MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

President E. C. Boyd

In 1903, almost 50 years ago, the Indiana High School Athletic Association began as a voluntary organization of a few public high schools of Indiana, for the purpose of directing and encouraging high school sports and activities in which the competitive element of play predominates, without losing sight of their inherent educational values. Today almost all schools of Indiana which maintain secondary school curricula are members.

Since its beginning the sole purpose of the association has been to serve the high schools of the state by providing the right kind of leadership in all competitive sports. The I.H.S.A.A. has always placed emphasis on good school procedure in the conduct of athletic activities, and upon high standards of scholarship. Definite rules concerning enrollment, residence, and undue influence in securing and keeping athletes have been developed for one purpose only, to protect the individual member of the Association. Financial matters concerning the athletic activities of the members have always been handled honestly and with integrity. The high morale of the Association has been maintained throughout the years largely because of the democratic nature of the organization. All sizes and classes of schools are equally represented in the Athletic Council and on the Board of Control. The Council acts as a co-ordinator of state-wide opinion. Thinking school men always know that it is within their power to alter policies and rules through their chosen representatives if the change is acceptable to a majority of the member principals. The Association belongs in a real sense to the member schools. They organized it, they have maintained it, they will sustain it. In turn it has served them well for nearly 50 years.

As in other phases of our society we usually must pay for what we get. To accept the protection and the privileges of the I.H.S.A.A. implies loyal and courageous support of its program and its policies. To keep the Association strong necessitates the undivided support of all member schools. The schools of Indiana have a right to be proud of their Association.

Competition between widely separated parts of the state is possible without friction because the same regulatory pattern functions in all parts of the state as a result of the I.H.S.A.A. program. Officials clinics, rules clinics, coaches conferences, rules publications, bulletins, and films, along with many other I.H.S.A.A. sponsored activities make belonging to and working together within the Association, not only a privilege, but also a pleasure.

It has been my good fortune to work with and to become intimately acquainted with some of Indiana's finest school men in my connections with the I.H.S.A.A. Board of Control and especially with Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw. Indiana schools should have no doubts about the future of their athletic program with men such as these devoting their time and efforts in its behalf.

HISTORY OF I.H.S.A.A.

The first attempt to organize the high schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of high school Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Pearcy, of Anderson, issued a call for a meeting of high school Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I.H.S.A.A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the I.H.S. A.A., March 1, 1904, and now there are seven hundred seventy-six (776) high schools belonging. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I.H.S. A.A. have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members of the I.H.S.A.A. follows:

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of

Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of the five (5) I.H.S.A.A. districts. The five members of the Board of Control and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the I.H.S.A.A.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five I.H.S.A.A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I.H.S.A.A. to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the forty-nine years of the life of the I.H.S.A.A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I.H.S.A.A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I.H.S.A.A. now has a program, not only for the managing and fostering of high school athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grade and the high school.

No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

- a. Official Football Rules of the National Federation shall govern in Football.
- b. National Federation's Six-man Football Rules shall govern in Six-man Football.

Rule 2. The Official Rules of the National Basketball Committee of the United States and Canada shall govern in basketball.

Note—Rule 1, Section 4 in the Official Basketball Rules for 1933-1934 was changed to read as follows by the Athletic Council on December 16, 1933, and it was voted that the change should go into effect upon information being extended to the principals:

"The court shall be divided into two parts by extending the diameter of the center circle in both directions until it intersects the side lines; except, that, if the court is less than 80 feet long, it shall be divided by drawing two lines parallel to the end lines, each 40 feet from the farther side. If, however, this would cause these lines to be inside the free throw lines, the court shall be divided by extending the free throw lines until they intersect the side lines. These lines shall be painted in the same color. The line (or lines) described in this section shall be termed the Division Line."

Rule 3. The National Federation Edition of Track and Field Rules shall govern in Track with the following exceptions:

a. Rule 2, regarding a Games Committee shall be void.

b. Scoring:

Four places shall be counted in all meets except the State final meet and the places shall count 5, 3, 2 and 1. In the 1924 Annual Meeting it was voted to score as follows in the State Final Meet: First, 5 points; second, 4 points; third, 3 points; fourth, 2 points; and fifth, 1 point. Places in the relay races count double for points. In case of a tie in any event, the points shall be divided and the place awarded by lot.

c. Events:

The events in all meets shall be 100 yard dash; 220 yard dash; 440 yard dash; half-mile run; mile run; 120 yard high hurdles; 180 yard low hurdles; running high jump; running broad jump; pole vault; putting 12-lb. shot; mile relay and half-mile relay.

Rule 4. The National Federation Edition of Baseball Rules shall govern in Baseball.

Rule 5. The Official Rules of the Amateur Softball Association shall govern in Softball.

Rule 6. There shall be ten separate days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests in the following sports: basketball, football, track, cross country, swimming and wrestling. Only one practice may be counted for any one day.

Rule 7. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the closing date of the sectional tourneys of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tourneys of The State Basketball

Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tourneys if earlier than this final tourney date. (The penalty is suspension.)

Students playing independent, league or organized basketball games, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all inter-scholastic athletics until January 1 of the following year.

Rule 8. The maximum number of games for the regular schedule of any team or any player in basketball shall be eighteen. (The penalty is suspension.)

Rule 9. "Teams and players may participate in two basketball tourneys in addition to the tourneys of the State Basketball Championship Series under the following provisions:

1. The games in one tourney may be in addition to the regular schedule.
2. The games of the other tourney shall be included within the eighteen game limitation for the season's schedule.
3. Teams or players participating in a tourney which extends into a second week shall not be permitted to enter a second tourney.
4. No tourney shall be scheduled to extend over more than two consecutive weekends.

The penalty for violation of this rule is suspension."

Rule 10. All organized or formal basketball practices by players or teams shall be limited to the period beginning October 1 and ending with the date of the State Final Championship Basketball Tourney each school year.

Rule 11. All basketball tourneys, other than the State Championship Tourney Series, shall be held prior to February 1 of each year.

Rule 11a. No inter-school basketball tourney which involves more than four schools, shall be held without the sanction of the I.H.S.A.A., except where all the schools are located in a single county.

Rule 12. "Donkey Basketball," "Skruball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball," "Skruball" or similar games, shall be subject to I.H.S.A.A. eligibility rules the same as in regular basketball games.

Rule 13. All inter-school football games by players or teams shall be limited to the period beginning with the opening day of school and ending November 30 of each calendar year. The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until the following November 30.

Rule 14. All organized or formal football practices by players or teams shall be limited to the period beginning August 15 and ending November 30 of each school year.

Rule 15. Football practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff.

Rule 16. The maximum number of inter-school games for any player or any team in football shall be ten.

Rule 17. No inter-school games shall be played prior to the opening of the school year in the fall.

Rule 18. There shall be no inter-school athletic contests played, or practices held on Sunday.

Rule 19. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the I.H.S.A.A. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the I.H.S.A.A. teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 20. Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the I.H.S.A.A.

Rule 21. A high school shall not be considered eligible to enter a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the high school has played eight (8) inter-scholastic games during that season, and before the Official Entry Blank for Tourneys is filed in the I. H. S. A. A. office.

Rule 22. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the I. H. S. A. A., unless under the supervision and auspices of the I. H. S. A. A. by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual working of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the I. H. S. A. A. for such length of time as the I. H. S. A. A. Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of \$10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall

have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I. H. S. A. A.

a. High school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The I. H. S. A. A. expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I. H. S. A. A. is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the I. H. S. A. A. The purpose of the permit is to keep the Principal informed about his students.

NOTE: It is not considered a violation of present I.H.S.A.A. rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by I.H.S.A.A. rules except for such modifications as may be necessary.

f. The I.H.S.A.A. considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. Pupils in schools having modified membership in the I. H. S. A. A. may participate on the following bases:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a junior high school having modified membership may not compete on the team of a senior high school.

c. Schools with modified membership may participate in tourneys and meets in accordance with the regulations in Article II, Section 2 of the I.H.S.A.A. Constitution.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in inter-school games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the I. H. S. A. A.

Rule 27. A ninth grade student who is enrolled in a junior high school without modified membership in the I.H.S.A.A., may compete on either the junior high school or the senior high school team, but not on both. Such junior high schools may have teams using pupils of the seventh, eighth and ninth grades, depending on organization of the school. These teams may compete with similar teams from other schools not having modified membership.

DIVISION IV

GIRLS' ATHLETICS

Rule 1. Girls' athletics are bound by the rules and regulations of the I. H. S. A. A. except for participation in Girls' Play Day program.

Rule 2. Rules for girls' contests shall be those published for the National Section on Women's Athletics of the American Association for Health, Physical Education and Recreation.

Rule 3. Inter-school basketball games and tourneys are not recommended for girls.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tourneys.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship, out of season participation, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools concerned and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games.

DIVISION V
ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tournaments and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the I. H. S. A. A. Rules and By-Laws reading, "—a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grade in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school Principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any high school, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other high school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section.

Rule 4. The fact that a transfer has or has not been issued or

that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an I.H.S.A.A. Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Rule 7. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 8. Any student who has been enrolled more than fifteen (15) school days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter fifteen (15) or more days between December 1 and March 1 for four times.

Rule 9. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 10. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter more than fifteen (15) or more days between March 1 and June 1 for four times.

Rule 11. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 12. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 13. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in

their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way.

Rule 14. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each high school files a statement with the Board of Control that the change was necessary and that no undue influence was attached to the case in any way.

D. Participation—

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 9, under "Enrollment.")

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

E. Parents and Physicians' Certificates—

Rule 1. Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of Physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any inter-scholastic athletic contest by a physician licensed to practice medicine in Indiana.

Rule 2. Previous to the student's first inter-school participation, the Principal shall certify to the I. H. S. A. A. that the certificates required herein are on file in his office.

Rule 3. A student properly certified to participate in inter-scholastic athletic activities, who is absent from school for five consecutive days due to illness or injury, must present to his Principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the I. H. S. A. A.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating

from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a high school when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Rule 3. Students meeting requirements for graduation in three and one-half years in a high school with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the I.H.S.A.A.

H. Age—

Rule 1. Students shall be ineligible for any athletic competition upon reaching twenty years of age.

I. Amateurism—

Rule 1. All contestants in the I. H. S. A. A. must be amateurs.

Rule 2. Professionalism is defined in the I. H. S. A. A. as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

Rule 3. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A high school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs, under the terms of the Agreement between the National Federation and Organized Baseball.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the I. H. S. A. A. for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the I. H. S. A. A. at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. No high school student shall be eligible to participate in any inter-school contest under the rules of the I. H. S. A. A., if it shall be shown that he or any member of his family is receiving any

remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 6. Reinstatement of Amateur: A high school student, who has violated his amateur standing according to the rules and by-laws of the I. H. S. A. A. may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school Principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

J. Conduct—

Rule 1. Any student, whose conduct or character is such, in the judgment of the Board of Control or his high school Principal, as to reflect discredit upon his high school or upon the I. H. S. A. A., is not eligible.

K. Married Students—

Rule 3. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these Principals to notify the I. H. S. A. A. office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The I. H. S. A. A. reserves the right to

request additional information and to make final decisions after careful investigation has been made.

DIVISION VI PRIZES AND AWARDS

Rule 1. The giving and receiving of awards and medals shall (a) be kept within reasonable bounds; (b) have symbolic value only and (c) be done by and with the consent and under the supervision of the high school principals concerned.

Note—The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even if the award is duly inscribed. An inscription cannot validate such awards in the I. H. S. A. A.

Rule 4. Schools belonging to athletic conferences, or participating in tourneys and meets under the rules of the I. H. S. A. A., except in the championship series conducted by the I. H. S. A. A., may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 5. Suitable awards may be given by such organizations as: service clubs, patriotic organizations, civic groups, Dads' and Mothers' clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. High school athletes should be permitted to complete their high school careers without being molested by outside sources.

Rule 8. Penalties for violations of the above rules shall be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

48

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism.")

A. expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High school students, who play on baseball teams other than their high school teams during the school year, make themselves ineligible for baseball in high school in that school year.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

ENROLLMENT

(See Undue Influence Rule. It Takes Precedence.)

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

* * * *

2.
Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?
A. No. Enrollment rather than participation is the determining factor in such cases.

* * * *

3.
Q. Which is the determining factor in eligibility—enrollment or participation?
A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.
Q. If a student changes high schools, when is he eligible?
A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled. If the parents do not actually change their place of residence to the

new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

Q. When are students, who finish the work given in one high school, eligible in another high school?

* * * *

* * * *

12.

Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?

4. If a student attends a high school outside his home school district and subsequently returns to his home high school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made.

6. A student, who changes high schools because of an action by the Court, Welfare Department or similar agency, may be considered eligible, provided a copy of the action making such transfer is filed with the I.H.S.A.A.

55

7. It is the duty of the Principal to check carefully the record of every student who transfers from another high school. The Principal should also advise students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

8. No student who has transferred from another school is eligible until the Principal has on file an I. H. S. A. A. Athletic Transfer Certificate.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships).

59

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The high school Principal in any high school belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.

3. The I. H. S. A. A. considers it the duty and responsibility of the senior high school Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A. A.

4. A high school student is one who carries at least 15 hours of regular high school work, provided such a student has been promoted to the high school in the regular way and according to good school procedure.

5. The I. H. S. A. A. requests Principals having 9th grade students enrolled to confer and co-operate with the senior high school Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The I. H. S. A. A. does not attempt to determine or classify junior high schools and senior high schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

8. A 9th grade student in a junior high school not holding modified membership, may participate on the junior high school team or on the senior high school team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, junior or senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the junior high school rules and regulations in athletics required in the senior high school.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the junior high school or in the senior high school.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

Junior and Senior High School Modified Membership Regulations

Modified memberships may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests, tourneys and meets in which only the teams from the high schools of the same city participate, invitational basketball tournaments in which not more than four schools participate and in track meets where trial runs are not necessary.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

A. membership the conditions are found to be such that the high school Principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the I. necessary in all cases in which it is found that the high school Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. The minutes of the previous meeting were approved as written.

POWERS AND DUTIES

The Commissioner reviewed in detail the powers and duties of the Board of Control, the Commissioner and the Assistant Commissioner as set forth in the Constitution, Rules and By-Laws.

I.H.S.A.A. OFFICE

1. Ernst and Ernst, Certified Public Accountants, had completed the audit of I.H.S.A.A. finances for the year July 1, 1950 to July 1, 1951. Each member of the Board was provided with a copy of this audit.
2. The Board of Control, the Commissioner and the Assistant Commissioner visited the safety deposit vault at the Fletcher Trust Company for the purpose of checking the securities owned by the I.H.S.A.A. The amount of securities checked with the auditor's report. A complete listing of all securities held by the Association will be carried in the 1951 Handbook.
3. Each member of the Board was supplied with a copy of the Budget for 1951-1952 as approved and adopted on June 12, 1951.
4. The Commissioner reported that \$100,000.00 in U. S. Certificates would mature October 1, 1951. He was instructed to deposit the money to the account of the I.H.S.A.A. in the Fletcher Trust Company, to be used as follows: (1) Pay the special distribution of surplus funds to member schools; (2) provide sufficient funds for current expenses and (c) invest the remainder in U. S. Securities.
5. A bid, submitted by the Shaw Walker Company, for office furniture was studied but no action was taken at this time.

BUTLER FIELDHOUSE CONTRACT

The contract with Butler University for the rental of the Fieldhouse for the tourney series was presented and reviewed. Since the contract has not yet been approved by the officials of Butler University, the Board deferred signing until the next meeting.

SECTIONAL CROSS COUNTRY MEETS

Selections were made of the sites for seven sectional cross country meets to be held on Tuesday, October 23, and also approved the Coffin Golf Course at Indianapolis as the site for the state cross country meet, to be held November 4. The Board directed the Commissioner to proceed with details for holding these meets under the same regulations that were adopted for the 1950 sectional and state meets. The Board directed that complete details regarding these meets be carried in the September Bulletin.

Assistant Commissioner Hinshaw reported on the following: (1) Coaching School, held at Purdue University August 6-9; (2) state clinics in football (August 18) and basketball (October 6); (3) distribution of films and (4) registration of officials.

MEETING WITH TRACK COACHES

A committee of the Indiana Track Coaches, including Frank Kurth of Hobart, Carl Bonge of Anderson and Cloyd Julian of Indianapolis Washington, met with the Board to discuss changes in the I.H.S.A.A. State Championship Track and Field Meets. The following changes were recommended:

1. Shortening of the 200-yard low hurdle race to 180 yards.
2. Addition of a two-mile relay to the 1952 meet as an experiment, with medals for the winners, but no points to be counted.
3. Changing of the order of events to make the 120-yard high hurdles the first track event instead of the 100-yard dash.
4. Widening of the take-off board for the broad jump from 8 inches to not less than 12 inches, to reduce the number of fouls called for over-stepping.

CARLISLE-HADDON

Donald R. Shelton attended Carlisle-Haddon High School from August 29, 1947 to February 3, 1950. He withdrew at this time and re-enrolled on August 25, 1950. On September 19, 1950, he again withdrew, without having participated in athletics during the Semester I of the 1950-1951 school year. Principal A. G. Callahan requested a ruling on his eligibility at the beginning of Semester I of the 1951-52 school year.

Decision—Donald R. Shelton may be considered eligible as to enrollment during the 1951-52 basketball season, plus eligibility for all spring sports during the second semester. He is ineligible scholastically until he has attended one full semester with credits earned in three full-time subjects. Donald Shelton has the possibility of becoming eligible at the beginning of the second semester of the 1951-52 school year (for basketball and other sports) provided he qualifies scholastically by that time.

INDIANA BOYS' SCHOOL (PLAINFIELD)

Mr. Norbert W. Kniesly, Director of Education, requested that the Board of Control set September 1 to June 1 of each year as the actual membership year of the Indiana Boys' School. Because this school is in session all year around, the request was made in order that the School could participate in American Legion Junior Baseball and other independent contests during the summer months.

Decision—The Board of Control established the athletic school year of the Indiana Boys' School as beginning with September 1 and ending June 1 of each year.

OAKLAND CITY

Jesse William Hughes, Jr. attended Spurgeon High School where he lived with his mother until about a month before the close of the school year 1950-51. At that time, he moved to Oakland City to live with his father, as his mother gave up her home in Spurgeon.

He plans to enroll in Oakland City High School at the beginning of the 1951-52 school year. Principal Marlin E. Kell of Oakland City and Principal Dallas Ferguson of Spurgeon filed statements that the change of residence was necessary in order that the boy have a home.

Decision—Jesse William Hughes, Jr. considered eligible as to residence in the Oakland City High School, under the unavoidable change of residence rule.

PLYMOUTH

Guy Bixel attended Plymouth High School continuously from the beginning of the 1947-48 school year to October 26, 1949. At that time, he withdrew from school, but re-enrolled again in September 1950, and completed the school year 1950-51. Principal H. Ralph Beabout requested a ruling on Guy's enrollment eligibility for the school year 1951-52.

Decision—Guy Bixel is considered eligible as to enrollment for one additional season of basketball, plus all spring sports during the second semester. Due to the fact that he was enrolled more than fifteen school days during the fall semester in 1949, he is ineligible for football, cross country and other fall sports.

ST. FERDINAND

St. Ferdinand High School has applied for modified membership since their high school offers work in grades 9 and 10. Sister M. Priscilla Mundabach, Principal of the high school, signed the formal application, stating that the school would adhere to all I.H.S.A.A. rules and regulations.

Decision—The application of St. Ferdinand High School for modified membership was approved by the Board of Control, subject to approval by the State Department of Public Instruction.

ELSTON (MICHIGAN CITY)

Principal C. F. Humphrey requested that the Board give him a ruling as to whether a scholarship, offered by sources outside the school and made available to athletes only, would be a violation of association rules.

Decision—It was unanimously decided that such a scholarship would be in violation of I.H.S.A.A. amateur rules. There would, however, be no violation for athletes to compete for scholarships open to all students of the school.

RESOLUTION

Mr. Adolph Zollman, Superintendent of Seymour City Schools, a member of the I.H.S.A.A. Board of Control and Athletic Council, and his wife died as a result of a traffic accident on June 28, 1951. In recognition of the service of Mr. Zollman to the I.H.S.A.A., the Board of Control unanimously passed the following Resolution:

"WHEREAS, in the passing of Adolph Zollman, the I.H.S.A.A. has lost one of its outstanding leaders and

WHEREAS, he has devoted many years of faithful and efficient service for the youth of our state and

WHEREAS, we recognize his excellent character, keenness of vision, his honesty and sincerity of purpose and

WHEREAS, these fine qualities were evidenced in his years of work for the I.H.S.A.A. and for education in general and

WHEREAS, the cause of high school athletics and education in Indiana have sustained a great loss:

NOW THEREFORE, BE IT RESOLVED, that the members of the I.H.S.A.A. Board of Control, assembled in meeting August 17, 1951, recognize and acknowledge their esteem and high regard for this outstanding leader, and the debt of gratitude which the I.H.S.A.A. owes to him, and

BE IT FURTHER RESOLVED, that we extend our sincere sympathy to members of both families, and that copies of this Resolution be sent to Mr. and Mrs. J. J. Zollman and Mrs. Curtis Eskew."

The Board adjourned to meet again at 9:30 A. M. on September 15, 1951.

L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Ind., September 15, 1951

Present: President Robert G. Jones, Phil N. Eskew, Harry A. Jones, Oscar Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

ANDERSON

James D. Boaz has always attended Anderson High School. He, however, during his sophomore year, withdrew on March 13, 1950 to enter the Air Force. He received an honorable discharge on March 30, 1951, because military officials discovered that he was only 17 years of age. He returned to Anderson High School at the beginning of this school year. Principal Ebbertt desired a decision on the scholastic eligibility of this boy.

Decision—It was the unanimous opinion of the Board that James Boaz is not entitled to any special consideration because of military service. His record shows that he was not eligible to enter the military service; that he was discharged because he was still ineligible for service; also, while the military authorities gave him an honorable discharge, he is listed as not being entitled to compensation, pension, insurance benefits, etc. James Boaz is, therefore considered scholastically ineligible at Anderson High School until he has passed in three regular high school subjects for one semester.

BLUFFTON

Max Hyde, whose parents are both dead, lived with his grandmother and attended school in Montpelier. Early this summer, the grandmother died, and it was necessary for Max to find a new home. He is now living with relatives in Bluffton, and has enrolled in Bluffton High School. Both Principal M. A. Wilson of Montpelier and Princi-

pal Fred F. Park of Bluffton certified in writing that the boy had to move to Bluffton in order to have a home. Principal Park desired that the Board consider the case as a bona fide unavoidable change of residence.

Decision—Max Hyde considered eligible as to residence in the Bluffton High School under the unavoidable change of residence rule.

BUNKER HILL

John Mays, who lives in Tipton Township (Cass County) enrolled as a senior in the Bunker Hill High School this school year, without a change of residence on the part of his parents. He formerly attended Onward High School, which has now been consolidated with Walton High School in the same township. His parents are paying tuition for the boy. Principal Harold M. Dick has asked for a residence ruling from the Board.

Decision—It was the unanimous decision of the Board of Control that the home high school of John Mays is Walton. It is also the opinion of the Board that the consolidation, legally carried out, was binding on all students of both of the former high schools (Onward and Walton) so far as residence is concerned. John Mays is, therefore, ineligible for one calendar year from the date he enrolled in Bunker Hill High School this school year.

CONNERSVILLE

Chester and William O'Neal, who were enrolled in Brookville High School last year, are from a broken home. Following a divorce, each of the parents re-married and continued to reside in Brookville. At the time of the divorce decree, both boys were assigned by the court to the custody of their mother. Later, they went to live in their father's home. During the summer of 1951, the father moved with his family to Connersville. Although there was no formal court order regarding a change of custody, the court did have knowledge that the two boys had moved to their father's home. Letters concerning this case were filed by Principal George McKinney of Brookville, Principal John M. Hougland of Connersville and Judge Kenneth Copes, of the Franklin Circuit Court. Principal Hougland requested the Board to determine the residence eligibility of the two boys.

Decision—It was the unanimous opinion of the Board, in the light of conversations with Superintendent Floyd N. Hines and Principal Hougland of Connersville, and information filed by Judge Copes that these two boys, insofar as I.H.S.A.A. eligibility rules are concerned, should be considered under the jurisdiction of their father in Connersville. Chester and William O'Neal, therefore, are ruled eligible so far as residence is concerned in Connersville High School.

ELWOOD

William Bobo is from a broken home. Last year, he lived with his mother and attended Hartford City High School. It had become impossible for the mother to maintain a home for William and his

brother, and it was mutually decided that the boys should move to Elwood to live with their father. Letters are on file from both Principal Myron Clark of Hartford City and Principal M. A. Cope-land of Elwood, indicating that, in their opinion, the change of residence was necessary.

Decision—William G. Bobo considered eligible, so far as residence is concerned, in the Elwood High School.

MUNCIE CENTRAL

Janus Sullivan had to work part time in order to stay in high school last semester. He, therefore, carried only three full time subjects, one of which was R.O.T.C. (Military Science and Tactics). In Muncie Central High School, students are permitted to substitute R.O.T.C. for regular physical training courses. Principal Chastain requested that the Board give a ruling on the scholastic eligibility of this student.

Decision—In May 1948, the Athletic Council approved the acceptance of Military Science and Tactics for scholarship eligibility, provided that it cannot be substituted for required courses in physical education. Therefore, Janus Sullivan cannot count his R.O.T.C. (Military Science and Tactics) credits toward scholastic eligibility.

POLK TWP. (ANDREWS)

Harry Ellis lived with his parents in Huntington County and attended the Jefferson Township High School. He withdrew early in the second semester of last school year. He is now living with an uncle and attending Polk Township High School. Principal Dale M. Pence has requested a ruling by the Board of Control on this boy's eligibility.

Decision—Harry Ellis is ineligible, so far as residence is concerned, in Polk Township High School for one calendar year beginning with the date he enrolled there this semester. He is also scholastically ineligible until he passes in three full time subjects for one semester.

WANATAH

Donald Jonas lives with his parents in Scipio Township (LaPorte County) which has no high school. He entered LaPorte High School as a freshman, and at the end of the first semester of his sophomore year, he transferred to the Kingsbury High School and completed the year, his family remaining in Scipio Township. During the summer his father had taken employment at Wanatah, and plans to move the family there as soon as his house is available. Donald enrolled in Wanatah High School at the beginning of this semester. Principal Fonzo Lawler has asked for a ruling on the boy's residence eligibility.

Decision—Donald Jonas will be considered eligible, so far as residence is concerned, on the date his parents make a bona fide change of residence to the Wanatah High School district.

I.H.S.A.A. FINANCES

U. S. Certificates of Indebtedness, in the amount of \$100,000 are

due on October 1. The Board authorized the Commissioner to reinvest \$30,000 of this amount in U. S. Certificates of Indebtedness, with the understanding that the remainder be used to meet the Special Distribution and also for current expenses.

BUTLER FIELDHOUSE

The contracts for the leasing of Butler Fieldhouse for the 1952 Championship Tourney Series were signed by officials of Butler University, and were presented to the Board of Control for each member's signature. One copy was returned to Butler and the other filed in the I.H.S.A.A. office.

The Board of Control adjourned to meet at 9:30 A. M. on October 13, 1951.

Present: President Robert G. Jones, E. C. Boyd, Harry A. Jones, Oscar Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

BOARD OF CONTROL VACANCY

Principal Phil N. Eskew, having resigned as Principal of Wabash High School in District II to become Superintendent of the Sullivan City Schools in District V, resigned from the Board of Control on September 20. The Board appointed Superintendent E. C. Boyd of Clinton to fill the vacancy pending action by the Athletic Council at its next meeting.

RICHLAND CENTER (ROCHESTER)

Warren Rietveld lived in the Tippecanoe High School district and attended school there. His mother is dead, and his father is unable to maintain a home. Warren temporarily lived with friends in Tippecanoe and in the summer of 1951 he moved to the home of a farmer in Richland Township. An affidavit exists which states that this is the boy's legal home. In September, he entered Richland Center High School. Letters are on file from Principal D. G. Dudgeon of Richland Center High School and Principal Hardy Songer of Tippecanoe High School, stating that the change of residence was necessary in order that the boy have a home.

Decision—Warren Rietveld is considered eligible, so far as residence is concerned, in the Richland Center High School under the unavoidable change of residence rule.

SPEEDWAY

Larry Alford Heberden (Larson) was a ward of the court and attended St. John High School in Benton Harbor, Michigan. Adoption papers are now being instituted by Mr. and Mrs. John Heberden of Speedway. Larry has entered Speedway High School. A statement

from the Marion County Welfare Department verified the circumstances of the case as Principal Lawrence Thompson had reported to the I.H.S.A.A.

Decision—Larry Alford Heberden (Larson) considered eligible, so far as residence is concerned, in Speedway High School.

Reuben Wilson Fuller lived with his mother in Mt. Carmel, Illinois and attended school there. It was mutually agreed between his mother and his father (who now lives in Speedway) that the boy should spend his last two years in high school with his father, who plans to finance him in college.

Decision—Reuben Wilson Fuller considered eligible, so far as residence is concerned, in the Speedway High School.

SOUTH SIDE (FT. WAYNE)

Morris Charles Kelly was a ward of the Midland County (Michigan) Court, and was assigned to the Starr Commonwealth School. Steps are being taken for the adoption of Morris by Miss Georgia Snyder of Ft. Wayne. Morris now lives in her home and attends South Side High School.

Decision—Morris Charles Kelly will be eligible, so far as residence is concerned, if and when adoption papers are filed, designating the home of the boy with Miss Georgia Snyder of Fort Wayne.

WASHINGTON (INDPLS)

Charles Hutcheson lived with a grandmother in Brazil and attended high school there until the end of last semester. Due to the age and physical condition of the grandmother, she is no longer able to care for him and he has come to the home of his mother in Indianapolis (Washington High School district) and has enrolled in Washington High School. Principal Wilbur S. Barnhart of Washington and Principal C. C. Sexton of Brazil have both filed statements, that in their opinion, the move was necessary.

Decision—Charles Hutcheson considered eligible, so far as residence is concerned, in Washington (Indianapolis) High School.

LAGRANGE

Lonny Gene Shippy lived with his parents in Garrett and attended high school there. In May 1951, the home was broken up because of the illness of his father, and Lonny went to the home of his grandparents in LaGrange and enrolled there at the beginning of this school year. Principal John M. Flora of Garrett and Principal W. C. Gohl of LaGrange filed statements that, in their opinion, the change of residence was necessary in order that Lonny have a home.

Decision—Lonny Gene Shippy considered eligible, under the unavoidable change of residence rule, in the LaGrange High School.

LYNNVILLE

Gene Fenwick attended Lynnville High School until the last semester of his junior year, when he enrolled in Mechanic Arts Trade School

in Evansville. This school does not graduate students, but offers work to pupils enrolled in other nearby schools. Gene was still considered enrolled at Lynnville and was under the direct supervision of Principal Parker of Lynnville during this enrollment at Mechanic Arts. He is now a senior and is back at Lynnville for his final year and graduation from that school.

Decision—Gene Fenwick considered eligible, so far as enrollment is concerned, in the Lynnville High School, as the Board of Control considered him a student of Lynnville at the time he was enrolled in Mechanic Arts School in Evansville.

ORANGE (GLENWOOD)

Due to unavoidable circumstances, Harry Workman lived in Alexandria with his sister and attended school there. He has now returned to the home of his parents and is enrolled in Orange High School.

Decision—The Board considers Harry Workman eligible, so far as residence is concerned, in the Orange High School.

VAN BUREN TWP. (BRAZIL)

Max Thompson and William Meyer participated in stock car races last summer. Prize money was accepted and was used for expenses incidental to the stock car they owned. Principal H. E. Rissler had requested that the Board clarify the eligibility of these two boys, so far as their amateur status is concerned.

Decision—The Board decided that, since stock car racing is not a recognized sport in the I.H.S.A.A., the eligibility of these two boys, so far as their amateur status is concerned, was not affected by their participation in this activity this past summer.

WHITING

Principal George O. Burman requested sanction of a Holiday Basketball Tournament on December 27 and 28, 1951. The tournament was sanctioned by the Board, with the understanding that the following schools will participate: Hammond High, Technical, Clark; Roosevelt of East Chicago, LaPorte and Whiting.

The Board of Control authorized the Commissioner to sanction proposed tournaments, if the plans of such tournaments are in accordance with I.H.S.A.A. rules and policies.

SALEM CENTER (PLEASANT LAKE)

Dannie Wright lived in the home of his foster parents, Mr. and Mrs. L. J. Wright, and attended school in Salem Center. The Wrights discontinued farming and moved into a house trailer and planned to travel extensively. Mrs. Wright arranged with her sister in Ashley to provide a home for Dannie until their return and Dannie attended Ashley High School during this period. This arrangement was approved by the director of the Noble County Welfare Department. Mr. and Mrs. Wright are re-establishing their home in Salem Center and Dannie has returned to that high school.

Decision—Dannie Wright considered eligible, so far as residence

is concerned, in the Salem Center High School, under the unavoidable change of residence rule.

IDAVILLE

Wayne Hanawalt lived with his parents and attended school at Camden. During the second semester of the 1950-51 school year, his parents moved to Jackson Twp. and Wayne finished the semester at Camden. In September 1951, instead of entering Burnettsville High School (which is the school for Jackson Twp.) his father preferred that Wayne enroll in Idaville, and is paying tuition for him there. Statements are on file from both the principal of Burnettsville and Camden that there was no irregularity in his withdrawal from Camden nor his enrollment at Idaville.

Decision—Wayne Hanawalt considered eligible, so far as residence is concerned, in the Idaville High School.

ELLETTSVILLE

Jack May, a senior, lived with his father in Bean Blossom Township (Monroe County) and attended Stinesville High School from 1948-51. Two days prior to the opening of Ellettsville High School, he moved with his father and other members of his family to the town of Ellettsville where he is now enrolled in high school. Principal A. E. Breeden, Stinesville High School, requested a hearing to determine if any undue influence had been exercised in connection with Jack's change to Ellettsville. The following persons appeared before the Board of Control for the purpose of testifying: Mr. Alva May (father), Jack May, Jack Bastin, Steve Lovin, Bob Middleton, Coach Curry and Principal Blair all of Ellettsville; Principal Breeden, Coach Dietrich and Trustee Nelson Figg, all of Stinesville.

Decision—After considering at length all of the evidence provided by Stinesville and Ellettsville representatives, the Board unanimously reached the following conclusions:

1. That there is considerable circumstantial evidence, along with hearsay and rumor, to cause some doubt that the May's made a bona fide change of residence to Ellettsville without some undue influence.
2. That the information was not sufficiently concrete to justify the Board in declaring Jack May ineligible for athletic participation.
3. That, in the event Jack is used by Ellettsville High School in interscholastic athletics, Principal Raymond Blair must be prepared to defend the school's action against any charges that may be brought in the future, either by Stinesville High School, or any other I.H.S.A.A. member school.

MICHIGANTOWN

Michigantown High School used Robert Crenshaw, a non-approved official, in home softball games with Carrollton, Scircleville and Forest. Under an arrangement whereby the visiting team was to provide one official, Michigantown also used Mr. Crenshaw at Scircleville, Forest and Carrollton.

Decision—Michigantown High School is placed on probation in the I.H.S.A.A. until June 1, 1952. While it is the responsibility of the home high school principal to check the approval card of officials employed, the Principals of Scircleville, Forest and Carrollton are warned that, under an arrangement whereby the visiting team provides an official, it is the host school's duty to see that the official is approved by the I.H.S.A.A.

U. S. OLYMPIC COMMITTEE

The Chairman of the U. S. Olympic Basketball Committee had requested permission to contact Indiana High Schools, seeking contributions to help defray the expenses of athletes to the 1952 Olympic Games. He suggested that this might be done through benefit games or outright contributions from athletic funds.

Decision—It was the unanimous decision of the Board to continue the longstanding policy of the I.H.S.A.A. not to sanction any requests from outside organizations.

ST. FERDINAND

The consolidated school corporation of Ferdinand and Ferdinand Township (Dubois County) does not maintain a high school. Prior to this year, the school corporation has been transferring high school students to outside schools. At the beginning of the present school year, St. Ferdinand (a catholic parochial high school) was opened for work in the ninth and tenth grades. This being the only high school within the Ferdinand Township, the consolidated school corporation informed the I.H.S.A.A. in writing that this school had been designated as the logical and ordinary place for students of their corporation to attend. The trustee of Harrison Township (Spencer County), which maintains no high school, had been transferring and transporting students to Dale High School. At the beginning of the present school year, the trustee gave the ninth and tenth grade students a choice of also attending St. Ferdinand High School. Several students are now attending that school.

Decision—All students whose residence is in the consolidated corporation of Ferdinand and Ferdinand Township may be considered eligible as to residence in the St. Ferdinand High School; ninth grade students from Harrison Township not previously enrolled in any other high school may be considered eligible as to residence; tenth grade students from Harrison Township previously enrolled at Dale (or any other high school) are to be considered ineligible for one calendar year beginning with the date St. Ferdinand High School opened this semester unless their parents have actually moved into the consolidated school district of Ferdinand and Ferdinand Township.

I.H.S.A.A. FINANCES

The Commissioner reported that, in accordance with instructions at a previous meeting, the \$100,000 par value in securities due October 1, 1951 had been used in payment of the special distribution, the purchase of \$30,000 in U. S. Securities and the remainder placed in the checking account for current expenses.

STATE TEACHERS MEETINGS

The Board made an allowance of \$75.00 to the Indiana Association of Secondary School Principals, and upon request to the I.H.S.A.A. will contribute a maximum of \$50.00 to each of the physical education groups to assist with their program in connection with sectional meetings held at the time of the annual meeting of the Indiana State Teachers Association.

The Board of Control approved special regulations for Indiana High Schools in basketball playing, which may differ somewhat from the rules as printed in the National Federation Rules, with the understanding that they be printed in the October bulletin of the I.H.S.A.A.

SECTIONAL CROSS COUNTRY MEETS

The Board approved the assignment of Sectional Cross Country Meet officials for meets to be held October 23, 1951.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, November 10, 1951

Present: President Robert G. Jones, E. C. Boyd, Harry A. Jones, Oscar W. Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

SCOTT (HOWE)

During the freshman and sophomore years (1949-51) Amos Miller lived with a teacher and attended Scott High School. In May 1951, he moved to the home of his parents in the Shipshewana High School district. At the beginning of the present semester, he entered Shipshewana High School and attended two days. When informed that he would not be eligible for athletics due to a violation of the change of residence rule, he returned to the Scott High School district, where he located a place to live and then enrolled in Scott High School.

Decision—Amos Miller has violated the change of residence rule and is, therefore, ineligible for one calendar year beginning September 5, 1951, the date he enrolled in Scott High School.

VAN BUREN

Robert McCoy is from a broken home. During the 1950-51 school year, he resided with his mother and attended Mississinewa High

School. Due to conditions beyond his control, it was necessary for him to change residence to the home of his father in the Van Buren High School district, where he enrolled in high school at the beginning of the present semester. Letters are on file from both principals concerning this case.

Decision—Robert McCoy considered eligible as to residence at Van Buren High School.

HONEY CREEK

During the 1950-51 school year, Kenneth Farris resided with his mother in the Prairie Creek High School district, where he was enrolled in that school. During the summer, because of his mother's health, he and the mother moved into the home of Kenneth's married sister in Harrison Township (Vigo County) which maintains no high school. The township trustee transferred Kenneth to Honey Creek, where he enrolled at the beginning of the present semester. Due to rumors of undue influence, and a suggestion on the athletic transfer blank by Principal C. H. Pierson of Prairie Creek that this item be checked, Principal Roy S. Stuffle of Honey Creek withheld Kenneth from inter-school athletics until an investigation could be made. At the request of the Commissioner, Principal Pierson informed the I.H.S.A.A. that he believed he had made a thorough investigation and was satisfied that Kenneth had changed residence for the benefit of his mother. He also stated that it was his opinion that the boy should be allowed to participate in athletics and that there would be no protest from Prairie Creek. Principal Stuffle and Kenneth Farris appeared before the Board in connection with the case.

Decision—Kenneth Farris considered eligible as to residence at Honey Creek High School. Principal Stuffle is commended for the conscientious manner in which he handled this case.

AURORA-LAWRENCEBURG

In a football game played on October 30, Aurora was leading Lawrenceburg by a score of 7-0. At the start of the third quarter, Lawrenceburg kicked off. While the ball was rolling down the field, Aurora committed a holding foul. The ball was downed by Aurora. The officials ruled that the ball should be awarded to Lawrenceburg because of the foul. In three subsequent plays, Lawrenceburg scored a touchdown. The final score was Lawrenceburg 14, Aurora 13. The officials admitted that they had erred in applying the collegiate rule to this situation instead of the National Federation (high school) rule, which would have given Lawrenceburg a choice of accepting a 5-yard penalty and kicking over, or awarding the ball to Aurora where it was downed.

Aurora protested and asked that the game be declared no contest. The officials were: Bill Millerhous, Ernie Damico, Emil Wurtz and Howard Wirtz, all of Cincinnati. All are approved to officiate football in Indiana.

Decision—In instances of this type, the losing team feels the game was lost due to the error. The team that benefited may claim they would have scored despite the error. Also, they may claim

their style of play would have been different in the second half. It cannot be proved the error actually decided the winner. Under the circumstances, it is common practice for the sponsoring organization to rule that the error was an unfortunate "break" which cannot be corrected. The Board of Control, therefore, disallows Aurora's protest, leaving the score: Lawrenceburg 14, Aurora 13. The officials are hereby reprimanded for their error in the mis-application of the rule applying to this play situation.

COLUMBUS

Radio Station WCSI (Columbus) had reported that it was refused permission by two high schools to broadcast games played by Columbus High School away from home. The Commissioner was directed to inform the station that the I.H.S.A.A. has no jurisdiction over broadcasting privileges in contests other than tourneys and meets sponsored directly by the Association. The Board suggested that a conference between Radio Station WCSI and the school officials concerned might prove helpful in reaching a satisfactory agreement.

ATHLETIC COUNCIL ELECTIONS

Nominating petitions filed by candidates in the Athletic Council election were reviewed and all found to be in order. The Board considered at length the type of ballot that should be used in Council elections. It has been the practice to have the name of the high school and the signature of the principal on each ballot voted. Some principals have objected to the disclosure of this information, since the ballots are subject to inspection by any candidate or principal. It was unanimously decided that the ballot should be printed in a form that would permit (if considered advisable) the name of the school and the signature being detached before the ballots are made available for inspection.

FEDERAL ADMISSIONS TAX

Following the enactment of the Federal Revenue Act of 1951, the Oregon School Activities Association, which conducts its athletic programs along the lines of the I.H.S.A.A., rushed a test case directly to the United States Commissioner of Internal Revenue, Washington, D. C. Under date of October 31, 1951, Charles J. Valaer, Deputy Commissioner of Internal Revenue, gave a written ruling which concludes as follows: "Since the evidence shows that the proceeds from the events (play-offs and tournament) will inure exclusively to the benefit of the secondary schools, it is held that the charges made for admission to the events are exempt from the admissions tax." This ruling seems to leave no doubt that I.H.S.A.A. tourneys and meets will be exempt from Federal Admissions Tax.

BASKETBALL TOURNEY ADMISSIONS PRICES

With the removal of admissions taxes, attention was given to the schedule of admission prices for the 1952 basketball tourneys. The Board voted unanimously to continue the same total admission prices (admission plus tax) as used in the 1951 tourneys, after giving careful consideration to (a) except for minor adjustments, there had

been no increase in admissions since 1945; (b) greatly increased cost in athletic equipment, travel, meals, maintenance and other operating costs during recent years; and (c) relief from admissions tax should be used for the relief of financial strain on the athletic programs of the member schools.

BASKETBALL TOURNEYS

Invitations for the 1952 tourneys sites were checked. A number of problems in connection with tourneys were discussed, but final action was delayed until a later meeting.

The Board of Control adjourned to meet again in the I.H.S.A.A. office on Friday, November 23, at 10:30 A. M.

METZ

During the 1950-51 school year, Harold Gill lived in the home of his brother at Craig, Missouri, where he attended high school. In June 1951, the brother moved from Craig, making it necessary for Harold to find a new home. He is now living with another brother in Metz, Indiana, where he enrolled in high school at the beginning of the present semester. Letters are on file in the I.H.S.A.A. office from both high school principals which indicate that Harold's change of residence was necessary in order that he have a place to live.

Decision—Harold Gill considered eligible as to residence in Metz High School.

VAN BUREN (BRAZIL)

Charles Lancaster resided with his parents in Jackson Township, Parke County, where there is no high school. He was transferred by the trustee to Bridgeton, where he attended high school from September 1949 to May 1951. At the beginning of the present school year, the township trustee transferred him to Van Buren Township High School in Clay County. He was informed by Principal H. E. Rissler of Van Buren High School that he would be ineligible for one calendar year, since there had been no change of residence on the part of his parents. Subsequently, the parents moved in to the Van Buren School district. A question arose as to whether or not there had been a bona fide change of residence. Superintendent E. C. Boyd (a member of the Board of Control) made a personal investigation, interviewing school officials at Bridgeton and Van Buren; also members of the Lancaster family.

Decision—Charles Lancaster considered eligible as to residence at Van Buren High School, provided the parents continue to maintain a bona fide residence in that school district during the remainder of this school year. In the event the Lancaster family moves to a residence outside the Van Buren district, it will be the duty of Principal Rissler to report this fact to the Board of Control immediately, with the understanding that the case may be reopened for further investigation.

NATIONAL MEETING OF EXECUTIVE SECRETARIES

The Illinois High School Association has proposed, since Indiana and Illinois have never entertained the National Federation meetings, that the two State Associations join in giving a dinner for the delegates in attendance at the National Federation meeting in Chicago on January 3 and 4. The Board of Control approved the plan, and authorized the Commissioner to cooperate with the Illinois Association in planning and financing the dinner in Chicago on January 3, 1952.

The Board gave its approval for the Commissioner to attend the National Federation meeting. Approval was also given for the I.H.S.A.A. to reimburse Robert S. Hinshaw for expenses over and above transportation which is paid to him by the National Federation, as he is a member of the Rules Committee.

GLENN (TERRE HAUTE)

Mr. George Bibich of Glenn High School had requested that he and other representatives of Glenn High School appear before the Board of Control to discuss the re-admission to membership of Glenn High School on January 1, 1952. The Board directed the Commissioner to arrange for Mr. Bibich and his group to appear before the Board at its next meeting on December 15.

RULES BOOKS

The Board approved the purchase of necessary rules books for distribution to coaches and approved officials during the 1952-53 school year.

I.H.S.A.A. OFFICE

Approval was given by the Board for the purchase of a letter folding machine for the I.H.S.A.A. office.

TOURNEYS

The Board continued with preliminary plans regarding tourneys. Consideration was given tourney sites, contracts, complimentary tickets, time schedules, pay of officials, admission prices, etc.

The Board of Control adjourned to meet again on December 15, 1951.

WHEATFIELD

Richard Billie Stepp, an orphan, resided with his older brother and legal guardian, Lindbergh Stepp, and attended Medaryville High School. On September 16, 1951, the Lindbergh Stepp's moved to Hammond, where they did not have living accommodations for Richard.

The boy then went to live with a married sister in the Wheatfield district, where he enrolled in high school on September 17, 1951. Principal Clarence E. Beck requested that Richard be considered eligible as to residence under the unavoidable change of residence rule. Written statements were filed by both principals concerned.

Decision—Richard Billie Stepp considered eligible, so far as residence is concerned, under the unavoidable change of residence rule.

CLIFFORD

On November 9, in a reserve basketball game with Hope, Clifford High School used Robert E. Legan, a non-registered official. Mr. Legan had made application with the I.H.S.A.A. for basketball officiating, but failed to make a passing score on his examination.

Decision—Clifford High School is placed on probation until July 1, 1952. Robert E. Legan is considered ineligible to register with the I.H.S.A.A. for officiating any sports until July 1, 1952.

CRAWFORDSVILLE-NOBLESVILLE

On November 21, Crawfordsville lost a basketball game to Noblesville as a result of a field goal where the ball was in the air when the signal sounded for the end of playing time. Both an automatic buzzer and a gun were used. While not protesting the final score of the game, Principal Louis Darst of Crawfordsville did file the following complaints:

1. That the referees did not properly notify the bench officials that the goal counted;
2. That coaches and others were standing in front of the bench, preventing the bench officials from having a full view of the floor;
3. That Noblesville should not have used both a buzzer and a gun to signal the end of playing time.

Referee Ed Straith-Miller stated that he did hear the automatic buzzer; that the ball was in the air at the time; and that he did signal the bench that the goal counted. Umpire Cloyd Julian stated that he also signaled the bench that the goal counted. The official scorer, Thomas E. Berry, stated that there was no question in his mind that the goal counted.

After giving consideration to all the information on file, the Board reached the following conclusions:

1. That Referee Straith-Miller should have made certain that there was no doubt on the part of the score keepers that the goal did count;
2. That if an automatic buzzer is to be used, Noblesville school officials should install a device that can be heard by the official timers;
3. Coaches and spectators should be kept from in front of the bench, in order that bench officials have full vision of the floor at all times;
4. Timers should be reminded that they have no jurisdiction in determining whether a goal scored at the ending of a playing period counts—unless the referee requests their assistance.

VAN BUREN-SWAYZEE

In a basketball game between Van Buren and Swayzee, played at Van Buren on November 30, 1951, the score stood at 35-all at the end of the regular playing time. On the last play of the game, a Swayzee player drove under the basket for a shot, fell into the wall and was injured. Although the referee later informed the I.H.S.A.A. that no foul was committed on this play, the Swayzee fans strongly indicated their disapproval at no foul being called. One Swayzee fan was reported to have made himself particularly obnoxious. Due to the tenseness of the fans, Principal Estil Ginn of Swayzee and Principal Earl Bryant of Van Buren and the two coaches conferred. It was decided that the game end at that point, without going into an overtime period.

Decision—The Board of Control unanimously reached the following decisions, that:

1. Under the circumstances, the game score stand Van Buren 35, Swayzee 35.
2. The decision not to finish the game was a definite violation of the Official Basketball Rules as adopted by the I.H.S.A.A. Athletic Council.
3. This action apparently was taken by the school officials because of fear that trouble might develop among the fans. This is also an indication that the school officials did not have complete control of the situation.

The Principal of each school is directed to warn the fans of his school that any further interference on their part at future athletic events between the two schools may result in suspension from I.H.S.A.A. membership.

GLENN (TERRE HAUTE)

On July 12, 1951, Glenn High School was suspended from I.H.S.A.A. membership, with the understanding that the school could apply for reinstatement January 1, 1951, on a probationary basis for one year. Principal George Bibich, Trustee Charles L. Deeter and Coach Jack Williams appeared before the Board to discuss the conditions under which Glenn High School might be reinstated.

Following a thorough discussion of the circumstances which led to the suspension, the Board of Control directed that:

1. Trustee Deeter file a written statement certifying that the Principal is to be the responsible head of the high school athletic program, both in name and in fact, and free from interference either from within or without the school.
2. Local fans and booster clubs be informed that they are not to interfere with the principal in carrying out his responsibilities in connection with the conduct of the athletic program.
3. Both Principal George Bibich and Coach Jack Williams file written statements that it is their understanding that, in the future, the Principal is to be the responsible party, both in name and in fact, for the conduct of the interscholastic athletic program of Glenn High School.

It is also understood that these statements will be on file in the I.H.S.A.A. office prior to January 1, 1952.

RESOLUTION

Mr. Ramon O. Hunt, of Geneva, a member of the Athletic Council, died on December 14, 1951. In recognition of the services of Mr. Hunt to the I.H.S.A.A., the Board of Control unanimously passed the following Resolution:

“WHEREAS, in the passing of Ramon O. Hunt, the I.H.S.A.A. has lost one of its loyal friends and

WHEREAS, he has devoted many years of faithful and efficient service to the youth of our state and

WHEREAS, we recognize his excellent character, keenness of vision, his honesty and sincerity of purpose and

WHEREAS, these fine qualities were evidenced in his years of work for the I.H.S.A.A. and for education in general and

WHEREAS, the cause of high school athletics and education in Indiana have sustained a great loss:

NOW, THEREFORE, BE IT RESOLVED, That the members of the Board of Control, assembled in meeting December 15, 1951, recognize and acknowledge their esteem and high regard for Ramon O. Hunt, and the debt of gratitude which the I.H.S.A.A. owes to him and

BE IT FURTHER RESOLVED, That we extend our sincere sympathy to Mrs. Hunt and other members of his family, and that a copy of this Resolution be sent to Mrs. Hunt.”

BASKETBALL TOURNEYS FOR 1952

The Board reviewed the work done at previous sessions on the 1952 State Championship Series of Basketball Tourneys. Final approval was given for the location of sites, ticket prices, number and pay of officials, distribution of tickets, approval of two-site and divided one-site tourneys, and other details necessary to the conduct of the entire series. The Commissioner was directed to sign definite contracts in duplicate with all tourney center principals and to prepare the tourney bulletin for distribution to the member schools and the press, setting forth all details in connection with the conduct of the tourney. The Commissioner's office was authorized to make adjustments which may be necessary in publishing the tourney bulletin.

The Board of Control adjourned to meet again on January 12 and 13, 1952 at 9:30 A. M.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 12 and 13, 1952

Present: President Robert G. Jones, E. C. Boyd, Oscar Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

Absent: Harry G. Jones.

The minutes of the previous meeting were approved as written.

STINESVILLE-GOSPORT

Gosport defeated Stinesville in a game of basketball played at Stinesville on January 4, 1952. Referee Donald W. White of Spencer and Umpire Everett W. Schonkwiler of Greencastle filed written reports charging that shortly before the end of the game, Coach George Dietrich of Stinesville came onto the floor to protest a decision; that immediately after the game, Stinesville fans came onto the floor; that Referee White was struck by a fan and that Stinesville players cursed the officials. Written reports were also filed by Principal A. E. Breeden and Coach Dietrich of Stinesville and Principal Marion W. Ross of Gosport.

Decision—Stinesville High School is placed on probation until January 1, 1953. Principal Breeden is directed to take the following actions:

1. Inform Stinesville players, students and fans that any further unsportsmanlike conduct on their part will result in the suspension of the school from membership in the I.H.S.A.A.
2. File with the I.H.S.A.A. the names of all officials assigned to officiate Stinesville High School basketball games during the remainder of the season so that these officials may be directed to report immediately to the I.H.S.A.A. any unsportsmanlike tactics on the part of players and fans of Stinesville.
3. Direct Coach Dietrich to remain on the bench and not to interfere with the work of the officials.
4. Report the case in writing to the law enforcing officials of Monroe County in order that they may take appropriate action to prevent any further disturbances at future Stinesville basketball games. A copy of this report is to be filed with the I.H.S.A.A.

CULVER MILITARY ACADEMY

Bruce Schaefer, Jr., entered Culver Military Academy as a 9B student in 1949, and is now in his third year of high school work. During his eighth year of school, he was in attendance in the Toccoa (Georgia) schools. At that time, this school system was in transition from an eleven year to a twelve year school system. Bruce, therefore, was enrolled (during his eighth year) in some subjects which are ordinarily considered as high school subjects. He did not participate in inter-school athletics during this eighth year of school. The Georgia High School Athletic Association informed the I.H.S.A.A. that a student in attendance under such circumstances is considered to have four full years of eligibility enrollment beginning with the ninth grade. Culver Military Academy requested that this boy's enrollment eligibility be clarified.

Decision—Bruce Schaefer, Jr., is considered to have four full years of enrollment eligibility beginning with his enrollment at Culver Military Academy in September, 1949.

ADAMS (SOUTH BEND)

Samuel Rice attended Adams High School, South Bend, during the 1950-51 school year, and earned eight regular high school credits. He

then attended summer school and earned one credit. The day before the official registration day at Adams High School, he received a serious injury in football practice and was unable to enter school. On November 1, he returned to school and entered a shop course in order to complete two credits toward graduation during semester I. Principal Rothermel requested that Samuel be permitted to count the one credit earned in summer school and the two credits in regular work in order to be considered eligible as to scholarship at the beginning of semester II.

Decision—After considering all of the circumstances in this case, the Board approved this arrangement with the understanding that Samuel Rice has consumed his enrollment eligibility for the entire first semester of the present school year.

PLEASANT LAKE

During the 1950-51 school year, Berton Van Zile attended Orland High School. During the summer of 1951, it was necessary that this boy change his residence to the Pleasant Lake district in order to have a place to live. The written statements were on file from both high school principals concerned, certifying that this change was necessary in order that Berton have a place to live.

Decision—Berton Van Zile considered eligible, so far as residence is concerned, in the Pleasant Lake High School, under the unavoidable change of residence rule.

LAKE AND PORTER COUNTIES

Principals of Lake and Porter Counties petitioned the Board to make special arrangements in the sectional tourney schedule as published in the Tourney Bulletin. The Board directed the Commissioner to inform these principals that their suggested changes would not be approved since the schedules had already been adopted and published.

I.H.S.A.A. INSURANCE

The Board voted to continue the liability and compensation policies now in force with the New Amsterdam Casualty Company.

TOURNEYS

1. The Board set the date of February 1 to check with Lynnville School Officials in regard to the progress being made toward the completion of their gymnasium for sectional tourney play.
2. The Board gave approval to a tentative list of officials to be used in sectional and regional tourneys.
3. It was unanimously decided that the Spaulding basketball be used in the 1952 State Final Tourney.
4. The drawings of the tourneys are to be made Wednesday afternoon, February 20. The Commissioner was instructed to invite representatives of the three Indianapolis newspapers and the three press associations to the drawings. The drawings are to be delivered to the press services just as far in advance of the

release time as possible. The release time is set for 8:00 A. M., Thursday morning, February 21.

5. The Board approved the plan used last year, in which the I.H.S.A.A. cooperated with the Indiana Broadcasters' Association in the allotment of space to the various stations in the state for broadcasting the Final Tourney.
6. The Board voted to grant television rights to WFBM-TV (Indianapolis) for all Saturday games of the tourney series held at Butler Fieldhouse. The terms were similar to those in effect for the 1951 tourneys, except that any loss of revenue will be based on unsold seats during the sessions televised, and not on the gross receipts of the tourneys for the previous year. WTTS-TV of Bloomington had requested permission to televise the Bloomington Semi-final. The Board instructed Principal Donald L. Simon to request WTTS-TV to deposit with Bloomington High School a guarantee of \$1,000.00 against any loss of revenue as a result of unsold seats at that tourney.
7. **BLOCK DRAWINGS FOR FINAL TOURNEY TICKETS**—The drawings for blocks of seats at the State Final Tourney for the four schools in the tourney and the twelve other semi-final schools were made, with the following results:

Final Tourney Schools:

School No. 1 drew Block No. 3	School No. 3 drew Block No. 2
School No. 2 drew Block No. 4	School No. 4 drew Block No. 1

Semi Final Tourney Schools:

School No. 1 drew Block No. 12	School No. 7 drew Block No. 9
School No. 2 drew Block No. 2	School No. 8 drew Block No. 6
School No. 3 drew Block No. 1	School No. 9 drew Block No. 8
School No. 4 drew Block No. 11	School No. 10 drew Block No. 7
School No. 5 drew Block No. 3	School No. 11 drew Block No. 5
School No. 6 drew Block No. 4	School No. 12 drew Block No. 10

The names of the schools will be arranged alphabetically by cities as soon as they are known, then numbered in this order—and the plan automatically operates.

The Board of Control adjourned to meet again on February 2, at 9:30 A. M.

JASPER

The members of the Board of Control and the Commissioner had received a legal summons to appear in the Circuit Court at Jasper, Indiana, on February 13, 1952. The Court had set this date for an appearance in connection with a suit for alleged damages from injuries sustained at the 1951 sectional basketball tourney in the Jasper gymnasium by Marjorie Lampert, a spectator. Both the School City of Jasper and the I.H.S.A.A. were named in the suit. The New Amsterdam Casualty Company, which carried the insurance on the tourney, had notified the Commissioner's office that their attorneys would appear in Court on February 13 on behalf of the I.H.S.A.A.

FILM SERVICE

Approval was given for the filming of the Final State Championship Basketball Tourney and Track Meet in accordance with the plan which was used in 1951.

WASHINGTON TWP. (VALPARAISO)

Following a review of the enrollment record of Carl Shutts, the Board ruled that he had consumed all of his eligibility for football and other fall sports, but may be considered eligible as to enrollment in basketball and spring sports through the 1952-53 school year.

TIPPECANOE—ARGOS

Following a basketball game between Argos and Tippecanoe on February 1, 1952, a disagreement arose as to whether a foul was called before or after the game had ended. The referees and timers considered the matter at length, after which the referees agreed that the foul was called after the buzzer sounded, and that the official score was: Argos 43, Tippecanoe 42. Officials of both schools reported the case to the Board of Control. It was the unanimous decision of the Board that no further action was needed and that the score as finally approved by the referees should stand approved.

TRACK AND FIELD CLINIC

Approval was given to plans for holding a state-wide clinic on track and field events, to be held at Butler University March 28, 1952. It is the understanding that the I.H.S.A.A. will be responsible for the expenses incurred in holding the clinic.

- b. Officials were assigned for sectional tourneys, with the understanding that changes may be made prior to the drawing of the schedules, if deemed advisable.

The Board of Control adjourned to meet again at 9:30 A. M. on February 20, 1952.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 20, 1952

Present: President Robert G. Jones, E. C. Boyd, Harry A. Jones, Oscar Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

WAYNE TWP. (RANDOLPH COUNTY)

Officials Dan Mitrione and Ather Reeg refereed a game of basketball between Wayne Township and Jackson Township, both in Randolph County, February 9, 1952. Mr. Mitrione charged, in a written statement to the Board of Control, that Coach Tracy Turner of Wayne Township loudly accused him of being a "rotten official" before the game started and that, at half time, Turner loudly proclaimed to the crowd that his team "could not beat five players and Mitrione." Referee Mitrione and Referee Reeg, Principal Leon E. Thompson, Trustee John Carpenter and Coach Turner, all of Wayne Township, appeared before the Board of Control in connection with this case.

Mr. Mitrione reiterated his charges against Coach Turner. Mr. Reeg testified that Coach Turner had made the criticisms as charged by Mr. Mitrione. Coach Turner admitted that he had criticized Mitrione before the game and again at half time. He also charged that Mr. Mitrione came into the Wayne dressing room at half time and rebuked him. Mr. Mitrione admitted this charge by Mr. Turner.

Decision—Coach Tracy Turner is hereby reprimanded for the verbal criticisms directed at Referee Mitrione. He is also reminded that the proper course would have been to put his criticisms in writing to be filed by his principal with the Board of Control.

Referee Dan Mitrione was in error when he entered the Wayne dressing room to reprimand Coach Turner. His proper course was to have confined his criticisms entirely to his written report filed with the Board of Control.

FISHERS

William E. Collins transferred from Lawrence Central High School to Fishers High School on January 21, 1952, stating that his parents were moving into the Fishers school district in a few days, and he wanted to start the new semester in that high school. An athletic

transfer blank received from Lawrence Central stated that there was no reason why the boy should not be considered eligible at Fishers. William participated, for three minutes, in a "B" basketball game on Friday, February 1. On February 7, Principal Clifford Pribble of Fishers received information that, due to a serious injury to the father, the Collins family had not yet completed their bona fide change of residence to the Fishers district. He requested that the Board clarify William's residence eligibility.

Decision—William Collins may be considered eligible at Fishers High School, so far as residence is concerned, if and when his parents make a bona fide change of residence to that district. If William returns to Lawrence Central, he will be ineligible, so far as residence is concerned, for one calendar year from the date of his re-enrollment there. If his parents do not move to the Fishers school district, he will be ineligible for one calendar year beginning with January 21, 1952. No penalty is assessed for his participation in the basketball game on February 1.

ROLLING PRAIRIE

Richard Talbot transferred from the high school at Cordova, Illinois, to Rolling Prairie High School. Principal Haskell B. Osborn of Rolling Prairie asked that the Board of Control consider Richard's case under the unavoidable change of residence rule. Statements are on file in the I.H.S.A.A. office that Richard's change of residence was necessary in order that he have a home.

Decision—Richard Talbot considered eligible, so far as residence is concerned, under the unavoidable change of residence rule.

I.H.S.A.A. FINANCES

The Board gave approval to the exchange of \$10,000.00 in U. S. Treasury bonds, due April 1, 1952, for the same amount in new bonds at 1% interest. The Board also authorized the Commissioner's office to invest, in government securities, not to exceed \$100,000.00 of the funds received from the tourneys, and to report to the Board of Control concerning this action at the next meeting following the State Final Tourney.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 12, 1952

Present: President Robert G. Jones, E. C. Boyd, Harry A. Jones, Oscar Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

HARTFORD CITY

Principal Myron Clark of Hartford City reported that, on March 11, Gerald LaMotte had participated in an independent basketball game.

Decision—Gerald LaMotte declared ineligible for all high school athletics until January 1, 1953.

BISHOP NOLL (HAMMOND)

The Morton School of Hammond offers work throughout the tenth grade, and holds modified membership in the I.H.S.A.A. Ted Guzek completed the work offered at Morton on February 1, 1952, the end

of the first semester. At his request, the Morton Guidance Department scheduled Ted to attend Hammond High School. Instead, he enrolled at Bishop Noll School. On the athletic transfer blank which Principal A. W. Clark of Morton sent Reverend A. J. Junk, Principal of Bishop Noll, he indicated that undue influence was used to get Ted to enroll at Bishop Noll. Reverend Junk requested that the Board of Control clarify Ted's athletic eligibility. Notarized affidavits filed by Ted Guzek and his father stated that no undue influence had been used on Ted or the Guzek family in connection with his enrollment at Bishop Noll. No supporting statements were filed by Morton Junior High School or any other high school.

Decision—Ted Guzek may be considered eligible as to enrollment in Bishop Noll High School with the understanding that the case may be re-opened in the event that any member school should file evidence that there was undue influence used in the case.

WASHINGTON (E. CHICAGO)

John Mores completed the work offered at Morton Junior High School at Hammond, and enrolled in Washington High School of East Chicago on February 4, 1952. John's parents had moved from Hammond to the Washington district in October, 1951. John had considered entering Bishop Noll High School, but later decided to enroll in Washington High School in the district where his parents reside. Due to the fact that coaches Baratto and Zitko of Washington had discussed with John Mores the possibility of his enrollment at Washington, the question was raised as to undue influence. Principal Frank Cash of Washington filed a detailed statement regarding this case. No protest was filed by Bishop Noll High School.

Decision—It is the opinion of the Board of Control that the conversation which Coaches Baratto and Zitko had with John Mores did not constitute undue influence to secure an athlete, since the boy's parents already resided in the district, and he was entitled to enroll at Washington with residence eligibility.

KANKAKEE TWP. (TEFFT)

Charles Smith, who formerly attended Kouts High School, enrolled in Kankakee Twp. High School at the beginning of the present semester. Principals H. F. Tobin of Kankakee Twp. and M. M. Hague of Kouts, both filed letters setting forth that it was necessary for Charles to change his residence to the Kankakee district in order to have a home.

Decision—Charles Smith considered eligible as to residence in Kankakee Twp. High School at Tefft, under the unavoidable change of residence rule.

LACONIA

Stephen Foster and Kenneth Lopp reside with their parents in Heth Township (Harrison County) which does not maintain a high school. Both boys attended Corydon High School during the first semester of the present school year. Beginning with the second semester, they withdrew from Corydon High School and entered

Laconia High School, where they are now in attendance. There was no corresponding change of residence on the part of their parents.

Decision—Stephen Foster and Kenneth Lopp are ineligible at Laconia High School as to residence for one calendar year, or until January 31, 1953.

CRISPUS ATTUCKS (INDPLS)

Eugene Boatright, who formerly attended Richmond High School, withdrew October 30, 1951, following which he enrolled in the Crispus Attucks High School in Indianapolis. Principal Russell A. Lane, of Crispus Attucks and Principal James Farmer of Richmond, both filed information certifying that it was necessary for Eugene to make this change in order to have a place to live.

Decision—Eugene Boatright considered eligible as to residence under the unavoidable change of residence rule.

CULVER MILITARY ACADEMY

Culver Military Academy had requested a ruling on the enrollment eligibility of D. E. Valdes and W. L. Cross. Their records disclosed that each of these boys is now in attendance for the fifth year of secondary school work and, therefore, have consumed all of their enrollment eligibility.

Decision—D. E. Valdes and W. L. Cross are ineligible for any further inter-school athletic participation.

STUDENT INJURY INSURANCE

Mr. Fisk Landers, Indianapolis representative of the Continental Casualty Company, appeared before the Board to discuss the possibility of extending the present athletic injury insurance plan to cover all students, regardless of athletic participation. It was the opinion of the members of the Board that, while such student coverage would be desirable, it was doubtful that this type of insurance should be undertaken by the I.H.S.A.A., since it goes beyond the program covered in interscholastic athletics. In the event that the Continental Casualty Company decides to make a direct approach to the schools concerning injury insurance, permission was given to Mr. Landers to state that the Continental Casualty Company's service had been very satisfactory to the I.H.S.A.A. in connection with athletic injury insurance.

I.H.S.A.A. TOURNEYS

A group of principals from Madison County appeared before the Board to discuss the matter of ticket distribution at the Anderson sectional basketball tourney. Several plans were presented, one of which would have reduced the number of tickets to which Anderson would be entitled under the present I.H.S.A.A. formula. The Board informed the group that it could not approve a special formula for one sectional which would not apply to all others, and that any change from the plan adopted by the Board could be made only with the unanimous consent of all schools participating in the Anderson sectional.

REPORT ON I.H.S.A.A. TOURNEY SERIES

The management, officiating and finances of all tourneys were checked, and no reason was found to investigate any of these tourneys. The records on file in the I.H.S.A.A. office for the State Final Tourney show the exact number of tickets printed, the names of the purchasers, the number of complimentary tickets given, the number of tickets on hand and the number sold. The cash book and the bank book show the deposits for the tickets sold. The report will be kept on file for the observation of any member school and the I.H.S.A.A. auditors. A summary of these reports will be printed in the April Bulletin, and a complete report will be carried in the 1952 Handbook.

Ratings on the officiating of the various tourneys were examined and filed for the use of the Board of Control at the time officials are selected for the 1953 tourneys.

The Commissioner reported that, in accordance with instructions given by the Board of Control on February 20, he had invested I.H.S.A.A. funds as follows: \$100,000 in U. S. Treasury 1% Certificates of Indebtedness dated October 15, 1951, and due October 1, 1952. The Commissioner's office was directed to invest additional funds, not needed for current expenses, in U. S. Securities, and to report at the next meeting the amount and type of securities purchased.

INDIANA G.A.A.

Upon request of the officers of the Indiana G.A.A., the Board voted that ratings given by the National Section of Women's Athletics of the A.A.H.P.E.R. be considered along with other required recommendations in giving I.H.S.A.A. approval for women basketball referees. It was also voted that any woman approved as a basketball official should receive from the I.H.S.A.A., without cost, a copy of the N.S.W.A. basketball guide.

SUMMER MEETING

The Board voted to hold the June meeting at South Shore Inn, Lake Wawasee, June 16, 17 and 18. The Commissioner was instructed to make reservations.

NATIONAL FEDERATION MEETING

The Board directed the Commissioner to make reservations for three representatives to attend the Annual Meeting of the National Federation, to be held at Estes Park from June 29 to July 2.

SOCIAL SECURITY

The Board directed the Commissioner to make application for the purpose of having the office employees of the I.H.S.A.A. placed under Social Security beginning as of July 1, 1952.

I.H.S.A.A. ANNUAL MEETING

The Board authorized the Commissioner to proceed with plans and to secure speakers for the I.H.S.A.A. Annual Meeting to be held October 22, 1952.

I.H.S.A.A. 1952 HANDBOOK

The Board authorized the Commissioner's office to proceed with the publication of the 1952 Handbook along the lines used in previous years.

I.H.S.A.A. TRACK AND FIELD MEETS

The Board selected officials to serve as referee-starters for the sixteen sectional and four regional track and field meets for 1952. The Board also voted to employ Walter Thurston to act as Official Referee- Starter for the State Track and Field Meet, to be held May 24 in Indianapolis. The Commissioner's office was authorized to make the assignment of officials for the sectionals and regionals.

It was decided that the members of the Board of Control would present the medals and trophies to the various winners at the State Track Meet.

COACHING SCHOOL

The Commissioner reported that plans for the 1952 Coaching School, to be held at Indiana University, were progressing satisfactorily. He reported that Head Coach Ivan Williamson, of the University of Wisconsin, and Everett F. Shelton, of the University of Wyoming, had been secured as instructors for the School.

The Board adjourned to meet again on May 10, at 9:30 A. M.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 10, 1952

Present: President Robert G. Jones, E. C. Boyd, Harry A. Jones, Oscar Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

WRESTLING

A group of high school wrestling coaches had recommended that the Board of Control conduct a survey among the schools sponsoring wrestling, as a basis for action by the Athletic Council on such matters as: length of season, number of meets, weight classifications, etc. The Board directed the Commissioner's office to prepare a questionnaire on the topics suggested by the coaches, to be submitted to the member schools prior to the beginning of the 1952-53 wrestling season.

STOCKWELL

Officials Gerald Alexander and Toy Jones had filed a complaint, charging unsportsmanlike conduct on the part of Coach Howard Key and the players on the Stockwell team during a game between Stockwell and West Lafayette at the Lafayette sectional tourney. Principal B. K. Rose of Stockwell filed a detailed answer to the charges made by the two officials. He indicated that, in his opinion, the game was not well handled by the officials. On the other hand, Principal

Rose admitted that Coach Key made two or three attempts to have the game halted long enough for the officials to explain their decisions to him and his players.

Decision—Coach Howard Key is hereby reprimanded for his attempt to halt the game for explanations from the officials. Principal Rose is directed to inform Coach Key to remain on the bench and to coach the team during the game, leaving the officiating to the referees in the future. Any further interference on the part of Coach Key with the officiating of a game will place in jeopardy his high school's membership in the I.H.S.A.A.

1952 OLYMPICS

Athletic Director Edward W. Krause, of the University of Notre Dame, Representative of the State of Indiana for the Olympic Games, had suggested that the I.H.S.A.A. make a contribution to help defray the expenses of athletes competing in the Olympic Games at Helsinki, Finland.

Decision—The Board directed the Commissioner to inform Mr. Krause that, due to the many requests for funds made to the I.H.S.A.A., it has been a long-standing policy of the organization not to contribute to any cause directly from the I.H.S.A.A. office. Surplus funds are distributed to all member schools, thereby permitting each school to determine the contribution it cares to make to any fund.

I.H.S.A.A. FINANCES

According to the instructions of the Board of Control at the April 12 meeting, I.H.S.A.A. funds have been invested and deposited in the Safety Deposit Vault at the Fletcher Trust Company as follows: U. S. Treasury 2% Bond No. 107295E in the amount of \$10,000; U. S. Treasury 1½% Certificate of Indebtedness No. 2190, in the amount of \$5,000.00.

SURPLUS FUNDS

After reviewing the amount of funds on hand, the Board decided that a substantial amount of surplus funds be used for a Special Distribution to schools on October 1, 1952, the exact amount to be determined following the adoption of the annual budget at the June meeting of the Board of Control.

OFFICE HELP

The Commissioner reported that, following the resignation of Mrs. Rachel Smith, Miss Patricia Hardesty had been employed as a secretary in the I.H.S.A.A. office, at a salary of \$57.50 per week. The Board approved this action.

STATE TRACK MEET

1. The Board approved a time schedule of events for the State Track Meet.
2. It was decided that the members of the Board of Control would make the individual awards to winners.

3. The Board approved a recommendation of the Commissioner's office that only silent films be made of the 1952 State Track Meet.
- The Board adjourned, to meet again on May 24, at 11:30 A. M. in the Technical High School Cafeteria.

Indianapolis, Indiana, May 24, 1952

Present: President Robert G. Jones, E. C. Boyd, Harry A. Jones, Oscar A. Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

GLENN

Prior to the date for filing entries to the 1952 Sectional Basketball Tourneys, Principal George Bibich reported that, due to contradictory records, he was uncertain as to whether Oscar B. Session was born October 2, 1932 or October 2, 1933. Since the student was eligible as to age for the 1952 tourneys under either date, the entry was accepted. Mr. Bibich, however, was requested to explore all available records thoroughly for establishing a definite date of birth for Oscar B. Session prior to the close of the 1951-52 school year.

Mr. Bibich filed copies of school records which indicated that Oscar B. Session was born in Union County, Kentucky, October 2, 1932; enrolled at Dunbar School, Morganfield, Kentucky, September 3, 1939; transferred to Lincoln School, Terre Haute, December 15, 1941 (giving date of birth August 2, 1932); transferred to Glenn Elementary School September 4, 1945 (giving date of birth October 2, 1932); enrolled in Glenn High School September, 1949 (giving date of birth as October 2, 1933). Mr. Bibich stated that other local agencies outside the school gave Oscar's birth date as October 2, 1933. As a result of his investigations, Mr. Bibich informed the I.H.S.A.A. that it was his opinion that Oscar B. Session was born in Morganfield, Kentucky, October 2, 1932. Later, Mr. Bibich filed a copy of a court record which showed that in response to a petition filed by Oscar B. Session, Superior Court of Vigo County, No. 2, had on May 8, 1952, established his date of birth as October 2, 1933.

BURGLARY INSURANCE

The Commissioner reported that, due to additional securities having been deposited in the safety vault of the Fletcher Trust Company, the amount of burglary insurance had been increased \$40,000.00.

CLERICAL HELP

Approval was given for the Commissioner to employ extra clerical help as needed during the summer when the regular employees are on vacation and also to assist with the re-registration of I.H.S.A.A. officials.

ANNUAL AUDIT

Approval was given for the employment of Ernst and Ernst Accountants to make a complete audit of I.H.S.A.A. finances and records soon after the close of the fiscal year June 30, 1952.

I.H.S.A.A. BOARD OF CONTROL MEETING

Lake Wawasee, Syracuse, Indiana, June 17, 1952

Present: President Robert G. Jones, E. C. Boyd, Harry A. Jones, Oscar Valentine, S. M. Woodruff, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

CULVER MILITARY ACADEMY

Due to an enrollment in the American Community School at Beirut, Lebanon, the Board had previously ruled that Cadet William L. Cross would be ineligible during his seventh and eighth semesters at Culver Military Academy. Additional information was presented by the boy's father and Executive Officer Allen R. Elliott.

Decision—As a result of the additional information, the Board ruled that Cadet Cross should be considered eligible as to enrollment during semesters seven and eight at Culver Military Academy.

FAIR OAKS

Donald Mays resided with his parents and attended Hammond High School. Due to the serious illness of his mother, the home in Hammond was discontinued and Donald went to Crown Point to reside with relatives and enrolled in Crown Point High School on March 26, 1952. In April, the family with whom he lived moved to Fair Oaks, where Donald enrolled in high school April 15, 1952. Principal J. G. Minniear of Fair Oaks High School requested that Donald's case be considered under the unavoidable change of residence rule. Letters regarding this case were filed by the principals of Hammond, Crown Point and Fair Oaks High Schools.

Decision—Donald Mays considered eligible as to residence in Fair Oaks High School.

STATE TRACK AND GOLF MEETS

The Commissioner presented detailed accounts of the receipts and expenditures of the State Track and Golf Meets. These reports were accepted and approved by the Board, which directed that the reports be published in detail in the 1952 Handbook.

ATHLETIC INJURY INSURANCE

The Continental Casualty Company submitted a master policy for athletic injury insurance for the 1952-53 school year. The contract was unanimously approved, and President Robert G. Jones and Commissioner L. V. Phillips were authorized to sign, for the Board of

Control, duplicate copies of the Master Contract with the Continental Casualty Company.

SPECIAL DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of money on hand, estimated expenditures during the coming year, and the need for adequate reserve in the I.H.S.A.A. treasury, the Board set \$120.00 as the maximum amount of surplus funds to be paid any member school in the special distribution to be made October 1, 1952.

Since there was a regular distribution of funds in 1950, and a special distribution in 1951, all the money to be distributed was earned during the current year. It was decided to make this distribution according to the following plan:

1. Ninety dollars (\$90.00) for participation in the 1952 Sectional basketball Tourney.
2. Thirty dollars (\$30.00) for membership in the I.H.S.A.A. during the membership year 1951-52.
3. Any school sharing in the special distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the I.H.S.A.A. on January 1, 1952.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The one check for one share of money shall be sent to the principal of the new or resulting high school.
6. Modified members shall share in the distribution on membership basis only.

I.H.S.A.A. FINANCES

Since it was estimated that the receipts and expenditures during the fiscal year beginning July 1, 1952, would be approximately the same as for the current year, the Board directed the Commissioner's office to use the annual audit made by Ernst and Ernst as of June 30, 1952, as the budget for the coming year, with the understanding that, if found necessary, adjustments could be made by the Board at a later meeting.

The Board authorized the Commissioner to pay salary and other expenses a few days in advance of June 30, in order that these checks may be cleared through the bank before the beginning of the new fiscal year.

The Board fixed the date of August 18, at 9:30 a.m. for the next meeting.

I.H.S.A.A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, October 24, 1951

Present: President H. C. Benedict, George T. Adamson, Otto Albright, Wallace Aylesworth, E. C. Boyd, Louis Briner, Loren Chastain, Leo J. Costello, Charles E. Day, C. H. Elliott, Larry Hobbs,

Ramon O. Hunt, Harry A. Jones, Robert G. Jones, Herman F. Keller, Elmer H. Loehr, R. B. Miller, Connor K. Salm, King Telle, Oscar Valentine, W. W. Welch and S. M. Woodruff; Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

Absent: William M. Logan.

The minutes of the last meeting were approved without reading, since members of the Council had received mimeographed copies of these minutes.

VOTING

It was decided to vote by voice or show of hands, and that thirteen affirmative votes be required to pass a motion, except for an amendment to the Constitution, which requires a two-thirds vote of the Council membership.

BOARD AND COUNCIL VACANCIES

Phil N. Eskew, having resigned the principalship of Wabash High School in District II to accept the superintendency of Sullivan Schools in District V, resigned his position on the Athletic Council. His resignation, which was dated September 20, automatically made him ineligible to serve on the Board of Control. On October 13, the Board had appointed Superintendent E. C. Boyd of Clinton to serve temporarily until the next Council Meeting. Mr. Boyd was unanimously elected to membership on the Board of Control.

No appointment was made to fill the vacancy in District II, Class 4 schools created by Mr. Eskew's resignation, with the understanding that the person elected in the December election, whose term of office would normally begin July 1, 1952, should take office immediately upon election.

It was decided that the vacancy existing in District IV, Class 2 should be filled in the regular manner through ballot in the December election, the elected person taking office immediately, with the term of office expiring in June, 1956.

PROPOSALS

The Council took the following actions on the proposals which had been filed for its decisions:

1. In the I.H.S.A.A. championship track and field meets, the 120 yard high hurdle will be the first event on the program.
2. A proposal to add a two-mile relay to the championship track and field meets (with the understanding that it would be conducted for the first year on an experimental basis only with participants receiving medals but no points) was tabled. As a result of the discussion concerning this proposed relay, the Council directed the Board of Control to make a survey of the member schools to determine: (1) if a majority of the schools desire an additional relay; (2) if so, the type of relay that should be added; and (3) do the majority of the schools approve giving double points in relays, i.e. 10 points for first place in relays as compared with five points for first places in all other events. The results of this survey are to be made available for the Athletic Council at its May, 1952 meeting.

3. Action was deferred on a proposal that a student shall become ineligible for athletic competition upon reaching 19 years of age, with the understanding that such a rule would not be retroactive for students now enrolled in high school. Members of the Council desired more time to study this proposed amendment, and also to determine the attitude of member schools in their respective districts.
4. A proposal to permit seventh, eighth and ninth grade junior high school students to participate against teams composed entirely of ninth grade students was tabled.

SWIMMING

Representatives of a number of amateur independent organizations requested that the following exception to eligibility rules be made in swimming: That a boy, who swims in independent meets and whose school does not sponsor swimming, be permitted to participate in the I.H.S.A.A. State Swimming Meet. It was a unanimous decision that such an exception could not be made for one particular sport.

AGREEMENT WITH PROFESSIONAL BASEBALL

The Commissioner reported that negotiations were still being carried on with Professional Baseball with the hope that a new agreement could be reached which would prohibit representatives of Professional Baseball signing contracts with high school students so long as they were still eligible for high school participation. It was decided that, in the event a new agreement was not formulated, it would be necessary for the Athletic Council to take steps to protect Indiana high school athletes, insofar as possible, from the recruiting activities of Professional Baseball.

AMATEURISM

It was decided that I.H.S.A.A. rules on amateurism need not be applied to stock car and speed boat races, since those sports (and other similar ones) are not in any way sponsored by the high schools.

ATHLETIC RECRUITMENT

The Council commended the Board of Control for its efforts to protect high school athletes against objectionable practices in recruiting on the part of both Professional Baseball and the colleges. The Board was directed to make a study of present college recruitment practices and to report its findings to the Athletic Council.

RETENTION OF ATHLETES

Due to apparent abuse in some cases of the rule which permits the retention of a student in high school after parents have moved to another district, the Commissioner was directed to write a clarification of this rule for publication in the December bulletin.

I.H.S.A.A. ELECTIONS

The Council discussed the practice of permitting candidates in the Athletic Council elections, as well as high school principals, to in-

spect the ballots following the canvassing of election results. Several suggestions were made, but no action was taken.

The Athletic Council adjourned to meet again at 6 P.M. on May 24, 1952.

I.H.S.A.A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, May 24, 1952

Present: President H. C. Benedict, Wallace Aylesworth, William W. Welch, Oscar W. Valentine, King Telle, R. B. Miller, Charles E. Day, C. H. Elliott, Roland L. Dubois, Louis A. Briner, William M. Logan, Otto Albright, Larry Hobbs, E. C. Boyd, S. M. Woodruff, Robert G. Jones, Ary Skillman, Connor K. Salm, Loren Chastain, George T. Adamson, Harry A. Jones, Leo J. Costello, Elmer H. Loehr, Herman F. Keller, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the last meeting were approved without reading, since members of the Council had received mimeograph copies of these minutes.

VOTING

It was decided to vote by voice or show of hands, and that thirteen affirmative votes be required to pass a motion, except for an amendment to the Constitution, which requires a two-thirds vote of the Council membership.

BOARD OF CONTROL AND ATHLETIC COUNCIL

The following named Council members were elected to serve as the Board of Control for the year July 1, 1952 to June 30, 1953: George Adamson, Class 1; William W. Welch, Class 2; C. H. Elliott, Class 3; and Loren Chastain, Class 5. Class 4 schools are represented on the Board by E. C. Boyd, whose term does not expire until June 30, 1953.

The newly elected Board of Control held a brief meeting and elected E. C. Boyd as president; and set the first meeting as August 18.

The Council elected R. B. Miller as its president for the year 1952-53.

COUNCIL VACANCY

A vacancy had been created in District II, Class 2, by the death of Ramon O. Hunt. The Council voted that the matter of selecting a successor to Mr. Hunt be postponed until the time of the general election of Athletic Council members in December.

TRACK SURVEY

At the October 1951 meeting, the Council had authorized the Board of Control to make a survey to determine the attitude of the member schools toward (1) The addition of a third relay to I.H.S.A.A. Championship meets; (2) the desirability of continuing the practice of giving double points to relay events. (Official Track and Field Rules

provide that the same number of points be given to relays as to other events. Counting double points in Indiana is by special ruling of the I.H.S.A.A. and does not apply to any other state.)

The response from the schools voting indicated that a third relay would be popular and that counting double points for relays is satisfactory. During the discussion, it was agreed that an additional relay would be an attractive event and would afford an opportunity for more boys to participate. On the other hand, it was pointed out that with two relay events in which double points are given, the schools with large enrollments now have a considerable advantage over the smaller schools. The addition of a third relay under the double point system would only increase the advantage of the large school and further unbalance the ratio of points assigned to relays as compared to points for other events. Doubt was expressed by some members of the Council that the implications in adding another relay had been properly considered by the member schools before the questionnaire was answered. It was voted that no action be taken regarding the matter at this time.

AGE LIMIT

Action was deferred at the October, 1951 meeting on a proposal to reduce the eligibility age limit to the 19th birthday. In the meantime, a number of Council members had conducted surveys in their respective areas, which indicated that the present age limit (the 20th birthday) is satisfactory to a majority of the schools throughout the state. It was, therefore, unanimously voted that the proposal to change the age limit to the 19th birthday be indefinitely postponed.

BASEBALL RULE

The Commissioner reported that the agreement between the National Federation of High School Athletic Associations and Professional Baseball, whereby high school students cannot be signed to a professional contract prior to the day of graduation from high school, would expire December 31, 1952. There is serious opposition to this rule in the ranks of Professional Baseball, but the Commissioner was hopeful that a satisfactory solution may be reached before the end of the year.

BASKETBALL TOURNEYS

It was the unanimous opinion of Council Members that the present plan of conducting I.H.S.A.A. basketball tourneys is working satisfactorily and that no changes should be made at the present time.

LIMITATIONS ON SEASONS

The I.H.S.A.A. has limitations on the length of seasons for only football and basketball. There was a discussion regarding the desirability of season limitations for other sports sponsored by the Association, but no action was taken.

WRESTLING

The Commissioner reported that the wrestling coaches had asked

the Board of Control to conduct a survey among schools sponsoring wrestling, in an effort to reach an agreement on several problems in connection with the high school wrestling program. The results of this survey are to be reported at a later meeting of the Athletic Council, as a basis for any action that may be taken.

The Athletic Council adjourned to meet again on October 22, at 6 P.M. in Indianapolis.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

The Indiana High School Athletic Association
Indianapolis, Indiana

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1952. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit at June 30, 1952, to the amount reported directly to us by the Fletcher Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements and the cash disbursements were supported by examination of invoices, expense reports and other data.

The recorded cash receipts and disbursements relating to the State final basketball tourney are as reported by the Commissioner to the Board of Control. We made no other independent examination of ticket sales and supporting expense data with respect thereto. We compared the recorded cash receipts from the sectional, regional, and semi-final tourneys with signed reports filed by high school officials at the tourney centers.

A schedule of securities on hand at June 30, 1952, is included in this report. These securities were presented for our inspection and we accounted for the interest income from this source.

Insurance coverage at June 30, 1952, is summarized as follows:

Larceny and embezzlement bond:

L. V. Phillips	\$ 40,000.00
R. S. Hinshaw	40,000.00
Other employees	2,500.00
Burglary and robbery—safety deposit box	240,000.00
Public liability—owners, landlords, and tenants.....	100/250,000.00
Depositor's forgery bond	10,000.00
Fire and extended coverage—contents	5,000.00
Workmen's compensation	All employees

The recorded minutes of meetings of the Board of Control and of the Athletic Council were reviewed by us. On June 17, 1952, the Board of Control voted to make a special distribution on October 1, 1952, of surplus funds to member schools in amounts not to exceed \$120.00 to each school.

In our opinion, the accompanying statement of cash receipts and disbursements presents fairly a summary of the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1952.

Certified Public Accountants.

FOOTBALL

The football season of 1951 saw new champions declared in six of the eight major high school football conferences over the state. Two conference champions of 1950 repeated as co-winners in 1951 and one school retained top honors of the previous season.

There was a slight gain in the total number of member schools participating in inter-school football the past season. Due to the consolidation of several ninth grades into the senior high schools of one city, the modified group showed a decrease in the number of teams.

A football jamboree is planned in one city for the fall of 1952 by member schools. The purpose of such an event is to stimulate interest, and also channel all receipts into the schools' athletic insurance program or protection plan for athletes.

The I.H.S.A.A. does not sponsor a series of games to determine a champion, but each year does make an effort to recognize teams with outstanding records by carrying their squad pictures in the Handbook. These pictures that have been submitted may be found following the list of high schools participating in the sport.

CROSS COUNTRY

With a score of 35 points, Anderson again led the field and won the 1951 I.H.S.A.A. State Cross Country Championship on the Coffin Golf Course on a cold and icy November day.

Three of the first four runners to finish were from the championship squad. This was the sixth consecutive state crown for the Indians in cross country.

University (Bloomington) and North Side (Ft. Wayne) tied for second and third with a point score of 166. Shortridge (Indianapolis) came in fourth by posting a score of 175. Technical (Indianapolis) trailed in fifth position with a score of 185.

Gene Fox of Anderson, ran the two mile course in 10:06.2, despite the icy wind and cold. This was far off the record time of 1950 when Lambert of Central (Muncie) set a new record under ideal conditions when he ran the course in 9:45.9. Marion Mills of Tell City finished tenth to lead the individual qualifiers in the meet.

Twenty teams and nine individuals qualified for the state meet from the seven sectionals. A record number of 110 teams and 999 boys were entered in the preliminary meet.

Rules and regulations along with team and individual placements in the Sectionals and State Meet were as follows:

I.H.S.A.A. SECTIONAL CROSS COUNTRY MEETS

(These rules are reprinted from the September 1951 bulletin.)

The sectional cross country meets will be held this year on Tuesday, October 23, 1951 after 3 p.m. These meets are conducted as an elimination series in order to select teams and individuals for the State Cross Country Meet.

Seven sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1950, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan and add more centers if a greater number of schools enter than is anticipated. Representation to the State Meet will be determined by the number of teams competing in each sectional meet.

Schools have been assigned by counties, and the accompanying plan gives the Center Principals in charge and the counties assigned to each center.

Official entry blanks are necessary and accompany this bulletin.

WRESTLING

Technical of Indianapolis matmen won the state championship for the first time in the history of the school. The six-man Greenclad team scored a total of 32 points. Central (South Bend) was second with 23 and Shortridge (Indianapolis) won third place honors with a score of 19.

The state meet was held at Lafayette with representatives from thirteen schools in the final meet. The squad from Technical won four individual championships. The state crown gave Tech a clean sweep of 10 straight dual meets, the county, NCC and state titles. Howard Fisher of Central (South Bend) was voted the outstanding wrestler of the meet by the coaches. He won the 133-pound class for the third straight year.

The official rules as outlined in the Inter-Collegiate Guide for High School Wrestling were used with some modifications agreed upon previous to the meet. Four sectionals were held at Bloomington, East Chicago, Lafayette and Muncie with a total of 23 schools participating.

SWIMMING

New state records were established in five events as Hammond successfully defended its Indiana High School swimming championship by scoring 61 points in the Purdue University pool.

Central (South Bend) pressed them all the way and sprung an upset by winning the 200 yard free style relay which gave them a total of 57 points. Horace Mann (Gary) took third place with 39 points.

Eight schools participated in the meet which was revived by the I.H.S.A.A. in 1951.

Individual placement in each event and final team standings were as follows:

BASKETBALL

Using a fast driving attack, Central (Muncie) repeated as the I.H.S.A.A. State Basketball Champion. The Bearcats came to the Fieldhouse with a 23 won and 5 lost record.

Meeting Technical of Indianapolis in the final game, they led at half-time 35-22. During the third quarter the Greenclads pulled up within a few points, but the Central Cagers began to drive and hit the hoop from all angles finally winning by a 68-49 score.

In the second afternoon game the Purple and White faced the New Albany Bulldogs who had lost only one game during the season. During the first half the score was close with a 30-30 tie at the half. During the third quarter the Bearcats pulled away and led 62-51 at the three-quarters mark. A fine rally by the New Albany team pulled them up and ahead in the last few seconds. With the score tied and seconds to go the Bearcats dropped in a foul toss for a 68-67 victory.

The first afternoon game saw Technical (Indianapolis) winning from Jefferson (Lafayette) by a score of 56-49 to meet the Bearcats in the championship tilt. They were even up 12-12 at the quarter and 32-29 Jefferson at the half-time mark. The Bronchos increased their lead to 45-41 during the third period, but the Greenclads finished with a burst of speed for the right to play in the final game of the championship series.

A total of 760 schools entered the 1952 basketball championship series. The series set new gross receipts and attendance records over previous years. Gross receipts reached a new high in the tournament series by grossing \$704,372.19 for the 85 tourneys. Paid attendance increased to a new mark of 1,312,047.

The championship games were televised over two Indiana stations and one in Kentucky. Forty-one radio stations carried a play-by-play description of the games in addition to television.

The Board of Control selected Joe Sexson of Technical (Indianapolis) to receive the Arthur L. Trester Award for Mental Attitude.

Members of the Muncie State Championship squad are: Charles Hodson, Calvin Grim, Jerry Lounsbury, Tom Raisor, Carl Miller, Danny Thornburg, James Sullivan, Jack Hawley, Marvin Dick and James Burt; Coach Jay McCreary and Principal Loren Chastain.

Rules and regulations pertaining to the tournament series, tourney games and scores were as follows:

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE FORTY-FIRST ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full; with the distinct understanding that the Board of Control reserves the

right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

(These rules are reprinted from the January, 1952 Bulletin.)

IMPORTANT INFORMATION CONCERNING ALL SECTIONAL, REGIONAL AND SEMI-FINAL TOURNEYS

1. TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used.

2. PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

3. RADIO SERVICE—Stations in Indiana may broadcast I.H.S.A.A. tourneys provided the requirements in the "I.H.S.A.A. Rules and Regulations Governing Broadcasting" are observed. The managers of the stations and the Center Principals will have copies of these rules and regulations.

4. PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. SOUVENIR PROGRAMS—Souvenir programs other than those provided by the I.H.S.A.A., shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. All principals should notify their business men now.

6. SUGGESTIONS—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

7. MANAGEMENT—The exclusive control of all these tourneys rests solely with the Board of Control according to the I.H.S.A.A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every attempt will be made to choose none but fair, disinterested and competent men. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis News, Star and Times; Associated Press, International News Service and United Press, and no changes will be made in them.

8. All Saturday games in all tourneys will be 1:00, 2:15 and 8:15 p.m.

9. DECISIONS—The assignment of officials and the decisions

of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.

10. PRIVILEGES—All competing players, one coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

11. WARM UP PERIOD—There shall be a minimum of ten minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game.

12. NUMBERING OF SHIRTS—In order for a school to be eligible to enter the sectional tourneys, all players' shirts must be properly numbered according to the Board of Control ruling on Rule 3, Section 4 of the Official Basketball Rules.

SECTIONAL TOURNEYS

February 27, 28, 29 and March 1

See "Important Information"

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location,—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The plan arranged is to have no less than 8 teams and no more than 16 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

* All semi-final and final games of two-site tourneys will be played at the site indicated by an asterisk (*).

MANAGEMENT—Two officials will be assigned to tourneys having 8, 9, or 10 teams, three officials to tourneys having 11, 12, 13, and 14 teams, four officials to 15 and 16 team tourneys and to each two-site tourney. Two officials will work each game, alternating as referee

and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering a sectional basketball tourney in the I.H.S.A.A. in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an Entry Blank. Schools holding modified membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following plan:

1. Entertainment for all teams in all tourneys will end not later than 10:00 p.m. Saturday, March 1.
2. In "One-site" tourneys, teams playing Wednesday or Thursday evening, February 27 or 28, are entitled to one extra round trip transportation and one extra meal. Entertainment for all teams begins on Friday as follows:
 - a. In 8 and 9 team tourneys: 5:00 p.m.
 - b. In 10 and 11 team tourneys: 12:00 noon.
 - c. In 12, 13, 14, 15 and 16 team tourneys: 8:00 a.m.
3. All "one site" tourneys will begin at 6:30 or 7:00 p.m. Thursday evening, February 28, except 14, 15 and 16 team tourneys, which will begin at 6:30 or 7:00 p. m. Wednesday, February 27. These tourneys will be seven session tourneys. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 or 9 team tourneys; and there will be no games Friday morning in 10 and 11 team tourneys. Printed schedules will be sent to each competing school by the Center Principal in time to arrange for making the trip.
4. Due to the variations of time schedules of "two-site" and divided "one site" tourneys, the time and entertainment schedules will be set up by the I.H.S.A.A. and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.
5. The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Monday, February 25, (2) transportation only, one round trip, may be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowances shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of that school and not an

expense of the tourney. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, to help defray expenses of the tourneys. The Center School have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
2. The Center High School shall receive one hundred and fifty dollars (\$150).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The I.H.S.A.A. shall receive one percent (1%) of the fifth balance.
7. a. One-half of the sixth balance shall be divided pro rata among the participating schools, the Center School sharing.
b. One-half of the sixth balance shall be divided among the participating schools on an enrollment basis.
8. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
9. The Center School shall furnish a complete financial report to the I.H.S.A.A. and to each participating school by Thursday, March 6.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certificates must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the I.H.S.A.A. Entries positively will close Wednesday, February 13. All entries must be in the I.H.S.A.A. office before 4:00 p.m. Wednesday, February 13. Do not mail entry blanks before February 4. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, February 13. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of

your entry. The Board of Control has ruled that late entry blanks will not be accepted.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

Session ticket (All tourneys):.....\$0.60

I. ONE-SITE TOURNEYS:

Any remaining seats may be sold as session tickets. No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in their area upon request prior to Friday, February 22.
2. Ten percent of the remaining tickets shall be divided pro rata among the competing schools. (Every school regardless of enrollment, has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This pro rata allotment is intended primarily for this use.)
3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 17, 1951, or the third day of school, if the opening day is later than September 17.

Season tickets must be ready for distribution by Monday, February 25. No tickets shall be distributed until the Center Principal has received his copy of the draw. All ticket information should be secured

prior to this date. The I.H.S.A.A. will furnish Center Principals with enrollments of all high schools participating in their tourney. Season tickets unsold shall be returned by 12:00 noon on the day the tourney begins, except that in "two-site" tourneys, they shall be returned by 4:00 P.M. the day before the tourney if the tourney begins with a day time session; and by 12:00 noon on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 P.M., Wednesday, February 13, and cannot be changed or accepted afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to I.H.S.A.A., 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before February 4. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the I.H.S.A.A.

These teams may or may not be made up of the same men that participated in the other tourneys. The semi-final entry blank will suffice for the Final Tourney and will be used as made, unless you instruct the I.H.S.A.A. office otherwise on Monday, March 17. If you desire to make any substitutions in your entry blank, wire or telephone the I.H.S.A.A. office, giving complete data on Monday, March 17.

ENTERTAINMENT—Twelve men will be entertained on each team (which number must include the faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$150.00 for lodging, \$180.00 for meals, \$400.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fees will be as indicated and the tickets will be printed with the following information on them:

1. Session ticket: \$2.00
2. Season ticket: \$3.00

PRIZES—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual prize. A trophy will be given to the runner-up team and individual prizes to its team members.

The Arthur L. Trester Medal for Mental Attitude will be awarded to the boy, who in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The I.H.S.A.A. endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

Management—The Board of Control has designated the Commissioner as Manager with Robert S. Hinshaw, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Franklin 1519. Fred R. Gorman, Vice-Principal of Technical High School, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and radio reservations will be made directly to the I.H.S.A.A. office. Requests should be filed not earlier than February 20 and not later than Thursday, March 13. An identification plan will be used for press representatives, who must be properly certified by their managers at the time requests are made.

Tickets—All tickets will be handled by the I.H.S.A.A. office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 22, 1952. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity this year is estimated by Butler University at approximately 14,940.

2. Each high school principal, having a team entered in an I.H.S.A.A. Sectional Basketball Tourney for 1952, and each high school principal holding a modified membership in the I.H.S.A.A., may order tickets to five (5) percent of his high school enrollment as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than four tickets. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. **If there are questions, ask them now.** All enrollments will be checked with the report herein mentioned. **Be sure you are right.**

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. **A ticket order blank is**

enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the I.H.S.A.A., must accompany each order. Tickets purchased cannot be returned. Please do not send money. The limitations below must be observed as given:

(a) Orders for tickets having official Post Office stamp marks on the envelopes from and including Thursday, February 21, to and including Friday, February 29, will be accepted if received not later than Saturday, March 1. Ticket orders mailed prior to February 21 will be returned for proper mailing. The I.H.S.A.A. reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. There may be only a few or no tickets so remaining. None are guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from February 21 to February 29, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the I.H.S.A.A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon the date of receipt of order, number of orders received in the same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I.H.S.A.A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 950 seats to the block, will be reserved until Monday, March 17 for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor and with 50 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The high school principals, whose teams are represented, should contact the I.H.S.A.A. office by Monday, March 17, and make definite arrangements about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

TOURNEY RULES

Beginning with the 1950-51 basketball season, the Board of Control directed that the rule regarding numbers on basketball shirts be fully enforced. The I.H.S.A.A. will continue to enforce this rule.

The Board has instructed that a warm-up period (of not less than ten minutes) be allowed participating teams before each tourney game. During a session, this period shall begin with the ending of the preceding game.

I.H.S.A.A. basketball tourneys have been ruled exempt from admissions tax by the United States Treasury Department. Complete information on this matter was carried in the December bulletin. The schedule of prices printed in this bulletin, therefore, do not carry tax.

TRACK AND FIELD

Roosevelt of Gary repeated its performance of 1951 by winning the 1952 I.H.S.A.A. State Track and Field Meet by a team score of 30½ points. Top performances in the broad jump and mile relay netted Roosevelt a total of 19 points.

Columbus with a first in the half-mile relay, 440 and a third in the 100 yard dash took second place honors. North Side of Ft. Wayne collected 15 points for third position. Bosse of Evansville with 14 1/9 and Kokomo earned 14 for the trailing spots.

Three state records were broken during the day. Ken Toye of Kokomo lowered the 120 yard high hurdle mark to 14.6. Earl Smith from Roosevelt (Gary) broke the oldest I.H.S.A.A. record in the book with a broad jump of 23 feet 2½ inches. The mile relay team of the champions posted a new mark of 3:26.1. The 180 yard hurdle race replaced the 200 yard event for the first time, Warren Anderson (South Side), Ft. Wayne, winning in 19.6.

Seventy-four schools qualified 218 athletes for the meet. Forty-one of these schools scored in the meet.

The 16 sectional sites entertained a total of 287 schools and 3522 athletes. This is the greatest number of schools and athletes to enter the championship series in the past several years.

Details concerning the assignment of schools, rules, regulations and results of all meets were as follows:

SECTIONAL TRACK AND FIELD MEETS

THIRTY-SIXTH ANNUAL

Friday or Saturday, May 9 or 10

(These rules are reprinted from the April 1952 Bulletin.)

The following bases were used in selecting centers:

(1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.; (4) Rotation.

Schools have been assigned by counties, and the accompanying plan gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the plan if necessary. **Entry blanks are necessary.**

ATHLETIC FIELD AND TRACK
 Fremont High School
 Completed in 1952

GOLF

Golf sectionals were held in four different sections of the state this year, as has been the plan the past few years. Sites were located at Bedford, Indianapolis, LaPorte and Ft. Wayne. A total of sixty-two schools were entered in these meets. Seventeen schools qualified for the state meet and three low medalists reached the final event.

Coffin Golf Course in Indianapolis was the scene of the state meet. The course was in good condition considering the great amount of rain the previous twenty-four hours.

Anderson High School led by Joseph Campbell, low medalist, toured the course in 308 strokes for first place among the foursomes. Central (South Bend), winner in 1951, was second with a score of 317. Shortridge, of Indianapolis quartet, posted a team total of 322 for the third position.

Joseph Campbell, of Anderson, shot a two under par 70 for low medalist honors. Herman Uebele of LaPorte came in second with a par 72 and Ed McCallum, of Crawfordsville, posted a 73 for third place.

Details concerning the assignment of schools, rules, regulations and results of all meets were as follows:

(2) **Management**—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

(3) Instructions and a starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

(4) **Eligibility**—The rules and regulations of the I.H.S.A.A. shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. Entry blanks are due in the I.H.S.A.A. office on or before 4:00 p.m., Friday May 9, 1952, and cannot be accepted afterwards.

Note—Each year some schools file entry blanks, then fail to participate in the tournament. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the I.H.S.A.A. office and the Sectional Principal immediately.

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is de-

cided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of boys from different schools. The players will count and keep score for each other.

Teams—Each school may enter six (6) boys and the team must consist of four (4) of these six boys. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR STATE MEET

Teams—Representation at the State Meet will be determined by the number of teams competing in that Sectional, as follows: Four or less, one team; five to eight, two teams; nine to twelve, three teams; thirteen or more, four teams.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals—The three low medalist players in each sectional meet are eligible to compete as individuals in state meet competition, provided their school posted a team score in the sectional.

Ties—All individuals or teams tying for the last qualifying position shall be eligible for State meet competition. Prizes shall be awarded by lot.

STATE GOLF TOURNAMENT

Sixteenth Annual
