ADDRESS TO INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

President Harold McSwane

Leadership in athletics and good school procedure is the aim of the Indiana High School Athletic Association. That leadership will be maintained throughout the years to come.

War years and some peacetime years have been trying ones for all organizations. The I.H.S.A.A. has passed through each type of year with flying colors. There are many reasons. "The best for the most" seems to have been uppermost in the minds of all those administering the I.H.S.A.A. program.

The Association has always given careful consideration to all actions of the State Department of Public Instruction.

The new duties and problems of the I.H.S.A.A. will be many. Recent action of the State Department of Education lengthening the school term of many high schools in the state, will create more problems. Lengthened school terms mean more athletics in the high schools of the state.

Basketball has been the major sport in Indiana High Schools and has received a great deal of promotional help from the I.H.S.A.A. This aid will continue. The need now seems to be, not to de-emphasize basketball but to emphasize all other sports.

Many high schools are adding additional sports to their athletic programs. Baseball, track, tennis, golf and cross-country are the leaders in these added sports. Each will need special administrative help and will receive it from the I.H.S.A.A.

High school students participate in many forms of athletics throughout the entire year. Organized summer programs of athletics and recreation are receiving careful consideration from many of the school administrators of Indiana.

Thoughtful planning and co-operation of the administrators, coaches, and the Indiana High School Athletic Association, will work out a satisfactory program for all communities in Indiana.

The I.H.S.A.A. will continue to maintain its high standard of service and usefulness in all its future plans and actions.

H. R. BEABOUT
President I.H.S.A.A. Athletic Council

HISTORY OF I.H.S.A.A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are eight hundred and thirteen (813) High Schools belonging. The membership has had a gradual growth through the years, and now includes almost all of the High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of former Board members of the I. H. S. A. A. follows:

Principal Geo. W. Benton, Shortridge H. S., Indianapolis.
Supt. Lotus D. Coffman, Salem. (Deceased.)

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris

E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been upheld as an ideal by the Association through the forty years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

Rule 6. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the closing date of the sectional tourneys of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tourneys of The State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tourneys if earlier than this final tourney date. (The penalty is suspension.)

Students playing independent, league or organized basketball games, unless within their own school system, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all inter-scholastic athletics until January 1 of the following year.

Rule 7. The maximum number of games for the regular schedule of any team or any player in basketball shall be eighteen. (The penalty is suspension.)

Rule 8. Teams and players may play in two basketball tourneys in addition to the tourneys of the State Basketball Championship Series and in addition to the eighteen games on the regular schedule, provided the games in one of these "two tourneys" shall be counted in the eighteen games permitted for the regular schedule of a team or player. (The penalty is suspension.)

Rule 9. All basketball practices by players or teams shall be limited to the period beginning with the opening day of the school year and ending with the close of the school year.

Rule 10. There shall be ten days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in a game in basketball.

Rule 15. There shall be ten days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in a game of football.

Rule 16. The maximum number of inter-school games for any player of any team in football shall be ten.

Rule 17. No inter-school games shall be played prior to the opening of the school year in the fall.

Rule 18. There shall be no inter-school athletic contests played on Sunday.

Rule 19. No games shall be played with high schools of this state not belonging to this Association. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the I. H. S. A. A. teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 20. Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the I. H. S. A. A.

Rule 21. A high school shall not be considered eligible to enter a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the high school has played eight (8) inter-scholastic games during that season, and before the Official Entry Blank for Tournaments is filed in the I. H. S. A. A. office.

Rule 22. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the I. H. S. A. A., unless under the supervision and auspices of the I. H. S. A. A. by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual working of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indi-

cated herein shall cause their school to be suspended from the I. H. S. A. A. for such length of time as the I. H. S. A. A. Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of \$10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I. H. S. A. A.

a. High School students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The I. H. S. A. A. expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I. H. S. A. A. is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High School students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the I. H. S. A. A. The purpose of the permit is to keep the Principal informed about his students.

f. The I. H. S. A. A. considers that a high school is entitled to the high school students in baseball during the school year and that par-

ticipation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. Pupils in schools having modified membership in the I. H. S. A. A. may participate on the following basis:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a Junior High School having modified membership may not compete on the team of a Senior High School.

c. Ninth grade pupils in Junior High Schools are not permitted to enter tourneys and meets in which more than two teams compete, except in playdays, etc., held in the same city school system. This exception shall not be interpreted as giving sanction to regular athletic tourneys and meets.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in inter-school games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the I. H. S. A. A.

Rule 27. A ninth grade student who is enrolled in a Junior High School without modified membership in the I. H. S. A. A., may compete on either the Junior High School or the Senior High School team, but not on both. Such Junior High schools may have teams using pupils of the seventh, eighth and ninth grades, depending on organization of the school. These teams may compete with similar teams from other schools not having modified membership.

DIVISION IV GIRLS' ATHLETICS

Rule 1. Girls' athletics are bound by the rules and regulations of the I. H. S. A. A. except for participation in Girls' Play Day program.

Rule 2. Rules for girls' contests shall be those published for the National Section on Women's Athletics of the American Association for Health, Physical Education and Recreation.

Rule 3. Inter-school basketball games and tourneys are not recommended for girls.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tourneys.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship out of season, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools involved and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games.

DIVISION V ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the Principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each study for the preceding semester in school; average mark in each study from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the I. H. S. A. A. Rules and By-Laws reading, "—a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required

for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. Back work may be made up during the summer and counted toward eligibility, provided it is done in a regularly approved summer school or according to procedures approved by the State Department of Education. Such make-up work must be entered on the permanent record before the opening day of the following semester.

Rule 4. In each of the studies representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Rule 5. For athletic purposes the record at the end of a semester shall be final. Deficiencies in one semester can not be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure. Back work may be made up and counted toward eligibility during the summer provided it is done and becomes a matter of final record prior to the opening day of the next semester.

Rule 6. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 7. Any student who carries at least fifteen hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a High School student in any high school, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Rule 2. A student enrolled in one High School of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other High School for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section.

Rule 4. The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Rule 5. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Rule 6. Any student who has been enrolled twenty (20) or more days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 7. Any student, who has been enrolled twenty (20) or more days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter twenty (20) or more days between December 1 and March 1 for four times.

Rule 9. A student withdrawing permanently from school within the first twenty (20) days of a semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more inter-scholastic games, in which case he shall be regarded as having engaged in athletics for that season.

Rule 10. In order to be eligible for athletic competition during any semester, a student must have entered some High School within the first twenty (20) school days of the semester in which the contest occurs.

Rule 11. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way.

Rule 12. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the Principal of each High School files a statement with the Board of Control that the change was necessary and that no undue influence was attached to the case in any way.

D. Participation—

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season.

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

E. Parents and Physicians' Certificates—

Rule 1. Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of Physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any inter-scholastic athletic contest by a physician licensed to practice medicine in Indiana.

Rule 2. Previous to the student's first inter-school participation, the Principal shall certify to the I. H. S. A. A. that the certificates required herein are on file in his office.

Rule 3. A student properly certified to participate in inter-scholastic athletic activities, who is absent from school for five consecutive days due to illness or injury, must present to his Principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a High School when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Rule 3. Students meeting requirements for graduation in three and one-half years in a High School with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligible rules of the I. H. S. A. A.

H. Age—

Rule 1. Students shall be ineligible for any athletic competition upon reaching twenty years of age.

I. Amateurism—

Rule 1. All contestants in the I. H. S. A. A. must be amateurs.

Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of professional Baseball is violating the agreement reached between the National Federation of State High School Athletic Associations and Professional Baseball, and which has been sanctioned by the I. H. S. A. A.

Such action on the part of any employee or school official may cause his school to be suspended from the I. H. S. A. A. for a period of time to be determined by the Board of Control.

Rule 5. No High School student shall be eligible to participate in any inter-school contest under the rules of the I. H. S. A. A., if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 6. Reinstatement of Amateur: A high school student, who has violated his amateur standing according to the rules and by-laws of the I. H. S. A. A. may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school Principal, and shall certify that one calendar year has elapsed since

the student was declared ineligible and that the student has not violated his amateur standing during that calendar year.

J. Conduct—

A. reserves the right to request additional information and to make final decisions after a careful investigation has been made.

DIVISION VI PRIZES AND AWARDS

Rule 1. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Rule 2. The giving and receiving of prizes, awards, gifts and articles shall be kept within reasonable bounds and such as are given or received shall have symbolic value only.

Rule 3. The giving and receiving of prizes, awards, gifts and articles shall be done by and with the consent and under the supervision of the high school Principals concerned.

a. The word "reasonable" shall be understood to mean "sound,"

"sane," "sensible," "moderate," "proper" or "fitting" as these words apply to good school procedure.

b. The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even if the award is duly inscribed. An inscription cannot validate such awards in the I. H. S. A. A.

Rule 8. Schools belonging to athletic conferences, or participating in tourneys and meets under the rules of the I. H. S. A. A., except in the championship series conducted by the I. H. S. A. A. may award prizes to the winning school or winning participants provided such awards are kept within reasonable bounds, and provided that such as are given shall have symbolic value only. QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the association and the interpretations of the several Boards of Control.

It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

4. If a student attends a high school outside his home school district and subsequently returns to his home high school, he is ineligible for one calendar year. This applies to a beginning ninth grade student as well as all other students.

5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school involved signs a statement that the change was unavoidable. Each case is checked carefully before a decision is made.

6. A student, who changes high schools because of an action by the Court Welfare Department or similar agency, may be considered eligible, provided a copy of the action making such transfer, is filed with the I.H.S.A.A.

* * * *

12.

Q. Are the same standards of eligibility required for intra-school games as for inter-school games?

* * * *

17.

Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?

A. Yes.

* * * *

18.

Q. If a student becomes ineligible at the end of a grading period in a semester when can he become eligible?

* * * *

25.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships).

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The High School Principal in any high school belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.

3. The I. H. S. A. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A. A.

4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.

5. The I. H. S. A. A. requests Principals having 9th grade students enrolled to confer and co-operate with the Senior High School Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The I. H. S. A. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

65

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

8. A 9th grade student in a Junior High School not holding modified membership, may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tourneys and meets in which more than two teams compete, except in play days, etc., held in same city school system. This exception shall not be interpreted as giving sanction to regular athletic tourneys and meets.

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request.

18. See modified membership regulations immediately following.

Junior and Senior High School Modified Membership Regulations

Modified memberships may be extended to any public high school offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests, tourneys and meets in which only the teams from the high schools of the same city participate, invitational basketball tournaments in which not more than four schools participate and in track meets where trial runs are not necessary.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

* * * *

1.

Q. What type of school may hold a modified membership?

A. A High School offering and maintaining less than three years of high school work.

* * * *

2.

A. No. A full membership meets the requirements.

* * * *

3.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?

A. No. Schools holding modified or full memberships are required to use students in the 9th, 10th, 11th and 12th years of school work.

* * * *

4.

Q. May schools holding modified memberships compete with High Schools who do not hold membership in the I. H. S. A. A.?

A. No. Permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

* * * *

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No. These students are not eligible for any teams in high schools holding any type of membership in the I. H. S. A. A.

* * * *

6.

Q. May a 9th grade student, who is enrolled in a Junior High School, participate on the Senior High School team?

A. No. If the Junior High School holds a modified membership. Yes, if the Junior High School does not hold a modified membership.

BASEBALL

1.

Q. Does a high school student violate the rules of the I. H. S. A. A. by playing independent baseball or softball during the summer?

A. High school students may play independent baseball or softball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. Reasonable meals, lodging and transportation may be accepted by such players if accepted in service and not in any other way. All such playing should be checked carefully by Principals. I. H. S. A. A. information certificates will be furnished upon request.

See Division V under Amateurism in the By-Laws.

(Note: This answer applies to other summer sports, not having definite seasons, provided other rules and regulations of the I. H. S. A. A. are observed.)

* * * *

2.

Q. Is a student, who plays on an independent baseball or softball team during semester one, ineligible for high school baseball or softball during semester two?

A. Yes. Such a student is ineligible for baseball or softball for semester one and two, also, as baseball or softball is a school year sport.

* * * *

3.

Q. If a student plays on an independent team in baseball or softball during the school year, does he make himself ineligible for both baseball and softball in high school?

A. No. He makes himself ineligible only in the sport in which he participates on an independent team, provided he does not violate his amateur standing in some way.

* * * *

4.

Q. Are baseball and softball considered separate sports?

68

A. Yes, except that an official who is approved in "Baseball" may be considered eligible to officiate either baseball or softball.

* * * *

5.

Q. May a school official or employee act as an agent between high school athletes and professional baseball?

A. No, they are violating the agreement between the National Federation of High Schools and Professional Baseball. (See Division IV under "Amateurism" Rule 4, of the I. H. S. A. A. By-Laws.)

* * * *

(Baseball and Softball)

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

69

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

SUMMER SCHOOL WORK

1.

Q. Does summer school work in a school other than his home school jeopardize the standing of a student?

A. No, provided the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I. H. S. A. A. recommends summer school work of an approved type for students needing credits.

* * * *

2.

Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?

A. Work during the summer may be counted toward eligibility provided: (1) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (2) no more than two credits be given for work done during the summer months (3) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (4) all work and credits be bona fide in every way and certified as such by the High School Principal.

* * * *

3.

Q. When should a student receive a credit in a subject?

A. A student should pass and receive credit in a subject at the end of the semester in which the work is done if it is desired to count this subject toward eligibility in athletics for the next semester, with the understanding that a student may count as many as two credits toward eligibility if made in a regularly sanctioned summer school.

MISCELLANEOUS

1.

Q. May a High School schedule and play games during the week?

A. The I. H. S. A. A. has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

* * * *

2.

A. The rule reading "There shall be no inter-school contests held on Sunday" includes games and practices as well as inter-school contests.

* * * *

3.

Q. May students, who are ineligible for the first team, play on teams of lower ranking?

A. No. Ineligibility for one team means the same for all teams.

* * * *

4.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes. This one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school for five consecutive days due to illness or injury must present to his Principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in interscholastic athletics.

* * * *

5.

Q. Does the I. H. S. A. A. stipulate any price for tickets to other than tournaments and meets held strictly under the supervision of the Board of Control?

A. No. Other than a recommendation that reasonable prices be made at all times for all games.

* * * *

6.

Q. Is a student, who is expelled from High School one semester, eligible for the following semester?

A. The I. H. S. A. A. has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the I. H. S. A. A. are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.

* * * *

7.

Q. May a High School support a grade team in the same school system out of its athletic funds?

A. Yes.

71

8.

Q. May two or more High Schools combine to form one athletic team?

A. No. This is not permitted under any conditions, unless they legally consolidate and become one school.

* * * *

9.

Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?

A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

"Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible."

* * * *

10.

Q. May the rules of a school be changed or special examinations be given in order to make students eligible?

A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

* * * *

11.

Q. Does wrestling come under the rules of the I. H. S. A. A.?

A. Yes. All "inter" athletic participation comes under the I. H. S. A. A.

* * * *

12.

Q. May High Schools belonging to the I. H. S. A. A. take part in a track meet or tourney games outside of Indiana?

A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the High Schools belonging to the I. H. S. A. A. must be held under the direct supervision, management and auspices of the member High Schools concerned, or under the I. H. S. A. A. Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13

Q. May High School students take part in tourneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.?

72

A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal. See regulations for baseball in this handbook. Also read the sections governing Prizes and Awards.

* * * *

14.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

* * * *

15.

Q. What is considered the school year?

A. A school year covers all time from the first day to the last day of the school year, including vacations.

* * * *

16.

A. All tourney schedules in the I. H. S. A. A. are drawn by lot by the Board of Control.

* * * *

17.

* * * *

19.

30.

Q. What constitutes the use of undue influence in the I. H. S. A. A.?

A. An all-inclusive answer for all time and under all conditions can not be given, but the use of any of the following inducements may come under the rule:

1. Offer or acceptance of money or other valuable consideration.
2. Reduction or remission of regular tuition.
3. Waiving the requirement of legal transfers according to law.
4. Offer or acceptance of board, room or clothing.
5. Offer or acceptance of remuneration for work in excess of amount regularly paid for such service.
6. Free transportation.
7. Transportation by Coach, Principal, teacher or school official.
8. Offer of acceptance of school privileges or considerations not granted to other students.
9. Making home with Coach, Principal, teacher or school official.

11. Offer or payment of moving expenses of parents.

* * * *

31.

Q. Why should a school be penalized because some person outside of school uses undue influence?

A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence. An athlete has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

75

32.

Q. Is it the duty of the I. H. S. A. A. to prove that undue influence has been used?

A. No. The High School Principal has agreed to conduct his athletic activities according to the rules and regulations of the I. H. S. A. A. When there is a question, it is the duty of the High School Principal to meet the question. He can not certify that his students are eligible unless he knows that they are eligible.

* * * *

33.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?

A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

* * * *

34.

Q. What steps should be taken in ineligibility cases?

A. In cases in which an ineligible student has been used in inter-school athletics the following steps should be taken immediately by the High School Principal:

1. Inform the I. H. S. A. A. office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The I. H. S. A. A. should be informed as to how the error was made.

2. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these Principals to notify the I. H. S. A. A. office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The I. H. S. A. A. reserves the right to request additional information and to make final decisions after a careful investigation has been made.

A. The first day on which regular classroom instruction is offered.

76

36.

A. Yes.

* * * *

37.

Q. Do seniors have any rights and privileges in athletics not granted to other students?

A. No. In fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the I. H. S. A. A. in which their high school holds membership.

* * * *

38.

Q. What constitutes a regularly employed teacher in the I. H. S. A. A.?

A. The Board of Control has ruled that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full time service as a teacher on a full time contract and regularly paid out of school funds. Specific questions require specific answers.

* * * *

39.

A. Yes.

* * * *

40.

Q. Is it necessary for a high school to meet and maintain the policies, regulations and standards for the accreditation and classification of high schools in Indiana in order to be a member of the I. H. S. A. A.?

I.H.S.A.A. ATHLETIC COUNCIL MEETING

Indianapolis, Ind., October 23, 1946.

Present: President Harold McSwane, J. W. Sims, Paul Stangle, King Telle, H. Ralph Beabout, R. B. Miller, Shelly M. Caldwell, Everett Paschen, E. V. Minniear, J. H. McClure, Harry Neimeyer, Donald Reel, Lawrence Hobbs, C. B. Stemen, E. C. Boyd, Robert G. Jones, Ralph Heath, Frank A. VanSlyke, Herman M. J. Prage, Adolph G. Zollman, Harry C. Wampler, Harold A. Lloyd, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

Absent: J. W. O. Breck.

MINUTES OF LAST MEETING

The Minutes of the last meeting were approved without reading since members of the Council had received copies of these Minutes soon after the meeting.

It was decided to vote by voice or show of hands, and that thirteen affirmative votes be required to pass a motion.

VACANCIES

The Council voted not to fill the vacancies which existed in the Council membership at this time. One vacancy existed in District IV, Class 4, due to the resignation of Robert S. Hinshaw. This position is to be filled at the regular election December 1-10, and the person chosen is to take office immediately. Another vacancy exists in District V, Class 2, due to the resignation of Charles B. Lind. The Council voted that the person chosen in the regular election December 1-10 for the full five-year term be designated to complete the unexpired term of Mr. Lind on the Council, and that he assume office immediately upon being declared elected.

PROPOSALS

The proposals, as printed in Bulletins 1 and 2, were considered together with the correspondence on file concerning them.

1. The following proposal was passed, to become effective in 1947: All football practices by players or teams shall be limited to the period beginning August 15 and ending June 1 of each school year.
2. The following proposal failed to pass: No inter-school basketball games shall be played by students or schools prior to November 15 of each school year.

INDEPENDENT BASKETBALL PLAYING

The Council voted that the closing date for independent basketball playing for all high school students be fixed as of the closing date of the I.H.S.A.A. Sectional Basketball Tourneys.

PRIZES AND AWARDS

The Council instructed the Board of Control and the Commissioner to enforce strictly the I.H.S.A.A. rules concerning the giving and acceptance of cash and merchandise prizes and awards in all sports.

BASEBALL SCHOOLS AND CLINICS

It was called to the attention of the Athletic Council that certain non-professional baseball organizations had held baseball schools and clinics to which high school students had been invited and that scouts of professional baseball had served as instructors. It was pointed out that such affairs had developed into professional try-outs for those with talent, rather than schools of instruction for all who attended. The Council directed the Board of Control to re-state the rule on baseball schools and clinics so as to correct this situation.

ALL-STAR CONTESTS

Principal R. B. Miller reported on a meeting held in Chicago, attended by high school athletic association representatives from seven mid-western states, Secretary H. V. Porter, of the National Federation, and Commissioner K. L. (Tug) Wilson, of the Western Conference. This meeting was concerned with various so-called "All-star" contests being promoted by various agencies in the seven states. Various problems connected with all-star contests were discussed, but no change was made in the present I.H.S.A.A. rules.

A number of problems, including summer baseball for high schools, long-distance trips for inter-state contests, merry-go-round football games and methods of selecting tourney officials were discussed, but no action was taken.

1. No inter-school basketball tourney which involves more than four schools, except where all the schools are located in a single county, shall be held without the sanction of the I.H.S.A.A. (This will become Rule 11-a, Division III.)

2. A school to be eligible for membership in the I.H.S.A.A. must be accredited by the State Department of Education. (To be inserted in Article II, Section 1 of the Constitution.)

3. The Council directed the Board of Control and the Commissioner's office to rewrite Rules 6, 7 and 8, Division V-C-Enrollment, for the purpose of clarifying those rules.

4. Article II, Section 2 was amended to read:

"Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association."

SUMMER ATHLETIC PROGRAM

The Council approved unanimously a motion to authorize President McSwane to appoint a committee consisting of one Council member from each of the five I.H.S.A.A. districts to study the matter of a summer athletic program for member schools under I.H.S.A.A. rules and regulations. The committee was directed to bring in recommendations for action at the October meeting.

President McSwane appointed the following named members on the committee: J. W. O. Breck, Chairman; R. B. Miller, Everett Paschen, Lawrence Hobbs, and Harry C. Wampler. The committee will meet on the call of Chairman Breck.

II. WASHINGTON TOWNSHIP (CASS COUNTY)

After considering the evidence filed by Principal Condon of Washington Township High School (Cass County) the Board ruled that Ronald B. Davis is eligible to participate in inter-school athletics in that high school under the rule pertaining to unavoidable change of residence.

III. PLYMOUTH

After considering the evidence filed by Principal Beabout of Plymouth High School, the Board ruled that Roger Silvernail is eligible to participate in inter-school athletics in that high school under the rule pertaining to unavoidable change of residence.

IV. SHERIDAN

Principal R. J. Miller reported that Sheridan High School would open August 30, at which time students would enroll and meet their teachers in classes. The following week school is to be recessed for students to attend the Indiana State Fair. The school is to reconvene again September 9. The school has a football game scheduled for September 6.

The Board ruled that August 30 constitutes the first day of school for Sheridan and that the game may be played September 6 as scheduled.

V. I.H.S.A.A. BUDGET

The Commissioner submitted to the Board of Control for consideration an estimated budget of expenditures for the fiscal year beginning September 1, 1946.

Following one minor change, the budget was unanimously approved and adopted by the Board.

VI. GIMBEL AWARD

Nicholas & Davis, attorneys for the estate of the late Jake Gimbel of Los Angeles, Calif., notified the I.H.S.A.A. that Mr. Gimbel's will stipulated that a sum of \$25.00 be provided to purchase the Gimbel Award. This award had been provided by Mr. Gimbel over a period of years for the player who displayed the best mental attitude in the Final State Basketball Tourney each year. Following the death of Mr. Gimbel in 1943, the award was discontinued by the I.H.S.A.A.

The Board of Control directed the Commissioner to inform Attorneys Nicholas & Davis, Los Angeles, Calif., that the I.H.S.A.A. waives all claims to the sum of \$25.00 provided in the Gimbel will. A letter to that effect was mailed by the Commissioner on this date.

VII. RE-REGISTRATION OF OFFICIALS

Assistant Commissioner Hinshaw reported on the progress of the re-registration of officials from July 1 to August 15, and explained the forms being used in this registration to the Board.

VIII. STATE GOLF MEET

It was unanimously decided by the Board of Control that the Annual State Golf Meet, discontinued because of the war, would again be sponsored by the I.H.S.A.A. Tentative plans are to hold the meet on May 24, 1947, the date of the Final State Track Meet. Complete details will be announced in a later bulletin.

IX. ATHLETIC COUNCIL

The Board fixed the date for the fall meeting of the Athletic Council for 8 P. M. Wednesday, October 23, 1946.

X. 1947 BASKETBALL TOURNEYS

1. Mr. J. W. Atherton, Business Manager of Butler University, and Mr. Emsley Johnson, representing the Butler University Board of Trustees, met with the Board of Control to discuss rental terms for the use of the Butler Fieldhouse in holding the State Final Basketball Tourney in 1947. Mr. Atherton and Mr. Johnson stated that it would be necessary for them to consult the Executive Committee of their Board of Trustees before agreeing on final terms.
2. Due to increased attendance at sectional tourneys in 1946, a number of principals had requested that the Board formulate a more definite plan for the distribution of sectional tourney season tickets. Action was deferred pending further consideration of this matter.
3. Study was given to a suggested plan for splitting sixteen-team sectionals into two centers of eight teams each, with the winners of each center meeting for the final championship game. No definite action was taken pending further consideration of the plan.

4. Mr. B. R. Jerrel of Tele-Visual Productions, Des Moines, Iowa, conferred with the Board relative to filming portions of the 1947 State Final Basketball Tourney to be released to the public under a commercial sponsorship. Mr. Jerrel was requested to submit figures which would eliminate any commercial advertising with the cost of the film to be assumed entirely by the I.H.S.A.A.

XI. RETURNING VETERANS

The Board added the following ruling and interpretation to the rule for students having served in the United States Armed Forces and enrolling in high school during the school year of 1946-47:

"Students who withdrew from high school prior to September 18, 1945, during the school's sport season, to enter the Armed Forces immediately after withdrawal

- "1. May return and participate in the same number of inter-school games his high school played the season after his withdrawal from high school with the combined games counting as one season of participation. In no case shall the combined games of participation by the student total more than the number of games played by his school during the sport season he withdrew from school.
- "2. A student may return and be eligible for a full season of athletic participation, provided he counts his last previous season as one season of participation.
- "3. I.H.S.A.A. sponsored contests shall not be counted in determining the number of games remaining on the school's previous season's schedule.
- "4. The student must meet all other I.H.S.A.A. eligibility requirements."

The Board adjourned to meet again at 9 A. M., September 7, 1946.

E. C. Boyd, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Ind., September 7, 1946.

Present: President E. C. Boyd, Robert G. Jones, E. V. Minniear, King Telle, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw. (Charles B. Lind resigned September 1, 1946.)

I. BOARD OF CONTROL

Charles B. Lind, member of the Board of Control, had filed with the Commissioner in writing his resignation, effective September 1, 1946, because of his removal from the state to accept a position in the city schools of Eustis, Florida. The Board directed the Commissioner to write Mr. Lind that his resignation is accepted with most sincere regrets and that every member of the Board appreciates his faithful, honest, intelligent and sincere services to the

I.H.S.A.A. as a member of the Board of Control and Athletic Council, and furthermore wishes him every success in his new field of endeavor in Florida.

The Board appointed Principal Paul Stangle, DeMotte High School, to represent Class 2 schools on the Board of Control until the next regular meeting of the Athletic Council.

II. JOHN W. HEAD

The approval card of John W. Head had been cancelled by the I.H.S.A.A. in 1941 for officiating in an All-Star basketball game contrary to the rules of the Association at that time. Mr. Head had made application to be reinstated and approved as an official in the I.H.S.A.A. His application to become a temporary official was accepted by the Board, provided he files the necessary number of recommendations.

III. LOGANSPOURT

Robert Ricci, a student of Logansport High School, was declared ineligible by the Board of Control June 9, 1945, for having played under an assumed name on a C.Y.O. team in the spring of 1945. Since more than one calendar year had elapsed since Robert was declared ineligible, he filed an application, approved by Principal Dean Smith of Logansport High School, for reinstatement as an amateur in the I.H.S.A.A.

Decision—Robert Ricci considered eligible as of September 7, 1946, so far as the rule on Amateurism is concerned.

IV. SULLIVAN

Principal Harry C. Gilmore and Coach William Jones of Sullivan High School appeared before the Board in regard to a violation of the I.H.S.A.A. rule which prohibits football practices prior to August 20.

Coach Jones stated that he called his players together August 12 for physical examination and issuance of equipment and that practices were held August 13 and 14. He stated that he was not aware of the rule prohibiting practices before August 20, and that the violation was unintentional on his part.

Principal Gilmore stated that he was aware of the rule, but that he had not informed Coach Jones. He further stated that he was out of the city at the time the practices were held and that upon his return he had Coach Jones to cease holding practices immediately.

Decision—Sullivan High School is placed on probation in the I.H.S.A.A. until September 1, 1947. Coach Jones is directed to inform himself thoroughly regarding the rules of the I.H.S.A.A. and to abide by them in the future. Principal Gilmore is advised that it is his duty to see that members of his coaching staff are acquainted with and abide by the rules.

V. BERNE

On August 26, 1946, the Town Council of Berne formally annexed

the property of Mrs. Matilda Sprunger, whose son, Leroy, had been attending the township high school at Geneva. Press reports emanating from Berne and widely published throughout the state and elsewhere seemed to imply that the annexation had been prompted in order to secure the services of Leroy as an athlete in Berne High School. Upon investigation, the Board of Control found no evidence of undue influence or other irregularities connected with the annexation of Mrs. Sprunger's property to the town of Berne.

Decision—Leroy Sprunger considered eligible at Berne High School so far as residence is concerned. The Board reserves the right to reconsider this case if any evidence of undue influence should be presented.

VI. BUTLER UNIVERSITY FIELDHOUSE

The Board of Control approved and signed a contract with representatives of Butler University for the use of the Butler Fieldhouse for holding the 1947 Final Basketball Tourney on March 22, 1944. The rental charge agreed upon is \$4,750.00, which includes the use of the Butler University athletic facilities for holding rules clinics and demonstrations or other non-profit athletic activities.

VII. CENTRAL CATHOLIC HIGH SCHOOL (SOUTH BEND)

Central Catholic High School (South Bend) requested information in regard to playing a game of football with Cathedral High School of Springfield, Mass. The National Federation of High School Athletic Associations, of which the I.H.S.A.A. is a member, prohibits inter-state contests between member schools which involve a round trip exceeding 600 miles, unless such event has been sanctioned by both interested state associations through the National Federation. The Board of Control believes that this rule was made in the interests of good school procedure, particularly as regards athletic contests. The Board of Control, therefore, does not sanction interstate athletic contests involving a round-trip distance of more than 600 miles.

VIII. PORTLAND

Principal Brubaker of Portland High School requests a ruling on the following case: Doyt Cassel lived in the south part of Pike Township, Jay County, and attended Jefferson Township High School in Randolph County. Pike Township has no high school. Last March his parents moved to the north part of Pike Township and he completed the year at Jefferson. This year Doyt and four other members in the family will attend the Portland schools. The plan in Pike Township is to transfer the south part to Jefferson and the north part to Portland. To attend Jefferson they would have to drive three or four miles to get a bus, while the bus to Portland passes their door.

Decision—Doyt Cassel considered eligible for interschool athletics at Portland High School, so far as residence is concerned, provided no undue influence is connected with the case in any way.

IX. CHANGE OF RESIDENCE

A number of cases were considered by the Board of Control which involved the eligibility status of students as a result of unavoidable change of residence, or the action of the Court or other governmental agency charged with custody of the student. In these cases the Commissioner was instructed to rule the student eligible when satisfactory proof has been filed in the I.H.S.A.A. office.

X. LA FONTAINE

Principal Russell D. Walters of La Fontaine High School appeared before the Board relative to the eligibility status of Frederick Arvin, a student of La Fontaine High School. Frederick had been declared ineligible by a former principal for inter-school athletics for the school year 1945-46 on the grounds that he was not a resident of the La Fontaine School district. Principal Walters stated that one calendar year had now elapsed since Frederick had enrolled at La Fontaine in September, 1945.

Decision—Frederick Arvin considered eligible for inter-school athletics at La Fontaine High School so far as enrollment is concerned, provided no undue influence is attached to the case in any way.

XI. LOGANSPORT

Principal Dean Smith, Superintendent Carl Zimmerman, Athletic Director Charles McConnell and Father Ward of the St. Vincent's Church, Logansport, appeared before the Board relative to the birth date of Joseph Louis D'Andrea, a student in Logansport High School.

Evidence presented consisted of records taken from the Cass County Board of Health, the Indiana State Board of Health, the Logansport Schools, the St. Joseph's Church and a statement from the boy's mother. Due to a conflict in the records, Principal Smith requested the Board to determine the date of Joseph's birth to be used for athletic eligibility purposes.

A decision in this case was postponed until a later meeting, pending further investigation.

The Board adjourned to meet again at 9:00 A. M., September 21, 1946.

E. C. Boyd, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Ind., September 21, 1946.

Present: President E. C. Boyd, Robert G. Jones, E. V. Minniear, Paul Stangle, King Telle, Commissioner L. V. Phillips and Assistant Robert S. Hinshaw.

I. LOGANSPORT

On September 7, 1946, Principal Dean Smith of Logansport High School, accompanied by Superintendent Carl Zimmerman, Athletic

Director Charles McConnell and Father Ward of St. Vincent's Parish, Logansport, appeared before the Board of Control and requested assistance in determining the date of birth of Joseph D'Andrea for inter-school athletic purposes. Principal Smith presented the following records concerning the birth of Joe D'Andrea:

Record	Name	Date of Birth
High School	—Joseph Louis	November 29, 1925
Mother	—Joe	June 9, 1927
County	—Pippino Oresto	November 29, 1926
State	—Pippino Oresto	November 29, 1926
Church	—Pepino Louis	June 18, 1927
Mis-issued State Certificate		
(By Affidavit)	—Joseph Louis	June 9, 1927

The St. Joseph Church record was presented by letter from the pastor, Msgr. M. J. Aichinger, which mentioned birth dates for three children in the D'Andrea family as follows: Pietro Umberto Antonio, born May 29, 1925; Pepino Louis, born June 18, 1927, and Orestes Antonio, born March 7, 1928. Msgr. Aichinger's letter also contained the following postscript: "Since these boys were baptized in each case several months after their birth, it may easily have happened that the days of birth and the days of baptism conferred caused some confusion as to date of birth."

On September 9, 1946, the Commissioner and Assistant Commissioner visited the office of the Division of Vital Records, State Board of Health, at which time a thorough examination was made of the recorded births in the D'Andrea family. As a result of this examination, the Division of Vital Records concluded that Joseph Louis D'Andrea is the same person as Peppino Oresto D'Andrea, whose date of birth as shown by State and County records is November 29, 1926. The Division of Vital Records officially voided (on September 9, 1946) the birth record of Joseph Louis D'Andrea secured by affidavit May 4, 1946, as having been issued in error and a statement was given in writing to that effect.

The I.H.S.A.A. also requested on September 9, 1946, a statement from the Cass County Selective Service Board as to the date Joseph Louis D'Andrea registered for military service. This statement showed that he registered November 29, 1944, which indicates that he was eighteen years of age on that date, as he would not have been permitted to register prior to his eighteenth birthday.

Decision—While there is confusion in the records, the preponderance of evidence indicates beyond a reasonable doubt that Joseph Louis D'Andrea was born November 29, 1926, and that date is hereby fixed, so far as his participation in inter-school athletics, under the rules of the I.H.S.A.A., is concerned.

II. ARSENAL TECHNICAL (INDIANAPOLIS)

Mr. Hanson H. Anderson, Principal of Technical High School, had asked the Board to pass on the reinstatement of Joseph B. Clemans to

amateur standing. He had been declared ineligible on September 8, 1945, for playing in a Pro-Amateur Golf Meet with his golf club.

Decision—Joseph B. Clemans reinstated to amateur standing by the Board of Control as of September 21, 1946.

III. MEMBERSHIP

The Board of Control approved the application of the Benjamin Harrison School of South Bend for a modified membership in the I.H.S.A.A.

IV. FILMS

The Board considered a proposition made by the Tele-Visual Productions, Des Moines, Iowa, for filming the 1947 State Final Basketball Tourney. Due to the expense involved, it was decided not to accept the offer, but instead to cooperate with the Visual Education Department of Indiana University in producing films on the finals for basketball and track. Assistant Commissioner Hinshaw reported on the progress of the film covering portions of the 1946 finals in basketball and track. The Board approved the necessary expenditures for making this film available through Indiana University.

V. BASKETBALL RULES

The Board of Control had been requested to give an interpretation on Rule 2, Section 2 of the 1946-47 Basketball Rules, which is sometimes referred to as the "dangerous equipment" rule. The Board directed the Commissioner to quote the rule, together with an official interpretation by the Secretary of the National Basketball Rules Committee in the October Bulletin, along with a number of other special rules pertaining to Indiana high school basketball.

VI. HEALTH AND PHYSICAL EDUCATION PROGRAMS

It was decided that, upon request, the I.H.S.A.A. will assist the Health and Physical Education section at any of the five centers in which the State Teachers Association conventions are held in the employment of out-of-state speakers, to the amount of fifty percent of the cost of such speakers, and provided that the total amount to any one center shall not exceed \$50.00 before any payment is made, the proper official shall file with the I.H.S.A.A. a copy of the program and a statement on the total cost of out-of-state speakers.

VII. CONSTITUTION, BY-LAWS AND RULES

The Board authorized the printing of the revised Constitution, By-Laws and Rules in pamphlet form to be sold in quantities to member schools and other interested parties at a nominal price per copy to cover cost of printing and distribution. It was also decided that a summary of eligibility rules most commonly violated be printed on cardboard or heavy paper, copies of which are to be distributed to all member schools, to be posted where all pupils would have access to them.

VIII. AUDIT

Copies of the Audit of the I.H.S.A.A. financial books and holdings by Ernst & Ernst, Certified Public Accountants, for the period No-

ember 15, 1945, to August 30, 1946, were presented to the Board members. This audit was unanimously approved by the Board.

IX. NEWSPAPERS

In order that the I.H.S.A.A. be better informed as to athletic activities throughout the state, the Commissioner was authorized to subscribe for several representative newspapers from various sections of Indiana.

X. NATIONAL FEDERATION MEETING

President E. C. Boyd and the Commissioner were designated to represent the I.H.S.A.A. at the annual meeting of the National Federation to be held January 8 to 12, 1947, in St. Petersburg, Florida. If other members desire to attend, they are to notify the Commissioner by October 1 regarding reservations.

XI. BASKETBALL TOURNEYS

Preliminary consideration was given to a number of questions pertaining to the details of the 1947 State Championship Series, but no definite action was taken at this time.

The Principals of Porter and Lake County had presented a plan for a 16-team sectional tourney whereby the tourney would be played simultaneously in two divisions of eight teams each until the semi-final and final games. Due to the number of problems involved in such a plan, the Board decided to invite representatives of the two sectionals played in that area to meet and discuss this matter with the Board of Control, September 28, 1946.

XII. NEWPORT

Jerry Slattery lived with his grandmother in North Terre Haute and attended Otter Creek Township High School during the school year 1945-46. During this time Jerry's parents resided in Newport. In August, 1946, the grandmother went to Newport to live with Jerry's parents and he enrolled in Newport High School. Principal Herbert Lamb of Otter Creek High School and Principal John C. Pickell of Newport have recommended that Jerry be considered eligible in accordance with the unavoidable change of residence rule.

Decision—Jerry Slattery considered eligible for inter-school athletics at Newport High School so far as residence is concerned, provided no undue influence is attached to the case in any way. The Board of Control adjourned to meet again September 28, 1946, at 9:00 A. M.

Absent: E. V. Minniear.

I. WABASH VALLEY TOURNEY

Permission was given the Wabash Valley Athletic Association to conduct the second (or final) week-end of the 1947 Wabash Valley Basketball Tourney as follows:

- a. Sixteen teams to participate.
- b. First twelve games to be played in two gymnasiums in Terre Haute.
- c. Games in both gymnasiums to be scheduled simultaneously.
- d. Three final games to be played in one gymnasium.
- e. All fifteen games to be played in one week-end and to count as one tourney.

II. LAKE AND PORTER COUNTIES

A Committee composed of Principal R. B. Miller, Hammond; Principal Herbert Lahr, East Chicago; Principal James Stanley, Gary; Principal Cecil Irwin, Crown Point, and Superintendent G. Warren Phillips, representing Lake and Porter County schools, met with the Board to discuss plans for the 1947 sectional basketball tourneys in which teams from the two counties would participate. Briefly, the plan presented is as follows: The sixteen teams which participated in the 1946 Gary sectional to be divided into two sections of eight teams each, and the first twelve elimination games be played in two gymnasiums with six games at each place. The two schedules would be played simultaneously on a single Saturday. On the following Saturday, the three final games would be played in one gymnasium. The same plan would be used for the sectional held at Hammond in 1946. Advantages claimed are (a) Enable more fans and students to see their teams play; (b) Relieve the pressure for tickets; (c) No school time lost as all games would be played on Saturday.

The committee requested that the plan be adopted for the two sectional centers for one year as an experiment only. Further use of the plan would depend upon the evaluation of its merits in actual practice in 1947.

The Board advised the committee that the plan would be given thorough consideration before final details of the 1947 tourneys are approved for the tourney bulletin to be issued in January.

III. 1947 BASKETBALL TOURNEYS

The Board considered the following items in connection with the 1947 basketball tourneys:

- a. Seating capacities and other facilities of proposed tourney sites.
- b. Plans for rotating tourney sites.
- c. Officials—number to be used, pay, methods of selection and assignment.
- d. Schedules for various sized tourneys.

- e. Price of admission—single session and season ticket—for different sized tourneys.
- f. Possibilities in reassignment of schools at various centers to equalize attendance.

Financial reports of the 1946 tourneys disclosed a wide variation in expenditures for such items as help, police, meals and lodging. The Commissioner was directed to request each principal inviting a tourney to file a statement with his invitation estimating the cost of various items of expense.

IV. NATIONAL FEDERATION

Secretary H. V. Porter of the National Federation had extended an invitation to the High School Athletic Associations of several mid-western states to attend a meeting in Chicago, October 22, 1946, relative to problems created by so-called "all-star" games, conducted by outside organizations. The Board authorized Principal King Telle, a member of the Board of Control, Principal R. B. Miller, a member of the Athletic Council, the Commissioner and the Assistant Commissioner to represent the I.H.S.A.A. at this meeting.

The Board of Control adjourned to meet again on Wednesday, October 23, 1946, at 9:00 A. M.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Ind., October 23, 1946.

Present: President E. C. Boyd, Robert G. Jones, E. V. Minniear, Paul Stangle, King Telle, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. MEMBERSHIP

The application for membership in the I.H.S.A.A. by the Reitz Memorial High School for Girls (Evansville) was unanimously approved by the Board of Control.

II. SOUTH BEND

Lydick Junior High School discontinued its ninth grade with the close of the school year 1945-46. This action automatically terminated the school's modified membership in the I.H.S.A.A., since the association is concerned only with grades nine to twelve. Under the circumstances, the school is not considered eligible for the special distribution of funds made October 1, 1946.

III. MARION

Marion has three junior high schools which do not hold modified memberships in the I.H.S.A.A. Principal E. D. Milhon asked if students from the ninth grade of all three junior high schools may be combined to form a freshman or ninth grade team for inter-school competition.

Decision—Ninth grade students in junior high schools which do not hold modified membership may compete on either the junior or the senior high school team, but not on both. Ninth grade students from the three Marion Junior High Schools may, therefore, be combined for a ninth grade team, but they cannot then participate as a member of any one of the three junior high school teams.

IV. CONCORD TOWNSHIP (ELKHART)

Wally Walter Shoecraft, who attended Bristol High School last year, transferred to Concord Township High School this semester because of the death of his mother. Both High School principals concerned filed letters stating that his change of residence was necessary in order that Wally have a home.

Decision—Wally Walter Shoecraft considered eligible at Concord Township High School, as far as residence is concerned.

V. CLAY TOWNSHIP (BUNKER HILL)

Marvin Green's parents moved from Butler Township to Washington Township on January 10, 1946. Marvin continued to attend Butler Township High School until the end of the semester. There is no high school in Washington Township. The trustee transferred Marvin to Clay Township High School, stating that bus transportation is more convenient.

Decision—Marvin Green considered eligible at Clay Township, so far as residence is concerned, provided no undue influence is attached to the case in any way.

VI. CROMWELL

Merrill Corbin, who attended New Haven High School during 1945-46 school year, transferred this year to Cromwell High School without a corresponding change of residence on the part of his father. VII. ANDERSON

Russell Penn, who attended high school in Los Angeles, Calif., during the school year 1945-46, enrolled in Anderson High School this semester without a corresponding change of residence on the part of his parents. While the statements showed that it may be more desirable for the boy to attend school in Anderson, they did not indicate that the change was unavoidable if he is to have a home. His parents still maintain a home in Los Angeles.

Decision—Russell Penn considered ineligible as to residence at Anderson for one calendar year from the date he enrolled there this semester.

VIII. MEDICAL AND FIRST-AID SERVICE

The I.H.S.A.A. had been asked relative to its position on requiring the presence of a physician and someone skilled in first-aid at all inter-school athletic contests. The Board of Control recognizes, that due to the shortage of physicians, it may not be possible to have a physician present at all contests. School officials, however, should be prepared to contact a physician immediately in case of a serious injury. At least one person who is competent to administer first-aid should be present at every contest.

IX. NATIONAL FEDERATION

The Commissioner reported to the Board concerning a meeting of state high school athletic representatives of the mid-west with Secretary H. V. Porter of the National Federation and Commissioner K. L. (Tug) Wilson of the Western Conference, held in Chicago, October 22, 1946. This conference was concerned primarily with all-star contests being promoted throughout the country. A committee was appointed to draw up rules and regulations concerning this practice, to be presented to a joint meeting between the high school representatives and the athletic directors of the Western Conference, December 12, 1946. If a policy is agreed upon, it is to be presented to all the states at the National Federation Meeting at St. Petersburg, Florida, January 8-11, 1947.

The Indiana Association of Osteopaths desires to present evidence, at a later meeting, relative to the legal status of members of their profession under an Act by the 1945 General Assembly.

The Board adjourned to meet again at 9:00 A. M., Saturday, November 16, 1946.

The 1945 General Assembly passed an Act which provides that a person licensed to practice osteopathy may, upon passing an examination in materia medica, as prescribed by the State Board of Medical Registration and Examination, secure a license to practice medicine in Indiana. In accordance with the provisions of the above mentioned Act, the Board of Control voted that hereafter certificates of physical fitness must be signed by a physician duly licensed to practice medicine in the State of Indiana.

In the summer of 1946, Byron's mother established a home in Jeffersonville, and he and his grandmother moved from Leitchfield, Ky., to the Jeffersonville home. At the beginning of this semester he enrolled in Jeffersonville High School. Principal W. B. Owen, Leitchfield High School, who is also Vice-President of the Kentucky High School Athletic Association, wrote: "I am convinced that the move was above-board in every respect and that the boy should be permitted to participate in athletics at once."

Decision—Byron Johnson considered eligible at Jeffersonville High School so far as residence is concerned, provided no undue influence is attached to the case in any way.

V. FAYETTEVILLE (BEDFORD)

Wendell Scott resided with his parents and attended high school at Fayetteville. During the school year 1945-46, his parents moved to California. Wendell continued at Fayetteville and later transferred to Zionsville, lived with his sister and completed the school year. From September 9, 1946, to September 26, 1946, he lived with a brother in Atlanta, Ga., and attended Boys' School there. He then returned to Fayetteville High School. There was no corresponding change of residence by the parents or anyone else with whom he lived.

Decision—Wendell Scott's case was not considered as coming under the unavoidable change of residence, and he is, therefore, ineligible for one calendar year from the date of enrollment at Fayetteville this semester.

VI. BOGGSTOWN

John Richard Tresslar resided with his father and attended Boggs-town High School during the school year 1944-45. At the beginning of the school year 1945-46, he enrolled in Center Grove High School and lived in the home of Glenn Surface. In April, 1946, he returned to the home of his father, but completed the school year at Center Grove. At the beginning of the present semester, John Richard again enrolled in Boggstown High School.

Decision—John Richard Tresslar's case is not considered as coming under the unavoidable change of residence rule, and he is, therefore, ineligible for one calendar year from the date he enrolled at Boggstown for the present semester.

VII. MARSHALL TOWNSHIP (BEDFORD)

Burchel Gilbert participated in an independent game of Donkey Basketball after the beginning of the basketball season November 1, 1946.

Decision—Burchel Gilbert is ineligible to participate in inter-school basketball for the remainder of the present season.

VIII. GREENWOOD

Greenwood High School had requested a ruling on the eligibility status of Robert Stanley Carlyle, so far as residence is concerned. The Board directed the Commissioner to secure additional information relative to the prior residence of the parents and to rule on the case after such information had been secured.

IX. JEFFERSONVILLE-NEW ALBANY

The Varsity "J" Club of Jeffersonville desires to purchase a trophy to be held by the winner of the regularly scheduled basketball game between New Albany and Jeffersonville each year. The two schools have expressed a willingness to accept the trophy.

Decision—Permission is given for Jeffersonville and New Albany to accept the Varsity "J" trophy, provided there is no commercial significance attached to the gift in any way.

X. ANDERSON

Principal Porter and Ticket Manager Coffin of Anderson High School appeared before the Board to discuss problems in connection with the distribution of sectional basketball tourney tickets. Following a general discussion of this topic, the Board assured the Anderson officials that a definite plan for ticket distribution applying to all 64 sectionals would be outlined in the tourney bulletin.

I. HOWARD COUNTY

A committee of Howard County High School Principals, headed by Principal Paul Buroker of Union Township High School, appeared before the Board of Control to discuss the location of the Howard County Sectional Basketball Tourney for 1947. Due to the limited seating capacity of the Kokomo Armory, the Committee requested that the sectional tourney be played in the Marion Coliseum on Monday, Tuesday and Wednesday of the sectional tourney week. The advantages and disadvantages of this plan were discussed at length after which the Board agreed to give the matter careful consideration after all angles had been investigated.

II. CONDUCT AT ATHLETIC CONTESTS

Due to several disturbances at basketball games, the Board directed the Commissioner to prepare a letter and send to all principals reminding them of their responsibility to see that all inter-school contests are conducted in accordance with law and order.

III. PATOKA-LYNNVILLE

Lynnville High School had protested to the I.H.S.A.A. regarding the treatment received at a basketball game between Lynnville and Patoka at Patoka November 1, 1946. On November 16, 1946, the following persons appeared before the Board regarding this matter: Principal and Coach Kenneth Carr, Assistant Coach Carroll Gould and Wayne White, student—all of Patoka; Principal Ralph B. Parker, Coach Alva Cato and David Robinson, player, all of Lynnville; I.H.S.A.A. officials C. A. Phillips and Elwood Southwood, who officiated the game, were also present. It was brought out in the hearing that: (1) A fight on the floor occurred between fans of the two schools shortly before the end of the game; (2) It was necessary to end the contest before expiration of the regular playing time; (3) David Robinson, a Lynnville player, was struck by a Patoka fan, causing the loss of a tooth; (4) Principal and Coach Carr objected to decisions of the officials throughout the game, thereby contributing to the unsportsmanlike attitude of the Patoka fans; (5) Officials of both schools assisted in quieting the trouble; (6) Principal Carr made very little or no effort to adjust matters satisfactorily with Lynnville school officials. On November 27, 1946, Principal Parker notified the I.H.S.A.A. that a check had been received from Patoka to cover the dental fees for David Robinson.

Decision—Patoka High School is placed on probation until June 1, 1947. Principal Coach Carr is warned to refrain from criticising officials during the game in future. He is also directed to inform his fans that further unlawful conduct on their part will result in suspension of the school. The I.H.S.A.A. is to be informed by Mr. Carr that such a statement has been made.

Principal Parker is directed to inform his fans that further misconduct in connection with inter-school games either at home or away will result in suspension of their school from the I.H.S.A.A.

I. RESOLUTION ON DONALD REEL

Principal Donald Reel of Montezuma High School, a member of the Athletic Council and a former member of the I.H.S.A.A. Board of

Control, died at his home in Montezuma November 24, 1946. In recognition of the service of Mr. Reel to the I.H.S.A.A., the Board of Control unanimously passed the following resolution:

“WHEREAS, in the passing of Donald Reel, the I.H.S.A.A. has lost one of its outstanding leaders and

WHEREAS, he has devoted many years of faithful and efficient service to the I.H.S.A.A. through his untiring efforts to improve athletics for the youth of our state and

WHEREAS, we recognize his excellent character, keenness of vision, his honesty and sincerity of purpose and

WHEREAS, these fine qualities were evidenced in his years of work for the I.H.S.A.A. and for education in general and

WHEREAS, the cause of high school athletics and education in Indiana have sustained a great loss:

NOW THEREFORE, BE IT RESOLVED, that the members of the I.H.S.A.A. Board of Control, assembled in meeting December 7, 1946, recognize and acknowledge their esteem and high regard for this outstanding leader, and the debt of gratitude which the I.H.S.A.A. owes to him, and

BE IT FURTHER RESOLVED, that we extend our sincere sympathy to Mrs. Reel and other members of the family, and that a copy of this resolution be sent to Mrs. Reel.”

II. INSURANCE

The Board voted to renew the present insurance policy on the Association's safety deposit box, with the provision that the total amount be increased following income from the 1947 tourneys.

Fidelity bonds on the Commissioner, Assistant Commissioner and office employees were also ordered renewed for the coming year.

III. ELMHURST-CONCORDIA

At the close of a basketball game between Concordia High School and Elmhurst High School, played November 15, 1946, the running score of both scorebooks and the scoreboard showed: Elmhurst 37, Concordia 36. With less than one minute of playing time remaining, the officials stated that they checked with the scorers and were informed that the above score was correct. Since no points were scored after that time, the officials did not check the score again. Following the close of the game, the individual scores were checked and totalled. These totals showed the score to be: Concordia 38, Elmhurst 37. Charles Bobilya an official of the game, stated that during play a Concordia field goal was disallowed, although it had been credited on the scoreboard. The board was corrected, but Mr. Bobilya was not sure that the individual score was corrected at the same time. It was the opinion of Jim Agenbroad, the other official, that the discrepancy occurred as the result of points taken away from Concordia which were not taken off the books.

The I.H.S.A.A. referred the case to Mr. H. V. Porter, Secretary of the Official Basketball Rules Committee. He stated that, in similar

cases, it had been ruled that the running score be accepted as official in the absence of convincing proof to the contrary.

Decision—The Board of Control ruled that the official score of this game be: Elmhurst 37, Concordia 36.

IV. COUNCIL ELECTIONS

The Board authorized the Commissioner and his staff to tabulate the votes in the Athletic Council election and to present the results, together with all the ballots, for inspection by the Board at the next meeting.

II. ALEXANDRIA

Principal Victor M. Evans of Alexandria High School reported that the Alexandria coach had practiced his squad against a group of independent players. The Board directed Principal Evans to charge each player with having participated in one game and to count this practice as one game of the eighteen which the school is permitted to play on its inter-school schedule.

III. TOURNEYS

The Board reviewed the work done at previous sessions on the 1947 State Championship Basketball Tourney Series. Final approval was given for the location of sites, ticket prices, number and pay of officials, expense allowances, division of receipts, distribution of tickets and other details necessary to the conduct of the entire tourney series. The Commissioner was directed to sign definite contracts in duplicate with all tourney center principals, and, together with the Assistant Commissioner, prepare a tourney bulletin for distribution to the member schools setting forth all details in connection with the conduct of the tourney.

Permission was given for the Hammond and Gary sectionals each to hold the first twelve games of the sectional tourney in two separate gymnasiums, according to a pre-arranged grouping of the schools into brackets of eight teams each. These groupings must be approved by the Board of Control.

The following plan for the division of sectional tourney tickets was adopted:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets.
2. Twenty per cent of the remainder shall be divided pro-rata among the competing schools.
3. The remaining eighty per cent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction September 19, 1946.

II. RIFLE SHOOTING

The I.H.S.A.A. had been contacted by the National Rifle Association of America relative to including Rifle Shooting as an I.H.S.A.A. sport. Since it would not be feasible to conduct rifle shooting under the rules and regulations of both the I.H.S.A.A. and N.R.A.A., it was decided not to include rifle shooting as an I.H.S.A.A. sport at this time.

III. SHELBYVILLE

Due to the conduct of the fans following the Shelbyville-Garfield (Terre Haute) basketball game at Shelbyville January 3, 1947, it was necessary to provide police protection for Referee Earl Townsend. Written statements were on file from officials of the two schools, Referee Townsend and Umpire Don Veller. According to statements by Mr. Veller and Coach Kehrt of Garfield, Referee Townsend had done a competent job of officiating under very difficult circumstances.

Due to the efforts which have been made by Shelbyville school officials and citizens to correct the conditions resulting in the disgraceful treatment accorded Mr. Townsend, the Board of Control decided to withhold disciplinary action at this time. The Commissioner was instructed to write Principal J. W. O. Breck of Shelbyville that the following things must be done:

1. Continue efforts to improve the sportsmanship of Shelbyville fans with the understanding that the attitude toward officials must be definitely improved.
2. Provide the official timer with adequate equipment.
3. Instruct Coach Frank Barnes to refrain from protesting the decisions of the officials by word or action during the game.

VIII. TOURNEY OFFICIALS

Basketball officials for the I.H.S.A.A. sectional, regional and semi-final tourneys were selected. The selection of officials for the final tourney was deferred until a later meeting.

The Commissioner was authorized to discontinue the practice of giving "regular" and "reserve" contracts and to draw up one set of articles of agreement which would cover all tourneys to which an official might be assigned. This agreement would be valid only for the tourneys where an official is assigned and officiates.

IX. RELEASE OF DRAWINGS

The drawings of the tourneys are to be made Thursday afternoon, February 20. The Commissioner was instructed to invite representatives of the three Indianapolis newspapers and the three press associations to the drawings. The drawings are to be delivered to the Press Services just as far in advance of the release time as possible. The release time is set for 8:00 A. M. Friday morning, February 21.

The Board adjourned to meet again on February 8, 1947, at 9:00 A. M.

E. C. Boyd, President

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis 4, Ind., February 8, 1947.

Present: President E. C. Boyd, Robert G. Jones, E. V. Minniear, Paul Stangle, King Telle, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. STATE GOLF MEET

The Board authorized the Commissioner's office to proceed with plans for staging a State Championship Golf Meet in Indianapolis, May 24, 1947. The question of holding sectional golf meets was discussed and the Commissioner was directed to make a survey to determine the approximate number of schools and contestants that will be entered. It is understood that if necessary, sectional meets will be held.

II. SUMMER ATHLETIC PROGRAM

It was decided that a statement should be placed in the April Bulletin relative to the advisability of developing a summer program of athletics in Indiana similar to those in Iowa and Minnesota. This publicity is intended to give the member schools an opportunity to advise Athletic Council members of their reactions to this subject. The Board voted to submit the question of a summer athletic program to the Athletic Council for discussion May 23, 1947, the date of the next meeting.

III. FILMS

Assistant Commissioner Hinshaw was authorized to proceed with plans for filming portions of the State Final Basketball Tourney and State Track and Field Meet. The films when completed will be made available to member schools and other groups.

IV. STATE TOURNEY ACTION PICTURES

The Board voted permission to take action pictures during the first quarter of each game in the State Final tourney provided (1) that only the new type speed lamp be used and (2) that the newspapers form a picture pool whereby not more than two cameras will be used at one time.

V. COMPLIMENTARY TICKETS

By unanimous action of the Board of Control, it was decided to follow the same plan for issuing complimentary tickets to the State Final tourney as was used in 1946 with the list to be held to a minimum. The Commissioner was directed to keep a record of all those who receive complimentary tickets.

VI. JEFFERSONVILLE SECTIONAL

New Washington High School, which participated in the New Albany sectional last year was assigned to Madison for 1947. This was due to the entry of Scribner High School, New Albany, which did not participate in 1946. The Jeffersonville Board of Trade filed a petition with the Board of Control to reassign New Washington to Jeffersonville.

Very careful attention had been given to this matter before the tourney bulletin was issued. From every standpoint, New Washington seemed to be the most logical school to transfer. Therefore, no action was taken on the petition at this time.

VII. KOKOMO-FRANKFORT

Due to widely published reports that it was necessary to provide a police escort for the Frankfort team to leave Kokomo following a basketball game, January 24, 1947, the I.H.S.A.A. conducted an investigation of the affair.

Written reports were on file from Principal C. E. Hinshaw, Coach Ralph King and Director Chester Hill of Kokomo, Superintendent J. C. Rice and Principal S. M. Woodruff of Frankfort and officials Allen Klinck and John Janzaruk. A summary of the reports indicate the following reasons for the trouble.

The game was one of keen rivalry, rather poorly played, making it difficult to officiate. One Kokomo player lost his temper and finally was ejected from the game for striking a Frankfort player. The Kokomo player should have been removed earlier by his coach for a cooling off period. According to the reports of Frankfort school officials and Referee Klinck, Coach Ralph King was critical of the officiating from the bench in a way that encouraged poor sportsmanship on the part of the Kokomo fans. Due to a crowd milling around the Frankfort bus following the game, it was thought best to provide a police escort. No violence occurred during or after the game. Principal Hinshaw and Kokomo officials have worked hard to improve sportsmanship at Kokomo since the incident occurred. The Board directs the officials of both Kokomo and Frankfort to take every precaution in the future to prevent a repetition of this disgraceful incident. Unless athletic contests can be conducted in an orderly manner, it will be necessary for the I.H.S.A.A. to order relations broken off between the two schools to provide a cooling off period.

VIII. CLIFFORD-HOPE

Following a basketball game January 17, 1947, between Clifford and Hope at the Taylorville gymnasium, one of the officials, C. DeLos

Lonzo, was struck by a Clifford fan. Principal Little of Hope, Principal Leeka of Clifford and official Lonzo made reports on the affair. The name of the offender was reported as Wilford Lee. He was charged with assault and paid a fine on that charge in the court of Irven King, Justice of the Peace. A receipt for the payment of the fine and costs was filed with the I.H.S.A.A. In the opinion of the referee, the capacity of the gymnasium was greatly overcrowded, thereby adding to the difficulties of properly controlling the spectators. The Board decided that if the officials of the two schools desire to continue athletic relations next year, it will be necessary for them to take all possible precautions to see that such a disgraceful scene does not occur again. Each school is directed to not oversell its seating capacity and to provide adequate police protection in the future.

IX. FREETOWN-CLEARSPRING

Principal Ted Sowder of Clearspring reported that on January 31, 1947, as the basketball game ended between Freetown and Clearspring, a fan from Freetown rushed onto the playing floor and struck John Hodges, one of the referees. This fact was also certified in writing by Mr. Hodges and Eugene Sparks, the other official. He also reported that Coach Sprague of Freetown appeared in the officials' dressing room and charged Mr. Hodges with deliberately throwing the game to Freetown. It was also reported that damage was done by the Freetown players to their dressing room, which the Freetown officials had agreed to repair. Principal Sowder stated that charges had been filed against the fan who reportedly struck Hodges. Clearspring High School also requested that Freetown High School return a contract for another game between the two schools as a part of breaking off athletic relations.

The Board deferred action in this case until it is known what disposition is made of the charges filed against the Freetown fan.

X. NORTH MADISON-DEPUTY-DON R. SERVER

On February 4, 1947, Principal Paul K. Moore of North Madison High School reported to the I.H.S.A.A. that Victor Mouser, a senior in North Madison High School, had participated in an independent basketball game January 18, 1947, in Indianapolis. It developed that Mouser had played with the Madison All Stars against the Kingan Knights and that he had used the assumed name, Ray. Further investigation by Principal Moore and the I.H.S.A.A. office disclosed that Calvin Hastings, basketball coach at Deputy High School and Don R. Server, an I.H.S.A.A. certified official, had also participated on the same team with Mouser when he used the assumed name, Ray, to hide his identity. Both Hastings and Server admitted knowing Mouser and both stated that they had warned him regarding his eligibility. They admitted in writing that they both continued to play after Victor Mouser entered the game. Neither took any steps to inform Principal Moore as to Mouser's ineligibility. Mr. Server officiated in one high school game in which Mouser participated after January 18, 1947. North Madison High School forfeited games won from Dupont High School, January 24, 1947, and Vernon High School, January 31, 1947, because Victor Mouser had participated in both games.

Decision—Victor Mouser is declared ineligible for the remainder of his high school career for violating his amateur standing by participation in an athletic contest under an assumed name. He is also ineligible for further participation in basketball because of participating in an independent game.

Deputy High School is placed on probation until January 1, 1948, because Coach Calvin Hastings knowingly participated in an independent game with Victor Mouser, a member of the North Madison High School team, playing under an assumed name.

Since the I.H.S.A.A. rules expressly prohibit an I.H.S.A.A. official from participating with or against a high school student during the playing season, Don R. Server is suspended as an I.H.S.A.A. official for one year from the date of the game involved or until January 18, 1948.

XI. TOPEKA

Jack Grimes, basketball coach at Topeka High School, had made the following charges: (1) That due to outside interference and lack of cooperation on the part of Principal Dale Hughes, a number of his players had turned in their suits and refused to play for him. (2) That the players on the Topeka team had deliberately "thrown" a game to Lima High School of Howe, Ind. As a result of the difficulties, Mr. Grimes had been notified that his services at Topeka were being terminated as of February 7, 1947. Mr. Grimes had requested a hearing before the Board and the following persons were present: Principal Dale Hughes, Trustee W. A. Fought, Coach Grimes and players, Quin Jones and Billy Snyder, all of Topeka; County Superintendent H. W. Yoder of LaGrange, and Coach Vaughn Snook of Lima High School.

The Board informed the group that the I.H.S.A.A. had no jurisdiction regarding the person employed to coach the Topeka team so long as he is a regularly licensed teacher and is paid from regular school funds.

Coach Snook stated that the game in question was very poorly played by the Topeka team, but he could not say positively that the game was deliberately "thrown." The two players disclaimed any intention of throwing the game. The evidence regarding outside interference was conflicting.

Action on this case was deferred pending further investigation and consideration.

XII. FOOTBALL AND BASKETBALL RULES INTERPRETATION CLINICS

The Board authorized the holding of football and basketball clinics for the school year, 1947-1948, the plans to be similar to the ones that were used for 1946-1947. The Board authorized the investigation of the advisability of holding three-day coaching school for football and basketball coaches during the month of August.

The Board adjourned to meet again on February 19, 1947, at 7:30 P. M.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis 4, Ind., February 19-20, 1947.

Present: President E. C. Boyd, Robert G. Jones, E. V. Minniear, Paul Stangle, King Telle, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. FREETOWN-CLEARSPRING

This case was considered by the Board of Control on February 8, 1947, but was left unsettled pending the outcome of court action regarding a Freetown fan by the name of Lowell Forgey.

On February 14, 1947, Mr. John M. Lewis, Prosecuting Attorney, forwarded to the I.H.S.A.A. a receipt showing that Lowell Forgey had paid a fine on that date in the court of Justice of the Peace John W. Russell, for disorderly conduct.

The Board approved the action of Freetown and Clearspring in breaking off athletic relations for an indefinite period.

II. BRIDGETON

Robert Lear enrolled in Rosedale High School at the beginning of Semester One of the present school year. His parents moved to Bridgeton December 16, 1946. Robert remained in Rosedale until December 30, two days after the beginning of the second semester, and then withdrew and entered Bridgeton High School.

Decision—Robert Lear declared ineligible for one calendar year from the date he enrolled in Bridgeton High School, for violation of the change of residence rule. To have been eligible, he must have changed with his parents, or at the end of Semester One.

III. TRACK MEETS

The Board directed the Commissioner to secure invitations for sectional track meet sites and to proceed with other arrangements for the sectional and state meet for track and field events in May.

IV. LEASE OF OFFICE SPACE

The Commissioner informed the Board that the lease on the present office space expires April 30, 1947. Klein and Kuhn, rental agents for the Circle Tower, had prepared a new lease for the present space at an increase of \$25.00 per month, making the new rental rate \$236.00 per month. The Board voted to accept the terms and directed President E. C. Boyd and the Commissioner to sign the lease for a period of three (3) years, beginning May 1, 1947.

V. RILEY (SOUTH BEND)

Riley High School of South Bend had requested permission to enter a team in the 1947 Drake Relays. The request was denied on the ground of excessive travel for an interstate contest.

VI. STILESVILLE

Robert Simmons completed the ninth grade at Rankin Junior High School at Terre Haute at the end of the 1945-46 school year. This

school offers no work above the ninth grade. Robert's parents moved to Patricksburg and he went to live with an aunt in Stilesville, where he enrolled at the beginning of the 1946-47 school year.

Decision—Robert Simmons declared eligible at Stilesville so far as the residence rule is concerned.

VII. ATHLETIC COUNCIL PROPOSAL

The Board voted to submit an amendment at the next meeting of the Athletic Council, providing that: In order for a school to be eligible for membership in the I.H.S.A.A., it must be accredited by the State Department of Education.

VIII. BASKETBALL TOURNEYS

1. The Board approved the price list for articles to be sold at the concession stands at the Butler Fieldhouse on the date of the final basketball tourney.
2. The Spaulding Lastbilt ball was decided upon for use at the final tourney.
3. All tourney entry blanks had arrived on time and were, therefore, accepted by the Board. Officials were assigned for all sectional tourneys.
4. Final approval was given to the list of regular and alternate official for Regional, Semi-Final and Final tourneys. Payment of \$75.00 each for the officials in the Hammond and Gary sectionals was approved.
5. The schedules for the Sectional, Regional, Semi-final and Final Tourneys were drawn up by the Board in the presence of representatives of The Indianapolis Star, The Indianapolis News, The Indianapolis Times, The United Press, International News Service and the Associated Press.
6. The distribution of complimentary tickets was left to the Commissioner's office.

IX. ASSISTANT COMMISSIONER

Approval was given to include in the expenses of Robert S. Hinshaw, Assistant Commissioner, amounts expended for magazines, newspapers and professional books carrying information concerning athletics, physical fitness, health and recreation.

Board approval was given for the Assistant Commissioner to attend the 1947 national convention of the American Association of Health Physical Education and Recreation in April as a representative of the I.H.S.A.A. at the expense of the Association.

The Board adjourned to meet immediately following the afternoon session of the Final Tourney, March 22, 1947, unless it is found necessary to call a meeting at an earlier date.

L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis 4, Ind., March 22, 1947.

Present: President E. C. Boyd, Robert C. Jones, E. V. Minniear, Paul Stangle, King Telle, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. ARTHUR L. TRESTER MEDAL FOR MENTAL ATTITUDE

The Board of Control observed the playing of members of the four State Finalist Teams during the afternoon games. The information cards, signed by the principal and the coach of each of the schools, were carefully analyzed. This information was combined with the observations made by the Board members while the players were in action. The number one rating was given to Ronald Bland, a member of the Garfield High School team of Terre Haute. The unanimous decision to award him the "Arthur L. Trestler Medal for Mental Attitude" was made at the half-time intermission during the final game.

II. ARSENAL TECHNICAL HIGH SCHOOL (INDIANAPOLIS)

The written application of David Hillgoss, endorsed by Principal H. H. Anderson of Arsenal Technical High School, to be reinstated as an amateur in the I.H.S.A.A. was approved.

III.—SCOTTSBURG HIGH SCHOOL

The written application of Ronald Bailey, endorsed by Principal Eugene B. Butler, of Scottsburg High School, to be reinstated as an amateur in the I.H.S.A.A., was approved.

Indianapolis, Ind., April 12, 1947.

Present: President E. C. Boyd, Robert G. Jones, E. V. Minniear, Paul Stangle, King Telle, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. RESOLUTION ON MORRIS E. McCARTY

Morris E. McCarty, Superintendent of Lafayette City Schools, a former member of the Athletic Council and Board of Control, who served as acting Commissioner of the I.H.S.A.A. from September, 1944, to January 1, 1945, died at Lafayette, March 5, 1947. In recognition of the service of Mr. McCarty to the I.H.S.A.A., the Board of Control unanimously passed the following resolutions:

"WHEREAS, in the passing of Morris E. McCarty, the I.H.S.A.A. has lost one of its outstanding leaders, and

WHEREAS, he has devoted many years of faithful and efficient service to the I.H.S.A.A. as Principal, Superintendent, Athletic Counsel and Board of Control member and Acting Commissioner, and

WHEREAS, we recognize his excellent character, keenness of vision, his honesty and sincerity of purpose, and

WHEREAS, these fine qualities were evidenced in his years of work for the I.H.S.A.A. and for education in general, and

WHEREAS, the cause of high school athletics and education in Indiana have sustained a great loss:

NOW, THEREFORE, BE IT RESOLVED, That the members of the I.H.S.A.A. Board of Control, assembled in meeting April 12, 1947, recognize and acknowledge their esteem and high regard for this outstanding leader, and the debt of gratitude which the I.H.S.A.A. owes to him, and

BE IT FURTHER RESOLVED, That we extend our sincere sympathy to Mrs. McCarty and other members of the family, and that a copy of this resolution be sent to Mrs. McCarty."

II. SECTIONAL, REGIONAL, SEMI-FINAL TOURNEYS AND FINAL BASKETBALL TOURNEY

The management, officiating and finances of these tourneys were checked and no reason was found to investigate any of these tourneys except the Sectional at Connersville. Due to the attitude of fans and Coach Ward Smith toward the officials at the latter place, the Board directed the Commissioner to invite the Superintendent, Principal and Coach Smith to attend the next Board meeting to be held May 10, 1947.

The records on file in the I.H.S.A.A. office show the exact number of tickets printed, the names of the purchasers, the number of complimentary tickets given, the number of tickets on hand and the number sold. The cash book and the bank book show the deposits for the tickets sold. The reports will be kept on file for the observation of any interested party.

III. I.H.S.A.A. SURPLUS FUNDS

The I.H.S.A.A. Constitution requires the Board of Control to distribute surplus funds to the member schools at least every three years. The next regular distribution will be due October 1, 1947.

Due to the fluctuating market in long term U. S. Bonds, it was deemed inadvisable to invest in such securities for resale within six months to cover the October distribution. The Board, therefore, approved the purchase of \$75,000 par value in U. S. Treasury 7/8 per cent certificates of indebtedness due October 1, 1947. The Board also approved a plan whereby these certificates purchased through the Union Trust Company of Indianapolis are to be held for safekeeping in the First National Bank of New York.

IV. STATE FIRE MARSHAL'S OFFICE

President E. C. Boyd had received a letter from the State Fire Marshal's office protesting the action of the I.H.S.A.A. in denying admission to a large group of inspectors from that office to the State Final Basketball Tourney. The Board instructed President Boyd to reply to the letter setting forth the fact that arrangements had been made with the Indianapolis Fire Department for adequate fire protection and also the attitude of the I.H.S.A.A. regarding the numerous requests of inspectors of various kinds who demand admission to the State Tourney.

V. WASHINGTON HIGH SCHOOL—EAST CHICAGO

Following the afternoon session of the State Final Basketball Tourney, the ten players and two student managers of Washington High School of East Chicago disposed of their tickets on the players' bench. Principal Frank Cash reported that nine of the tickets were sold for a total of \$25.00 and the other three were given away. Principal Cash required the eight players and one student manager to return the \$25.00 to him and forwarded a check to the I.H.S.A.A. for that amount. The squad was in charge of Coach John Baratto and Athletic Director John Patrick. All the tickets involved were complimentary and had not been for sale at any time by the I.H.S.A.A.

Decision—Principal Cash was directed to (a) impress upon the students the poor sportsmanship shown by disposing of their seats in this manner and not attending the final championship game and (b) to reprimand Coach Baratto and Director Patrick for their laxness in permitting such a thing to occur following the defeat of the team.

Since the tickets involved were complimentary and the financial books on the State Final Tourney had been closed, the Board ordered the check for \$25.00 returned to Principal Cash with instructions that he contribute that amount to the American Red Cross and send a receipt to the I.H.S.A.A. showing that this had been done.

VI. ROOSEVELT—EAST CHICAGO

The Board unanimously rejected a request from Principal Lahr, Roosevelt High School, East Chicago, to schedule a football game with the St. James High School of Port Arthur, Texas, to be played in East Chicago, September 4 or 6, 1947. Such a contest involves excessive travel far beyond the 600 miles round trip, the limit recommended by the National Federation and approved by the I.H.S.A.A.

VII. LAWRENCE CENTRAL HIGH SCHOOL

The residence eligibility of Earl Webb was approved under the unavoidable change of residence rule. Letters were filed with the I.H.S.A.A. by Principal Fred Keesling of Lawrence Central and Principal R. A. Lane of Crispus Attucks, certifying that the change was unavoidable.

VIII. HOBART

Kenneth Elmore of Hobart officiated an inter-school basketball game at Griffith, February 14, 1947, without an I.H.S.A.A. official's card. The Board voted that Mr. Elmore be declared ineligible to receive an I.H.S.A.A. official's card prior to July 1, 1948.

IX. DATES FOR TOURNEY AND MEETS

The dates of I.H.S.A.A. meets and tourneys were fixed as follows:
Sectional Basketball Tourney—1949—February 23, 24, 25, and 26.
Track Meets—1948—Sectionals—May 14 and 15, State—May 22.
State Golf Meet—1948—May 22.
Cross Country Run—1947—Sectionals—October 21, State—November 1.

X. I.H.S.A.A. TRACK AND GOLF MEETS

The details in connection with holding the 1947 championship meets in track and golf were considered and approved by the Board for publication in the April bulletin. It was decided to charge the same admission prices as were used in 1946. Admission to sectional track meets is to be no less than thirty cents nor more than fifty cents, including Federal tax. The price of admission to the State Track Meet is to be sixty cents, including Federal tax.

XI. HAMMOND

Hammond High School reported an injury to a spectator March 1, 1947, during the sectional basketball tourney held in the Hammond Civic Center. The Board voted to refer this matter to the New Amsterdam Casualty Company which carries the liability for the I.H.S.A.A. to determine liability, if any.

XII. FILMS

Assistant Commissioner Hinshaw reported the filming of the games at the State Final Basketball Tourney had been very successful. He stated that several weeks would be required to edit and set the films to sound.

XIII. ATHLETIC COUNCIL

The I.H.S.A.A. Constitution requires that the Athletic Council meet on the day prior to the State Final Track Meet. The date for this year is May 23, 1947, and the hour has been fixed for 8:00 p. m.

The Board voted to submit the following proposals or items to the Council for discussion and whatever action seems desirable.

1. That a Committee be appointed to investigate and report to the Council at its next meeting the advisability of the I.H.S.A.A. establishing a summer program of athletics to begin in 1948.
2. That all high school football practices be confined to the period beginning August 15 and ending November 30 of each year.
3. That all basketball tourneys other than I.H.S.A.A. tourneys, which involve more than four schools, all of which are not located within a single county shall be approved by the I.H.S.A.A.
4. That a school to be eligible for membership in the I.H.S.A.A. shall be accredited by the State Department of Education.

XIV. SALEM

Principal Leroy Cook and Coach Don Manlove appeared before the Board in connection with independent and post-season basketball playing on the part of a number of Salem High School students. On April 1, 1947, Principal Cook had reported the following information to the I.H.S.A.A. in writing:

"On March 10th or 11th Seniors—Waver Beatty, Bill Powers, Warren Colglazier, Jack Thixton and Juniors—James Lloyd and James Johns played the Legion Team. The boys say that no admission was charged and that time was not kept. They considered it a scrimmage but I understand that a score was kept.

When we questioned the boys, Bill Powers, Senior, a first team player, says that he scrimmaged with the Legion team three or four times from January to end of season.

Warren Colglazier (Senior), a first team player, stated that he scrimmaged with some of the Legion boys several times during the season.

Jack Thixton (Senior), a first team player, says he scrimmaged against the Legion team on March 11th.

Waver Beatty (Senior), student manager, scrimmaged against the Legion team on March 11th.

James Lloyd (Junior), a first team player, scrimmaged on March 11th and on other occasions from January to March 11th.

James Johns (Junior), a first team player, scrimmaged six or seven times near Sectional time, also on March 11th.

Robert Shanks (Junior), a first team player, stated he scrimmaged against the Legion boys from January to end of season. He stated that in most of the scrimmages there were no timekeepers, licensed referees or score keepers although there was a score kept on score board.

Gene Carter (Sophomore), a second team player, scrimmaged from January to end of season."

Principal Cook stated that all Salem High School athletes had been informed in November concerning I.H.S.A.A. eligibility and that the I.H.S.A.A. bulletin "You Are Not Eligible" had been posted in all home rooms.

Decision—Seniors Waver Beatty, Jack Thixton, Bill Powers and Warren Colglazier are declared ineligible for remainder of their high school careers for participating in independent basketball playing out of season. Powers, Colglazier and Thixton are also ineligible because of participation in independent basketball during the regular season. Juniors James Lloyd, James Johns and Robert Shanks are declared ineligible the remainder of the present semester and all of the next semester they are in school for participating as members of the high school team while ineligible because of independent playing during the season. Lloyd and Johns are also ineligible until January 1, because of post-season participation in basketball.

Robert Shanks (Junior) and Gene Carter (Sophomore) are declared ineligible the remainder of the present semester and all the next semester they are enrolled for participating in basketball as members of the Salem High School team while ineligible because of independent basketball playing during the season.

Salem High School is directed to forfeit all basketball games won during the regular season of 1946-47 in which any of the above-named students participated while ineligible. This ruling does not apply to

the game won in the sectional tourney as that record cannot now be changed.

Decision was withheld on four additional Salem High School students pending further investigation.

The Board adjourned to meet again on May 10, 1947, at 9:00 A. M.

I. STATE BASKETBALL TOURNEY SERIES

The 1947 State Championship Basketball Tourneys series was reviewed in detail. Suggestions from various schools were considered. A number of recommendations were listed for consideration by the Board of Control at the time plans are being made for the 1948 Tourney Series.

II. ROOSEVELT HIGH SCHOOL (EAST CHICAGO RELAYS)

The Roosevelt (East Chicago) Relays were held on the Roosevelt Field April 26, 1947, with Director John W. Patrick of East Chicago, acting as Referee in charge of the meet. At the close of the meet the score showed Roosevelt High School of Gary the winner with 76.77 points, while Hammond High School was second with 76.27 points. About an hour after the termination of the meet, according to a report by Director Patrick, it was discovered that Routa of Hammond High had tied with Talioferro of Roosevelt (Gary), and Ballard of Wirt (Gary), for fourth place in the pole vault, which involved a total of three points, accorded fourth and fifth positions. The record turned in by Herman W. Deckes, judge of the pole vault, failed to credit Routa with a tie and the other two participants were credited with one and one-half points each. Mr. Deckes stated in writing to the I.H.S.A.A. that it was an oversight on his part in tabulating and reporting the results to the clerk. He assumed full responsibility for the error. He further stated that the error was not one of judgment, but failure on his part to list Routa's final height because of an interruption. No one protested that Routa had not achieved a tie for fourth place, but there was some question as to Referee Patrick's authority to rule on the case after the meet had closed.

Decision—The Board of Control directed Referee Patrick to make a decision in the case and then to send the participating schools a complete tabulation of points according to his final decision. If any school then questions the final tabulation of points, it may present the case to the Board of Control.

III. SALEM

On April 12, 1947, the Board of Control considered the eligibility cases of eleven Salem High School students involving violations of the rules regarding independent and out of season basketball participation. At that time, pending further investigation, the Board withheld judgment in the cases of four of the students, namely: Russell Shields, Marion Rodman, Kenneth Blankenbaker and Robert Geralde. The Commissioner reported the results of an interview which he had held with these students at Salem High School. On the basis of this information, the Board declared the four students ineligible until June 1, 1947.

IV. CONNERSVILLE

The officials assigned to the Connersville Sectional basketball tourney had reported on the unsportsmanlike attitude of a number of Connersville fans toward the officials. They also had reported that Coach Smith of Connersville had entered the officials' room following the defeat of his team and had addressed the officials in an unsportsmanlike manner. The Superintendent, Principal and Coach of Connersville had been invited to attend the meeting of the Board and were present to discuss the report. Following a rather lengthy discussion of the whole matter of sportsmanship at Connersville games, the school officials were directed to adopt methods to correct the situation before the beginning of the 1947-48 sports season. Coach Smith was directed to refrain from the use of any unsportsmanlike remarks to visiting officials in the future.

V. MEMBERSHIP

The application of Taylor High School of Jeffersonville for membership in the I.H.S.A.A. was approved.

VI. ST. JOSEPH'S ACADEMY

The Principal of St. Joseph's Academy at Collegeville reported that the school is being discontinued and will cease to exist when all students now enrolled are graduated or have withdrawn. Next year, only eleventh and twelfth grades will be offered. The school plans to drop out of the I.H.S.A.A. and to discontinue its inter-school athletic program. The Board was asked to rule on the residence eligibility of students who withdrew before graduation and enrolled elsewhere.

Decision—Students who withdrew from the St. Joseph's Academy at the end of the 1946-47 school year may enroll in their home high school district where their parents reside at the beginning of the 1947-48 school year, with the same residence eligibility they would have had, had they remained in St. Joseph's Academy. This ruling does not apply to students who enroll at the beginning of school at St. Joseph's and subsequently withdraw during the school year.

VII. NATIONAL FEDERATION SUMMER MEETING

The Board authorized the Commissioner and Assistant Commissioner, if they so desired, to attend the summer meeting of State High School Athletic Commissioners and executive secretaries to be held in Portland, Ore., July 23, 24 and 25, 1947.

VII. EMPLOYMENT OF COMMISSIONER

The Board of Control voted unanimously to employ L. V. Phillips as Commissioner of the Indiana High School Athletic Association for a period of five (5) calendar years beginning August 1, 1947, and ending August 1, 1952, at an annual salary of nine thousand seven hundred dollars, plus expenses as allowed by the Board of Control. It is understood that the present contract between the I.H.S.A.A. and the Commissioner continue in full force and effect until August 1, 1947. In order to reduce this agreement to writing, the Commissioner was directed to prepare contracts in duplicate for signing at the next meeting of the Board of Control, in accordance with the terms mentioned above.

VIII. EMPLOYMENT OF ASSISTANT COMMISSIONER

The Board of Control voted unanimously to employ Robert S. Hinshaw as Assistant Commissioner of the Indiana High School Athletic Association for a period of five (5) calendar years beginning August 1, 1947, at an annual salary of seven thousand seven hundred dollars, plus expenses as allowed by the Board of Control. It is understood that the present contract between the I.H.S.A.A. and the Assistant Commissioner continue in full force and effect until August 1, 1947. In order to reduce this agreement to writing, the Commissioner was directed to prepare contracts in duplicate for signing at the next meeting of the Board of Control, in accordance with the terms mentioned above.

The Board adjourned with the understanding that the next meeting be held at the Technical High School Cafeteria, May 24, 1947, at 12 o'clock noon.

I. STATE TRACK MEET

Several problems in connection with the State Track Meet were discussed and recommendations for the following year were made.

II. ANNUITIES

President Boyd reported that a representative of the Equitable Life Assurance Company of New York had contacted him relative to the adoption of a plan whereby the I.H.S.A.A. would arrange for retirement annuities for the office of Commissioner and Assistant Commissioner. Mr. Boyd was authorized to invite the life insurance agent to present his plan at the next meeting of the Board. The Commissioner was authorized to secure the services of an attorney to advise the Board on the legal aspects of annuities provided by non-profit organizations.

III. BOARD MEETING

It was decided to hold the last meeting of the year on June 28 at some suitable place outside of Indianapolis. Mr. Minniear was appointed to make arrangements for this meeting.

The Board adjourned to meet again on June 5, 1947, at 9:00 A. M.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Ind., June 5, 1947.

Present: President E. C. Boyd, Robert G. Jones, E. V. Minniear, Paul Stangle, King Telle, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. SECTIONAL AND STATE TRACK MEETS

The Commissioner presented itemized statements of receipts and expenditures of the Sectional and State Track and Field Meets. These reports were examined and approved by the Board. The complete statement is to be published in the 1947 Handbook.

II. STATE GOLF MEET

A complete itemized statement of expenditures in connection with the I.H.S.A.A. State Golf Meet was examined and approved by the Board. There were no receipts since no fees or admissions were charged. This report will be published in the 1947 Handbook.

III. BUDGET

The Commissioner presented each member of the Board with an itemized estimate of receipts and expenditures for the fiscal year 1947-48. After careful consideration, this budget was approved with the understanding that following further study any necessary changes be made at the next meeting of the Board. The Board also approved expenditures in excess of the estimate approved for the fiscal year 1946-47.

IV. LAPORTE

Jack Goren attended LaPorte High School during the school year 1944-45. During semester two he passed in two subjects and received a condition in English 9A. He enrolled again in September, 1945, without having removed the condition in English 9A, making him ineligible scholastically for the semester. He withdrew September 10, 1945, and entered the military service for a period of eighteen months. He was sixteen at that time and the war was over. He returned to school during May, 1947, to remove the condition in English 9A received in the spring of 1945. Principal John French desires to know if removing this condition with the addition of two credits to be earned in summer school will make Jack Goren scholastically eligible at the beginning of next semester.

Decision—When Jack Goren failed to remove the condition given in English 9A before the opening day of school in the fall of 1945, he forfeited his right to complete this credit, so far as athletic

eligibility is concerned. He, therefore, was not eligible when he withdrew September 10, 1947. Credit given for removing the condition in May, 1947, cannot be used to make him eligible next semester.

V. LAPORTE

On April 27, 1947, Ted Stepanek, a senior, and Joe Plis, an underclassman, participated in baseball practice and playing with an independent group of players at Fox's Park in LaPorte. Principal John French presented statements from the two students and also from Adam J. Kuk, Manager of the Polish National Alliance Baseball team, which indicated that the boys did participate in such practice and playing on the above mentioned date. Principal French also reported that the boys were withheld from baseball games pending a decision from the I.H.S.A.A.

Decision—Ted Stepanek and Joe Plis are declared ineligible for high school baseball from April 27, 1947, to the close of the 1946-47 school year.

VI. RICHMOND

Principal James Farmer reported that Robert Robbins, a tenth grade student in Richmond High School, served as a page in the United States House of Representatives in Washington, D. C., during a portion of semester two of the school year 1946-47. While in Washington, Robert enrolled in high school to keep up his school work but did not participate in any inter-school athletics. He returned to Richmond High School before the end of the semester. Principal Farmer desires to know the eligibility status of this student as to residence.

Decision—Due to the circumstances under which Robert Robbins attended high school in Washington, D. C., he may be considered eligible at Richmond, so far as residence is concerned.

VII. JEFFERSONVILLE

On May 3, 1947, Principal E. W. Theiss reported that the eligibility of Ottie Case, a student in Jeffersonville High School, had been questioned by Principal C. C. Katterjohn of New Albany, on the grounds of having played independent baseball under the name of another player June 10, 1946. The Principals of both schools were requested to file all available information regarding the matter. The student was withheld from further competition pending a decision.

Principal Katterjohn filed letters from the President and Secretary of the Northside Baseball League, the manager of the New Albany team, and the game officials. Score sheets for the game were also filed. These statements charged that Ottie Case had participated in the game under the name of Horlander. The score sheet showed the name Horlander, but not that of Case. No explanation was made as to why no one had reported this case at an earlier date.

Principal Theiss filed a signed letter by Ottie Case in which he stated that: (a) he attended the game as a coach of bases; (b) that

he entered the game for a part of one inning because a player was late in arriving; (c) that he withdrew upon the arrival of the player; (d) that he had no knowledge of having played under another name, and that this would have been impossible because he was known to all players and officials and that he assumed the mix-up was caused by the names having been placed on the score sheet prior to game time. Principal Theiss stated that his investigation convinced him that the boy's statement was correct.

One statement by the President of the League said that the game was forfeited because Case and another boy were over age. In a later statement, he said the game was forfeited because Case and another boy had used names other than their own.

Decision—After careful consideration of all the evidence on file, the Board decided that the evidence was of such a conflicting nature it did not warrant depriving Ottie Case of his amateur standing a year after the game in question was played. He had, in fact, already suffered a considerable penalty in being withheld from athletic competition from May 3 until the close of the school year, pending investigation.

VIII. SHORTRIDGE (INDIANAPOLIS)

Shortridge High School requested a ruling on the following case: Sidney Camhi attended Manual Training High School (Indianapolis) the spring semester of 1946. He enrolled in Shortridge High School September 9, 1946. He attended one semester, earned one credit, and then enlisted in the armed service. The boy plans to earn two credits in summer school to become scholastically eligible at the beginning of school in September, 1947.

Decision—Summer school attendance does not meet I.H.S.A.A. enrollment requirements, therefore, Sidney Camhi will not be eligible as to enrollment requirements until he has attended Shortridge an additional regular semester. This may be either the fall or spring semester.

IX. ANNUAL MEETING

The Board of Control directed the Commissioner to proceed as follows in connection with meetings to be held in Indianapolis at the time of the Indiana State Teachers Association Convention in October:

- (a) Plan a program and secure speakers for the I.H.S.A.A. ANNUAL MEETING.
- (b) Provide one speaker for the INDIANA COACHES ASSOCIATION.
- (c) Provide one speaker for the ASSOCIATION FOR HEALTH, PHYSICAL EDUCATION AND RECREATION MEETING.
- (d) Assist in an amount not to exceed \$50.00 the program for the INDIANA ASSOCIATION OF SECONDARY SCHOOL PRINCIPALS.

X. ATHLETIC INJURY INSURANCE

A representative of the Continental Casualty Company of Chicago, Ill., appeared before the Board regarding athletic injury insurance for high school athletes. His proposition in brief was as follows: (a) that a blanket policy be issued to the I.H.S.A.A. in order to secure a reduced rate; (b) that member schools insure their athletes and pay the premiums through the I.H.S.A.A. office; (c) that all claims be filed by the member schools directly with the Continental Casualty Company; (d) that payment on claims be made from the company directly to the member schools; (e) that all costs of materials and promotion be paid by the company and (f) that the I.H.S.A.A. recommend this particular insurance to member schools, but without any obligation on any school to use the plan.

The Board deferred action on the matter at this time, but directed the Commissioner to secure the advice of an attorney before the next meeting, relative to the legal obligations the I.H.S.A.A. might incur under this proposed plan. It was also decided that legal advice be secured relative to the I.H.S.A.A. establishing an athletic injury benefit plan of its own.

XI. ANNUITIES

A representative of the Equitable Life Assurance Company of New York presented to the Board a plan for establishing retirement annuities for the Commissioner and Assistant Commissioner. At the same time the Board called in Attorney Milton Elrod to explain the legal aspects of a non-profit organization establishing such retirement annuities for its employees.

The Board gave careful consideration to the proposition, but deferred any action on the matter for the time being.

XII. COMMISSIONER AND ASSISTANT COMMISSIONER

All members of the Board signed contracts of employment with L. V. Phillips and Robert S. Hinshaw to serve as Commissioner and Assistant Commissioner respectively, for a period of five years beginning August 1, 1947, and ending August 1, 1952, in accordance with the terms recorded in the Minutes of the Board of Control meeting May 10, 1947.

XIII. REGULAR DISTRIBUTION OF SURPLUS MONEY

After giving careful consideration to the amount of money on hand, the estimated expenditures during the coming year, and the need for adequate reserve in the I.H.S.A.A. treasury, the Board of Control set \$80.00 as the maximum amount of surplus funds to be paid to any member school in the regular distribution of surplus funds to be made October 1, 1947.

Since there was a Special Distribution of surplus funds in 1946, all the money to be distributed was earned during the current year. It was decided to make this distribution according to the following plan:

1. Sixty Dollars (\$60.00) for participation in the 1947 Sectional Basketball Tourney.

2. Twenty Dollars (\$20.00) for membership in the I.H.S.A.A. during the membership year of 1946-47.
3. Any school sharing in the Regular Distribution must be a member in good standing and existing as a high school at the time the distribution is made.
4. No school shall receive credit for a year's membership unless it was a member of the I.H.S.A.A. on January 1, 1947.
5. A combination of consolidation of two or more high schools shall count as one school only in this distribution. The one check for one share of money shall be sent to the Principal of the new or resulting high school.
6. Modified members shall share in the distribution on membership basis only.

The Board adjourned to meet at Lake Wawasee on Saturday, June 28, 1947, at 12:00 noon.

E. C. Boyd, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Lake Wawasee, Ind., June 28, 1947.

Present: President E. C. Boyd, Robert G. Jones, E. V. Minniear, Paul Stangle, King Telle, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. SARATOGA

Principal Ara Huber had requested the Board of Control to rule on the following case:

John Shierling, a senior in Saratoga High School for the year 1947-48, desires to enter Purdue University next year. It is necessary that he have Chemistry, which is not offered at Saratoga. He desires to carry three regular subjects at Saratoga and then go to Union City High School for Chemistry. He also desires to be eligible for athletics at Saratoga.

Decision—John Shierling may take Chemistry in Union City High School and also be eligible for athletics at Saratoga High School, provided he maintains passing work in at least three regular subjects at Saratoga and also provided he is not enrolled as a regular student at Union City, nor his attendance counted there.

II. EAST CHICAGO ROOSEVELT

Upon request of Principal H. G. Lahr of Roosevelt High School, East Chicago, the Board sanctioned an invitational basketball tourney to be held in the Roosevelt Gymnasium December 26 and 27, 1947, with the following named schools participating: Adams (South Bend), Portage Township, Rensselaer, Roosevelt (East Chicago), Washington (South Bend), and Whiting.

III. ATHLETIC INJURY INSURANCE

The Commissioner presented a letter from the Indiana State Department of Insurance setting forth the legal requirements for the

establishment of an insurance company, association or corporation under the laws of Indiana. A careful study of the requirements indicated that it would be undesirable if not impossible for the I.H.S.A.A. to set up an athletic injury insurance or benefit plan of its own. The Board, however, indicated a sincere desire to assist member schools in the best manner possible to secure some form of athletic injury insurance.

At a previous meeting the Continental Casualty Company, which is incorporated under the laws of Indiana, had presented a plan whereby the I.H.S.A.A. could take a blanket policy with that company, whereby all the member schools could voluntarily secure athletic injury insurance at a comparatively low cost. Under this plan a member school may insure as many students as it desires under the blanket policy at a rate of \$2.75 for all sports or \$1.25 for all sports except football.

Following a thorough discussion the Board directed the Commissioner to have the Continental Casualty Company prepare a policy setting forth all the features which had been determined upon in the preliminary discussions. It was further voted that if the policy in its final form meets all the specifications agreed upon that the Commissioner complete negotiating with the Continental Casualty Company for the blanket policy.

IV. BUDGET OF EXPENDITURES FOR 1947-48

The Board gave final approval to the budget on estimate of expenditures for the fiscal year of 1947-48. It was voted that travel and other expenses, incurred by the Commissioner and Assistant Commissioner in connection with their official duties, be combined into one fund to be expended at the direction of the Commissioner and under the general supervision of the Board of Control.

V. NEXT MEETING DATE

The next meeting date was set for 9:00 A. M., July 16, 1947.

E. C. Boyd, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Ind., July 16, 1947.

Present: President Harold McSwane, J. W. O. Breck, Herman M. J. Prage, Paul Stangle, C. B. Stemen, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. REPORT BY COMMISSIONER

Since four members of the Board of Control assumed office July 1, 1947, the Commissioner reviewed the work of the previous year in order that the new members might become acquainted with the details of what had been accomplished.

II. WORK IN PROCESS

The Commissioner reported to the Board the work now in progress, including plans for (a) Films on the State Basketball Final Tourney

and the State Track Meet, (b) Rules Clinics for 1947 in football and basketball, (c) Second Annual Cross Country Run, (d) Ideas for the reorganization of the sectional and state Track meets.

III. I.H.S.A.A. SECURITIES

The entire Board, along with the Commissioner and Assistant Commissioner, visited the safety deposit vault at the Fletcher Trust Company for the purpose of checking the securities owned and held by the I.H.S.A.A. The amount of securities was found to check with the auditor's report and with the Commissioner's report on the purchase of securities by the Board of Control since the last audit. A complete listing of all securities held by the Association will be carried in the 1947 Handbook.

IV. SUMMER SPORTS PROGRAM

Principal J. W. O. Breck, Chairman of the Athletic Council Committee, to prepare a questionnaire to be submitted to the member schools concerning an I.H.S.A.A. Summer Sports Program, discussed with the Board the items which should go into the questionnaire. It was Mr. Breck's plan to have the material approved by his entire committee before the date of the next Board meeting.

V. I.H.S.A.A. CROSS COUNTRY MEET

The Board fixed October 21, 1947, for the date of the Sectional Cross Country meets. It also designated that the meets not begin earlier than 3:00 P. M.

The date for the State Cross Country Meet was set for November 1, 1947, in Indianapolis.

VI. ATHLETIC INJURY INSURANCE

At a meeting of the Board of Control held June 28, 1947, it was unanimously voted that the I.H.S.A.A. secure a blanket athletic injury insurance policy from the Continental Casualty Company, provided the policy in its final form met all the stipulations of the Board. A representative of the Continental appeared before the Board and discussed the policy in detail and answered satisfactorily all questions concerning the plan. The Board then unanimously voted to accept the policy covering the school year beginning August 15, 1947, and ending June 20, 1948.

Under this plan the I.H.S.A.A. holds a blanket policy under which any member school may insure its athletes at a reduced rate. So far as member schools are concerned, the purchase of insurance is purely voluntary with no obligation on the part of any school to participate. The blanket policy was taken for one school year only, with either party having the privilege to discontinue the plan at that time if it so desires.

The Continental Casualty Company agreed to pay all expenses in connection with distributing advertising and explanatory material to the member schools. A letter from the Association to member schools explaining the plan was formulated and approved by the Board. A copy of this letter, together with a brochure giving full details of the insurance plan, is to be mailed to all schools early in August, 1947.

VII. EAST CHICAGO (ROOSEVELT)

Principal H. G. Lahr had requested sanction for an interstate football game between Boys Town High School of Nebraska and Roosevelt High School of East Chicago to be played in East Chicago September 12, 1947. He stated that it was planned to increase admission prices and to give a portion of the receipts to charity.

Decision—The Board rejected the request for the above sanction because the travel involved on the part of one of the participants exceeds the 600 miles round trip limitation for interstate contests.

While the I.H.S.A.A. has no specific rule prohibiting contests for charity, the Association has consistently discouraged the use of high school athletic teams for this purpose. Because of the numerous calls for charity, the practice of playing games for that purpose could easily lead to the exploitation of high school athletes and the disruption of the regular athletic program.

VIII. DATE OF NEXT MEETING

The Board adjourned to meet again at 9:00 A. M., August 15, 1947.
Harold McSwane, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Ind., August 15, 1947.

Present: President Harold McSwane, J. W. O. Breck, Herman M. J. Prage, Paul Stangle, C. B. Stemen, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

I. PORTLAND MEETING—STATE HIGH SCHOOL ATHLETIC EXECUTIVE OFFICERS

The Commissioner made a report to the Board of Control on the discussions held at the summer meeting of State High School Athletic Executive Officers. A brief summary was made of reports on such matters as athletic injury insurance, eligibility problems, long distance trips for interstate contests, financial accounting systems, honor societies for athletes, plans for investing surplus funds, officiating, public relations, retirement systems for state office employees, summer athletic programs and the conduct of tours in the various states.

II. WASHINGTON TOWNSHIP HIGH SCHOOL (LOGANSPOURT)

Principal Chalmer Condon of Washington Township High School of Logansport requested a decision on the eligibility status of Bob Cain under the unavoidable change of residence rule.

According to the statement of Principal Condon, Bob had formerly lived with his parents at Deedsville and attended school there. The home was broken up and Bob attended school at Bunker Hill for a short time, after which he secured a place to live in Washington

Township in the home of Mr. and Mrs. Ed Reem. He enrolled in Washington Township High School on February 11, 1947. Principal Virgil Gwin of Bunker Hill filed a letter with the Board of Control recommending that the boy be considered eligible as to residence in Washington Township under the unavoidable change of residence rule.

Decision—Bob Cain considered eligible at Washington Township High School so far as residence is concerned. The Board of Control reserves the right to reconsider the case in the event that any later information should show the use of any undue influence.

III. WASHINGTON

Principal Harry Wampler of Washington High School requested a ruling on the eligibility of a student under the enrollment rule. Since all the necessary information was not contained in Mr. Wampler's letter, the Commissioner was instructed to secure the additional information and to render a decision in the case.

IV. SHELBYVILLE

Principal Breck of Shelbyville requested the Board to rule on the following two eligibility cases:

1. Dallas Phillips withdrew from Shelbyville High School October 15, 1945, to enter the military service. He plans to re-enter Shelbyville High School this fall and desires to know his eligibility status.

Decision—Dallas Phillips withdrew from high school after September 18, 1945, on which date the Selective Service Board ruled that a student could continue in high school until graduation or until his twentieth birthday (whichever came first) before being inducted into the service. Also all special regulations applying to veterans were rescinded by the Athletic Council as of August 15, 1947. Dallas is, therefore, ineligible until he has attended high school one semester during which he earns at least three credits.

2. Bill McCalip resided with one of his parents in Shelbyville and attended high school there. On November 11, 1946, he went to live with his other parent in Columbus, Indiana, and enrolled there. He later returned to Shelbyville and re-enrolled there on May 6, 1947. There was no change of residence on the part of either parent.

Decision—Bill McCalip considered ineligible at Shelbyville for one calendar year from the date he re-enrolled, or until May 6, 1948.

V. CROSS COUNTRY MEET

Rules and regulations for the 1947 Cross Country Championship Meet were drawn up and approved by the Board of Control. These regulations, complete in every detail, are to be published in the September issue of the I.H.S.A.A. Bulletin. The Board approved the sites for seven sectionals, with the understanding that one team

be sent to the state final meet for each six teams, or fraction thereof, competing in a sectional with four teams being the maximum from any sectional. The Board also voted to assume the cost of ribbons, medals and a trophy to be awarded in connection with the meets. It was decided that the major official at each sectional be paid \$20.00, and that he be assigned by the I.H.S.A.A. Each contestant and coach of each team is to be allowed \$1.00 for lunch on the day of the final meet. The Commissioner's office was directed to carry out the details in connection with the conduct of the meets.

VI. SUMMER ATHLETIC PROGRAM

At the May, 1947, meeting of the Athletic Council, a committee with Principal J. W. O. Breck as chairman was appointed to prepare a questionnaire on the desirability of an I.H.S.A.A. summer athletic program. This questionnaire is to be submitted to all member schools prior to the October meeting of the Council. Mr. Breck presented the questionnaire to the Board for discussion. Following a few minor changes in wording, the Board directed the Commissioner to prepare and mail copies of the questionnaire to all member schools, with a request that it be returned to the I.H.S.A.A. office not later than September 30, 1947.

VII. PRACTICE LIMITATIONS

At the direction of the Athletic Council, the Board of Control prepared a questionnaire to be submitted to the member schools regarding their attitude on placing limitations on practice in football, basketball and track. The information obtained from the questionnaire is to be made available to the Athletic Council at the October 1947 meeting.

VIII. STATE GOLF MEET

Some suggestions had come to the I.H.S.A.A. office relative to changing the time of the State Golf Meet from spring to fall. The Commissioner was directed to poll the schools having golf, in order to get their attitude on this matter. The Board also discussed the matter of having sectional meets in golf, or extending the final meet over a two-day period, but no action was taken at this time.

IX. WRESTLING AND SWIMMING CHAMPIONSHIPS

During the war, I.H.S.A.A. state championship meets in wrestling and swimming were discontinued. The Board gave consideration to the revival of state meets in those two sports. It was decided that if sufficient interest is manifested by member schools to warrant state championship meets in wrestling and swimming, the I.H.S.A.A. would give consideration to sponsoring such meets.

X. FOOTBALL CHAMPIONSHIP

From time to time suggestions have been made to the I.H.S.A.A. in regard to some plan for declaring state championships in football. Discussion was given to this matter by the Board. So far, no work-

able plan has been devised for determining a football champion in Indiana. It was the unanimous opinion of the Board, however, that more recognition should be given football by carrying the pictures and records of conference champions and other outstanding football teams in the I.H.S.A.A. Handbook.

XI. PRIZES AND AWARDS

On August 13, 1947, Principal H. H. Anderson, Technical High School, Indianapolis, requested information from the I.H.S.A.A. office relative to high school students participating in independent athletic events where merchandise or cash prizes are offered. On August 14, 1947, the Commissioner wrote Principal Anderson, citing the provisions of the I.H.S.A.A. Constitution, Rules and By-Laws, indicating that participation in such events would jeopardize the eligibility of high school students. A copy of the letter was given to Indianapolis newspapers and was widely quoted by the press. The contents of the letter were unanimously approved by the Board of Control.

The attention of the Board was called to the matter of high school students competing in an athletic contest where a scholarship to be applied to a college education is offered as a prize. There is no rule of the I.H.S.A.A. which would penalize an athlete for accepting a scholarship as such, and awarded on some recognized scholastic basis. The unanimous opinion of the Board was, however, that the acceptance of a fixed sum of money, earmarked simply for education, and awarded solely on the basis of athletic ability, with no regard to any scholastic requirements, would jeopardize the eligibility of a student. Students should be advised to consult their high school principal before accepting any scholarship which is awarded entirely on the basis of winning an athletic contest.

XII. ATHLETIC INJURY INSURANCE

The Continental Casualty Company filed a letter with the I.H.S.A.A. certifying that Mr. Fisk Landers of Indianapolis had been appointed to act as Collection Agent for premiums paid under the master policy which that company had issued to the I.H.S.A.A. for Athletic Injury Insurance. The letter authorized the Association to deposit all premiums received with Mr. Landers.

XIII. DATE OF NEXT MEETING

The date of the next meeting was set for 9:00 a. m. Saturday, September 20, 1947.

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

September 11, 1947

The Indiana High School Athletic Association
Indianapolis, Indiana

We have examined the statement of cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended August 31, 1947, and have examined or tested accounting records of the Association and other supporting evidence by methods and to the extent we deemed appropriate.

The following comments relate to the scope and nature of our examination:

Cash on deposit at August 31, 1947, in the amount of \$25,587.84, was reconciled to the amount reported directly to us by the Fletcher Trust Company, Indianapolis, Indiana. The recorded cash receipts for the year were reconciled with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the recorded cash disbursements. We examined invoices, expense reports, and other data supporting the recorded cash disbursements.

The recorded cash receipts and disbursements from the state final basketball tourney are stated as reported by the Commissioner to the Board of Control without independent examination of ticket sales and supporting expense data. We compared the recorded receipts from the sectional, regional, and semi-final tourneys, with signed reports filed by high school officials at the tourney centers. The receipts recorded as tourney entry fees and membership dues were reconciled with published lists of the number of tourney entrants and member schools.

We inspected the securities on hand at August 31, 1947. We examined evidence that other securities were in safekeeping with the First National Bank of New York, New York City, New York. An appended schedule shows details of the securities owned at that date.

Insurance coverage at August 31, 1947, was as follows:

Larceny and embezzlement bond:

L. V. Phillips	\$ 40,000.00
R. S. Hinshaw	40,000.00
Other employees	2,500.00
Burglary and robbery—safety deposit box	150,000.00
Public liability—owners, landlords, and tenants	100/250,000.00
Depositors forgery bond	10,000.00
Workmen's compensation	All employees

The recorded minutes of the meetings of the Board of Control and of the Athletic Council were reviewed by us. On April 12, 1947, the Board of Control voted to make the regular distribution of surplus funds required each three years by the constitution and by-laws to member schools on or before October 1, 1947, in the maximum amount of \$80.00 to each school.

Opinion

In our opinion the accompanying statement of cash receipts and disbursements presents fairly a summary of the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended August 31, 1947.

FOOTBALL SEASON OF 1946

Football in Indiana High Schools has made a rapid growth the past few years despite the interruption and curtailment of athletic programs due to the war, a shortage of playing equipment and coaching personnel.

In 1940, there were 101 schools playing eleven-man football and 25 six-man football. The past season a total of 143 schools participated in the eleven-man game and 19 played six-man football. It is estimated that 9700 boys engaged in the game of football in Indiana during the fall of 1946. The decrease in the number of schools engaging in six-man football is due to the fact that several of these schools now participate in the eleven-man game.

Schools reported the largest attendance in history and many stadiums were filled to capacity. A number of new fields and stadiums are planned with some actually under construction. Several schools are planning to start football this fall with a number of them engaging in inter-school competition.

The Association has never been able to establish a satisfactory method of determining an I.H.S.A.A. champion. The Association recognizes the fact that there are many teams with outstanding records. In order that these teams and those winning conference championships might have some recognition, a request was carried in Bulletin 2, Volume 43, for schools to submit a squad picture if they so desired. The squad pictures that were submitted are shown on the accompanying pages.

SIX-MAN FOOTBALL

Six-man football was first played in the state of Nebraska in 1934. The original purpose was to extend football to more young men and boys who, because of lack of numbers, expense, or other reasons, were unable to engage in the eleven-man game.

It retains the basic features of the eleven-man game such as tackling, blocking, pass receiving, running and kicking.

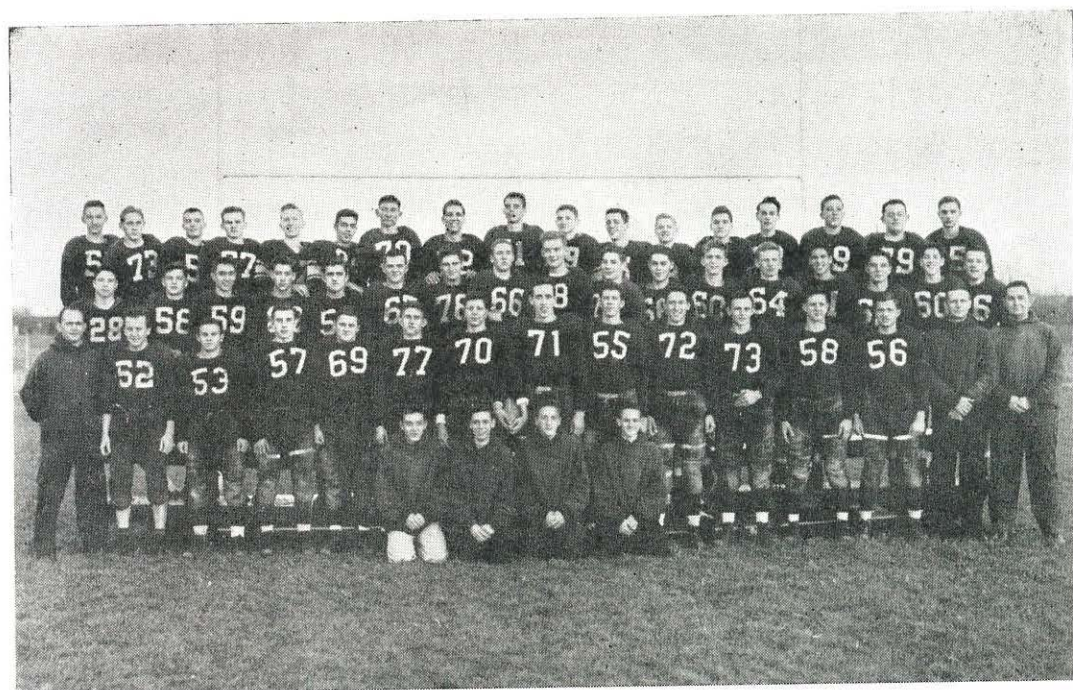

In 1941 a survey was made to determine the number of high schools participating in this game and the report showed 2,288 schools engaging in the sport.

Several schools in Indiana this year revised rules to allow eight boys to participate. A report of the experiment will be announced after the season.

High Schools desiring to increase their sports program and student athletic participation should investigate the possibilities of six-man football.

I.H.S.A.A. CROSS COUNTRY MEET

Anderson and Mishawaka High Schools were declared co-champions in the first I.H.S.A.A. State Cross Country Meet held at Indianapolis over the South Grove Golf Course Saturday, October 26, 1946. The course was eleven feet short of two miles.

The response by schools and coaches to this meet far exceeded the expectations of the Board of Control and the I.H.S.A.A. officials. Fifty-nine schools entered full teams and nine schools entered one or more boys. A total of four hundred and seventy-seven boys made up the entry list. The large number of entries caused I.H.S.A.A. officials to change the plans of the meet.

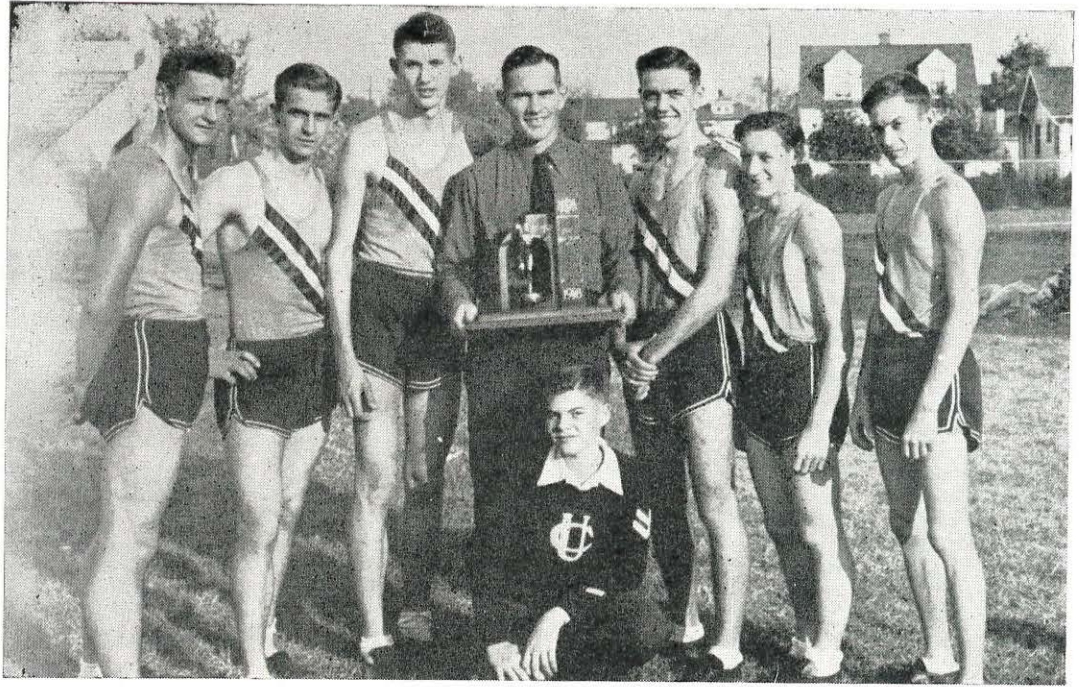

The Meet was conducted in two races, with co-champions being declared and duplicate awards presented to the winners of each race.

In the past year, the sport has grown very rapidly as to the number of teams and interest over the state. Coaches of sports not in season have insisted that their athletes participate in this fall sport. As a result, the number of teams competing has practically doubled. The I.H.S.A.A. plans to have schools issue invitations to conduct Sectional Cross Country Meets in 1947, with a limited number of teams competing in the State Meet.

The ranking and scores of the teams finishing both races and the five individual winners of each race are listed below in order:

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE THIRTY-SIXTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full; with the distinct understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

SECTIONAL TOURNEYS

February 26, 27, 28 and March 1

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location,—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions,—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The plan arranged is to have no less than 8 teams and no more than 16 teams in each tourney, and the assignment of all schools is given below. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary.

MANAGEMENT—The exclusive control of these tourneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board and every attempt will be made to choose none but fair, disinterested and competent men. Two officials will be assigned to tourneys having 8, 9 or 10 teams, and three officials will be assigned to tourneys having 11, 12, 13, 14, 15 or 16 teams. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.

TOURNEY REQUIREMENTS—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team known as the first team and representing the High School has played eight (8) interscholastic games during that season before filing an Entry Blank. Schools holding less than full membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following plan:

1. Entertainment for all teams in all tourneys will end not later than 10:00 P. M., Saturday, March 1.
2. Entertainment for all teams will begin as follows:
 - a. In 8 and 9 team tourneys,—5:00 P. M., Friday, February 28.
 - b. In 10, 11 and 12 team tourneys,—12:00 Noon, Friday, February 28.
 - c. In 13 team tourneys,—5:00 P. M., Thursday, February 27, for teams playing on this evening and 8:00 A. M., Friday, February 28, for other teams.
 - d. In 8, 9, 10, 11 and 12 team tourneys, one extra round-trip transportation and one extra meal will be given to the teams playing Thursday evening, February 27.
 - e. In 14, 15 and 16 team tourneys, one extra round-trip transportation and one extra meal will be given to the teams playing Wednesday or Thursday evening, February 26 or 27. Entertainment for all other teams begins Friday morning, February 28, at 8:00 A. M.
3. All tourneys will begin at 7:00 P. M. Thursday evening, February 27, except 14, 15 and 16 team tourneys, which will begin at 7:00 P. M. Wednesday, February 26. These tourneys will be seven session tourneys. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 or 9 team tourneys; and there will be no games Friday morning in 10, 11 and 12 team tourneys. Principals may arrange their school work accordingly.
4. The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Monday, February 24, (2) trans-

portation only, one round trip, may be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowances shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of the school securing such and not an expense of the tourney, (5) teams arriving late or leaving a tourney early should not expect full tourney entertainment.

Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as revenue tax, meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.
2. The Center High School shall receive one hundred dollars (\$100).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.
7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.
8. One-half of the sixth balance shall be divided on the basis of season ticket sales by the participating schools before 4:00 P. M. on the day the tourney begins. All remaining tickets must be returned to the Center Principal at this time. This hour and date are binding on all schools. This division is made with the understanding that no

school shall receive credit for the sale of a greater number of tickets than the number allotted the school in the first or original division of tickets.

9. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

10. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school the week after the tourney.

Note—The amounts provided for the Center School shall not be divided among the participating schools as a bid for a tourney or in payment for the support of these schools. The expenses of a Manager, if any, belong to the Center School and not to the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. Beginning this year, the Entry Blank carries a space for the signature of the Coach. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the I.H.S.A.A. Entries positively will close Thursday, February 13. All entries must be in the I.H.S.A.A. office before 4 P. M. Thursday, February 13. Do not mail entry blanks before February 5. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted. The Board of Control has so ruled.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

1. Session ticket (All tourneys):	
Established Price	\$.50
Tax10
Total60
2. Season ticket:

Total	1.60
b. Five-session tourney:	
Established Price	\$1.67
Tax33
Total	2.00
c. Six- and seven-session tourney:	
Established Price	\$2.00
Tax40
Total	2.40

Tickets shall not be sold for more or less than the prices here given. No more tickets shall be sold than the seating capacity of the house will justify. Standing room shall not be sold or used. All requirements of the State Fire Marshal and the City Fire Marshal shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets.
2. Twenty per cent of the remaining tickets shall be divided pro-rata among the competing schools.
3. The remaining eighty per cent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 19, 1946.

Season tickets should be ready for distribution by Monday, February 24. All ticket information should be secured prior to this date. The I.H.S.A.A. will furnish Center Principals with enrollments of all high schools participating in their tourney. In the distribution of receipts, the division on ticket sales shall be made on the basis of such tickets being sold and paid for before 4:00 P. M. on the day the tourney begins. All remaining tickets must be returned to the Center Principal at this time. This hour and date are binding on all schools. In the division of receipts, no school shall receive credit for the sale of a greater number of tickets than the number allotted the school in the first or original division of tickets according to the plan outlined above.

TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used, if available.

RADIO SERVICE—Stations in Indiana may broadcast I. H. S. A. A. tourneys provided the requirements in the I. H. S. A. A. rules and regulations governing broadcasting are observed. The managers of the stations and the Tourney Principals will have copies of these rules and regulations.

SOUVENIR PROGRAMS—Souvenir programs other than those provided by the I. H. S. A. A. shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. All Principals should notify their business men now.

PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games. This ruling is meant to protect the vision of the players.

GOVERNMENT TAX—The tax on all tickets in all tourneys will be assumed and paid by the tourney management out of tourney receipts. Ticket prices were determined with this in mind.

SUGGESTIONS—Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

WARNINGS—Entries close at 4:00 P. M., Thursday, February 13, and can not be changed or received afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entry blanks and checks to I.H.S.A.A. office, 812 Circle Tower, Indianapolis, Ind. All data must be given on entry blank. Get all data right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted. Be sure to send only the "Official Entry Blank" to the I.H.S.A.A.

These teams may or may not be made up of the same men that participated in the other tourneys. Certification must be made on the regular blanks furnished by the Commissioner, and all data must be given as indicated. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$90.00 for lodging, \$90.00 for meals, \$350.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The transportation mileage shall be considered the most direct and reasonable distance by automobile from the High School of the participating school to the Fieldhouse in Indianapolis.

A. efforts to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, but to stress the idea among Principals, Superintendents, Coaches, Teachers, parents and communities that the receipt of tickets by their High School Principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.—Athletic Council, Dec. 19, 1931.

Management—The Board of Control has designated the Commissioner as Manager with Robert S. Hinshaw, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Franklin 1519. Fred R. Gorman, Vice-Principal of Technical High School, Indianapolis, will be in charge of securing and assigning help at the Fieldhouse.

Press and Radio reservations will be made directly to the I.H.S.A.A. office. Requests must be filed not later than Tuesday, March 18. An identification plan will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

Tickets—All tickets will be handled by the I.H.S.A.A. office according to the following plan:

1. Season tickets and these only will be sold prior to Saturday, March 22, 1947. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity this year is estimated by Butler University at approximately 14,800.

2. Tickets will be sold only through the Principals of the High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at a price

higher than the price on the ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to I. H. S. A. A., must accompany each order. Tickets purchased can not be returned. Please do not send money. The limitations below must be observed as given:

(a) Orders for tickets having official Post Office stamp marks on the envelopes including and from Monday, February 24, to and including Tuesday, March 4, will be accepted if received not later than Wednesday, March 5. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Each High School Principal, having a team entered in an I. H. S. A. A. Sectional Basketball Tourney for 1947, and each High School Principal holding a modified membership in the I. H. S. A. A., may order tickets to five (5) percent of his High School enrollment as of September 19, 1946, and as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than two tickets. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right.

6. All tickets remaining unsold after the High School Principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the Principals of the 64 sectional tourney winning schools if ordered by them. These Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that may be distributed to them as sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than the tickets remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be no tickets or only a few tickets so remaining. None are guaranteed. Tickets purchased can not be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from February 24 to March 4, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in this order.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is a method entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon a number of things,—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

WARNINGS—Entries are due Monday, March 17, and can not be changed afterwards. Special privileges will not be granted to anyone. Send all entry blanks to I. H. S. A. A. Office, 812 Circle Tower, Indianapolis, Indiana. All data must be given. The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Tourneys.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they can not re-enter until the next session. The seats will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 800 seats to the block, will be reserved for the four schools whose teams are in the tourney until Monday, March 17. Twelve blocks of seats, immediately around the playing floor and with

100 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The High School Principals, whose teams are represented, should contact the I. H. S. A. A. Office by Monday, March 17, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

THE ARTHUR L. TRESTER MEDAL

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the I. H. S. A. A. Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Medal for Mental Attitude."

It is an exceedingly difficult job for the Board of Control to select one boy out of forty good boys as a recipient of this medal. All of these forty boys are not equal in mental attitude or in any other attitude. They are not equal in skill and performance. The large majority of the boys, however, are good boys and many of them could be chosen for the mental attitude award. In the choosing of one boy several good and deserving boys are left out.

The I. H. S. A. A. Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Medal for Mental Attitude.

The Principals and Coaches of the four schools filed with the I. H. S. A. A. these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the

playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

Ronald Bland, Garfield High School, Terre Haute, was chosen unanimously by the Board of Control to receive The Arthur L. Trester Medal for Mental Attitude.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few, if any, boys on the winning teams have secured the prize but it is not true that the I. H. S. A. A. has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

ANNOUNCEMENT OF I.H.S.A.A. GOLF TOURNAMENT

Auspices and Management—Indiana High School Athletic Association will be in charge of the tournament. Principal Fred R. Keesling, Lawrence High School, will be in charge at the Golf Course.

Date—Saturday, May 24, 1947.

Time—The tournament will begin at eight o'clock (8:00) (C.D.T.) in the morning and will continue until completed. Teams will report in groups. Instructions and a time schedule will be sent to each school prior to the tournament.

Place—Coffin Golf Course, Indianapolis.

Registration—All teams must be checked in at the Club House by the Principal or his official faculty representative. This responsibility belongs to the school.

Transportation—This will be an obligation of the participating school in each case.

Entertainment—Noon meals will be furnished by the I.H.S.A.A. at the Club House to the actual participants and one faculty manager from each school.

Prizes—A trophy will be given to the winning school and medals will be given to the three low individuals.

Eligibility—The rules and regulations of the I.H.S.A.A. shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. Entry blanks are due in the I.H.S.A.A. office on or before 4:00 p. m., Friday, May 9, 1947, and cannot be accepted afterwards.

Note—Each year some schools return their entry blanks, then fail to participate in the tournament for some unknown reasons. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested to return no entry blank unless you fully intend to enter the tournament.

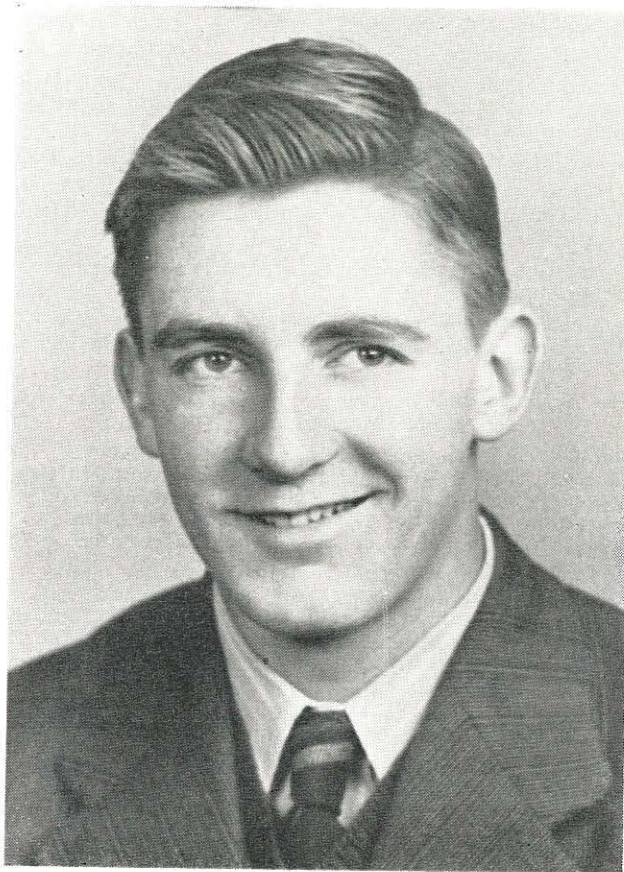

Medal Play—The tournament will be conducted as Medal Play and 18 holes will be played.

Scoring—Each foursome will be made up of boys from four different schools. The players will count and keep score for each other.

Referee—"Pro" Wally Nelson will act as referee of the tournament.

Teams—Each school may enter six (6) boys and the team must consist of four (4) of these six boys. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

Ties—In case of a tie for the team prize, duplicate trophies will be given. In case of a tie for an individual prize, the winner will be decided by lot.
