MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

President Herman F. Keller

In the broad, sweeping expanse of history, 50 years is but a small segment of the rolling years. Yet, on an individual and personal basis, 50 years is half a century that often demands exhaustion and senility as the price of a career well conceived and vigorously spent.

So, it is a mark of unusual and proud distinction that on its 50th anniversary this year, the Indiana High School Athletic Association not only abhors complacency and infirmity but is still energetic, as vibrant and perhaps as adventurous as when it was spawned at a teachers' meeting at Richmond back in 1903.

Founded on the premise that high school athletics, well used, are among Indiana's richest heritages and that the physical and emotional facets of youth must be coordinated with the academic for fullest returns, the IHSAA of 1953 is a sturdy testimonial to the prudence and foresight of those who brought it into action 50 years ago.

Nothing selfishly conceived or poorly nurtured could ever have grown into such robust manhood as has the IHSAA through half a hundred years. Under the astute and vigorous leadership of such men as Arthur L. Trester, L. V. Phillips, Robert S. Hinshaw and the hundreds of other school men who have worked so selflessly for its success, it has grown strong because its aims and its leaders have been resolute and sincere.

It is through ceaseless, well-directed effort that the IHSAA has evolved from a misty 1903 idea into an effective and coordinated instrument for the administration of high school athletics, so well integrated and synchronized that it has been a pattern for similar groups all over the land.

The IHSAA today, comprising 773 high schools, 50 years old and still bulging with life and energy, is certainly substantial proof that tremendous achievements are attainable when the welfare and development of youth is the burning challenge to all-out voluntary effort and cooperation.

It is glowing maturity without loss of ambition, zest or the rich precepts that inspired its organization in the first place, a remarkable and commendable evolution that is in itself an inspiration.

Out of this fruitful past, the voice of success whispers a throbbing challenge that should assure perpetuation for this living, breathing dedication to youth and all its glowing promise.

Here, too, perhaps the first 50 years is only a small part of the ultimate.

A LOG OF THE VOYAGE OF THE ATHLETIC SHIP OF STATE

ANY ENTERPRISE that weathers the sunshine and storms of popular approval and disapproval for fifty years becomes an institution. When the institution reaches that milestone in a stronger and healthier condition than at the start of the journey, it proves that its fundamental purpose was sound and that those who are presently responsible for its progress and perpetuation are efficient and trustworthy. The Handbook of the Indiana High School Athletic Association is a case in point. It has reached its golden anniversary.

THE SCHOOL MEN of Indiana have a justifiable pride in the fact that the statement "We made it, we maintain it and it is ours!" applies to the Handbook as it does to the Association. It is a log book of the voyage of the athletic ship of state through seas which have, over the past few years, been far from calm. It is a tribute to the wisdom of such men that the log reveals a carefully charted course which has avoided the shoals which threaten any athletic activity which fails to observe the laws and policies which have been developed over a half century of evolution.

THE HANDBOOK is a bit of recent history which is an important part of Americana. The democratic processes by which the schools protect their own interests through statewide crystallization of ideas and formation of policies and regulations could occur only in a society in which a free exchange of ideas and cooperative action is encouraged and promoted. The Indiana State Association is the schools acting as a unit. The Handbook is by and for and about this unit activity.

LIKE ALL STATE ASSOCIATION PROJECTS, IT BELONGS TO YOU. The best admonition is: "Never let it get away from you!" The best wish that can be extended is: "May your leadership and wisdom in action for the next fifty years equal that which has carried the Association to its present high place in the respect and esteem of all of your neighbors."

H. V. PORTER
Executive Secretary
National Federation of State High
School Athletic Associations

J. T. GILES

Member of First Board of Control, 1903-1906
First Permanent Secretary, 1906-1912

Mr. Giles was elected to the first Board of Control while principal of Marion High School. Later he became superintendent of the Richmond schools. During World War I he served overseas as an educational adviser to the U. S. Army. Prior to his retirement in 1937 he was, for several years, State Supervisor of Secondary Education in Wisconsin. Mr. and Mrs. Giles now live in Fairhope, Alabama.

ARTHUR L. TRESTER

Permanent Secretary, 1913-1929
Commissioner, 1929-1944

For thirty-one of its fifty years the Indiana High School Athletic Association was guided by the wise counsel and rare administrative ability of Arthur L. Trester. More than any other individual he was responsible for building the present organization which continues to serve the youth of Indiana. Mr. Trester died September 18, 1944.

HISTORY OF I.H.S.A.A.

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of high school Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of high school Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are seven hundred seventy-three (773) high schools belonging. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of

Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the fifty years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball and girls' play days. State championships are determined in cross country, meet the needs of all schools and all students desiring to participate try, swimming, wrestling, basketball, track and golf.

On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

Places in the relay races count double for points. In case of a tie in any event, the points shall be divided and the place awarded by lot.

Rule 5. The Official Rules of the Amateur Softball Association shall govern in Softball.

Rule 6. There shall be ten separate days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests in the following sports: basketball, football, track, cross country, swimming and wrestling. Only one practice may be counted for any one day.

Rule 7. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the closing date of the sectional tourneys of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tourneys of The State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tourneys if earlier than this final tourney date. (The penalty is suspension.)

Students playing independent, league or organized basketball games, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all inter-scholastic athletics until January 1 of the following year.

Rule 8. The maximum number of games for the regular schedule of any team or any player in basketball shall be eighteen. (The penalty is suspension.)

Rule 9. "Teams and players may participate in two basketball tourneys in addition to the tourneys of the State Basketball Championship Series under the following provisions:

- a. The games in one tourney may be in addition to the regular schedule.
- b. The games of the other tourney shall be included within the eighteen game limitation for the season's schedule.
- c. Teams or players participating in a tourney which extends into a second week shall not be permitted to enter a second tourney.
- d. No tourney shall be scheduled to extend over more than two consecutive weekends.

The penalty for violation of this rule is suspension."

Rule 11. All basketball tourneys, other than the State Championship Tourney Series, shall be held prior to February 1 of each year.

Rule 11a. No inter-school basketball tourney which involves more than four schools, shall be held without the sanction of the IHSAA, except where all the schools are located in a single county.

Rule 12. "Donkey Basketball," "Skruball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball," "Skruball" or similar games, shall be subject to IHSAA eligibility rules the same as in regular basketball games.

Rule 13. All inter-school football games by players or teams shall be limited to the period beginning with the opening day of school and ending November 30 of each calendar year. The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until the following November 30.

Rule 14. All organized or formal football practices by players or teams shall be limited to the period beginning August 15 and ending November 30 of each school year.

Rule 15. Football practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff.

Rule 16. The maximum number of inter-school games for any player or any team in football shall be ten.

Rule 17. No inter-school games shall be played prior to the opening of the school year in the fall.

Rule 18. There shall be no inter-school athletic contests played, or practices held on Sunday.

Rule 19. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the IHSAA. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 20. Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 21. A high school shall not be considered eligible to enter a sectional basketball tourney in the IHSAA in any year unless the team representing the high school has played eight (8) inter-scholastic games during that season, and before the Official Entry Blank for Tourneys is filed in the IHSAA office.

Rule 22. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high

school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the IHSAA, unless under the supervision and auspices of the IHSAA by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the IHSAA for such length of time as the IHSAA Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of \$10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA.

a. High school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school

year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

NOTE: It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. Pupils in schools having modified membership in the IHSAA may participate on the following bases:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a junior high school having modified membership may not compete on the team of a senior high school.

c. Schools with modified membership may participate in tourneys and meets in accordance with the regulations in Article II, Section 2 of the IHSAA Constitution.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in inter-school games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the IHSAA.

Rule 27. A ninth grade student who is enrolled in a junior high school without modified membership in the IHSAA, may compete on either the junior high school or the senior high school team, but not on both. Such junior high schools may have teams using pupils of the seventh, eighth and ninth grades, depending on organization of the school. These teams may compete with similar teams from other schools not having modified membership.

DIVISION IV

GIRLS' ATHLETICS

Rule 1. Girls' athletics are bound by the rules and regulations of the IHSAA except for participation in Girls' Play Day program.

Rule 2. Rules for girls' contests shall be those published for the National Section on Women's Athletics of the American Association for Health, Physical Education and Recreation.

Rule 3. Inter-school basketball games and tourneys are not recommended for girls.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tourneys.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship, out of season participation, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools concerned and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games.

DIVISION V

ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "—a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school Principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any high school, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other high school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section.

Rule 4. The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSAA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under IHSAA rules in any game with any other team, either within or without the State of Indiana.

Rule 7. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 8. Rule 9. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 10. Rule 11. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 12. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 13. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way.

Rule 14. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each high school files a statement with the Board of Control that the change was necessary and that no undue influence was attached to the case in any way.

D. Participation—

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 9, under "Enrollment.")

Rule 3. A student properly certified to participate in inter-scholastic athletic activities, who is absent from school for five consecutive days due to illness or injury, must present to his Principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a high school when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Rule 3. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, try-

Rule 4. A high school student shall not be considered as violating his amateur standing if he participates, during the summer vacation in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. High school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No high school student shall be eligible to participate in any inter-school contest under the rules of the IHSAA, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended by them from membership in the IHSAA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A high school student, who has violated his amateur standing according to the rules and by-laws of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school Principal, and shall certify that one calendar year has elapsed since

the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

J. Conduct—

Rule 1. Any student, whose conduct or character is such, in the judgment of the Board of Control or his high school Principal, as to reflect discredit upon his high school or upon the IHSAA, is not eligible.

Rule 3. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these Principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

DIVISION VI PRIZES AND AWARDS

Rule 1. The giving and receiving of awards and medals shall: (a) be kept within reasonable bounds; (b) have symbolic value only, and (c) be done by and with the consent and under the supervision of the high school principals concerned.

cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. Rule 5. Suitable awards may be given by such organizations as: service clubs, patriotic organizations, civic groups, Dads' and Mothers' clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE I. H. S. A. A.

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

BASEBALL AND SOFTBALL

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism.")

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. High school students, who play on baseball teams other than their high school teams during the school year, make themselves ineligible for baseball in high school in that school year.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. See Note.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

Q. How may high school Principals secure blank contracts for games and officials?

A. By writing to the Commissioner.

56

ENROLLMENT

(See Undue Influence Rule. It Takes Precedence.)

1.

Q. What is a five-year man?

A. Students who have been enrolled in high school for more than fifteen (15) school days between September 1 and December 1, or between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

* * * *

2.

Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?

A. No, enrollment rather than participation is the determining factor in such cases.

* * * *

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the

57

new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions Rules 6, 11 and 13 under "Enrollment.")

* * * *

6.

Q. When are students, who finish the work given in one high school, eligible in another high school?

A. Students finishing the work in a high school giving less than four years of high school work are just as eligible in a new high school as they were in the old high school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside that school corporation.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does this enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

58

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized Court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student is expected to attend high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there.

3. A student who changes high schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a high school outside his home school district and subsequently returns to his home high school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made.

6. A student, who changes high schools because of an action by the Court, Welfare Department or similar agency, may be considered eligible, provided a copy of the action making such transfer is filed with the IHSAA.

59

7. It is the duty of the Principal to check carefully the record of every student who transfers from another high school. The Principal should also advise students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

8. No student who has transferred from another school is eligible until the Principal has on file an IHSAA Athletic Transfer Certificate.

GAMES

* * * *

2.

Q. May a member school of the IHSAA schedule and play single games with teams and schools in Indiana not members of the IHSAA?

A. Yes, provided these teams and schools are not high schools eligible for membership and also provided the members of the IHSAA observe all of the rules of the IHSAA. There should be no high school students on the non-member teams, except high school teams not eligible for membership.

* * * *

3.

Q. What is the difference between a preliminary game and a regular game?

A. There is no difference as far as the IHSAA is concerned, as the same rules and regulations govern.

* * * *

* * * *

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provisions made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships.)

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The high school Principal in any high school belonging to the IHSAA is considered the responsible party in athletics as far as the IHSAA is concerned.

3. The IHSAA considers it the duty and responsibility of the senior high school Principal or Principals to extend the rules and regulations of the IHSAA with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the IHSAA.

4. A high school student is one who carries at least 15 hours of regular high school work, provided such a student has been promoted to the high school in the regular way and according to good school procedure.

5. The IHSAA requests Principals having 9th grade students enrolled to confer and co-operate with the senior high school Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The IHSAA does not attempt to determine or classify junior high schools and senior high schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the IHSAA when participating in inter-school athletics.

8. A 9th grade student in a junior high school not holding modified membership, may participate on the junior high school team or on the senior high school team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the IHSAA.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The IHSAA has no jurisdiction over students below the 9th grade.

12. The IHSAA believes that 9th grade students belong in athletics to the schools, junior or senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc.

13. The IHSAA believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the junior high school rules and regulations in athletics required in the senior high school.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the junior high school or in the senior high school.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are permitted to enter tourneys and meets in accordance with rules provided for Modified Members. (See Article II, Section 2 of the Constitution.)

17. All IHSAA supplies and publications will be sent to junior high school Principals upon request.

18. See modified membership regulations immediately following.

Junior and Senior High School Modified Membership Regulations

Modified memberships may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests, tourneys and meets in which only the teams from the high schools of the same city participate, invitational basketball tournaments in which not more than four schools participate and in track meets where trial runs are not necessary.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

6.

Q. Is a student, who is expelled from high school one semester, eligible for the following semester?

A. The IHSAA has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the IHSAA are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.

Interstate basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the IHSAA are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The IHSAA believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

* * * *

* * * *

29.

Q. Why should a school be penalized because some person outside of school uses undue influence?

70

A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence: An athlete that has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

72

2.

A. Playing in a part of one game or contest in a sport constitutes participation in that sport for that season. (See exception, Rule 9 under "Enrollment.")

* * * *

3.

Q. May member schools play against College, Y. M. C. A. and independent teams?

Q. Does a student become ineligible in all sports, if he plays on a team other than the high school team in one sport?

A. No, a student becomes ineligible only in the sport in which he participates as a member of a team other than the high school team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing basketball or football out of season makes a student ineligible for all sports until January 1 of the following year.

* * * *

4.

Q. Are high school students permitted to play on teams that split the gate receipts among the players including the high school students?

A. No, this would be considered professionalism.

* * * *

* * * *

8.

Q. Should amateurism be defined by the IHSAA for its specific purposes or should the definitions of other organizations be accepted in the association?

A. Amateurism should be defined by the IHSAA for IHSAA purposes. There is no definition of amateurism acceptable to all organizations.

RESPONSIBILITY

1.

Q. Who is the responsible party in IHSAA athletics?

A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the Principal of each high school voluntarily taking out a high school membership in the IHSAA has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the Principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the IHSAA membership the conditions are found to be such that the high school Principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the high school Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. * * * *

* * * *

A. No, the granting and acceptance of a high school diploma makes a high school graduate. (See exception under "Games" Question and Answer No. 18.)

Q. Who is a post-graduate?

A. A post-graduate is a student who has finished his high school work and has received his high school diploma. * * * *

8.

Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in three regular high school subjects for this period?

A. In order to be eligible at the end of any grading period in a semester, a student must have passed in three regular high school subjects for the current grading period and his average grade in each of three regular high school subjects for all of the grading periods in that semester must be passing. A student must **MAINTAIN** his work in order to be eligible—weekly, by grading periods and by the semester.

* * * *

9.

Q. Is a "condition" or an "incomplete" considered a "pass" in the IHSAA?

* * * *

14.

Q. What constitutes scholarship eligibility?

A. In order to be eligible for a current semester a student must have passed in three regular high school subjects in his last semester of enrollment in any high school and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

* * * *

15.

Q. Are any special regulations in force pertaining to discharged veterans?

A. By action of the Athletic Council, May 23, 1947, all IHSAA special regulations concerning discharged veterans were discontinued.

* * * *

16.

Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?

A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school are not passing in their school work.

Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?

A. Yes.

Q. If a student fails to pass in three regular high school subjects during the last grading period of a semester but earns credits in three regular high school subjects for the semester, will he be eligible at the beginning of the first grading period of the next semester?

A. Yes, the books are considered closed at the end of the semester.

* * * *

24.

Q. If a student passes in three regular high school subjects during the last grading period of a semester but fails to earn credits in

80

three regular high school subjects for the semester, will he be eligible at all for the next semester?

A. No.

* * * *

25.

Q. How long may a student be enrolled in a semester then drop out without the semester being counted under the Scholarship Rule?

A. Up to the first fifteen (15) school days of the semester, provided he was eligible when he withdrew.

* * * *

26.

Q. If a student is passing in three regular high school subjects when he drops out during a semester, may he be considered eligible under the Scholarship Rule at the beginning of his succeeding semester of enrollment?

SUMMER SCHOOL WORK

1.

Q. Does summer school work in a school other than his home school jeopardize the standing of a student?

A. No, provided the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the IHSAA recommends summer school work of an approved type for students needing credits.

* * * *

2.

Q. If a student fails to pass in three regular high school subjects during semester two, may he count work done in summer school toward eligibility?

A. See Division V, Rule 4.

Indianapolis, Indiana, August 18, 1952

Present: President E. C. Boyd, George T. Adamson, Loren Chastain, C. H. Elliott, William W. Welch, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

POWERS AND DUTIES

As is the custom at the August meeting of the Board of Control, the Commissioner reviewed in detail the powers and duties of the Board, the Commissioner and the Assistant Commissioner as set forth in the IHSAA Constitution, Rules and By-laws.

I.H.S.A.A. OFFICE

1. Ernst and Ernst, certified public accountants, had completed the audit of IHSAA finances for the year July 1, 1951 to July 1, 1952. Each member of the Board was provided with a copy of this audit.
2. The Board, the Commissioner and the Assistant Commissioner visited the safety deposit vault at the Fletcher Trust Company for the purpose of checking the securities owned by the IHSAA. The amount of securities checked with the auditor's report. The Commissioner presented a receipt from the Fletcher Trust Company, verifying the fact that \$15,000 of securities, due September 1, 1952, had been deposited in exchange for a similar amount of new securities to be dated as of August 15, 1952. One \$5,000 Certificate of Indebtedness (due August 1952), together with interest, was deposited to the account of the IHSAA at the Fletcher Trust Company.
3. The Commissioner reported that \$100,000 in U. S. Certificates would mature October 1, 1952. He was instructed to deposit the money to the account of the IHSAA in the Fletcher Trust Company, to be used as follows: (1) Pay the special distribution of surplus funds to member schools, estimated at \$91,680.00. (2) Deposit the remainder to be used for the current expenses of the IHSAA.

BUTLER FIELDHOUSE CONTRACT

The Board approved and signed a contract with representatives of Butler University for the use of the Butler Fieldhouse for holding the 1953 Final Basketball Tourney on March 21, 1953. The rental charge agreed upon is \$4,750.00, which includes the use of the Butler University athletic facilities for holding rules clinics and demonstrations or other non-profit athletic activities. Copies of the contracts were filed with Butler and the IHSAA.

CROSS COUNTRY MEETS

The Board selected the sites for seven sectional cross country meets to be held on Tuesday, October 21, 1952, and also approved the

South Grove Golf Course, Indianapolis, as the site for the State cross country meet to be held November 1. The Board directed the Commissioner's office to proceed with details for holding these meets under the same regulations that were adopted for the 1951 sectionals and state meet. It is understood that complete details regarding these meets will be published in the September bulletin.

COACHING SCHOOL

Assistant Commissioner Hinshaw reported on the annual coaching school, held August 4-7, 1952 at Indiana University. Financial reports of the school were given each member of the Board.

NATIONAL FEDERATION

President Boyd presented each member of the Board and the Commissioner with a detailed written report on the National Federation of High School Athletic Associations' annual convention, held at Estes Park, Colorado, June 29 to July 2. This convention was attended by President Boyd and Assistant Commissioner Hinshaw.

RESOLUTION

Mr. Louis A. Briner, of Fort Wayne, a member of the Athletic Council, died in June, 1952. In recognition of the services of Mr. Briner to the IHSAA, the Board of Control unanimously passed the following Resolution:

"WHEREAS, in the passing of Louis A. Briner, the IHSAA has lost one of its loyal friends and

WHEREAS, he had devoted many years of faithful and efficient service to the youth of our state and

WHEREAS, we recognize his excellent character, keenness of vision, his honesty and sincerity of purpose and

WHEREAS, these fine qualities were evidenced in his years of work for the IHSAA and for education in general and

WHEREAS, the cause of high school athletics and education in Indiana have sustained a great loss:

NOW THEREFORE, BE IT RESOLVED, That the members of the Board of Control, assembled in meeting August 18, 1952, recognize and acknowledge their esteem and high regard for Louis A. Briner, and the debt of gratitude which the IHSAA owes to him and

BE IT FURTHER RESOLVED, That we extend our sincere sympathy to Mrs. Briner and other members of his family, and that a copy of this Resolution be sent to Mrs. Briner."

GARY

Director J. E. Gilroy of the Gary Schools had reported that, due to a financial emergency, the Board of School Trustees had shortened

the school term from ten to nine and one-half months for the 1952-53 school year, and that the opening date for schools had been changed from September 2 to September 8. Gary High Schools had previously contracted a total of six football games to be played the week of September 2. Director Gilroy and President Harold Kaiser of the Gary High School Principals' Association filed a request for permission to fulfill these contracts prior to the opening day of school. The request was granted by the Board of Control with the understanding that all students certified to participate in these contests be required to enroll in advance and that all other IHSAA rules and regulations be observed. It is understood that this action was taken due to the existing emergency, and would be effective only for the school year 1952-53.

FONTANET (David Cole)

This boy attended Royal Oak High School in Michigan until April 14, 1952, at which time he went to live with his mother and step-father at Fontanet, where he enrolled in high school. This action was approved by the juvenile court of Oakland County, Michigan. A copy of the court order is on file in the IHSAA.

Decision—David Cole considered eligible as to residence in the Fontanet High School.

WAYNE TOWNSHIP (UNION CITY) (Reuben and Simeon Cox)

These boys, students of the Wayne Township High School, participated as members of the Haysville independent amateur baseball team in a tourney at Palestine, Ohio, on July 27, 1952. In accordance with the financial arrangements, the final four teams in the tourney were to share in the gate receipts with the understanding that the funds received were to be used for the purpose of purchasing equipment for the team, and that no individual player was to receive either money or merchandise. Principal Leon E. Thompson desired to know if this participation affected the amateur standing of the players.

Decision—Reuben and Simeon Cox did not violate their amateur standing in the IHSAA by participation in the Palestine, Ohio, baseball tourney.

GLENN (TERRE HAUTE) (Oscar Session)

Principal Ernest R. Chillson and Coach Jack Williams appeared before the Board of Control to discuss the date of birth of Oscar Session. All the information on file in the IHSAA office concerning this case was reviewed. A summary of this material was carried in the Board of Control minutes for May 24, 1952. Before school started this semester, he went back to Indiana and was placed in the custody of his aunt and uncle in Farmland. Guardianship papers were issued to the aunt and uncle, making them Elam's legal guardians. The letters of guardianship were examined by the Board of Control. Elam entered Farmland High School at the beginning of the present semester.

Decision—Elam Frye is eligible, so far as residence is concerned, in the Farmland High School.

country in a trailer. Since they were not maintaining a home in Marion, the boy was sent to Wesleyan Academy at Central, South Carolina. The home has now been re-established in Marion, where Herman has enrolled in high school.

Decision—Herman Turner, Jr., considered eligible in Marion High School, so far as residence is concerned.

PORTLAND (Frederick Gelzleichter)

This boy lived with his mother and attended Jefferson High School (Ward Township), Randolph County. The mother moved to Portland in August 1950. The boy remained in Jefferson district with his grandmother. Because of the illness of his grandmother, the boy is now living with his mother in Portland, where he has enrolled in high school. Letters are on file from both principals concerning this case.

Decision—Frederick Gelzleichter is considered eligible in the Portland High School, so far as residence is concerned.

JOHN ADAMS (SOUTH BEND) (Millard Stone)

This boy lived with his mother in the Central High School district in South Bend and attended that high school during 1951-52 until April 22, 1952. At that time, he went to Toledo where he enrolled in the Whittmer High School, where he remained for the rest of the school year. Mrs. Stone did not change her residence to Toledo. In September 1952, Mrs. Stone and Millard moved into the John Adams High School district and Millard enrolled in that high school.

In January 1952, the stepfather left for Shaw Air Base in South Carolina, the mother joining him in February. At that time, Ronald went to Southport to live with the Merricks, and finished the school year at Cathedral. He enrolled in Southport High School in August 1952.

Decision—Ronald Wolfe considered eligible, so far as residence is concerned, in Southport High School.

VAN BUREN (BRAZIL) (Charles Lancaster)

This boy had changed from Bridgeton High School to Van Buren Township High School at the beginning of the 1951-52 school year. A question arose as to whether his parents had made a bona fide change of residence to that district. Following an investigation, the Board ruled that Charles was eligible as to residence.

The parents have now moved out of the Van Buren district, and Charles is again enrolled at Van Buren at the beginning of the present school year. He has a legal transfer from Jackson Township (Parke County). Principal H. E. Rissler requested this case be reviewed by the Board of Control before he certified the boy's eligibility for participation this year.

Decision—In the absence of any protest regarding the residence eligibility of Charles Lancaster it was the decision of the Board of Control not to re-open the case.

The Board of Control adjourned to meet again on October 4, 1952.

This boy resided with his stepfather and mother in Japan during the 1951-52 school year. He attended a school maintained by the U. S. Armed Forces. The stepfather is a military officer. The family's legal and voting residence is at Pimento. The stepfather is now assigned to duty at Moody Air Force Base in Georgia. The corporation paid transfers for some students in Spencer Township to attend Corydon High School during the 1951-52 school year. This year, no transfers were issued, thus making it necessary for the students of Spencer Township to attend New Salisbury or pay tuition to Corydon.

Decision—Students of Spencer Township who attended Corydon High School last year and who are now enrolled at New Salisbury, are considered eligible as to residence in New Salisbury High School.

PROPOSAL TO ATHLETIC COUNCIL

Indianapolis, Indiana, October 22, 1952

Present: President E. C. Boyd, George Adamson, Loren Chastain, C. H. Elliott, W. W. Welch, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

MANILLA (John Bogue)

During the 1951-52 school year, this boy attended the Indiana Academy at Cicero, Indiana. At the beginning of the present school year, he returned to the home of his parents and enrolled in Manilla High School. There was no change of residence on the part of his parents to Cicero.

Decision—John Bogue considered ineligible as to residence for one calendar year, beginning on the date he enrolled at Manilla High School this year.

JASONVILLE (Jerry Joe Eddy)

This boy formerly resided with foster parents in the Midland High School district. The foster father died, and the foster mother remarried and moved to Illinois. Jerry Joe is now residing in Jasonville with the daughter of his foster mother. Letters concerning this case are on file from Principals J. L. Stanley and A. I. Messick of Jasonville and Midland High Schools, respectively.

Decision—Jerry Joe Eddy considered eligible as to residence in Jasonville High School.

WHITING (Phillip Grenchik)

This boy's parents reside in the city of Hammond. Phillip completed the eighth grade work in a parochial school last year. At the beginning of the present semester, he enrolled in Whiting High School, giving his home address as that of his grandfather in Whiting. The question was raised as to his residence eligibility at Whiting High School, especially since he did not have a transfer and was not paying tuition. Following an investigation, Principal George O. Burman of Whiting, reported that Phillip has now paid the full tuition for the first semester and will continue to make such payments.

It was the opinion of the Board that since Phillip was enrolling in the ninth grade for the first time and is now paying tuition, he is eligible as to residence in Whiting, provided there was no undue influence attached to his enrollment there. The Board of Control reserves the right to re-open this case if future developments deem it necessary.

(Ronnie Dubish)

This boy was a former student of Clark High School, who resides in the city limits of Hammond. He had enrolled in Whiting at the

beginning of the present school year without a change of residence. He had participated in football games with the Whiting team.

Principal Burman reported that the games in which Ronnie participated had been forfeited, and the boy had been directed to return to the Clark High School in Hammond.

Principal Burman is directed by the Board of Control to check more carefully now and in the future residence eligibility of all athletes which he certifies for interschool competition.

PORTAGE (KNOX)

Following the football game between Portage Township and Knox at Knox on October 3, 1952, it was reported by official R. E. Marker that Don Ditsler, coach of Portage, had addressed the officials during the game in profane, degrading and obnoxious language. This charge was verified by the other two officials, Gene Winks and Ed Trexler. Reports by Principals Wallace Aylesworth and John P. Huffman of Portage and Knox respectively, confirmed the charges made by the officials against Coach Ditsler.

Principal Aylesworth stated further that he had already taken steps to correct the difficulty in the future. Coach Ditsler filed a written statement that the charges were true and apologized for his misconduct.

Decision—Principal Aylesworth is directed by the Board of Control to inform Coach Ditsler that conduct such as was exhibited at the Knox game cannot be tolerated on the part of any coach connected with the IHSAA athletic program. Principal Aylesworth is also to inform his coaching staff, his school and his community that any similar action on the part of a coach in the future may be considered as sufficient reason for suspension of his school from the IHSAA.

PIKE TWP. (NEW AUGUSTA) (William Gochinas)

This boy resided in Milwaukee, Wisconsin, where he attended West Division High School during the 1949-50 school year; following which he served in the U. S. Marines for two years. After being discharged from the Marines, he came to live in Pike Township, Marion County. There was no change of residence on the part of his father who still lives in Milwaukee. Although an Athletic Transfer Blank and a letter from Principal Clayton R. Francke of West Division High School was filed with the Board of Control, there was no evidence that it was necessary for William to change residence from Milwaukee to Pike Township in order to have a home. The information on file indicated that this was a matter of his own personal choice.

Decision—William Gochinas considered ineligible for one calendar year from the date he enrolled in Pike Township High School this semester.

The Board of Control adjourned to meet again on November 15, in the IHSAA office.

E. C. Boyd, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, November 15, 1952

Present: President E. C. Boyd, George T. Adamson, Loren Chastain, C. H. Elliott, William W. Welch, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

ATHLETIC COUNCIL ELECTIONS

The petitions of candidates for the Athletic Council in the election to be held December 1-10 were checked and approved. The Commissioner was directed to use the same type of ballot for voting as was used in the 1951 election.

FREEDOM (Hubert Dale)

This boy entered Freedom High School from Jerseyville, Illinois. An Athletic Transfer Blank had been requested, but was not received. In the meantime, the boy assured the high school principal, Mr. Hollis E. Miller, that he had passed in three subjects. He was then used in three softball games. When the Athletic Transfer Blank was finally received, it was discovered that the boy had not passed in three subjects at the end of last semester and was, therefore, scholastically ineligible when he participated in softball.

Decision—Hubert Dale ineligible remainder of this semester and also next semester as a penalty for participating the present semester while ineligible. Freedom High School placed on probation one calendar year beginning November 15, 1952, for using a student in interschool athletics without having on file the athletic transfer record.

BIRDSEYE (Donald Buford)

This boy lives in Patoka Township, Crawford County, where there is no high school. Last year, he was transferred to French Lick, where he travelled a distance of 20 miles by school bus. This year, he has been transferred to Birdseye High School, two miles from home. He and another student use a private car for transportation. Principal Hammerling of French Lick says that this change was a matter of choice and that there was no undue influence attached to the case in any way.

Decision—This boy is considered ineligible for one calendar year from the date of his enrollment in Birdseye High School, for violation of the change of residence rule. He could have attended either school at the beginning of his school enrollment. He chose French Lick, and then transferred to Birdseye without any change of residence or other circumstances warranting a change of high schools with eligibility.

SECTIONAL AND STATE CROSS COUNTRY MEETS

The financial reports of the sectionals and state Cross Country meets were unanimously approved by the Board of Control and

ordered published in the 1953 Handbook. There were no receipts, while a deficit of \$250.31 was incurred on the sectionals and \$497.03 on the state meet.

OFFICE HELP

Mrs. Elsie Merrill, office secretary, had submitted her resignation in writing effective January 1, 1953. Following a conference with Mrs. Merrill, the Board of Control voted to accept the resignation with the understanding that the action might be reviewed later. The Commissioner was directed to seek another secretary to fill the vacancy created by Mrs. Merrill's resignation.

ADMISSION TAXES

The Commissioner reported that the Director of the Indiana Revenue District had issued a certificate of exemption from Federal admissions taxes for basketball tourneys sponsored by the IHSAA and its member schools.

LAW SUIT

The Board was advised that representatives of the New Amsterdam Casualty Company had reported that efforts would be made in the near future to obtain a settlement of the law suit pending against the IHSAA and the School City of Jasper in connection with an alleged injury to a spectator at the 1951 Jasper sectional basketball tourney.

DATES FOR TOURNEYS AND MEETS

Dates for future IHSAA tourneys and meets were fixed and ordered published in the December issue of the Bulletin.

The Commissioner was authorized to renew the three-year insurance policy through the Fletcher Trust Company calling for \$125,000.00 coverage each on burglary and robbery on the contents of the IHSAA safety deposit box at the Fletcher Trust Company. The policy also is to provide for the amount in each case to be increased to \$200,000.00 for the period of March 15 to October 1 of each year.

assignments were made for the sectional tourney sites. The Commissioner was instructed to place the order for State Tourney tickets.

The Board of Control adjourned to meet again on November 22, 1952, at 9:30 A. M. in the Purdue Union Building.

Acting president: Due to illness, President E. C. Boyd was unable to attend and Mr. Chastain was selected to serve as acting president.

The minutes of the previous meeting were approved as written.

TIPPECANOE

Principal Norris Jackson reported that a paternity charge had been filed against a member of the school's basketball team and that he is at liberty under bond. The Commissioner was directed to inform Principal Jackson that under such circumstances it is the policy of the IHSAA that the student be withheld from athletics pending a determination of the case. If the school authorities wish to present additional evidence, they may do so at the next board meeting December 13.

OFFICE HELP

Mrs. Elsie Merrill, who had resigned her position in the IHSAA, effective January 1, 1953, notified the Commissioner that it would be necessary to terminate her work as of November 21, 1952. The Board directed the Commissioner to proceed at once to find a suitable person to succeed Mrs. Merrill.

GLENN (Oscar Session)

Principal Ernest R. Chillson had requested in writing that the Board of Control check the records and render a decision on the birth date of Oscar Session, a senior in Glenn High School. December 13, 1952, was set as the date to consider this case.

Since most of the data concerning Session's birth date had been filed by a former principal, Mr. Chillson was requested to make his own investigation of all available sources and to report his findings on or before December 13.

Since Mr. Chillson stated that his request was made because of conflicting rumors, dissatisfaction among some schools concerning

Session's eligibility and reports that secret information had been or would be filed with the IHSAA, it was decided that all schools in Vigo County and other schools on the Glenn schedule be requested to state if they had any protest or information to file regarding Oscar B. Session's date of birth.

BASKETBALL TOURNEYS

It was unanimously voted that prices for admission to sectional, regional, semi-final and final tourneys remain the same as those that were in effect for the 1952 tourneys. Work was continued from the last meeting on the assignment of tourney sites.

Decision—James Brighton is considered eligible as to residence at Gosport High School.

COWAN (Robert Miller)

This boy lived at the Children's Home in Muncie until November 25, 1952, when he left to live with his father, who had been ill in a nursing home until November. Chillson the Board considered conflicting records and data concerning the age of Oscar Session and upon the advice of legal counsel voted to accept as final, until such time as the court sets the same aside, the determination of the court under date of May 8, 1952, which reads as follows:

Simon of Bloomington to request WTTV to deposit with Bloomington High School a guarantee of \$1,500.00 against any loss of revenue as a result of unsold seats at the Bloomington tourneys. Mr. Grimes informed the Board that he had dropped the idea of introducing a bill on high school athletics this session of the legislature.

OXYGEN

Reports had been received that oxygen was being administered to high school basketball players during games. The Commissioner had received statements from the medical profession and other groups regarding this matter. The concensus of opinion indicated that there was little or no justification for use of such artificial means to help win in an amateur sport. It was also brought out that there could be a considerable risk to safety in the use of oxygen tanks during a game. Reports indicated that as a result of rather wide spread unfavorable publicity, the practice had been entirely discontinued in the state. No action was taken to bar an oxygen tank since such equipment might be needed in case of an emergency.

The Athletic Department has asked what would be the effect on the eligibility of high school students if they should participate in the A. A. U. regional wrestling meet to be held on the Purdue Campus in April.

It was the opinion of the Board that at present participation in an independent wrestling meet would make a student ineligible in wrestling only for the remainder of the current school year. Two recommendations were made: (1) that schools not permit their students to participate in independent wrestling meets and (2) that the Athletic Council give consideration to placing definite limits on the high school wrestling season.

NOTARY PUBLIC

The Indiana Bell Telephone Company, sponsor of television for the four tourneys at the Butler Fieldhouse, had deposited \$10,000.00 as a

guarantee against losses in the sale of tickets. It was decided that in case the loss on two or more tourneys exceeds the amount of the guarantee each tourney will be reimbursed in accordance with the percentage of the total loss sustained. Decision—At a meeting on May 23, 1953, the Athletic Council unanimously agreed that the present rule regarding the opening date for football be retained. This rule, which states that all inter-school football games shall be limited to the period beginning with the opening day of school, is to be followed and no exceptions are to be made.

BEDFORD HIGH SCHOOL

James Cowger attended Greencastle High School throughout the 1952-53 school year. After the close of school, his family moved to 3113 Washington Avenue, Bedford, just outside the city limits, in Shawswick Township. James has not enrolled in any high school since leaving Greencastle. Principal Harold Lloyd of Bedford has informed the Board of Control that James desires to attend Bedford High School beginning with the 1953-54 school year. He requested a ruling on the boy's residence eligibility status if he enrolls at Bedford.

Decision—Since James Cowger has not enrolled in any other high school since his family moved to the present address, he may be considered eligible as to residence in Bedford High School provided there is no undue influence in connection with his enrollment there and provided further that he pay tuition at the regular rate established by the Bedford Board of School Trustees for non-resident students.

MIDWEST PHYSICAL EDUCATION CONVENTION

Richard Tiernan, President Indiana Association of HPER, had written Commissioner Phillips regarding the possibility of the IHSAA sponsoring a coaching clinic at the Midwest Association for Health, Physical Education and Recreation Convention to be held in Indianapolis next April 1, 1954.

Decision—The Board instructed the Commissioner to write Mr. Tiernan obtaining further information regarding various problems which might be encountered before a definite decision is made.

EMPLOYMENT OF COMMISSIONER AND ASSISTANT COMMISSIONER

In accordance with action taken May 23, 1953, duplicate contracts were signed by all the members of the Board of Control and Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw. These contracts are for a period of five years beginning August 1, 1953, and at the same salary each is now being paid under the present contracts. It was the understanding that the present contracts with Mr. Phillips and Mr. Hinshaw are to remain in full force and effect until August 1, 1953.

ATHLETIC INJURY INSURANCE

The Continental Casualty Company submitted a master policy for athletic injury insurance for the 1953-54 school year. The contract was unanimously approved, and President E. C. Boyd and Commissioner L. V. Phillips were authorized to sign, for the Board of Control, duplicate copies of the Master Contract with the Continental Casualty Company.

TRACK AND GOLF MEET FINANCIAL STATEMENTS

Financial statements of the 1953 IHSAA Track and Golf Meets were submitted by the Commissioner and accepted by the Board of Control and ordered published in the 1953 Handbook.

BUDGET AND FINANCES

Careful consideration was given to the estimated expenditures recommended by the Commissioner for 1953-54, and was adopted as submitted. The Board gave approval to a few expenditures in excess of the 1952-53 estimated expenditures. The Commissioner presented a statement of receipts and expenditures over the past twelve months together with an itemized statement of government securities owned by the IHSAA at present. It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 8. Results of this audit will be presented at the next meeting of the Board of Control, and published in the 1953 Handbook.

The Commissioner was authorized to deposit with the Fletcher Trust Company of Indianapolis for exchange or credit to the account of the IHSAA such securities as may come due. Since a portion of the funds are to be used for current expenditures, authority was given to sell and deposit to the account of the Association securities as needed to keep a safe balance in the bank. It is understood that all

transactions in securities are to be reported to the Board of Control at the next meeting following such transactions.

The Board authorized the Commissioner to pay salary and other current bills a few days in advance of June 30, in order that these checks may be cleared through the bank before the beginning of the new fiscal year, July 1.

SPECIAL DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for adequate reserve in the IHSAA treasury, the Board set \$120.00 as the maximum amount of surplus funds to be paid any member school in the regular distribution to be made October 1, 1953.

Since there was a special distribution in 1952, all the money to be distributed was earned during the current year. It was decided to make this distribution according to the following plan:

1. Ninety dollars (\$90.00) for participation in the 1953 Sectional Basketball Tourney.
2. Thirty dollars (\$30.00) for membership in the IHSAA during the membership year 1952-53.
3. Any school sharing in the regular distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1953.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share of money shall be sent to the principal of the new or resulting high school.

I.H.S.A.A. CLERICAL HELP

Miss Betty Sizelove was given an increase in salary of five dollars (\$5.00) per week beginning the first full week in July 1953. The two regularly employed secretaries were granted two weeks vacation each with pay. The dates for these vacations are to be approved by the Commissioner.

The Board fixed the date of August 14, for the next meeting.

I.H.S.A.A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, May 23, 1953

Present: President R. B. Miller, Wallace Aylesworth, William W. Welch, Oscar W. Valentine, King Telle, Charles E. Day, Harold M. Dick, C. H. Elliott, Roland L. DuBois, Harold E. Rinsch, Leo J. Costello, Elmer H. Loehr, Herman F. Keller, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the last meeting were approved without reading, since members of the Council had received mimeographed copies of these minutes.

VOTING

It was decided to vote by voice or show of hands, and that thirteen affirmative votes be required to pass a motion, except for an amendment to the Constitution, which requires a two-thirds vote of the Council membership.

BOARD OF CONTROL AND ATHLETIC COUNCIL

The following named Council members were elected to serve as the Board of Control for the year July 1, 1953 to June 30, 1954: Wallace Aylesworth, Class 1; Haro'd M. Dick, Class 2; Lawrence Hobbs, Class 3; Connor K. Salm, Class 4; and Herman F. Keller, Class 5.

The newly elected Board of Control held a brief meeting and elected Herman F. Keller as president; and set the first meeting as August 14.

The Council elected King Telle as its president for the year 1953-54.

PROPOSAL

The South Central Athletic Conference had submitted the following proposal—"The beginning of the football season shall be September 1, or the opening day of school."—This proposal was indefinitely postponed, by unanimous vote of the Council.

PROFESSIONAL BASEBALL TRYOUTS

Under an agreement between the National Federation and Professional Baseball made in December 1952, a high school student may attend, without affecting his athletic eligibility, schools and tryouts sponsored by Professional Baseball any time during the year when it does not interfere with other school activities. Under a former agreement, Indiana had permitted students to attend schools and tryouts sponsored by Professional Baseball during the summer vacation period only.

The Council voted unanimously to retain the present ruling limiting attendance at baseball schools and tryouts to the summer vacation period. The Board of Control and the Commissioner were authorized to make any changes needed to clarify the wording and bring up to date Rule 4, Section I, Division V, of the IHSAA Rules and By-Laws.

LEGISLATION

During the 1953 session of the Indiana General Assembly, Representative David Grimes considered introducing a bill calling for changes in the IHSAA. His chief objection seemed to be to the present plan of distributing tickets and receipts of the regional basketball tourney. Following a lengthy discussion, the Council unanimously approved retention of the present regional basketball tourney contract.

BASKETBALL FLOOR MEASUREMENTS

Since the Official Basketball rules now define the ideal playing floor for high school games as 50 feet in width and 84 feet in length, it was agreed that in the future, the semi-final and final tourneys be played on floors with those dimensions. The Board of Control also was authorized to bring up to date the interpretations regarding basketball playing floors following Division III, Rule 2, in the IHSAA Handbook.

The Commissioner reported that television had resulted in a loss of attendance at the Bloomington and Indianapolis regional tourneys and also at the Indianapolis semi-final. He stated further that sponsors of both amateur and professional sports are greatly concerned over the television problem and that no one could accurately predict at the present time, what would be the ultimate effect of television on sports attendance.

POINTS IN RELAYS

Since there had been considerable discussion in recent years regarding basketball playing floors following Division III, Rule 2, Control to prepare and publish a proposal calling for a reduction in the number of points given in relay events. The purpose of such a proposal is to give the member schools an opportunity to consider the matter and to make known their desires to the Council members before any action is taken.

The Athletic Council adjourned to meet again on October 21, 1953, at 6:30 P. M. in Indianapolis.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

June 30, 1953

July 17, 1953

The Indiana High School Athletic Association
Indianapolis, Indiana

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1953. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit at June 30, 1953, to the amount reported directly to us by the Fletcher Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements and the cash disbursements were supported by examination of invoices, expense reports and other data.

The recorded cash receipts and disbursements relating to the State final basketball tourney are as reported by the Commissioner to the Board of Control. We made no independent examination of ticket sales or supporting expense data with respect thereto. We compared the recorded cash receipts from the sectional, regional, and semi-final tourneys with signed reports filed by high school officials at the tourney centers.

A schedule of securities on hand at June 30, 1953, is included in this report. These securities were presented for our inspection and we accounted for the interest income from this source.

Insurance coverage at June 30, 1953, is summarized as follows:

Larceny and embezzlement bond:	
L. V. Phillips	\$ 40,000.00
R. S. Hinshaw	40,000.00
Other employees	2,500.00
Burglary and robbery—safety deposit box:	
March 15th to October 1st.....	200,000.00
All other times	125,000.00
Public liability—owners, landlords, and tenants.....	100/250,000.00
Depositors forgery bond	10,000.00
Fire and extended coverage—contents	5,000.00
Workmen's compensation	All employees

The recorded minutes of meetings of the Board of Control and of the Athletic Council were reviewed by us. On June 17, 1953, the Board of Control voted to make a distribution on October 1, 1953, of surplus funds to member schools in amounts not to exceed \$120.00 to each school.

In our opinion, the accompanying statement of cash receipts and disbursements presents fairly a summary of the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1953.

Ernst & Ernst,
Certified Public Accountants.

FOOTBALL

When the curtain fell on the 1952 high school football season, four schools had repeated from the 1951 campaign as conference champs in the nine major conferences over the state.

The estimated number of athletes engaging in the eleven, eight and six-man games was over twelve thousand. This is about five hundred more than the previous year. One hundred sixty-nine schools played the eleven-man game, ten schools the eight-man and eleven engaged in six-man football.

Last fall, ten Indianapolis schools held a football jamboree which was considered very successful both as to interest and attendance. Over 14,000 people were present with about 9,000 of these being students. This year, plans call for it to be held in the Butler University Bowl. The schools of Marion County plan a jamboree at night before their regular schedule of games. Many other cities and groups of schools are making similar plans.

The Association does not sponsor a series of games to determine a champion, but each year makes an effort to recognize teams with outstanding records by carrying their squad pictures in the Handbook. These pictures that have been submitted may be found following the list of high schools participating in the sport.

CROSS COUNTRY

The Anderson Indians, coached by Carl Bonge, who have never been defeated in State Meet competition, picked up their seventh consecutive team title in the seventh annual IHSAA State Cross Country Meet at South Grove Golf Course with a total of 37 points.

Central (Muncie) was second with 98 points and Shortridge (Indianapolis) placed third with a point total of 190.

Tom New of Central (Muncie), undefeated during the season, led the pack of 139 harriers to the finish line under ideal weather conditions. His time of 9:46.2 was close to the 1950 record time of Jim Lambert, a former Bearcat runner.

The second spot was taken by Tom Linnemeier of Concordia (Ft. Wayne) with Ronald Etherington of Anderson gaining third position. Max Truex, a junior from Warsaw, set the pace for the first mile by passing the mile flag in 4:43. He finished fifth after being nosed out of fourth by Robert Stuhlmacher of Crown Point.

Nineteen schools and thirteen individuals qualified for state meet competition from the seven sectionals. A record field of 114 schools entered 1,023 athletes in the sectional meets.

With the gradual increase in the number of schools and athletes engaging in cross country, it probably will be necessary to add an additional sectional in the near future.

Rules and regulations along with team and individual placements in the Sectionals and State Meet were as follows:

I.H.S.A.A. SECTIONAL CROSS COUNTRY MEETS SIXTH ANNUAL

(These rules are reprinted from the September 1952 bulletin.)

The sectional cross country meets will be held this year on Tuesday, October 21, 1952, after 3 p.m. These meets are conducted as an elimination series in order to select teams and individuals for the State Cross Country Meet.

Seven sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1951, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan and add more centers if a greater number of schools enter than is anticipated. Representation to the State Meet will be determined by the number of teams competing in each sectional meet.

Schools have been assigned by counties, and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin.

II. MANAGEMENT—The management of these meets rests solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be selected by the center principals, except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Tuesday afternoon, October 21, after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Friday, October 17, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Teams positions at the start are to be drawn by lot.

III. OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding modified or associate membership. A school may certify ten students, with no more than seven participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

IV. ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

V. EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

VI. ELIGIBILITY—The eligibility of each player shall be certified to by the principal of his school. The Official Entry list must be used, and all data given. Entries positively will close Monday, October 13. The entry lists must be in the hands of the Commissioner, complete in every detail, by 4 p.m. on that date. **Ten students may be certified for the meet, with seven or less participating on the day of the meet.**

VII. LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

VIII. SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. **Individuals** are ranked and tallied in the placement column, but their position is dropped and not recorded in the **team** scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. It is considered a tie event if two or more teams score the same number of points. Individual ties shall be decided by lot.

IX. RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running, as found on pages 29 and 59 in the 1952 National Federation Edition of the Track and Field Rules shall govern—with the exception of the length of course.

X. PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the state meet, provided they finish the race. The first five individual winners will receive ribbons.

XI. QUALIFICATIONS FOR STATE MEET—Representation at the state meet will be determined by the number of teams competing* in that sectional, as follows: **Six or less**, one team. **Seven to twelve**, two teams. **Thirteen to eighteen**, three teams. **Nineteen or more**, four teams. The first five individuals to finish shall be eligible for the state meet regardless of their team position.

WRESTLING

Bloomington High School's wrestling team returned to the top as Indiana prep champions by scoring 27 points in the State Meet. The Panthers, many times previous IHSAA champions, last gained the championship in 1950.

Jefferson (Lafayette) was second with 19. Southport had 16, Shortridge (Indianapolis) 15 and Technical (Indianapolis), the defending champion 14.

The meet was held at Bloomington with representatives from twenty-one schools in the final meet. Robert Murphy of Decatur Central was selected by the coaches as the outstanding wrestler of the meet. Murphy, unbeaten in the 138 pound class, gained the only fall in the championship finale. Individual champs for Bloomington were Robert Myers (103) and Jim Burress (127). Shortridge produced two champions as Drayton Praed won the 154 pound crown and Dave Jeter won the 165 pound class.

Thirty-one schools entered the Sectional eliminations which was a gain of eight schools over 1952. The majority of schools entered all weight classifications. First and second place from each Sectional were eligible to compete in the State Meet. In the past, only first place qualifiers have been eligible.

The official rules of the Inter-Collegiate Guide for High School Wrestling were used, with one modification in the IHSAA 50% rule.

The team scores and individual ranking for the Sectionals and State Meet were as follows:

SWIMMING

Three new state records were established as a balanced Horace Mann (Gary) squad of swimmers unseated defending champion Hammond to gain the 1953 IHSAA swimming championship at the Purdue University pool.

The new champions registered only one first when Pat Rhodes took the 100 yard free style, but they scored in every event to pile up a total score of 47 points.

Hammond, titlist the past two years, dropped to the runner-up spot with 37 points, but their 200 yard free style relay team sped to a new state record. Central of South Bend gained the third position by scoring 29 points. Leslie Lobaugh of Central accounted for two new records for a double triumph in the 50 yard free style and 200 yard free style. Burris (Muncie) placed fourth with 28 points and three first places.

Thirteen schools participated in the meet. Individual placement in each event and final team standings were as follows:

Schools are instructed to notify this office on or before January 12 of their intentions. Entry blanks will be ready at that time. BASKETBALL

Central of South Bend came through for its first IHSAA championship in a thrilling 42-41 victory over Gerstmeyer of Terre Haute in the final game of the 1953 tourneys. The Bears have been in the sweet sixteen several times in the past few years.

The Central Bears led the Black Cats from Gerstmeyer 25-20 at the half, but the boys from the banks of the Wabash bounced back to be on top 31-29 at the three-quarter mark. In the final quarter, Central gained the lead and held on for a 42-41 victory.

The Bears balanced ball club had considerable difficulty in overcoming the individual brilliance of the two Andrews brothers. Harley led all shooters with 20 points.

South Bend and Milan (the people's choice) opened the afternoon session with the Central team dominating play with a well balanced passing and scoring attack. They were determined to not give the Indians a chance to use their deliberate style of attack or the "give and go" and they slammed their first three shots for points. The final score read Central 56, Milan 37.

In the second game of the afternoon session, the Richmond Red Devils met Gerstmeyer of Terre Haute. Tech's Black Cats stepped out in front early and led at every quarter to win 48 to 40.

Gerstmeyer's twin brothers rifled through the Richmond defense for 33 points to atone for a one-point season's loss to the Red Devils.

A total of 755 schools entered the 1953 basketball championship series. The series set new gross receipts and attendance records over previous years. Gross receipts reached a new high in the tournament series by grossing \$737,640.17 for the 85 tourneys. Paid attendance increased to a new mark of 1,363,852.

The championship games were televised over two Indiana stations and one in Kentucky. Forty-four radio stations carried a play-by-play description. One hundred forty-six daily and weekly newspapers were represented. This group included nine papers from out of the state of Indiana. Four press associations and two magazines had coverage.

The Board of Control selected Harley Andrews of Gerstmeyer, Terre Haute, to receive the Arthur L. Trester award for Mental Attitude.

Rules and regulations pertaining to the tournament series, tourney games and scores were as follows:

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE FORTY-SECOND ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full; with the distinct understanding that the Board of Control reserves the

right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

(These rules are reprinted from the January, 1953 Bulletin.)

IMPORTANT INFORMATION CONCERNING ALL SECTIONAL, REGIONAL AND SEMI-FINAL TOURNEYS

1. TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used.

2. PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

3. RADIO SERVICE—Stations in Indiana may broadcast IHSAA tourneys provided the requirements in the "IHSAA Rules and Regulations Governing Broadcasting" are observed. The managers of the stations and the Center Principals will have copies of these rules and regulations.

4. PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. **This ruling is meant to protect the vision of the players.** Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. SOUVENIR PROGRAMS—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. All principals should notify their business men now.

6. SUGGESTIONS—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

7. MANAGEMENT—The exclusive control of all these tourneys rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every attempt will be made to choose none but fair, disinterested and competent men. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis News, Star and Times; Associated Press, International News Service and United Press, and no changes will be made in them.

8. SATURDAY GAMES—All Saturday games in all tourneys will be 1:00, 2:15 and 8:15 p.m.

9. DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools enter the tourneys with this understanding. Give this information to your students and fans now and as often as necessary.

10. PRIVILEGES—All competing players, one coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

11. WARM UP PERIOD—There shall be a **minimum** of ten minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game.

12. NUMBERING OF SHIRTS—In order for a school to be eligible to enter the sectional tourneys, all players' shirts must be properly numbered according to the Board of Control ruling on Rule 3, Section 4 of the Official Basketball Rules.

SECTIONAL TOURNEYS

February 25, 26, 27, 28

See "Important Information"

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location,—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The plan arranged is to have no less than 8 teams and no more than 16 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

* All semi-final and final games of two-site tourneys will be played at the site indicated by an asterisk (*).

MANAGEMENT—Two officials will be assigned to tourneys having 8, 9, or 10 teams, three officials to tourneys having 11, 12, 13, and 14 teams, four officials to 15 and 16 team tourneys and six officials to each two-site tourney. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering a sectional basketball tourney in the IHSAA in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an Entry Blank. Schools holding modified membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following plan:

- Entertainment for all teams in all tourneys will end not later than 10:00 p.m. Saturday, February 28.
- In "One-site" tourneys, teams playing Wednesday or Thursday evening, February 25 or 26, are entitled to one extra round trip transportation and one extra meal. Entertainment for all teams begins on Friday as follows:
 - In 8 and 9 team tourneys: 5:00 p.m.
 - In 10 and 11 team tourneys: 12:00 noon.
 - In 12, 13, 14, 15 and 16 team tourneys: 8:00 a.m.
- All "one-site" tourneys will begin at 6:30 or 7:00 p.m. Thursday evening, February 26, except 14, 15 and 16 team tourneys, which will begin at 6:30 or 7:00 p.m. Wednesday, February 25. These tourneys will be seven session tourneys. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 or 9 team tourneys; and there will be no games Friday morning in 10 and 11 team tourneys. Printed schedules will be sent to each competing school by the Center Principal in time to arrange for making the trip.
- Due to the variations of time schedules of "two-site" and divided "one-site" tourneys, the time and entertainment schedules will be set up by the IHSAA and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.
- The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Monday, February 23, (2) transportation only, one round trip, may be paid in lieu of each night's lodging. The transportation

here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowances shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of that school and not an expense of the tourney. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, to help defray expenses of the tourneys. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
2. The Center High School shall receive one hundred and fifty dollars (\$150).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The IHSAA shall receive one percent (1%) of the fifth balance.
7. a. One-half of the sixth balance shall be divided pro rata among the participating schools, the Center School sharing.
b. One-half of the sixth balance shall be divided among the participating schools on an enrollment basis.
8. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
9. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, March 5.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certificates must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the IHSAA. Entries positively will close Wednesday, February 11. All entries must be in the IHSAA office before 4:00 p.m. Wednesday, February 11. Do not mail entry blanks before February 2. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or

letter any time up to 4:00 p.m. Wednesday, February 11. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. **The Board of Control has ruled that late entry blanks will not be accepted.**

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

Session ticket (All tourneys):.....\$0.60

I. ONE-SITE TOURNEYS:

Season ticket:

- a. Four-session tourney:\$1.70
- b. Five-session tourney: 2.10
- c. Six- and seven-session tourney:..... 2.50

II. TWO-SITE TOURNEYS:

Season tickets:

Season tickets for Saturday's sessions:..... 1.00
- b. Four-session tourneys: Season tickets for the first two sessions: 0.80

Tickets shall not be sold for more or less than the prices here given. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets. No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in their area upon request prior to Friday, February 20.
2. Ten percent of the remaining tickets shall be divided pro rata among the competing schools. (Every school regardless of enrollment, has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This pro rata allotment is intended primarily for this use.)
3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 17, 1952, or the third day of school, if the opening day is later than September 17.

Season tickets must be ready for distribution by Monday, February 23. No tickets shall be distributed until the Center Principal has received his copy of the draw. All ticket information should be secured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tourney. Season tickets unsold shall be returned by 12:00 noon on the day the tourney begins, except that in "two-site" tourneys, they shall be returned by 4:00 P.M. the day before the tourney if the tourney begins with a day time session; and by 12:00 noon on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 11, and cannot be changed or accepted afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before February 2. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

REGIONAL TOURNEYS

ENTRIES—One entry fee covers all tourneys. Teams are limited to ten (10) men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. These teams may or may not be made up of the same men who participated in the Sectional Tourneys.

The Sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 2. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete date on Monday, March 2. (Ask for Miss Sizelove who has charge of making the changes.)

177

DISTRIBUTION OF TICKETS—All tickets shall be handled by the Center School Principal according to the following plan:

1. Season tickets only shall be sold prior to Saturday, March 7, 1953.
2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.
3. **Press.**
 - a. Each paper within the regional district but outside of the tourney center may be granted one ticket upon request not later than February 28.
 - b. Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted three tickets upon request not later than March 2.
 - c. Papers outside of the state shall not be granted tickets unless they have a large coverage in the state, and then the limit is given under (a).
 - d. School papers shall not be granted tickets.
4. **Radio.** Each station broadcasting the games may be granted three tickets upon request not later than March 2.
5. Complimentary tickets shall be confined to those directly connected with the tourney. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the principal and the coach. Each Athletic Council member and each Ex-Board member may be granted two tickets to the Regional in his area upon request prior to Saturday, February 28. A list of the complimentary tickets must be furnished the IHSAA giving names, positions, numbers, etc.
6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.
7. Schools entered in a sectional tourney may secure twelve tickets to the Regional Tourney in their area. Orders must reach the Regional Center Principal between February 21 and 26. All principals should use the Regional Ticket Order Blank enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance **TO THE REGIONAL CENTER PRINCIPAL IN THEIR AREA.**
8. Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the high school principal not later than Monday, March 2.
 - a. One-half of the tickets remaining divided on a pro rata basis.
 - b. One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction Sep-

tember 17, 1952, or the third day of school, if the opening day is later than September 17, for the school years 9, 10, 11 and 12.

- c. If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).
 9. All tickets remaining at this stage shall be placed on open sale on Wednesday, March 4, with the understanding that all sales shall be guarded to insure fairness to all.
- ENTERTAINMENT**—The Regional Center Schools have contracted with the Board to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 9:00 a.m. Saturday, March 7, and continue, if necessary, to 8:00 a.m. Sunday, March 8. All competing schools are requested to ask for no longer entertainment than is necessary. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:
1. All legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School. The expenses of a manager, if any, belong to the Center School and not to the Tourney.
 2. The Center High School shall receive two hundred dollars (\$200).
 3. The transportation shall be paid. (See sectional contract.)
 4. The Center High School shall receive one hundred fifty dollars (\$150).
 5. The IHSAA shall receive fifty per cent (50%) of the balance.
 6. The remainder shall be divided as follows: (a) one-half pro rata among the participating schools and (b) one-half on the basis of season tickets sold and reported by the participating schools in the local communities on or before 4:00 p.m. Friday, March 6. This hour and date are binding on all schools. In the distribution of receipts, all tickets purchased according to the provision under "Distribution of Tickets," item 7, shall be credited to the winner of the sectional in which the school purchasing the tickets is located.
 7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
 8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Wednesday, March 11.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated and the tickets shall be printed with the following information on them:

1. Session ticket: \$1.00
2. Season ticket: \$1.60

Tickets shall not be sold for more or less than the prices here given. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets. No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

ENTRIES—One entry fee covers all tourneys. Teams are limited to ten (10) men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of

the tourney. These teams may or may not be made up of the same men who participated in the Regional Tourneys. The Regional entry blank will suffice for Semi-final tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 9. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 9. Ask for Miss Sizelove, who has charge of making the changes.

ENTERTAINMENT—The Semi-final Center Principals have contracted with the Board to entertain twelve men (which must include a faculty manager) from each competing school. Entertainment will begin, if necessary, at 9:00 a.m. Saturday, March 14, and continue, if necessary, to 8:00 a.m. Sunday, March 15. All competing schools are requested to ask for no longer entertainment than is necessary. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. (a) The Center School shall receive two and one-half percent (2½%) of gross receipts. (b) The Field House Rental (which shall not exceed ten percent (10%) of gross receipts) shall be paid.
2. All other legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall then be paid from the remaining balance, if sufficient. If the remaining balance is not sufficient, legitimate expenses shall be considered an obligation of the Center School. The expenses of a manager, if any, belong to the Center School and not to the tourney.
3. The transportation shall be paid. (See sectional contract.)
4. Each participating school shall receive a bonus of three hundred fifty dollars (\$350.00).
5. The IHSAA shall receive the remainder.
6. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
7. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Wednesday, March 18.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated and the tickets shall be printed with the following information on them:

1. Session ticket: \$1.25
2. Season ticket: \$2.00

Tickets shall not be sold for more or less than the prices here given. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets. No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

RESERVED SEATS—All seats shall be reserved.

TIME OF GAMES—1:00, 2:15 and 8:15 P.M.

DISTRIBUTION OF TICKETS—All tickets shall be handled by the Center School Principal according to the following plan:

1. Season tickets only shall be sold prior to Saturday, March 14 and shall be sold only to High School Principals in the Semi-final area.
2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.
3. **Press.**
 - a. Each paper within the Semi-Final District but outside the tourney center may be granted one ticket upon request not later than Saturday, March 7.
 - b. Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted three tickets upon request not later than Monday, March 9.
 - c. Papers outside of the state shall not be granted any tickets unless they have a large coverage in the state, and then the limit is given under (a).
 - d. School papers shall not be granted tickets.
4. **Radio.** Each station broadcasting the games may be granted three tickets upon request not later than Monday, March 9.
5. Complimentary tickets shall be confined to those directly connected with the tourney in some way. Each Athletic Council member and each Ex-Board member shall be granted two tickets upon request prior to Saturday, March 7. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the principal and the coach. A list of the complimentary tickets must be furnished the IHSAA giving names, positions, numbers, etc.
6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.
7. Schools entered in a sectional tourney may secure twelve (12) tickets to the Semi-Final Tourney in their area. Orders must reach the semi-final principal between February 28 and March 5. All principals should use the Semi-Final Ticket Order enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance TO THE SEMI-FINAL CENTER PRINCIPAL IN THEIR AREA.
8. Each participating school may secure tickets at this stage as follows, providing they are purchased and paid for by the high school principal not later than March 9.
 - a. One-half of the tickets remaining divided on a pro rata basis.
 - b. One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction September 17, 1952 or the third day of school, if the opening date is later than September 17, for the school years 9, 10, 11 and 12.

- c. If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).
9. All tickets remaining at this stage shall be placed on open sale on Wednesday, March 11, with the understanding that all sales shall be guarded to insure fairness to all.

WARNINGS—Entries are due Monday, March 9, and cannot be changed afterwards. Special privileges will not be granted to anyone. The management, protests and privileges will be governed according to the regulations pertaining to the sectional tourneys. If no word is received from principals on Monday, March 9, regional entry blanks will be used for the semi-final tourneys.

STATE TOURNEY BUTLER FIELD HOUSE, INDIANAPOLIS

MARCH 21

ENTRANTS—The four (4) winning teams of the Semi-Final Tourneys shall constitute the participants in the Final Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Teams are limited to ten men and these men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-final entry blank will suffice for the Final Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 16. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 16.

ENTERTAINMENT—Twelve men will be entertained on each team (which number must include the faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$150.00 for lodging, \$250.00 for meals, \$400.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fees will be as indicated and the tickets will be printed with the following information on them:

1. Session ticket: \$2.00
2. Season ticket: \$3.00

PRIZES—The winning school will be awarded a shield, cup or similar trophy and each member of its team an individual prize. A trophy

will be given to the runner-up team and individual prizes to its team members.

The Arthur L. Trester Medal for Mental Attitude will be awarded to the boy, who in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

MANAGEMENT—The Board of Control has designated the Commissioner as Manager with Robert S. Hinshaw, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Franklin 1519. Fred R. Gorman, Vice-Principal of Technical High School, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and radio reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 18 and not later than Thursday, March 12. An identification plan will be used for press representatives, who must be properly certified by their managers at the time requests are made.

TICKETS—All tickets will be handled by the IHSAA office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 21, 1953. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at approximately 14,943.

2. Each high school principal, having a team entered in an IHSAA Sectional Basketball Tourney for 1953, and each high school principal holding a modified membership in the IHSAA, may order tickets to five (5) percent of his high school enrollment as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than four tickets. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. **If there are questions, ask them now.** All enrollments will be checked with the report herein mentioned. **Be sure you are right.**

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is

enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSAA, must accompany each order. **Tickets purchased cannot be returned.** Please do not send cash. The limitations below must be observed as given:

(a) Orders for tickets having official Post Office stamp marks on the envelopes from and including Thursday, February 19, to and including Friday, February 27, will be accepted if received not later than Saturday, February 28. Ticket orders mailed prior to February 19 will be returned for proper mailing. The IHSAA reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None are guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from February 19 to February 27, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the IHSAA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon the date of receipt of order, number of orders received in the same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 950 seats to the block, will be reserved until Monday, March 16 for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor and with 50 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by Monday, March 16, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

TOURNEY RULES

Beginning with the 1950-51 basketball season, the Board of Control directed that the rule regarding numbers on basketball shirts be fully enforced. The IHSAA will continue to enforce this rule.

The Board has instructed that a warm-up period (of not less than ten minutes) be allowed participating teams before each tourney game. During a session, this period shall begin with the ending of the preceding game.

IHSAA basketball tourneys have been ruled exempt from admissions tax by the United States Treasury Department. Information on this matter was carried in the December bulletin. The schedule of prices printed in this bulletin, therefore, do not carry tax.

THE ARTHUR L. TRESTER MEDAL

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Medal for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Medal for Mental Attitude.

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams: In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few, if any, boys on the winning teams have secured the prize but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

TRACK AND FIELD

After a lapse of two years from the winners' circle, Froebel of Gary came back to win its 10th state track and field championship with a total of 34 points.

North Side of Ft. Wayne, scoring 28 points, was edged out of first when Froebel picked up 18 points in the relays, Elkhart was third with 18 and Central (Muncie) scoring 15% finished fourth in team standings.

Three state records were marked up during the meet when Dick Brown of Twelve Mile heaved the shot 55 ft. 7 in., Marion's Don Ward reached the finish line in the 440 yard dash in :49.2 and Froebel's mile relay foursome came home in the good time of 3:24.7. This quartet was composed of Leroy Howard, John McCloud, Serafin Nava and Melvin Larry.

Another new record was established when 318 schools entered 3,922 athletes for sectional competition. A total of 86 schools qualified one or more contestants for the state meet. Prior to the sectionals, it was felt that entries would not increase because of the unfavorable weather conditions for competition during the spring sport season.

Due to an early morning rainstorm, the track was slow which not only affected times but jumping conditions.

Details concerning the assignment of schools, rules, regulations and results of all meets were as follows:

SECTIONAL TRACK AND FIELD MEETS

THIRTY-SEVENTH ANNUAL

Friday or Saturday, May 8 or 9

(These rules are reprinted from the April 1953 Bulletin.)

The following bases were used in selecting centers:

(1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.; (4) Rotation; (5) Invitation.

Schools have been assigned by counties, and the accompanying plan gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the plan if necessary. Entry blanks are necessary.

(2) Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

(3) Instructions and a starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

(4) Eligibility—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. Entry blanks are due in the IHSAA office on or before 4:00 p.m., Friday, May 8, 1953, and cannot be accepted afterwards.

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is de-

cided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of boys from different schools. The players will count and keep score for each other.

Teams—Each school may enter six (6) boys and the team must consist of four (4) of these six boys. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR STATE MEET

Teams—Representation at the State Meet will be determined by the number of teams competing in that Sectional, as follows: Four or less, one team; five to eight, two teams; nine to twelve, three teams; thirteen or more, four teams.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals—The three low medalist players in each sectional meet are eligible to compete as individuals in state meet competition, provided their school posted a team score in the sectional.

Ties—All individuals or teams tying for the last qualifying position shall be eligible for State meet competition. Prizes shall be awarded by lot.

STATE GOLF MEET

Seventeenth Annual

Saturday, May 23

COFFIN GOLF COURSE

Indianapolis

Management—The management of this meet rests solely with the Board of Control. Principal Fred R. Keesling, Lawrence Central High School, will represent the IHSAA and be in charge of the Golf Course.

Time—The tournament will begin at ten o'clock (10:00) a.m. (D.S.T.) and will continue until completed. Qualifying teams are to report by 9:45 a.m. All number one players will tee off first, followed by number two, number three and number four players.

Entrants—Individuals and schools whose teams qualify according to the sectional regulations shall constitute the entrants for the State Meet. (Teams must be composed of any four of the six certified entrants.)

Registration—All teams must be checked in at the Club House by the Principal or his official faculty representative. This responsibility belongs to the school.

Transportation—This will be an obligation of the participating school in each case.

Entertainment—Noon meals will be furnished by the IHSAA at the Club House to the actual participants and one faculty manager from each school.

Prizes—A trophy will be given to the winning school. Medals will be presented to the winning team members of first, second and third places and the three low medalists.

Medal Play—The tournament will be conducted as Medal Play and 18 holes will be played.

Scoring—Each threesome will be made up of boys from three different schools if possible. The players will count and keep score for each other.

Ties—In case of a tie for the team prize, duplicate trophies will be given. In case of a tie for an individual prize, the winner will be decided by lot.
