MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

President Otto Albright

The schools of today are faced with the tremendous task of preparing individual students to live harmoniously in a highly competitive world. To attain this goal, we realize that young people must be taught that such qualities as co-operation, fair play, honesty, and good sportsmanship must be linked to scholarship and the desire to do one's best.

The IHSAA was established and has existed for fifty-one years for the sole purpose of encouraging such characteristics in the students enrolled in the various schools of our state. No matter how small, or how large the school, it is equally represented in this organization, and representatives of the member schools have only the good of our youth at heart when seeking solutions to any problems which arise out of unusual situations in athletics.

Clean sports, engaged in for the love of recreation and the desire to compete individually or as a team, keep our young people mentally alert and physically sound. They learn that even in competition with others, it is possible to "get along" if they play the rules of the game honestly and exhibit good sportsmanship at all times.

Your Council and Board do not dictate the policies of the member schools. Our task is to stimulate, motivate, and expand our present athletic program so that it will meet the needs of all the young people in our schools. We are concerned only with regulating the program so that the schools and the youth all over the state have uniform rules and regulations, and an equal chance in athletic competition. We are further concerned with the responsibility of keeping out "commercialization" and "professionalism," and maintaining the high ideals of clean play for enjoyment and wise use of leisure.

The Council and Board are at your service. Under the expert leadership of our Commissioner, L. V. Phillips, and Assistant Commissioner, R. S. Hinshaw, we are ready to do all in our power to help prepare the young people of our schools for citizenship in the world of tomorrow—citizenship where competition is keen, but where people can live in neighborliness and friendliness because they have learned the rules of the game and play them fairly and squarely.

HISTORY OF I.H.S.A.A.

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of high school Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of high school Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are seven hundred seventy (770) high schools belonging. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of

the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the fifty years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball and girls' play days. State championships are determined in cross country, swimming, wrestling, basketball, track and golf.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as

they were when the men were Board of Control members. A complete list of former Board members follows:

PREFACE

This revision of the Constitution, Rules and By-Laws, regulations, interpretations, questions and answers of the Indiana High School Athletic Association, is the result of the combined efforts of the Board of Control, Athletic Council and the revision committee.

Most of the material has been printed in the Handbook and official bulletins published each year. Principals, Coaches and other interested parties are requested to read all information contained herein, and observe the information published in all IHSAA bulletins. The Constitution, By-Laws and Rules printed in the annual Handbook may not be up-to-date at all times, due to legislation between printings.

The printed Constitution, Rules and By-Laws, together with the questions and answers, plus the information in current bulletins, will keep all responsible parties completely and officially informed.

PURPOSE OF I. H. S. A. A.

(Copied from Introduction to first printing of Constitution in 1904)

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "IHSAA.")

ARTICLE II MEMBERSHIP

Section 1. Full membership in this Association shall be open to all public, private, parochial, and institutional high schools of the state offering and maintaining three or four years of high school work, provided they meet the requirements of the association and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must be accredited by the State Department of Education.

Section 2. Modified membership may be extended to any high school accredited by the State Department of Education offering and

maintaining less than three years of high school work with the understanding that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Section 3. Any high school in the state may become a member of this Association by meeting the requirements, by subscribing to these rules and regulations, and by paying the annual dues of one dollar and fifty cents (\$1.50) to the Commissioner on or before October 1 of each year. All memberships expire on October 1 of each year unless the annual dues are paid.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tourneys and meets, but not in any tourneys or meets conducted for the purpose of determining an official state championship in the IHSAA.
2. Associate members are bound by all rules and regulations of the IHSAA with the exception that a student who changes schools without a corresponding change of residence on the part of his parents is eligible as to residence immediately, provided there is no undue influence involved in any way.
3. Associate members are not privileged to share in the distribution of tickets to IHSAA championship tourneys and meets or in the distribution of IHSAA surplus funds to member schools.

Section 5. Each member high school shall have one vote.

Section 6. The Board of Control shall be Judge of all memberships.

Section 7. A high school that is suspended from the IHSAA shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension, according to the Sections in the Constitution and the rules and regulations governing memberships.

The penalty for violation of this rule is suspension."

Rule 10. All organized or formal basketball practices by players or teams shall be limited to the period beginning October 1 and ending with the date of the State Final Championship Basketball Tourney each school year.

Rule 11. All basketball tourneys, other than the State Championship Tourney Series, shall be held prior to February 1 of each year.

Rule 11a. No inter-school basketball tourney which involves more than four schools, shall be held without the sanction of the IHSAA, except where all the schools are located in a single county.

Rule 12. "Donkey Basketball," "Skruball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball," "Skruball" or similar games, shall be subject to IHSAA eligibility rules the same as in regular basketball games.

Rule 13. All inter-school football games by players or teams shall be limited to the period beginning with the opening day of school and ending November 30 of each calendar year. The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until the following November 30.

Rule 14. All organized or formal football practices by players or teams shall be limited to the period beginning August 15 and ending November 30 of each school year.

Rule 15. Football practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff.

Rule 16. The maximum number of inter-school games for any player or any team in football shall be ten.

Rule 17. No inter-school games shall be played prior to the opening of the school year in the fall.

Rule 18. There shall be no inter-school athletic contests played, or practices held on Sunday.

Rule 19. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the IHSAA. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 20. Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 21. A high school shall not be considered eligible to enter a sectional basketball tourney in the IHSAA in any year unless the team representing the high school has played eight (8) inter-scholastic games during that season, and before the Official Entry Blank for Tourneys is filed in the IHSAA office.

Rule 22. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high

school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the IHSAA, unless under the supervision and auspices of the IHSAA by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the IHSAA for such length of time as the IHSAA Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of \$10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA.

a. High school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school

year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

NOTE: It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. Pupils in schools having modified membership in the IHSAA may participate on the following bases:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a junior high school having modified membership may not compete on the team of a senior high school.

c. Schools with modified membership may participate in tournaments and meets in accordance with the regulations in Article II, Section 2 of the IHSAA Constitution.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in inter-school games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the IHSAA.

Rule 27. A ninth grade student who is enrolled in a junior high school without modified membership in the IHSAA, may compete on either the junior high school or the senior high school team, but not on both. Such junior high schools may have teams using pupils of the seventh, eighth and ninth grades, depending on organization of the school. These teams may compete with similar teams from other schools not having modified membership.

DIVISION IV

GIRLS' ATHLETICS

Rule 1. Girls' athletics are bound by the rules and regulations of the IHSAA except for participation in Girls' Play Day program.

Rule 2. Rules for girls' contests shall be those published for the National Section on Women's Athletics of the American Association for Health, Physical Education and Recreation.

Rule 3. Inter-school basketball games and tournaments are not recommended for girls.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tournaments.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship, out of season participation, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools concerned and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games.

DIVISION V ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tournaments and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "—a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school Principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any high school, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other high school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Q. and A. No. 6, page 56.)

Rule 4. The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSAA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under IHSAA rules in any game with any other team, either within or without the State of Indiana.

Rule 7. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 9. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 10. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter more than fifteen (15) or more days between March 1 and June 1 for four times.

Rule 11. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 12. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 13. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way.

Rule 14. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each high school files a statement with the Board of Control that the change was necessary and that no undue influence was attached to the case in any way.

D. Participation—

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 9, under "Enrollment.")

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

E. Parents and Physicians' Certificates—

Rule 1. Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of Physical fitness, giving the written consent of the father, mother or

guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any inter-scholastic athletic contest by a physician licensed to practice medicine in Indiana.

A student properly certified to participate in inter-scholastic athletic activities, who is absent from school for five consecutive days due to illness or injury, must present to his Principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a high school other than his home high school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a high school when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any high school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all high school sports.

Rule 3. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A high school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. High school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No high school student shall be eligible to participate in any inter-school contest under the rules of the IHSAA, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended by them from membership in the IHSAA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A high school student, who has violated his amateur standing according to the rules and by-laws of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school Principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

Rule 3. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these Principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

DIVISION VI PRIZES AND AWARDS

Rule 1. The giving and receiving of awards and medals shall: (a) be kept within reasonable bounds; (b) have symbolic value only, and (c) be done by and with the consent and under the supervision of the high school principals concerned.

Note—The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each

school shall have real control and supervision without pressure of any kind from outside persons or groups of persons.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. Rule 4. Schools belonging to athletic conferences, or participating in tourneys and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 5. Suitable awards may be given by such organizations as: service clubs, patriotic organizations, civic groups, Dads' and Mothers' clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. High school athletes should be permitted to complete their high school careers without being molested by outside sources.

Rule 8. Athletic equipment is considered as merchandise. Any student who attempts to evade the rule by "purchasing" a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Rule 9. Penalties for violations of the above rule should be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE I. H. S. A. A.

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

* * * *

13.

A. No. See Division III, Rule 22 of the IHSAA By-Laws.

* * * *

17.

Q. Does the Board of Control have a regulation regarding the playing of an approved official with or against high school students in basketball after the season has closed in their schools?

A. Yes, approved officials shall be placed on probation for one calendar year if the evidence shows that they participate in such games with knowledge of the rule against such playing by high school students.

BASEBALL

1.

Q. Does a high school student violate the rules of the IHSAA by playing independent baseball or softball during the summer?

A. High school students may play independent baseball or softball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept

See Division V under Amateurism in the By-Laws.

(Note: This answer applies to other summer sports, not having definite seasons, provided other rules and regulations of the IHSAA are observed.)

* * * *

A. No, they are violating the agreement between the National Federation of High Schools and Organized Baseball. (See Division V under "Amateurism" Rule 4, of the IHSAA By-Laws.)

BASEBALL AND SOFTBALL

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism.")

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. High school students, who play on baseball teams other than their high school teams during the school year, make themselves ineligible for baseball in high school in that school year.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. See Note.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

Q. How may high school Principals secure blank contracts for games and officials?

A. By writing to the Commissioner.

54

ENROLLMENT

(See Undue Influence Rule. It Takes Precedence.)

1.

Q. What is a five-year man?

A. Students who have been enrolled in high school for more than fifteen (15) school days between September 1 and December 1, or between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

* * * *

2.

Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?

A. No, enrollment rather than participation is the determining factor in such cases.

* * * *

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the

55

new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions Rules 6, 11 and 13 under "Enrollment.")

* * * *

6.

Q. When are students, who finish the work given in one high school, eligible in another high school?

A. Students finishing the work in a high school giving less than four years of high school work are just as eligible in a new high school as they were in the old high school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside that school corporation.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does this enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

56

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized Court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student is expected to attend high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there.

3. A student who changes high schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a high school outside his home school district and subsequently returns to his home high school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made.

6. A student, who changes high schools because of an action by the Court, Welfare Department or similar agency, may be considered eligible, provided a copy of the action making such transfer is filed with the IHSAA.

57

7. It is the duty of the Principal to check carefully the record of every student who transfers from another high school. The Principal should also advise students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

8. No student who has transferred from another school is eligible until the Principal has on file an IHSAA Athletic Transfer Certificate.

GAMES

1.

Q. What is considered a game of basketball?

* * * *

2.

Q. May a member school of the IHSAA schedule and play single games with teams and schools in Indiana not members of the IHSAA?

A. Yes, provided these teams and schools are not high schools eligible for membership and also provided the members of the IHSAA observe all of the rules of the IHSAA. There should be no high school students on the non-member teams, except high school teams not eligible for membership.

* * * *

3.

Q. What is the difference between a preliminary game and a regular game?

A. There is no difference as far as the IHSAA is concerned, as the same rules and regulations govern.

* * * *

4.

Q. If a "practice" game of basketball is played is it to be counted as one of the eighteen games on the regular schedule?

5.

Q. Does the omission of an admission charge make any difference as to the designation of a contest as a game?

A. No, games are "inter"-contests or "inter"-scrimmages with or without admission charges.

A. Yes, such must be counted as one of the games permitted on the regular schedule.

* * * *

* * * *

11.

Q. May practice periods in one high school be counted as such in another high school where a student changes high schools?

A. No.

* * * *

18.

Q. May students participate in inter-school contests after their school is closed?

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provisions made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships.)

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The high school Principal in any high school belonging to the IHSAA is considered the responsible party in athletics as far as the IHSAA is concerned.

3. The IHSAA considers it the duty and responsibility of the senior high school Principal or Principals to extend the rules and regulations of the IHSAA with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the IHSAA.

4. A high school student is one who carries at least 15 hours of regular high school work, provided such a student has been promoted to the high school in the regular way and according to good school procedure.

5. The IHSAA requests Principals having 9th grade students enrolled to confer and co-operate with the senior high school Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The IHSAA does not attempt to determine or classify junior high schools and senior high schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the IHSAA when participating in inter-school athletics.

8. A 9th grade student in a junior high school not holding modified membership, may participate on the junior high school team or on the senior high school team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the IHSAA.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The IHSAA has no jurisdiction over students below the 9th grade.

12. The IHSAA believes that 9th grade students belong in athletics to the schools, junior or senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc.

13. The IHSAA believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the junior high school rules and regulations in athletics required in the senior high school.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the junior high school or in the senior high school.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are permitted to enter tourneys and meets in accordance with rules provided for Modified Members. (See Article II, Section 2 of the Constitution.)

17. All IHSAA supplies and publications will be sent to junior high school Principals upon request.

18. See modified membership regulations immediately following.

Junior and Senior High School Modified Membership Regulations

Modified membership may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

1.

Q. What type of school may hold a modified membership?

A. A high school offering and maintaining less than three years of high school work.

2.

Q. Is it necessary for a junior-senior high school, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?

A. No, full membership meets the requirements.

* * * *

3.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?

A. No, schools holding modified or full memberships are required to use students in the 9th, 10th, 11th and 12th years of school work.

* * * *

4.

Q. May schools holding modified memberships compete with high schools who do not hold membership in the IHSAA?

A. No, permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

* * * *

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No, these students are not eligible for any teams in high schools holding any type of membership in the IHSAA.

* * * *

6.

Q. May a 9th grade student, who is enrolled in a junior high school, participate on the senior high school team?

A. No, if the junior high school holds a modified membership. Yes, if the junior high school does not hold a modified membership.

MISCELLANEOUS

1

Q. May a high school schedule and play games during the week?

A. The IHSAA has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

* * * *

2.

Q. May schools hold or sanction Sunday practices?

A. No. (See Division III, Rule 18.)

3.

Q. May students, who are ineligible for the first team, play on teams of lower ranking?

A. No, ineligibility for one team means the same for all teams.

* * * *

4.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes, this one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school for five consecutive days due to illness or injury must present to his Principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in interscholastic athletics.

* * * *

5.

Q. Does the IHSAA stipulate any price for tickets to other than tourneys and meets held strictly under the supervision of the Board of Control?

A. No, other than a recommendation that reasonable prices be made at all times for all games.

* * * *

6.

Q. Is a student, who is expelled from high school one semester, eligible for the following semester?

A. The IHSAA has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the IHSAA are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.

* * * *

7.

Q. May a high school support a grade team in the same school system out of its athletic funds?

A. Yes, so far as the IHSAA is concerned.

* * * *

8.

Q. May two or more high schools combine to form one athletic team?

A. No, this is not permitted under any conditions, unless they legally consolidate and become one school.

9.

Q. Does the IHSAA have a rule regarding the use of tobacco?

A. No, this should be handled by local school officials.

* * * *

10.

Q. May the rules of a school be changed or special examinations be given in order to make students eligible?

A. The IHSAA expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The IHSAA recommends no spites and no favors for athletes.

* * * *

11.

Q. Does wrestling come under the rules of the IHSAA?

A. Yes, all "inter" athletic participation comes under the IHSAA.

* * * *

12.

Q. May high schools belonging to the IHSAA take part in track meets or tourney games outside of Indiana?

A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the high schools belonging to the IHSAA must be held under the direct supervision, management and auspices of the member high schools concerned, or under the IHSAA. Interstate basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the IHSAA are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The IHSAA believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

* * * *

14.

Q. What is considered the school year?

A. A school year covers all time from the first day to the last day of the school year, including vacations. The IHSAA considers the first day of school to be the day that attendance is counted and teachers are paid.

66

15.

Q. Are tourney schedules drawn or arranged?

A. All tourney schedules in the IHSAA are drawn by lot by the Board of Control.

Wherever and whenever in the IHSAA membership the conditions are found to be such that the high school Principal is not the administrative head in name and in fact of the inter-school

athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the high school Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

* * * *

9.

Q. Is a "condition" or an "incomplete" considered a "pass" in the IHSAA?

* * * *

15.

Q. Are any special regulations in force pertaining to discharged veterans?

A. By action of the Athletic Council, May 23, 1947, all IHSAA special regulations concerning discharged veterans were discontinued.

77

16.

Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?

* * * *

17.

Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, September 12, 1953

Present: President Herman F. Keller, Wallace Aylesworth, Harold M. Dick, Larry Hobbs, Connor K. Salm, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

RENSSELAER

For several years Milroy Township (Jasper County), which has no high school had been transferring students to Remington High School. Beginning with the 1953-54 school year the Trustee of Milroy Township decided to provide transfers and transportation for these students to the Rensselaer City Schools. Principal Donald D. Utter of Remington stated that to his knowledge there was no undue influence involved so far as athletics are concerned.

Decision—The students transferred from Remington to Rensselaer under this arrangement are considered eligible as to residence at Rensselaer.

PERU—PAUL BINGAMAN

During the 1952-53 school year Paul Bingaman resided with an aunt in Kokomo where he was enrolled in Kokomo High School. Since the aunt can no longer provide a home for the boy he is living with his mother in Peru where he is also enrolled in high school. Letters were on file by Principal O. I. Farmer of Kokomo and Principal Earl Delph of Peru stating that it was necessary for Paul to make this change in order to have a home.

Decision—Paul Bingaman considered eligible as to residence in Peru High School.

SPENCER—LAVONN ABBITT

This boy lived with his parents in Richland Township, Monroe County, last year and attended Ellettsville High School. He is now living with relatives in Owen County and is enrolled in Spencer High School. There has been no change of residence on the part of the parents.

Decision—Lavonn Abbitt is considered ineligible as to residence for one calendar year beginning on the date he enrolled at Spencer this semester.

SHARPSVILLE—ROBERT WALLPE

This boy's parents are deceased. A sister with whom he had resided in Kokomo moved to California. Robert then went to Sharpsville to live with a brother. He is now attending Sharpsville High School. Principal O. I. Farmer certified that in his opinion the change of residence was necessary in order for Robert to have a home.

Decision—Robert Wallpe considered eligible as to residence at Sharpsville High School.

ROACHDALE—THOMAS PRATT

This boy lived with his parents and attended New Market High School last year. Following the close of school he left home and took up residence with an uncle in the Roachdale school district where he is now enrolled. The parents later moved to Crawfordsville.

Decision—Thomas Pratt considered ineligible for one calendar year from the date of enrollment at Roachdale.

ARSENAL TECHNICAL (INDIANAPOLIS)—ALLEN JORDAN

This high school conducts both day and evening classes. Allen Jordan is enrolled in three classes in the evening school. Principal H. H. Anderson asked if credits earned by this boy in the evening classes may be counted toward eligibility in inter-school athletics.

Decision—Credit in the evening school may be counted toward eligibility provided it is made a part of Allen Jordan's permanent record to be counted toward graduation from high school.

CROWN POINT—LARRY SLAGLE AND ROBERT MOELHAM

These boys reside in Hanover Township (Lake County) which has no high school. Last year they attended St. John's High School (Dyer). After they had reported to St. John's this year for pre-school football practice, it was decided that students in the section of Hanover Township where they resided would be transferred to Crown Point because of lack of space at St. John's. Principal L. P. Hopkins of St. John's filed a letter with the IHSAA explaining the circumstances under which these transfers were made.

Decision—Larry Slagle and Robert Moelham considered eligible as to residence at Crown Point High School.

BURNEY—PHILIP GROTE

This boy resides in the Burney High School district. During the past two years he has attended Greensburg High School in order to get vocational agriculture. This year Burney High School is offering vocational agriculture and Philip has enrolled there because he is unable to obtain a transfer.

Decision—Changing schools; without a change of residence, in order to get subject matter not offered in the home high school is not accepted as a reason for waiving the change of residence rule.

Philip Grote therefore, is considered ineligible as to residence for one calendar year beginning on the date of enrollment at Burney.

TELL CITY—MERRILL LITHERLAND

Because of age this boy was advanced to the ninth grade without completing requirements for promotion to high school. Principal Wendell P. Hurst asked for a ruling on his scholarship eligibility status.

Decision—It was decided that Merrill Litherland should be withheld from inter-school participation until after the first six weeks grading period in order to determine his ability to meet scholastic eligibility requirements.

MIDDLETOWN—JOHN MEYERS

MEMBERSHIP

(a) ROUND GROVE

Due to the small enrollment all students of Round Grove High School have been transferred to Wolcott High School for the 1953-54 school year. Principal Glen D. Dean requested that Round Grove be permitted to retain membership in the IHSAA on the grounds that the school may be reestablished next year.

Decision—Since Article II, Section 1, of the IHSAA Constitution requires that a school offer at least three years of work to qualify for IHSAA membership, it was decided that Round Grove is not eligible for membership during the 1953-54 school year.

(b) PAUL H. SCHULTE—TERRE HAUTE

REITZ MEMORIAL (EVANSVILLE)

Reitz Memorial High School of Evansville has asked about making an exception to the Change of Residence Rule for a boy who enrolls in a seminary for the priesthood and subsequently returns to his home high school.

interschool athletic program if they so desire, and (d) a student could return to his home school for athletic reasons.

BASKETBALL RULES

This boy attended South Bend Central High School for three semesters and then enrolled in Plymouth on January 28, 1953. Charles' parents have not changed their residence from South Bend to Plymouth. The boy is paying his own tuition at Plymouth High School. Decision—Charles Graham is considered ineligible as to residence at Plymouth High School until January 28, 1954.

ADAMS CENTRAL—RICHARD RUMPLE

This boy transferred from Marion High School to Adams Central where he lives with his father and stepmother. While in Marion, he lived with his mother and stepfather who are now divorced and the mother has moved with her aunt in Marion. Mr. Dick is to go to Marion to talk with Principal Dean Smith and others regarding the matter and report his findings at a later meeting.

This boy's parents have been divorced for sometime and his legal guardian is his grandmother. William lived with her in Trenton, Ohio,

until last year. The grandmother moved to Franklin Township about a year ago, but William remained in Trenton, with an uncle to finish school. This was not a satisfactory arrangement; therefore, the boy came to Ripley County to live with another uncle. It was planned that he return to the grandmother this fall and attend school at Milan. However, it was learned that William would have to walk some distance to catch the school bus if he lived with the grandmother so it was decided it would be best for the boy to remain with the uncle and attend school at Osgood, as the school bus passes the uncle's house. Letters were on file from the Principal at Trenton, Ohio and Principal Austin Funk of Osgood.

Decision—William Johnson is considered eligible as to residence at Osgood High School.

Decision—Richard Rumble is ineligible for one calendar year, beginning with the date he enrolled at Adams Central High School.

PENNVILLE—SAMUEL NORRIS

Decision—Miles Autrey is considered eligible at Switz City High School so far as residence is concerned.

SWEETSER HIGH SCHOOL—MICHAEL KELLER

This boy has lived in Chicago with his mother and attended school there. During the summer he has spent his vacation in Sweetser with relatives. He returned to Chicago this fall and entered school; however, he preferred to attend school in Sweetser and his mother permitted him to return to Sweetser where he enrolled in school.

Decision—Michael is ineligible for one calendar year, beginning with the date he enrolled at Sweetser High School.

SCOTTSBURG HIGH SCHOOL—ROBERT LYNN PEDEN

Robert Peden lived with his father in South Pittsburg, Tennessee, where he attended school during his freshman and sophomore years. In August, 1953, this boy moved to Scottsburg to live with his mother. The Athletic transfer blank and copy of the court order transferring custody to the mother have been filed by Principal Spradley of Scottsburg.

Decision—Due to the fact that this boy's residence has been established by a court order, he is considered eligible as to residence at Scottsburg High School.

DANVILLE—WILLIAM PAUL SOKELAND

This boy, whose parents are divorced, attended Oakland City High School during the first semester of 1951-52; at which time he lived with an aunt. At the beginning of the second semester he transferred to Mackey High School and made his home with his grandmother. During the summer he moved to Danville, where he lives with his father. William enrolled in Danville on August 29. Principal James R. Null, of Mackey, stated that he felt the move to Danville was to establish a permanent home for the boy and a necessary move.

Decision—William Paul Sokeland is considered eligible as to residence at Danville High School.

ROSEDALE HIGH SCHOOL—JOHN VIROTSKO

This boy lived with his mother and stepfather in Vancouver, Washington, where he attended Evergreen High School. This fall the boy moved to Rosedale, where he is living with his father. The athletic transfer blank was also filed in this office by Principal McHargue of Rosedale High School.

Decision—John Virotsko is considered eligible as to residence at Rosedale High School.

LOGOOTEET—ODON-MADISON—JAMES BLAND

James Bland resides with his parents in Perry Township (Martin County) which maintains no high school. Logootee (city) High School is located in this township. James completed the eighth grade last spring in Crane Elementary School in Perry Township. At the beginning of the present semester he enrolled and attended classes one day at Odon-Madison High School, after which he withdrew and

entered Loogootee High School. Principal Leo J. Costello of Loogootee requested the Board of Control to investigate the circumstances under which James enrolled at Odon-Madison and also to clarify his residence eligibility status at Loogootee. In connection with this case the following persons were present: Superintendent Wayne Hays, Principal Kenneth Jensen and Coach Don Davis of Odon-Madison High School and Principal Costello, Coach Lester Page and James Bland of Loogootee High School. Also present were Trustee Paul O'Maley of Perry Township and Omer Bland, father of James.

Although the testimony was lengthy and somewhat conflicting, the Board of Control considered the following points to be a fairly accurate summary:

1. In 1945, the then Trustee of Perry Township had designated Loogootee as the high school to which transfers would be given with transportation furnished.

2. Some transfers had been issued since 1945 to Odon-Madison and other high schools.

3. Due to a misunderstanding over transportation charges last year, Trustee O'Maley had decided against further transfers to Odon-Madison for students not previously enrolled there. This new policy had not been made clear to Superintendent Hays who is serving his first year at Odon-Madison.

4. James Bland stated that prior to the opening of school, he had met Coach Don Davis while in Odon, at which time Coach Davis informed him that transfer arrangements had been made. This was admitted by Coach Davis both at the hearing and in a written statement filed earlier with the IHSAA.

5. James Bland enrolled in Odon-Madison believing that he would get a transfer. Upon learning that this was incorrect and being informed by Superintendent Hays that a transfer would be necessary for him to attend Odon-Madison, he withdrew immediately and enrolled at Loogootee.

Decision—1. In the future, Odon-Madison High School is not to enroll any Perry Township students interested in inter-school athletics until a definite agreement on transfers has been made in writing between the Trustee of Perry Township and Odon-Madison school officials.

2. Coach Don Davis is reprimanded for assuming the authority to tell a student that arrangements for a transfer had been made. Superintendent Hays is directed to order Coach Davis to leave such administrative matters to the Superintendent and Board of School Trustees in the future.

3. Since James Bland apparently was confused by the conflicting information he received on the matter of a transfer, he may be considered eligible as to residence at Loogootee High School.

GILEAD HIGH SCHOOL—STEVE KONJEVICH

This boy attended Gilead High School during his first year and first semester of his sophomore year. During this time his parents lived in Perry Township, Miami County. They owned property in

Arizona and sold their property in Indiana moving to Arizona. Steve moved with his parents and attended Glendale High School (Arizona) the second semester of 1952-53. On June 20, 1953, Steve, his mother and older brother returned to Gilead and established residence. The father did not return. The three worked at a poultry farm. In October, 1953, the mother returned to Arizona and the father returned to Gilead, where he is now living. However he will return to Arizona later. When the father leaves, Steve will live with Mrs. Ella Huffman.

Decision—Steve Konjevich is considered eligible as to residence at Gilead High School.

CHESTER TOWNSHIP (NORTH MANCHESTER)—GAYLORD MILLER

This boy entered Chester Township High School, October 26, 1953, from Central of Fort Wayne. While he attended school in Ft. Wayne, he lived with his parents. At the present time he is living with an older brother in the Chester Township school district. Letters are on file from Walter H. Nagle, Probation Officer of the Juvenile Court of Allen County, stating that although there is no court order for this move, the welfare authorities deemed it best that he stay with his older brother, who has full custody of Gaylord.

Decision—Gaylord Miller is considered eligible, as to residence at Chester Township High School.

ELNORA HIGH SCHOOL—CARLOS ARNEY

This boy attended Otterbein High School during the school year of 1952-53, while living with Mr. William Martin, a friend of the family. Mr. Martin was in poor health and needed help with the farm work. In the spring of 1953, Mr. Martin died and Carlos returned to his parents in Elnora. He enrolled in Elnora High School at the beginning of the present semester. Letters are on file from Principal Frank Ogles of Otterbein High School and Principal Albert E. Rinsch of Elnora regarding this matter.

Decision—Carlos Arney considered eligible as to residence at Elnora High School.

TOURNEY TICKET DISTRIBUTION

The following principals from Randolph County appeared before members of the Board of Control to discuss the plan of state tourney ticket distribution: Principal Robert H. Lundy, Jefferson High School; Principal Richard E. Wright, McKinley; Principal Harry V. Smith, Ridgeville; and Principal Robert Egly, Farmland.

The discussion covered a review of the compromises reached between large and small schools during the past, reasons for the present plan of distribution and the probable effects of television on future tourney attendance. No action was taken.

COLUMBUS HIGH SCHOOL

Robert Selby participated in cross country meets this fall while attending Columbus High School. At the time of these meets he was ineligible for such participation. Principal Erne has requested a

ruling as to whether the points won by the boy are forfeited or the points earned by the entire team.

Decision—Cross Country is a team sport when five or more boys participate; therefore, any boy who starts in the race is considered on the team and all points and honors won are forfeited as a team.

BLUFFTON—PORTLAND

Umpire Vernon Hess reported that in a football game between Bluffton and Portland fighting that involved members of both teams occurred during the fourth quarter. Order was restored quickly and the game was continued without a penalty to either team. Mr. Hess also said that after the incident, he overheard the Bluffton coach telling his players to use rough tactics during the remainder of the game.

Principal Fred F. Parks of Bluffton, Principal H. S. Brubaker of Portland, Referee Phil Bail and Headlinesman Leo Huffman all filed written reports at the request of the IHSAA. Both principals expressed regret over the incident, emphasized the long period of friendly athletic relations between the two schools and indicated a desire to continue those relations. Officials Bail and Hoffman said they did not hear Coach Leslie Dold of Bluffton giving instructions for rough play as reported by Umpire Hess. Coach Dold denied telling the Bluffton players to use any unfair tactics. He did say he told the boys "to bear down, play ball and not to take anything from the Portland team."

Decision—The Board of Control voted that (a) Bluffton and Portland be informed that fighting among players and/or fans cannot be tolerated and further incidents of this kind will result in penalties being assessed, (b) before their teams meet again, the school officials of both Bluffton and Portland are to take extra precautions against further trouble, (c) Principal Parks is to direct Coach Dold not to use any language which might be construed by either the game officials or players as indicating the use of unfair or rough tactics, and (d) to express thanks to Umpire Hess for his prompt report of the incident to the IHSAA.

BRAZIL HIGH SCHOOL

On Sunday, November 1, 1953, Coach Max Kidd of Brazil High School conducted football practice. This was in violation of the IHSAA rules which prohibit practices and games on Sunday. Principal C. C. Sexton stated that the practice was held without his knowledge or consent. Coach Kidd said that he did not know that such a rule was in existence.

Decision—Brazil High School is hereby warned that any further practicing on Sunday will result in the suspension of the school for such period of time as may be determined by the Board of Control.

Principal C. C. Sexton is charged with the duty of requiring Coach Kidd to familiarize himself with all the rules and regulations of the IHSAA immediately.

OTWELL HIGH SCHOOL

Principal Clifford Gates of Otwell High School reported to this office that the Regular Distribution check mailed to them on October 1 was destroyed by a fire which totally destroyed the post office in that town on October 5.

The Board gave permission for a duplicate check to be issued to this school.

KELLOGG COMPANY CONTEST

Commissioner Phillips reported that he had received a letter from the Kellogg Company regarding their contest to send a football team to the Orange Bowl game. He informed the company that it was against the IHSAA rules for a team or school to accept such prizes from any organization.

CROSS COUNTRY MEETS

The financial reports of the sectionals and state Cross Country Meets were unanimously approved by the Board of Control and ordered published in the 1954 Handbook. There were no receipts while a deficit of \$235.94 was incurred on the sectionals and \$513.60 on the state meet.

ATHLETIC COUNCIL ELECTIONS

The petitions of candidates for the Athletic Council in the election to be held December 1-10, were checked and approved. The Commissioner was directed to use the same type of ballot for voting as was used in the 1952 election.

Assistant Commissioner Hinshaw reported on the recommendations made at a meeting he had held with the Committee on Wrestling. Plans were also discussed with the Board for the IHSAA sponsored Wrestling Coaches Clinic to be held November 23.

MEMBERSHIP

The membership application of St. Francis High School (Lafayette) for modified membership in the IHSAA was approved.

BASKETBALL TIMING DEVICE

Mr. Robert A. Dresbach of South Bend Muesel Junior High School appeared before the Board to demonstrate timing equipment intended for use at the end of a playing period in a basketball game. The device is so constructed that it will close the basket simultaneously with the sound of the buzzer ending the period. No field goal could be made as a result of a ball in flight when the buzzer sounds.

Mr. Dresbach was given permission to demonstrate the mechanism in a regularly scheduled game provided he gets the mutual consent of the participating schools. It is understood that the principal of the host school is to notify the IHSAA that mutual consent has been given for the demonstration.

The Board of Control adjourned to meet Saturday, November 21, at 9:30 a.m. in the Memorial Union Building at Indiana University.

Since the township maintains no high school, George was transferred to Broad Ripple High School (Indianapolis) during his freshman, sophomore years and the first semester of his junior year, after which time he enrolled at Howe Military School.

Headmaster Kelly of Howe Military School stated that the intention of the Wyatt family to move from the Broad Ripple area was a factor in the boy's enrollment at Howe. No bona fide change of residence was made until November 3, 1953, when the Wyatts moved to R. R. 4, Greenwood. Headmaster Kelly asked the Board for a ruling on George's residence eligibility.

Decision—George Louis Wyatt is considered eligible as to residence at Howe Military School as of November 3, 1953.

Olympus school district, where he lived with another brother. He enrolled at Mt. Olympus this fall. Principal Knight has requested a decision regarding his residence eligibility. Principal Roy R. Snyder of Vincennes has filed a letter stating that in his opinion it was necessary for Larry to live in Mt. Olympus in order to have a home.

The Commissioner reported that \$40,000.00 in U. S. Securities would be due and payable December 1, 1953. Decision—William Moriarity considered ineligible as to residence for one calendar year at Decatur Central unless a statement is filed with the IHSAA from Principal Yarrison that it was necessary for William to move to Indianapolis in order to have a home.

WHITING HIGH SCHOOL—CARL JENKINS, LEROY AND JAMES SATTERLEE

Due to the death of Carl Jenkins' father and the death of Leroy and James Satterlee's mother the three boys have been residing and attending school in Moosehart Orphanage, Moosehart, Illinois. Recently the Satterlee boys' father married the mother of Carl Jenkins and a home was established at Whiting. The three boys have now gone to live with the parents and have enrolled in Whiting High School. Principal Henry F. Alderfer of Moosehart filed athletic transfers stating that he knew of no reason why the boys should not be considered eligible at Whiting.

Decision—Carl Jenkins, Leroy and James Satterlee are considered eligible as to residence at Whiting High School.

ELMHURST (FT. WAYNE)—HARLAN

The Elmhurst and Harlan basketball game was played in the New Haven gymnasium, December 1, 1953, with the latter school serving as host. In the final seconds of the fourth quarter with the score Harlan 41, Elmhurst 34, the game was called as a result of serious trouble on the floor. Written reports had been filed by Principal Norman W. Michels of Harlan, Principal Paul Haller of Elmhurst and Referees George Collyer of Ft. Wayne and Floyd A. Reed of Decatur.

The following persons appeared before the Board of Control: for Elmhurst, Principal Haller, Coach William Geyer, and Robert Wilson, a player; for Harlan, Principal Michels, Coach John Petrick and Jerry Spindler, a player. Also present was Referee Collyer.

As usual in such cases, there was conflicting evidence, but a review of the written and verbal reports appear clearly to establish the following situations: (1) Referees Collyer and Reed observed an atmosphere of tension among players and fans of both schools prior to the opening of the game. This was presumed to be a carry over from a game played by the two schools last year. (2) Jerry Spindler admitted spitting in the face of Robert Wilson of the Elmhurst team, during the third quarter. (3) Robert Wilson admitted that he planned to get even in a "pile up" and that he struck Spindler with his fist in the final seconds of the fourth quarter. (4) Fans and the players from both benches rushed onto the floor. No one was able to testify as to how many blows, if any, were struck by players and fans before some semblance of order was restored. (5) School officials and the referees mutually agreed that no effort be made to finish the game. (6) The officials were escorted to the dressing room by the two

coaches and Principal Michels. (7) No policeman or other law enforcing officer was present. Principal Haller was not present. (8) Both coaches seemed more interested in their won and lost columns than in teaching their players good sportsmanship and fair play at least so far as this particular game was concerned. (9) The two schools have mutually agreed to discontinue athletic relations for a period of two years, and (10) No disciplinary action had been taken by the principals with reference to the two students involved in the trouble.

Decision—(1) Robert Wilson and Jerry Spindler are suspended for all interschool athletics until January 17, 1954, with the understanding that neither boy is to be eligible to compete in any contest his school may postpone during this period of suspension. (2) Both Elmhurst High School and Harlan High School are placed on probation in the IHSAA until June 1, 1954. (3) Coaches Geyer and Petrick are reprimanded for failure to insist upon good sportsmanship and fair play at all times on the part of their players. (4) Principals Haller and Michels are directed to inaugurate a campaign for good sportsmanship among their players, students and fans and to notify the IHSAA that this has been done.

The action herein taken by the Board of Control is intended as a warning, not only to Elmhurst and Harlan, but to all other member schools that brawls and rowdyism must not be tolerated at basketball games. The Board will not hesitate to invoke suspension of a school if such action becomes necessary to maintain order at games.

MISCONDUCT AT BASKETBALL GAMES

Commissioner Phillips reported that Principal Charles W. Hames of Mt. Vernon had informed this office of an attack on official Harold Gourley during the Mt. Vernon-Cynthiana game November 17, at Cynthiana. Wade Organ, who was the offending spectator, was charged with assault and battery before Justice of the Peace Wyman Wallace. He pleaded guilty and paid a fine.

A letter from Principal E. H. Bass of Shelbyville was also presented to the Board regarding a fight which occurred among students at a recreation center following the Shelbyville-Muncie game, November 25, 1953 at Shelbyville. Principal Bass reported that the chief offenders had been arrested and scheduled for trial December 12, 1953.

Since these two cases appeared to have been satisfactorily handled by local officials no action was taken by the Board.

The Commissioner presented a letter from Dee Coe, President of Indiana Broadcasters Association, regarding a special broadcast commemorating the Fiftieth Anniversary of the IHSAA. This broadcast would originate at the Butler Fieldhouse, March 20, 1954, the day of the State Final Tournament. The offer of the Broadcasters to provide the anniversary program, provided it is completed by 12:30 p.m. and the content and sponsor are acceptable to the Board, was approved.

BASKETBALL TOURNEYS

The Board approved a proposition by Indiana University to improve seating arrangements for the Bloomington Semi-final and authorized the Commissioner to contact Principal Donald L. Simon and inform him that the cost of such improvements should be taken from the receipts of the Semi-final tournament held at Bloomington.

The Commissioner is to work with the various center principals in making arrangements for televising the tournaments.

The Board reviewed the work done at previous sessions on the 1954 State Championship Series of Basketball Tourneys. Final approval was given for the location of sites, ticket prices, number and pay of officials, distribution of tickets, approval of two-site and divided one-site tourneys, and other details necessary to the conduct of the entire series. The Commissioner was directed to sign definite contracts in duplicate with all tourney center principals and to prepare the tourney bulletin for distribution to the member schools and the press, setting forth all details in connection with the conduct of the tourney. The Commissioner's office was authorized to make minor adjustments which may be necessary in publishing the tourney bulletin.

Approval was given for Mr. Fred Gorman of Technical High School to assist with the State Tournament.

The Board of Control adjourned to meet in Indianapolis on January 16 and 17, 1954 at 9:30 in the IHSAA office.

Herman F. Keller, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 16 and 17, 1954

Present: Herman F. Keller, President; Wallace Aylesworth; Harold M. Dick; Lawrence Hobbs; Connor K. Salm; Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The Minutes of the previous meeting were approved as written.

HAMLET HIGH SCHOOL—ALBERT MATYSAK

This student lived in Chicago, Illinois, with his parents and attended Lane Tech High School, where he enrolled for his seventh semester at the start of the present school year. He later withdrew from Lane Tech and enrolled September 14, 1953, in Hamlet High School. He resides alone in a home that is under construction. The parents state that they plan to move to this home when they have disposed of their business in Chicago.

Decision—Albert Matysak is ineligible as to residence for one calendar year beginning September 14, 1953, with the understanding that if the parents made a bonafide change of residence from Chicago to Hamlet, he may become eligible as to residence immediately.

COLUMBUS HIGH SCHOOL—DARRELL HENDRY

This student lived in Bay Springs, Mississippi, with his grandparents, Mr. and Mrs. J. D. Hendry, since he was five years of age, due to the fact that his parents are divorced. Shortly before Christmas, his grandmother died and also the home of the grandparents was destroyed by fire. Therefore, Darrell moved to Columbus with his mother, Mrs. Jack Jackson. Principal Erne of Columbus has asked for a ruling on Darrell's residence eligibility. Statements were filed by both principals concerned with this case.

Decision—Darrell Hendry is considered eligible as to residence at Columbus High School.

HAYDEN HIGH SCHOOL—GERALD LEE KIGAR

This student attended Seymour High School for two years at which time he lived with his mother and stepfather. During the summer of 1952, he visited his father and grandparents in Ohio and remained with them, entering Hamilton High School (Hamilton, Ohio), in January 1953. He re-enrolled the first semester of this year and withdrew at Thanksgiving vacation time. His mother had moved to Spencer Township, Jennings County and upon his return, he entered Hayden High School on December 2. Principal Moore has asked for a decision regarding his residence eligibility.

Decision—Gerald Lee Kigar is ineligible for one calendar year beginning with the date of his enrollment at Hayden High School.

SOLSBERRY HIGH SCHOOL—THOMAS MURPHY

This student lived with his mother in Greenfield where he attended high school. This year he moved to Solsberry where he lives with his brother, Richard Murphy. He entered Solsberry High School and Principal Eller has asked for a ruling regarding his residence eligibility. Principal Caress of Greenfield filed a statement with this office that the mother was living in the family home in Greenfield.

Decision—Due to the fact that the letter from Principal Caress states that the home still exists and the mother is living in the

home at Greenfield, the Board decided it was not necessary for Thomas to move to Solsberry in order to have a home. Therefore, Thomas Murphy is ineligible for one calendar year beginning with the date of his enrollment at Solsberry High School.

STRAUGHN HIGH SCHOOL—KENNETH CATE

This student attended school in Bentonville and completed the eighth grade in the spring of 1953. Bentonville High School was discontinued this year and Mr. Kenneth Caldwell, Trustee, would pay transportation to Connersville High School only. Some of the patrons of Bentonville High School decided to send their children to Straughn High School by private transportation. The parents of Kenneth did not feel that they wanted their children to be transported to Straughn in private cars and therefore the Cate children enrolled in Connersville on September 3, 1953. On the night of September 3, 1953, a driver was secured to transport the students from Bentonville to Straughn High School. Later Trustee Caldwell assumed responsibility for transportation to Straughn. Principal Gerald French of Straughn High School has asked for a ruling as to the residence eligibility of this student, who enrolled at Straughn on September 4, along with fifteen other students.

Decision—Kenneth Cate is considered eligible, as to residence, at Straughn High School.

ELMHURST (FT. WAYNE)—HARLAN

Commissioner Phillips reported that he had received letters from the principals of these two schools stating that they had held meetings with their students and basketball teams stressing good sportsmanship.

ROCHESTER—PERU

The Board considered reports of referee Hemminger, Principal Baldwin and Coach Mathias of Rochester and Principal Delph of Peru regarding an incident at the Peru-Rochester basketball game involving Tom Herendeen, a member of the Rochester team, as well as the assistant coach Ed Trexler. Mr. LeRoy Hemminger has accepted the apology of the student and school authorities have withheld Tom Herendeen from one game and placed him on probation for the balance of the season. A final decision in this case was postponed pending further investigation of the conduct of Mr. Trexler at Peru.

INDIANAPOLIS TELEVISION

The Board approved the \$10,000 guarantee of the Indiana Bell Telephone Company for televising the basketball tourney series in Indianapolis and accepted the check for deposit with instructions that the loss (if any) in each tourney be proportioned according to the financial loss sustained in each tourney.

HARTFORD CITY SECTIONAL

Principals of schools participating in the Hartford City Sectional requested the Board to permit their sectional to be played on the same time schedule as was used last year. The Board voted to grant no exceptions to the sectional tourney time schedules as previously approved and published.

BASKETBALL TOURNEYS

1. It was unanimously decided that the Spaulding basketball be used in the 1954 State Final Tourney.

2. The drawings of the tourneys are to be made Wednesday afternoon, February 17. The Commissioner was instructed to invite representatives of the three Indianapolis newspapers and the three press associations to the drawings. The drawings are to be delivered to the press services just as far in advance of the release time as possible. The release time is set for 8:00 a.m. Thursday morning, February 18.

3. The Board approved the plan used last year, in which the IHSAA cooperated with the Indiana Broadcasters' Association in the allotment of space to the various stations in the state for broadcasting the Final Tourney.

4. **BLOCK DRAWINGS FOR FINAL TOURNEY TICKETS**—The drawings for blocks of seats at the State Final Tourney for the four schools in the tourney and the twelve other semi-final schools were made, with the following results:

Final Tourney Schools:

School No. 1 drew Block No. 2	School No. 3 drew Block No. 4
School No. 2 drew Block No. 1	School No. 4 drew Block No. 3

Semi-Final Tourney Schools:

School No. 1 drew Block No. 3	School No. 7 drew Block No. 8
School No. 2 drew Block No. 1	School No. 8 drew Block No. 9
School No. 3 drew Block No. 5	School No. 9 drew Block No. 12
School No. 4 drew Block No. 6	School No. 10 drew Block No. 10
School No. 5 drew Block No. 11	School No. 11 drew Block No. 4
School No. 6 drew Block No. 7	School No. 12 drew Block No. 2

5. The names of the schools will be arranged alphabetically by cities as soon as they are known, then numbered in this order—and the plan automatically operates.

6. The Commissioner was authorized to handle complimentary tickets under the same plan as used in previous years.

7. The Board selected a tentative list of officials to be used in the tourney series and Articles of Agreement are to be mailed by the Commissioner to this list of officials.

8. The Board approved the time schedules for the two-bracket and

two-site tourney series and Eastern Standard Time schedule was approved for the Lawrenceburg Sectional.

9. The Board voted to continue the liability and compensation policies now in force for the tourneys.

10. TELEVISION POLICIES

The Board approved the request of Center Principal Carl Shrode to arrange for television at the Evansville sectional and regional with the understanding that only one station have cameras in the gymnasium. Principal Shrode was instructed to request the station or stations televising the tourneys to deposit a guarantee of \$5,000 for the Sectional and \$3,500 for the Regional.

11. The Board approved the filming of the 1954 State Basketball Tourney and voted to discontinue the sound picture for 1954. Only silent prints will be made.

The Board of Control adjourned to meet again in the IHSAA office at 9:30 a.m. February 6, 1954.

Herman F. Keller, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 6, 1954

Present: Herman F. Keller, President; Wallace Aylesworth; Harold M. Dick; Lawrence (Larry) Hobbs; Connor K. Salm; Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The Minutes of the previous meeting were approved.

SOMERSET HIGH SCHOOL—JAMES WILLIAM SMITH

James William Smith formerly resided with his parents in Noble Township, Wabash County, where he was enrolled in Noble Township High School for three semesters, from September 1949 to January 1951. In 1950, the parents were divorced and James was placed in the custody of his mother. After withdrawal from Noble Township High School, James joined the Air Corps where he served until October, 1953. The father now resides in Somerset and the mother has moved to Wabash. Following his release from the Air Corps, James went to Somerset to live with his father and enrolled in Somerset High School, January 11, 1954. The court approved this arrangement and placed James in the custody of his father.

Decision—James William Smith is considered eligible as to residence at Somerset High School.

ROCHESTER HIGH SCHOOL

At the last previous meeting, final action had been postponed on an incident that had occurred at the Rochester-Peru basketball game, January 6, 1954, in order to further investigate the conduct of Ed Trexler, Head Football Coach and Assistant Basketball Coach at

Rochester. Referee LeRoy Heminger had placed the chief blame for the Peru incident on Mr. Trexler. While he received, and accepted, letters of apology from Tom Herendeen, the player involved, and Rochester school officials, none had been received from Mr. Trexler. In the course of the investigation it was brought to the attention of the Board of Control that Coach Trexler's players, at the Rochester-Huntington football game played October 16, 1953, had gone on the field with their legs heavily greased with analgesic balm. Due to the excessive quantities of grease on the legs it seemed evident that the purpose was to make tackling more difficult. The referees reported that on protest of Coach Williams of Huntington they had the grease removed, but that substitutes entering the game later still had their legs greased. This necessitated stopping the game to remove the grease from those players.

Principal Harman A. Baldwin and Coach Trexler appeared before the Board of Control. Trexler admitted that he had been in error both in his conduct in connection with the Peru incident and in his efforts to use players with greased legs in the Huntington football game. Principal Baldwin stated that both he and Raymond S. Julian, Superintendent of Schools, had informed Mr. Trexler that he must abide by the rules of the game as well as the standards of good sportsmanship.

Decision—1. The Board of Control approved the action of the Rochester school officials for: (a) disciplinary measures applied to Tom Herendeen for his part in the Peru affair. (b) letters of apology to Referee LeRoy Heminger and to Peru High School; (c) directive to Coach Ed Trexler to observe the rules of play and standards of sportsmanship; and (d) efforts to improve the sportsmanship of the school and community.

2. Coach Ed Trexler is severely reprimanded for his actions at Peru and his efforts to gain advantage through reprehensible, outmoded practice, which was outlawed by the football rules makers many years ago. Coach Trexler is directed to send letters of apology to Referee Heminger and also to Huntington High School officials. He is further directed to cooperate fully with the principal and other Rochester school officials to the end that Rochester High School's interschool athletic program will be conducted in accordance with the highest standards of sportsmanship.

HELTONVILLE HIGH SCHOOL

The Commissioner reported the eligibility case of a Heltonville High School student under the conduct rule had been settled without the necessity of a hearing before the Board of Control.

SECTIONAL WRESTLING MEET

Approval was given to the assignment of schools entered in the IHSAA wrestling meet to the four sectional sites.

COACHING SCHOOL AND CLINICS

Approval was given to plans for a state wide clinic on track and

field events at Butler University, March 29, 1954. The Commissioner reported that efforts are being made to secure competent instructors for the summer coaching school to be held at Indiana University, August 9 to 12, 1954.

BASKETBALL TOURNEYS

The following actions were taken:

(a) A trumpet is to be used in playing the Star Spangled Banner at the State Final Tourney.

(b) Due to the scarcity of tickets for the Final Tourney, caused by increased enrollment, only members of the General Commission of the State Board of Education will be eligible to receive complimentary tickets.

(c) Since there are five awards to be made following the final Championship game, it was decided that the President of the Board of Control will present the Championship Trophy and the other members are to draw lots to determine what awards each will present.

(d) Tentative assignment was made for officials in the sectional and regional tourneys with the understanding that changes may be made later. A tentative list of officials for the semi-final tourneys was made. Attention was given to the selection of officials for the Final tourney, but definite action was delayed until a later date.

(e) Since it is anticipated that all tickets to the Final tourney will be sold in advance, any station so requesting may carry a live telecast of the games provided in has a satisfactory sponsor and makes proper arrangement with WFBM-TV, Indianapolis, the originating station. The Commissioner was directed to check requests to film games at any of the tourneys to be used on television at a later date.

(f) It was decided that requests from radio stations, located outside of Indiana, to broadcast tourney games prior to the state final tourney, be left to the Center Principals, of the various tourneys. It is understood that broadcasting privileges be granted only to the stations that agree to abide by the IHSAA rules and regulations for broadcasting tourneys.

STATE TRACK MEET

Approval was given for the filming of the State Track and Field Meet this spring. Silent prints are to be made.

Plans for the Meet were discussed briefly with action postponed until a later meeting.

The Board of Control adjourned to meet again in the IHSAA Office at 9:00 a.m. February 17, 1954.

Herman F. Keller, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 17, 1954

Present: Herman F. Keller, President; Wallace Aylesworth; Harold M. Dick; Lawrence (Larry) Hobbs; Connor K. Salm; Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The Minutes of the previous meeting were approved.

BAUGO TOWNSHIP HIGH SCHOOL

Referee Leonard Beehler reported that following the Baugo Township-Bristol basketball game, played at the Baugo Township Gymnasium, he was struck by a fan, presumably from Baugo Township. He was unable to identify the offender. Principal Lyman L. Hann of Baugo Township was directed to make a thorough investigation. He reported that he was unable to determine by whom the blow was struck. He further stated that in the absence of any identification or affidavit by Mr. Beehler, he was unable to clear up the matter.

Decision—Principal Hann is directed to warn his entire community that the IHSAA expects the school to maintain order at athletic contests and especially to protect the officials. Any similar incident may result in the suspension of Baugo Township High School from membership in the IHSAA for a period of time not to exceed one year as may be determined by the Board of Control.

ROCHESTER HIGH SCHOOL

The Commissioner reported that Coach Ed Trexler had filed copies of apologies written to Referee LeRoy Heminger and Huntington High School, as directed by the Board of Control, February 6, 1954.

I.H.S.A.A. FINANCES

The Commissioner's office was authorized to invest surplus funds received from the tournaments in United States Government securities, with the understanding that the Commissioner will report to the Board of Control on these investments at the next meeting following the State Final Tourney.

EDUCATIONAL POLICIES COMMISSION

The Commissioner reported that he had attended the panel discussion on the Educational Policies Commission's recent publication on school athletics at Atlantic City, February 14, 1954. He stated that the report admittedly was not based upon any widespread research or survey among all interested parties. He further reported that it was the opinion of many present that the report was decidedly slanted and biased against the entire interscholastic athletic program throughout the country.

FIFTIETH ANNIVERSARY PROGRAM

A report from the officers of the Indiana Broadcasters' Association stated that plans for a statewide radio program honoring the Fiftieth Anniversary, March 20, are progressing very satisfactorily.

TELEVISION

The Commissioner reported that contracts with stations televising all or parts of tournaments below the state final were being worked out satisfactorily in most cases. At the present time it seems that Ft. Wayne is the only site in which an agreement as to the amount of guarantee to be posted has not been reached.

It was decided that permission not be given to film tournaments for televising at a later date, as this might enable a coach to have an unfair advantage in scouting his opponent via television. Only the official filming of the final tournament games by the IHSAA will be permitted.

RELEASE OF TOURNAMENT PAIRINGS

The Board declined the request of a Cincinnati newspaper to have its reporter pick up the tournament pairings in Indianapolis the evening of February 17, for transmission by person to Cincinnati.

BASKETBALL TOURNAMENTS

(a) Officials and alternates for the State Final Tournament were selected by the Board of Control.

(b) All 751 entry blanks, having been filed on time and complete in every detail, were accepted.

(c) Assignment of officials to the tournaments was made.

(d) The schedules for the sectional, regional, semi-final and final tournaments were drawn by the Board of Control in the presence of representatives of the Indianapolis News and Times and the Associated Press, International News Service and United Press.

(e) The Commissioner was authorized to employ all necessary help for the State Final Tournament and to make any changes in plans which might be necessary in carrying out the state basketball tournament series.

TRACK AND FIELD MEET

Consideration was given to several recommendations by the Indiana Association of Track Coaches regarding the Track and Field Meets and also the Cross Country Meet.

It was decided to employ a recall starter, to assist the starter at the state final meet.

The Regional Track Meet is to be held on the Friday after the sectional and is to start no earlier than 3 p.m. and no later than 4 p.m.

It was voted that transportation expense for the State Track Meet be allowed as follows: Two dollars (\$2.00) per man for sixty miles or under, except for schools located within Marion County; Four dollars (\$4.00) per man for schools traveling between sixty and one hundred twenty miles; and six dollars (\$6.00) per man for schools located more than one hundred twenty miles from Indianapolis.

The Board is referring to the Athletic Council, the recommendation regarding a new point system for relays.

It was recommended by the Board of Control that all dual meets

scheduled by schools follow the schedule of events as that used in the State Final Meet.

CROSS COUNTRY

The Board approved the certifying of twelve (12) students, rather than ten, in the State Cross Country Sectional and Final.

The Board of Control adjourned to meet again, March 20, immediately following the afternoon session of the Final Tourney. It was also decided that the next meeting following the State Tourney, be held at 9:30 a.m. April 3, 1954.

LANCASTER CENTRAL—GEORGE ANDERSON

This student lived with various relatives in Iowa and was placed in the home of Rev. Lewis Klotzbach, with whom he is now living and attending Lancaster Central High School (Bluffton). A letter from Principal Clair E. Hugh of Belmond High School (Iowa), where George last attended school was on file regarding the case. Principal Harry L. Turner requested a ruling regarding his residence eligibility.

Decision—George Anderson is considered eligible as to residence at Lancaster Central High School.

PERU HIGH SCHOOL

Jack Arnold, Charles Buckalew and Jerry Thomason, students of Peru High School, participated in an independent tennis match at Muncie, after the opening of their school last September. Principal Earl Delph had asked the Board to review this case.

Decision—These students are ineligible for inter-school tennis for the remainder of the 1953-54 school year.

MODIFIED MEMBERSHIP ATHLETIC PARTICIPATION

Athletic Director G. L. Hess of Perry Township Junior High School asked for an interpretation of the rule regarding the participation of modified members in athletic contests and meets.

Decision—Due to the fact that Article II, Rule 2, of the IHSAA Constitution places certain limitations on modified members, which do not apply to the ninth grade teams of regular members, the Board approved a temporary ruling, until the next meeting of the Athletic Council, which will permit ninth grade teams of modified members to compete under the same rules that apply to ninth grade

teams of regular members. This temporary ruling will be in effect only for 1954 spring athletics. The matter will come before the Athletic Council for official action at the May Meeting.

I.H.S.A.A. FINANCES

The Commissioner's office was authorized to invest surplus funds received from the tourneys in United States Government securities, with the understanding that the Commissioner will report to the Board of Control on these investments at the next meeting.

ARTHUR L. TRESTER MEDAL FOR MENTAL ATTITUDE

The Board of Control observed the playing of members of the four State Final teams during the afternoon games. The information cards signed by the principal and the coach of each of the competing schools were carefully analyzed by the Board Members while players were in action.

It was unanimously decided by the Board of Control to award the Arthur L. Trester Medal for Mental Attitude to Bobby Plump of Milan High School.

The Board adjourned to meet again at 9:30 a.m., April 3, in the IHSAA Office.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 3, 1954

Present: President Herman F. Keller, Wallace Aylesworth, Harold M. Dick, Lawrence (Larry) Hobbs, Connor K. Salm, Commissioner L. V. Phillips, and Assistant Commissioner Robert S. Hinshaw.

The Minutes of the previous meeting were approved as written.

CONCORDIA LUTHERAN HIGH SCHOOL (Ft. Wayne)

Principal Herbert F. Birkman states that the Concordia Lutheran High School is owned and supported by thirteen Lutheran congregations in Ft. Wayne and vicinity. These churches maintain their own elementary school system, but high school students attend Concordia on payment of tuition. Some of the congregations maintain a fund to be used for the payment of tuition of needy students. Principal Birkman asked if acceptance of tuition from such a fund would affect the athletic eligibility of a student.

Decision—The Board of Control ruled that acceptance of tuition by a needy student would not affect his eligibility status, provided: (a) the fund is administered by the constituted authorities of the church; (b) that tuition assistance is granted to needy students without regard to athletic ability; and (c) that no part of such funds be used to unduly influence a student outside the Lutheran congregations to attend Concordia for athletic reasons.

MARTINSVILLE HIGH SCHOOL

The father of Keith Ogle, a member of the Martinsville basketball squad, owns a fishing camp which he operates during the summer. Mr. Ogle had invited members of the basketball squad to be his guests for a few days during this summer. No out-of-season athletic activities are planned.

Decision—The Board of Control decided that acceptance of Mr. Ogle's invitation would not constitute a violation of IHSAA rules.

CHARLESTOWN HIGH SCHOOL

Principal A. M. Bennett reported that on March 29, 1954, "Donkey Basketball" was played between the Charlestown High School faculty and the local Lions Club. During the intermission, some high school students rode the donkeys, but did not participate in the game. Principal Bennett asked if these students had violated the rules of out-of-season basketball.

Decision—It was decided that the Charlestown students had not actually violated IHSAA rules on out-of-season participation, but had come dangerously near to doing so. Principal Bennett is directed to warn his students, as well as outside organizations, on the rules of out-of-season participation in "Donkey Basketball."

PIERCETON HIGH SCHOOL—DONALD MERRIMAN

This student, who is an orphan, lived with Mr. Henry Freck, Arcola, where he attended Arcola High School. In September, 1951, he moved to North Webster, where he entered school. During this time he was living with his brother Robert Merriman; however, in November Robert enlisted in the army and left North Webster. Donald left school and worked the remainder of that school year and the next. Last summer he moved to Pierceton to live with an uncle, Mr. Thomas Hossler. Principal Howard Stouffer of Pierceton has requested a ruling as to his residence eligibility. Mr. Fred B. Blosser, Principal of North Webster at the time Donald Merriman attended school there, stated that it was necessary for Donald to move in order to have a home.

Decision—Donald Merriman is considered eligible as to residence at Pierceton High School.

REPORT ON I.H.S.A.A. TOURNEYS

The management, officiating and finances of all tourneys were checked, and no reason was found to investigate any of these tourneys. The records on file in the IHSAA office for the State Final Tourney show the exact number of tickets printed, the names of the purchasers, the number of complimentary tickets, the number of tickets on hand and the number sold. The report will be on file for the observation of any member school and the IHSAA auditor. A summary of these reports will be printed in the April bulletin and a complete report in the 1954 IHSAA Handbook.

Ratings and reports on the officiating of the various tourneys were examined and filed for the use of the Board of Control at the time officials are selected for the 1955 tourneys.

In accordance with instructions by the Board of Control, the Commissioner's office reported that IHSAA funds had been invested as follows: Purchased U. S. Treasury Bill due June 24, 1954, in the amount of \$100,000.00; exchanged Series F Bonds amounting to \$14,000.00 for \$20,000.00 in Series J Bonds, due March, 1966. RILEY HIGH SCHOOL (South Bend)—DAN JONES

This student lived with his mother in Washington High School district, where he attended Washington High School. On September 4, 1953, the family moved into the Central district, but due to the fact that their home was closer to Washington than Central, Dan remained at Washington. On January 13, 1954, the family moved into the Riley district and Dan enrolled at Riley, January 14. Principal Donald Dake has requested a ruling regarding his residence eligibility. Letters are on file from Forest Wood, Director of the Department of Health and Physical Education; Principal John McNamara of Washington High School and Mrs. Edwards, mother of Dan Jones.

Decision—Dan Jones is ineligible, as to residence, at Riley High School for one calendar year beginning with the date of his enrollment.

SUMMER GOLF PARTICIPATION

In response to a request from the Eastern Division of the Northern Indiana High School Conference, the Board of Control has given

the following interpretations on high school students participating in independent amateur golf meets:

"High school students may participate in amateur golf meets between the closing day of the spring semester and the opening day of the fall semester without jeopardizing their eligibility, provided they do not accept cash or merchandise prizes of any kind. Golf equipment is considered as merchandise. Any student who attempts to evade the rule by "purchasing" a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Such prizes as trophies, medals and certificates may be accepted, provided they are reasonable in cost and symbolic of athletics. Students may also accept meals, lodging and transportation in an amount not to exceed the actual cost of these items."

I.H.S.A.A. FINANCES

Commissioner Phillips reported that, in accordance with instructions given by the Board, he had invested IHSAA funds as follows: \$30,000 in U. S. Government Bills for ninety days.

The Minutes of the previous meeting were approved as written.

GERSTMAYER (Terre Haute) HIGH SCHOOL— SAMUEL JAY SMITH

At the opening of the 1952-53 school year, Samuel Jay Smith and his mother, Mrs. Bernice Smith, resided in the home of Mrs. Jacqueline Barnes and her husband, Milo Barnes. Sammy Jay was enrolled in the Sarah Scott Junior High School. In December, 1952, Mrs. Smith married Virgil Barnes, father of Milo Barnes. They established residence at 621 North Seventh Street, Terre Haute, which is in the Laboratory School district. Sammy Jay received permission to complete the year at Sarah Scott Junior High School. About May 1, 1953, Mr. and Mrs. Milo Barnes moved to 1904 North 28th Street, which is in the Gerstmeyer district. According to information on file, Sammy Jay lived most of the time with the Milo Barnes family because his mother and stepfather were absent from Terre Haute much of the time due to the stepfather's work. The Milo Barnes' indicated that they considered Sammy Jay as living in their home and had counted him as a dependent for tax purposes.

At the beginning of the semester, September 7, 1953, Samuel Jay Smith presented a certificate of guardianship issued to Mrs. Jacqueline Barnes and was accepted for enrollment at Gerstmeyer. Two photostatic copies of the guardianship papers were filed with the IHSAA by Principal C. W. Martin of Gerstmeyer. One made no mention of residence, the other indicated that Sammy Jay was to reside in the home of his aunt, Mrs. Jacqueline Barnes. Superintendent Wayne Watson said that under the rules of the Terre Haute Public Schools, such a case should have been referred to the City Schools Office before the student was accepted for enrollment. He said this was not done because the certificate of guardianship was mistakenly accepted by Gerstmeyer as a certificate of adoption, which is not required to be referred to the City Schools office. Superintendent Watson also said the case had been discussed with other Terre Haute principals, none of whom preferred any charges of undue influence in the case. Superintendent Watson stated that although Samuel Jay's case had not been handled correctly at the time of enrollment, he would be permitted to remain at Gerstmeyer.

Decision—Due to the conflicting evidence the Board of Control does not attempt to decide Sammy Jay Smith's place of residence except that he does reside in the city of Terre Haute.

The City School Office does, for various reasons, transfer students from one high school district to another. This student was not enrolled in Laboratory High School. Although his case was not handled in the regular manner, the City School Office has in effect,

by permitting him to remain in Gerstmeyer, approved his attendance at that school. The mere fact that Sammy Jay Smith, a resident of Terre Haute, is attending Gerstmeyer High School is not in itself a violation of IHSAA residence eligibility rules. However, it is recommended that the Terre Haute Board of School Trustees adopt local rules (with penalties specified) governing athletes who enroll outside the district in which they reside.

The guardianship papers are disregarded in making this decision. There are strong indications, however, that this action was taken primarily for the purpose of establishing Samuel Jay's residence athletic eligibility at Gerstmeyer. The Board of Control wishes to say that any legal procedure for the purpose of establishing athletic eligibility and which would otherwise not be taken is looked upon with disfavor by the IHSAA.

While no undue influence was charged by anyone, the Board of Control reserves the right to reopen this case in the event such evidence is filed at a later date.

ATHLETIC INJURY INSURANCE

Mr. Fisk Landers, who has been handling the IHSAA athletic injury insurance, presented an insurance plan for athletes from Mutual of Omaha. Due to the fact that the company now carrying our insurance has found it necessary to make several changes in their injury insurance plan, the Board voted to transfer to the Mutual of Omaha Company.

STATE TRACK MEET

Commissioner Phillips reported that Fred A. Seward and Lynn Miller, both of whom had participated in the first IHSAA State Track Meet in 1904, would be present at the 1954 Meet as honored guests. A letter from Russell Joseph, another participant in the 1904 Meet, expressed his regret at being unable to attend because of ill health. The Board voted to invite Mr. Seward and Mr. Miller to assist in the presentation of the medals and the championship team trophy.

I.H.S.A.A. OFFICE

The Board authorized the Commissioner's office to purchase a new brief case.

The Board of Control adjourned to meet again June 14, 15, 16, at French Lick, Indiana.

LIGONIER HIGH SCHOOL—RICHARD F. CLARK

This student lived with his sister in Kendallville where he attended high school from September 8, 1953, until March, 1954, at which time he transferred to Ligonier. He is living with his brother in Ligonier and Principal Tritch of Kendallville has stated that Richard found it necessary to move to Ligonier in order to have a home. Principal G. H. Robb has filed the athletic transfer and a statement regarding the case.

Decision—Richard F. Clark is considered eligible, as to residence, at Ligonier High School.

WESTFIELD HIGH SCHOOL—CARL THARP

Principal F. M. Stoops of Westfield requested a ruling on the residence eligibility of this student who transferred from Walnut Grove High School, Arcadia, to Westfield. Principal Stoops states that the boy enrolled at Westfield, January, 1954. Principal John Kerr of Walnut Grove stated that it was necessary for Carl to move to Westfield in order to have a home.

Decision—Carl Tharp is considered eligible, as to residence, at Westfield High School.

UNDUE INFLUENCE RULE

As the result of action taken by the Athletic Council, May 22, 1954, the Board of Control directed that the following interpretation be added to this rule:

"By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a high school other than his home high school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration."

BASKETBALL TOURNEYS—FT. WAYNE COLISEUM

Manager Don Myers of the Allen County Memorial Coliseum reported that as a result of staging the 1955 American Bowling Congress Tourney, the seating capacity of the Coliseum would be reduced to approximately 8,250 on the date of the 1955 IHSAA semi-final basketball tourney. Mr. Myers desired to know, as soon as possible, if the IHSAA would hold the semi-final tourney in the Coliseum after considering the reduction in seating capacities.

Since tourney sites will not be selected until after changes in the Board's membership, July 1, Mr. Myers' request was referred to the next meeting of the Board of Control to be held August 20, 1954.

TRACK AND GOLF MEET FINANCIAL STATEMENTS

Financial statements of the 1954 IHSAA Track and Golf Meets

were submitted by the Commissioner and accepted by the Board of Control and ordered published in the 1954 Handbook.

BUDGET AND FINANCES

Careful consideration was given to the estimated expenditures recommended by the Commissioner for 1954-55, and were adopted as submitted. The Board gave approval to a few expenditures in excess of the 1953-54 estimated expenditures. The Commissioner presented a statement of receipts and expenditures over the past twelve months together with an itemized statement of government securities owned by the IHSAA at present. It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 12. Results of this audit will be presented at the next meeting of the Board of Control and published in the 1954 Handbook. The Commissioner was authorized to deposit with the Fletcher Trust Company of Indianapolis, for exchange or credit to the account of the IHSAA, such securities as may come due. Since a portion of the funds are to be used for current expenditures, authority was given to sell and deposit to the account of the Association securities as needed to keep a safe balance in the bank. It is understood that all transactions in securities are to be reported to the Board of Control at the next meeting following such transactions.

The Board authorized the Commissioner to pay salary and other current bills a few days in advance of June 30, in order that these checks may be cleared through the bank before the beginning of the new fiscal year, July 1.

SPECIAL DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for adequate reserve in the IHSAA treasury, the Board set \$120.00 as the maximum amount of surplus funds to be paid any member school in the special distribution to be made October 1, 1954. Since there was a regular distribution in 1953, all the money to be distributed was earned during the current year. It was decided to make this distribution according to the following plan:

1. Ninety dollars (\$90.00) for participation in the 1954 Sectional Basketball Tourney.
2. Thirty dollars (\$30.00) for membership in the IHSAA during the membership year, 1953-54.
3. Any school sharing in the special distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1954.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share shall be sent to the principal of the new or resulting high school.

ATHLETIC INJURY INSURANCE

Approval was given to an athletic injury insurance plan submitted by Mutual of Omaha and contracts were signed for the 1954-55 school year.

The Board of Control adjourned to meet August 20, in the IHSAA Office at 9:30 a.m.

VOTING

It was decided to vote by voice or show of hands, and that thirteen affirmative votes be required to pass a motion, except for an amendment to the Constitution, which requires a two-thirds vote of the Council membership.

BOARD OF CONTROL AND ATHLETIC COUNCIL

The following named Council members were elected to serve as the Board of Control for the year July 1, 1954 to June 30, 1955: Charles E. Day, Class 1; Otto Albright, Class 2; Harold Benedict, Class 3; Elmer H. Loehr, Class 4; and R. B. Miller, Class 5.

The newly elected Board of Control held a brief meeting and elected Otto Albright as president; and set their first meeting as August 20, 1954. The Council elected Loren Chastain as its President for the year, 1954-55.

NATIONAL FEDERATION

President Herman F. Keller of the Board of Control was unanimously nominated as a candidate for the Executive Committee of the National Federation to represent the East Central District, composing the states of Indiana, Michigan, and Ohio. Mr. Keller, King Telle, and Loren Chastain were unanimously nominated to attend the National Federation Convention in Utah, June 22 to 26, 1954. Attendance at the convention of the Commissioner, Assistant Commissioner and the Board President-elect had previously been designated by the Board of Control.

PROPOSALS

The Council took the following action on the proposals which had been filed for their decision:

1. Article II, Section 2, of the IHSAA Constitution was amended so as to permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in tourneys and meets without restrictions as to number of teams entered, trial runs or geographical location within the state.
2. Division V, Section F, Rule 1, known as the "Undue Influence Rule" was interpreted to include any undue influence that may be exerted on a student who has not yet entered the ninth grade, to enroll in a high school other than his home high school or the one he ordinarily would be expected to attend.

The Commissioner was authorized to give publicity to the above changes in the September Bulletin and also to include them in the 1954 Handbook.

3. The Southern Indiana Athletic Conference through its Secretary-Treasurer, Paul Forney, had filed two resolutions for consideration. One would make a Council Member ineligible to succeed himself. The other called for increasing the Board of Control from five to ten members to serve for two years each with staggered terms.

During the discussion on these resolutions, the following points were brought out: (a) A Council Member may not succeed himself now except by the will of the principals of his district voting by secret ballot; (b) It was the consensus of opinion that the principals should be free to elect whomever they desire to represent their district; (c) The present system both as to the Council and Board is working very satisfactorily; (d) Four years of service on the Council is excellent preparation for service on the Board; (e) Due to the frequent meetings of the Board throughout the year, a ten member Board might tend to be unwieldy and the expense of meetings to the Association would be doubled; (f) There would also be divided responsibility if each district were represented by two Board of Control Members.

Both resolutions were tabled indefinitely by the unanimous vote of the twenty-five Council members present.

Discussion was given to a number of other topics but no action was taken.

NEW BUSINESS

President-elect Chastain was directed to meet with the Board of Control to select a committee of Council Members for the purpose of making a complete and thorough study of what should constitute residence eligibility for inter-school athletics, both as to public and non-public schools.

The Athletic Council adjourned to meet again on October 20, at 6:00 p.m., in Indianapolis.

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

July 16, 1954

Board of Control,
The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1954. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements, and the cash disbursements were supported by examination of invoices, expense reports, and other data. Securities recorded as owned by the Association were presented for our inspection.

In our opinion, the accompanying statement of cash receipts and disbursements presents fairly a summary of the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1954.

FOOTBALL

Seven schools had grid teams with unbeaten and untied records in 1953. Three others were undefeated but tied, to round out the field of outstanding elevens over the state for the gridiron season. Three conference winners repeated their performance of 1952 and completed their campaign by again being declared the leading eleven.

A total of 173 schools fielded eleven-man squads, eight schools an eight-man team and twelve schools continued to play the six-man game. According to estimates, over 12,100 students participated in this fall sport.

Two football jamborees were held in Indianapolis. One involved city schools; the other, schools from Marion County. Both were well attended, attracting about fifteen thousand persons. Other jamborees may have been held over the state but were not reported to the Association office.

A few new stadiums were constructed during the year and many schools installed new lighting systems or rebuilt old ones. There seems to be a definite trend among schools to improve facilities for the fall sport whenever it is possible to finance the project.

The Association does not sponsor a series of games to determine a champion, but each year honors outstanding squads by carrying their pictures in the Handbook. The pictures that have been submitted may be found following the list of high schools participating in the sport.

CROSS COUNTRY

The eighth annual high school cross country meet held over the South Grove Golf Course, Saturday, October 31, produced a new winner when Shortridge of Indianapolis placed first with a team score of 97 points.

This was the first state team championship for Shortridge. The Blue Devil runners placed as follows: fourth, eleventh, seventeenth, twenty-third and forty-third in team positions.

Vincennes gained the runner-up position by posting a team score of 139. Burris of Muncie came in third with 169 points and Technical of Indianapolis finished fourth by a score of 190.

Max Truex, a five foot two runner from Warsaw easily won individual honors. It was the eighth straight individual triumph of the year for him. He took an early lead and finished far out in front in the good time of 9:48.8. Truex has been a contender for individual honors the past three years.

Albert Nunn of Wiley, Terre Haute, finished behind Truex. Salem's Ervin Spurgeon was third. Dave Hedges gained the fourth individual spot and Edward Smith of Gary, Roosevelt, took the fifth medal.

A total of thirty-two schools were represented by twenty-teams and twelve individuals in the meet. One hundred and forty-nine contestants faced the starter with all but two finishing the race. Weather conditions were ideal.

I.H.S.A.A. SECTIONAL CROSS COUNTRY MEETS

SEVENTH ANNUAL

(These rules are reprinted from the September 1953 bulletin.)

The sectional cross country meets will be held this year on Tuesday, October 20, 1953, after 3:00 p.m. These meets are conducted as an elimination series in order to select teams and individuals for the State Cross Country Meet.

Seven sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1952, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan and add more centers if a greater number of schools enter than is anticipated. Representation to the State Meet will be determined by the number of teams competing in each sectional meet.

Schools have been assigned by counties, and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin.

II. MANAGEMENT—The management of these meets rests solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be selected by the center principals, except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Tuesday afternoon, October 20, after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Friday, October 16, at to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Teams positions at the start are to be drawn by lot.

III. OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding modified or associate membership. A school may certify ten students, with no more than seven participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

IV. ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

V. EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

VI. ELIGIBILITY—The eligibility of each player shall be certified to by the principal of his school. The Official Entry list must be used, and all data given. Ten students may be certified for the meet, with seven or less participating on the day of the meet.

VII. LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

VIII. SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. Individuals are ranked and tallied in the placement column, but their position is dropped and not recorded in the team scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. It is considered a tie event if two or more teams score the same number of points. Individual ties shall be decided by lot.

IX. RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running, as found on pages 29 and 59 in the 1953 National Federation Edition of the Track and Field Rules shall govern—with the exception of the length of course.

X. PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the state meet, provided they finish the race. The first five individual winners will receive ribbons.

XI. QUALIFICATIONS FOR STATE MEET—Representation at the state meet will be determined by the number of teams competing* in that sectional, as follows: Six or less, one team. WRESTLING

Southport won its second IHSAA wrestling championship in the last four years by annexing four individual titles and 35 points. Technical (Indpls.) placed second with 29 points. Jefferson (Lafayette) gained third place by scoring 21 points.

Thirty-five schools entered the Sectionals, with twenty-seven of them qualifying 96 contestants for the State Meet. This was a gain of four more schools over 1953 when 31 schools entered competition. This year, a school had to enter at least nine contestants in the Sectional to be eligible to compete. Most schools had full squads in the preliminary meets. Wrestlers placing first or second were eligible for State Meet competition.

Bloomington, former titlists salvaged one honor when Bob Myers, 112 pound wrestler was named the meet's outstanding wrestler by a vote of the coaches. He was one of the four competitors to successfully defend his individual crown, although he wrestled in the 103 pound class in 1953. Others to successfully defend their crowns were Don Hinds of Southport in the 95 pound class, Drayton Praed of Shortridge (Indpls.) in the 154 pound division and Glen Klepfer, Central (Muncie), who repeated in the 175 pound group.

The official rules of the Inter-Collegiate Guide for High School Wrestling were used with one modification, the IHSAA 50% rule.

SWIMMING

Victory in the final free style relay enabled Hammond to win the annual state swimming championship meet in the Purdue University pool that produced new state records in five events.

Hammond and Central (South Bend) were tied at 43 all as the free style relay got under way, but the Hammond foursome turned in a record breaking performance to take the team trophy with 57 points while Central grabbed runner-up honors with 53. Riley (South Bend) won the third position by scoring 29 points.

Individual honors went to Leslie Lobaugh of Central (South Bend), the only double winner with record smashing victories in both the 50 and 100 yard free style sprints. In winning the 100, he broke the oldest record in the books established in 1942.

Other record breaking performances were turned in by Tom VanSenus of Hammond in the 100 yard breast stroke, Pat Rhodes of Horace Mann (Gary) when he captured the 200 yard free style and Thomas Gustafson, Central (South Bend) won the 150 yard individual medley, a new event on the program.

Fifteen schools entered one hundred and seventy-five athletes.

I.H.S.A.A. STATE SWIMMING MEET

(The following is reprinted from the December, 1953, Bulletin.)

The Purdue University Fieldhouse Natatorium will be the scene of the seventeenth annual IHSAA State Swimming Meet on February 20, 1954. The trials will be held at 10:00 a.m. with finals scheduled for 3:00 p.m.

The order of events will be as follows, in both the preliminary and final races:

- | | |
|--------------------------|-------------------------------|
| 1. 50 Yard Freestyle | 6. Fancy Diving |
| 2. 100 Yard Breaststroke | 7. 150 Yard Individual Medley |
| 3. 200 Yard Freestyle | 8. 150 Yard Medley Relay |
| 4. 100 Yard Backstroke | 9. 200 Yard Relay |
| 5. 100 Yard Freestyle | |

The 150 Yard Individual Medley is being added to the program this year at the request of several schools. The coaches at the State Meet last year voted by a large majority to include the race for 1954. It is one of the regular events for interscholastic dual and championship meets.

In each of the seven individual events, each school may enter three contestants and two may compete. The student's best time during the season must be listed on the entry blank. In each relay, each school may enter six students. Heats will be drawn up according to Part 9 of the rule book under conduct of meets.

Those schools listing inter-school swimming on their Athletic Participation blank will be mailed entry blanks and instructions about January 15. Schools will be permitted to enter individuals if

they do not have a full team. Entries will close at 4:00 p.m. Thursday, February 11, 1954.

Assistant Swimming Coach F. W. Kahms, Jr., of Purdue University will serve as manager of the meet. Sponsorship will be by Jefferson High School of Lafayette, Lynn Miller, Principal.

BASKETBALL

Milan came through to capture the IHSAA 43rd annual basketball tourney by defeating the Bearcats of Central (Muncie) in the final game by a 32-30 score when Bob Plump dropped in a basket in the final four seconds to break a 30-30 tie. Last year, the Milan Indians were in the final four and were known as the "people's choice." This year when they came through again, this was changed to "Milan's Mighty Men."

The Indians led the Bearcats 14-11 at the quarter and controlled the play in the second quarter. At half time they rested with a six point margin 23-17. In the third quarter, the Bearcats came back and tied the game 26-26. Early in the fourth quarter, a Muncie player dropped in two foul tosses to lead 28-26. Milan immediately scored twice from the field with the Bearcats tying the score again in the last minute of play to set the stage for the winning field goal.

In the first afternoon game, Muncie defeated the Elkhart Blue Blazers 59-50. The game was a nip and tuck battle during the first half with the Bearcats leading 26-23 at half-time. Elkhart came within three points during the fourth quarter but dropped behind when Muncie's fast break began to function.

The second afternoon game found Milan meeting the Gerstmeyer Black Cats from Terre Haute, the 1953 runner-up five. After a short early lead, the Gerstmeyer quintet dropped behind and the Indians won by a 60-48 score.

During the first quarter, the Indians built up a good lead and were out in front 21-12, at half time the score was 29-21 Milan, the third quarter was about even with the Indians still in front 39-34 and in the fourth quarter they took charge of the game by out scoring Gerstmeyer 21-14.

All the radio stations of Indiana aired a program prior to the afternoon games entitled "Salute to the IHSAA," commemorating the 50th anniversary of the Association. The Purdue Glee Club and The Belles of Indiana appeared on the program. Besides the 51 radio stations carrying the games, the tourney was viewed over nine television stations.

A total of 751 schools entered the sectional tourneys. New gross receipts and attendance marks were again established.

The Board of Control selected Bobby Plump of Milan to receive the Arthur L. Trester award for Mental Attitude.

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE FORTY-THIRD ANNUAL

These rules are reprinted from the January 1954 Bulletin

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full; with

the distinct understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING ALL SECTIONAL, REGIONAL AND SEMI-FINAL TOURNEYS

1. TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used.

2. PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

3. RADIO SERVICE—Stations in Indiana may broadcast IHSAA tourneys provided the requirements in the "IHSAA Rules and Regulations Governing Broadcasting" are observed. The managers of the stations and the Center Principals will have copies of these rules and regulations.

4. PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. SOUVENIR PROGRAMS—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control or the Commissioner's Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.

6. SUGGESTIONS—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

7. MANAGEMENT—The exclusive control of all these tourneys rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every attempt will be made to choose none but fair, disinterested and competent men. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis News, Star and Times; Associated Press, International News Service and United Press, and no changes will be made in them.

8. **SATURDAY GAMES**—All Saturday games in all tourneys will be 1:00, 2:15 and 8:15 p.m.

9. **DECISIONS**—The assignment of officials and the decisions of the officials will be considered final. Schools enter the tourneys with this understanding. Give this information to your students and fans now and as often as necessary.

10. **PRIVILEGES**—All competing players, one coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

11. **WARM UP PERIOD**—There shall be at least ten minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game.

12. **NUMBERING OF SHIRTS**—In order for a school to be eligible to enter the sectional tourneys, all players' shirts must be properly numbered according to the Board of Control ruling on Rule 3, Section 4 of the Official Basketball Rules.

SECTIONAL TOURNEYS

February 24, 25, 26, 27

See "Important Information"

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The plan arranged is to have no less than 8 teams and no more than 16 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

* All semi-final and final games of two-site tourneys will be played at the site indicated by an asterisk (*).

MANAGEMENT—Two officials will be assigned to tourneys having 8, 9, or 10 teams, three officials to tourneys having 11, 12, 13, and 14 teams, four officials to 15 and 16 team tourneys and six officials to each two-site tourney. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering a sectional basketball tourney in the IHSAA in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an Entry Blank. Schools holding modified membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the team's opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following plan:

1. Entertainment for all teams in all tourneys will end not later than 10:00 p.m. Saturday, February 27.
2. In "One-site" tourneys, teams playing Wednesday or Thursday evening, February 24 or 25, are entitled to one extra round trip transportation and one extra meal. Entertainment for all teams begins on Friday as follows:
 - (a) 8, 9, 10, 11—5:00 p.m.
 - (b) 12, 13, 14—12:00 noon.
 - (c) 15, 16—8:00 a.m.
3. "ONE SITE TOURNEYS"—All 8 or 9 team tourneys will begin play at 6:00 or 7:00 p.m. Thursday evening, February 25. All other tourneys will begin at 6:00 or 7:00 p.m. Wednesday evening, February 24. There will be no games on Friday morning or afternoon in 8, 9, 10 or 11 team sectionals. Tourneys comprising 12, 13 or 14 teams will not play Friday morning. Tourneys with 15 or 16 teams will play Friday morning. There will be no games Saturday morning in any tourney. Printed schedules will be sent to each competing school by the Center Principal in time to arrange for making the trip.
4. Due to the variations of time schedules of "two-site" and "one-site two bracket" tourneys, the time and entertainment schedules will be set up by the IHSAA and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.
5. The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Monday, February 22, (2) transportation only, one round trip,

may be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowances shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of that school and not an expense of the tourney. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, to help defray expenses of the tourneys. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
2. The Center High School shall receive one hundred and fifty dollars (\$150).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The IHSAA shall receive one percent (1%) of the fifth balance.
7.
 - a. One-half of the sixth balance shall be divided pro rata among the participating schools, the Center School sharing.
 - b. One-half of the sixth balance shall be divided among the participating schools on an enrollment basis.
8. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
9. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, March 4.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certification must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the IHSAA. Entries positively will close Wednesday, February 10. All entries must be in the IHSAA office before 4:00 p.m. Wednesday February 10. Do not mail entry blanks before February 1. All students must be eligible when they partici-

pate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, February 10. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. **The Board of Control has ruled that late entry blanks will not be accepted.**

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

Season tickets for Saturday's sessions: 1.00

Tickets shall not be sold for more or less than the prices here given. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets. No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in their area upon request prior to Friday, February 19.
2. Ten percent of the remaining tickets shall be divided pro rata among the competing schools. (Every school regardless of enrollment, has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This pro rata allotment is intended primarily for this use.)
3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each partici-

pating school as certified to the State Department of Public Instruction, September 15, 1953, or the third day of school, if the opening day is later than September 15.

Season tickets must be ready for distribution by Monday, February 22. No tickets shall be distributed until the Center Principal has received his copy of the draw. All ticket information should be secured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tourney. Season tickets unsold shall be returned by 12:00 noon on the day the tourney begins, except that in "two-site" and "one-site two bracket" tourneys, they shall be returned by 4:00 p.m. the day before the tourney if the tourney begins with a day time session; and by 12:00 noon on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 10, and cannot be changed or accepted afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before February 1. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

ENTRIES—One entry fee covers all tourneys. Teams are limited to ten (10) men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the team's opening game of the tourney. These teams may or may not be made up of the same men who participated in the Sectional Tourneys.

The Sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 1. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 1. (Ask for Miss Sizelove who has charge of making the changes.)

DISTRIBUTION OF TICKETS—All tickets shall be handled by the Center School Principal according to the following plan:

1. Season tickets only shall be sold prior to Saturday, March 6, 1954.
2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.
3. **Press.**
 - a. Each paper within the regional district but outside of the tourney center may be granted one ticket upon request not later than Saturday, February 27.
 - b. Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted three tickets upon request not later than Monday, March 1.
 - c. Papers outside of the state shall not be granted tickets unless they have a large coverage in the state, and then the limit is given under (a).
 - d. School papers shall not be granted tickets.
4. **Radio.** Each station broadcasting the games may be granted three tickets upon request not later than March 1.
5. Complimentary tickets shall be confined to those directly connected with the tourney. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the principal and the coach. Each Athletic Council member and each Ex-Board member may be granted two tickets to the Regional in his area upon request prior to Saturday, February 27. A list of the complimentary tickets must be furnished the IHSAA giving names, positions, numbers, etc.
6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.
7. Schools entered in a sectional tourney may secure twelve tickets to the Regional Tourney in their area. Orders must reach the Regional Center Principal between February 20 and 25. All principals should use the Regional Ticket Order enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance TO THE REGIONAL CENTER PRINCIPAL IN THEIR AREA.

8. Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the high school principal not later than Monday, March 1.
 - a. One-half of the tickets remaining divided on a pro rata basis.
 - b. One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction September 15, 1953, or the third day of school, if the opening day is later than September 15, for the school years 9, 10, 11 and 12.
 - c. If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).
9. All tickets remaining at this stage shall be placed on open sale on Wednesday, March 3, with the understanding that all sales shall be guarded to insure fairness to all.

ENTERTAINMENT—The Regional Center Schools have contracted with the Board to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 9:00 a.m. Saturday, March 6, and continue, if necessary, to 8:00 a.m. Sunday, March 7. All competing schools are requested to ask for no longer entertainment than is necessary. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School. The expenses of a manager, if any, belong to the Center School and not to the Tourney.
2. The Center High School shall receive two hundred dollars (\$200).
3. The transportation shall be paid. (See sectional contract.)
4. The Center High School shall receive one hundred fifty dollars (\$150).
5. The IHSAA shall receive fifty per cent (50%) of the balance.
6. The remainder shall be divided as follows: (a) one-half pro rata among the participating schools and (b) one-half on the basis of season tickets sold and reported by the participating schools in the local communities on or before 4:00 p.m. Friday, March 5. This hour and date are binding on all schools. In the distribution of receipts, all tickets purchased according to the provision under "Distribution of Tickets," item 7, shall be credited to the winner of the sectional in which the school purchasing the tickets is located.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Wednesday, March 10.

STATE TOURNEY BUTLER FIELDHOUSE, INDIANAPOLIS

MARCH 20

ENTRANTS—The four (4) winning teams of the Semi-Final Tourneys shall constitute the participants in the Final Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Teams are limited to ten men and these men may play. Twelve men may be certified but two of these men must be scratched prior to the team's opening game of the tourney. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-final entry blank will suffice for the Final Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 15. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 15,

ENTERTAINMENT—Twelve men will be entertained on each team (which must include the faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$150.00 for lodging, \$250.00 for meals, \$400.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fees will be as indicated and the tickets will be printed with the following information on them:

1. Session ticket: \$2.00
2. Season ticket: \$3.00

AWARDS—The winning school will be awarded a shield, cup or similar trophy and each member of its team an individual award. A trophy will be given to the runner-up team and individual awards to its team members.

The Arthur L. Trester Medal for Mental Attitude will be awarded to the boy, who in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

TYPE OF BALL—See Sectional Important Information.

DECISIONS—See Sectional Important Information.

RADIO SERVICE—See Sectional Important Information.

SOUVENIR PROGRAMS—See Sectional Important Information.

PICTURES—See Sectional Important Information.

TIME OF GAMES—1:00, 2:15 and 8:15.

MANAGEMENT—The Board of Control has designated the Commissioner as Manager with Robert S. Hinshaw, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Franklin 1519. Fred R. Gorman, Vice-Principal of Technical High School, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and Radio reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 17 and not later than Thursday, March 11. An identification plan will be used for press representatives, who must be properly certified by their managers at the time requests are made.

TICKETS—All tickets will be handled by the IHSAA office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 20, 1954. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at approximately 14,943.

2. Each high school principal, having a team entered in an IHSA Sectional Basketball Tourney for 1954, and each high school principal holding a modified membership in the IHSA, may order tickets to five (5) percent of his high school enrollment as submitted to the Inspection Office of the State Department of Public Instruction September 15, 1953 for the school years 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than four tickets. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. **If there are questions, ask them now.** All enrollments will be checked with the report herein mentioned. **Be sure you are right.**

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSA, must accompany each order. **Tickets purchased cannot be returned.** Please do not send cash. The limitations below must be observed as given:

(a) Orders for tickets having official post marks on the envelopes from and including Thursday, February 18, to and including Friday, February 26, will be accepted if received not later than Saturday, February 27. **Ticket orders mailed prior to February 18 will be returned for proper mailing.** The IHSA reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None are guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from February 18 to February 26, inclusive. Postmark will determine mailing date.

b. Upon receipt of ticket orders in the IHSA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon the date of receipt of order, number of orders received in the same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 950 seats to the block, will be reserved until Monday, March 15, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor and with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The high school principals, whose teams are represented, should contact the

IHSAA office by Monday, March 15, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

TOURNEY RULES

Beginning with the 1950-51 basketball season, the Board of Control directed that the rule regarding numbers on basketball shirts be fully enforced. The IHSAA will continue to enforce this rule.

The Board has instructed that a warm-up period (of not less than ten minutes) be allowed participating teams before each tourney game. During a session, this period shall begin with the ending of the preceding game.

IHSAA basketball tourneys have been ruled exempt from admissions tax by the United States Treasury Department. Information on this matter was carried in the December bulletin. The schedule of prices printed in this bulletin, therefore, do not carry tax.

THE ARTHUR L. TRESTER MEDAL

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Medal for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Medal for Mental Attitude.

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams: In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few, if any, boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

TRACK AND FIELD

After a lapse of one year, Roosevelt (Gary) came back to win its third state track championship in four years by placing second in the mile, third in the mile relay and first in the half-mile relay for a total of 20 points.

Elkhart with 16 points was second, Richmond third, with a total of 13 points, Riley (South Bend) had 12½ points and North Side (Ft. Wayne) came in fifth with 10½ points.

One state and national record was broken during the afternoon when Max Truex of Warsaw won the mile in 4:20.4 beating the state mark of 4:22.3. Previous time of national record was 4:21.0. Truex led all the way after the first quarter and finished a good fifty yards ahead of the second place finisher.

Ronald Huffer of New Haven was a two-time winner with a 10.1 in the hundred and 22.0 in the 220.

Lynn Miller of Lafayette and Fred Seward, Bloomington, two former high school athletes who won events in the first IHSAA meet of 1904 were present and introduced to the crowd.

The number of schools and contestants entering the Sectionals this year did not quite equal the record field of 1953 when 318 schools and 3,922 contestants took part. This year 311 schools entered 3,903 athletes. Three sectional meets were held on Friday night with good attendance reported. All Regional meets were held on Friday for the first time.

Details concerning the assignment of schools, rules, regulations and results of all meets were as follows:

SECTIONAL TRACK AND FIELD MEETS

THIRTY-EIGHTH ANNUAL

Friday or Saturday, May 7 or 8

(These rules are reprinted from the April 1954 Bulletin.)

The following bases were used in selecting centers:

(1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.; (4) Rotation; (5) Invitation.

Schools have been assigned by counties, and the accompanying plan gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the plan if necessary. Entry blanks are necessary.

Four sectionals were held in different parts of the state. A total of 70 schools entered teams with 16 schools qualifying teams for state tourney play. In addition, six individuals progressed from the sectional to the final tourney. The low medalist was one of these athletes.

(2) **Management**—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

(3) **Instructions** and a starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

(4) **Eligibility**—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. Entry blanks are due in the IHSAA office on or before 4:00 p.m., Thursday, May 6, 1954, and cannot be accepted afterwards.

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of boys from different schools. The players will count and keep score for each other.

Teams—Each school may enter six (6) boys and the team must consist of four (4) of these six boys. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR STATE MEET

Teams—Representation at the State Meet will be determined by the number of teams competing in that Sectional, as follows: Five or less, one team; six to ten, two teams; eleven to fifteen, three teams; sixteen to twenty, four teams; twenty-one or more, five teams.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals—The three low medalist players in each sectional meet are eligible to compete as individuals in state meet competition, provided their school posted a team score in the sectional.

Ties—All individuals or teams tying for the last qualifying position shall be eligible for State meet competition. Prizes shall be awarded by lot.

STATE GOLF MEET

Eighteenth Annual

Saturday, May 22

COFFIN GOLF COURSE

Indianapolis

Management—The management of this meet rests solely with the Board of Control. Principal Fred R. Keesling, Lawrence Central High School, will represent the IHSAA and be in charge of the Golf Course.

Entrants—Individuals and schools whose teams qualify according to the sectional regulations shall constitute the entrants for the State Meet. (Teams must be composed of any four of the six certified entrants.)

Registration—All teams must be checked in at the Club House by the Principal or his official faculty representative. This responsibility belongs to the school.

Transportation—This will be an obligation of the participating school in each case.

Entertainment—Noon meals will be furnished by the IHSAA at the Club House to the actual participants and one faculty manager from each school.

Prizes—A trophy will be given to the winning school. Medals will be presented to the winning team members of first, second and third places and the three low medalists.

Medal Play—The tournament will be conducted as Medal Play and 18 holes will be played.

Scoring—Each threesome will be made up of boys from three different schools if possible. The players will count and keep score for each other.
