MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

President King Telle

The Indiana High School Athletic Association is an organization established fifty-two years ago for the purpose of keeping a good, clean, competitive program of amateur athletics going in our high schools. It is not an understatement, but a fact, for us to say we have achieved this purpose as well as any other state in the Union. Throughout the nation our association is known for its vigor, its leadership, its fairness, and certainly its steadfast purpose. This reputation which we enjoy is no accident. Down through the years our standards have been carried by men who expected to serve and to serve all alike. The membership in the IHSAA is well aware that definite firmness and strict impartiality have governed all affairs of the association. We are proud to say we have been kept free from bickering, ill-will, and unbecoming reports. The application of our agreed rules has effectively taken care of our problems in a forthright and honest manner.

In our IHSAA, sportsmanship means sportsmanship, honesty means honesty, and fair play means fair play. We have always stood for the best. Our rules are clear in wording and intent. We have had no inbetween nor halfway measures. A great association has come to us after fifty-two years of work by many great school men. Certainly we must work to preserve and extend on to the future our great association.

Within the inner workings of our group we have been most fortunate in that every member has taken a keen interest in our current problems. Each member school has felt free to speak out upon proposed legislation and matters of controversy. Through such a system we have almost invariably arrived at a satisfactory answer. In this manner we have come as close as possible to achieving total satisfaction for our member schools. At times throughout the years we have withstood the nibblings and the criticism of outside interests. We need have no fear at any time from such interests while we continue to operate in a fair and impartial manner.

Let us remember that our association is an organization, not for adults, but for the development of children and for the preservation of youth. We believe in all phases of education. A sound, educated mind in a sound body is a good slogan for us to remember.

Who in our organization has not thrilled to an IHSAA performance? In football, basketball, track, or whatever the competition, we have broken records and crowned champions; in so doing we have put on a program that the public enjoys and supports in a wholesome manner. In all our competition and our performances, no matter how keen or vigorous the trials, we operate by the rules, having no favors and no exceptions. Again may we remind ourselves that it is no accident that our association is as it is. Let us all take a hand in keeping it this way.

HISTORY OF I.H.S.A.A.

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of high school Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of high school Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are seven hundred seventy-two (772) high schools belonging. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the fifty-two years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball and girls' play days. State championships are determined in cross country, swimming, wrestling, basketball, track and golf.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

NOTE: It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. Pupils in schools having modified membership in the IHSAA may participate on the following bases:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a junior high school having modified membership may not compete on the team of a senior high school.

c. Schools with modified membership may participate in tournaments and meets in accordance with the regulations in Article II, Section 2 of the IHSAA Constitution.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in inter-school games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the IHSAA.

Rule 27. A ninth grade student who is enrolled in a junior high school without modified membership in the IHSAA, may compete on either the junior high school or the senior high school team, but not on both. Such junior high schools may have teams using pupils of the seventh, eighth and ninth grades, depending on or-

ganization of the school. These teams may compete with similar teams from other schools not having modified membership.

DIVISION IV GIRLS' ATHLETICS

Rule 1. Girls' athletics are bound by the rules and regulations of the IHSAA except for participation in Girls' Play Day program.

Rule 2. Rules for girls' contests shall be those published for the National Section on Women's Athletics of the American Association for Health, Physical Education and Recreation.

Rule 3. Inter-school basketball games and tournaments are not recommended for girls.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tournaments.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship, out of season participation, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools concerned and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games.

DIVISION V ELIGIBILITY RULES

In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "—a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired

(d) all work and credits be bona fide in every way and certified as such by the high school Principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any high school, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other high school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Q. and A. No. 6, page 57.)

Rule 4. The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSAA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. Rule 10. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 11. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter more than fifteen (15) or more days between March 1 and June 1 for four times.

Rule 12. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 13. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way.

Rule 15. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to

change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each high school files a statement with the Board of Control that the change was necessary and that no undue influence was attached to the case in any way.

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 10, under "Enrollment.")

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a high school other than his home high school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed

a choice of subject matter card or other written evidence of preliminary enrollment or registration.

I. Amateurism—

Rule 1. All contestants in the IHSAA must be amateurs.

Rule 2. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any high school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all high school sports.

Rule 3. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A high school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school

to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. High school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No high school student shall be eligible to participate in any inter-school contest under the rules of the IHSAA, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended by them from membership in the IHSAA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A high school student, who has violated his amateur standing according to the rules and by-laws of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school Principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

Rule 3. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these Principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

DIVISION VI PRIZES AND AWARDS

Rule 1. The giving and receiving of awards and medals shall: (a) be kept within reasonable bounds; (b) have symbolic value only, and (c) be done by and with the consent and under the supervision of the high school principals concerned.

Note—The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even if the award is duly inscribed. An inscription cannot validate such awards in the IHSAA.

Rule 4. Schools belonging to athletic conferences, or participating in tourneys and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 5. Suitable awards may be given by such organizations as: service clubs, patriotic organizations, civic groups, Dads' and Mothers' clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. High school athletes should be permitted to complete their high school careers without being molested by outside sources.

Rule 8. Athletic equipment is considered as merchandise. Any student who attempts to evade the rule by "purchasing" a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Rule 9. Penalties for violations of the above rule should be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE I. H. S. A. A.

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

BASEBALL AND SOFTBALL

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism.")

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money

or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. See Note.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

A. Students who have been enrolled in high school for more than fifteen (15) school days between September 1 and December 1, or

55

between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

* * * *

2.

Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?

A. No, enrollment rather than participation is the determining factor in such cases.

* * * *

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions under "Enrollment" Division V.)

* * * *

6.

Q. When are students, who finish the work given in one high school, eligible in another high school?

A. Students finishing the work in a high school giving less than four years of high school work are just as eligible in a new high school as they were in the old high school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside that school corporation.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does this enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized Court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student is expected to attend high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there.

3. A student who changes high schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a high school outside his home school district and subsequently returns to his home high school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made.

6. A student, who changes high schools because of an action by the Court, Welfare Department or similar agency, may be considered eligible, provided a copy of the action making such transfer is filed with the IHSA.

7. It is the duty of the Principal to check carefully the record of every student who transfers from another high school. The Principal should also advise students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

8. No student who has transferred from another school is eligible until the Principal has on file an IHSA Athletic Transfer Certificate.

GAMES

1.

Q. What is considered a game of basketball?

* * * *

2.

Q. May a member school of the IHSA schedule and play single games with teams and schools in Indiana not members of the IHSA?

A. Yes, provided these teams and schools are not high schools eligible for membership and also provided the members of the IHSA observe all of the rules of the IHSA. There should be no high school students on the non-member teams, except high school teams not eligible for membership.

* * * *

3.

Q. What is the difference between a preliminary game and a regular game?

A. There is no difference as far as the IHSA is concerned, as the same rules and regulations govern.

* * * *

4.

Q. If a "practice" game of basketball is played is it to be counted as one of the eighteen games on the regular schedule?

A. Inter-"practice" games are regular games and must be counted as such. Intra-"practice" games are not counted as regular games. In fact, there are no such things as practice games in the IHSA. There are practice games within the school only.

* * * *

5.

Q. Does the omission of an admission charge make any difference as to the designation of a contest as a game?

A. No, games are "inter"-contests or "inter"-scrimmages with or without admission charges.

* * * *

6.

Q. Is an alumni game considered a game?

A. Yes, such must be counted as one of the games permitted on the regular schedule.

7.

Q. What is considered an "inter" game or an "inter-scrimmage?"
 A. Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A "scrimage" by students with or against teams or players not belonging to their high school is considered a game.

* * * *

8.

Q. What date marks the end of the football season?
 A. November 30 of each year.

* * * *

* * * *

10.

Q. May a member school of the IHSAA schedule and play single games with high schools of other states?
 A. Yes, provided the high schools of these other states, if eligible for membership, are members in good standing in their state high school athletic associations. The Principal is obligated to check this matter carefully.

* * * *

11.

Q. May practice periods in one high school be counted as such in another high school where a student changes high schools?
 A. Yes, provided definite proof of the practice periods are on file from the Principal of the school in which the practices were held.

* * * *

12.

Q. Must a boy, who has participated in football during the season, have ten days of organized practice in basketball before he is eligible to play in a game of basketball?

 A. Inter-school game.

* * * *

16.

* * * *

17.

Q. May member schools participate in meets and tournaments, in Indiana or in other states, in which more than two schools are entered, if one or more of these schools are non-members of their own state high school athletic association?
 A. No.

* * * *

18.

Q. May students participate in inter-school contests after their school is closed?
 A. Due to the great variation of time in which member schools close in the spring, (a) students may represent their schools in meets and tourneys sponsored by the IHSAA; (b) they may participate in scheduled contests where one of the two schools is still in session; (c) they may participate in a contest where both schools are closed, provided it was a regularly scheduled contest that was postponed because of weather conditions; and (d) graduating seniors may participate in contests according to the above conditions, even though they may have received their diplomas.

GIRLS' ATHLETICS

INDIANA LEAGUE OF HIGH SCHOOL GIRLS' ATHLETIC ASSOCIATIONS

—Purpose—

Many girls in high school are interested in a more extensive program of physical education than can be provided in the regular

61

physical education classes. This desire for a more extensive physical education program has led many high schools to organize some type of girls' athletic association. In 1931 the Indiana League of High School Girls' Athletic Associations was formed, with the purpose of stimulating the co-curricular phase of the high school girls' physical education program. Membership in the League is open to any high school in the state of Indiana. The League has the endorsement of the Indiana High School Athletic Association and the Division of Health and Physical Education of the Indiana State Board of Health.

The State League offers much to both physical education teachers and student. It provides opportunities for sponsors and students to exchange ideas, share problems, receive encouragement, and engage in a variety of learning activities. The enthusiasm generated through the enjoyment of learning and doing things with people of like interests is one of the main reasons the League is steadily growing. Present membership numbers 152 schools.

—Activities—

Each organization carries on its own program of varied activities for which points are given. The purpose of awarding points is to encourage regularity of attendance and to furnish a uniform basis for awards, if a school desires to use awards. The *Sponsor's Handbook* explains the suggested point system.

The State League sponsors activities on both a state and a district basis. Each spring the League, with the co-operation of a state college or university physical education department as host, sponsors a Wall Plaque Winners' playday. Attending this playday is perhaps as great an honor as winning the wall plaque, for here outstanding girls from all over Indiana come together for a day of fun and sport. Each fall the League sponsors a State Leadership Camp—training girls and inspiring both girls and sponsors to be better leaders in their organization, school, and community. District activities include dance days, playdays, basketball clinics, and weekend camps—usually two or three such activities each year.

"Sportingly Yours," published six times yearly, contains news of other G.A.A. groups, ideas, new materials, bulletin board materials, and professional articles. Both sponsors and students find it interesting and helpful. "Sportingly Yours," the official organ of the Indiana League, is edited by a high school G.A.A., and is published by the Indiana State Board of Health. This year it is again being edited by Madison High School G.A.A. and their sponsor.

Q. May men coach girls in athletic games?

A. Yes, it recommended however that women coaches be employed for girls. This applies to officials also.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provisions made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships.)

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The high school Principal in any high school belonging to the IHSAA is considered the responsible party in athletics as far as the IHSAA is concerned.

3. The IHSAA considers it the duty and responsibility of the senior high school Principal or Principals to extend the rules and regulations of the IHSAA with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the IHSAA.

4. A high school student is one who carries at least 15 hours of regular high school work, provided such a student has been promoted to the high school in the regular way and according to good school procedure.

5. The IHSAA requests Principals having 9th grade students enrolled to confer and co-operate with the senior high school Principal

or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The IHSAA does not attempt to determine or classify junior high schools and senior high schools. The Association is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the IHSAA when participating in inter-school athletics.

8. A 9th grade student in a junior high school not holding modified membership, may participate on the junior high school team or on the senior high school team in a sport during the season, but he cannot participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the IHSAA.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The IHSAA has no jurisdiction over students below the 9th grade.

12. The IHSAA believes that 9th grade students belong in athletics to the schools, junior or senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc.

13. The IHSAA believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the junior high school rules and regulations in athletics required in the senior high school.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the junior high school or in the senior high school.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are permitted to enter tourneys and meets in accordance with rules provided for Modified Members. (See Article II, Section 2 of the Constitution.)

17. All IHSAA supplies and publications will be sent to junior high school Principals upon request.

18. See modified membership regulations immediately following.

Junior and Senior High School Modified Membership Regulations

Modified membership may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

1.

Q. What type of school may hold a modified membership?

A. A high school offering and maintaining less than three years of high school work.

* * * *

2.

Q. Is it necessary for a junior-senior high school, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?

A. No, permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No, these students are not eligible for any teams in high schools holding any type of membership in the IHSAA.

* * * *

* * * *

4.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes, this one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury must present to his Principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in interscholastic athletics.

* * * *

6.

* * * *

7.

* * * *

11.

Q. Does wrestling come under the rules of the IHSAA?

A. Yes, all "inter" athletic participation comes under the IHSAA.

* * * *

12.

A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the high schools belonging to the IHSAA must be held under the direct supervision, management and auspices of the member high schools concerned, or under the IHSAA. Interstate basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the IHSAA are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The IHSAA believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance fails.

* * * *

14.

* * * *

29.

Q. Why should a school be penalized because some person outside of school uses undue influence?

A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence: An athlete that has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

70

30.

Q. Is it the duty of the IHSAA to prove that undue influence has been used?

A. No, the high school Principal has agreed to conduct his athletic activities according to the rules and regulations of the IHSAA. When there is a question, it is the duty of the high school Principal to meet the question. He cannot certify that his students are eligible unless he knows that they are eligible.

* * * *

31.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?

A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

* * * *

32.

Q. What steps should be taken in ineligibility cases?

A. In cases in which an ineligible student has been used in inter-school athletics the following steps should be taken immediately by the high school Principal:

1. Inform the IHSAA office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The IHSAA should be informed as to how the error was made.

2. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these Principals to notify the IHSAA office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

* * * *

33.

Q. What is considered the first day of school?

A. The first day of school is the first day on which attendance is counted and teachers are paid.

71

34.

Q. Do seniors have any rights and privileges in athletics not granted to other students?

A. No, in fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the IHSAA in which their high school holds membership.

* * * *

35.

Q. What constitutes a regularly employed teacher in the IHSAA?

* * * *

2.

Q. What is considered participation in a sport for a season?

A. Playing in a part of one game or contest in a sport constitutes participation in that sport for that season. (See exception, Rule 10 under "Enrollment.")

72

3.

Q. May member schools play against College, Y. M. C. A. and independent teams?

* * * *

4.

Q. May a student who plays on an independent team be permitted to participate in intra-mural athletics?

A. Yes. IHSAA rules and regulations govern inter-school athletics only.

PRIZES AND AWARDS

1.

3. All prizes and awards should be limited in number and confined to those reasonable in price and having symbolic value only. Cash or merchandise prizes or awards are not permitted. Awards or prizes of any kind which may be construed as advertising for any individual or firm are not permitted.

4. Purposes should be critically studied so that commercial interests, proselyting interests and interests foreign to good school procedure may be eliminated.

5. Principals shall be expected to know and to execute the rules, regulations and policies to the best of their ability according to their wording and spirit since the giving and receiving of awards shall be done by and with the consent and under the supervision of the Principal in each high school.

6. No awards should be made by a "secret committee" of any outside organization, without the knowledge and consent of the high school Principal as to the recipient.

* * * *

A. No, a student becomes ineligible only in the sport in which he participates as a member of a team other than the high school team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing basketball or football out of season makes a student ineligible for all sports until January 1 of the following year.

* * * *

4.

Q. Are high school students permitted to play on teams that split the gate receipts among the players including the high school students?

A. No, this would be considered professionalism.

* * * *

A. Amateurism should be defined by the IHSAA for IHSAA purposes. There is no definition of amateurism acceptable to all organizations.

RESPONSIBILITY

1.

Q. Who is the responsible party in IHSAA athletics?

A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the Principal of each high school voluntarily taking out a high school membership in the IHSAA has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the Principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the IHSAA membership the conditions are found to be such that the high school Principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the high school Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. * * * *

* * * *

* * * *

14.

A. In order to be eligible for a current semester a student must have passed in three regular high school subjects in his last semester of enrollment in any high school and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

* * * *

15.

Q. Are any special regulations in force pertaining to discharged veterans?

A. By action of the Athletic Council, May 23, 1947, all IHSAA special regulations concerning discharged veterans were discontinued.

* * * *

16.

Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?

A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school are not passing in their school work.

President Albright gave a detailed report on the National Federation of High School Athletic Associations' Annual Convention held at North Rim, Grand Canyon, June 22-26, 1954. This convention was attended by President Albright, Assistant Commissioner Hinshaw, Herman F. Keller and King Telle.

SPRINGFIELD HIGH SCHOOL (BROOKVILLE)—JERRY MINOR

This student attended Whitewater Township High School until February 12, 1954, when he was suspended from school. Judge Kenneth E. Copes of the Juvenile Court of Franklin County placed Jerry in the custody of Mr. and Mrs. Gordon Urban, who live in Springfield Township, Franklin County. He has lived in their home since February 26, 1954. At that time, he enrolled in Springfield Township High School and completed the school term. He did not participate in any athletics for the remainder of the year. County Superintendent N. Marcus Esarey has requested a ruling regarding Jerry's residence eligibility at Springfield Township High School. A statement has been filed by Judge Copes regarding the court's action.

Decision—Jerry Minor is considered eligible, as to residence, at Springfield Township High School. This decision is based on the fact that he has been placed in custody of Mr. and Mrs. Gordon Urban and has been instructed by the court to reside in their home, which is in the Springfield Township school district.

ST. JOSEPH'S HIGH SCHOOL (SOUTH BEND)—ANTHONY PIERONI

This boy's parents lived in Muncie and he attended Marimon Military School in Illinois last year. The family is now moving to South Bend and want to enroll the boy in St. Joseph's Catholic High School. Brother Reginald, the principal, requested a ruling on Anthony's residence eligibility.

Decision—Anthony Pieroni is considered eligible, as to residence, at St. Joseph's High School at the time his parents establish residence in South Bend.

SUNMAN HIGH SCHOOL—WILLARD KNUEVEN

This student attended Guilford High School last year and lived with his parents. He is planning to live with his brother, who lives in the Sunman district, so that he may work part time during the school year. Superintendent Myron P. Boehm has requested a ruling on his residence eligibility.

Decision—Willard Knueven is ineligible for one calendar year from the date he enrolls at Sunman High School, due to the fact that there has been no corresponding change of residence on the part of his parents.

SUNMAN HIGH SCHOOL

Superintendent Myron Boehm has informed this office that the St. Leon School Board is transferring all students in that district to Sunman High School this fall. Seniors who have previously attended Guilford High School may finish their high school career at Guilford, but all others will be transferred to Sunman. President George J. Bischoff of the St. Leon School Board has also filed a statement verifying this action. A decision regarding their residence eligibility has been requested.

Decision—Students being transferred by the St. Leon School Board from Guilford to Sunman High School may be considered eligible as to residence at Sunman.

MILL CREEK HIGH SCHOOL—JUERGEN CONTAG

This student is a foreign exchange student and plans to attend Mill Creek High School during 1954-55. Principal John R. Dunk requested a ruling regarding his residence eligibility.

Decision—Since Juergen Contag is a foreign exchange student, he may be considered eligible as to residence at Mill Creek High School, provided he is otherwise eligible.

ROCKPORT HIGH SCHOOL—JOE DEEG

This student plans to enroll in Rockport as a senior for the 1954-55 school year. He has attended Richland High School (Luce Township, Spencer County) for the past three years, during which time he lived with his father and mother. Joe has established residence with his grandmother in Rockport this summer and plans to remain there for the coming school year. Principal Glenn Keefe states that the change is being made in order for the boy to take Chemistry and Trigonometry, two courses not offered at Richland High School.

Decision—Joe Deeg is ineligible for one calendar year, beginning with the date of enrollment at Rockport High School, due to the fact that there has been no corresponding change of residence on the part of his parents.

ROCKPORT HIGH SCHOOL—BILL GUNN

This student has attended Rockport High School for his entire high school career. At the present time his parents, with whom he resides, are living in Luce Township, Spencer County. They are planning to pay tuition for Bill to remain in school at Rockport. Principal Glenn Keefe has requested a ruling regarding his residence eligibility.

Decision—Bill Gunn is considered eligible, as to residence, at Rockport High School, provided his parents pay the tuition for his attendance and no undue influence is connected with the case.

NEW MEMBERSHIP—SCECINA MEMORIAL HIGH SCHOOL (INDIANAPOLIS)

At the present time Seccina has been approved by the State Department of Instruction for ninth grade work. This entitles the school to a modified membership in the IHSAA; however, Rev. James P. Galvin, Superintendent of Parochial Schools in Indianapolis, has requested that the school be admitted to full membership thus enabling a few juniors who might be enrolled to be eligible for athletic competition. Rev. Galvin stated in a letter to the IHSAA that in the event Seccina is accepted for full IHSAA membership, the school will not enter the state championship tourney series until the 1955-56 school year, when the school will have a full junior class enrolled.

The Commissioner has been instructed to notify Rev. Galvin that Seccina will be accepted for full membership as soon as it is approved by the State Department for Public Instruction as a three year high school.

RULES CLINICS

The IHSAA State Football Rules Clinic is scheduled for August 21, 1954 with the Basketball Rules Clinic on September 25, 1954. Assistant Commissioner Robert S. Hinshaw reported that twelve football clinics and twenty basketball clinics for IHSAA officials have been set-up throughout the state.

His father drove a school bus in Sparta Township while the mother was employed in Ligonier. During the beginning of the summer of 1954, Loyd played baseball with Sparta (Cromwell) Post of the American Legion and later transferred to the Ligonier American Legion team. On September 6, 1954, the Clark family moved into an apartment in Ligonier and Loyd enrolled in Ligonier High School, September 7, 1954. Principal Arthur Loveless of Cromwell suggested that undue influence might have been used in Loyd's transfer to Ligonier.

Robb, Loyd Wayne Clark, and his father, Edgar Clark, and Coaches Max Reynolds and Frank Clark (no relation to Loyd). The Members of the Board of Control questioned, at length, those present in regard to undue influence in this case. Nothing was brought out that indicated any undue influence on the part of Ligonier school officials or fans.

JEFFERSON TOWNSHIP (BERNE) HIGH SCHOOL— MONMOUTH (DECATUR) HIGH SCHOOL

Jefferson Township High School (Adams County) and Monmouth High School (Decatur) were playing a baseball game at Monmouth, September 16, 1954. Mr. Gerald Strickler of Decatur was umpire at the plate. With no other official available, Principal Loren S. Jones of Monmouth served as base umpire. These officials had been approved by Principal Max E. Stanley of Jefferson Township, who also serves as coach.

After having repeatedly objected to Umpire Strickler's decisions, Mr. Stanley called his players from the field during the fifth inning and refused to finish the game. Neither Principal Jones of Monmouth nor Umpire Strickler reported this case to the IHSAA. The following day, Principal Stanley filed a protest with the IHSAA against Umpire Strickler, for what he termed "obviously unfair officiating and degrading remarks."

Principal Jones, Principal-Coach Stanley and Umpire Strickler appeared before the Board in connection with this case. Mr. Stanley stated: (a) that he protested the officiating several times because Umpire Strickler continued to let the Monmouth pitcher use an illegal pitch, (b) that he did withdraw his team in the fifth inning, (c) that he knew the rule that the game should be finished and a protest filed with the Board of Control later, and (d) that he was aware that withdrawal of a team from a contest placed his school's membership in the IHSAA in jeopardy. Mr. Strickler stated that after each protest by Mr. Stanley he gave particular attention to the actions of the Monmouth pitcher, but could detect no violation of the rules. Mr. Jones stated that he observed the actions of the pitcher carefully, but could detect only one possible violation and that he was not sure about that one. Mr. Strickler admitted having directed a couple of pointed remarks to Mr. Stanley. After hearing each man's version of what was said, the Board of Control did not consider the remarks to have been of a degrading nature. All three men agreed no profane or obscene language was used by anyone.

Decision—1. Jefferson Township (Adams County) High School is hereby suspended from membership in the Indiana High School Athletic Association until December 1, 1954, with the understanding that the school's membership will be on a probationary basis from that date until June 1, 1955.

2. Before December 1, 1954, Principal-Coach Max E. Stanley is to file with the Board of Control in writing over his signature that he will not interfere with or criticize the officiating in any athletic contest in which his school participates. Any criticism or complaints he may have are to be filed in writing with the Board of Control following the game.

3. Mr. Stanley is to file with the IHSAA the names and addresses of officials employed to work at Jefferson Township between December 1, 1954, and the end of the current school year.

MARTINSVILLE HIGH SCHOOL—ELEY LADYMAN

Eley Ladyman, a junior in Martinsville High School, resided with his parents in Paragon where he attended high school two years, 1952-54. Paragon is located on State Road 67, some seven miles from Martinsville. On September 3, 1954, Eley enrolled in Martinsville High School. Principal Ward E. Brown, Martinsville, had requested a clarification of Eley's residence eligibility.

In addition to Principal Brown, the following named persons appeared before the Board of Control: Principal D. F. Grafe (Paragon), Coach Vincent Bisesi (Martinsville), Eley Ladyman and Lowell Burkhardt, Sr., (Paragon), a neighbor of the Ladyman family.

A thorough review was made of the efforts of the Ladyman family to establish at least a token residence in Martinsville. It was quite obvious that such efforts were being made for the purpose of making Eley eligible for basketball at Martinsville this year. Eley Ladyman was evasive or non-committal in replying to many questions on the details of his move to Martinsville. He did state, however, that in his own opinion, the Ladyman family had not made a bona fide change of residence from Paragon to Martinsville.

Decision—After weighing carefully all the evidence presented in this case, it is the unanimous decision of the Board of Control that a bona fide change of residence was not made from Paragon to Martinsville by the Ladyman family. Eley Ladyman therefore is declared ineligible as to residence at Martinsville High School for one calendar year beginning September 3, 1954.

The State Department of Education informed the IHSAA that homebound students are considered as being enrolled in school. At the beginning of the present school year Earl enrolled in Union High School at Modoc. Principal Robert G. Decision—Earl Baker is now in his fifth semester of enrollment eligibility. He may become eligible as to scholarship by earning three credits for the present semester.

The father broke up housekeeping and went to live with a daughter in Muncie while Richard went to live with a sister near Mooreland. At the beginning of the present semester Richard enrolled in Center High School. Principal Loren Chastain of Muncie Central and Principal E. K. Keesling (Center High School) both filed letters regarding this case.

Decision—Richard Meadows is considered eligible as to residence at Center High School. Since he withdrew before the close of the

semester last spring he will be eligible as to scholarship at the end of the present semester provided he earns three or more credits for the semester.

CHARLESTOWN HIGH SCHOOL—ROBERT WOLFORD

During the 1953-54 school year Robert Wolford resided with his parents in Charlestown and was enrolled in Charlestown High School. Prior to the opening of the present semester his parents went to Florida because of the mother's health. Robert went to Lawrenceburg to live with his grandmother. He practiced with the Lawrenceburg Consolidated High School football squad. Superintendent H. P. Harrison of Lawrenceburg states that on the opening day of school he told Robert that he should have completed his enrollment prior to the first day. Robert became very angry and left school. Robert returned to Charlestown and his parents returned from Florida. Robert then enrolled in Charlestown High School. Superintendent Harrison stated that he did not know any reason why it was necessary for Robert to return to Charlestown in order to have a home.

The mother and sister continued to live in the family residence at Bloomington. Orval and his father also spent the weekends there. Principal Alva Botkin of Smithville requested the Board of Control to clarify Orval's residence eligibility status.

Decision—The Board of Control unanimously voted that the Hill family had not made a bona fide change of residence from Bloomington to Smithville. Orval Hill therefore is ineligible as to residence at Smithville for one calendar year beginning on the date he enrolled there this semester.

MADISON COUNTY BASEBALL LEAGUE

Through newspaper publicity, it came to the attention of the IHSAA that a commercial photographer of Anderson had, for the past three years, been awarding a trophy to the championship team of a loosely organized group of six schools commonly referred to as the Madison County Baseball League. Team trophies had been accepted by Lapel and Markleville. An individual award was made to a member of the Lapel team this year. While the trophies did not carry the name of the donor, those concerned knew the source of the award.

When the schools were notified that the acceptance of the awards was in violation of Division VI, Rule 5, of the IHSAA Rules and

By-Laws, they immediately filed letters of apology and returned the awards to the donor. The donor also made a written as well as a verbal apology explaining that he had no intention of violating any IHSAA rules.

While no penalty is assessed, the Board of Control warns the officials of the schools concerned to keep themselves thoroughly informed on the rules governing the giving and receiving of prizes and awards.

GREENE TOWNSHIP HIGH SCHOOL (PARKE COUNTY)— WILLIAM HAROLD FRANKLIN

This boy is from a broken home. He lived with his father and attended Southport High School until October 19, 1954, at which time he went to reside with a family in Greene Township, Parke County. He enrolled in Greene Township High School, October 25, 1954. The father moved to a motel in New Ross. Two younger children are residing in another home at New Ross.

Decision—William Harold Franklin is considered eligible as to residence at Greene Township High School. Principal Charles E. Priebe is directed to check on all other eligibility requirements before certifying William for inter-school athletics.

LUCE TOWNSHIP (SPENCER COUNTY)—WILLIAM PARM

This boy resides in Luce Township. Last year he attended Sumner School in Rockport on transfer from Luce Township. As a result of integration, Sumner School was discontinued prior to the beginning of the present school year and William is attending Luce Township, his home high school.

Decision—William Parm is considered eligible as to residence at Luce Township High School.

FAYETTEVILLE-FREETOWN

Officials Wallace R. Reeve and Howard Morgan, both of Vincennes, worked the Freetown-Fayetteville basketball game at Freetown, December 8, 1954. They reported in writing that the following occurred: (a) Three Fayetteville players were ejected from the game for unsportsmanlike conduct; (b) Leonard Turner (one of the three players) was ejected for hitting an opponent and after being ejected by the referee, he hit the referee and said, "I'll see you after the game"; (c) Coach Robert Hardwick of Fayetteville obviously did nothing to restrain his players; (d) after the game Coach Hardwick came to the dressing room for the purpose of argument and also permitted Turner to enter the dressing room and threaten the officials. Principal Fred Brock of Freetown reported in writing that the three Fayetteville players were ejected from the game and that Turner punched the referee in the stomach.

Principal Claud Chambers of Fayetteville, who did not attend the game, reported that Leonard Turner denied hitting the referee.

Decision—Due to the serious nature of the charges made by Officials Reeve and Morgan, together with the report made by Principal Brock, it was decided that a hearing be held on this case, January 15, 1955. In the meantime Fayetteville High School's membership in the IHSAA is to be on a probationary basis and Leonard Turner is to be withheld from all interschool athletic contests until a final decision is made by the Board of Control.

STATE GOLF TOURNEY

The Commissioner presented a recommendation from the Eastern Division of Northern Indiana High School Athletic Conference that the IHSAA State Golf Tourney be rotated among various sites in Northern, Central and Southern Indiana. Action on this matter was postponed until a later meeting.

FUTURE DATES FOR SECTIONAL BASKETBALL TOURNEYS

The Board tentatively established the following dates for coming basketball tourneys: 1956—Sectional, week ending February 25; 1957—week ending March 2; 1958—week ending March 1; 1959—week ending February 28; 1960—week ending February 27; and 1961—week ending February 26.

BASKETBALL TOURNEYS

The Board reviewed the work done at previous sessions on the 1955 State Championship series of Basketball Tourneys. Final approval was given for the location of sites, ticket prices, number and pay of officials, distribution of tickets, approval of two-site and divided one-site tourneys, and other details necessary to the conduct of the entire tourney series. The Commissioner was directed to sign definite contracts in duplicate with all tourney center principals, to prepare the tourney bulletin for distribution to the member schools and the press, setting forth all details in connection with the conduct of the tourney. The Commissioner's office was authorized to make minor adjustments which may be necessary in publishing the tourney bulletin.

Approval was given for Mr. Fred Gorman of Technical High School to assist with the State Tournament.

In view of the fact that Indiana now has eleven television stations in operation covering almost the entire state, consideration was given to the probable effects of television on attendance not only at the tourneys being televised, but also at the many other tourney centers within reach of televised tourney games. It was the unanimous opinion of the Board that the maximum amount of television permitted be the championship games only of the sectionals, regionals and semi-finals plus the three games of the State Final Tourney. It was also agreed that there would be a guarantee of attendance based on the situation at each tourney site where television is proposed.

The Board of Control adjourned to meet in Indianapolis on January 14, 1955, at 2:00 p.m. in the IHSAA Office.

Otto Albright, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 14, 15 and 16, 1955

Present: President Otto Albright, H. C. Benedict, Charles E. Day, Elmer H. Loehr, R. B. Miller, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

FAYETTEVILLE-FREETOWN

Following a basketball game between Freetown and Fayetteville, played at Freetown, December 8, 1954, Referee Wallace R. Reeve and Umpire Howard Morgan both of Vincennes reported the following in writing: (1) the Fayetteville team became uncontrollable; (2) three Fayetteville players were ejected from the game for unsportsmanlike conduct; (3) Leonard Turner, a Fayetteville player, while being ejected for hitting an opponent struck Referee Reeve in the stomach and said, "I'll see you after the game"; (4) Coach Robert Hardwick visited the dressing room following the game to argue with the officials and Leonard Turner also entered the dressing room and threatened the officials again.

Principal Fred Brock of Freetown filed a written statement supporting the charges of rough tactics on the part of Fayetteville players and also that Turner had punched Reeve in the stomach. Principal Claude Chambers of Fayetteville was not present, but filed a report based on talks with the players, Coach and faculty representative, Mr. Milo Curts.

The following named persons appeared before the Board of Control—Principal Claude Chambers, Coach Robert Hardwick and players Leonard Turner and Bill Waggoner of Fayetteville; Principal Fred Brock and Coach David Johnson of Freetown; and Officials Reeve and Morgan of Vincennes.

The verbal evidence was substantially the same as that filed in writing. Leonard Turner stated that he did not hit Reeve, but pushed

him aside with his hand and arm. He admitted making the statements to the officials as charged. Leonard Turner had been under suspension since December 11, 1954.

Decision—1. Leonard Turner's suspension may be terminated as of January 22, 1955, provided he writes letters of apology to Official Wallace Reeve and Howard Morgan and files copies of the letters in the IHSAA office prior to that date.

2. Coach Robert Hardwick is directed to cease criticism of officials during and after a game.

3. Principal Chambers and Coach Hardwick are to warn the Fayetteville players that any repetition of the unsportsmanlike conduct exhibited in the Freetown game may result in the suspension of Fayetteville from membership in the IHSAA.

4. Officials Reeve and Morgan are commended for the prompt and detailed report made to the IHSAA.

OOLITIC—BLOOMFIELD

The Board reviewed written reports on the Oolitic-Bloomfield basketball game at Bloomfield, December 10, 1954, filed by Principals H. R. Russell of Bloomfield and William H. Wagoner of Oolitic and Officials Lowell Willis of Sullivan and James Parker, Washington. According to the statements a mix-up occurred among players in the very last seconds of the game. Fans from both schools rushed on the floor. The buzzer sounded immediately ending the game with Bloomfield the winner. Mr. Parker stated that on the way to the dressing room, located some distance from the gym, an unidentified fan attempted to grab him around the neck. Principal Russell reported that a fight had occurred on the highway several miles out of Bloomfield in which an Oolitic car was damaged. He said the names of the attackers had been learned and referred to the Prosecuting Attorney for a settlement.

Decision—Principals Wagoner and Russell are charged with the responsibility of informing their respective fans that going on the floor during any part of a game cannot be tolerated and that any such action in the future will jeopardize the membership of their respective schools in the IHSAA.

SEYMOUR—SCOTTSBURG

In an invitational tourney game at Seymour, December 20, 1954, Stanley (Bode) Hill of the Seymour team struck Hubbard Hougland, a Scottsburg player, breaking the latter's jaw. Following a conference between representatives of both schools in the IHSAA office, the Commissioner suspended Hill for three games and placed him on probation for the remainder of the season.

The Commissioner referred the evidence to the Board of Control with a recommendation that consideration be given to the responsibility of the two schools in connection with the case. The evidence showed that Seymour did not make a report to the IHSAA until the second day and Scottsburg made no report until requested to do so by the Commissioner. In the meantime, Seymour, without taking any

disciplinary action, used Hill in the tourney championship game with Silver Creek High School, December 21, 1954.

The Board of Control took the following actions:

1. Since a case of this kind requires that the IHSAA have information from all parties concerned, officials of both Seymour and Scottsburg High Schools are reprimanded for not reporting to the IHSAA immediately.

2. Seymour school officials are severely reprimanded for using Hill in the game with Silver Creek, December 21, 1954, and also for not taking appropriate disciplinary action against Hill immediately following the infraction of the rules.

3. Both Scottsburg and Seymour are warned that similar negligence in the future in reporting serious infractions will jeopardize the membership of their respective schools in the IHSAA.

ROSSVILLE HIGH SCHOOL—ED CAMPBELL

Ed Campbell resided with his mother and attended high school at Colfax. The mother accepted a position in a nursing home which required that she live on the premises. There being no home for Ed, he went to Rossville to reside in the home of an uncle. He is now enrolled in Rossville High School. Principal George W. Newell of Colfax and Principal Kenneth G. Marshall of Rossville filed statements giving details on the case.

Decision—Ed Campbell is considered eligible as to residence at Rossville High School.

IHSAA FINANCES

The Commissioner reported that \$16,000.00 in U. S. Treasury 2½% Bonds and \$20,000.00 (cost \$14,400.00) in Series J Bonds were purchased as authorized by the Board of Control in the December 4, 1954 Meeting.

IHSAA OFFICE

The Board approved the purchase of a new mimeograph machine for the IHSAA office.

BASKETBALL TOURNEYS

1. The Board approved the plan used last year, in which the IHSAA cooperated with the Indiana Broadcasters' Association in the allotment of space to the various stations in the state for broadcasting the Final Tourney.

2. The Commissioner was authorized to handle complimentary tickets under the same general plan as used in previous years.

3. The Board selected a tentative list of officials to be used in the tourney series and Articles of Agreement are to be mailed by the Commissioner to this list of officials.

4. The Board approved the time schedules for the two-bracket and two-site tourney series.

5. The Board voted to continue the same amount of liability and compensation insurance now in force for the tourneys.

6. **Television Policies**—The Commissioner stated that the President of the Indiana Broadcasters' Association had reported general acceptance of the television policy approved by the Board, December 11, 1954. The Commissioner also reported that negotiations are now in progress for determining the amount of guarantee to be posted by the sponsor at each station that is televising one or more games.

7. The Board approved the filming of the 1955 State Basketball Tourney with the understanding that only silent prints will be made.

8. **BLOCK DRAWINGS FOR FINAL TOURNEY TICKETS**—The drawings for blocks of seats at the State Final Tourney for the four schools in the tourney and the twelve other semi-final schools were made, with the following results:

Final Tourney Schools:

School No. 1 drew Block No. 4	School No. 3 drew Block No. 2
School No. 2 drew Block No. 1	School No. 4 drew Block No. 3

Semi-final Tourney Schools:

School No. 1 drew Block No. 6	School No. 7 drew Block No. 7
School No. 2 drew Block No. 10	School No. 8 drew Block No. 12
School No. 3 drew Block No. 4	School No. 9 drew Block No. 8
School No. 4 drew Block No. 3	School No. 10 drew Block No. 11
School No. 5 drew Block No. 1	School No. 11 drew Block No. 5
School No. 6 drew Block No. 9	School No. 12 drew Block No. 2

The names of the schools will be arranged alphabetically by cities as soon as they are known, then numbered in this order—and the plan automatically operates.

The Board of Control adjourned to meet again in the IHSAA Office at 9:30 a.m. February 5, 1955.

Otto Albright, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 5, 1955

Present: President Otto Albright, H. C. Benedict, Charles E. Day, Elmer H. Loehr, R. B. Miller, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the last meeting were approved as written.

FAIRLAND HIGH SCHOOL—JACK FLYNN

This boy's parents are deceased. He formerly lived with friends and attended Worthington-Jefferson High School. He now resides with a brother in Fairland. Letters were filed by Principals R. M. Richardson of Worthington-Jefferson and O. C. Harrell of Fairland stating that Jack's change of residence was necessary in order that he have a home.

Decision—Jack Flynn is considered eligible as to residence at Fairland High School.

FULTON HIGH SCHOOL—DON COOLEY

This student is from a broken home. Letters were on file from Principals Harmon A. Baldwin of Rochester and Russell D. Walters of Fulton stating that it was necessary for Don to change from the home of his mother to join his father in Fulton in order that he have a place to live.

Decision—Don Cooley is considered eligible as to residence at Fulton High School.

CROSS PLAINS—BRIGHT BASKETBALL GAME

Commissioner Phillips reported that a letter had been received from Principal Leland Lemme of Cross Plains High School stating that he had cautioned the coach, trustee, student body, fans and team members about a recurrence of unsportsmanlike conduct displayed at the Bright-Cross Plains game.

SECTIONAL WRESTLING MEETS

Approval was given to the assignment of schools entered in the IHSAA wrestling meet to the four sectional sites—East Chicago, Muncie, Lafayette and Bloomington.

STATE TRACK AND GOLF MEETS

Plans for the state championship meets in track and golf were discussed briefly. The Commissioner's office was directed to proceed with preliminary arrangements subject to the approval of the Board at a later meeting.

A communication from the Northern Indiana High School Athletic Conference requesting that the State Golf Meet be rotated among sites located in northern, central and southern Indiana was considered. It was the unanimous opinion of the Board members that a meet in the extreme end of the state would very probably lessen the number of schools participating. It was also felt that difficulty might be experienced in getting a suitable golf course in some localities.

It was decided that the 1955 State Golf Meet be held on an Indianapolis course and that the State Track Meet be held at Technical Field, Indianapolis.

ADMINISTRATORS CONFERENCE

Approval was given for the Commissioner to attend a meeting of the American Association of School Administrators in St. Louis, February 27 to March 2.

BASKETBALL TOURNEYS

1. It was decided that the Spaulding basketball be used in the 1955 State Final Tourney.

2. The drawings of the tourneys are to be made Wednesday afternoon, February 16. The Commissioner was instructed to invite one representative from each of the three Indianapolis papers and the three press services, to the drawings. The drawings are to be deliv-

ered to the press services just as far in advance of the release time as possible. The release time is set for 8:00 a.m. CST or 9:00 a.m. EST, Thursday morning, February 17.

3. Tentative assignment was made for officials in the sectional tournaments with the understanding that changes may be made later. Assignment of officials for the regional, semi-final and final tournaments will be made at a later meeting.

4. The Commissioner reported that plans for television at Indianapolis and Bloomington had been approved by the stations and sponsors. A final report on television at other tourney sites had not been received.

5. The Center Principal of one tourney site had asked about having a band at the tourney. The Board pointed out that it had been the long standing policy of the IHSAA not to sanction bands at IHSAA basketball tourneys. It was further pointed out that if one school had a band at the tourney, all schools should have the same privilege. Also, due to instruments, it requires about 50% additional seating space to accommodate members of a band. This could deny other students and fans an opportunity to see the games.

JUNE MEETING

The Board voted to hold the June Meeting at French Lick Hotel on June 13, 14 and 15, with the understanding that the wives of the Board Members, the Commissioner and the Assistant Commissioner be invited as guests at this meeting.

The Board of Control adjourned to meet again in the IHSAA Office at 9:00 a.m. February 16, 1955.

Otto Albright, President
L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 16, 1955

Present: President Otto Albright, H. C. Benedict, Charles E. Day, Elmer H. Locher, R. B. Miller, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

HAMMOND HIGH SCHOOL—LARRY WILEY

Larry Wiley completed the work offered in Irving Junior High School (Hammond) at mid-year and enrolled in Hammond High School, January 31, 1955, as a 10B student. In accordance with a regulation of the Hammond City Schools, Larry registered in November for entrance in the 10B grade at George Rogers Clark High School. Prior to the opening of the semester Larry and his father conferred with Principal Oliver L. Rapp of Hammond High School about enrolling there. Principal Rapp says that at that time he told Larry that the change might result in residence ineligibility. On January 28, the last day of the first semester, Larry went to Hammond High School in the company of Kenneth Reed, a football player

on the Hammond High team. Reed took Larry to Football Coach Lee Gellenbeck, who later took Larry to the school office to confer with Principal Rapp. On the first day of the second semester Larry enrolled in Hammond High School.

Decision—Larry Wiley is ineligible for inter-school athletics, as to residence, at Hammond High School for one calendar year beginning January 31, 1955.

SELMA-PARKER BASKETBALL GAME

The Board of Control checked written reports, filed by Officials Marion Acton and Bill May, Principal Harold N. Bell of Parker and Principal Claude B. Williams of Selma, on the removal of assistant timer Wesley Swander from the bench at the Selma-Parker basketball game, February 11, 1955, because of unsportsmanlike conduct. The Commissioner was authorized by the Board to notify Principal Williams of Selma to take the following action:

1. Principal Williams, as principal in charge of athletics, is to see that Mr. Swander confines his activities to being timekeeper and ceases to be critical of the officials. The Board believes that a timer has enough to do without criticising or interfering with the officiating.

2. If Mr. Swander cannot keep himself under control he is to be replaced with another timer.

CULVER MILITARY ACADEMY

Culver Military Academy, being an associate member of the IHSAA, is not eligible to participate in the state championship tourney series. Due to this fact a request was made to the Board of Control that the school be permitted to extend its season for regularly scheduled games to the date of the state final tourney.

Decision—The Board of Control decided that no exception be made to the rule that regularly scheduled games for all member schools and all players be limited to the period beginning November 1, and ending the final date of the sectional each year.

GERSTMAYER—GARFIELD BASKETBALL GAME

Following a basketball game played January 20, 1955, in the Wabash Valley tourney preliminaries between Garfield and Gerstmeyer, Principal Cecil W. Martin, of the latter school, filed a charge stating, "Coach Howard Sharpe of Gerstmeyer was grabbed by the shoulders by Referee Charles Priebe (Waveland) and pushed off the floor when he (Sharpe) protested the Garfield player designated to shoot two free throws after a foul had been called."

Upon request, written reports on the case were filed by Referee Priebe, Umpire Don Lynch (Sullivan), Principal James Conover (Garfield) and Coach Sharpe.

Referee Priebe stated in writing that Coach Sharpe (a) came on the floor and in a loud, boisterous and ungentlemanly manner, charged that the wrong Garfield player had been designated to shoot the free throws; (b) that he was pushed to the sideline after twice ignoring

requests to leave the floor; (c) that he went through all sorts of contortions on the bench which encouraged the Gerstmeyer fans to become extremely loud and unsportsmanlike in conduct; and (d) that he continued to argue with the referee until the beginning of the next game in the tourney. Statements from Umpire Lynch and Principal Conover corroborated the essential charges made by Referee Priebe. Coach Sharpe filed a lengthy statement in defense of his actions.

Both Referee Priebe and Umpire Lynch stated that following the game, Jerry Sturm, a member of the Gerstmeyer team at that time, threatened "to beat the daylights out of them if he ever caught them out on the street." At the insistence of school officials, Sturm apologized the following evening.

Decision—1. Gerstmeyer High School is placed on probation in the IHSAA for one calendar year ending February 16, 1956.

2. Principal Martin is to direct Coach Sharpe to remain on the bench and to cease interfering with the officiating.

3. Officials Priebe and Lynch are censured for not calling technical fouls on Coach Sharpe for his unsportsmanlike acts.

4. Referee Priebe is also censured for pushing Coach Sharpe from the floor.

BASKETBALL TOURNEYS

(a) Since there are five awards to be made following the final Championship game, it was decided that the President of the Board of Control will present the Championship Trophy and the other members are to draw lots to determine what award each will present.

(b) A trumpet is to be used in playing the Star Spangled Banner at the State Final Tourney.

(c) All 752 entry blanks, having been filed on time and complete in every detail, were accepted.

(d) The schedules for the sectional, regional, semi-final and final tourneys were drawn by the Board of Control in the presence of representatives of the Indianapolis News and Times and the Associated Press, International News Service and United Press. The Commissioner was directed to deliver copies of the Indianapolis sectional pairings to the press at 6:30 a.m., February 16, 1955.

(e) The Commissioner was authorized to employ all necessary help for the State Final Tourney and to make any changes in plans which might be necessary in carrying out the state basketball tourney series.

(f) Officials were selected for the regional, semi-final and state tournaments with the understanding that changes may be made later.

(g) It was decided that permission not be given to film tourneys for televising at a later date, as this might enable a coach to have an unfair advantage in scouting his opponent via television. Only the official filming of the final tourney games by the IHSAA will be permitted.

(h) The Board approved a kinescope recording of the three state tourney games.

(i) The Commissioner's Office was authorized to invest surplus funds received from the tourneys in United States Government securities with the understanding that the Commissioner will report to the Board of Control on these investments at the next meeting.

The Board of Control adjourned to meet again, March 19, immediately following the afternoon session of the Final Tourney.

Treasury Bills, due June 24, 1955. Additional investments are to be made in the near future, with a report to be made to the Board at the next meeting.

1956 COACHING SCHOOL

Due to a conflict in dates, Phog Allen could not serve as instructor for the 1955 Coaching School, but would be available for the next year. The Commissioner was authorized to inform Dr. Allen that final approval would have to be given by the new Board, and to request him to hold the dates of the 1956 school open until final confirmation was received.

MORTON HIGH SCHOOL (HAMMOND)—DONALD DERROW

Donald Derrow is from a broken home. His legal guardian is his mother, but he had been living with his grandparents in Ft. Wayne, where he attended North Side High School. They are now ill and unable to care for him. He is now living with his brother at 6927 Kennedy Avenue, Hammond, and is attending Oliver Morton High School. Statements from both principals concerned are on file.

Decision—Donald Derrow is considered eligible, as to residence, at Morton High School.

ARTHUR L. TRESTER MEDAL FOR MENTAL ATTITUDE

The Board of Control observed the playing of members of the four State Final teams during the afternoon games. The information cards signed by the principal and the coach of each of the competing schools were carefully analyzed by the Board Members while players were in action.

It was unanimously decided by the Board of Control to award the Arthur L. Trestler Medal for Mental Attitude to James Henry of New Albany High School.

ST. PAUL HIGH SCHOOL—DALE AND JERRY OWENS

Dale and Jerry Owens resided with their mother and stepfather in St. Paul where they enrolled in St. Paul High School in September, 1953. As a result of family trouble, it became necessary for the two boys to reside with their grandmother in Augusta, Arkansas, from November 1953, to March 1955, in order to have a home.

Due to a reconciliation of difficulties between the mother and stepfather, a home has been provided for Dale and Jerry in St. Paul, where they enrolled in high school, March 9, 1955.

Decision—Dale and Jerry Owens may be considered eligible as to residence at St. Paul High School

TELL CITY HIGH SCHOOL—JOHN HOCH

John Hoch attended high school in China during the ninth and tenth years. The school was then closed by the Communist Government of China. For two years John's only formal education was received through tutoring. At the beginning of the present school year, he enrolled in Tell City High School and was classified as a senior following consultation with the State Department of Education.

Principal Wendell P. Hurst requested a ruling on John's enrollment eligibility.

Decision—John Hoch may be considered eligible as to enrollment for the remainder of the present school year, at Tell City High School.

MARSHALL TOWNSHIP—SHAWSWICK BASKETBALL GAME

Center Principal I. M. McFadden of the Bedford sectional reported that just as the Shawswick-Marshall Township game ended (February 25), Joe Kirkman, Marshall Township, struck Robert Boling, Shawswick, knocking him to the floor. Written reports were filed by Principal Orin Flinn of Shawswick, Principal H. C. Weaters of Marshall Township and Referees Cyril Birge and Tyrus Rice. Joe Kirkman filed a statement admitting that he lost his temper and struck Boling just after the end of the game.

Decision—Joe Kirkman is placed on probation in the IHSAA for a period of one year ending April 2, 1956. He also is warned that further fisticuffs on his part will result in suspension from inter-

school competition for a period of time to be determined by the Board of Control.

HIGHLAND HIGH SCHOOL

Beginning with the 1955-56 school year, Richland and Union Townships in Madison County will open a new school to be known as Highland High School. The two townships had previously transferred their high school students either to Anderson or Daleville. Mr. V. W. Owens, who is to be principal at Highland, requested a clarification of the residence eligibility status of the students of the two townships who will be transferring from Daleville or Anderson to the new school. He also desired to know what would be the effect on the residence eligibility of students in adjoining Anderson Township, and now enrolled at Anderson if they should transfer to Highland next fall.

Decision—If students residing in either Richland or Union Townships and now attending Daleville or Anderson transfer to Highland they will be just as eligible at Highland as they will be if they remain at Anderson or Daleville.

Students residing in Anderson Township and now attending Anderson High School will be ineligible for one calendar year if they transfer to Highland High School.

Beginning ninth grade students from outside the Highland district may be considered eligible as to residence provided there is no violation of the undue influence rule. See "Undue Influence Rule," page 41 of the 1954 Handbook and also what may constitute undue influence, page 68 of the same Handbook.

REPORT ON IHSAA TOURNEYS

The management, officiating and finances of all tourneys were checked, and no reason was found to investigate any of these tourneys. The records on file in the IHSAA office for the State Final Tourney show the exact number of tickets printed, the names of the purchasers, the number of complimentary tickets, the number of tickets on hand and the number sold. The report will be on file for the observation of any member school and the IHSAA auditor. A summary of these reports will be printed in the April Bulletin and a complete report in the 1955 IHSAA Handbook.

Ratings and reports on the officiating of the various tourneys were examined and filed for the use of the Board of Control at the time officials are selected for the 1956 tourneys.

In accordance with instructions by the Board of Control, the Commissioner's office reported that IHSAA funds had been invested as follows: Purchased U. S. Treasury Notes in the amount of \$35,000.00, due December 15, 1955, in addition to the \$100,000.00 in U. S. Treasury Bills reported at the last meeting.

TRACK AND FIELD MEETS

Officials were selected to serve as referee-starters for the sixteen sectional track and field meets and the four regional meets. Walter Thurston was selected to serve as Referee Starter for the 1955 State Track and Field Meet to be held May 28, and Norman Dunlap was chosen as assistant starter.

The Commissioner's office was authorized to make the assignment of officials for the sectional and regionals.

It was decided that the members of the Board of Control would present the medals to the various winners at the State Track Meet.

The Board of Control approved the selection of the Technical High School track and cafeteria facilities for the Meet. Fred Gorman was chosen as a representative of the IHSAA to select the help and make the necessary arrangements at the field.

GOLF MEET

Sites for the sectional golf meets were chosen. It was voted to allow a sum of \$18.00 to each sectional center school to pay a starter-referee and scorer. The amount to each to be determined by the Center Principal.

Fred Keesling, Principal of Lawrence Central High School, was chosen as the IHSAA representative for the State Meet. Coffin Golf Course was selected as the site for the meet.

The Board of Control adjourned to meet again May 7, 1955, at 9:30 a.m. in the IHSAA Office.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 7, 1955

Present: President Otto Albright, H. C. Benedict, Charles E. Day, Elmer H. Loehr, R. B. Miller, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

HAMMOND HIGH SCHOOL

This case involves charges filed by Umpire John Molodet of East Chicago against Coach Lee Gellenbeck of Hammond High School

following a baseball game between Hammond High and Whiting High School, played April 22, 1955. Mr. Molodet's charges are to be considered by the Board of Control at a meeting scheduled for 9:30 a.m. (DST) in the IHSAA Office, Saturday, May 14.

Mr. R. B. Miller pointed out that as Assistant Superintendent of the Hammond City Schools, he is a representative of Hammond High and therefore, in accordance with Article III, Section 3, Rule h, of the IHSAA Constitution, another person should be selected to serve in his place during consideration of this case. The remaining four members of the Board of Control then appointed Principal Loren Chastain of Muncie Central High School, President of the Athletic Council and a former member of the Board of Control, to act in Mr. Miller's place in this case.

NEWBURGH HIGH SCHOOL

The Newburgh Youth Foundation, Incorporated, operates a summer recreational program for youth of the community. The Newburgh Boosters Club proposes to assist the Foundation in raising funds that would be used to employ Coach Keith Combs of Newburgh High School as director of the summer program. The two organizations and Principal A. L. Barnett, of Newburgh High School, filed reports regarding the program and the duties that would be assigned to Coach Combs.

The Board of Control is concerned with the summer employment of a high school coach only where there is a violation of Article V, Section 2, of the IHSAA Constitution which reads as follows: "No high school shall be permitted to employ a coach or athletic director who receives any extra pay, salary, gifts, trips or presents from any outside sources."

It is the opinion of the Board that the summer pay of a coach from funds raised in the community should be reasonable and commensurate with services performed. Community funds should not be paid to a coach under any plan that might be considered as a subterfuge for evading the above quoted rule.

DALE HIGH SCHOOL—BOB KNOTT AND CARL HARRIS

On April 23, 1955, Bob Knott and Carl Harris, seniors of Dale High School, visited the DePauw University Campus with the idea they might wish to enroll there next fall. In company with students from a fraternity house, where the boys were guests, they visited the gymnasium and engaged in basketball shooting at one goal only. At the request of the IHSAA, the Athletic Director and Basketball Coach of DePauw filed detailed reports of the activities of the two Dale High School students while on the campus and in the gymnasium.

Decision—It is the opinion of the Board of Control that Bob Knott and Carl Harris did not violate the out-of-season basketball participation at DePauw University, April 23, 1955.

CHRISNEY-ROCKPORT BASEBALL GAME

During the third inning of a baseball game between Chrisney and Rockport, at the latter place, Coach William Dauby of Chrisney ob-

jected to a decision of Umpire Charley Roberts. When the Umpire declined to reverse the decision, Coach Dauby called his team from the field and went home. Reports were filed by Umpires Charley Roberts and Paul E. Boyd, Principal Glenn E. Keefe of Rockport, Principal A. George Maas of Chrisney and Superintendent Theodore Woolsey of the Spencer County Schools. All those reporting indicated that Coach Dauby was entirely responsible for taking the team from the field and for that reason, they hoped that leniency would be extended in the case. Principal Maas also stated that Coach Dauby is leaving Chrisney at the end of this school year.

Decision—Withdrawal of a team from a contest ordinarily calls for a period of suspension. Due to the fact that (a) officials of both schools and the two umpires recommended leniency and (b) Chrisney High School is dispensing with Coach Dauby's services, it was unanimously decided that no penalty be invoked in this case.

The Commissioner was directed to inform Coach Dauby that any similar action on his part in the future will jeopardize membership in the IHSAA of the school where he may be employed.

MARTINSVILLE HIGH SCHOOL—ELEY LADYMAN

Eley Ladyman, who had formerly attended Paragon High School, enrolled in the eleventh grade, September 3, 1954, in Martinsville High School. On November 6, 1954, he was declared ineligible by the Board of Control for one calendar year ending September 3, 1955, on the grounds that his parents had not made a bona fide change of residence to the Martinsville school district. At that time there were rumors of undue influence in the case, but no concrete evidence was filed by anyone with the Board of Control.

Principal Ward Brown together with Loren St. Clair and Robert Elmore, members of the Martinsville Board of School Trustees, appeared before the Board of Control to discuss the future status of Eley's residence eligibility at Martinsville. Principal Brown reported that the boy had been attending school all year and that his tuition as a non-resident student had been paid in full.

After a brief review of the case, the Martinsville school officials agreed with the decision of the Board of Control that the Ladyman family had not made a bona fide change of residence from Paragon to Martinsville. They were then informed that (a) Eley Ladyman's period of residence ineligibility would expire September 3, 1955, (b) that no charge of undue influence is now before the Board of Control, but that no guarantee could be given against any future charges and (c) that the IHSAA was interested in the matter of tuition only to the extent that the non-resident athlete be charged tuition at the same rate as other non-resident students. It was also pointed out that the tuition should be paid by the student or his family and not by others who may be interested in him for athletic reasons.

EMPLOYMENT OF COMMISSIONER AND ASSISTANT COMMISSIONER

The Board of Control voted unanimously to employ L. V. Phillips as Commissioner and Robert S. Hinshaw as Assistant Commissioner each

for a period of five years, beginning August 1, 1955 and ending July 31, 1960, and at the same salary each is now being paid under the present contracts. It was the understanding that the present contracts with Mr. Phillips and Mr. Hinshaw are to remain in full force and effect until August 1, 1955.

Written Contracts were prepared in duplicate and signed by all five members of the Board of Control and Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

JUNE MEETING

The Commissioner reported that in accordance with previous instructions, he had completed the necessary arrangements for holding the Board of Control Meeting, scheduled for June 13-14-15, at the French Lick Springs Hotel.

SUMMER COACHING SCHOOL

Assistant Commissioner Hinshaw reported on the instructional staff and other details of the Coaching School to be held August 8-11, at Purdue University.

NORTH SIDE HIGH SCHOOL (FT. WAYNE)

On April 19, 1955, North Side High School (Ft. Wayne) sponsored the North Side Relays in which two Ohio high schools participated, thus making it an interstate meet. Sanction for this meet was given in 1954, but the records showed that no sanction had been requested for 1955. North Side school officials explained that they were not aware that such a meet must be sanctioned by the National Federation and the states concerned each year it is held.

The Commissioner was instructed to inform Principal Dale Robertson that any further violation of the rules for sanctioning interstate tourneys and meets will result in a penalty being assessed against North Side High School.

The Board of Control adjourned to meet again in the IHSAA Office on May 14, 1955, at 9:00 a.m. (DST).

L. V. Phillips, Commissioner

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 14 and 28, 1955

Present: President Otto Albright, H. C. Benedict, Elmer H. Loehr, R. B. Miller, Charles E. Day, Loren Chastain (acting for R. B. Miller), Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

On May 14, a special meeting of the Board was held to hear testimony regarding charges filed by Umpire John Molodet of East Chicago against Coach Lee Gellenbeck of Hammond High School.

After hearing a number of witnesses of each side, the meeting was adjourned until May 28, 1955, in order that the testimony might be transcribed for review by the members of the Board preparatory to reaching a final decision.

The Board reconvened on May 28, to complete the case as follows:

HAMMOND HIGH SCHOOL

Umpire John Molodet (East Chicago) had charged in writing that immediately after the last play of the Hammond High-Whiting baseball game, played at Whiting, April 22, 1955, Coach Lee Gellenbeck of Hammond, "became enraged at my decision and dashed toward me—whereupon he grabbed me by the shirt and called me a 'homer.'" He also stated that Coach Gellenbeck went into a boisterous harangue and said in so many words that "I would never work another ball game." He further charged that as Gellenbeck started to drive away, he called him (Molodet) an obscene name. Coach Gellenbeck had filed in writing a flat denial of the charges filed by Umpire Molodet. Since this case concerned a school in which Board Member R. B. Miller, Assistant Superintendent of Hammond City Schools, is interested, Principal Loren Chastain (Muncie Central), President of the Athletic Council and former Board of Control member, had been selected to serve in Mr. Miller's place.

The following persons appeared before the Board: Representing Hammond High School: Principal Oliver L. Rapp, Coach Lee Gellenbeck, Athletic Director Clyde Lyle, two members of the Board of School Trustees, three students and three spectators; Representing Whiting High School: Principal George O. Burman, Coach Ray Galivan, two students, and one spectator. Mr. John Molodet also appeared.

All present had an opportunity to testify. Umpire Molodet repeated the charges that he had filed in writing. Coach Gellenbeck again denied all the charges. Following the testimony of a number of persons from both Hammond and Whiting to the effect that they witnessed Coach Gellenbeck take hold of Umpire Molodet and heard him call Molodet a "homer," Coach Gellenbeck admitted that in his disturbed condition he probably did some of the things as charged by Umpire Molodet. No witness testified he had heard Coach Gellenbeck call Molodet an obscene name.

At the close of the hearing, Coach Gellenbeck apologized to Umpire Molodet for the manner in which he conducted himself at the game.

Decision—1. Hammond High School is placed on probation in the Indiana High School Athletic Association for a period of one calendar year beginning May 28, 1955, and ending May 28, 1956.

2. Principal O. L. Rapp is directed to inform Coach Lee Gellenbeck that any further unsportsmanlike conduct on his part may result in the suspension of Hammond High School from membership in the IHSAA.

After the Hammond High-Whiting case had been settled, Mr. Chastain retired and Mr. Miller resumed his place on the Board.

CRISPUS ATTUCKS (INDIANAPOLIS) HIGH SCHOOL—DON BROWN

Don Brown, who will be a senior next year, has been residing with his grandmother in Shelbyville where he was enrolled in Shelbyville High School. Circumstances have made it necessary that he reside with his parents in Indianapolis where he plans to attend Crispus Attucks High School next year. Letters were on file from the principals of the two schools concerned.

Decision—Don Brown may be considered eligible as to residence in Crispus Attucks High School.

TRACK AND FIELD MEET

It was decided that the members of the Board of Control would present the medals to the various winners at the State Track Meet.

CLERICAL HELP

Approval was given for the Commissioner to employ extra clerical help as needed during the summer when the regular employees are on vacation and also to assist with the re-registration of IHSAA officials.

ATHLETIC COUNCIL MEETING

Time was given to a discussion of matters to come before the Athletic Council at the May 28 meeting.

ATHLETIC INJURY INSURANCE

Approval was given to an athletic injury insurance plan submitted by Mutual of Omaha and contracts were signed for the 1955-56 school year.

ANNUAL AUDIT

The Commissioner was authorized to employ Ernst and Ernst, accountants, to make the annual audit soon after the close of the fiscal year, June 30, 1955.

IHSAA OFFICE

Approval was given for the purchase of a number of new filing cabinets for the IHSAA Office.

The Board adjourned to meet again June 13, 14 and 15, at French Lick, Indiana.

I.H.S.A.A. BOARD OF CONTROL MEETING

French Lick, Indiana, June 13, 14, and 15, 1955

Present: President Otto Albright, H. C. Benedict, Charles E. Day, Elmer H. Loehr, R. B. Miller, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

TRACK AND GOLF MEET FINANCIAL STATEMENTS

Financial statements of the 1955 IHSAA Track and Golf Meets were submitted by the Commissioner and approved by the Board of Control and ordered published in the 1955 Handbook.

REPORT ON OFFICIALS AND FILMS

Assistant Commissioner Hinshaw presented two reports to the Board of Control. The first covered the year's activities in connection with the registration and approval of officials for the various sports. The second report dealt with cost of the IHSAA film service and the extent to which the films were used by member schools and other organizations.

BUDGET AND FINANCES

Careful consideration was given to the estimated expenditures recommended by the Commissioner for 1955-56, and were adopted as submitted. The Board gave approval to a few expenditures in excess of the 1954-55 estimated expenditures. The Commissioner presented a statement of receipts and expenditures over the past twelve months together with an itemized statement of government securities owned by the IHSAA at present. It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 11. Results of this audit will be presented at the next meeting of the Board of Control and published in the 1955 Handbook. The Commissioner was authorized to deposit with the American Fletcher National Bank of Indianapolis, for exchange or credit to the account of the IHSAA, such securities as may come due. Since a portion of the funds are to be used for current expenditures, authority was given to sell and deposit to the account of the Association securities as needed to keep a safe balance in the bank. It is understood that all transactions in securities are to be reported to the Board of Control at the next meeting following such transactions.

The Board authorized the Commissioner to pay salary and other current bills a few days in advance of June 30, in order that these checks may be cleared through the bank before the beginning of the new fiscal year, July 1.

USE OF SCHOOL TIME FOR ATHLETIC EVENTS

The Commissioner reported that two school administrators had protested the use of school time for athletic events. In the discussion that followed the Board pointed out that, (1) during recent years the Board of Control has made every effort to reduce to a minimum the amount of school time used for tournaments and meets scheduled by the IHSAA, and (2) that the use of school time for regularly scheduled contests as well as invitational tournaments and meets is a matter to be determined by local school officials and not the IHSAA.

SPECIAL DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for

adequate reserve in the IHSAA treasury, the Board set \$120.00 as the maximum amount of surplus funds to be paid any member school in the special distribution to be made October 1, 1955. Since there was a special distribution in 1954, all the money to be distributed was earned during the current year. It was decided to make this distribution according to the following plan:

1. Ninety dollars (\$90.00) for participation in the 1955 Sectional Basketball Tourney.
2. Thirty dollars (\$30.00) for membership in the IHSAA during the membership year, 1954-55.
3. Any school sharing the special distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1955.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share shall be sent to the principal of the new or resulting school.

The Board of Control adjourned to meet again August 23, at 9:30 a.m. in the IHSAA office.

VACANCY ON COUNCIL

It was voted that the vacancy in District II, Class 2, be deferred and filled in the December election.

COMMITTEE ON RESIDENCE AND TRANSFER RULES

The President reported that the following named Council Members had been selected to serve on this Committee: King Telle, E. C. C. Boyd was chosen as chairman of the group and the first meeting was set for 10:00 a.m., November 15, 1954, in the IHSAA Office.

PROPOSALS

The Council took the following action on the proposals which had been filed for their decision:

1. That the Board be empowered to re-edit the Rules and Contests section to clarify the present rules on Enrollment and Participation and submit to the Council at the May meeting.

2. That Division V, Section E, Rule 3, be amended by the addition of the words in bold face type below:

Rule 3: "A student properly certified to participate in interscholastic athletic activities, who is absent from school **or who is physically unable to practice** for five consecutive days due to illness or injury, must present to his principal a statement from a physician licensed to practice medicine in Indiana, that he is again physically fit to participate in interscholastic athletics."

3. In connection with a proposal presented by Principal Brooks Bell, the Council discussed the practice of unauthorized individuals soliciting advertising in connection with the publication of high school athletic schedules. It was decided that since this activity is conducted outside the school no rule regarding the matter could be effectively enforced. As a preventive measure the Council directed that a statement be placed in the December Bulletin advising principals to notify their local business men that the solicitation of such advertising is not sanctioned by the school and that the school receives no part of the money paid for such advertising.

Discussion of television policies, possibility of a different name for Semi-final basketball tournaments, and eligibility of students transferring from other states was held, with these matters being referred to the Board of Control for final decision.

ANNUAL MEETING

Commissioner Phillips reviewed plans for the Annual Meeting to be held October 21, 1954.

Board of Control,
The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1955. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Our examination included reconciliation of recorded cash receipts for the year with deposits as shown by bank statements on file. Cancelled checks returned by the bank were compared with the record of cash disbursements, and the cash disbursements were supported by examination of invoices, expense reports, and other data. Securities recorded as owned by the Association were presented for our inspection.

In our opinion, the accompanying statement of cash receipts and disbursements presents fairly a summary of the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1955.

FOOTBALL

Only one member school added football to its interscholastic program this past year, but there was a decided increase in the number of students participating. A total of 174 schools fielded eleven-man squads, eight schools engaged in the eight-man game and twelve schools continued six-man football. Estimates from the schools show a total of 12,660 students participating.

Four schools won or tied for their conference championship duplicating honors they had won in 1953. These elevens were Central (Muncie), New Haven, North Vernon and Covington. Interest in conference championships continues to grow each year.

Night football also continues to be popular in the Hoosier state because it produces more revenue, less interruption of daytime school programs, parents and friends may attend, and playing conditions are more favorable for the early season games. The added gate receipts permits schools to purchase more and better protective equipment for the players.

Early season football jamborees are still played in some cities and have helped to give impetus to the fall sport as several thousand spectators attend these affairs.

The association does not sponsor a series of games to determine a champion, but each year honors outstanding squads by carrying their pictures in the Handbook. The pictures that have been submitted may be found following the list of high schools participating in the sport.

CROSS COUNTRY

Shortridge High School of Indianapolis captured its second consecutive cross country title over the South Grove golf course by a score of 78. Their first five finishers placed third, seventh, eleventh, twenty-seventh and thirtieth in team positions.

Runnerup was Anderson with 120 points followed by Hobart and Marion, tied with 143 points. Vincennes gained the fifth position by a score of 151.

Individual winner of the two-mile race was Dale Lubs of LaPorte, clocked at 10:03.6, considerably slower than the record time. Wayne Kirk of Vincennes, Dave Coombs of Chesterton, Jim Hill of Shortridge (Indianapolis) and Fred Carnes of Central (Muncie) trailed Lubs to the finish line in that order.

Fred Carnes of Central (Muncie) led the pack of harriers at the one mile post but could only finish fifth. Floyd Romack of Technical (Indianapolis), the only runner to beat 10 minutes in sectional competition, couldn't match the leaders' closing finish and placed sixth. Al Nunn of Wiley (Terre Haute), who finished second to Warsaw's Max Truex in 1953, dropped out of the race at the one and one-half mile post.

A total of thirty-eight schools were represented by twenty-three teams and fifteen individuals. One hundred seventy-one contestants faced the starter with all but three finishing the race. One hundred thirty-one schools entered one thousand and ninety-nine athletes in the eight sectionals.

SECTIONAL CROSS COUNTRY MEETS

EIGHTH ANNUAL

(These rules are reprinted from the September 1954 bulletin.)

The sectional cross country meets will be held this year on Tuesday, October 19, 1954, after 3 p.m. These meets are conducted as an elimination series in order to select teams and individuals for the state cross country meet.

Eight sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1953, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan and add more centers if a greater number of schools enter than is anticipated. Representation to the state meet will be determined by the number of teams competing in each sectional meet.

Schools have been assigned by counties, and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin

TERRE HAUTE—(V. R. Rutherford, Principal) Boone, Clay, Fountain, Greene, Hendricks, Monroe, Montgomery, Morgan, Owen, Parke, Putnam, Sullivan, Vermillion, Vigo and Warren.

II. MANAGEMENT—The management of these meets rests solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be selected by the center principals, except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Tuesday afternoon, October 19, after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Friday, October 15, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Team positions at the start are to be drawn by lot.

III. OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding modified or associate memberships. A school may certify twelve students, with no more than seven participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

IV. ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

V. EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

VI. ELIGIBILITY—The eligibility of each player shall be certified by the principal of his school. The official entry list must be used, and all data given. Entries positively will close Monday, October 11. The entry lists must be in the hands of the Commissioner, complete in every detail, by 4 p.m. on that date. Twelve students may be certified for the meet, with seven or less participating on the day of the meet.

VII. LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

VIII. SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. Individuals are ranked and tallied in the placement column, but their position is dropped and not recorded in the team scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. It is considered a tie event if two or more teams score the same number of points. Individual ties shall be decided by lot.

IX. RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running, as found on pages 29 and 59 in the 1954 National Federation Edition of the Track and Field Rules shall govern—with the exception of the length of course.

X. PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the state meet, provided they finish the race. The first five individual winners will receive ribbons.

XI. QUALIFICATIONS FOR STATE MEET—Representation at the state meet will be determined by the number of teams competing* in that sectional, as follows: Six or less, one team. Seven to twelve, two teams. Thirteen to eighteen, three teams. Nineteen or more, four teams. The first five individuals to finish shall be eligible for the state meet regardless of their team position.

* A school must have five or more boys finishing the race to be considered as a team competing in that sectional.

STATE CROSS COUNTRY CHAMPIONSHIP MEET

VII. SCORING—(See Sectional.)

VIII. PRIZES—The IHSAA will award the winning school a trophy, and individual medals to members of the teams finishing first, second and third. Only actual contestants will be eligible for awards. Medals of gold, silver or bronze will be awarded the individual winners of first, second, third, fourth or fifth place in the race.

IX. ADMISSION—There will be no admission charge. Coaches and spectators will be restricted to roped areas and will not be allowed on the course during the race.

SHORTRIDGE (INDIANAPOLIS) HIGH SCHOOL
1954-55 State Cross Country Champions

DALE LUBS
LAPORTE HIGH SCHOOL
1954-55 Individual State Cross Country Champion

WRESTLING

Defending champion Southport High School retained its state high school wrestling championship in one of the most evenly matched state meets in the Association's history.

Southport scored 40 points, edging Jefferson (Lafayette) by four points. Technical (Indianapolis) and Shortridge (Indianapolis), two of the strong challengers, surprised with 32 and 31 points.

Shortridge (Indianapolis) led all teams with three individual champions. They were Jimmy Hill, 112; Frank Anderson, 133, and Dave Jeter, 165. The champions won only two individual titles, but its nine-man qualifying squad provided the winning margin with third and fourth place points.

Henry Tanner, 145, of Technical (Indianapolis), captured one of two individual titles for the green and white. Tanner was voted the outstanding wrestler in the meet by a vote of the coaches. He was undefeated during the year.

Thirty-five schools entered the Sectionals, which was the same number as in 1954. A school had to enter at least nine contestants in order to compete. Wrestlers placing first or second were eligible for the State Meet. Twenty-eight schools qualified one or more contestants.

The official rules of the Inter-Collegiate Guide for High School Wrestling were used with one modification, the IHSAA 50% rule.

SWIMMING

Central (South Bend) scored 22 points in the final relays to win the eighteenth annual IHSAA swimming championship with 52 points. This was the first championship for the Bears since 1939.

Defending champion Hammond finished second with 39, followed by Burris (Muncie) with 37. Seventeen schools entered 198 athletes, a record number since the championship meet was revived in 1951.

Central had only one individual champion when Tom Gustafson successfully defended his 150-yard individual medley crown in record time of 1:43.1, breaking his old mark of 1:49.0. The Bears won the 150-yard medley relay and placed second in the 200-yard, free style relay.

Burris (Muncie) 200-yard free style relay team splashed to the only other new record in 1:42.3, bettering Hammond's 1:43.6 of last year. Dick Green of Wallace (Gary) successfully defended his 100-yard back stroke title in 1:07.1.

The meet's only double winner was Maurice Woodworth of Jefferson (Lafayette) who copped the 50 and 100-yard free style.

Horace Mann (Gary) finished fourth for the team title with 29 points followed by Wallace (Gary) 19½, Jefferson (Lafayette) and Riley (South Bend) 14, Columbus 11.

BASKETBALL

The majority of basketball fans that were in the Fieldhouse and television viewers observing the play of the 44th annual IHSAA basketball tourney on March 19 were convinced that Crispus Attucks (Indianapolis) ranked as one of the greatest champions as they defeated Roosevelt (Gary) 97-74 in the final game.

Crispus Attucks, the first Indianapolis high school to win the coveted IHSAA crown, had a 28-1 season's record before the final tourney. The Tigers had a shooting average of over .400 for their season's play and continued to increase this average during the tourneys.

Attucks jumped to an early lead over the Panthers from Roosevelt and led at the quarter post 24-15. At half-time the Tigers finished in front 51-32. The third quarter was about even with the Gary school still trailing 73-51. In the fourth quarter, the Tigers held on to their margin and finished with a 23 point victory.

In the first afternoon game between Crispus Attucks (Indianapolis) and New Albany, both teams seemed to be very tense and were missing easy lay-ups. The first quarter ended with Attucks leading by a slight margin of 20-17.

Early in the second period, the Bulldogs from New Albany spurted to a 25-24 advantage but the Tigers scored and it was 44-36 Attucks at the intermission. During the third quarter, play was about even with the Tigers in front 63-54. Both teams continued to score in the final stanza with the Tigers on top 79-67.

This was the third appearance for New Albany in the Final Four and the second for Crispus Attucks. The Bulldogs closed a successful season with a 24-4 record.

The second afternoon game brought together the Panthers of Roosevelt (Gary) and the Redskins of North Side (Ft. Wayne). In a see-saw first quarter, the lead changed hands several times and closed with North Side in the lead 22-19. The Redskins faltered in the second period and Roosevelt garnered 16 straight points to go from 26-21 behind to 41-30 margin at half time. It was 58-48 at the end of three quarters, Roosevelt. With a little over six minutes to go North Side went into a full court press and Roosevelt attempted to run out the clock. Roosevelt managed to maintain a lead and finished in front 68-66.

A total of 752 schools entered the sectional tourneys. New gross receipts and attendance marks were established.

The Board of Control selected James Henry of New Albany to receive the Arthur L. Trester Award for Mental Attitude.

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE FORTY-FOURTH ANNUAL

These rules are reprinted from the January 1955 Bulletin

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full; with the distinct understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING ALL SECTIONAL, REGIONAL AND SEMI-FINAL TOURNEYS

1. TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used.
2. PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.
3. RADIO SERVICE—Stations in Indiana may broadcast IHSAA tourneys provided the requirements in the "IHSAA Rules and Regulations Governing Broadcasting" are observed. The managers of the stations and the Center Principals will have copies of these rules and regulations.
4. PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.
5. SOUVENIR PROGRAMS—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control nor the Commissioner's Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.
6. SUGGESTIONS—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.
7. MANAGEMENT—The exclusive control of all these tourneys rests solely with the Board of Control according to the IHSAA Con-

stitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every attempt will be made to choose none but fair, disinterested and competent men. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis News, Star and Times; Associated Press, International News Service and United Press, and no changes will be made in them.

8. **SATURDAY GAMES**—All Saturday games in all tourneys will be 1:00, 2:15 and 8:15 p.m.

9. **DECISIONS**—The assignment of officials and the decisions of the officials will be considered final. Schools enter the tourneys with this understanding. Give this information to your students and fans now and as often as necessary.

10. **PRIVILEGES**—All competing players, one coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

11. **WARM UP PERIOD**—There shall be at least ten minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game.

12. **NUMBERING OF SHIRTS**—In order for a school to be eligible to enter the sectional tourney, all players' shirts must be properly numbered according to the Board of Control ruling on Rule 3, Section 4 of the Official Basketball Rules.

SECTIONAL TOURNEYS

February 23, 24, 25, 26

See "Important Information"

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The plan arranged is to have no less than 8 teams and no more than 16 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

* All semi-final and final games of two-site tourneys will be played at the site indicated by an asterisk (*).

MANAGEMENT—Two officials will be assigned to tourneys having 8 and 10 teams; three officials to tourneys having 9, 11, 12, 13, and 14 teams; four officials to 15 and 16 team tourneys and six officials to each two-site tourney. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering a sectional basketball tourney in the IHSAA in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an entry blank. Schools holding modified membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the team's opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following plan:

1. Entertainment for all teams in all tourneys will end not later than 10:00 p.m. Saturday, February 26.
2. In "One-site" tourneys teams playing Wednesday or Thursday evening, February 23 or 24, are entitled to one extra round trip transportation and one extra meal. Entertainment for all teams begins on Friday as follows:
 - (a) 8, 9, 10, 11—5:00 p.m.
 - (b) 12, 13, 14—12:00 noon.
 - (c) 15, 16—8:00 a.m.
3. "ONE SITE TOURNEYS"—All 8 or 9 team tourneys will begin play at 6:00 or 7:00 p.m. Thursday evening, February 24. All other tourneys will begin at 6:00 or 7:00 p.m. Wednesday evening, February 23. There will be no games on Friday morning or afternoon in 8, 9, 10 or 11 team sectionals. Tourneys comprising 12, 13 or 14 teams will not play Friday morning. Tourneys with 15 or 16 teams will play Friday morning. There will be no games on Saturday morning in any tourney. Printed schedules will be sent to each competing school by the Center Principal in time to arrange for making the trip.
4. Due to the variations of time schedules of "Two-site" and "One-site Two Bracket" tourneys, the time and the entertainment schedules will be set up by the IHSAA and sent to all

Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the Drawings.

5. The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Monday, February 21, (2) transportation only, one round trip, may be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowances shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of that school and not an expense of the tourney. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, to help defray expenses of the tourneys. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
2. The Center High School shall receive one hundred and fifty dollars (\$150).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The IHSAA shall receive one percent (1%) of the fifth balance.
7. a. One-half of the sixth balance shall be divided pro rata among the participating schools, the Center School sharing.
b. One-half of the sixth balance shall be divided among the participating schools on an enrollment basis.
8. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
9. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, March 3.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certificates must be made on the Official Entry Blank furnished by the Commissioner

and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the IHSAA. Entries positively will close Wednesday, February 9. All entries must be in the IHSAA office before 4:00 p.m. Wednesday, February 9. Do not mail entry blanks before January 31. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, February 9. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

All requirements of the State and City Fire Marshals shall be met in all tournaments.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tournament tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in their area upon request prior to Friday, February 18.
2. Ten percent of the remaining tickets shall be divided pro rata among the competing schools. (Every school regardless of enrollment has a certain "must" list; such as assistant coaches,

trainers, student managers, cheerleaders, etc. This pro rata allotment is intended primarily for this use.)

3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 15, 1954, or the third day of school if the opening day is later than September 15.

Season tickets must be ready for distribution by Monday, February 21. No tickets shall be distributed until the Center Principal has received his copy of the draw. All ticket information should be secured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tournament. Season tickets unsold shall be returned by 10:00 a.m. on the day the tournament begins, except that in "two-site" and "one-site two bracket" tournaments, they shall be returned by 4:00 p.m. the day before the tournament if the tournament begins with a daytime session; and by 10:00 a.m. on the day of the tournament if the tournament begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 9, and cannot be changed or accepted afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before January 31. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

ENTRIES—One entry fee covers all tourneys. Teams are limited to ten (10) men and these ten men may play. Twelve men may be

certified but two of these men must be scratched prior to the team's opening game of the tourney. These teams may or may not be made up of the same men who participated in the sectional tourneys.

The sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, February 28. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, February 28. (Ask for Miss Sizelove who has charge of making the changes.)

DISTRIBUTION OF TICKETS—All tickets shall be handled by the Center School Principal according to the following plan:

1. Season tickets only shall be sold prior to Saturday, March 5, 1955.
2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.
3. **Press**
 - a. Each paper within the regional district but outside of the tourney center may be granted one ticket upon request not later than Saturday, February 26.
 - b. Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted 3 tickets upon request not later than Monday, February 28.
 - c. Papers outside of the state shall not be granted tickets unless they have a large coverage in the state, and then the limit is given under (a).
 - d. School papers shall not be granted tickets.
4. **Radio.** Each station broadcasting the games may be granted 3 tickets upon request not later than February 28.
5. Complimentary tickets shall be confined to those directly connected with the tourney. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the principal and the coach. Each Athletic Council member and each Ex-Board member may be granted two tickets to the Regional in his area upon request prior to Saturday, February 26. A list of the complimentary tickets must be furnished the IHSAA giving name, position, and number of tickets.
6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.
7. Schools entered in a sectional tourney may secure twelve tickets to the Regional Tourney in their area. Orders must reach the Regional Center Principal between February 19 and 24. All principals should use the Regional Ticket Order enclosed with this bulletin, and should attach a check in the proper amount,

sending the order and remittance TO THE REGIONAL CENTER PRINCIPAL IN THEIR AREA.

8. Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the high school principal not later than Monday, February 28.
 - a. One-half of the tickets remaining divided on a pro rata basis.
 - b. One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction September 15, 1954, or the third day of school, if the opening day is later than September 15, for the school years 9, 10, 11 and 12.
 - c. If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).
9. All tickets remaining at this stage shall be placed on open sale on Wednesday, March 2, with the understanding that all sales shall be guarded to insure fairness to all.

ENTERTAINMENT—The Regional Center Schools have contracted with the Board to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 9:00 a.m. Saturday, March 5, and continue, if necessary, to 8:00 a.m. Sunday, March 6. All competing schools are requested to ask for no longer entertainment than is necessary. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

2. The Center High School shall receive two hundred dollars (\$200).
3. The transportation shall be paid. (See sectional transportation allowance.)
4. The Center High School shall receive one hundred fifty dollars (\$150).
5. The IHSAA shall receive fifty per cent (50%) of the balance.
6. The remainder shall be divided as follows: (a) one-half pro rata among the participating schools and (b) one-half on the basis of season tickets sold and reported by the participating schools in the local communities on or before 4:00 p.m. Friday, March 4. This hour and date are binding on all schools. In the distribution of receipts, all tickets purchased according to the provision under "Distribution of Tickets," item 7, shall be credited to the winner of the sectional in which the school purchasing the tickets is located.

STATE TOURNEY BUTLER FIELD HOUSE, INDIANAPOLIS

MARCH 19

ENTRANTS—The four (4) winning teams of the semi-final tourneys shall constitute the participants in the Final Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Teams are limited to ten men and these men may play. Twelve men may be certified but two of these men must be scratched prior to the team's opening game of the tourney. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-final

entry blank will suffice for the Final Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 14. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 14.

ENTERTAINMENT—Twelve men will be entertained on each team (which must include the faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$150.00 for lodging, \$250.00 for meals, \$400.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fees will be as indicated and the tickets will be printed with the following information on them:

1. Session ticket: \$2.00
2. Season ticket: \$3.00

The Arthur L. Trester Medal for Mental Attitude will be awarded to the athlete, who in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

TYPE OF BALL—See Sectional "Important Information."

DECISIONS—See Sectional "Important Information."

RADIO SERVICE—See Sectional "Important Information."

SOUVENIR PROGRAMS—See Sectional "Important Information."

PICTURES—See Sectional "Important Information."

TIME OF GAMES—1:00, 2:15 and 8:15 p.m.

MANAGEMENT—The Board of Control has designated the Commissioner as Manager with Robert S. Hinshaw, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Melrose 7-1519. Fred R. Gorman, Vice-Principal of Technical High School, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and Radio reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 16 and not

later than Thursday, March 10. An identification plan will be used for press representatives, who must be properly certified by their managers at the time requests are made.

TICKETS—All tickets will be handled by the IHSAA office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 19, 1955. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at approximately 14,943.

2. Each high school principal, having a team entered in an IHSAA Sectional Basketball Tourney for 1955, and each high school principal holding a modified membership in the IHSAA, may order tickets to four and one-half (4.5) percent of his high school enrollment as submitted to the Inspection Office of the State Department of Public Instruction September 15, 1954 for grades 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than four tickets. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation as outlined. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSAA must accompany each order. Tickets purchased cannot be returned. Please do not send cash. The limitations below must be observed as given:

(a) Orders for tickets having official postmarks on the envelopes from and including Thursday, February 17, to and including Friday, February 25, will be accepted if received not later than Saturday, February 26. Ticket orders mailed prior to February 17 will be returned for proper mailing. The IHSAA reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets

that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None are guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filed, the following statements are made:

a. Ticket orders from principals are due any time from February 17 to February 25, inclusive. Postmark will determine mailing date.

b. Upon receipt of ticket orders in the IHSAA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the

playing floor, having 950 seats to the block, will be reserved until Monday, March 14, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by Monday, March 14, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

TOURNEY RULES

Beginning with the 1950-51 basketball season, the Board of Control directed that the recommended rule regarding numbers on basketball shirts be adopted and enforced. The IHSAA Board of Control will continue to enforce this rule.

The Board has instructed that a warm-up period (of not less than ten minutes) be allowed participating teams before each tourney game. During a session, this period shall begin with the ending of the preceding game.

IHSAA basketball tourneys have been ruled exempt from admissions tax by the United States Treasury Department. Information on this matter was carried in the December bulletin. The schedule of prices printed in this bulletin, therefore, do not carry tax.

THE ARTHUR L. TRESTER MEDAL

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Medal for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Medal for Mental Attitude.

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams: In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

The following boys have received the mental attitude award:

TRACK AND FIELD

Scoring three firsts, a third and a fifth place gave Froebel (Gary) 24 points which was enough to win the IHSAA State Track and Field crown for the 11th time.

Roosevelt (Gary) last year's champion and three time winner in the last four years, placed second with 14 points. Four other schools reached double figures in the low scoring meet. Elkhart came in third with 12, North Side (Ft. Wayne) 11, Marion and Anderson 10 each.

Bob Buck, Froebel's ace, was the meet's outstanding performer as a double winner in the 100 yard dash 9.9, and a 19.1 in the 180 yard low hurdle race for a new state record. He also ran anchor on the championship one-half mile relay squad.

During the day, four other new state meet record performances were turned in by the following: Oatess Archey, Marion, a 14.5 in the high hurdles; Clyde Austin, Washington (South Bend) ran a 49.1 quarter mile; Marvin Sturgeon of Cannelton followed with a 1:56.6 for the 880; and Russell Garriott of Hobart tossed the shot 57 feet 7 inches to better the old record by two feet.

Two of the three defending champs were repeat winners, Austin in the 440 and Lyons North Side (Fort Wayne) in the high jump, but Kurt Hofmann, Lew Wallace (Gary), had to settle for a second place in the 880.

Naverne Wille of Columbus, an outstanding performer during the season, finished strong with a 4:23.0 mile.

This year, 314 schools entered 3933 athletes in sectional meet competition which was three more schools and 30 athletes over 1954. All Regional meets were held on Friday. Due to a heavy rainstorm, it was necessary to postpone the state meet from May 28 to June 1.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

Instructions and a starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

Eligibility—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. Entry blanks are due in the IHSAA office on or before 4:00 p.m., Thursday, May 12, 1955, and cannot be accepted afterwards.

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of boys from different schools. The players will count and keep score for each other.

Teams—Each school may enter six (6) boys and the team must consist of four (4) of these six boys. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR STATE MEET

Teams

Representation at the State Meet will be determined by the number of teams competing in that Sectional, as follows: Five or less, one team; six to ten, two teams; eleven to fifteen, three teams; sixteen to twenty, four teams; twenty-one or more, five teams.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals

The three low medalist players in each sectional meet are eligible to compete as individuals in state meet competition, provided their school posted a team score in the sectional.

Ties

All individuals or teams tying for the last qualifying position shall be eligible for State meet competition. Prizes shall be awarded by lot.

STATE GOLF MEET

Entrants—Individuals and schools whose teams qualify according to the sectional regulations shall constitute the entrants for the State Meet. (Teams must be composed of any four of the six certified entrants.)

Registration—All teams must be checked in at the Club House by the Principal or his official faculty representative. This responsibility belongs to the school.

Transportation—This will be an obligation of the participating school in each case.

Entertainment—Noon meals will be furnished by the IHSAA at the Club House to the actual participants and one faculty manager from each school.

Prizes—A trophy will be given to the winning school. Medals will be presented to the winning team members of first, second and third places and the three low medalists.
