MERRITT C. REED
President I. H. S. A. A. Board of Control

ADDRESS TO INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Merritt C. Reed

The Indiana High School Athletic Association, since its beginning some forty-two years ago, has attempted to serve the many secondary schools in this state by its leadership in a democratic organization. This organization had as its goal fair play and equal opportunity for each and every boy and girl in the high schools of the State of Indiana. It was, and still is, a purely voluntary organization which was originated by the school men and still is under their control. These school men organized it, made its rules, regulations and still form the bodies which function in making new rules or changing the ones which seemingly have become out-moded.

The past four years have been ones in which the organization has faced many difficulties made necessary by the war. Transportation of players in inter-school contests was made more difficult because of the great need for gasoline and tires in carrying on the war effort.

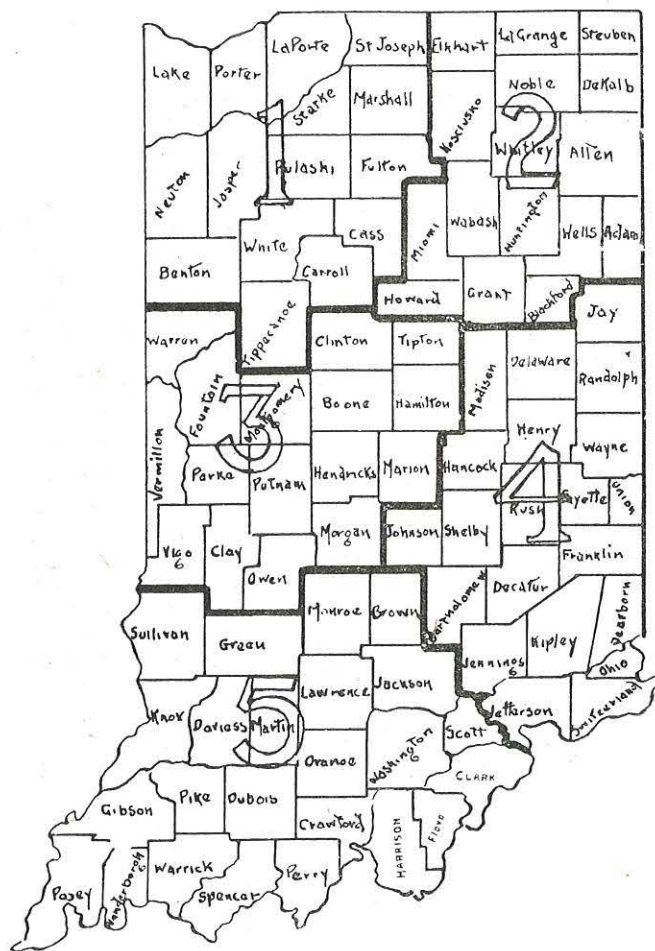

The I. H. S. A. A. has always gone on the theory that good, clean athletic competition is one of the best methods of building the body physically, mentally and morally. The physical advantages of athletics for the high school student have proved invaluable in many instances during these past few years. Keen competition is a challenge in any phase of our living. Without competition we lose our alertness and gradually become indifferent to the betterment of ourselves.

Therefore, the policy of the I. H. S. A. A. as to its activities during this period has been: "To proceed as well as we can for as long a time as we can under the rules, regulations and wishes of our government." The association has striven to retain its ideals and policies with the hope that school athletics in Indiana will remain on the high plane that it has enjoyed in past years. Without the splendid cooperation and fine spirit given this body it would not have been possible.

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE THIRTY-FOURTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full; with the distinct understanding that the Board of Control reserves the right to readjust the scheme and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

SECTIONAL TOURNEYS

February 22, 23 and 24

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location,—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions,—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney, and the assignment of all schools is given below. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary.

MANAGEMENT—The exclusive control of these tourneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board and every attempt will be made to choose none but fair, disinterested and competent men. Two officials will be assigned to tourneys having 8, 9, 10, 11 or 12 teams, and three officials will be

assigned to tourneys having 13, 14, 15 or 16 teams. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.

TOURNEY REQUIREMENTS—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team known as the first team and representing the High School, has played eight (8) inter-scholastic games during that season. Schools holding less than full membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following scheme:

1. Entertainment for all teams in all tourneys will end not later than 10:00 P. M., Saturday, February 24.
2. Entertainment for all teams will begin as follows:
 - a. In 8 and 9 team tourneys,—5:00 P. M., Friday, February 23.
 - b. In 10, 11 and 12 team tourneys,—12:00 Noon, Friday, February 23.
 - c. In 13, 14, 15 and 16 team tourneys,—5:00 P. M., Thursday, February 22, for teams playing on this evening and 8:00 A. M., Friday, February 23, for other teams.
3. In 8, 9, 10, 11 and 12 team tourneys, one extra round-trip transportation and one extra meal will be given to the teams playing Thursday evening, February 22.
4. All tourneys will begin at 7:00 P. M., Thursday evening, February 22. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 and 9 team tourneys; and there will be no games Friday morning in 10, 11 and 12 team tourneys. Principals may arrange their school work accordingly.

Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, February 20, (2) transportation only, one round trip, may be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowances shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of the school securing such and not an expense of the tourney, (5) teams arriving late or leaving a tourney early should not expect full tourney entertainment.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as revenue tax, meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.
2. The Center High School shall receive one hundred dollars (\$100).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.
7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.
8. One-half of the sixth balance shall be divided on the basis of season ticket sales in the local communities on or before 5:00 p. m. Thursday, February 22. Season tickets sold after this hour and date can not be counted in finding the share of any one school. Keep the two lists separate at all times.
9. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

10. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

Note—The amounts provided for the Center School shall not be divided among the participating schools as a bid for a tourney or in payment for the support of these schools. The expenses of a Manager, if any, belong to the Center School and not to the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. Entries positively will close Friday, February 9. All entries must be in the I.H.S.A.A. office before 5 P. M. Friday, February 9. Do not mail entry blanks before February 1. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted. The Board of Control has so ruled.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

1. Session ticket (All tourneys):	
Established Price	\$.42
Tax08
Total50
2. Season ticket:	
a. Four-session tourney:	
Established Price	\$1.00
Tax20
Total	1.20
b. Five-session tourney:	
Established Price	\$1.25
Tax25
Total	1.50
c. Six-session tourney:	
Established Price	\$1.50
Tax30
Total	1.80

Tickets shall not be sold for more or less than the prices here given. No more tickets shall be sold than the seating capacity of the house will justify. Standing room shall not be sold or used. All requirements of the State Fire Marshal and the City Fire Marshal shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on dis-

tance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on Monday, February 19. Much ticket information can be secured prior to this date. Center Principals and participating Principals should communicate with each other on Monday morning, February 19. This responsibility is mutual. All Principals have duties in this matter. Any unfair methods or prices higher than those mentioned in this announcement should be reported to the Board of Control with evidence. The division on season ticket sales shall be made on the basis of such tickets being sold and paid for on or before 5:00 P. M. Thursday, February 22. All schools must observe this provision. Season tickets sold after this hour and date should not be credited to any one school in the sharing and should be reported separately.

TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used, if available.

RADIO SERVICE—Stations in Indiana may broadcast I. H. S. A. A. tourneys provided the requirements in the I. H. S. A. A. rules and regulations governing broadcasting are observed. The managers of the stations and the Tourney Principals will have copies of these rules and regulations.

SOUVENIR PROGRAMS—Souvenir programs other than those provided by the I. H. S. A. A. shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. All Principals should notify their business men now.

PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games. This ruling is meant to protect the vision of the players.

GOVERNMENT TAX—The tax on all tickets in all tourneys will be assumed and paid by the tourney management out of tourney receipts. Ticket prices were determined with this in mind.

SUGGESTIONS—Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc., etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

WARNINGS—Entries close Friday, February 9, and can not be changed or received afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entry blanks and checks to L. V. Phillips, 812 Circle Tower, Indianapolis, Indiana. All data must be given on entry blank. Get all right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted.

Management—The Board of Control has designated the Commissioner as Manager, and Fred R. Gorman, Technical High School, as Assistant of this tourney. The 'phone numbers are as follows:

Commissioner—MARket 9793

Gorman—MARket 6331

Press reservations will be handled by Fred R. Gorman, Technical High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

Tickets—All tickets will be handled through the I. H. S. A. office according to the following scheme:

1. Season tickets and these only will be sold prior to Saturday, March 17, 1945. In recent years all tickets were sold prior to this date. If the capacity of the house is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity this year is about 11,500, thus necessitating again reduction in allotments.

2. Tickets will be sold only through the Principals of the High Schools belonging to the I. H. S. A. and having teams entered in

BOSSE, EVANSVILLE, HIGH SCHOOL BASKETBALL TEAM
1945 State Champions

the sectional tourneys, obligating them to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. The ticket order blank is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to L. V. Phillips, Commissioner, must accompany each order. **Tickets purchased can not be returned.** Please do not send money. The limitations below must be observed as given:

(a) Orders for tickets having official Post Office stamp marks on the envelopes including and from Monday, February 26, to and including Wednesday, March 7, will be accepted if received not later than Thursday, March 8. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Each High School Principal, having a team entered in an I. H. S. A. A. Sectional Basketball Tourney for 1945, and each High School Principal holding a modified membership in the I. H. S. A. A., may order tickets to three (3) percent of his High School enrollment as of September 23, 1944, and as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than two tickets. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. **If there are questions, ask them now.** All enrollments will be checked with the report herein mentioned. **Be sure you are right.**

6. All tickets remaining unsold after the High School Principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the Principals of the 64 sectional tourney winning schools if ordered by them. These Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that may be distributed to them as sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than the tickets remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be no tickets or only a few tickets so remaining. None are guaranteed. Tickets purchased can not be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from February 26 to March 7, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in this order.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is a method entirely by lot and the scheme automatically assigns the seats. The location of seats of any particular school depends upon a number of things,—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

WARNINGS—Entries are due Monday, March 12, and can not be changed afterwards. Special privileges will not be granted to anyone. Send all entry blanks to L. V. Phillips, 812 Circle Tower, Indianapolis, Indiana. All data must be given. The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Tourneys.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Coliseum when they choose in any session, but they can not re-enter until the next session. The seats will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found at each end of the Coliseum.

7. Tickets will indicate the Gate, Section, Row and Number. As you approach the Coliseum look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the north side of the playing floor and two blocks in the middle on the south side of the playing floor, having 675 seats to the block, will be reserved for the four schools whose teams are in the tourney until Monday, March 12. Twelve blocks of seats, immediately around the playing floor and with 100 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The High School Principals whose teams are represented should get in connection with the I. H. S. A. A. Office on Monday, March 12, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the west end of the Coliseum. Look for the sign. A tourney physician and a nurse will be available.

ARTHUR L. TRESTER

A MEMORIAL

ARTHUR L. TRESTER,—a man who had a positive outlook on life, a belief in a fuller and richer philosophy; one who possessed courageous integrity—passion for truth with an unbiased attitude; a personality that reflected dignity, poise, and forcefulness among professional and lay groups; a confidence in the judgments of high school boys and girls and a champion for their educational welfare;—all of which constitutes a philosophy which has contributed to the building of an association which is an integral part of our Indiana secondary school program.

As a partial expression of our high esteem and sincere appreciation of the life of Arthur L. Trester, the Indiana High School Athletic Association establishes this memorial to be known as "The Arthur L. Trester Medal for Mental Attitude," this medal to be awarded each year to the boy, who in the Finals of the State Basketball Championship Series, shall qualify for this award.

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the I. H. S. A. A. Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Medal for Mental Attitude."

It is an exceedingly difficult job for the Board of Control to select one boy out of forty good boys as a recipient of this medal. All of these forty boys are not equal in mental attitude or in any other attitude. They are not equal in skill and performance. The large majority of the boys, however, are good boys and many of them could be chosen for the mental attitude award. In the choosing of one boy several good and deserving boys are left out.

The I. H. S. A. A. Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Medal for Mental Attitude.

By High School Principal By High School Coach

The Principals and coaches of the four schools filed with the I. H. S. A. A. these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

Max Allen, Broad Ripple High School, Indianapolis, was chosen unanimously by the Board of Control to receive The Arthur L. Trester Medal for Mental Attitude.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few, if any, boys on the winning teams have secured the prize but it is not true that the I. H. S. A. A. has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are eight hundred and thirteen (813) High Schools belonging. The membership has had a gradual growth through the years, and now includes almost all of the High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the Board members of the I. H. S. A. A. follows:

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been upheld as an ideal by the Association through the forty years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., November 18, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel and J. L. Tierney.

The Coliseum located at the Indiana State Fairgrounds was considered for future I. H. S. A. A. Basketball State Final Tournaments. The Acting Commissioner was instructed to secure information relative to facilities, terms of contract, balcony construction, etc., of the Coliseum.

WASHINGTON

Henry Borders, Catholic High School of Washington, participated in an independent basketball game on Sunday, February 27, 1944, following the Sectional Tourney.

Decision—Henry Borders is declared ineligible for basketball playing until January 1, 1945 because he played in a basketball game following the Sectional Tourney, and also because I. H. S. A. A. rules prohibit Sunday high school games and practices.

MAXWELL

James Basey, Maxwell High School, attended Carthage High School during Semester I of 1943-44. At the beginning of Semester II he

moved to West Palm Beach, Florida. After one month of school attendance there he withdrew because of illness. Principal Harrel has asked about the eligibility of James Basey for Semester II of 1944-45.

Decision—James Basey is declared ineligible for athletics in Maxwell High School until he has been enrolled there one calendar year. This decision is based on the fact that he made a change of high schools without a corresponding change of residence of his parents.

Applicants for the position of Commissioner of the I. H. S. A. A. were interviewed by the Board of Control.

The Board of Control considered the case of the baseball schedule of Howard County. Principal C. D. Callis and Coach Earl Erwin of Greentown and Principal Dwight Singer of Howard Township appeared before the Board. A misunderstanding arose relative to the scheduling of a baseball game between Howard Township School and Greentown High School. This game was not played, but Howard Township School was declared the champion of Howard County. Contracts were not used in the scheduling of these games.

The Board of Control was asked to rule on this championship because Greentown High School did not agree that Howard Township School had won the championship for baseball in Howard County for 1944.

Decision—Apparently no rules of the I. H. S. A. A. were broken and therefore no Board decision could be rendered.

It is the opinion of the Board, however, that more careful attention should be given to baseball scheduling in Howard County and that definite policies of scheduling as to place of games should be adopted by the Howard County Athletic Board. The I. H. S. A. A. Board of Control cannot determine baseball dates nor county championships as these are the duties of the County Board of Athletics.

The Board of Control was asked to consider permission for the Indianapolis Basketball Sectional Tournament to be held in the Butler University Field House.

HUNTINGTON

The case of John Fisher, Huntington High School, was considered. John Fisher attended Logansport High School in his 9th grade, Campion High School in Wisconsin in his 10th grade, and then enrolled in Huntington High School. His parents had moved from Logansport to Huntington in the summer of 1944.

Decision—John Fisher changed high schools without a corresponding change of residence of his parents. Therefore, he is ineligible for athletics in Huntington High School until he has been enrolled there one calendar year.

The meeting adjourned to meet at 10:00 o'clock Saturday morning, November 25, 1944, in Lafayette.

Morris E. McCarty,

President and Acting Commissioner.

The further consideration of candidates for the position of Commissioner of the I. H. S. A. A. was continued by the Board of Control.

A motion was made, seconded and unanimously carried that the contract for a new Commissioner should consist of a short-term contract beginning January 1, 1945 and ending July 31, 1945, and a three-year contract beginning August 1, 1945 and terminating July 31, 1948.

The Acting Commissioner was instructed by the Board of Control to secure seating capacity data of the Purdue, Indiana, Muncie, Notre Dame and Butler Field Houses. This data will be used in the selection of semi-final tourney centers.

Further, the Acting Commissioner was instructed to secure sanction of Mr. Richard Miller of the Indianapolis Coliseum Corporation to the Board of Control's proposal for a three-year contract with the Indianapolis Coliseum Corporation for Indiana State Basketball Tournaments at \$3,000.00 in 1945, \$3,500.00 in 1946 and 1947.

Section IX—The financial settlement of all tourneys shall be made as follows:

1. Federal taxes shall be paid.
2. All legitimate expenses, such as Field House Rental, meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.

The question of allowances for team expenses in the State Tourney was considered by the Board. The allowance for meals and lodging was increased from \$48.00 per team to \$60.00 per team.

The arrangement made with the Coliseum Corporation through Dick Miller for holding the State Basketball Final Tourney at the Coliseum at a rental fee of \$3,000.00 was discussed and approved.

All tourney decisions were approved by unanimous decision of the Board of Control.

The following Resolution was unanimously adopted:

"RESOLVED, that the Acting Commissioner, Morris E. McCarty, transfer to the Commissioner, L. V. Phillips, all powers and authorities given to him by the Board of Control on September 21, 1944. This transfer is to take place on January 1, 1945."

Correspondence was reviewed and replies were authorized.

The Board of Control ruled that a returning war veteran, having served in the armed forces and having been discharged under honorable conditions, shall resume his eligibility status in high school as of the time of his induction into the armed services, providing all other I. H. S. A. A. rules are met. The "armed forces" shall be interpreted to mean such branches of the service as are included in the G. I. Bill of Rights.

The Board adjourned.

Morris E. McCarty,
President and Acting Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., January 6, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrup, Russell C. Callaway and Adolph G. Zollman. Also present were Floyd Hines and Donald Reel, members of the 1944 Board, acting in an advisory capacity, as authorized by the Athletic Council, December 16, 1944.

The Board discussed the relationship of high school athletics to wartime conditions and decided to continue with its present program so far as possible under wartime regulations.

NEW CASTLE-MOORELAND

Maurice Harter, Jr., a student in Mooreland High School, moved with his parents to New Castle, where he entered high school November 13, 1944. Due to rumors concerning undue influence being used to cause the change of residence, New Castle has not used the boy. New Castle now desires a ruling on the eligibility status of this boy. The Board instructed the Commissioner to request Principal Byford Cox of Mooreland and Principal E. C. Castor of New Castle to present in writing all available facts that might concern undue influence in this case.

FRANKTON

Robert Vollenhals and Harold Remington, students in Frankton High School, failed to make credit in three regular subjects at the end of Semester two, 1943-44. On September 6, 1944, both boys took examinations to complete credit in English for the previous semester. Both boys have been playing basketball on the Frankton team.

Decision—Robert Vollenhals and Harold Remington failed to meet the scholarship requirements—to be passing in three regular subjects at the end of the semester (1943 Handbook, page 157). Robert Vollenhals and Harold Remington declared ineligible for high school sports for the remainder of this school year. Principal M. A. Copeland is to forfeit all games won by Frankton this season in which either of the above named boys played, and to request the opposing school to notify the I. H. S. A. A. office that forfeiture has been made.

The Board reviewed some former decisions concerning which questions had been raised but decided to make no changes.

OFFICE HELP

The Board authorized the Commissioner to employ Mrs. Elsie Merrill as an additional clerk in the office at a salary of \$45.00 per week, with the understanding that she be on leave without pay during three months in the summer. The Board also authorized such other clerical help as needed.

The Board considered the terms of the 1945 Semi-final tourney contract and voted to limit the item of Field House Rental to 10% of the first balance, after the payment of Federal taxes. (Item 2.)

FIDELITY BOND

Approval was given by the Board for the purchase of a fidelity surety bond from the American Bonding Company of Baltimore,

Md., on the Commissioner, to the amount of \$40,000.00, payable to the Indiana High School Athletic Association; the premium on the policy to be paid by the Association. The bond is to be effective from January 1, 1945.

The Board voted to authorize President Reed to sign for the Association a cancellation of Fidelity Bond No. 818380, executed by the American Bonding Company of Baltimore, Md., in favor of the Indiana High School Athletic Association, and covering Morris E. McCarty from on or about September 25, 1944 to January 1, 1945. Mr. McCarty had served as Acting Commissioner during that period.

STATE BASKETBALL TOURNEY SERIES

The Board authorized the Commissioner and President Reed to make adjustments in tourney sites and to contract for new locations if this should become necessary

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., January 26 and 27, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrop, Russell C. Callaway, Adolph G. Zollman, Commissioner L. V. Phillips and Donald Reel, member of the 1944 Board of Control, in an advisory capacity as provided by the Athletic Council in their meeting December 16, 1944.

PAY OF OFFICIALS

As a war-time emergency the Board considered it necessary to increase the pay of tournament officials beyond the schedule set up in the contracts with tourney center principals. The following

schedule was unanimously adopted and the Commissioner was authorized to inform the center principals of this new schedule of pay:

Sectional

8-9 team tournaments—increased from \$50.00 to \$60.00.

10-16 team tournaments—increased from \$60.00 to \$70.00.

Regional..... increased from \$50.00 to \$60.00.

Semi-Final..... increased from \$60.00 to \$70.00.

Reserve Official\$30.00

NEW CASTLE-MOORELAND

This case is continued from an earlier meeting and concerns the eligibility of Maurice Harter, Jr., who moved from Mooreland with his parents and enrolled in New Castle High School November 6, 1944. Due to rumors that undue influence was involved, New Castle has not used the boy in inter-school athletics but requests a ruling on his eligibility as far as the undue influence rule is concerned.

Principal Castor of New Castle and Principal Cox of Mooreland were asked to investigate and to report all available evidence on the case. Principal Castor's report contained no evidence which the Board could construe as the use of undue influence. Principal Cox reported that rumors had been circulated in Mooreland in regard to the use of undue influence in the Harter case but he presented no evidence or information that undue influence had been used on the part of anyone in the change of high schools by Maurice Harter, Jr.

Decision—The Board ruled that Maurice Harter, Jr., is eligible to participate in inter-school athletic contests at New Castle High School so far as the undue influence rule is concerned with the distinct understanding that the principal of New Castle High School assumes full responsibility for defending his high school against any charges of undue influence that may be presented in connection with this case in the future.

FRANKTON

Principal M. A. Copeland, Coach Don Odle, S. L. Nash, English teacher, and W. E. Cannady, together with Attorneys Peck and Busby, appeared before the Board for a review of the cases of Robert Vollenhals and Harold Remington, two students of Frankton High School whom the Board had previously ruled ineligible under the provisions of the scholarship rules for not passing in three regular high school subjects at the end of the semester. The records, grades, attendance and the reasons for the boys not taking the examinations in English at the close of Semester II of the school year 1943-44 were reviewed. The rules and regulations of the I. H. S. A. A. on scholarship and make-up work were also studied.

Decision—No essential information or evidence which was not available to the Board when these cases were first decided was presented. The Board reaffirmed its original decision that Robert Vollenhals and Harold Remington are ineligible for high school

sports during the remainder of this school year for violation of the scholarship rules.

FUEL SITUATION AND TOURNEYS

The Board gave consideration to the directive of the Solid Fuels Administration as reported in the Press January 26, 1945 concerning the curtailment of indoor sports because of fuel shortages in some localities. The Board decided to follow the same policy which has been in effect since the war began and that is to continue as far as we can with the I. H. S. A. A. sport program under the orders, directives and wishes of the Government. It was unanimously voted to continue with plans for the sectional, regional, semi-final and final tourneys in basketball subject to any governmental orders that may be issued in the meantime.

CRAWFORDSVILLE

The request of Crawfordsville to hold an invitational wrestling meet on February 16 and 17, 1945 was approved with the understanding that no state championships could be declared or awarded since the meet is invitational and is sponsored by a member school and not by the Indiana High School Athletic Association.

TOURNEY OFFICIALS

After giving consideration to the applications, recommendations and geographical locations, a sufficient number of officials, regular and reserve, were selected by the Board for the sectional, regional and semi-final tourneys. The Commissioner was authorized to contract with the officials subject to war-time emergencies. The Commissioner was also authorized to make adjustments in the selection wherever necessary. The matter of selecting officials for the final tourney was postponed until a later date.

COLISEUM CONTRACT

The Commissioner reported that the contract for the final basketball tourney had been signed by President Reed and himself according to authorization by the Board given January 13, 1945. The contract was signed for the Indianapolis Coliseum Corporation by Dick Miller, manager, and Lieutenant-Governor Richard James, Commissioner of Agriculture for Indiana. The rental fee for the final tournament March 17, 1945 is \$3,000.00.

PRESS RELEASE

The Commissioner was instructed to hold the press releases on the tournament drawings until 8:00 A. M. Saturday, February 17, 1945.

Authority was granted to the Commissioner to sell sufficient securities, if necessary, to meet current expenses until settlements are made for the Association's share in tournament receipts.

The Board adjourned to meet on February 16, 1945 at 10:00 o'clock A. M.

Merritt C. Reed, President,
L. V. Phillips, Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., February 16 and 17, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrop, Russell C. Callaway, Adolph G. Zollman and Commissioner L. V. Phillips.

BASKETBALL TOURNEYS

1. Entry blanks were checked and all were found to have been filed within the required time.
2. Principal George Osmon of Prairie Creek High School, Vigo County, had requested permission to file an entry blank on Monday, February 12th. He was informed by the Commissioner that the entry could not be filed as the closing time was 5:00 P. M. February 9th. This decision was approved by the Board.
3. The necessary transfer of some schools to reduce certain tourneys to sixteen teams was made.
4. Assignment of officials for the sixty-four sectional tourneys was made.
5. Officials for the final tourney, regular and reserve, were selected.
6. Schedules were drawn for the sectional, regional, semi-final and final tourneys in the presence of representatives of the three Indianapolis newspapers and the three press associations.
7. Tentative assignment of officials for the regional and semi-final tourneys was made.

MENTAL ATTITUDE AWARD

In appreciation of the many years of faithful and efficient service rendered the Association by the late Commissioner, Mr. Trester, the Board unanimously voted that the "I. H. S. A. A. Medal for Mental Attitude," awarded annually to a player in the final basketball tourney, be known hereafter as the "Arthur L. Trester Medal for Mental Attitude."

The Board further voted that the Association purchase and place in the offices of the I. H. S. A. A. an enlarged portrait of Mr. Arthur L. Trester.

TELL CITY

The parents of Earl Moog live in Tell City. In the fall of 1943 Earl went to Lewisport, Kentucky to live with an uncle and aunt. He entered Lewisport High School and attended there during his freshman year. He returned to the home of his parents in time to enroll in Tell City High School at the opening of school in September, 1944. Principal Lee reports that he has been playing on the second team in basketball during the present season.

Decision—The change of high school rule applies in this case. Earl Moog very definitely changed high schools without his parents or anyone with whom he lived changing residence, which made him ineligible for athletics in Tell City High School for one calendar year from date of enrollment in September, 1944.

Tell City High School is placed on probation until January 1, 1946 and required to forfeit all games in which Earl Moog has participated this school year. The forfeiture is to be in writing accompanied by a request that the opposing school notify the I. H. S. A. A. that forfeiture has been made. Tell City High School is to send the I. H. S. A. A. a list of all games in which Earl Moog participated.

MISHAWAKA

Principal Chapman of Mishawaka asked if credit given for work experience in a factory could be counted toward athletic eligibility.

The Board directed the Commissioner to write Principal Chapman for a more detailed description of this course before making a decision. The Board desires to know the method of determining credit, the amount of instruction and supervision by licensed teachers, if the student is paid for this work experience and if the plan is approved by the State Department of Education.

BASKETBALL OFFICIATING

Several cases of persons officiating basketball games without approved registration cards have been called to the attention of the I. H. S. A. A. office. The Commissioner was directed to write those persons asking for a complete report as to names of schools for whom they had officiated and the dates of games officiated.

INVITATIONAL SWIMMING MEET

The Commissioner reported that the request of Principal Lynn Miller, Jefferson High School of Lafayette, to hold an invitational swimming meet February 17, 1945 had been granted with the distinct understanding that the meet was not a state meet and that no state championships be declared since the meet was invitational and was being held under the auspices of a member school and not the I. H. S. A. A.

EXPENSES OF COUNCIL MEMBERS TO STATE TOURNEY

The Board voted to allow members of the Athletic Council attending the state basketball tourney expenses for actual mileage and not to exceed Six Dollars (\$6.00) for hotel and meals.

OOLITIC

Principal W. G. Scales of Oolitic reported that Curtis Vernon Cobb attended Oolitic Schools through the eighth grade. His mother is dead and his father works and resides in Charlestown, Indiana. The boy was placed in Bedford High School for his freshman year 1943-44 and withdrew two weeks before the close of school. In September, 1944 he enrolled in Oolitic High School where he was declared ineligible for one semester because he had failed to pass in three regular subjects in Bedford High School the previous semester. Beginning with semester two of this school year he has participated in inter-school basketball games with Oolitic teams. The father continues to work and reside in Charlestown, Indiana.

Decision—Curtis Vernon Cobb clearly changed high schools without the change of residence of his father or of anyone else with whom he lived and the change of residence rule applies. He was ineligible for one calendar year from the date he enrolled in Oolitic High School in September, 1944. Oolitic High School is placed on probation until January 1, 1946 and is required to forfeit all games in which Curtis Vernon Cobb participated. Oolitic High School is to notify all opposing teams of the forfeiture and request those high schools to notify the I. H. S. A. A. by letter that the forfeiture has been made. Oolitic High School is to file with the I. H. S. A. A. a list of all games in which Curtis Vernon Cobb participated.

TROPHIES AND AWARDS

The Commissioner was authorized to purchase suitable team trophies and individual awards for the state championship and runner-up teams in the state final basketball tourney.

AMATEURISM RULE

Study and discussion was given to the I. H. S. A. A. rule on Amateurism. It was decided that a high school student who participates in an independent sport may attend without losing his amateur standing schools of instruction and clinics in that sport, provided such schools of instruction are sponsored by and conducted under the auspices of a nonprofessional athletic organization. This interpretation in no way alters the rules on the eligibility of a high school student who participates in an independent sport.

The Board adjourned to meet at 7:30 P. M. March 16, 1945.

Merritt C. Reed, President,
L. V. Phillips, Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., March 16, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrop, Russell C. Callaway, Adolph G. Zollman and Commissioner L. V. Phillips.

TOURNEY DATES

1. The Board fixed the dates for the 1946 Sectional Track Meet, the date to be May 17 or 18, 1946 (if held).

2. Consideration was given to the dates for the 1947 Sectional Basketball Tournays. It was decided to give this matter further study until the next meeting.

SECTIONAL AND STATE TRACK MEETS FOR 1945

The Board discussed preliminary arrangements for the 1945 Sectional and State Track Meets. Invitations on file to hold Sectional Meets were considered and the Commissioner was directed to secure additional invitations sufficient in number to hold fifteen Sectional

Meets. The Commissioner was also directed to negotiate with Technical High School of Indianapolis to secure a place to hold the State Meet and also to order the trophy and medals and to proceed with other necessary arrangements.

Fred R. Gorman was designated as Assistant Manager of the State Meet.

ELIGIBILITY CASES

1. Chesterton.

Chadwick Lee Brooks, a junior in Chesterton High School, has attended that high school since he enrolled as a freshman in September, 1942. In the fall of 1944 after school had opened his parents moved to Liberty Township which adjoins the Westchester Township in which Chesterton High School is located. The trustee of Liberty Township agreed to give the boy a transfer and he has continued to attend Chesterton High School.

Decision—Chadwick Lee Brooks is considered eligible to participate in athletics at Chesterton High School so far as the change of residence rule is concerned, provided no undue influence was used to retain him in Chesterton High School. The Board reserves the right to re-open the case provided any question should be raised in regard to the use of undue influence.

2. Bloomington, Horace Mann (Gary) and Lew Wallace (Gary).

On February 24, 1945, an exhibition swimming meet was held at Indiana University between the Indiana University swimming team and a swimming team representing the Indianapolis Y. M. C. A. Three high school events were included in the exhibition meet. So far as the high schools were concerned, this was unauthorized and was not sponsored by any member high school. Bob Tannehill, a pupil of Horace Mann High School of Gary, Douglas Rousch, a pupil of Bloomington High School, and Nick Dorrell, a pupil of Lew Wallace High School of Gary, participated in the high school events. Bruce Kinsey, an ineligible student of University High School of Bloomington, also participated.

Decision—Bob Tannehill of Horace Mann of Gary, Douglas Rousch of Bloomington High School and Nick Dorrell of Lew Wallace of Gary are declared ineligible to represent their respective high schools in swimming events during the remainder of this school year.

POST SEASON GAMES

The Board considered the matter of post-season games in basketball and unanimously voted to reaffirm the position taken by the Board of Control on March 18, 1944, which is as follows:

"It was unanimously decided that the long standing and firmly established rules and regulations of the I. H. S. A. A. prevent the playing of post-season games by players or teams in any basketball game, tourney or series of games for any purpose. It has

been considered for years that high school students have played enough basketball during the regular season and during the tourneys arranged by the I. H. S. A. A. The best interests of the health welfare of the players and the educational welfare of the schools support this viewpoint."

OLIVER JUNIOR HIGH SCHOOL

The application of the Oliver Junior High School of South Bend for a modified membership in the I. H. S. A. A. was considered and found to be complete and regular in every detail. The application for modified membership was approved.

MEETS, PLAY DAYS, ETC.

The Board directed the Commissioner to consider applications for meets, play days, etc., and to sanction those which conform to the rules and regulations of the I. H. S. A. A. in every way.

MATTOON, ILLINOIS NIGHT RELAYS

Sanction was given to Indiana high schools within one hundred miles of Mattoon, Illinois to participate in the Mattoon Night Relays on April 27, 1945.

BLOOMINGTON

The Board considered the request of Bloomington High School and University High School of Bloomington to accept a trophy from Carl H. Snoddy, a Bloomington business man, the trophy to be rotated between the two schools and to be held by the school winning the regularly scheduled basketball game.

Decision—Permission was given to accept the trophy provided no commercial or other undue significance is attached to the giving of the trophy to the two schools.

MISHAWAKA

Consideration was given to the request of Principal F. W. Chapman of Mishawaka High School to count credit earned in a work experience course in the Trade Curriculum toward eligibility in athletics.

Decision—Permission was given to count such credit toward eligibility provided the following requirements are met: (a) That the work is carefully supervised by a regularly licensed teacher or supervisor. (b) That definite and accepted standards of measurement for credit earned be used. (c) That such credit be approved by the State Department of Education and counted toward graduation from high school.

The Board adjourned to meet immediately following the afternoon session of the State Basketball Tournament March 17, 1945.

Merritt C. Reed, President,
L. V. Phillips, Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., March 17, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrop, Russell C. Callaway, Adolph G. Zollman and Commissioner L. V. Phillips.

ARTHUR L. TRESTER MEDAL FOR MENTAL ATTITUDE

The members of the Board observed the playing of members of the four state finalist teams during the afternoon games. The information cards, signed by the principal and coach of each of the players, were carefully analyzed. This information was combined with the observations made by the Board members while the players were in action. Following the second half of the final game, the Board members voted unanimously to award the "Arthur L. Trestler Medal for Mental Attitude" to Max Allen, a member of the Broad Ripple High School team.

The Board adjourned to meet at 10:00 A. M. Saturday, March 31, 1945.

Merritt C. Reed, President,
L. V. Phillips, Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., March 31, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrop, Russell C. Callaway, Adolph G. Zollman and Commissioner L. V. Phillips.

I. TRACK MEETS

The Board decided to proceed with plans to hold Sectional Track Meets May 11 and 12, 1945 and to hold the State Track Meet at the Technical High School Field in Indianapolis May 19, 1945. The invitations on file to hold Sectional Meets Friday, May 11, or Saturday, May 12, were considered and fifteen Sectional Centers were selected together with schools assigned to these centers. It was decided to charge no more than thirty cents admission including tax for the Sectional and Final Meets. The financial and medal arrangements of 1944 were approved for 1945 with the exception that each contestant and one coach from each school within eighty miles of Indianapolis is to have expense allowance increased from \$1.00 to \$2.00 while the amount for schools over eighty miles from Indianapolis is increased from \$2.50 to \$4.00. The Commissioner was authorized to employ Fred R. Gorman as Assistant Manager and to complete all arrangements for the Final Meet.

II. FINAL BASKETBALL TOURNEY

The ticket orders, ticket sales, ticket distributions, finances and other important matters concerning the State Final Basketball Tourney Saturday, March 17, were examined carefully and considered correct by the Board of Control. The records on file in the I. H. S. A. A.

show the exact number of tickets printed, the names of the purchasers, the number of complimentary tickets given, the number of tickets on hand and the number of tickets sold. The cash book and the bank book show the deposits for the tickets sold. The reports will be kept on file for the observation of any interested party.

III. SECTIONAL, REGIONAL AND SEMI-FINAL TOURNEYS

The management, officiating and financial reports of these Tourneys were checked and no reason was found to investigate any of these Tourneys in addition to the checking that has been done already. All reports are on file in the I. H. S. A. A.

IV. MENTAL ATTITUDE AWARD

The Board gave consideration to a written protest filed by the Vincennes Chamber of Commerce against the discontinuance of the Gimbel Award for Mental Attitude, but no action was taken at this time.

V. ELIGIBILITY CASES

WHITING

Three senior boys in Whiting High School who are attending their seventh semester and who will complete requirements for graduation at the end of the first semester of the 1945-46 school year desire to participate in the Commencement exercises this spring. They expect to enter the military service at the end of their eighth semester. Principal E. L. Riordan desires to know if participation in this year's Commencement will jeopardize their athletic eligibility status for next fall semester.

Decision—The eligibility of the three boys will not be jeopardized by participating in the Commencement exercises provided they have not actually graduated, are not listed as graduates and do not receive diplomas.

AUBURN

DeVon Hough attended Butler High School during the school year of 1943-44. On January 3, 1944 DeVon's father entered the Army. DeVon and his mother continued to live in Butler until the close of school. During the summer DeVon and his mother lived near the Camp where his father was stationed. At the beginning of the school year DeVon came to Auburn to live with his grandfather and to attend school at Auburn. The mother continued to live near the Camp where the father is stationed.

Decision—Due to the residence being discontinued in Butler because of the father's service in the Army, DeVon Hough is considered eligible at Auburn so far as the change of residence rule is concerned provided no undue influence is attached to his enrollment in Auburn High School.

WATERLOO HIGH SCHOOL

Jerry Houser attended Waterloo High School for three years. In the fall of 1944 he enrolled in the Paul Jones Academy in Tennes-

see. His parents did not move to Tennessee. Jerry has now returned to Waterloo High School in order to complete his graduation at an earlier date.

Decision—Jerry Houser became ineligible when he changed high schools without any corresponding change of residence on the part of his parents. He is, therefore, ineligible for athletics in Waterloo High School for one calendar year from the time he returned to Waterloo High School under the change of residence rule.

BROOK

William Parke entered Brook High School as a freshman and attended regularly until he withdrew to enter the U. S. Marine Corps on April 17, 1944. He now has a medical discharge and re-enrolled March 12, 1945 to complete his unfinished semester. Superintendent H. L. Stafford desires to know his present eligibility status.

Decision—The Board ruled that William Parke now has the same eligibility status as when he withdrew from Brook High School April 17, 1944, provided he has not enrolled in any other high school before returning to Brook High School.

VI. POST-SEASON BASKETBALL PLAYING

Consideration was given to a number of reports of high school students participating in post-season independent basketball games. The Commissioner was directed to inform principals in each case that any high school student who participates in post-season basketball games is to be declared ineligible for all high school athletics until January 1, 1946.

VII. BOND PURCHASES

The Board directed the Commissioner to invest a minimum of Twenty Thousand Dollars (\$20,000.00) immediately in 2% U. S. Treasury Bonds for maturity in 1952-54 and to give consideration immediately to the investment of a similar amount in bonds offered for the Seventh War Loan in May. A complete record of all bond transactions is carried each year in the I. H. S. A. A. Handbook.

The date for the next meeting was set for 7:30 P. M. May 18, 1945 unless the President and the Commissioner deemed it advisable to call a meeting for an earlier date.

Merritt C. Reed, President,
L. V. Phillips, Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., May 18, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrop, Russell C. Callaway, Adolph G. Zollman and Commissioner L. V. Phillips.

I. PORTRAIT OF A. L. TRESTER

The Board voted to secure the services of Mr. Randolph Coats of Indianapolis to paint a bust-size portrait of the late Commissioner

A. L. Trester from photographs selected by Mrs. A. L. Trester. The contract price of the portrait is Four Hundred Dollars (\$400.00) with one-half the amount, Two Hundred Dollars (\$200.00), payable before work is begun by Mr. Coats and the remainder payable when the portrait is completed and accepted by the I. H. S. A. A. President Merritt C. Reed, Russell C. Callaway and Mrs. A. L. Trester were chosen as members of the committee to pass on the final acceptance of the portrait. The Board also voted to purchase a frame for the portrait from Mr. Coats at a cost of Twenty-four Dollars (\$24.00).

II. TRACK COACHES COMMITTEE

A committee representing the Indiana Coaches Association met with the Board to discuss possible changes in the I. H. S. A. A. Annual Track and Field Meet. The committee was composed of Don Knight of Indianapolis, Walter Cross of Kokomo, Rolla Chambers of Fort Wayne and R. W. Kominski of Gary. The committee presented several proposals, the most important of which was the plan to increase the sectional meets from fifteen to sixteen and the creation of four regional meets. Four men would qualify in each event in the sectionals and four men would qualify in each event in the regionals to enter the final state meet. The first two places in the relays in the sectionals would qualify for the regionals and the first four places in the relays in the regional meets would qualify for the final state meet.

The Board informed the committee that the proposals would be given careful study along with suggestions from other parties concerned. It was the opinion of the Board that important changes in plans for the Annual Track and Field Meet should not be made until publicity had been given to proposals and suggestions so that all member schools may have an opportunity to express their reactions.

III. WASHINGTON TOWNSHIP HIGH SCHOOL (CASS COUNTY)

Principal Chalmer Condon of Washington Township High School (Cass County) reported that Andrew Rech, a junior in that high school, had participated in post-season independent basketball games, under the assumed name of Rice, as a member of the Catholic Youth Organization Team of the St. Joseph's Parish of Logansport. Coach D. M. Royer of Washington Township High School and three members of the team filed letters certifying to the fact that all members of the team including Andrew Rech had been carefully instructed in the I. H. S. A. A. rules concerning eligibility. Andrew Rech also submitted a signed statement admitting that he had participated in post-season basketball games with the C. Y. O. team under the assumed name of Rice and that he did so after having been fully informed by his school in regard to all rules of the I. H. S. A. A. on athletic eligibility.

Decision—Andrew Rech is declared ineligible for all inter-school athletic participation during the remainder of his high school career for having participated in post-season independent basket-

ball games under an assumed name. Principal Condon and Coach Royer are to be commended for the prompt and thorough manner in which they handled this flagrant violation of the I. H. S. A. A. rules.

IV.

The Board voted to accept the invitation of "The Indiana Council of State Organizations" to become a charter member of that organization at an annual fee of \$10.00 beginning July 1, 1945. The purpose of the Council is to secure "the united efforts of organizations in the state which are interested in problems concerning health, welfare, education and safety."

V. TOURNEYS AND MEETS

The Board considered the regulations relating to sports events issued to the Press May 15, 1945 by the Office of Defense Transportation. Since there was no need for immediate action, the Board decided to await further developments before taking any action regarding I. H. S. A. A. Meets and Tourneys scheduled for the 1945-46 season.

VI.

The advisability of changing from the National Collegiate Athletic Association Football Rules now in use in Indiana to the rules authorized by the National Federation of State High School Associations was discussed. Most of the neighboring states now use the National Federation Rules. The Commissioner was instructed to investigate this matter further and report to the next meeting of the Board.

VII. ANNUAL MEETING

The Board of Control directed the Commissioner to proceed as follows in connection with meetings to be held in Indianapolis at the time of the Indiana State Teachers Association Convention in October:

- a. Plan a program and secure speakers for the I. H. S. A. A. Annual Meeting.
- b. Provide one speaker for the Indiana Coaches Association.
- c. Provide one speaker for the Association for Health, Physical Education and Recreation Meeting.
- d. Assist in an amount not to exceed \$50.00 the program for the Indiana Association of Secondary School Principals.

All contracts with speakers are to be made subject to cancellation if war-time restrictions prevent the holding of conventions at that time.

VIII. COMMISSIONER'S OFFICE

Permission was given to close the I. H. S. A. A. office on Saturdays during the summer months except when the Board is in session.

Approval was given to include in the expenses of the Association amounts expended for newspapers, magazines and professional books

carrying information concerning athletics, physical fitness, health and recreation. The Board also voted that the Commissioner may include in his expense account the cost of moving from Vincennes to Indianapolis.

The Board also approved changes in the reference card for approved officials as recommended by the Commissioner.

The Board adjourned to meet again at 10:00 A. M. Saturday, June 9, 1945.

Merritt C. Reed, President,
L. V. Phillips, Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., June 9, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrop, Russell C. Callaway, Adolph G. Zollman and Commissioner L. V. Phillips.

I. SECTIONAL AND STATE TRACK MEETS

1. The Commissioner presented detailed financial reports on the fifteen sectionals and the State Track Meet. These reports were found correct in every detail and were unanimously approved by the Board.

2. Further consideration was given to the plan suggested May 18, 1945 by the Track Coaches Committee for the re-organization of the I. H. S. A. A. plan for holding its annual track meets. The Board directed the Commissioner to send a copy of the plan to each Athletic Council member with the request that he study the plan and also make an informal survey among school officials in his own classification of schools. If the sentiment for a change appears to be sufficiently strong, each Board member will hold a meeting in the fall of the Athletic Council members in his district to plan a more complete survey to determine what the member schools desire in the matter of a change.

II. STATE BASKETBALL TOURNEY SERIES

Preliminary consideration was given to possible changes in the sectionals and regionals for the 1946 State Basketball Tourney Series. No action was taken at this time, but further study will be given to the matter before tourney assignments are made for 1946.

Due to the success in holding semi-final basketball tourneys in the University Fieldhouses, the Board considered it likely that this plan would be continued next year.

III. RE-REGISTRATION OF OFFICIALS

Due to the fact that a large number of registered officials are now in the service, it was decided to postpone at least until 1946 the general re-registration of I. H. S. A. A. officials. The Commissioner was directed to make a study of plans used in other nearby states

for registering officials and to report to the Board at a later meeting the information collected.

IV. COMMISSIONER'S OFFICE

Consideration was given to the matter of an assistant for the Commissioner's office. No action was taken in regard to the matter of employing an Assistant Commissioner. The Commissioner was authorized to continue the employment for the time being of such part-time help as may be needed in the office.

As a matter of better public relations, the Board authorized the payment of membership dues by the Commissioner in one service club engaged in civic activities.

V. LOGANSPOURT

Principal Carl Zimmerman reported on June 6, 1945 that Robert Ricci, a sophomore and a member of the third team in basketball in Logansport High School, had participated in two basketball games with the Catholic Youth Organization Basketball Team under his own name and in two or three additional games with the same organization under an assumed name. He also reported that Richard Mordenti, a ninth grade student in Lincoln Junior High School in Logansport, had participated in one or two games with the C. Y. O. Team after the close of the regular basketball season under his own name.

The C. Y. O. Team was co-sponsored by Father Ward of St. Vincent's Catholic Church and Father Bruns of St. Joseph's Catholic Church. William Lehman assisted in the management of the team. Both Father Ward and Father Bruns in the company of Principal Zimmerman had visited the I. H. S. A. A. office and both had stated that they were unfamiliar with the rules of the I. H. S. A. A. and did not realize that the boys were violating any rules.

Decision—Robert Ricci declared ineligible for further participation in high school athletics during the remainder of his high school career for playing under an assumed name. Since he would have had two more years for participation in high school, he may apply to the I. H. S. A. A. Board of Control for re-instatement as an amateur one calendar year after the date of this decision made on June 9, 1945. The application shall be signed by the student and his high school principal and shall certify that one calendar year has elapsed since he was declared ineligible and that he has not participated in any sports during that time which would violate the I. H. S. A. A. rules on amateurism. Logansport High School is directed to forfeit any inter-school contest won in which Robert Ricci participated after he became ineligible.

Richard Mordenti is declared ineligible for participation in all high school athletics until January 1, 1946, for participating in independent basketball games after the close of the regular season for Logansport High School.

VI. FOOTBALL RULES

The Commissioner reported that he had written a number of coaches

in the state regarding their choice of what edition of the 1945 Football Rules they preferred. The Board directed the Commissioner to decide this matter after he had received additional information.

VIII. RULES CLINICS

The matter of holding rules clinics this fall was discussed and the Commissioner was authorized to proceed with whatever plans seemed most advisable and in compliance with governmental wartime regulations.

The Board adjourned to meet again at 10:00 A. M. Saturday, August 11, 1945.

MERRITT C. REED, President
L. V. PHILLIPS, Commissioner

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., August 11, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, M. H. Northrop, Russell C. Callaway, Adolph G. Zollman and Commissioner L. V. Phillips.

I. BASKETBALL TOURNEY DATES

The Board gave careful consideration to the matter of the dates on which the 1947 sectional basketball tourney should be held. After reviewing all the factors involved, it was decided that the 1947 sectional basketball tourney be held Thursday, Friday and Saturday—February 27, 28, and March 1, 1947.

II. I. H. S. A. A. OFFICE

The Board of Control and the Commissioner visited the Safety Deposit Vault at the Fletcher Trust Company for the purpose of checking the securities held by the I. H. S. A. A. All securities are in United States Government Bonds. The Board found that the bonds on file checked with the latest audit of Ernst and Ernst, Certified Public Accountants, and the record of purchases made since that audit. A complete listing of all securities held by the I. H. S. A. A. will be carried in the 1945 Handbook.

The Board also checked the insurance policies held by the I. H. S. A. A. and considered the amount of insurance now in force as being sufficient at this time.

The Board discussed the matter of vacation with pay for the clerical employees of the I. H. S. A. A. office and fixed two weeks as the length of time for which vacation with pay would be allowed a full-time employee during the year.

III. EAST CHICAGO

The Board reviewed the correspondence on file concerning the athletic policy in effect in East Chicago for Roosevelt and Washington High Schools. A study of the athletic policies for the East

Chicago High Schools, together with the minutes of the Board of School Trustees defining the status of the director of athletics disclosed that the principals of East Chicago have very little authority over their inter-school athletic programs. The scheme being used is in conflict with the requirement of the I. H. S. A. A. that the Principal be the head of his school's athletic program in fact as well as in name. The Board directed the Commissioner to request A. C. Senour, Superintendent of the East Chicago Schools, to take the initiative with the high school principals and the Board of School Trustees to see that a policy is worked out and adopted that will make the Principal of each of the high schools the head of his athletic program in fact as well as in name. A copy of this policy is to be filed with the I. H. S. A. A. for approval before the opening day of school this fall. In case no satisfactory policy is determined, the Commissioner was directed to invite East Chicago school officials to appear before the Board of Control at an early meeting.

IV. ALL STAR GAMES

Representatives from the Indianapolis Star appeared before the Board to discuss the I. H. S. A. A. rule concerning all-star games. The Star sponsors the Indiana-Kentucky All-Star Basketball game which is played during the summer vacation and the players are chosen from high school graduates in the two states. Mr. E. C. Pulliam, editor and publisher of The Star stated that all funds over and above expenses derived from this game were contributed to a fund for the blind. The representatives of The Star requested that the I. H. S. A. A. rule on All-Star games be modified in such a way that Indiana high school coaches may assist in coaching the Indiana team and also that I. H. S. A. A. approved officials may officiate in the games. The Board informed the representatives of The Star that the rule on All-Star games is a part of the Constitution of the I. H. S. A. A. and could be changed only by action of the Athletic Council. The Board granted a request to place the matter before the next meeting of the Athletic Council for consideration.

V. WABASH

Principal L. H. Carpenter requested a ruling on the eligibility of John Nixon, son of Mrs. M. C. Honeywell. Mrs. Honeywell and her husband reside in Wabash, Indiana, but also make their home in Miami, Florida, several months each year. In 1942, when John was a freshman, Mrs. Honeywell enrolled him in the Asheville School, Asheville, North Carolina. This is a preparatory school. John has completed three years of high school work at Asheville, and now desires to return to Wabash High School to complete his senior year. There has been no corresponding change of residence on the part of his parents.

Decision—If John Nixon changes his enrollment from the Asheville School to Wabash High School at the beginning of this school year, he will be changing high schools without any change in residence on the part of his parents. He would, therefore, be ineligible for one calendar year from the date he enrolls in Wabash High School.

The Board adjourned to meet Saturday, September 22, 1945, unless it should be necessary to call a special meeting before that time.

MERRITT C. REED, President
L. V. PHILLIPS, Commissioner

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., September 22, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, Russell C. Callaway, M. H. Northrop, Adolph G. Zollman and Commissioner L. V. Phillips.

I. A. L. TRESTER PORTRAIT

The Board voted unanimously to accept the portrait of the late Arthur L. Trester as painted by the artist Mr. Randolph Coats. The portrait had previously been approved by Mrs. Trester. The Commissioner was authorized to make final settlement with Mr. Coats according to the terms set forth in the minutes of the Board of Control meeting held May 18, 1945.

II. MARCO

Principal J. W. Wakefield had reported that Marco High School had never received a check for \$100.00 in payment of that school's share in the distribution of I. H. S. A. A. funds made in October, 1944. On July 5, 1945, the Fletcher Trust Company of Indianapolis was ordered to stop payment on the check. To date it has not been presented for payment. The Board authorized the Commissioner to issue a duplicate check for \$100.00 to Marco High School.

III. MEMBERSHIP

The Board approved the following applications for membership:

Morgan-Jackson High School (Owen County), Poland, Indiana, Modified Membership.

Muessel Junior High School, South Bend, Indiana, Modified Membership.

Williams High School, Williams, Indiana, Full Membership.

IV. EAST CHICAGO

Superintendent A. C. Senour of the East Chicago City Schools filed with the Board of Control a copy of the rules and regulations governing athletic events at East Chicago High Schools which had been adopted by the Board of School Trustees September 13, 1945. These rules and regulations supersede all those previously adopted by the Board of School Trustees concerning the conduct of inter-school athletics and specifically state that each high school principal is the administrative head of inter-school athletic activities in his high school. The three members of the Board of School Trustees, the Superintendent of Schools, the Principal of Roosevelt High School, the Principal of Washington High School, the Director of Athletics and the Business Manager had signed the rules and regulations.

V. ONWARD

Robert Wisler resides in Jackson Township, Cass County, and attended the eighth grade at Galveston. His mother is a teacher in Onward High School. Robert enrolled in Onward High School as a freshman at the beginning of this semester and rides to and from school with his mother. Principal P. A. Foust desires to know Robert's eligibility status so far as the residence rule is concerned.

Decision—Since Robert Wisler has never been enrolled in any other high school and entered Onward High School as a freshman, he is considered eligible to participate in inter-school athletics at Onward High School so far as the change of residence rule is concerned, provided no undue influence was used in connection with his enrollment there.

VI. DALE

Benjamin Walker resides with his parents in Clay Township, Spencer County, Indiana. During the school year of 1943-44 and 1944-45 he attended Gentryville High School. At the beginning of this semester he enrolled as a junior in Dale High School in order to get subjects which he desired and which are not offered in Gentryville High School. There was no change of residence on the part of his parents. There is no evidence of any undue influence having been used by anyone. Principal Sprinkle desires to know if Benjamin is eligible for inter-school athletics at Dale this semester.

Decision—The eligibility rules of the I. H. S. A. A. do not permit a student to change from one high school to another without a corresponding change of residence on the part of the parents in order to enroll in subjects which are not offered in the school he has been attending. Benjamin Walker is, therefore, ineligible for inter-school athletics at Dale High School for one calendar year from the date he enrolled there this semester.

VII. TAMPICO

Glen Wilson, who was a student in Southport High School last year, moved with his parents in March, 1945, to a farm in the township in which Tampico High School is located. He had been taking Industrial Arts in Southport High School. Tampico did not offer this subject so he enrolled in Crothersville High School for the remainder of the school year. At the beginning of the present semester he enrolled in Tampico High School without any change of residence on the part of his parents.

Decision—Under the change of residence rules, Glen Wilson is considered ineligible at Tampico High School until the end of one calendar year from the date he enrolled this semester.

VIII. CARMEL

Robert Johnson resided with his parents, Reverend and Mrs. J. L. Johnson, in Washington Township, Marion County, and attended Broad Ripple High School during the years 1942-43 and 1943-44 as a transfer student since his home township maintains no high

school. In June, 1944 Reverend Johnson entered the military service as a chaplain. Residence in Washington Township was discontinued while the mother resided with the father near military camps wherever he was assigned. Robert was placed in the Randolph Macon School in Virginia for the school year 1944-45. Chaplain Johnson has been assigned to overseas duty and Mrs. Johnson has established residence with relatives in Washington Township. Robert has enrolled in high school at Carmel near where he is employed on a farm. Principal Sutton of Carmel states that Washington Township is issuing a transfer for Robert to attend Carmel High School.

Decision—Due to his residence being discontinued in Washington Township during the school year 1944-45 because of the father's absence for military service, Robert Johnson is considered eligible at Carmel High School so far as the change of residence rule is concerned, provided no undue influence is attached to his enrollment there.

IX. CORY

Jack Reece attended Riley Township High School, Riley, Indiana as a freshman during the school year 1944-45. In December, 1944, his parents moved to the Cory High School district. Jack remained in Riley Township High School until the end of the school year. Letters exchanged between the two principals at the time Jack's parents changed their residence show that he was taking drafting in Riley Township High School, which subject was not being offered in Cory High School. At the beginning of the 1945-46 school year Jack enrolled in the Cory High School.

Decision—Jack Reece is considered eligible to participate in inter-school athletics at Cory High School this semester so far as the change of residence is concerned.

X. RETENTION OF STUDENTS

A large number of cases had been filed with the Commissioner concerning the eligibility of students who remained in a high school after their parents had moved from that high school district. The Board of Control directed the Commissioner to answer all such inquiries in accordance with the interpretation of the change of residence rule made by the Board of Control August 28, 1943, which reads as follows:

"RETENTION IN HIGH SCHOOL

It was decided that, under the present rules, a student who had been living with his parents and attending a high school in their residence district, could remain as a student with eligibility in athletics in this high school even if his parents moved to another school district, provided no undue influence is attached to the case in any way by any person in school or out of school, and also provided that the Principal obligates himself to answer all rumors and charges of the use of undue influence that may arise." Principals are instructed to investigate carefully the possibility of

undue influence before certifying to the eligibility of any student who is retained in high school after his parents have moved to another high school district.

XI. SPRINGFIELD TOWNSHIP HIGH SCHOOL

Principal Alfred Landreth of Springfield Township High School, Brookville, Indiana, asked about counting a credit in General History toward scholarship eligibility for Ambrose Singer who had been excused eight days during the last grading period of the last semester to do farm work. Ambrose had passed the final examination in this subject but still had to make up the work he missed. Principal Landreth states that the work was outlined, supervised and approved by himself personally and credit entered on the records before school opened this semester.

Decision—Ambrose Singer is permitted to count credit in General History toward scholastic eligibility in athletics for the present semester.

XII. RETURNING VETERANS

The Board gave consideration to the ruling made by the Board of Control December 30, 1944. This ruling is interpreted as meaning that an honorably discharged veteran may resume his scholastic eligibility as of the time he withdrew from school to enter the service. It is not interpreted to mean that a student may participate in a sport more than four seasons in high school nor after he has reached his twentieth birthday.

The Board adjourned to meet Saturday, October 6, 1945, at 10:00 A. M.

MERRITT C. REED, President

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., October 6, 1945.

Present: President Merritt C. Reed, H. Ralph Beabout, Russell C. Callaway, M. H. Northrop, Adolph C. Zollman and Commissioner L. V. Phillips.

I. CHANGE OF RESIDENCE RULE

Information had been requested by several schools concerning the eligibility status of students who have changed from one high school to another because of unavoidable circumstances, such as the death of the parents or guardian, making it necessary for the student to find a new home. Since the present rules do not provide for exceptions in such cases, the Board decided to refer the matter to the Athletic Council by means of a proposal which, if passed, would give the Board authority to waive the change of residence rule where it could be shown that the circumstances were unavoidable and provided no undue influence is attached to the change of residence.

II. I. H. S. A. A. CONSTITUTION AND BY-LAWS

Principal E. V. Minniear, Chairman of the Athletic Council Committee which had been appointed to draw up a proposed revision of the Constitution and By-Laws, had filed a copy of the Committee's report in the I. H. S. A. A. office. The Commissioner was directed to have the report mimeographed and to supply each member of the Council with a copy in advance of the October meeting at which time the report will be presented by Principal Minniear for action by the Council.

III. ATHLETIC COUNCIL BUSINESS

The Board checked the proposals submitted by principals for action by the Athletic Council and directed that they be published in the October Bulletin and included in the Agenda to be presented for action by the Council. The Board voted to submit additional proposals regarding the change of residence rule and the rule on summer "make-up" work for eligibility.

IV. BASKETBALL TOURNEYS

The Board discussed at length preliminary plans for the 1946 State Basketball Championship series with a view to making any changes that may be found to be desirable. Topics considered were: tourney sites, contracts with center principals, officials' contracts, distribution of tickets, etc. It was also decided that an assistant manager be employed to assist in the work connected with arrangements for the State Basketball Championship series and in the management of the State Final Tourney.

V. LEGAL COUNSEL

The Commissioner was authorized to secure the advice of an attorney whenever such was considered necessary or advisable in connection with any case coming before the Board of Control or the Commissioner for action.

Present: President Merritt C. Reed, H. Ralph Beabout, Russell C. Callaway, M. H. Northrop, Adolph G. Zollman and Commissioner L. V. Phillips.

I. FRANKTON

Principal M. A. Copeland reported that six students of Frankton High School, namely James Alexander, John Richard Frank, Gerald Closser, Jack Hosier, Richard Thompson and Melvin Sprague, participated as a team against a group of independent players in the Frankton gymnasium October 5, 1945. Principal Copeland stated

that it was the policy of the school to discourage such activity and that the boys had acted on their own initiative.

Decision—James Alexander, John Richard Frank, Gerald Closser, Jack Hosier, Richard Thompson and Melvin Sprague participated in independent basketball between seasons and are, therefore, declared ineligible for participation in inter-school athletic competition until January 1, 1946. Frankton High School is placed on probation until June 1, 1946.

II. ETNA GREEN

Principal Millard R. Taylor of Etna Green had protested a decision of the umpires in a semi-final game of a softball tourney held at Warsaw October 5, 1945. The protested decision was made in a game between Etna Green High School and Milford High School. Statements were on file from the two schools involved and from both umpires.

Decision—After carefully reviewing this correspondence, the Board unanimously decided that the decision of the umpires should be upheld as made.

III. PLEASANTVILLE

Harold Brazzell's father died several years ago and the boy resided with his mother, Mrs. Hazel Brazzell, and attended Glenn High School, Vigo County, for three years from 1942 until 1945. His mother died in July, 1945, leaving him without a home, making it necessary that he go to Pleasantville to reside with his uncle and aunt. He enrolled in Pleasantville High School as a twelfth grade student August 30, 1945.

Principal Tate of Glenn High School and Principal Spencer of Pleasantville state that this change of residence was unavoidable due to the death of Harold's mother.

Decision—Harold Brazzell considered eligible at Pleasantville High School so far as the change of residence rule is concerned, and provided no undue influence is attached to the change in any way.

IV. ATWOOD

Donald Bennett, a sophomore this semester, had resided in Beaver Dam for several years with his grandmother. He attended Beaver Dam High School as a freshman during the school year 1944-45. Due to the recent death of his grandmother he returned to Atwood to live with his father and entered Atwood High School at the beginning of this school year.

Principal Ferverda of Beaver Dam and Principal Swanson state that this change of residence was necessary in order that the boy have a home.

Decision—Donald Bennett considered eligible to participate in athletics at Atwood High School so far as the change of residence

rule is concerned, provided no undue influence is attached to the case in any way.

V. TAMPICO

Principal Elmer Robbins requested the Board of Control to reconsider its decision made September 22, 1945, relative to the eligibility of Glen Wilson, a student in Tampico High School.

The Board again considered all of the facts in the case and unanimously decided that the original decision be affirmed.

VI. MONROVIA

Robert Allen McDaniel, a ward of the Hendricks County Department of Public Welfare, resided in the home of Claude Daily, R. R. 2, Mooresville, from October, 1942, until March, 1945. On March 24, 1945, Robert was transferred by Court action from the home of Mr. Daily to the home of his uncle, Mr. Albert Kirkham, R. R., Monrovia. At the time the transfer was made Robert was attending Clayton High School. On March 26, 1945, he enrolled in Monrovia High School. A copy of the Court action was filed with the I. H. S. A. A.

Decision—Since the change of residence on the part of Robert Allen McDaniel from the Clayton High School district to the Monrovia High School district was a matter of Court action, he is considered eligible at Monrovia so far as the change of residence rule is concerned.

VII. LOOGOOTEE

Perry Township, Martin County, has no high school. During the school year 1944-45 Trustee Dellas Williams transferred the students of his township to Odon High School. At the beginning of the present school year Trustee Williams designated Loogootee as the high school to which students of Perry Township were to be transferred. Bus routes were re-arranged to transport these students to Loogootee. Twenty-five students were listed by Principal Young of Loogootee as having been transferred to Loogootee. Principal Young desires to know the eligibility status of these students so far as the residence rule is concerned.

Decision—Since Trustee Williams officially changed the school to which the pupils of Perry Township were to be transferred, and re-arranged bus routes for transportation accordingly, the Board decided that all students so transferred at the beginning of this present semester are eligible at Loogootee so far as the change of residence rule is concerned.

VIII. ENGLISH

Robert Lee Shields left English, Indiana, seven years ago and went to California where he resided for five years with his father and then for two years with his aunt in Los Angeles where he attended high school. In July, 1945, he left the home of his aunt and returned to English, Indiana to live with his paternal grandparents. His aunt with whom he had been living did not move with him.

Decision—The change of residence rule applies in this case and Robert Lee Shields is considered ineligible to participate in interschool athletics until one calendar year has elapsed from the date of his enrollment in English High School.

On September 24, 1945 he enrolled in Greencastle High School. The mother had intended to establish a home in Greencastle but changed her plans the following week and returned to Portage Township to live. John Edward remained in the home of the relatives and continues as a student in Greencastle High School. Principal Bishop desires to know the eligibility status of the boy so far as the change of residence rule is concerned.

Decision—It was the decision of the Board that an actual change of residence did not take place in this case and that John Edward Crowe is ineligible at Greencastle High School for one calendar year from the date of his enrollment there this semester.

The Board adjourned to meet again at 10:00 o'clock A. M. November 10, 1945.

In August he came to Fairland to live with an aunt and uncle and enrolled this semester in Fairland High School. A statement from the Shelby County Department of Public Welfare certified that Curtis Wayne was a ward of that County and that the change of residence was made on the recommendation and with the approval of the Public Welfare Department.

Should such forfeitures be stipulated and not be paid during the same season, the Board of Control, after hearing both sides, shall have authority to expel the delinquent school from the association. Notification of such expulsion shall be published in the papers with cause therefor.

Interpretation—

(a) It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association.

Section 2. National Committee's Official Basketball Rules shall govern in basketball.

Note—Rule 1, Section 4 in the Official Basketball Rules for 1933-1934 was changed to read as follows by the Athletic Council on December 16, 1933, and it was voted that the change should go into effect upon information being extended to the Principals:

"The court shall be divided into two parts by extending the diameter of the center circle in both directions until it intersects the side lines; except, that, if the court is less than 80 feet long, it shall be divided by drawing two lines parallel to the end lines, each 40 feet from the farther line. If, however, this would cause these lines to be inside the free throw lines, the court shall be divided by extending the free throw lines until they intersect the side lines. These lines shall be painted in the same color. The line (or lines) described in this section shall be termed the Division Line."

Section 3. N. C. A. A. Track and Field Rules shall govern with the following exceptions:

The baseball season is defined as beginning and ending with the school year.

Section 6. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the beginning date of the sectional tourneys of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tourneys of the State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tourneys if earlier than this final tourney date. (The penalty is suspension.)

Section 7. The maximum number of games for the regular schedule of any team or any player in basketball shall be eighteen. (The penalty is suspension.)

Section 8. Teams and players may play in two basketball tourneys in addition to the tourneys of the State Basketball Championship Series and in addition to the eighteen games on the regular schedule, provided the games in one of these "two tourneys" shall be counted in the eighteen games permitted for the regular schedule of a team or player. (The penalty is suspension.)

Section 9. All basketball practices by players or teams shall be limited to the period beginning with the opening day of the school year and ending with the close of the school year.

The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until March 1 of the following year.

Section 13. All football practices by players or teams shall be limited to the period beginning August 20 and ending June 1 of each school year.

Section 16. The maximum number of inter-school games for any player or any team in football shall be ten.

Section 17. No games may be played prior to the opening of the school year in the fall.

(Note—This section refers to inter-school games and the opening of school as here used is defined as the first day of regular class room instruction.)

Section 18. There shall be no inter-school athletic contests played on Sunday.

Section 19. No games shall be played with public high schools of this State not belonging to this association. This rule does not prevent a member of the association from playing high schools outside of the State nor from playing non-high school teams within the State, provided all players on the I. H. S. A. A. teams are eligible in every way and also provided there are no public high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Section 20. The I. H. S. A. A. deprecates the action of anyone withdrawing a team from an athletic contest. Such action will jeopardize the standing of the school taking such action in the I. H. S. A. A.

H. S. A. A., unless under the supervision and auspices of the I. H. S. A. A. by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the I. H. S. A. A. for such length of time as the I. H. S. A. A. Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Interpretation—

It shall be understood and so considered that this rule prevents the individual participation of high school students in All-Star Games.

Section 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

ARTICLE IX
ELIGIBILITY RULES

Scholarship

Section 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Section 1, Article IX, under Scholarship in the I. H. S. A. A. Constitution reading, "—a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester credit value and for which a full semester credit is given." The combination of two subjects, not excluded in this Section in the Constitution, whose total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted."

Section 2. Students enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Section 3. Back work may be made up during the summer and counted toward eligibility, provided it is done in a regularly approved summer school or according to procedures approved by the State Department of Education. Such make-up work must be entered on the permanent record before the opening day of the following semester.

Interpretations—

(a) In each of the studies representing the minimum requirement of work specified above, the following shall govern: (a) For the current semester the average of the period grades up to the time of certification must be passing; (b) For the current or school grading period the average of the daily or weekly grades must be passing; (c) If the average of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

(b) For athletic purposes the record at the end of a semester shall be final. Deficiencies in one semester can not be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure. Back work may be made

up and counted toward eligibility during the summer provided it is done and becomes a matter of final record prior to the opening day of the next semester.

(See Questions and Answers under Summer School Work.)

(c) By passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

(d) Any student who carries at least 15 hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.

Enrollment

Section 1. No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Interpretation—

(a) A student enrolled in one High School of a City or School corporation shall not be eligible in another High School of the same city or school corporation until he has been enrolled in the other High School for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

(b) Students finishing the courses offered in high schools maintaining less than four years of High School work are not bound by this section.

(c) The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Section 2. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home may be declared eligible by the Board of Control, provided the Principal of each high school files a statement with the Board of Control that the change was necessary and that no undue influence is attached to the case in any way.

Section 3. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Section 4.

a. Any student, who has been enrolled twenty (20) or more days between September 1 and December 1 for four times, shall be ineligible for football.

b. Any student, who has been enrolled twenty (20) or more days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter twenty (20) or more days between December 1 and March 1 for four times.

c. Any student, who has been enrolled twenty (20) or more days between March 1 and June 1 for four times, shall be ineligible for baseball and track, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball and track until he has been enrolled thereafter twenty (20) or more days between March 1 and June 1 for four times.

Section 5. A student withdrawing permanently from school within the first twenty days of a semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more inter-scholastic games, in which case he shall be regarded as having engaged in athletics for that season.

Section 6. The eligibility rules of this association shall apply to students taking part in all contests, whether with schools inside or outside of the State of Indiana.

Section 7. In order to be eligible for athletic competition during any semester a student must have entered some High School within the first twenty school days of the semester in which the contest occurs.

Interpretation—

Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

Section 8. A returning war veteran, having served in the armed forces and having been discharged under honorable conditions, shall resume his eligibility status in high school as of the time of his induction into the armed services, provided all other I. H. S. A. A. rules are met. The "Armed Forces" shall be interpreted to mean such branches of the service as are included in the G. I. Bill of Rights.

Participation

Section 1. Any student of a High School who participates in an athletic contest as a member of any other similar team the same sea-

son, shall be ineligible to compete under these rules for the remainder of that season.

Section 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season.

Parents and Physicians' Certificates

Section 1.

a. A student who practices for any interscholastic athletic contest shall have on file in the Principal's office for each school year a certificate of physical fitness and a certificate giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any interscholastic athletic contest by a regularly licensed physician (M. D.).

b. Previous to the student's first practice, the Principal shall certify to the I. H. S. A. A. that the certificates required herein are on file in his office.

Section 2. A student properly certified to participate in interscholastic athletic activities, who is absent from school for five consecutive days due to illness or injury, must present to his Principal a statement from a regularly licensed physician (M. D.) that he is again physically fit to participate in interscholastic athletics.

Remuneration

Section 1. No High School student shall be eligible to participate in any inter-school contest under the rules of the Indiana High School Athletic Association, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the State High School Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Undue Influence Rule

Section 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

Interpretation: The undue influence rule is applicable to the retention of a student as well as to the securing of a student.

Post Graduates

Section 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Section 2. A student is a post graduate of a High School when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Section 3. Students meeting requirements for graduation in three and one-half years in a High School with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the I. H. S. A. A.

Age

Section 1. Students shall be ineligible for any athletic competition upon reaching twenty years of age.

Amateurism

Section 1. All contestants in the I. H. S. A. A. must be amateurs.

Section 2. Professionalism is defined in the I. H. S. A. A. as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

Section 3. A high school student shall be considered as violating his amateur standing who participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport.

Conduct

Section 1. Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible.

Married Students

Section 1. Married students shall not be eligible for participation in inter-school athletic competition.

(Note—Students who have been divorced or whose marriages have been annulled are bound by this rule.)

ARTICLE X

Injunction Suits

The Athletic Council deplores the action of any individual or individuals in resorting to court action in seeking redress in High School

athletic difficulties in the I. H. S. A. A. and unanimously decides that the Board of Control should secure legal advice and fight such cases through the Supreme Court of Indiana if deemed necessary.

ARTICLE XI

Prizes and Awards

Section 1. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Section 2. The giving and receiving of prizes, awards, gifts and articles shall be kept within reasonable bounds and such as are given or received shall have symbolic value only.

Section 3. The giving and receiving of prizes, awards, gifts and articles shall be done by and with the consent and under the supervision of the high school principals concerned.

Interpretations—

(a) "One award such as a metal football, metal basketball, metal track shoe or similar article may be given in lieu of but not in addition to the one award permitted in section one, provided the cost of the award shall not be more than the cost of the award in section one. Athletic insignia, emblems and tokens of athletic achievement may be given and received."

(b) "The word 'reasonable' shall be understood to mean 'sound', 'sane', 'sensible', 'moderate', 'proper' or 'fitting' as these words apply to good school procedure."

(c) "The word 'symbolic' shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term 'symbolic' even if the award is duly inscribed. An inscription cannot validate such awards in the I. H. S. A. A."

(d) "The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons."

(e) "Individual or group action in securing contributions by solicitation or in securing funds for the purchase of awards by such means as dances, shows, entertainments, sale of refreshments, etc., will be considered a violation of these sections."

(f) "The Board of Control shall have the authority to designate, give and control the medals and trophies to be given to the schools and to the individuals on state championship teams in any sport with the understanding that these be kept within reasonable bounds and confined to those having symbolic value."

(g) "Prizes, awards, gifts, medals, recognitions and honors

shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni, the argument being that high school athletes should be permitted to complete their high school careers without being molested by outside sources."

ARTICLE XII

Finances

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. **The answers**

have been given according to the rules of the association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

Q. Does a student become ineligible in all sports, if he plays on a team other than the High School team in one sport?

A. No. A student becomes ineligible only in the sport in which he participates as a member of a team other than the High School team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing out of season carries a penalty.

* * * *

4.

Q. Are High School students permitted to play on teams that split the gate receipts among the players including the High School students?

A. No. This would be considered professionalism.

* * * *

5.

Q. Does a student who receives money for his services as a life-guard or as a caddie jeopardize his eligibility status in high school?

176

A. No, provided he merely receives reasonable and legitimate wages for services actually rendered.

* * * *

6.

Q. May a student, who has violated his amateur standing be re-instated?

A. Yes. "A high school student, who has violated his amateur standing according to the rules and regulations of the I. H. S. A. A. may apply to the I. H. S. A. A. Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school principal and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated his amateur standing during that calendar year."

* * * *

7.

Q. Should a reasonably definite line of demarcation be drawn between professional athletic activities and high school athletic activities?

A. Yes. There seems to be no justifiable reason for a high school student to participate in professional athletics and also in high school athletics.

* * * *

8.

Q. Should amateurism be defined by the I. H. S. A. A. for its specific purposes or should the definitions of other organizations be accepted in the association?

A. Amateurism should be defined by the I. H. S. A. A. for I. H. S. A. A. purposes. There is no definition of amateurism acceptable to all organizations.

RESPONSIBILITY

1.

Q. Who is the responsible party in I. H. S. A. A. athletics?

A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the Principal of each high school voluntarily taking out a high school membership in the I. H. S. A. A. has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the Principal, is the administrative head

177

not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the I. H. S. A. A. membership the conditions are found to be such that the High School Principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the I. H. S. A. A. and has in fact removed itself from the membership in the Association.

The I. H. S. A. A. Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the High School Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. The proof that the High School Principal is the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school shall rest in all cases with the school officials concerned.

* * * *

2.

Q. Who is the proper official to sign contracts for games?

A. The High School Principal always. He may delegate this authority, but the Principal will be held responsible for contracts. It is recommended that this authority be not delegated.

* * * *

Q. Who may manage a High School team?

A. A High School Principal or teacher authorized by him. Student management is not permitted.

SCHOLARSHIP

* * * *

2.

Q. Would a student, declared ineligible by one principal, be ineligible under another principal?

A. Yes. If the student is ineligible according to the rules of the I. H. S. A. A. The I. H. S. A. A. has no jurisdiction unless its rules are violated.

178

* * * *

5.

A. No. The passing marks of the schools are usually honored, but the Board of Control reserves the right to check the validity of grades and credits and to act on their findings.

* * * *

6.

Q. Who is a post-graduate?

A. A post-graduate is a student who has finished his High School work and has received his High School diploma. Students who have completed sufficient work to receive a diploma, but who continue in school until commencement, must be considered eligible or ineligible according to all other rules of eligibility, such as age, time in school, participation, work carried, etc.

* * * *

A. In order to be eligible at the end of any grading period in a semester, a student must have passed in three regular High School subjects for the current grading period and his average grade in each of three regular High School subjects for all of the grading periods in that semester must be passing. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

179

9.

Q. Is a "condition" or an "incomplete" considered a "pass" in the I. H. S. A. A.?

A. No. The I. H. S. A. A. considers a "pass" to mean that all work has been done and has been made a matter of final record in the Principal's office, at the end of the grading period or semester.

* * * *

15.

Q. May an honorably-discharged war veteran be considered eligible if his induction took place before the end of a semester, preventing him from making any credits for that semester?

A. He may resume his eligibility status as of the time of his induction, provided all other I. H. S. A. A. rules are met.

* * * *

16.

Q. If a student becomes ineligible on account of scholarship at is he eligible during this time and when he returns?

A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school work are not passing in their school work.

* * * *

17.

Q. If a student misses school for a few weeks in order to work the end of a semester, does this make him ineligible for one whole semester afterwards?

A. Yes.

* * * *

18.

Q. If a student becomes ineligible at the end of a grading period in a semester when can he become eligible?

A. No, the books are considered closed at the end of the semester.

* * * *

25.

A. No time at all. Enrollment for any length of time in a semester counts as enrollment for the semester as far as the Scholarship Rule is concerned.

* * * *

26.

Q. If a student is passing in three regular high school subjects when he drops out during a semester, may he be considered eligible under the Scholarship Rule at the beginning of his succeeding semester of enrollment?

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

I. Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships).

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The High School Principal in any high school belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.

3. The I. H. S. A. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A. A.

4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.

5. The I. H. S. A. A. requests Principals having 9th grade students enrolled to confer and co-operate with the Senior High School Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The I. H. S. A. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

183

8. A 9th grade student may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tourneys and meets in which more than two teams compete, except in play days, etc., held in same city school system. This exception shall not be interpreted as giving sanction to regular athletic tourneys and meets.

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request.

18. See modified membership regulations immediately following.

II. Modified Membership Regulations

Section 3, Article II, reads: "Modified membership may be extended to any public high school offering and maintaining less than

three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests with other schools belonging to the I. H. S. A. A. but not in meets and tourneys in which more than two teams participate except in meets and tourneys in which only the teams from the high schools of the same city participate."

It must be clearly understood that a modified membership is a membership in the I. H. S. A. A. that requires the Principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

* * * *

1.

Q. What type of school may hold a modified membership?

A. A High School offering and maintaining less than three years of high school work.

* * * *

2.

Q. Is it necessary for a Junior-Senior High School, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?

A. No. A full membership meets the requirements.

* * * *

3.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?

A. No. Schools holding modified or full memberships are required to use students in the 9th, 10th, 11th and 12th years of school work.

* * * *

4.

Q. May schools holding modified memberships compete with High Schools who do not hold membership in the I. H. S. A. A.?

A. No. Permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

* * * *

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No. These students are not eligible for any teams in high schools holding any type of membership in the I. H. S. A. A.

6.

Q. May a 9th grade student, who is enrolled in a Junior High School, participate on the Senior High School team?

A. No. If the Junior High School holds a modified membership. Yes, if the Junior High School does not hold a modified membership.

BASEBALL

1.

Q. Does a high school student violate the rules of the I. H. S. A. A. by playing independent baseball (hard or soft) during the summer?

A. High school students may play independent baseball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. Reasonable meals, lodging and transportation may be accepted by such players if accepted in service and not in any other way. All such playing should be checked carefully by Principals. I. H. S. A. A. information certificates will be furnished upon request.

See Section 3 under Amateurism in Constitution.

(Note: This answer applies to other summer sports, not having definite seasons, provided other rules and regulations of the I. H. S. A. A. are observed.)

* * * *

2.

Q. Is a student, who plays on an independent baseball team during semester one, ineligible for high school baseball during semester two?

A. Yes. Such a student is ineligible for baseball for semester one and two, also, as baseball is a school year sport.

* * * *

3.

Q. If a student plays on an independent team in either hard or soft baseball during the school year, does he make himself ineligible for both hard and soft baseball in high school?

A. No. He makes himself ineligible only in the sport in which he participates on an independent team, provided he does not violate his amateur standing in some way.

* * * *

4.

Q. Are soft baseball and hard baseball considered separate sports?

A. Yes, except that an official who is approved in "Baseball" may be considered eligible to officiate either soft baseball or hard baseball.

5.

(Hard Baseball and Soft Baseball)

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I.H.S.A.A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

SUMMER SCHOOL WORK

1.

Q. Does summer school work in a school other than his home school jeopardize the standing of a student?

A. No, provided the home school authorities recognize the work

of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I. H. S. A. A. recommends summer school work of an approved type for students needing credits.

* * * *

2.

Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?

A. Work during the summer may be counted toward eligibility provided: (1) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (2) no more than two credits be given for work done during the summer months (3) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (4) all work and credits be bona fide in every way and certified as such by the High School Principal.

* * * *

3.

Q. When should a student receive a credit in a subject?

A. A student should pass and receive credit in a subject at the end of the semester in which the work is done if it is desired to count this subject toward eligibility in athletics for the next semester, with the understanding that a student may count as many as two credits toward eligibility if made in a regularly sanctioned summer school.

MISCELLANEOUS

1.

Q. May a High School schedule and play games during the week?

A. The I. H. S. A. A. has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

* * * *

A. The rule reading "There shall be no inter-school contests held on Sunday" includes games and practices as well as inter-school contests.

* * * *

3.

A. No. Ineligibility for one team means the same for all teams.

4.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes. This one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school for five consecutive days due to illness or injury must present to his Principal a statement from a regularly licensed physician (M.D.) that he is again physically fit to participate in interscholastic athletics.

* * * *

5.

Q. Does the I. H. S. A. A. stipulate any price for tickets to other than tourneys and meets held strictly under the supervision of the Board of Control?

A. No. Other than a recommendation that reasonable prices be made at all times for all games.

* * * *

6.

Q. Is a student, who is expelled from High School one semester, eligible for the following semester?

A. The I. H. S. A. A. has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the I. H. S. A. A. are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.

* * * *

7.

Q. May a High School support a grade team in the same school system out of its athletic funds?

A. Yes.

* * * *

A. No. This is not permitted under any conditions, unless they legally consolidate and become one school.

* * * *

9.

Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?

A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

"Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible."

* * * *

10.

Q. May the rules of a school be changed or special examinations be given in order to make students eligible?

A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

* * * *

11.

Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13.

Q. May High School students take part in tourneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.?

A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal. See regulations for baseball in this handbook. Also read the sections governing Prizes and Awards.

* * * *

14.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

190

A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

* * * *

15.

A. A school year covers all time from the first day to the last day of the school year, including vacations.

* * * *

31.

Q. Why should a school be penalized because some person outside of school uses undue influence?

A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence. An athlete has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

* * * *

32.

Q. Is it the duty of the I. H. S. A. A. to prove that undue influence has been used?

193

A. No. The High School Principal has agreed to conduct his athletic activities according to the rules and regulations of the I. H. S. A. A. When there is a question, it is the duty of the High School Principal to meet the question. He can not certify that his students are eligible unless he knows that they are eligible.

33.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?

A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

* * * *

34.

Q. What steps should be taken in ineligibility cases?

A. In cases in which an ineligible student has been used in inter-school athletics the following steps should be taken immediately by the High School Principal:

1. Inform the I. H. S. A. A. office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The I. H. S. A. A. should be informed as to how the error was made.

2. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these Principals to notify the I. H. S. A. A. office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The I. H. S. A. A. reserves the right to request additional information and to make final decisions after a careful investigation has been made.

* * * *

35.

Q. What is considered the first day of school?

A. The first day on which regular classroom instruction is offered.

194

36.

Q. Would a student jeopardize his eligibility status by participating in a bowling league in which cash awards, merchandise awards or certificates, or refund of fees are given?

A. Yes.

* * * *

37.

Q. Do seniors have any rights and privileges in athletics not granted to other students?

A. No. In fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the I. H. S. A. A. in which their high school holds membership.

* * * *

38.

Q. What constitutes a regularly employed teacher in the I. H. S. A. A.?

A. The Board of Control has ruled that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full time service as a teacher on a full time contract and regularly paid out of school funds. Specific questions require specific answers.

* * * *

39.

Q. Does the rule requiring football practices to be held on the regular practice or play field under the direct supervision of the high school coaching staff prevent summer football camps for high school teams and players?

A. Yes.

* * * *

40.

Q. Is it necessary for a high school to meet and maintain the policies, regulations and standards for the accreditation and classification of high schools in Indiana in order to be a member of the I. H. S. A. A.?

A. Yes.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

November 14, 1945

The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1945, and have examined or tested the accounting records of the Association and other supporting evidence by methods and to the extent we deemed appropriate.

The following comments relate to the scope and nature of our examination:

Cash on deposit at November 14, 1945, in the amount of \$12,332.77, was reconciled with the amount reported directly to us by the Fletcher Trust Company, Indianapolis, Indiana. The recorded cash receipts for the year were reconciled with deposits as evidenced by bank statements submitted for our inspection. Canceled checks returned by the bank for the year were compared with the record of cash disbursements. We examined invoices, expense reports, and other data supporting the recorded cash disbursements.

The recorded cash receipts and disbursements from the state final basketball tourney are stated as reported by the Commissioner to the Board of Control without independent examination of ticket sales and supporting expense data. We compared the recorded receipts from the sectional, regional, and semi-final tourneys, with reports signed by the high school principals on file from the tourney centers. The receipts recorded as fees and dues were reconciled with published lists of the number of tourney entrants and member schools.

We inspected the United States Bonds on hand at November 14, 1945, as shown by an appended schedule.

Insurance in force at November 14, 1945, was as follows:

Larceny and embezzlement bond—L. V. Phillips, Commissioner	\$ 40,000.00
Burglary and robbery—safety deposit box—each risk....	112,000.00
Public liability—owners, landlords, and tenants.....	20/100,000.00
Workmen's compensation	All employees

The recorded minutes of the meetings of the Board of Control and of the Athletic Council were reviewed by us.

Opinion

In our opinion, the accompanying statement of cash receipts and disbursements presents fairly a summary of the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1945.

Certified Public Accountants.
