sane', 'sensible', 'moderate', 'proper' or 'fitting' as these words apply to good school procedure."
 - (c) "The word 'symbolic' shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term 'symbolic' even if the award is duly inscribed. An inscription can not validate such awards in the I. H. S. A. A."
 - (d) "The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons."
 - (e) "Individual or group action in securing contributions by solicitation or in securing funds for the purchase of awards by such means as dances, shows, entertainments, sale of refreshments, etc., will be considered a violation of these sections."
 - (f) "The Board of Control shall have the authority to designate, give and control the medals and trophies to be given to the schools and to the individuals on state championship teams in any sport with the understanding that these be kept within reasonable bounds and confined to those having symbolic value."
 - (g) "Prizes, awards, gifts, medals, recognitions and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni, the argument being that high school athletes should be permitted to complete their high school careers without being molested by outside sources."

Note: These interpretations were voted to be effective August 15, 1942.

4. "Membership in the Association shall be open beginning August 15, 1942, to all public, private, parochial, colored and institutional high schools of the state offering and maintaining three or four years of high school work provided they meet the requirements of the Association and also subscribe to its rules and regulations."

ARTICLE IX ELIGIBILITY RULES Scholarship

Section 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Section 1, Article IX, under Scholarship in the I. H. S. A. A. Constitution reading, "—a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester credit value and for which a full semester credit is given." The combination of two subjects, not excluded in this Section in the Constitution, whose total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted."

Section 2. Students enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Section 3. Back work may be made up, provided that it is done in accordance with the regular rules of the school and becomes a matter of final record before the opening day of the next semester.

Interpretation—

In each of the studies representing the minimum requirement of work specified above, the following shall govern: (a) For the current semester the average of the period grades up to the time of certification must be passing; (b) For the current or school grading period the average of the daily or weekly grades must be passing; (c) If the average of the period grades at the beginning of any grading period

is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Enrollment

Section 1. No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Interpretation—

- (a) A student enrolled in one High School of a City or School corporation shall not be eligible in another High School of the same city or school corporation until he has been enrolled in the other High School for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.
- (b) Students finishing the courses offered in high schools maintaining less than four years of High School work are not bound by this section.
- (c) The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Section 2. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Section 3.

- a. Any student, who has been enrolled twenty (20) or more days between September 1 and December 1 for four times, shall be ineligible for football.
- b. Any student, who has been enrolled twenty (20) or more days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter twenty (20) or more days between December 1 and March 1 for four times.
- c. Any student, who has been enrolled twenty (20) or more days between March 1 and June 1 for four times, shall be ineligible for baseball and track, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not

be ineligible for baseball and track until he has been enrolled thereafter twenty (20) or more days between March 1 and June 1 for four times.

Section 4. A student withdrawing permanently from school within the first twenty days of a semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more inter-scholastic games, in which case he shall be regarded as having engaged in athletics for that season.

Section 5. The eligibility rules of this association shall apply to students taking part in all contests, whether with schools inside or outside of the State of Indiana.

Section 6. In order to be eligible for athletic competition during any semester a student must have entered some High School within the first twenty school days of the semester in which the contest occurs.

Participation

Section 1. Any student of a High School who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Section 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season.

Parents and Physicians' Certificates

Section 1.

a. A student who practices for any interscholastic athletic contest shall have on file in the Principal's office for each school year a certificate of physical fitness and a certificate giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any interscholastic athletic contest by a regularly licensed physician (M. D.).

b. Previous to the student's first practice, the Principal shall certify to the I. H. S. A. A. that the certificates required herein are on file in his office.

Section 2. A student properly certified to participate in interscholastic athletic activities, who is absent from school for five consecutive days due to illness or injury, must present to his Principal a statement from a regularly licensed physician (M. D.) that he is again physically fit to participate in interscholastic athletics.

Remuneration

Section 1. No High School student shall be eligible to participate in any inter-school contest under the rules of the Indiana High School Athletic Association, if it shall be shown that he or any member of

his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the State High School Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Undue Influence Rule

Section 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

Post Graduates

Section 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Section 2. A student is a post graduate of a High School when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Section 3. Students meeting requirements for graduation in three and one-half years in a High School with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the I. H. S. A. A.

Age

Section 1. Students shall be ineligible for any athletic competition upon reaching twenty years of age.

Amateurism

Section 1. All contestants in the I. H. S. A. A. must be amateurs.

Section 2. Professionalism is defined in the I. H. S. A. A. as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

Married Students

Section 1. Married students shall not be eligible for participation in inter-school athletic competition.

(Note—Students who have been divorced or whose marriages have been annulled are bound by this rule.)

ARTICLE X

Injunction Suits

The Athletic Council deploras the action of any individual or individuals in resorting to court action in seeking redress in High School athletic difficulties in the I. H. S. A. A. and unanimously decides that the Board of Control should secure legal advice and fight such cases through the Supreme Court of Indiana if deemed necessary.

ARTICLE XI

Prizes and Awards

Section 1. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Section 2. The giving and receiving of prizes, awards, gifts and articles shall be kept within reasonable bounds and such as are given or received shall have symbolic value only.

Section 3. The giving and receiving of prizes, awards, gifts and articles shall be done by and with the consent and under the supervision of the high school principals concerned.

Interpretations

a. "One award such as a metal football, metal basketball, metal track shoe or similar article may be given in lieu of but not in addition to the one award permitted in section one, provided the cost of the award shall not be more than the cost of the award in section one. Athletic insignia, emblems and tokens of athletic achievement may be given and received."

b. "The word 'reasonable' shall be understood to mean 'sound', 'sane', 'sensible', 'moderate', 'proper' or 'fitting' as these words apply to good school procedure."

c. "The word 'symbolic' shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term 'symbolic' even if the award is duly inscribed. An inscription cannot validate such awards in the I. H. S. A. A.

d. "The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons."

e. "Individual or group action in securing contributions by solicitation or in securing funds for the purchase of awards by such means as dances, shows, entertainments, sale of refreshments, etc., will be considered a violation of these sections."

f. "The Board of Control shall have the authority to designate, give and control the medals and trophies to be given to the schools and to the individuals on state championship teams in any sport with the understanding that these be kept within reasonable bounds and confined to those having symbolic value."

g. "Prizes, awards, gifts, medals, recognitions and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni, the argument being that high school athletes should be permitted to complete their high school careers without being molested by outside sources."

ARTICLE XII

Finances

Section 1. There shall be the accumulation and establishment of an adequate working balance in the I. H. S. A. A. treasury, this amount to be established and maintained as a guarantee that existing obligations will be met; that expansions in the program of service may be made if thought desirable; and that any emergencies in the future may be solved.

Section 2. There shall be a distribution on an equitable basis among the High Schools in the I. H. S. A. A. membership of the amounts accumulated above the adequate working balance and above the amount legitimately necessary for the running expenses of the I. H. S. A. A., these distributions to be made on October 1, 1932, and on October 1 of and for each three-year period thereafter.

Section 3. There is granted power and authority to the I. H. S. A. A. Board of Control to make the financial adjustments in contracts for inter-scholastic games, tourneys, meets and athletic contests that are deemed necessary through the years and to administer, execute and control all receipts, expenditures and holding of moneys in connection with the I. H. S. A. A.

ARTICLE XIII

Definition of Game

Section 1. Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A "scrimmage" by students with or against teams or players not belonging to their high school is considered a game.

Interpretations

1. When a contestant, official, game or decision is protested the game should be played as scheduled and the protest with evidence filed with the Board of Control for settlement later.

2. Any student who carries at least 15 hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.

3. It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association.

4. As the Principal is the responsible party in High School athletics, it is recommended that he carry on all correspondence with the Board of Control and the Commissioner.

5. By passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

6. Mutual agreements to violate the rules of this association shall result in suspension of all schools concerned.

7. Visiting schools shall be held responsible for the conduct of visitors from their home city regardless of the place of the contest.

8. For athletic purposes the record at the end of a semester shall be final. Deficiencies in one semester can not be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure. Back work may be made up and counted toward eligibility during the summer provided it is done and becomes a matter of final record prior to the opening day of the next semester.

(See Questions and Answers under Summer School Work.)

9. The baseball season is defined as beginning and ending with the school year.

10. The Principal of each school or a teacher in his school delegated by him in writing shall represent such school at all meetings of the Association.

11. Schools may have as many teams in the same sport as they desire, and all rules apply to all teams and all individuals on all teams.

12. A temporary regulation of the I. H. S. A. A. shall be understood to be a regulation having effect until the next meeting of the Athletic Council at which time it will be subject to the disposal of this body.

13. A High School that is suspended or expelled from the I. H. S. A. A. shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension or expulsion, according to the Sections in the Constitution and the rules and regulations governing memberships.

14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

Note: The undue influence rule is applicable to the retention of a student as well as to the securing of a student.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. **The answers have been given according to the rules of the association and the interpretations of the several Boards of Control.** It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

* * * *

2.

Q. May a student, who has been in High School four full years, but who has not participated in any athletics, participate in athletics?

A. No. Enrollment rather than participation is the determining factor in such cases.

If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. A. When the student has been enrolled one calendar year, following his latest enrollment in "A," provided he is eligible in all other ways.

9.

A. By his parents actually, legitimately and correspondingly changing their place of residence to the new High School district or by enrollment for one calendar year provided no undue influence is used.

* * * *

16.

Q. Where should students attend high school?

A. They should attend the high school, if any, in the school district in which their parents live. Any variation requires an explanation and justification.

* * * *

17.

Q. When will a student, who changes high schools in a semester prior to a corresponding change of residence of his parents, become eligible in the new school?

A. At the time the parents actually complete a corresponding change of residence, provided no undue influence is attached to the situation.

* * * *

3.

Q. What is the difference between a preliminary game and a regular game?

A. There is no difference as far as the I. H. S. A. A. is concerned, as the same rules and regulations govern.

* * * *

4.

Q. If a "practice" game of basketball is played is it to be counted as one of the eighteen games on the regular schedule?

A. Inter-"practice" games are regular games and must be counted as such. Intra-"practice" games are not counted as regular games.

179

In fact, there are no such things as practice games in the I. H. S. A.
A. There are practice games within the school only.

A. No. Games are "inter"-contests or "inter"-scrimmages with or without admission charges.

6.

Q. Is an alumni game considered a game?

A. Yes. Such must be counted as one of the games permitted on the regular schedule.

* * * *

7.

Q. What is considered an "inter" game or an "inter-scrimmage?"

* * * *

16.

Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?

A. Yes.

* * * *

17.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

I. Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships).

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The High School Principal in any high school belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.

3. The I. H. S. A. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A. A.

4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.

5. The I. H. S. A. A. requests Principals having 9th grade students enrolled to confer and co-operate with the Senior High School Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The I. H. S. A. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

8. A 9th grade student may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tourneys and meets in which more than two teams compete, except in play days, etc., held in same city school system. This exception shall not be interpreted as giving sanction to regular athletic tourneys and meets.

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request.

18. See modified membership regulations immediately following.

II. Modified Membership Regulations

Section 4, Article II, reads: "Modified membership may be extended to any public high school offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single

athletic games and contests with other schools belonging to the I. H. S. A. A. but not in meets and tourneys in which more than two teams participate except in meets and tourneys in which only the teams from the high schools of the same city participate."

It must be clearly understood that a modified membership is a membership in the I. H. S. A. A. that requires the Principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

* * * *

1.

Q. What type of school may hold a modified membership?

A. A High School offering and maintaining less than three years of high school work.

* * * *

A. No. A full membership meets the requirements.

* * * *

3.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?

A. No. Schools holding modified or full memberships are required to use students in the 9th, 10th, 11th and 12th years of school work.

* * * *

4.

Q. May schools holding modified memberships compete with High Schools who do not hold membership in the I. H. S. A. A.?

A. No. Permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

* * * *

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No. These students are not eligible for any teams in high schools holding any type of membership in the I. H. S. A. A.

192

6.

Q. May a 9th grade student, who is enrolled in a Junior High School, participate on the Senior High School team?

A. No. If the Junior High School holds a modified membership. Yes, if the Junior High School does not hold a modified membership.

BASEBALL

1.

Q. Does a high school student violate the rules of the I. H. S. A. A. by playing independent baseball (hard or soft) during the summer?

A. High school students may play independent baseball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. Reasonable meals, lodging and transportation may be accepted by such players if accepted in service and not in any other way. All such playing should be checked carefully by Principals. I. H. S. A. A. information certificates will be furnished upon request.

(Note: This answer applies to other summer sports, not having definite seasons, provided other rules and regulations of the I. H. S. A. A. are observed.)

* * * *

2.

Q. Is a student, who plays on an independent baseball team during semester one, ineligible for high school baseball during semester two?

A. Yes. Such a student is ineligible for baseball for semester one, also, as baseball is a school year sport.

* * * *

3.

Q. If a student plays on an independent team in either hard or soft baseball during the school year, does he make himself ineligible for both hard and safe baseball in high school?

A. No. He makes himself ineligible only in the sport in which he participates on an independent team, provided he does not violate his amateur standing in some way.

* * * *

4.

Q. Are soft baseball and hard baseball considered separate sports?

A. Yes, except that an official who is approved in "Baseball" may be considered eligible to officiate either soft baseball or hard baseball.

193

SUMMER SCHOOL WORK

1.

Q. Does summer school work in a school other than his home school jeopardize the standing of a student?

A. No, provided the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I. H. S. A. A. recommends summer school work of an approved type for students needing credits.

* * * *

2.

Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?

A. Back work during the summer may be counted toward eligibility provided: (1) it be done according to the regular rules of the school and according to good school procedure (2) no more than two credits be given for work done during the summer months (3) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (4) all work and credits be bona fide in every way and certified as such by the High School Principal.

* * * *

3.

Q. What attitude is taken by the Board of Control regarding make-up work?

A. Tutorial work, front porch recitations and shade tree siestas to make up work during the summer months are not looked on with favor in the I. H. S. A. A. Board of Control. The Board is opposed to the giving of credits to students who fail in a subject for semester two of a school year, then take an examination, with or without additional work during the summer, for credit toward eligibility in athletics for semester one of the following school year.

Work done by a student in a regularly accredited summer school may be counted toward eligibility to the extent of two credits only for any one summer.

* * * *

4.

Q. When should a student receive a credit in a subject?

A. A student should pass and receive credit in a subject at the end of the semester in which the work is done if it is desired to count this subject toward eligibility in athletics for the next semester, with the understanding that a student may count as many as two credits toward eligibility if made in a regularly sanctioned summer school.

MISCELLANEOUS

1.

Q. May a High School schedule and play games during the week?

A. The I. H. S. A. A. has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

* * * *

2.

Q. May students, who are ineligible for the first team, play on teams of lower ranking?

A. No. Ineligibility for one team means the same for all teams.

* * * *

3.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes. This one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school for five consecutive days due to illness or injury must present to his Principal a statement from a regularly licensed physician (M. D.) that he is again physically fit to participate in interscholastic athletics.

* * * *

4.

Q. Does the I. H. S. A. A. stipulate any price for tickets to other than tournaments and meets held strictly under the supervision of the Board of Control?

A. No. Other than a recommendation that reasonable prices be made at all times for all games.

5.

Q. Is a student, who is expelled from High School one semester, eligible for the following semester?

A. The I. H. S. A. A. has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the I. H. S. A. A. are binding on a student under expulsion or suspension. See **Conduct** rule.

* * * *

6.

Q. May a High School support a grade team in the same school system out of its athletic funds?

A. Yes.

7.

Q. May two or more High Schools combine to form one athletic team?

A. No. This is not permitted under any conditions, unless they legally consolidate and become one school.

* * * *

8.

Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?

A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

"Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible."

* * * *

9.

Q. May the rules of a school be changed or special examinations be given in order to make students eligible?

A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

* * * *

10.

Q. Does wrestling come under the rules of the I. H. S. A. A.?

A. Yes. All "inter" athletic participation comes under the I. H. S. A. A.

* * * *

Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

12.

Q. May High School students take part in tourneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.?

196

A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal. See regulations for baseball in this handbook.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

* * * *

14.

Q. What is considered the school year?

A. An all-inclusive answer for all time and under all conditions can not be given, but the use of any of the following inducements may come under the rule:

A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence. A. No. The High School Principal has agreed to conduct his athletic activities according to the rules and regulations of the I. H. S. A. A. * * * *

32.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?

A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

* * * *

33.

Q. What steps should be taken in ineligibility cases?

A. In cases in which an ineligible student has been used in inter-school athletics the following steps should be taken immediately by the High School Principal:

1. Inform the I. H. S. A. A. office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The I. H. S. A. A. should be informed as to how the error was made.

2. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these Principals to notify the I. H. S. A. A. office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The I. H. S. A. A. reserves the right to request additional information and to make final decisions after a careful investigation has been made.

* * * *

36.

Q. Do seniors have any rights and privileges in athletics not granted to other students?

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION INDIANAPOLIS, INDIANA

November 14, 1942

November 21, 1942.

The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1942, and have examined or tested accounting records of the Association and other supporting evidence by methods and to the extent we deemed appropriate.

The following comments relate to the scope and nature of our examination:

Cash on deposit at November 14, 1942, in the amount of \$3,255.13, was reconciled with the amount reported directly to us by the Fletcher Trust Company, Indianapolis, Indiana. The recorded cash receipts for the year were reconciled with deposits as evidenced by bank statements submitted for our inspection. Canceled checks returned by the bank for the year were compared with the record of cash disbursements. We examined invoices, expense reports, and other data supporting the recorded cash disbursements.

The income recorded from the state final basketball tourney is stated as reported by the Commissioner without independent examination of ticket sales. The Commissioner's report of detailed information covering the concessions, tickets, and expenses of the final tourney was presented to the Board of Control at its meeting of April 4, 1942. We compared the recorded income from the sectional, regional, and semi-final tourneys with reports, signed by the high school principals, on file from the tourney centers. The income recorded as fees and dues was reconciled with published lists of the number of registered officials, tourney entrants, and member schools.

We inspected the United States Bonds on hand at November 14, 1942, as shown by an appended schedule.

Insurance in force at November 14, 1942, was as follows:

Larceny and embezzlement bond—Arthur L. Trester, Commissioner	\$ 40,000.00
Burglary and robbery—safe deposit box—each risk	112,000.00
Public liability—owners, landlords, and tenants	20/100,000.00
Workmen's compensation	All employees

The recorded minutes of the meetings of the Board of Control and of the Athletic Council were reviewed by us.

Opinion

In our opinion, the accompanying statement of cash receipts and disbursements correctly presents the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1942.

ERNST & ERNST,
Certified Public Accountants.
