MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

By

OTTO ALBRIGHT, President
Board of Control

In this modern Space Age, competitive living has attained new heights. If our democratic way of life survives, it is imperative that we train our youth to use their minds and bodies to their utmost capacities. Young people face the strongest competition ever offered. Education can best serve Youth by challenging him to achieve his maximum potential. We are all aware of the fact that books alone will not satisfy many of the students enrolled in our schools. Competitive sports have answered this need in the past; athletics still continue to meet the need.

The Indiana High School Athletic Association was organized so that the athletic program in our State could be kept at such a high level of ideals that students could learn first-hand that it pays to play fairly, squarely, and honestly. Rules on eligibility, residence, and control were made with the thought in mind that athletics has a proper place in our school system, but that it functions best when kept in its proper sphere. Under the able guidance of our Commissioner, L. V. Phillips, and his assistant, Robert S. Hinshaw, this organization has progressed with the growth of our athletic program to the point where ours is one of the finest organizations in the nation. The men who serve on the Council and Board are close to the pulse of the program in their local communities, and through their efforts, the various problems which arise are studied and solved to bring the greatest benefit to all concerned. Any member school may bring its problems to the organization for study and solution.

We are deeply concerned with the problem of keeping athletics in Indiana clean. We cannot for one moment relax our vigilance. Just as subversive forces work against democracy when we are careless, evil could creep into our athletic program if we do not remain constantly alert. Our young people must learn that in adult life there are rules by which we must govern ourselves if we are to continue our democratic way of living. They can learn this lesson by realizing that there are certain bounds in the field of sports, and that as long as they abide by these rules they can participate one-hundred percent in the program. But when a student infringes on any of these regula-

tions, he forfeits the right to compete with those who obey the rules. We dare not lower our standards on this score. To do so would be to disregard our own responsibilities, to forfeit the confidence of the public, and to fail the Youth we serve. Ours must continue to be an impartial survey. We must have the courage to seek solution of our problems which will keep our program one we can honor and point to with pride. A continued good athletic program is up to our Association and its member schools. Ours is a voluntary organization; no one is forced to join. However, just as all organizations must have fundamental rules and principles, so must we; and our membership is our pledge of obedience to such regulations.

We believe in our Indiana athletic program. It has been good in the past. It has kept athletics functioning smoothly and efficiently in our State. It has given opportunity for clean competition to a maximum number of students. If we continue to teach Youth to meet competition honestly and fairly, we can be sure that in the larger game of Life they will not fail. Our administrators, coaches, and teachers have a real task before them. They have in their hands the molding of young lives for better citizenship in a power-mad world. Let us here resolve that by precept and example we will strive to give the Youth under our influence the proper tools for the survival of democracy through an athletic program that continues to emphasize clean living and fair competition.

HERMAN F. KELLER, President of National Federation of State High School Athletic Associations.

Member of I.H.S. A.A. Athletic Council and Past President of the Board of Control.

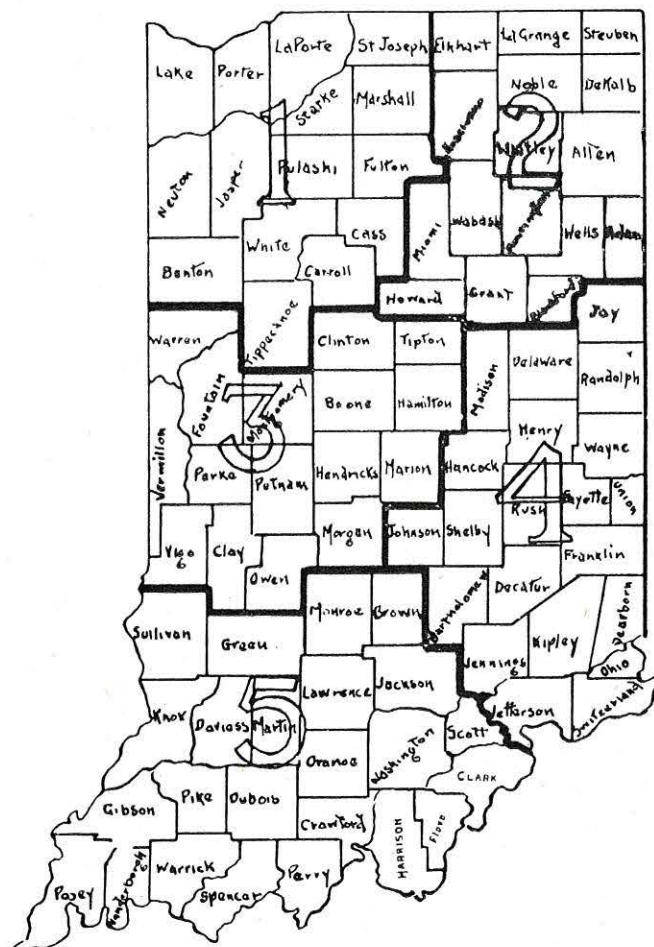

At the close of the fortieth annual convention of the National Federation of State High School Athletic Associations held atop Lookout Mountain June 28 to July 2, 1959, Herman F. Keller, Evansville Bosse head basketball coach, was elected to the presidency of the organization. During the coming year he will preside over the National Federation's far-flung empire stretching all the way from Nova Scotia to the Hawaiian Islands and Alaska.

The National Federation includes forty-nine of the fifty states, the District of Columbia, and four Canadian provinces. Only Texas, the Lone Star state, has not affiliated with the group. There are some 21,000 member high schools in the National Federation.

The activities of the National Federation are based on the belief that strong state and national high school athletic organizations are necessary to protect the athletic interests of high schools. To accomplish this, it is necessary for high school men to exercise teamwork on a nation-wide scale.

It is significant to note that Mr. Keller is the only active coach ever to have been chosen president since the Federation was founded in 1920. His election is not only a distinct honor to him and to Indiana but also to the coaches of the state and nation.

HISTORY OF IHSAA

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of high school Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of high school Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are seven hundred twenty-four (724) member high schools. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the fifty-six years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball and girls' play days. State championships are determined in cross country, swimming, wrestling, basketball, track and golf.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

Principal Geo. W. Benton, Shortridge H. S., Indianapolis. (Deceased).

The Constitution, By-Laws and Rules printed in the annual Handbook may not be up-to-date at all times, due to legislation between printings.

The printed Constitution, Rules and By-Laws, together with the questions and answers, plus the information in current bulletins, will keep all responsible parties completely and officially informed.

PURPOSE OF IHSAA

(Copied from Introduction to first printing of Constitution in 1904)

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "IHSAA.")

All memberships expire on October 1 of each year unless the annual dues are paid.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tournaments and meets, but not in any tournaments or meets conducted for the purpose of determining an official state championship in the IHSAA.

Rule 6. There shall be ten separate days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests in the following sports: basketball, football, track, cross country, swimming and wrestling. Only one practice may be counted for any one day.

Rule 7. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the closing date of the sectional tournaments of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tournaments of The State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tournaments if earlier than this final tourney date. (The penalty is suspension.)

Students playing independent, league or organized basketball games, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all inter-scholastic athletics until January 1 of the following year. A prospective student-athlete who engages in a practice, scrimmage, tryout or otherwise demonstrates his athletic ability either on or off the campus for a college shall be considered in violation of this rule.

Rule 8. The maximum number of games for the regular schedule of any team in basketball shall be eighteen. (The penalty is suspension.)

- a. A player may participate in a maximum of seventy-two quarters of interschool basketball, and one invitational tourney during any one season. No player may participate in more

than four quarters in any one session. If a player participates in two invitational tournaments, the quarters played in one tourney shall be included in the seventy-two quarters permitted during the season.

- b. A record of the quarters played in basketball by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

Rule 9. Teams and players may participate in two basketball tournaments in addition to the tournaments of the State Basketball Championship Series under the following provisions:

- a. The games in one tourney may be in addition to the regular schedule.
- b. The games of the other tourney shall be included within the eighteen game limitation for the season's schedule.
- c. Teams or players participating in a tourney which extends into a second week shall not be permitted to enter a second tourney.
- d. No tourney shall be scheduled to extend over more than two consecutive weekends.

Rule 11. All basketball tournaments, other than the State Championship Tourney Series, shall be held prior to February 1 of each year.

Rule 11a. No inter-school basketball tourney which involves more than four schools, shall be held without the sanction of the IHSAA, except where all the schools are located in a single county.

Rule 12. "Donkey Basketball," "Skruball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball," "Skruball" or similar games, shall be subject to IHSAA eligibility rules the same as in regular basketball games.

Rule 13. All inter-school football games by players or teams shall be limited to the period beginning with the opening day of school or September 1 if school is not in session and ending November 30 of each calendar year. The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until the following November 30.

Note: It is assumed that any member school which participates in an inter-school football game under the above rule before the opening day of school does so with the approval of the Board of School Trustees through the Superintendent of Schools.

Rule 14. All organized or formal football practices by players or teams shall be limited to the period beginning August 15 and ending November 30 of each school year.

Rule 15. Football practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff.

Rule 16. The maximum number of inter-school games for any team in football shall be ten and one jamboree.

- c. No team or player shall participate in a football jamboree later than the second calendar day prior to the first scheduled football game. Note: Effective 1959.
- d. A record of the quarters played in football by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

Note: A football jamboree is defined as a football contest in which four or more schools, divided into two groups, participate with the winner being determined on the basis of the total points scored by each group.

Rule 17. No inter-school contests shall be played prior to the opening of the school year in the fall. (Exception, see Rule 13.)

Rule 18. There shall be no inter-school athletic contests played, or practices held on Sunday.

Rule 19. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the IHSAA. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 20. Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 21. A high school shall not be considered eligible to enter a sectional basketball tourney in the IHSAA in any year unless the team representing the high school has played eight (8) inter-scholastic games during that season, and before the Official Entry Blank for Tourneys is filed in the IHSAA office.

Rule 22. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the IHSAA, unless under the supervision and auspices of the IHSAA by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indi-

cated herein shall cause their school to be suspended from the IHSAA for such length of time as the IHSAA Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of \$10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA.

a. High school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

NOTE: It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor

a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. All organized or formal wrestling practice by students or teams shall be limited to the period beginning November first and ending with the date of the State Final Championship Wrestling Tourney each school year.

Rule 27. There shall be no scheduled meets or tourneys before November 22nd each school year.

Rule 28. The maximum number of dual meets for the regular schedule of any student or team in wrestling shall be fourteen. A student or team may participate in the following: (1) Fourteen inter-school dual meets and one tournament in addition to the State Tournament series, or (2) twelve dual meets and two tournaments in addition to the State Tournament series. Note: An interschool wrestling meet which involves three or more schools shall be considered a tournament. A tournament shall count as one match for students.

Rule 29. In dual meets, during the weigh-in period each coach shall record the name of the student who is to wrestle in each weight classification. These students shall wrestle, unless, due to illness or other extenuating circumstances, they are unable to do so. Substitutions can be made only by mutual consent of the coaches. Penalty: Forfeiture of the match.

Rule 30. A student shall be considered as having engaged in a bout if he has officially weighed in, his name has been recorded in the official score book, and he has appeared on the mat in uniform, willing to wrestle.

Rule 31. Pupils in schools having modified membership in the IHSAA may participate on the following bases:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a junior high school having modified membership may not compete on the team of a senior high school.

c. Schools with modified membership may participate in tourneys and meets in accordance with the regulations in Article II, Section 2 of the IHSAA Constitution.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in inter-school games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the IHSAA.

Rule 32. A ninth grade student who is enrolled in a junior high school without modified membership in the IHSAA, may compete on either the junior high school or the senior high school team, but not on both. Such junior high schools may have teams using pupils of the seventh, eighth and ninth grades, depending on organization of the school. These teams may compete with similar teams from other schools not having modified membership.

DIVISION IV GIRLS' ATHLETICS

Rule 1. Girls' athletics are bound by the rules and regulations of the IHSAA except for participation in Girls' Play Day programs.

Rule 2. Rules for girls' contests shall be those published for the National Section on Women's Athletics of the American Association for Health, Physical Education and Recreation.

Rule 3. Inter-school basketball games and tourneys are not recommended for girls.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tourneys.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship, out of season participation, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools concerned and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games.

DIVISION V ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tournaments and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "—a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of

any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school Principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any high school, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew. (See Enrollment Q. and A. 12-4.)

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other high school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Enrollment Q. and A. No. 6.)

Rule 4. The fact that a transfer has or has not been issued, or that the student pays or does not pay his tuition, has no bearing except when the omission of a transfer or payment of full tuition is done for the purpose of unduly influencing a student to enroll for athletic reasons. (See Undue Influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSAA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under IHSAA rules in any contest with any other team, either within or without the State of Indiana.

Rule 7. Enrollment eligibility shall be limited to eight semesters with the understanding that a student who enrolls in the ninth grade for the first time at the beginning of semester two may choose either his first or ninth semester for enrollment eligibility. A mid-year student who participates in any sport during his first semester becomes ineligible for all sports during his ninth semester. Note: Not retroactive for midyear students enrolled prior to the 1956-57 school year.

Rule 8. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 9. Any student who has been enrolled more than fifteen (15) school days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter fifteen (15) or more days between December 1 and March 1 for four times.

Rule 10. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 11. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter more than fifteen (15) or more days between March 1 and June 1 for four times.

Rule 12. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 13. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with residence eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way. (This rule is primarily to enable seniors to remain in the school in which they enrolled and remain eligible to compete in athletics when it is impractical for them to move with their parents.)

In every instance when the parents of an underclassman move, the principal must inform the parents of the IHSAA rule and if the athlete remains in the school after his parents move from the school district, it shall be the duty of the principal to check before he is certified for athletic eligibility. The principal shall report the circumstances and reasons why he remained in the school district on the form prepared for that purpose. This report shall be sent to the IHSAA Office and to the principal of the high school in the district to which the parents moved. A student is not eligible under this rule until his residence eligibility report has been reviewed by the IHSAA.

Rule 15. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each high school files a statement, with supporting evidence, with the Board of Control as proof that the change was necessary and that no undue influence was attached to the case in any way. If any action of a legal agency is to be submitted as evidence of unavoidable change of residence such action should be taken prior to the student's enrollment in the new school.

Rule 16. Change of residence as used in these rules shall mean a bona fide move about which there is no question. If the case is that of a change of residence of parents, the change shall be definite and complete.

Rule 17. A student who becomes ineligible under the rules of another state cannot remove that ineligibility by transferring to an Indiana high school. Note: Questions in a case of this kind are to be referred to the Board of Control.

D. Participation—

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 10, under "Enrollment.")

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

Rule 4. A high school student who participates for demonstration purposes, or otherwise, in a coaching school or clinic outside the State

of Indiana becomes ineligible for inter-school athletics for a period of time as may be decided by the Board of Control.

E. Parents and Physicians' Certificates—

Rule 1. Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any inter-scholastic athletic contest by a physician licensed to practice medicine in Indiana.

Rule 2. Previous to the student's first inter-school participation, the principal shall certify to the IHSAA that the certificates required herein are on file in his office.

Rule 3. A student properly certified to participate in inter-scholastic athletic activities, who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury, must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a high school other than his home high school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a high school when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Rule 3. Students meeting requirements for graduation in three and one-half years in a high school with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the IHSAA.

H. Age—

Rule 1. Students shall be ineligible for any (interschool) athletic competition upon reaching nineteen years of age; with the following exceptions: If the student's nineteenth birthday occurs on or after

August 15, he is eligible for fall sports; if the nineteenth birthday occurs on or after November 1, he is eligible for winter sports; if the nineteenth birthday occurs on or after March 1, he is eligible for spring sports. (This rule is effective for all students who enroll in high school after May 23, 1959.)

Rule 1a. Students shall be ineligible for any interschool athletic competition upon reaching twenty years of age. (This rule is effective until August 15, 1963 for all students who have been enrolled in high school prior to May 23, 1959.)

I. Amateurism—

Rule 1. All contestants in the IHSAA must be amateurs.

Rule 2. Professionalism is defined in the IHSAA as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any high school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all inter-school high school sports.

Rule 3. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A high school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. High school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No high school student shall be eligible to participate in any inter-school contest under the rules of the IHSAA, if it shall be shown that he or any member of his family is receiving any

remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended from membership in the IHSAA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A high school student, who has violated his amateur standing according to the rules and by-laws of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school Principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

J. Conduct—

Rule 1. Any student, whose conduct or character is such, in the judgment of his high school principal or the Board of Control, as to reflect discredit upon his high school or upon the IHSAA, is not eligible.

K. Married Students—

Rule 1. Married students shall not be eligible for participation in inter-school athletic competition.

Rule 2. Students who have been divorced or whose marriages have been annulled are bound by the above rule.

L. Ineligibility.

Rule 2. Inform the IHSAA office definitely by giving the name of the student, the cause of ineligibility, the list and scores of contests in which the pupil participated when ineligible, how the error was made and other particulars about the case.

Rule 3. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. **Note—**The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

DIVISION VI PRIZES AND AWARDS

Rule 1. The giving and receiving of awards and medals shall: (a) be kept within reasonable bounds; (b) have symbolic value only, and (c) be done by and with the consent and under the supervision of the high school principals concerned.

Note—The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even if the award is duly inscribed. An inscription cannot validate such awards in the IHSAA.

Rule 4. Schools belonging to athletic conferences, or participating in tournaments and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 5. Suitable awards may be given by such organizations as: service clubs, patriotic organizations, civic groups, dads' and mothers' clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. High school athletes should be permitted to complete their high school careers without being molested by outside sources. The acceptance of travel expenses either directly or indirectly from a college as a prospective student-athlete shall be considered a violation of this rule.

Rule 8. Athletic equipment is considered as merchandise. Any student who attempts to evade the rule by "purchasing" a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Rule 9. Penalties for violations of the above rule will be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE IHSAA

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

BASEBALL

1.

Q. Does a high school student violate the rules of the IHSAA by playing independent baseball or softball during the summer?

A. High school students may play independent baseball or softball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. BASEBALL AND SOFTBALL

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism.")

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. High school students, who play on baseball teams other than their high school teams during the school year, make themselves ineligible for baseball in high school in that school year.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school principal on file in the principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school principal. See Note.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school principal in each case. See Note.

Note: Permission granted by a principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the principal informed about his students.

A. No, the game limitation requirement holds for teams.

* * * *

12.

A. No, the wording of the rule and the spirit of the rule are clear and binding.

* * * *

13.

Q. Are vocational, agricultural and similar teams and players bound by the rules and regulations of the IHSAA?

A. First team ranking.

57

5.

Q. How may high school principals secure blank contracts for games and officials?

A. By writing to the Commissioner.

ENROLLMENT

(See Undue Influence Rule. It Takes Precedence.)

1.

Q. What is a five-year man?

A. Students who have been enrolled in high school for more than fifteen (15) school days between September 1 and December 1, or between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

* * * *

2.

Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?

A. No, enrollment rather than participation is the determining factor in such cases.

* * * *

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old

school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions under "Enrollment" Division V, IHSAA By-Laws.)

* * * *

6.

Q. When are students, who finish the work given in one high school, eligible in another high school?

A. Students finishing the work in a high school giving less than four years of high school work are just as eligible in a new high school as they were in the old high school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside that school corporation.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does this enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized Court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student is expected to attend high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there. A student not transferring who is an underclassman is not eligible until a "Residence Eligibility After Parents Move From District" form has been reviewed by the IHSAA.

3. A student who changes high schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a high school outside his home school district and subsequently returns to his home high school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made by the Board of Control.

6. If a student changes schools because of an action by a legal agency taken before the change is made, a copy of such legal action may be filed with the IHSAA in connection with proof that the change of schools was unavoidable.

7. A student, whose parents are separated or divorced and reside in separate school districts, may choose residence with either parent with residence eligibility. Once his place of residence has been determined, either by order of the court, or mutual agreement of the parents, he cannot change residence to the home of the other parent without losing eligibility for one calendar year.

8. A student who has been enrolled in Indiana Boys' School may return to his home high school with the same residence eligibility as when he left. Credits earned in the state school are considered the same as those earned in any other high school so far as eligibility is concerned.

9. It is the duty of the principal to check carefully the record of every student who transfers from another high school. The principal should also advise students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

10. No student who has transferred from another school is eligible until the principal has on file an IHSAA Athletic Transfer Certificate.

GAMES

1.

Q. What is considered a game of basketball?

A. A game of any kind in the IHSAA is an "inter" contest as distinguished from an "intra" contest. An "inter" scrimmage is a game.

* * * *

2.

Q. May a member school of the IHSAA schedule and play single games with teams and schools in Indiana not members of the IHSAA?

A. Yes, provided these teams and schools are not high schools eligible for membership and also provided the members of the IHSAA observe all of the rules of the IHSAA. There should be no high school students on the non-member teams, except high school teams not eligible for membership.

* * * *

3.

Q. What is the difference between a preliminary game and a regular game?

A. There is no difference as far as the IHSAA is concerned, as the same rules and regulations govern.

* * * *

4.

Q. If a "practice" game of basketball is played is it to be counted as one of the eighteen games on the regular schedule?

A. Inter-"practice" games are regular games and must be counted as such. Intra-"practice" games are not counted as regular games. In fact, there are no such things as practice games in the IHSAA. There are practice games within the school only.

5.

Q. Does the omission of an admission charge make any difference as to the designation of a contest as a game?

A. No, games are "inter"-contests or "inter"-scrimmages with or without admission charges.

* * * *

6.

Q. Is an alumni game considered a game?

A. Yes, such must be counted as one of the games permitted on the regular schedule.

* * * *

7.

Q. What is considered an "inter" game or an "inter-scrimmage"?

A. Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A "scrimmage" by students with or against teams or players not belonging to their high school is considered a game.

* * * *

8.

Q. What date marks the end of the football season?

A. November 30 of each year.

* * * *

9.

Q. May football practices be held any time during the school year?

A. No, organized or formal football practices must be limited to the period beginning August 15 and ending November 30 of each school year.

* * * *

10.

Q. May a member school of the IHSAA schedule and play single games with high schools of other states?

* * * *

11.

Q. May practice periods in one high school be counted as such in another high school where a student changes high schools?

A. Yes, provided definite proof of the practice periods are on file from the principal of the school in which the practices were held.

* * *

A. Inter-school game.

* * * *

16.

Q. Are "Donkey Basketball," "Skruball" or other similar games considered basketball in the IHSAA?

A. Yes, and all IHSAA rules are binding.

* * * *

17.

Q. May member schools participate in meets and tournaments, in Indiana or in other states, in which more than two schools are entered, if one or more of these schools are non-members of their own state high school athletic association?

A. No.

* * * *

18.

Q. May students participate in inter-school contests after their school is closed?

A. Due to the great variation of time in which member schools close in the spring, (a) students may represent their schools in meets and tourneys sponsored by the IHSAA; (b) they may participate in scheduled contests where one of the two schools is still in session; (c) they may participate in a contest where both schools are closed, provided it was a regularly scheduled contest that was postponed because of weather conditions; and (d) graduating seniors may participate in contests according to the above conditions, even though they may have received their diplomas.

GIRLS' ATHLETICS

INDIANA LEAGUE OF

HIGH SCHOOL GIRLS' ATHLETIC ASSOCIATIONS

—Purpose—

Many girls in high school are interested in a more extensive program of physical education that can be provided in the regular physical education classes. This desire for a more extensive physical

63

education program has led many high schools to organize some type of girls' athletic association. In 1931 the Indiana League of High School Girls' Athletic Associations was formed, with the purpose of stimulating the co-curricular phase of the high school girls' physical education program. Membership in the League is open to any high school in the state of Indiana. The League has the endorsement of the Indiana High School Athletic Association and the Division of Health and Physical Education of the Indiana State Board of Health.

The State League offers much to both physical education teachers and students. It provides opportunities for sponsors and students to exchange ideas, share problems, receive encouragement, and engage in a variety of learning activities. The enthusiasm generated through the enjoyment of learning and doing things with people of like interests is one of the main reasons the League is steadily growing.

—Activities—

Each organization carries on its own program of varied activities for which points are given. The purpose of awarding points is to encourage regularity of attendance and to furnish a uniform basis for awards, if a school desires to use awards. The Sponsor's Handbook explains the suggested point system.

The State League sponsors activities on both a state and a district basis. Each spring the League, with the co-operation of a state college or university physical education department as host, sponsors a Wall Plaque Winners' playday. Attending this playday is perhaps as great an honor as winning the wall plaque, for here outstanding girls from all over Indiana come together for a day of fun and sport. Each fall the League sponsors a State Leadership Camp—training girls and inspiring both girls and sponsors to be better leaders in their organization, school, and community. District activities include dance days, playdays, basketball clinics, and week-end camps—usually two or three such activities each year.

"Sportingly Yours," published six times yearly, contains news of other G.A.A. groups, ideas, new materials, bulletin board materials, and professional articles. Both sponsors and students find it interesting and helpful. "Sportingly Yours," the official organ of the Indiana League, is edited by a high school G.A.A., and is published by the Indiana State Board of Health.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provisions made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships.)

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The high school Principal in any high school belonging to the IHSAA is considered the responsible party in athletics as far as the IHSAA is concerned.

3. The IHSAA considers it the duty and responsibility of the senior high school principal or principals to extend the rules and regulations of the IHSAA with such explanations as may be necessary to all principals in the school system having 9th grade students enrolled and whose schools do not belong to the IHSAA.

4. A high school student is one who carries at least 15 hours of regular high school work, provided such a student has been promoted to the high school in the regular way and according to good school procedure.

5. The IHSAA requests principals having 9th grade students enrolled to confer and co-operate with the senior high school principal

or principals regarding the participation of 9th grade students in inter-school athletics.

6. The IHSAA does not attempt to determine or classify junior high schools and senior high schools. The Association is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the IHSAA when participating in inter-school athletics.

8. A 9th grade student in a junior high school not holding modified membership, may participate on the junior high school team or on the senior high school team in a sport during the season, but he cannot participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the IHSAA.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The IHSAA has no jurisdiction over students below the 9th grade.

12. The IHSAA believes that 9th grade students belong in athletics to the schools, junior or senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc.

13. The IHSAA believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the junior high school rules and regulations in athletics required in the senior high school.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the junior high school or in the senior high school.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are permitted to enter tourneys and meets in accordance with rules provided for Modified Members. (See Article II, Section 2 of the Constitution.)

17. All IHSAA supplies and publications will be sent to junior high school principals upon request.

18. See modified membership regulations immediately following.

Junior and Senior High School Modified Membership Regulations

Modified membership may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

1.

Q. What type of school may hold a modified membership?

A. A high school offering and maintaining less than three years of high school work.

* * * *

2.

Q. Is it necessary for a junior-senior high school, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?

A. No, full membership meets the requirements.

* * * *

3.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?

A. No, schools holding modified or full memberships are required to use students in the 9th and 10th grades.

* * * *

4.

Q. May schools holding modified memberships compete with high schools who do not hold membership in the IHSAA?

A. No, permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No, these students are not eligible for any teams in high schools holding any type of membership in the IHSAA.

* * * *

6.

Q. May a 9th grade student, who is enrolled in a junior high school participate on the senior high school team?

A. No, if the junior high school holds a modified membership. Yes, if the junior high school does not hold a modified membership.

MISCELLANEOUS

A. The IHSAA has no ruling in regard to this matter, but recommends that mid-week games not be scheduled or played except in emergencies.

* * * *

Q. May schools hold or sanction Sunday practices?

A. No. (See Division III, IHSAA By-Laws.)

A. No, ineligibility for one team means the same for all teams.

* * * *

4.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes, this one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in interscholastic athletics.

* * * *

5.

* * * *

6.

Q. Is a student, who is expelled from high school one semester, eligible for the following semester?

A. The IHSAA has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the IHSAA are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.

* * * *

7.

Q. May a high school support a grade team in the same school system out of its athletic funds?

A. Yes, so far as the IHSAA is concerned.

* * * *

11.

Q. Does wrestling come under the rules of the IHSAA?

A. Yes, all "inter" athletic participation comes under the IHSAA.

12.

Q. May high schools belonging to the IHSAA take part in track meets or tourney games outside of Indiana?

A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the high schools belonging to the IHSAA must be held under the direct supervision, management and auspices of the member high schools concerned, or under the IHSAA. Interstate basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the IHSAA are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The IHSAA believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance fails.

* * * *

14.

Q. What is considered the school year?

A. A school year covers all time from the first day to the last day of the school year, including vacations. The IHSAA considers the first day of school to be the day that attendance is counted and teachers are paid.

* * * *

29.

Q. Why should a school be penalized because some person outside of school uses undue influence?

A. Usually a school is not penalized unless it is involved or uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence: An athlete that has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

72

30.

Q. Is it the duty of the IHSAA to prove that undue influence has been used?

A. No, the high school principal has agreed to conduct his athletic activities according to the rules and regulations of the IHSAA. * * * *

31.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?

* * * *

32.

Q. What steps should be taken in ineligibility cases?

A. In cases in which an ineligible student has been used in inter-school athletics the following steps should be taken immediately by the high school principal:

1. Inform the IHSAA office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The IHSAA should be informed as to how the error was made.

2. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these principals to notify the IHSAA office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

* * * *

33.

Q. What is considered the first day of school?

A. The first day of school is the first day on which attendance is counted and teachers are paid.

73

34.

Q. Do seniors have any rights and privileges in athletics not granted to other students?

* * * *

35.

Q. What constitutes a regularly employed teacher in the IHSAA?

* * * *

2.

Q. What is considered participation in a sport for a season?

A. Playing in a part of one game or contest in a sport constitutes participation in that sport for that season. (See exception, Division V, under "Enrollment.")

3.

Q. May member schools play against College, Y. M. C. A. and independent teams?

A. Yes, in single games, but not in tourneys, meets and leagues. In single games the member schools must obey all of the rules of the IHSAA and there must not be any high school students on the opposing teams.

* * * *

4. Purposes should be critically studied so that commercial interests, proselyting interests and interests foreign to good school procedure may be eliminated.

5. Principals shall be expected to know and to execute the rules, regulations and policies to the best of their ability according to their wording and spirit since the giving and receiving of awards shall be done by and with the consent and under the supervision of the principal in each high school.

A. No, a student becomes ineligible only in the sport in which he participates as a member of a team other than the high school team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing basketball out of season makes a student ineligible for all sports until January 1 of the following year. Playing football out of season makes the student ineligible for all sports until the following November 30.

* * * *

4.

Q. Are high school students permitted to play on teams that split the gate receipts among the players including the high school students?

A. No, this would be considered professionalism.

8.

Q. Should amateurism be defined by the IHSAA for its specific purposes or should the definitions of other organizations be accepted in the association?

A. Amateurism should be defined by the IHSAA for IHSAA purposes. There is no definition of amateurism acceptable to all organizations.

RESPONSIBILITY

1.

Q. Who is the responsible party in IHSAA athletics?

A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the principal of each high school voluntarily taking out a high school membership in the IHSAA has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the IHSAA membership the conditions are found to be such that the high school principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the high school principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. Q. Who may manage a high school team?

A. A high school principal or teacher authorized by him. Student management is not permitted.

SCHOLARSHIP

1.

Q. May back work be made up and counted toward eligibility?

A. Yes. Back work cannot be made up, however, during a grading period or semester for eligibility during that grading period or semester. Special privileges should not be granted to athletes. (See Summer School Work.)

* * * *

2.

Q. Would a student, declared ineligible by one principal, be ineligible under another principal?

A. Yes, if the student is ineligible according to the rules of the IHSAA. The IHSAA has no jurisdiction unless its rules are violated.

* * * *

3.

Q. May a student, who receives his high school diploma, be eligible afterwards?

A. No, the granting and acceptance of a high school diploma makes a high school graduate. (See exception under "Games" Question and Answer No. 18.)

* * * *

6.

Q. Who is a post-graduate?

A. A post-graduate is a student who has finished his high school work and has received his high school diploma. 7.

Q. To determine eligibility, what constitutes the last semester?

A. The last semester for any student is the last semester in which the student was enrolled in any high school for any length of time after the first fifteen (15) school days.

* * * *

8.

Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in three regular high school subjects for this period?

A. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

* * * *

9.

Q. Is a "condition" or an "incomplete" considered a "pass" in the IHSAA?

14.

Q. What constitutes scholarship eligibility?

A. In order to be eligible for a current semester a student must have passed in three regular high school subjects in his last semester of enrollment in any high school and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

* * * *

15.

Q. Are any special regulations in force pertaining to discharged veterans?

A. By action of the Athletic Council, May 23, 1947, all IHSAA special regulations concerning discharged veterans were discontinued.

* * * *

16.

Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?

A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school are not passing in their school work.

Present: President Connor K. Salm, Hubert A. Dubois, Loyd R. Hurst, Herman F. Keller, Arley G. Winkelpack, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

POWERS AND DUTIES

As is the custom at the August meeting of the Board of Control, the Commissioner reviewed in detail the powers and duties of the Board, the Commissioner and the Assistant Commissioner as set forth in the IHSAA Constitution, Rules and By-laws.

IHSAA OFFICE

1. Ernst and Ernst, certified public accountants, had completed the audit of IHSAA finances for the year July 1, 1957 to June 30, 1958. Each member of the Board was provided with a copy of this audit. It is understood that a copy of the audit will be published in the 1958 Handbook.

2. The Board, the Commissioner and Assistant Commissioner visited the safety deposit vault at the American Fletcher National Bank and Trust Company for the purpose of checking the securities owned by the IHSAA. The amount of securities checked with the auditor's report. The Commissioner reported that U. S. Treasury Bills, which came due since the last Board Meeting, in the amount of \$165,000.00, had been reinvested in U. S. Treasury Bills due the last of September, 1958. The income from these securities will be used for making the Special Distribution to schools, October 1, 1958, a portion to be deposited in the IHSAA checking account for operating expenses and the remainder will be reinvested in U. S. Treasury Bills.

BUTLER FIELDHOUSE CONTRACT

The Board approved and signed a contract with representatives of Butler University for the use of the Butler Fieldhouse for holding the 1959 Final Basketball Tourney on March 21. The rental charge agreed upon is \$4,750.00, which includes the use of the Butler University athletic facilities for holding rules clinics and demonstrations or other non-profit athletic activities. Copies of the contract were filed with Butler and the IHSAA.

CROSS COUNTRY SITES

The Board selected the sites for eight sectional cross country meets to be held Tuesday, October 21, 1958, and also approved the South Grove Golf Course, Indianapolis as the site for the State Cross Country Meet to be held November 1, 1958. The Board directed the Commissioner's office to proceed with details for holding these meets under the same regulations that were adopted for the 1957 sectionals and state meet. It is understood that complete details regarding these meets will be published in the September Bulletin.

COACHING SCHOOLS

Assistant Commissioner Hinshaw reported on the annual coaching school held August 4-7, 1958, at Indiana University. Receipts from registrations and buffet supper tickets were \$684.50. Expenditures for the school were \$1,765.57; with the IHSAA paying the deficit of \$1,081.07.

NATIONAL FEDERATION ANNUAL MEETING

President Connor K. Salm and Commissioner L. V. Phillips gave a detailed report on the National Federation of State High School Athletic Associations' Annual Convention held at Santa Barbara, California, June 23-26, 1958. This convention was attended by President Salm, Commissioner Phillips, Assistant Commissioner Robert S. Hinshaw, Harold S. Johnson and Herman Keller, who attended as a member of the Executive Committee of the Federation.

ANNUAL MEETING

The Commissioner reported that he had secured Dr. Lyman Ginger, Dean of School of Education, University of Kentucky and Immediate Past President of National Education Association, to be principal speaker at the IHSAA Annual Meeting scheduled for October 23, 1958, at the Manual High School Auditorium.

SECONDARY PRINCIPALS ASSOCIATION

Approval was given for the payment of \$75.00 to the Indiana Association of Secondary School Principals to be applied on the expenses of the Association's annual program,

HEALTH, PHYSICAL EDUCATION AND RECREATION

As has been the custom for several years, the Board voted to make available, upon request, a sum not to exceed \$50.00 to each of the five divisions of Indiana Health, Physical Education and Recreation Association for securing a speaker outside Indiana for their meetings held at the time of the Indiana State Teachers' Association Meeting.

RULES CLINICS AND FILMS

Assistant Commissioner Hinshaw reported to the Board on the rules clinics and films being sponsored for the IHSAA and local officials associations throughout the state.

GALVESTON AND LANCASTER CENTRAL (BLUFFTON)

Due to delays in construction, Galveston and Lancaster Central (Bluffton) had requested permission to participate in interschool athletics prior to the opening of school. Permission was granted with the understanding that students participating in athletics are to sign regular enrollment cards and file parents' and physicians' certificates prior to the first interschool contest.

HORACE MANN HIGH SCHOOL (GARY)

Gary night school classes for the purpose of administration are consolidated at the Emerson School. Students from high schools in

Gary and vicinity sometimes attend the night school classes with credits earned transferred back to their respective high schools where the credits are made a part of the student's permanent record and counted toward graduation.

Decision—Credits earned in the Gary Night School under the plan outlined above may count toward scholastic eligibility for interschool athletics.

NEW MEMBER

Penn High School, Mishawaka, was accepted for membership on the condition that the school receive approval at an early date from the State Department. Under this arrangement, the school may proceed with its interschool athletic program.

RIVER FOREST HIGH SCHOOL (HOBART)

Hobart Township (Lake County) formerly offered work in grades nine and ten at the Henry S. Evans School. Due to lack of room some of the students in the township have been attending school outside the township. With the completion of a new plant, River Forest High School, the eleventh grade has been added. There is now ample room for Hobart Township students at the new school. Principal E. B. Weisse requested a ruling on the residence eligibility status of those students who were enrolled in high schools outside the township during the 1957-58 school year.

Decision—Students of Hobart Township who attended other high schools last year may be considered eligible as to residence if they enroll in River Forest High School at the beginning of the 1958-59 school year. It is understood that any student who was ineligible at the close of last school year does not automatically remove that ineligibility by transferring to River Forest.

IHSAA OFFICE

Authorization was given to sell, for \$10.00, a used fan no longer needed due to the office being air conditioned.

COLOR OF BASKETBALLS

With the permission of the National Basketball Committee, the Board of Control approved the use of natural tan, orange tan and reddish tan basketballs on an experimental basis for use by member schools in games and tourneys, including the State Championship series, during the 1958-59 season.

In return for permission to conduct this experiment the Board of Control agreed to survey the schools next spring to get their reactions to the three shades. The information collected is to be made available for use at the National Basketball Committee Meeting on rules, to be held late in March, 1959.

The Board of Control adjourned to meet again in the IHSAA Office, September 13, 1958, at 9:30 a.m.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, September 13, 1958

Present: President Connor K. Salm, Hubert A. Dubois, Loyd R. Hurst, Herman F. Keller, Arley G. Winkelpack, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

ELIGIBILITY CASES

The following students were ruled eligible as to residence in accordance with the provisions of Division V, Section C, Rule 15, known as the unavoidable change of residence rule:

AVILLA HIGH SCHOOL—Wayne Van Auker—transferred from Fremont.

CROSS PLAINS HIGH SCHOOL—Clifton Wayne Jackson—transferred from Madison. NOTE: This student is scholastically ineligible the present semester.

MOROCCO HIGH SCHOOL—Marvin Allen—transferred from McLeansboro, Illinois.

TELL CITY HIGH SCHOOL—Clark Aherns—transferred from Veedersburg.

WADENA HIGH SCHOOL—Bill Holdcraft—transferred from Freeland Park.

Statements certifying to the necessity of changing schools in order to have a home were on file from the schools concerned in each of the above cases.

FLINT HIGH SCHOOL (ANGOLA)

Flint High School has been unable to employ a full time teacher-coach this school year because no applicant was licensed in the subjects needed. A licensed coach has been employed for baseball only. Approval is given for this arrangement, as an emergency measure, with the understanding that the principal is to inform the IHSAA as to the arrangements for a basketball coach prior to the opening of the season.

SUMMER SCHOOL MAKE-UP WORK

At the request of several member schools, the Board of Control ruled that summer make-up work for athletic eligibility does not necessarily need to be taken in the subject or subjects which the student failed during the last semester.

CAMDEN HIGH SCHOOL

At the close of last school year, Deer Creek High School (Washington Township, Carroll County) was discontinued. The township trustee arranged to transfer the high school students to Flora with bus service provided by the trustee. A number of the students preferred to enroll at Camden High School. To date the matter of legal transfers for students at Camden has not been determined. Principal A. S. Verrill of Camden had asked about the athletic eligibility of the Deer Creek students who have enrolled at Camden.

It was the decision of the Board of Control that this is a matter to be determined by local school officials provided no undue influence has been used in the enrollment of any athletes from Washington Township.

EVANSVILLE HIGH SCHOOLS

Evansville city schools offer the last two years of vocational work only at North High School. Vocational students from other schools transfer to North at the beginning of the junior year only on the approval of a city wide screening committee. These students have immediate residence eligibility at North. A question arose as to the eligibility of a vocational student who does not transfer to North after receiving approval. The Board of Control ruled that such a student would be eligible as to residence only by obtaining permission from the screening committee not to transfer to North.

SEYMOUR HIGH SCHOOL

Joppa, Illinois, had charged that Billie Joe and Frank Stevenson had been unduly influenced by persons at Seymour to transfer from Joppa High School to Seymour High School. Representatives from both schools appeared before the Board of Control to give evidence on this case.

The decision of the Board of Control was postponed until the next meeting which is scheduled for October 4, 1958.

FINANCES

The Commissioner reported that \$165,000.00 in U. S. Treasury Bills will be due before the end of September. Approximately \$91,000.00 of this amount will be needed to pay the Special Distribution of funds, October 1, 1958.

The Board approved the reinvestment of \$55,000.00 in U. S. Treasury Bills, with the remainder being placed in the IHSAA checking account for current operating expenses.

RULES CLINICS

Assistant Commissioner Hinshaw reported that a successful series of football rules clinics had been held throughout the state. A similar program for basketball will be inaugurated September 27, when Charlie Vettner of Louisville, interpreter of basketball rules for the Kentucky High School Athletic Association, will direct the training for leaders of basketball rules clinics throughout the state.

ATHLETIC COUNCIL

It was unanimously decided by the Board of Control that the Athletic Council be requested to give consideration to a revision of the point value for relays in IHSAA track meets.

The Board of Control adjourned to meet in the IHSAA Office, October 4, 1958 at 9:30 a.m.

The minutes of the previous meeting were approved as written.

STARTING TIME FOR CROSS COUNTRY MEETS

SEYMOUR HIGH SCHOOL—BILLIE JOE AND FRANK STEVENSON

On August 2, 1958, Mr. and Mrs. Joe Stevenson changed their residence from Joppa, Illinois to Seymour, Indiana. Their family included two stalwart sons, Billie Joe Stevenson (sophomore) and Frank Stevenson (freshman), purported to be outstanding basketball players who planned to enroll in Seymour High School.

The IHSAA was first informed of this case by Principal Joseph Cull and Superintendent Robert Bulleit on August 20, 1958, when they came to the Commissioner to seek advice and help in regard to a charge by Joppa's high school principal, J. Clinton Taylor, that persons in Seymour had used undue influence in moving the Stevensons to Seymour because of the athletic ability of their sons.

At this point it should be stated that the IHSAA has no concern where families live or send their children to school so long as no one inside or outside the school has used undue influence to secure or retain the services of an athlete. Families are moving somewhere every day. Hundreds of residence eligibility cases are cleared through the IHSAA or the principals concerned every year. The necessity for the undue influence rule is obvious. Otherwise unscrupulous persons would raid other schools for superior talent to be used against their opponents, conceivably to the point of winning the coveted state championships. Without the undue influence rule it would be well nigh impossible to conduct a fair and orderly athletic program between and among member schools.

This investigation included written and oral statements, affidavits, personal visitations and a hearing before the Board of Control, September 13, 1958.

The following named persons were heard by the Board of Control: From Joppa, Illinois: Principal J. Clinton Taylor, Coach William Killen, Assistant Coach Charles Horner, Teacher Cletus Jones, School Board Members Garvin Lowery and Ray Meyer, student Curtis Hester, and a former student, Douglas Mathis, who is presently enrolled in college. From Seymour, Indiana: Principal Joseph Cull, Superintendent Robert Bulleit, Coach Robert Lochmueller, Mr. and Mrs. Joe Stevenson, Frank and Billie Joe Stevenson and Mr. John Pennybaker.

Obviously all the testimony and information made available to the Board of Control cannot be recorded here in full, but a brief summary of the more pertinent portions follows:

Mr. John Pennybaker, an employee of the Seymour Elks Club, said he visited his cousin, Mrs. Joe Stevenson, of Joppa, about June 29, while driving through southern Illinois. He was amazed at the size of the Stevenson boys, Frank and Billie Joe. Although he insisted there was never any thought of basketball, he admitted having a newspaper carrying a picture and article on Billie Joe as a member of the 1958 "All Little Egypt" basketball team. Before Pennybaker left the Stevenson home, the father indicated need of a better paying job and asked about Seymour. Pennybaker said he would look around and let Stevenson know if a job opened up. After Pennybaker left, things began to happen in Joppa. A cashier's check for \$30.00, purchased from a Seymour bank on July 3, and payable to Joe Stevenson, arrived in Joppa. Pennybaker's story regarding the check did not correspond to bank records at Joppa and Metropolis, Illinois. He later admitted that he had sent the check as expense money for the Stevensons to drive to Seymour to look the situation over. Instead, the Stevensons showed the check to Joppa school officials. They also showed the names and phone numbers of persons in Seymour the Stevensons understood they were to call about assistance when they arrived at Seymour. Pennybaker later explained that he carried these names for another purpose. What appears to have been a virtual "tug-of-war" followed to determine whether Stevensons were going to go to Seymour or remain in Joppa. According to Joppa witnesses, the Stevensons told of offers of free moving expenses, a home, job, etc., if they would go to Seymour. The family wanted better jobs and certain bills paid. In addition to numerous conferences between the Stevensons and various school officials, a meeting was held about mid-July in the Joppa school office and was attended by School Board members, school officials and the Stevenson family. The Joppa officials thought the matter had been settled and that the Stevensons would remain and would return the expense check. Following return to his summer residence at Quincy, Illinois, Joppa Coach Bill Killen wrote the Stevenson boys reiterating his intentions, on his return to Joppa, in mid-August, to help the family get employment. He also expressed his regret that such fine boys had been subjected to such bidding.

Other testimony and statements indicated clearly that the Stevensons did not want to move to Seymour. The boys especially were opposed to leaving their friends and teammates and finally consented, they said, because it was the only way their father could have a job at Seymour. Joppa officials had repeatedly warned the Stevenson boys about eligibility problems if their family moved to Seymour under questionable circumstances.

Witnesses stated that on or near the day before the Stevensons moved, they saw Pennybaker and two other men and a car with an Indiana license plate at the Stevenson home. This was denied by Pennybaker and the Stevensons.

Mr. Pennybaker was asked how he was related to Mrs. Stevenson. He said he did not know. She said that their great grandmothers

were sisters. Close relatives of Mrs. Stevenson, in Joppa, told Principal Taylor that they knew of no relatives named Pennybaker, and that they had never heard of John Pennybaker before his first visit to Joppa this year. Principal Taylor also stated that to his knowledge the cousin angle had never been mentioned until after the Stevensons moved to Seymour and the boys athletic eligibility was questioned. Although Mrs. Stevenson has two brothers, two sisters and an aged father living in Joppa, Principal Taylor said he could find no evidence that John Pennybaker visited any one except the Stevenson family while in Joppa.

Mr. Pennybaker said that the truck used to move the Stevenson family was provided free of charge for the 450 miles round-trip by Rodman C. Pruitt, Vice President of the Seymour Tool and Engineering Company. This was confirmed by Pruitt. Mr. Pruitt, until recently, was a member of the Seymour School Board. On Saturday, August 2, 1958, the Stevensons were moved into a home said to be owned by Reverend Edgar Maddex and renting for \$35.00 per month. The following Monday, August 4, the father went to work as a night office janitor for the Seymour Manufacturing Company. Billie Joe Stevenson was employed by the Seymour Tool and Engineering Company and started working Thursday, August 7.

Other reports indicate that news of the arrival of the Stevenson boys was widely heralded in Seymour, and that a large number of persons drove by the home to meet and greet these basketball players the first night. Coach Robert Lochmueller told the Board of Control that Billie Joe and Frank were brought to his home by a local sports writer the second day they were in town, to discuss eligibility. He told them he thought they would be eligible, he said, but did not refer them to the principal as he thought that was unnecessary. The principal is responsible for all eligibility matters.

Following the Board of Control hearing, Rodman C. Pruitt visited Board Members Connor K. Salm and Herman Keller and the Commissioner and submitted to each the suggestion that the boys be given a compromise penalty of one year.

Principal Taylor of Joppa reported to the IHSAA that he had been called by a person who claimed to represent Rodman C. Pruitt. The purpose of the call was to get Taylor to withdraw the Joppa charges of undue influence.

On October 4, 1958, Principal Cull, Superintendent Bulleit, Coach Lochmueller and Seymour School Board Members G. H. Smith and D. H. Ernest appeared before the Board of Control. Mr. Cull read a prepared statement which covered the manner in which he handled the case. No additional information was given. He stated that he had never been to Joppa to investigate charges.

Mr. Cull, with the approval of those accompanying him, said he was sure an honest decision would be given and his school would accept that decision in accordance with the rules and spirit of the IHSAA.

Decision—1. After long and careful consideration of all available information, it is the unanimous decision of the Board of Control that undue influence was used to move the Joe Stevenson family from Joppa, Illinois, to Seymour, Indiana, because of the athletic ability of their sons.

Billie Joe Stevenson and Frank Stevenson therefore are to be considered as ineligible for interscholastic athletic competition in the IHSAA during the period of their enrollment in Seymour Shields High School.

2. Seymour High School is placed on probation until October 1, 1959. In the meantime the Seymour School Board will be expected to formulate and present to the IHSAA a policy for the administration of interschool athletics under the direction of the principal that will eliminate outside interference such as seems to have occurred in this case.

3. If Billie Joe and Frank Stevenson enroll in another IHSAA member school, their eligibility status in the new school will be determined at time of enrollment. If they enroll in another state, they will be outside IHSAA jurisdiction.

LAWRENCEBURG HIGH SCHOOL—THOMAS J. AHAUS

This boy attended Guilford High School during the 1957-58 school year. During the summer his parents moved to the Lawrenceburg district. Thomas desired to remain at Guilford where he reported the first day of school. Principal Will B. Wilson declined to enroll him without a transfer. Pending action on the transfer Thomas went to classes a few days, but was not allowed to enroll. After the transfer was refused, he enrolled at Lawrenceburg September 10, 1958.

Decision—Thomas J. Ahaus may be considered eligible as to residence at Lawrenceburg High School.

STILESVILLE HIGH SCHOOL—LARRY R. DUNIVAN

This boy was ruled ineligible as to a scholarship during the current semester. A request for a ruling on the amount of enrollment eligibility he has was postponed until a later meeting.

MISSISSINewa HIGH SCHOOL—GERALD AND KENNETH CHANCE

These students lived in Center Township, Grant County, which has no high school. They had been transfer students at Sweetser High School, which is now a part of the Oak Hill School Corporation. This year the Oak Hill Corporation has refused to accept transfer students below the 12th grade so both boys enrolled at Mississinewa with legal transfers. There has been no change of residence.

Decision—Gerald Chance and Kenneth Chance may be considered eligible as to residence at Mississinewa High School.

PERU HIGH SCHOOL—DONALD EXMEYER

This boy formerly attended Butler Township High School. On January 20, 1958, he transferred to Peru without a corresponding change of residence on the part of the parents, thus making himself ineligible as to residence until January 20, 1959. Prior to the opening of school this year, Butler Township was discontinued, not consolidated. Former students could choose from among several schools the one in which they desired to enroll this year. Principal Earl Delph of Peru asked if the closing of Butler Township High School removed Donald's ineligibility.

Decision—Donald Exmeyer is considered ineligible as to residence at Peru until January 20, 1959.

MEMBERSHIPS

The Commissioner reported the following memberships for the 1958-59 school year: Full Memberships—712; Modified Memberships—11; Associate Membership—1; Total—724.

IHSAA OFFICE

The Board approved the expenses of the IHSAA office secretaries in connection with attendance at the meetings of the Indiana Educational Secretaries Association, October 22 and 23.

The Board approved additional coverage now available through Blue Cross and Blue Shield Insurance for all IHSAA office employees.

BASKETBALL RULES

As has been the custom for the past several years, the Board of Control approved a number of special rules and regulations for the state basketball championship series which deviate somewhat from the official rules. For the information of coaches and school officials, the Board directed that these changes be printed in the October Bulletin.

The Board adjourned to meet again, October 22, at 1:30 p.m. (CST), in the IHSAA Office.

Indianapolis, Indiana, October 22, 1958

Present: President Connor K. Salm, Hubert A. Dubois, Loyd R. Hurst, Herman F. Keller, Arley G. Winkelpleck, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

STILESVILLE HIGH SCHOOL—LARRY R. DUNIVAN

This student has been irregular in enrollment. He is ineligible during the present semester because of grades. Principal L. E. Lydick requested a clarification on Larry's remaining enrollment eligibility. He is now in his sixth (fourth fall) semester.

Decision—Larry R. Dunivan will have enrollment eligibility the second semester of the present school year and the second semester of the 1959-60 school year, provided he does not enroll the first semester of that year.

DECATUR HIGH SCHOOL—WILLIAM R. SCHABEL

This student is a transfer from Ben Davis High School without a change of residence on the part of the parent. Principal Rome Osborn of Decatur Central requested a ruling under the unavoidable change of residence rule. Letters were filed by the two principals concerned that it was necessary for this boy to make the change in order to have a home.

Decision—William R. Schabel is considered eligible as to residence at Decatur Central High School.

**ST. JOSEPH'S (SOUTH BEND) HIGH SCHOOL—
LOUIS PERSBACKER**

This boy is a transfer from Archbishop Molloy High School, Jamaica, New York. The change was made because of the death of his mother. Statements were on file from the principals of the two schools certifying to the necessity for the change.

Decision—Louis Persbacker is considered eligible as to residence at St. Joseph's High School.

PATRIOT HIGH SCHOOL—DONALD McALLISTER

This boy transferred from Rising Sun to Patriot. His parents are separated. Circumstances were such that he could not have a home with either parent. He is now residing with grandparents at Patriot. Statements on the necessity for Donald to make the change in order to have a home were filed by the two principals concerned.

Decision—Donald McAllister is considered eligible as to residence at Patriot High School.

CHURUBUSCO HIGH SCHOOL—DRIVER EDUCATION CREDIT

Principal Jason Smith had requested a clarification on counting driver education credit toward athletic eligibility.

Decision—Driver education may be counted for athletic eligibility. In accordance with State Department of Education regulations driver education may be carried as a full time subject, five days per week, for one full credit or combined with an allied subject such as health or safety.

EAST CHICAGO WASHINGTON—MICHAEL ARD

This case concerns the residence eligibility of Michael Ard who transferred from East Chicago Roosevelt to East Chicago Washington. On October 17, 1958, the officials of both schools met with East Chicago School City officials for a review of this case. Board Member Arley Winkelpack and Athletic Council Member E. G. Dunbar attended the meeting. A lengthy transcript of the proceedings was filed with the IHSAA. Principal H. E. Walley (Roosevelt) had raised a question about the motive of Michael's father in moving to the Washington district. This did not appear to be connected with athletics and therefore not within the province of IHSAA eligibility rules.

After a careful review of the information on file it was the opinion of the Board of Control that the evidence did not warrant ruling Michael Ard ineligible as to residence at Washington High School.

In this case as in all similar eligibility cases, the Principal of East Chicago Washington will be expected to answer any protest, accompanied by definite and concrete evidence, that may be made by an IHSAA member school.

SEYMOUR HIGH SCHOOL

Approval was given to a statement signed by all members of the Seymour School Board and the Superintendent of Schools to the

effect that in the future the principal of the high school would be the responsible head of Seymour High School's athletic program in fact as well as in name.

Failure to do this will result in a period of suspension for Seymour High School as may be determined by the Board of Control. The statement also carried an agreement that for a period of three years the athletic credentials of students transferring to Seymour with the intention of participating in athletics be submitted to the IHSAA for approval.

NEW MEMBER

Rex Mundi High School of Evansville was accepted for modified membership on the condition that the school receives approval at an early date from the State Department. Under this arrangement the school may proceed with its interschool athletic program.

SPECIAL DISTRIBUTION CHECKS LOST

Hardinsburg and Summitville reported that the IHSAA Special Distribution checks issued October 1, 1958, had been lost. Payment on the checks had been ordered stopped at the bank. Approval was given for the Commissioner's office to issue a duplicate check to each of these schools.

The Board of Control adjourned to meet again in Indianapolis, on November 8, 1958, at 8:30 a.m. (CST)—9:30 a.m. Indianapolis time.

This student transferred from Patriot to Rising Sun under circumstances which were questioned by Principal Isaac Hogg of Patriot.

Careful consideration was given to sites where two or more invitations had been received. Except for those sites where additional information is needed, tentative selections were made with the understanding the entire list will be reviewed at a later date.

The Commissioner was authorized to continue the same policies for radio and television coverage of tourneys as were in effect for the 1958 tourney series.

HAMMOND BISHOP NOLL HIGH SCHOOL—WILLIE KINGSLEY

According to information filed on this case, Willie Kingsley was enrolled in Chicago Crane Technical High School during the 1957-58 school year. He and his mother resided in the home of a relative, Mrs. Anne Berston. Willie's father was employed in Mississippi and

the mother worked in Chicago to maintain the boy in school. Last May Mrs. Kingsley died. During the summer the father established a home for himself and Willie in Gary.

Principal Vincent J. Conroy of Crane Technical made an investigation. He reported Mrs. Berston as saying that she could no longer make a home and pay non-resident tuition in Chicago for Willie. Mr. Conroy also stated that he was confident Willie did not have a home in Chicago and should reside with his father in Gary.

To date no school has filed a charge that Willie Kingsley was unduly influenced to enroll at Bishop Noll High School.

Decision—Under Division V, Section C, Rule 15, known as the unavoidable change of residence rule, Willie Kingsley is considered eligible as to residence at Bishop Noll High School. It is understood that the Principal of Bishop Noll is held responsible for answering charges of undue influence in the event any such charges are filed in the future.

During the 1957-58 school year Edgar Gene Coburn resided with his parents and attended Selvin High School. At the beginning of the present school year he enrolled at Tennyson High School without a change of residence on the part of his parents which made him ineligible as to residence at Tennyson. On November 5, 1958, the parents moved to Tennyson.

Principal Elmer Weller of Selvin expressed the opinion that undue influence had been used by Coach Woodrow Simpson to get the Coburn boy and his parents to Tennyson.

Principal Roy Springston and Coach Simpson of Tennyson and Edgar's parents filed written statements in which they denied that any undue influence was involved in the move to Tennyson. Principal Weller did not produce any substantiated evidence that undue influence had been used.

Decision—Edgar Gene Coburn may be considered eligible as to residence at Tennyson with the understanding that Principal Springston is held responsible for answering charges of undue influence in the event any are filed in the future.

WOLCOTT HIGH SCHOOL—CAMDEN HIGH SCHOOL

A game of basketball was played by Camden and Wolcott at Camden, December 12, 1958. Near the end of the game the score was tied at 50-50. A Camden player attempted an unsuccessful shot

from the floor. After the ball left his hands he was fouled (not flagrant) by a Wolcott player. During this time the buzzer sounded, ending the game. Due to the noise, the buzzer was not heard by the officials. A common agreement was not reached as to just when the game ended. The referee administered the one and one penalty and both shots were successful, making the score 52-50. Wolcott protested the score to the IHSAA.

Since that time written statements were filed by the timers in which they agreed that the ball had not left the Camden player's hands before the buzzer ended the game.

Decision—After carefully reviewing all evidence on file, the Board of Control unanimously ruled that the two points made after the game ended, should not be counted and that the contest should be considered a tie game.

ELWOOD HIGH SCHOOL—FRANKTON HIGH SCHOOL

Max Hoppell and Michael Holtsclaw live with their parents in Pipe Creek Township (Frankton High School) and attend Elwood High School, where they pay cash tuition. Frankton raised a question about the residence eligibility of these two students. An investigation by the principals of the two schools failed to disclose any evidence of undue influence.

On October 4, 1958, the Board of Control had ruled Billie Joe Stevenson and Frank Stevenson ineligible for the period of their enrollment in Seymour (Shields) High School because of a violation of the undue influence rule of the IHSAA.

On January 27, 1959, Judge John M. Lewis of the Jackson Circuit Court issued an order on the complaint of Billie Joe Stevenson and Frank Stevenson, Minors by Their Parents and Next Friends, restraining the IHSAA from interfering with the eligibility of the Stevenson brothers in Seymour High School. Seymour school officials were also restrained from ruling the two students ineligible.

The Court set February 11, 1959, as the date for appearance at a hearing to determine whether a temporary injunction should be issued against the IHSAA and Seymour High School officials.

The Board of Control decided to employ the legal firm of Bell and Bell (Indianapolis), which had been handling legal matters for the IHSAA in the past, and such additional legal counsel as may be needed to defend the IHSAA in this case. Payment from IHSAA funds for necessary legal counsel was also approved.

The Board of Control adjourned to meet again, February 7, 1959, at 9:00 a.m., in the IHSAA Office.

Principal Maynard Henwood of New Haven reported that a number of students of New Haven High School had engaged in questionable out-of-season basketball activity. Principal B. E. Smith of Fayette Central requested a ruling on the residence eligibility of former Straughn students who transfer to Fayette Central because of transportation. The same situation also applies to Connerville.

Decision—Posey Township students who now attend Straughn High School with bus transportation provided may transfer to either Fayette Central or Connerville with residence eligibility.

BRIDGETON HIGH SCHOOL—ROSEDALE HIGH SCHOOL

The Principal of Bridgeton had filed a complaint with the IHSAA that athletes who reside in the Bridgeton district are attending Rosedale without legal transfers or payments of cash tuition. On April 11, 1959, the Principals and Trustees met with the Board of Control to discuss the matter. At that time the Trustees verbally agreed that in the future laws on tuition and transfers would be observed by both school corporations. Both schools were requested to file written statements on this agreement. The Commissioner reported that the written statements are now on file in the IHSAA Office.

WILLIAMSPORT HIGH SCHOOL

Principal Kenneth L. Cole requested a ruling concerning a varsity basketball player from his school who plans to attend Culver Military Academy this summer and to enroll in a course entitled, "Major Sports." Among other activities the course has a two weeks period on basketball which includes, "instruction in dribbling, ball handling, shooting, passing, foul shooting, pivoting and rules discussion."

Decision—It is the unanimous decision of the Board of Control that such activity would constitute a violation of the rule on formal and organized basketball practice out-of-season.

This decision also applies to similar out-of-season activities in football.

ATHLETIC COUNCIL

Consideration was given to the proposal to lower the age limit of high school athletes and other matters that may come before the Athletic Council, May 23, 1959.

SEYMOUR HIGH SCHOOL—STEVENSON CASE

The Commissioner reported that a hearing had been scheduled for May 29, 1959, on the suit brought against the IHSAA in behalf of Billie Joe and Frank Stevenson, students in Seymour High School. The case is to be heard at Bedford with Judge Lester Nixon of the Pike County Circuit Court presiding. Plans for representation from IHSAA personnel to be present at the trial were deferred until the next meeting.

IHSAA OFFICE

1. Annual two weeks vacation with pay was approved for full time office employees. In addition to the earned vacation period, approval was given for two weeks severance pay to Mrs. Judy Dilk, who plans to resign about mid June.

2. Approval was given for the employment of Mrs. Paul Ashley at \$70.00 per week to succeed Mrs. Dilk as a full time employee.

3. An increase of \$5.00 per week salary beginning June 29, 1959, was approved for Miss Betty Sizelove.

4. Approval was given for payment of the expenses of Miss Sizelove to attend an office management and procedure workshop to be conducted by the National Secretaries Association, the week of July 20, 1959.

The Board of Control voted unanimously that beginning August 1, 1959, the salary of Commissioner L. V. Phillips be increased \$1000.00 per annum and the salary of Assistant Commissioner Robert S. Hinshaw be increased \$875.00 per annum. The Commissioner was directed to prepare contracts based on these salary increases to be signed at the next meeting.

The Board of Control adjourned to meet again on May 23, 1959, at 11:30 a.m., in the Technical High School Cafeteria.

The Board of Control voted to request Tell City school officials and basketball coaches to appear at the next meeting for the purpose of clarifying reports, of wide spread discussion, to the effect that Tell City fans had raised funds to be used for the benefit of the Tell City basketball coach and assistant coach.

CENTER HIGH SCHOOL (SELMA)—LARRY SALLEE

This student attended Center High School (Delaware County) during the 1957-58 school year. In the summer of 1958, his parents moved to Stoney Creek Township (Randolph County) which has no high school. The Stoney Creek Trustee transfers students to several nearby high schools. It was the desire of Larry and his parents that he continue at Center. The Trustee declined to give a transfer to Center. Instead he transferred Larry to Mooreland. Later the Trustee changed his mind and transferred Larry back to Center. Letters were filed on this case by the principals of Center and Mooreland. The Trustee who issued the transfers also filed a letter. Principal Ray Evans of Center requested a ruling on the case.

Decision—After giving careful consideration to the information on file it was the unanimous decision of the Board of Control that Larry Sallee be considered eligible immediately as to residence at Center High School.

SALARIES OF COMMISSIONER AND ASSISTANT COMMISSIONER

On May 2, 1959, the Board of Control voted to increase the salary of the Commissioner, L. V. Phillips, from \$17,500.00 to \$18,500.00 per annum, beginning August 1, 1959. It was understood that the present contract between the Commissioner and the IHSAA will continue in full force and effect until July 31, 1959. In accordance with this agreement, a contract was drawn up and signed by all members of the Board of Control and Commissioner L. V. Phillips.

The Board of Control, on May 2, 1959, also unanimously voted to increase the salary of Assistant Commissioner Robert S. Hinshaw from \$13,125.00 to \$14,000.00 per annum, beginning August 1, 1959. IHSAA BOARD OF CONTROL MEETING

French Lick, Indiana, June 13-15, 1959

Present: President Connor K. Salm, Hubert A. Dubois, Loyd R. Hurst, Herman F. Keller, Arley G. Winkelpack, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

TRACK AND GOLF MEET FINANCIAL STATEMENTS

Financial statements of the 1959 IHSAA Track and Golf Meets were submitted by the Commissioner and approved by the Board of Control and ordered published in the 1959 Handbook.

BUDGET AND FINANCES

Careful consideration was given to the estimated expenditures recommended by the Commissioner for 1959-60, and were adopted as submitted. The Commissioner presented a statement of receipts and expenditures over the past twelve months together with an itemized statement of government securities owned by the IHSAA at present. It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 1. Results of this audit will be presented at the next meeting of the Board of Control and published in the 1959 Handbook. The Commissioner was authorized to deposit with the American Fletcher National Bank and Trust Company of Indianapolis, for exchange or credit to the account of the IHSAA, such securities as may come due. Since a portion of the funds is to be used for current expenses, authority was given to sell and deposit to the account of the Association securities as needed to keep a safe balance in the bank. It is understood that all transactions in securities are to be reported to the Board of Control at the next meeting following such transactions.

The Commissioner reported that U.S. Treasury Bills due during the present month had been deposited with the American Fletcher National Bank and Trust Company. Of the \$40,000.00 in Treasury Bills, \$30,000.00 is to be reinvested in U.S. Treasury Bills due December 17, 1959, and the remaining \$10,000.00 will be credited to the checking account for current expenses.

The Board authorized the Commissioner to pay salary and other current bills a few days in advance of June 30 in order that these checks may be cleared through the bank before the beginning of the new fiscal year, July 1.

The Commissioner's office was authorized to pay attorneys fees and court costs in connection with the Stevenson case now pending against the IHSAA from the general funds of the IHSAA.

REGULAR DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for adequate reserve in the IHSAA treasury, the Board set \$125.00 as the maximum amount of surplus funds to be paid any member school in the regular distribution to be made October 1, 1959. Because there was a special distribution in 1958, all the money to be distributed was earned during the current year.

It was decided to make this distribution according to the following plan:

1. Ninety-three dollars and seventy-five cents (\$93.75) for participation in the 1959 Sectional Basketball Tourney.
2. Thirty-one dollars and twenty-five cents (\$31.25) for membership in the IHSAA during the membership year, 1958-59.
3. Any school sharing the regular distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1959.

5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share shall be sent to the principal of the new or resulting school.

ANNUAL MEETING

The Commissioner reported that the IHSAA Annual Meeting would be held at the Indianapolis Manual High School Auditorium at 10:00 a.m., October 22, 1959. Charles Vettiner, Director of Playgrounds and Recreation, Louisville, Kentucky, was approved as the principal speaker.

OFFICIALS, FILMS, COACHING SCHOOLS AND CLINICS

Assistant Commissioner Hinshaw gave three reports to the Board of Control. The first covered the year's activities in connection with the registration and approval of officials for the various sports. The second dealt with the cost of the IHSAA film service and the extent to which the films are used by member schools and other organizations. The third covered coaching schools and rules clinics for the various sports.

TELL CITY HIGH SCHOOL

Shortly after the close of a successful basketball season at Tell City, stories were widely circulated in the area to the effect that enthusiastic fans were collecting funds for the purpose of making substantial gifts to Coach Orlando Wyman and Assistant Coach Norman Kramer. It is contrary to IHSAA rules for a coach to receive remuneration from outside sources to augment the salary paid by the school corporation. It appears that these stories about gifts became more intensified after Coach Wyman traded his old station wagon for a new one, March 30, 1959.

On May 8, 1959, Coaches Wyman and Kramer filed affidavits, with the IHSAA, that they had not accepted any remuneration from outside sources and would not accept any such remuneration in the future while employed as coaches at Tell City. Principal Hugh Thrasher also filed an affidavit to the effect that he had conducted an investigation and could find no evidence that the coaches had received any remuneration from outside sources.

In order to further clarify the situation, the following Tell City school personnel appeared before the Board, June 13, 1959: Principal Hugh Thrasher, Superintendent C. G. Swadley, School Board Member William F. Ress, and Coaches Wyman and Kramer. The coaches told the Board of Control that they had not been offered anything, had not accepted anything and would not accept anything if offered. The three school officials stated that they had heard the stories about the collection of the fund, but had been unable to find anyone who had solicited for the fund or contributed to it. They also said they did not know what disposition had been made of the money (if any) that was purported to have been collected. A representative of the automobile firm with whom Coach Wyman had traded also appeared before the Board. He filed a photostatic copy of the contract between his firm and Coach Wyman.

Since no evidence to the contrary was presented, the Board of Control took no action other than to direct that the affidavits and other information on this case be placed on file in the IHSAA Office.

SEYMOUR CASE

President Salm reported on the arguments in the Stevenson case June 4, 1959, in the Lawrence County Circuit Court. He stated that a decision from the presiding judge was expected soon after July 6, 1959.

NATIONAL FEDERATION

Approval was given for a contribution of \$25.00 toward a gift for Mr. and Mrs. H. V. Porter at the National Federation convention to be held at Lookout Mountain, June 28 through July 2. Mr. Porter recently retired as Executive Secretary of the National Federation of State High School Associations.

IHSAA OFFICE

Consideration was given to the advisability of replacing some of the older furniture in the IHSAA office with the understanding that recommendations regarding this matter be submitted at a later meeting.

The Board of Control adjourned to meet again August 14, 1959, at 9:00 a.m., in the IHSAA Office.

NATIONAL FEDERATION MEETING— SANTA BARBARA, CALIFORNIA

President Harold S. Johnson and Board President Connor K. Salm

reported on the 1958 Annual Meeting of the National Federation of State High School Athletic Associations, held June 22-26, at Santa Barbara, California. They were strong in their praise of the work being done by the National Federation. They also stated that the IHSAA is highly regarded among the representatives of other states in attendance at the convention.

RECOMMENDATIONS

Principal L. E. (Jack) Lowe of Butler High School filed a recommendation, approved by seven other principals, that the one dollar entry fee for IHSAA basketball tournaments be eliminated. Following a brief discussion the recommendation failed to pass by a vote of 25-0.

RELAYS

Present rules require that double points be awarded for the first five places in relays at the State Championship Track and Field Meet. The Board of Control had recommended that the Athletic Council give consideration to revising the point values for relays, downward.

Following a discussion of the recommendations, President Harold Johnson was authorized to appoint a committee to study the matter. This committee is to make a report at the next meeting.

A number of current athletic problems were discussed, but no action was taken.

The meeting closed with an interesting and instructive talk by Dr. Lyman Ginger of the University of Kentucky, who was present as a guest of the Athletic Council.

ATHLETIC COUNCIL VACANCIES

A letter of resignation had been submitted by Superintendent Sidney Spencer of Scottsburg because he had recently moved from District II to District V. There being no nominee before the Council for the vacancy, it was decided that Mr. Spencer's successor be chosen at the regular election to be held December 1-10, 1959.

Superintendent Phil N. Eskew of Sullivan, who plans to move from District V to District II, submitted his resignation. Principal Elmer H. Loehr was appointed to represent Class 4 schools in District V, until a successor is chosen at the next election to take office, July 1, 1960.

BOARD OF CONTROL AND ATHLETIC COUNCIL

The following named Council Members were elected to serve as the Board of Control from July 1, 1959, to June 30, 1960: Charles Day, Class 1; Otto Albright, Class 2; Forest Waters, Class 3; Elmer Loehr, Class 4; and Marion Crawley, Class 5. The newly elected Board of Control held a brief meeting and elected Otto Albright as president; and set the first meeting for August 14, 1959, 9:00 a.m.

The Council elected H. T. McCullough as its president for the year 1959-60.

PROPOSALS

Principals of the Indiana Northern Conference, Western Division, submitted the following proposal:

"It is proposed that Division V, Section H, Rule 1, 'Age' be amended to read, 'Students shall be ineligible for any (interschool) athletic competition upon reaching nineteen years of age'."

Following a lengthy discussion, the amendment was unanimously adopted with the following exceptions.

If the student's nineteenth birthday occurs on or after August 15, he is eligible for fall sports; if the nineteenth birthday occurs on or after November 1, he is eligible for winter sports; if the nineteenth birthday occurs on or after March 1, he is eligible for spring sports.

Note: The above rule is not effective until August 15, 1963, for any students who have been enrolled in high school prior to the enactment of this rule, May 23, 1959. For such students the age limit shall be 20 years of age.

POINT VALUES IN RELAYS

Superintendent Hubert Dubois, Chairman of a special committee appointed to study the matter of point values in relays, reported that the Committee had conducted a survey among the schools sponsoring track as to their preference with the following results:

1. Double point values for relays (10-8-6-4-2).....288 votes
2. Same number of points as for individual events
(5-4-3-2-1)136 votes
3. Use a modified point system (8-5-3-2-1) 77 votes
4. Other plans 7 votes

Due to the strong support for the use of double points in relays, Chairman Dubois stated that his Committee recommended that the plan of giving double points in relays be continued. The recommendation was approved by the Athletic Council.

COLOR OF BASKETBALL

The National Basketball Rules for 1958-59, designated natural tan as the color for official basketballs with the understanding that orange tan may be used on an experimental basis. The IHSAA was given permission to experiment with orange tan basketballs on a state-wide basis with the understanding that a survey be made among the high schools and the results made available to the National Basketball Committee. The returns of this survey gave the following results:

- | | |
|------------------|-----------|
| 1. Orange tan | 273 votes |
| 2. Natural tan | 209 votes |
| 3. Reddish tan | 11 votes |
| 4. No preference | 102 votes |

The National Basketball Rules for 1959-60 specify orange tan basketballs as official, provided the schools concerned mutually agree.

In view of the strong support given the orange tan ball in the survey among IHSAA schools, the Council voted that either the natural tan or orange tan ball may be used in high school basketball games and tourneys during the 1959-60 season without protest.

QUARTERS PARTICIPATION RULE

In order to facilitate the enforcement of the four quarters participation rule, the Council approved the following recommendations to member schools.

1. Where a preliminary and a varsity game are to be played at the same session and some players are to be dressed for both contests, the scorekeeper of the first game should be required to notify the scorekeeper and coaches of the varsity game the number of quarters in which such players participated in the preliminary game. The coaches in turn should pass this information on to the players concerned.
2. No player should remain on the bench in uniform after he has completed the fourth quarter of participation.

The Athletic Council adjourned to meet again at 6:00 p.m., October 21, 1959.

Board of Control,
The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1959. Our examination included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit at June 30, 1959, to the amount reported directly to us by the American Fletcher National Bank and Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements, and the cash disbursements were supported by examination of invoices, expense reports, and other data. Securities recorded as owned by the Association were presented for our inspection.

In our opinion, the accompanying statement of cash receipts and disbursements presents fairly a summary of the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1959.

FOOTBALL

Nine member schools along with one associate member finished the football season with perfect records on the gridiron. These schools were: Indianapolis Manual 10-0; South Bend Central 10-0; Brazil 10-0; Evansville Memorial 10-0; Richmond 9-0; Portland 9-0; Culver Military 8-0; Rockport (8-man) 7-0; and Kentland (6-man) 8-0.

In the sixteen major athletic conferences three schools repeated their championship honors of 1957. They were Lawrence Central, Brownsburg and Rockport. All conference winners are listed on page 127. Conference and city championship games have helped to create a greater interest in the game.

This past year a total of 216 schools engaged in the pigskin game. This was an increase of seven schools over 1957. With consolidation of schools increasing each year, no doubt more schools will play the game in future years.

The new rule used this year for the first time that a student may play in any number of games provided he engaged in no more than 40 quarters during the season seemed to meet with much favor. Jamborees continue to be very popular. This past year many more of these events took place.

The Association does not sponsor a series of games to determine a champion, but each year honors teams with outstanding records by carrying squad pictures in the Handbook. The pictures that have been submitted by the schools may be found following the list of high schools participating in the sport.

CROSS COUNTRY

Favored Muncie Central won the thirteenth annual state cross country meet over the South Grove Golf Course with a score of 125 points. The Bearcats won in 1956 and were runner-up to the Hobart champs in 1957.

Anderson, always a threat, finished second with 138 and the defending champion, Hobart, was third with a score of 157. Michigan City with 184 points picked up the fourth team position and Indianapolis Shortridge trailed in the fifth spot with a team score of 247.

Charles Umbarger, a junior from Elkhart, ran away from everyone to lead all runners to the finish in a time of 9:54.8. As a sophomore last year he finished second. Second place went to Robert Patterson, Muncie Central. Henry King, Ft. Wayne Central, came in third with Bob Brown of Anderson fourth. Thomas Hinkle, Washington Catholic, garnered the fifth position. Muncie Central runners finished in the following team positions: Patterson 2, Bonner 8, Crow 15, Baker 47 and Conway 53.

In the sectional meets 195 schools were entered with 1988 athletes eligible. A total of 27 schools qualified full teams for the state meet. Fourteen other schools had single qualifiers. There were 203 eligible starters in the state meet with 198 starting and finishing the race.

SECTIONAL CROSS COUNTRY MEETS

(These rules are reprinted from the September 1958 Bulletin)

The sectional cross country meets will be held this year on Tuesday, October 21, 1958, after 3 p.m. These meets are conducted as an elimination series in order to select teams and individuals for the state cross country meet.

Eight sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1957, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan and add more centers if a greater number of schools enter than is anticipated. Representation to the state meet will be determined by the number of teams competing in each sectional meet.

Schools have been assigned by counties, and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin to the principal.

MANAGEMENT—The management of these meets rests solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be selected by the center principals, except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Tuesday afternoon, October 21 after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Friday, October 17, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Team positions at the start are to be drawn by lot.

OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding modified or associate memberships. A school may certify twelve students, with no more than seven participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

Note: Each year some schools file entry blanks, then fail to participate in the meet. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for any reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

ELIGIBILITY—The eligibility of each player shall be certified to by the principal of his school. The official entry list must be used, and all data given. Entries positively will close **Monday, October 13**. The entry lists must be in the hands of the Commissioner, complete in every detail, by 4 p.m. on that date. **Twelve students may be certified for the meet, with seven or less participating on the day of the meet.**

LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. **Individuals** are ranked and tallied in the placement column, but their position is dropped and not recorded in the **team** scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. It is considered a tie event if two or more teams score the same number of points. Individual ties shall be decided by lot.

RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running as found on pages 30 and 59 in the 1958 National Federation Edition of the Track and Field Rules shall govern—with the exception of the length of course.

PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the state meet, provided they finish the race. The first five individual winners will receive ribbons.

QUALIFICATIONS FOR STATE MEET—Representation at the state meet will be determined by the number of teams competing* in that sectional, as follows: **Seven or less**, one team. **Eight to fourteen**, two teams. **Fifteen to twenty-one**, three teams. **Twenty-two or more**, four teams. The first five individuals to finish shall be eligible for the state meet regardless of their team position.

* A school must have five or more boys finishing the race to be a team **competing** in that sectional.

WRESTLING

Indianapolis Shortridge won its first state high school mat championship in history by scoring 37 points in the final meet of the IHSAA series. Southport and Richmond tied for second with 32 points each. Bloomington was fourth with 22 and Ben Davis garnered 19 for fifth.

The champions had only one individual winner in Mel Jeter, 165 pounder, but qualified three additional team members for the final round to outscore the field. Southport and Richmond, second place finishers, grabbed two firsts each. Bill Andrews of Indianapolis Manual was voted the state meet's outstanding wrestler. He won his third consecutive state title. He wrestled in the 127 pound class this year. Russell Pine of Kokomo, 103 pound champ last year, repeated in the 112 class.

This year eight sectional sites were established, the same as in 1958 with first and second place athletes in each weight class advancing to the regional.

Two regionals were held as in 1958 and first and second place winners advanced to the final meet. A total of 68 schools entered the sectionals, which was an increase of six schools over 1958.

The new rules and regulations passed by the Board and Council in 1957 pertaining to the number of meets per year, weight classification, and beginning and ending season dates for wrestling was well accepted by the schools and has helped the sport.

SWIMMING

Powerful Columbus won the annual IHSAA swim championship meet with a total of 60 points. They had been nosed out of the championship meet the past two years but they were not to be denied this year. New Albany was second with 46 and Muncie Burris came in third with 44.

Columbus won six championship events including the 400 yard free style which was a new event on the state meet program this year. In 1958 all state records were broken—this year six of these marks fell. Several of the times were very good.

The outstanding individual performance was provided by John Roethke, Columbus, who scored a double, winning both the 100 yard free style and the 150 yard individual medley in record time. Roethke took the century in 50.8 and the medley in 1:28.4. South Bend Riley captured the 200 yard medley relay while Hammond took the final 200 yard free style relay.

Nineteen schools entered this year which was an increase of two over 1957. A total of 257 contestants entered the eleven event program. This was 56 more athletes than last year.

BASKETBALL

Crispus Attucks of Indianapolis with a craftsman like manner won its third state championship in the past five years by outscoring Logansport and Kokomo. In the afternoon tilt against the Berries they won 76-50 and at night ran over the Wildcats 92-54. The tall Tigers controlled the backboards in both games which was a great advantage. In their two games they hit .470 from the floor.

In the first afternoon game, Logansport against Crispus Attucks, the two clubs were even at the first quarter 11-11. Starting the second quarter the Tigers hit five of seven field attempts scoring eleven straight points to open up a margin of 31-20 at half-time. Attucks players continued their assault on the basket and went into the fourth quarter leading 53-32. Both clubs blazed away 71 times from the field with Crispus Attucks hitting 34 and Logansport 20.

The second afternoon game found the Kokomo Wildcats taking on the New Albany Bulldogs. At the end of the first quarter the Wildcats held a 19-13 lead but in the second quarter the Bulldogs came back strong and trailed by only 2 points 32-30. In the third and fourth quarters both clubs played on even terms with the score tied 56-56 at the end of the regulation time. New Albany took the tip-off at the start of the overtime and controlled the ball for 2 minutes and 42 seconds. During this interim the Bulldogs had three shots at the basket before losing the ball. With 11 seconds to go the Wildcats called time to arrange their strategy. They maneuvered the ball for a shot which missed but grabbed the rebound and blazed away with another one to win 58-56.

All ten players of the championship Tiger squad broke into the scoring column during the final game when Crispus Attucks ran over Kokomo. Quarter scores were in favor of the champs all the way leading 21-9 and 47-21 at half time. The third quarter ended 69-38 and final score 92-54.

Individual scoring performance went to Kokomo's Jimmy Rayl who dropped in 114 points during the last four games along the tournament trail. He decisively eclipsed the old record of 106 points. Besides gaining scoring honors, Rayl was unanimously selected the winner of the Arthur L. Trester Award for Mental Attitude by the Board of Control.

In sectional play a total of 710 schools were entered. Gross receipts and attendance were up slightly over 1958. The paid attendance for the 85 tournaments was 1,508,962 and gross receipts \$968,343.57. The increase in gross receipts was due to an increase in ticket prices for sectional play.

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-STATE AND STATE FINAL BASKETBALL TOURNEYS THE FORTY-NINTH ANNUAL

These rules are reprinted from the January 1959 Bulletin.

The Board of Control has completed the details for the State Championship Basketball Tournaments and announces the plan in full; with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tournaments if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNEY

1. **TYPE OF BALL**—The molded type basketball, natural tan, orange tan and reddish tan has been legalized for the State Championship Series.

2. **PRIZES**—No prizes of any kind are to be awarded to any school or individual from any source.

3. **RADIO SERVICE**—Stations in Indiana may broadcast IHSAA tournaments provided the requirements in the "IHSAA Rules and Regulations Governing Broadcasting" are observed. Station managers and Center Principals will have copies of these rules and regulations.

4. **PICTURES**—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. **SOUVENIR PROGRAMS**—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control nor the Commissioner's Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.

6. **SUGGESTIONS**—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tournaments prevent difficulties during and after tournaments. Make and keep copies of all agreements.

7. **MANAGEMENT**—The exclusive control of all these tournaments rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every effort will be made to choose only fair, disinterested and competent men. All schedules and assignment of officials will be made and distributed by the Board. All

schedules will be drawn by lot by the Board of Control, and no changes will be made in them. Representatives of the press will be invited.

8. **TIME SCHEDULE**—The Board of Control has ruled that all tourneys must be scheduled on Central Standard Time. Master schedules will be mailed to all center principals soon. A center principal, for administrative reasons, may request an adjustment in the schedule for his center provided such request is based on Central Standard Time and complies with the Attorney General's opinion issued September 23, 1957. Approval for any change is at the discretion of the Board of Control.

THIS WRITTEN REQUEST MUST BE FILED NOT LATER THAN JANUARY 10.

9. **DECISIONS**—The assignment of officials and the decisions of the officials will be considered final. Schools enter the tourneys with this understanding. Give this information to your students and fans now.

10. **PRIVILEGES**—Ten competing players, one coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

11. **WARM UP PERIOD**—There shall be at least ten minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game.

12. **NUMBERING OF SHIRTS**—In order for a school to be eligible to enter the sectional tourney, all players' shirts must be properly numbered according to Rule 3, Section 4 of the Official Basketball Rules.

SECTIONAL TOURNEYS

February 25, 26, 27 and 28

The following bases were used in selecting sectional, regional and semi-state centers:

(1) Invitations filed by the principals. (2) Locations considered but not necessarily the determining factor. (3) Transportation facilities. (4) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities. (5) Rotation. (6) Success and satisfactory management of previous tourneys.

Many schools have been assigned by counties but there are a number of exceptions which are clearly indicated. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The name of your county locates your center unless assigned otherwise. The plan arranged is to have no less than 8 teams and no more than 14 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

* All semi-final and final games of two-site tourneys will be played at the site indicated by an asterisk (*).

MANAGEMENT—Two officials will be assigned to tourneys having 8 teams; three officials to tourneys having 9, 10, 11, 12 and 13 teams; four officials to 14 team tourneys and four officials to each two-site tourney. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering an IHSAA sectional basketball tourney in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an entry blank. Schools holding modified membership are not eligible to enter.

ENTERTAINMENT—Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the coach and a faculty manager) from each competing school according to the following plan:

1. **Transportation**—All schools are entitled to one-round trip mileage allowance each day the tourney is in session.
2. **Meals**—All schools are entitled to one meal for each day the tourney is in session.
3. Due to the variations of time schedules of "Two-site" and "One-site Two-Bracket" tourneys, the time schedules, entertainment schedules and admission prices will be set up by the IHSAA and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.
4. **No lodging shall be paid.**

Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.

2. The Center High School shall receive one hundred and fifty dollars (\$150).

3. The transportation shall be paid. The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.

4. The Center High School shall receive one hundred dollars (\$100).

5. The IHSAA shall receive one percent (1%) of the fourth balance.

6. (a) One-half of the fifth balance shall be divided equally among the participating schools, the Center School sharing.

(b) One-half of the fifth balance shall be divided among the participating schools on an enrollment basis.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, March 5.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certification must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry" Blank to the IHSAA. All entries must be in the IHSAA office before 4:00 p.m. Wednesday, February 11. Do not mail entry blanks before February 2. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, February 11. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

Session Ticket (All regular tourneys)..... \$0.75

ONE-SITE TOURNEYS:

Season ticket:

- | | |
|-------------------------------|--------|
| a. Four-session tourney | \$2.00 |
| b. Five-session tourney | 2.50 |
| c. Six-session tourney | 3.00 |

Tickets shall not be sold for more or less than the prices listed. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets.

ONE-SITE TWO-BRACKET AND TWO-SITE TOURNEYS:

Due to the variation in the number of sessions, season ticket prices shall be established by the Board of Control through the IHSAA office and the Center Principal.

No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in their area upon request prior to Friday, February 20.
2. Ten percent of the remaining tickets shall be divided equally among the competing schools. (Every school regardless of enrollment has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This allotment is intended primarily for this use.)
3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 19, 1958, or the third day of school if the opening day is later than September 17.

No tickets shall be distributed until the Center Principal has received his copy of the draw. Season tickets must be ready for distribution by Friday, February 20. All ticket information should be secured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tourney. Season tickets unsold shall be returned by 9:00 a.m. on the day the tourney begins, except that in "two-site" and "one-site two bracket" tourneys, they shall be returned by 4:00 p.m. the day before the tourney if the tourney begins with a day time session; and by 9:00 a.m. on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 11, and cannot be changed or accepted afterward. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before February 2. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

REGIONAL TOURNEYS—MARCH 7

Each of the sixteen (16) regional tourneys will have four (4) teams and will play to a winner, according to the following assignment. The winners in each of the sixteen (16) regional tourneys will constitute the teams in the semi-state tourneys according to assignment.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men who participated in the sectional tourneys.

The sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 2. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 2. (Ask for Miss Sizelove who has charge of making the changes.)

DISTRIBUTION OF TICKETS—All tickets shall be distributed by the Center School Principal according to the following plan:

- Season tickets only shall be sold prior to Saturday, March 7.
- Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than price on the ticket will jeopardize the standing of the high school.

- Press.**
 - Each paper within the regional district but outside of the tourney center may be granted one ticket upon request not later than Saturday, February 28.
 - Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted 3 tickets upon request not later than Monday, March 2.
 - Papers outside of the state shall not be granted tickets unless they have a large coverage in the state, and then the limit is given under (a).
 - School papers shall not be granted tickets.
- Radio.** Each station broadcasting the games may be granted 3 tickets upon request not later than March 2.
- Complimentary tickets shall be confined to those directly connected with the tourney. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the principal and the coach. Each Athletic Council member and each Ex-Board member may be granted two tickets to the Regional in his area upon request prior to Saturday, February 28. A list of the complimentary tickets must be furnished the IHSAA giving name, position, and number of tickets.
- The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.
- Schools entered in a sectional tourney may secure twelve tickets to the Regional Tourney in their area. Orders must reach the Regional Center Principal between February 21 and 26. All principals should use the Regional Ticket Order enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance TO THE REGIONAL CENTER PRINCIPAL IN THEIR AREA.
- Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the high school principal not later than Monday, March 2.
 - One-half of the tickets remaining divided on an equal basis.
 - One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction September 17, or the third day of school, if the opening date is later than September 17, for the school years, 9, 10, 11 and 12.
 - If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).

9. All tickets remaining at this stage shall be placed on open sale on Thursday, March 5, 9:00 a.m., with the understanding that all sales shall be guarded to insure fairness to all.

ENTERTAINMENT—The Regional Center Schools have contracted with the Board to entertain twelve men (which must include the coach and a faculty manager) from each competing school. Entertainment will begin, if necessary, at 9:00 a.m. Saturday, March 7, and continue, if necessary to 8:00 a.m. Sunday, March 8. All competing schools are requested to ask for no longer entertainment than is necessary. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School. The expenses of a manager, if any, belong to the Center School and not to the Tourney.
2. The Center High School shall receive two hundred dollars (\$200).
3. The transportation shall be paid. (See sectional transportation allowance.)
4. The Center High School shall receive one hundred fifty dollars (\$150).
5. The IHSAA shall receive fifty per cent (50%) of the balance.
6. ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men who participated in the regional tourneys. The regional entry blank will suffice for semi-state tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 9. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 10. (Ask for Miss Sizelove, who has charge of making the changes.)

ENTERTAINMENT—The Semi-state Center Principals have contracted with the Board to entertain twelve men (which must include the coach and a faculty manager) from each competing school. Entertainment will begin, if necessary, at 9:00 a.m. Saturday, March 14, and continue, if necessary, to 8:00 a.m. Sunday, March 15. All competing schools are requested to ask for no longer entertainment than is necessary. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. (a) The Center School shall receive two and one-half per cent (2½%) of gross receipts. (b) The Field House Rental (which shall not exceed ten per cent (10%) of gross receipts) shall be paid.
2. All other legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall then be paid from the remaining balance, if sufficient. If the remaining balance is not sufficient, legitimate expenses shall be considered an obligation of the Center School. The expenses of a manager, if any, belong to the Center School and not to the tourney.
3. The transportation shall be paid. (See sectional transportation allowance)
4. Each participating school shall receive a bonus of three hundred fifty dollars (\$350.00).
5. The IHSAA shall receive the remainder.
6. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
7. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Wednesday, March 18.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated and the tickets shall be printed with the following information on them:

1. Session ticket: \$1.25
2. Season ticket: \$2.25

Tickets shall not be sold for more or less than the prices listed. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets. No

more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

RESERVED SEATS—All seats shall be reserved.

TIME OF GAMES—See page 4, item 8. (Tourney Bulletin)

DISTRIBUTION OF TICKETS—All tickets shall be handled by the Center School Principal according to the following plan:

1. Season tickets only shall be sold prior to Saturday, March 14, and shall be sold only to high school principals in the Semi-state area.
2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.
3. Press.
 - (a) Each paper within the Semi-state District but outside the tourney center may be granted one ticket upon request not later than Saturday, March 7.
 - (b) Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted three tickets upon request not later than Monday, March 9.
 - (c) Papers outside of the state shall not be granted any tickets unless they have a large coverage in the state, and then the limit is given under (a).
 - (d) School papers shall not be granted tickets.
4. **Radio.** Each station broadcasting the games may be granted three tickets upon request not later than Monday, March 9.
5. Complimentary tickets shall be confined to those directly connected with the tourney in some way. Each Athletic Council member and each Ex-Board member shall be granted two tickets upon request prior to Saturday, March 7. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the principal and the coach. A list of the complimentary tickets must be furnished the IHSAA giving name, position and number of tickets.
6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.
7. Schools entered in a sectional tourney may secure twelve (12) tickets to the semi-state tourney in their area. Orders must reach the semi-state principal between February 28 and March 5. All principals should use the Semi-state Ticket Order enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance TO THE SEMI-STATE CENTER PRINCIPAL IN THEIR AREA.

8. Each participating school may secure tickets at this stage as follows, providing they are purchased and paid for by the high school principal not later than March 10.
 - (a) One-half of the tickets remaining divided on an equal basis.
 - (b) One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction September 17, 1958, or the third day of school, if the opening date is later than September 17, for the school years 9, 10, 11 and 12.
 - (c) If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).
9. All tickets remaining at this stage shall be placed on open sale on Thursday, March 12, 9:00 a.m. with the understanding that all sales shall be guarded to insure fairness to all.

WARNINGS—Entries are due on Monday, March 9, and cannot be changed afterwards. Special privileges will not be granted to anyone. The management, protests and privileges will be governed according to the regulations pertaining to the sectional tourneys. If no word is received from principals on Monday, March 9, regional entry blanks will be used for the semi-state tourneys.

STATE TOURNEY BUTLER FIELD HOUSE, INDIANAPOLIS

MARCH 21

ENTRANTS—The four (4) winning teams of the semi-state tourneys shall constitute the participants in the State Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-state entry blank will suffice for the State Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 16. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 16.

ENTERTAINMENT—Twelve men will be entertained on each team (which must include the coach and a faculty manager) from each school. If the proceeds of the tourney permit, each school hav-

ing a team playing in the tourney will receive the following: \$150.00 for lodging, \$250.00 for meals, \$400.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fees will be as indicated and the tickets will be printed with the following information on them:

1. Session ticket: \$2.00
2. Season ticket: \$3.00

AWARDS—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual award. A trophy will be given to the runnerup team and individual awards to its team members.

The Arthur L. Trester Award for Mental Attitude will be presented to the athlete who, in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

TIME OF GAMES—12:00, 1:15 and 7:15 p.m. (C.S.T.)

MANAGEMENT—The Board of Control has designated the Commissioner as Manager with Robert S. Hinshaw, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Melrose 7-1519. Fred R. Gorman, Vice-President of Technical High School, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

PRESS AND RADIO reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 19 and not later than Thursday, March 12. An identification plan will be used for press representatives, who must be properly certified by their managers at the time requests are made.

TICKETS—All tickets will be handled by the IHSAA office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 21. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at approximately 14,943.

2. Each high school principal, having a team entered in an IHSAA Sectional Basketball Tourney for 1959, and each high school principal holding a modified membership in the IHSAA, may order tickets to four (4) percent of his high school enrollment as submitted to the Inspection Office of the State Department of Public Instruction September 17, 1958, for grades 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than four tickets. Post graduates shall not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation as outlined. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSAA must accompany each order. Tickets purchased cannot be returned. Please do not send cash. The limitations below must be observed as given:

(a) Orders for tickets having official postmarks on the envelopes from and including Thursday, February 19, to and including Friday, February 27, will be accepted if received not later than Saturday, February 28. Ticket orders mailed prior to February 19 will be returned for proper mailing. The IHSAA reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None are guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

(a) Ticket orders from principals are due any time from February 19 to February 27, inclusive. Postmark will determine mailing date.

(b) Upon receipt of ticket orders in the IHSAA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

(c) Incorrect orders are returned with instructions.

(d) The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 950 seats to the block, will be reserved until Monday, March 16, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-state tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by

Monday, March 16, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

THE ARTHUR L. TRESTER AWARD

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Award for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Award for Mental Attitude.

 By High School Principal By High School Coach

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

TRACK AND FIELD

Gary Roosevelt with relay teams placing second and third in the 880 and mile relays respectively garnered 14 points to bring their total to 22 which was enough to win the championship. The champs did not score a first place. They placed second in both the 440 and the broad jump. South Bend Central, defending champions, placed second with 19 points followed closely by third place Elkhart with 18½. Fourth position went to Indianapolis Shortridge with 17 and Ft. Wayne North trailed in the fifth spot with 12 points.

Three new state records were posted during the day. The first to fall was the mile run when Steve Hibler, Ft. Wayne Concordia, toured the oval four times in 4:19.8 beating Max Truex's time of 4:20.4 (a former national record). Gerry Williams, a 5 foot 9 inch high jumper from Indianapolis Shortridge, topped the field with a 6 foot 6 inch jump for a new state record. In the last event on the program, Elkhart's quartet of runners came in first in the 880 relay with a time of 1:30.6 for a new IHSAA record.

Competition was very keen during the meet with 37 schools scoring out of the 82 qualified for the meet. In the mile run the first six runners were under 4:26.7. Many times approached state record marks. Dave Osborn of Windfall was high point man of the meet with a first in the 220 and a second in the 100.

In spite of overcast skies a good crowd was on hand for the meet. The track was slow in the morning trials due to rain but was in good condition for the final events.

A total of 376 schools entered 4,926 athletes in sectional meet competition. This is a gain of 21 schools and 463 athletes over the 1958 entry list.

(2) **MANAGEMENT**—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

(3) **INSTRUCTIONS** and a starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

(4) **ELIGIBILITY**—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. Entry blanks are due in the IHSAA office on or before 4:00 p.m., Thursday, May 7, 1959, and cannot be accepted afterwards.

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

TRANSPORTATION—This will be an obligation of the participating school in each case.

MEDAL PLAY—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

SCORING—Each threesome or foursome will be made up of boys from different schools. The players will count and keep score for each other.

TEAMS—Each school may enter six (6) boys and the team must consist of four (4) of these six boys. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR STATE MEET

TEAMS—Representation at the State Meet will be determined by the number of teams competing in that Sectional, as follows: Five or less, one team; six to ten, two teams; eleven to fifteen, three teams; sixteen or more, four teams.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

INDIVIDUALS—The three low medalist players in each sectional meet are eligible to compete as individuals in state meet competition, provided their school posted a team score in the sectional.

TIES—All individuals or teams tying for the last qualifying position shall be eligible for State meet competition.

STATE GOLF MEET
TWENTY-THIRD ANNUAL
Saturday, May 23
COFFIN GOLF COURSE
Indianapolis

MANAGEMENT—The management of this meet rests solely with the Board of Control. Fred A. Keesling will represent the IHSAA and be in charge at the Golf Course.

ENTRANTS—Individuals and schools whose teams qualify according to the sectional regulations shall constitute the entrants for the State Meet. (Teams must be composed of any four of the six certified entrants.)

REGISTRATION—All teams must be checked in at the Club House by the principal or his official faculty representative. This responsibility belongs to the school.

TRANSPORTATION—This will be an obligation of the participating school in each case.

ENTERTAINMENT—Noon meals will be furnished by the IHSAA at the Club House to the actual participants and one faculty manager from each school.

PRIZES—A trophy will be given to the winning school. Medals will be presented to the winning team members of first, second and third places and the three low medalists.

MEDAL PLAY—The tournament will be conducted as Medal Play and 18 holes will be played.

SCORING—Each threesome will be made up of boys from three different schools if possible. The players will count and keep score for each other.
