ROBERT S. HINSHAW

Assistant Commissioner

1945-1961

The life of Robert S. Hinshaw was one of devotion. The high standards of conduct to which he adhered earned for him the respect of all he met throughout the state and nation. Guided by a keen sense of loyalty to high principles and to individuals, he gave to the gigantic undertaking or the simple task his best efforts. Admiration of these qualities abound in the hundreds of tributes—written and oral—expressed many times before as well as after Bob's death. Typical of all tributes are these excerpts from two.

Editorially THE INDIANAPOLIS NEWS stated, "Much of the fairness with firmness, much of the respect and success that attach to the Indiana High School Athletic Association are owing to the personality of Robert S. Hinshaw."

"In the death of Bob Hinshaw at 62, there is scarcely a coach, scarcely a referee, scarcely a school administrator, scarcely a newspaperman, who does not feel a deep personal loss."

Clifford Fagan, Executive Secretary of the National Federation of State High School Athletic Associations, said, "Bob's efforts have contributed to the development of boys into better men because of their associations with him and with the programs with which he worked. Certainly many people lived better lives because of what Bob had done for them directly or indirectly."

Like the individuals who profited from his devotion to duty, the IHSAA as an organization is stronger and better because of his influence. His character and deeds present a challenge to those who accept the responsibilities he so capably fulfilled and to all whose lives have been affected by his dedicated service.

MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

By
LESTER M. PARKER, President
Board of Control

The Indiana High School Athletic Association pauses to pay tribute to the late Assistant Commissioner, Robert S. Hinshaw, who will be long remembered for his distinguished service to this organization and his worthy contributions to high school athletics. His initiative, wisdom, and consideration for other people enabled him to become a leader of national prominence. His death was untimely and the IHSAA has felt the full impact of his departure. May the ideals of Mr. Hinshaw aid us in maintaining high standards of conduct and assuming responsibilities in a professional manner with all mankind in our future actions.

Through the foresight of such leaders, the Indiana High School Athletic Association has developed into an organization which all point to with pride. Mr. Arthur L. Trester, Mr. L. V. Phillips, and Mr. Robert S. Hinshaw have provided the wisdom, guidance, and courage to develop the fundamental principles and philosophy of our high school athletics. This philosophy is based upon fair play, sportsmanship, honesty, and cooperation.

The Indiana High School Athletic Association is a democratic organization in principle and practice. Each high school, by its own choice, may become a participating member in the activities. All high schools deem it a privilege to have the opportunity of becoming a member and of sharing the high esteem associated with its membership. Each school has a voice in electing a representative group to govern the activities. It is an impartial group of able, school men who have the foresight and wisdom to deal fairly with the conflicts and problems arising from the activities.

Along with participation, membership in the IHSAA involves definite obligations which should not be taken lightly. In accepting membership, it is the duty of each administrator to assume responsibility in interpreting the aims, policies, and regulations to his student body, to the community, and to the press. It is the responsibility of the administrator to promote the athletic program on a high level in a professional manner. The administrator must take a firm position against pressure groups who seek selfish motives.

High standards should always be advocated and enthusiasm for the entire program is imperative if better welfare for our youth is promoted satisfactorily.

Also each athletic activity provides ample opportunity to improve the attitude of numerous spectators toward better sportsmanship, fair play, and clean living. The manner in which each contest is conducted sets a pattern for public relations. The personnel of any school fosters a better understanding with the community through good communications.

The Athletic Council, Board of Control, and our able Commissioner, L. V. Phillips, welcome constructive suggestions for their consideration in keeping our organization strong and vibrant. The official body has time to counsel, encourage, and assist all of those who are striving to improve the organization for the good of all participants. It is our belief that there is strength in unity. Through unity we can be effective as an organization dedicated to the youth of our land.

HISTORY OF IHSAA

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of high school principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of high school Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA. March 1, 1904, and now there are seven hundred four (704) member high schools. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the fifty-eight years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball and girls' play days. State championships are determined in cross country, swimming, wrestling, basketball, track and golf.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

CONSTITUTION OF INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

PREFACE

This revision of the Constitution, Rules and By-Laws, regulations, interpretations, questions and answers of the Indiana High School Athletic Association, is the result of the combined efforts of the Board of Control, Athletic Council and the revision committee.

Most of the material has been printed in the Handbook and official bulletins published each year. Principals, Coaches and other interested parties are requested to read all information contained herein, and observe the information published in all IHSAA bulletins. The Constitution, By-Laws and Rules printed in the annual Handbook may not be up-to-date at all times, due to legislation between printings.

The printed Constitution, Rules and By-Laws, together with the questions and answers, plus the information in current bulletins, will keep all responsible parties completely and officially informed.

PURPOSE OF IHSAA

(Copied from Introduction to first printing of Constitution in 1904)

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "IHSAA.")

ARTICLE II

MEMBERSHIP

Section 1. Full membership in this Association shall be open to all public, private, parochial, and institutional high schools of the state offering and maintaining three or four years of high school work, provided they meet the requirements of the association and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must be accredited by the State Department of Education.

Section 2. Modified membership may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the under-

standing that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Section 3. Any high school in the state may become a member of this Association by meeting the requirements, by subscribing to these rules and regulations, and by paying the annual dues of one dollar and fifty cents (\$1.50) to the Commissioner on or before October 1 of each year. All memberships expire on October 1 of each year unless the annual dues are paid.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tourneys and meets, but not in any tourneys or meets conducted for the purpose of determining an official state championship in the IHSAA.
2. Associate members are bound by all rules and regulations of the IHSAA with the exception that a student who changes schools without a corresponding change of residence on the part of his parents is eligible as to residence immediately, provided there is no undue influence involved in any way.
3. Associate members are not privileged to share in the distribution of tickets to IHSAA championship tourneys and meets or in the distribution of IHSAA surplus funds to member schools.

Section 5. Each member high school shall have one vote.

Section 6. The Board of Control shall be judge on all memberships.

Section 7. A high school that is suspended from the IHSAA shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension, according to the Sections in the Constitution and the rules and regulations governing memberships.

Places in the relay races count double for points. In case of a tie in a track event, shot put or broad jump, the points shall be divided and the places awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position to the contestants with the fewest misses at the tied height. If the tie is still not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by lot. No misses shall be charged to a competitor for a passed height. The points shall be divided equally.

c. Events:

The events in all meets shall be 100 yard dash; 220 yard dash; 440 yard dash; half-mile run; mile run; 120 yard high hurdles; 180 yard low hurdles; running high jump; running broad jump; pole vault; putting 12-lb. shot; mile relay and half-mile relay.

Rule 6. There shall be ten separate days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests in the following sports: basketball, football, track, cross country, swimming and wrestling. Only one practice may be counted for any one day.

Rule 7. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the closing date of the sectional tourneys of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tourneys of The State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tourneys if earlier than this final tourney date. (The penalty is suspension.)

Students playing independent, league or organized basketball games, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all inter-scholastic athletics until January 1 of the following year. A prospective student-athlete who

engages in a practice, scrimmage, tryout or otherwise demonstrates his athletic ability either on or off the campus for a college shall be considered in violation of this rule.

Rule 8. The maximum number of games for the regular schedule of any team in basketball shall be eighteen. (The penalty is suspension.)

- a. A player may participate in a maximum of seventy-two quarters of interschool basketball, and one invitational tourney during any one season. - b. The games of the other tourney shall be included within the eighteen game limitation for the season's schedule.
- c. Teams or players participating in a tourney which extends into a second week shall not be permitted to enter a second tourney.

Rule 11. All basketball tourneys, other than the State Championship Tourney Series, shall be held prior to February 1 of each year.

Rule 11a. No inter-school basketball tourney which involves more than four schools, shall be held without the sanction of the IHSAA, except where all the schools are located in a single county.

Rule 12. "Donkey Basketball," "Skruball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball," "Skruball" or similar games, shall be subject to IHSAA eligibility rules the same as in regular basketball games.

Rule 13. All inter-school football games by players or teams shall be limited to the period beginning with the opening day of school on September 1 if school is not in session and ending November 30 of each calendar year. The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until the following November 30.

Note: It is assumed that any member school which participates in an inter-school football game under the above rule before the opening

day of school does so with the approval of the Board of School Trustees through the Superintendent of Schools.

Rule 14. All organized or formal football practices by players or teams shall be limited to the period beginning August 15 and ending November 30 of each school year.

Rule 15. Football practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff.

Rule 16. The maximum number of inter-school games for any team in football shall be ten and one jamboree.

- b. A team or player may participate in not to exceed two quarters in one football jamboree without such participation being charged as a game or quarters played.
- c. No team or player shall participate in a football jamboree later than the second calendar day prior to the first scheduled football game. Note: Effective 1959.
- d. A record of the quarters played in football by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

Note: A football jamboree is defined as a football contest in which four or more schools, divided into two groups, participate with the winner being determined on the basis of the total points scored by each group.

Rule 17. No inter-school contests shall be played prior to the opening of the school year in the fall. (Exception, see Rule 13.)

Rule 18. There shall be no inter-school athletic contests played, or practices held on Sunday.

Rule 19. No games shall be played with high schools of this state not belonging to this Association unless such high school is not a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 20. Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 21. A high school shall not be considered eligible to enter a sectional basketball tourney in the IHSAA in any year unless the team representing the high school has played eight (8) inter-scholastic games during that season, and before the Official Entry Blank for Tourneys is filed in the IHSAA office.

Rule 22. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the IHSA, unless under the supervision and auspices of the IHSA, by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the IHSA for such length of time as the IHSA Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of \$10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSA.

a. High school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSA is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager

of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSA. The purpose of the permit is to keep the Principal informed about his students.

NOTE: It is not considered a violation of present IHSA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSA rules except for such modifications as may be necessary.

f. The IHSA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. All organized or formal wrestling practice by students or teams shall be limited to the period beginning November first and ending with the date of the State Final Championship Wrestling Tourney each school year.

Rule 27. There shall be no scheduled meets or tourneys before November 22nd each school year.

A student or team may participate in the following: (1) Fourteen inter-school dual meets and one tournament in addition to the State Tournament series, or (2) twelve dual meets and two tournaments in addition to the State Tournament series. Note: An interschool wrestling meet which involves three or more schools shall be considered a tournament. A tournament shall count as one match for students.

Rule 29. In dual meets, during the weigh-in period each coach shall record the name of the student who is to wrestle in each weight classification. These students shall wrestle, unless, due to illness or other extenuating circumstances, they are unable to do so. Substitutions can be made only by mutual consent of the coaches. Penalty: Forfeiture of the match.

Rule 30. A student shall be considered as having engaged in a bout if he has officially weighed in, his name has been recorded in the official score book, and he has appeared on the mat in uniform, willing to wrestle.

Rule 31. Pupils in schools having modified membership in the IHSA may participate on the following bases:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a junior high school having modified membership may not compete on the team of a senior high school.

c. Schools with modified membership may participate in tourneys and meets in accordance with the regulations in Article II, Section 2 of the IHSAA Constitution.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in inter-school games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the IHSAA.

Rule 32. A ninth grade student who is enrolled in a junior high school without modified membership in the IHSAA, may compete on either the junior high school or the senior high school team, but not on both. Such junior high schools may have teams using pupils of the seventh, eighth and ninth grades, depending on organization of the school. These teams may compete with similar teams from other schools not having modified membership.

DIVISION IV GIRLS' ATHLETICS

Rule 1. Girls' athletics are bound by the rules and regulations of the IHSAA except for participation in Girls' Play Day programs.

Rule 3. Inter-school basketball games and tourneys are not recommended for girls.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tourneys.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship, out of season participation, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools concerned and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games.

DIVISION V ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "—a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required

for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school Principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any high school, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew. (See Enrollment Q. and A. 12-4.)

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other high school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Enrollment Q. and A. No. 6.)

Rule 4. The fact that a transfer has or has not been issued, or that the student pays or does not pay his tuition, has no bearing except when the omission of a transfer or payment of full tuition is done for the purpose of unduly influencing a student to enroll for athletic reasons. (See Undue Influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under IHSA rules in any contest with any other team, either within or without the State of Indiana.

Rule 7. Enrollment eligibility shall be limited to eight semesters with the understanding that a student who enrolls in the ninth grade for the first time at the beginning of semester two may choose either his first or ninth semester for enrollment eligibility. A mid-year student who participates in any sport during his first semester becomes ineligible for all sports during his ninth semester. Note: Not retroactive for midyear students enrolled prior to the 1956-57 school year.

Rule 8. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 9. Any student who has been enrolled more than fifteen (15) school days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter fifteen (15) or more school days between December 1 and March 1 for four times.

Rule 10. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 11. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter fifteen (15) or more school days between March 1 and June 1 for four times.

Rule 12. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 13. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with residence eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way. (This rule is primarily to enable seniors to remain in the school in which they enrolled and remain eligible to compete in athletics when it is impractical for them to move with their parents.)

In every instance when the parents of an underclassman move, the principal must inform the parents of the IHSAA rule and if the athlete remains in the school after his parents move from the school district, it shall be the duty of the principal to check before he is certified for athletic eligibility. The principal shall report the circumstances and reasons why he remained in the school district on the form (Form J) prepared for that purpose. This report shall be sent to the IHSAA Office and to the principal of the high school in the district to which the parents moved. A student is not eligible under this rule until his residence eligibility report has been reviewed by the IHSAA.

Rule 15. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each high school files a statement, with supporting evidence, with the Board of Control as proof that the change was necessary and that no undue influence was attached to the case in any way. If any action of a legal agency is to be submitted as evidence of unavoidable change of residence such action should be taken prior to the student's enrollment in the new school.

Rule 16. Change of residence as used in these rules shall mean a bona fide move about which there is no question. If the case is that of a change of residence of parents, the change shall be definite and complete.

Rule 17. A student who becomes ineligible under the rules of another state cannot remove that ineligibility by transferring to an Indiana high school. Note: Questions in a case of this kind are to be referred to the Board of Control.

D. Participation—

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same sea-

son, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 10, under "Enrollment.")

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

Rule 4. A high school student who participates for demonstration purposes, or otherwise, in a coaching school or clinic outside the State of Indiana becomes ineligible for inter-school athletics for a period of time as may be decided by the Board of Control.

E. Parents and Physicians' Certificates—

Rule 1. Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any inter-scholastic athletic contest by a physician licensed to practice medicine in Indiana.

Rule 2. Previous to the student's first inter-school participation, the principal shall certify to the IHSAA that the certificates required herein are on file in his office.

Rule 3. A student properly certified to participate in inter-scholastic athletic activities, who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury, must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a high school other than his home high school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a high school when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Rule 3. Students meeting requirements for graduation in three and one-half years in a high school with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the IHSA.

H. Age—

Rule 1. Students shall be ineligible for any (interschool) athletic competition upon reaching nineteen years of age; with the following exceptions: If the student's nineteenth birthday occurs on or after August 15, he is eligible for fall sports; if the nineteenth birthday occurs on or after November 1, he is eligible for winter sports; if the nineteenth birthday occurs on or after March 1, he is eligible for spring sports. (This rule is effective for all students who enroll in high school after May 23, 1959.)

Rule 1a. Students shall be ineligible for any interschool athletic competition upon reaching twenty years of age. (This rule is effective until August 15, 1963 for all students who have been enrolled in high school prior to May 23, 1959.)

I. Amateurism—

Rule 1. All contestants in the IHSA must be amateurs.

Rule 2. Professionalism is defined in the IHSA as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any high school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all inter-school high school sports.

Rule 3. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A high school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the IHSA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. High school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No high school student shall be eligible to participate in any inter-school contest under the rules of the IHSA. If it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended from membership in the IHSA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A high school student, who has violated his amateur standing according to the rules and by-laws of the IHSA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school Principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

J. Conduct—

Rule 1. Any student, whose conduct or character is such, in the judgment of his high school principal or the Board of Control, as to reflect discredit upon his high school or upon the IHSA, is not eligible.

K. Married Students—

Rule 1. Married students shall not be eligible for participation in inter-school athletic competition.

Rule 2. Students who have been divorced or whose marriages have been annulled are bound by the above rule.

L. Ineligibility.

Rule 1. In cases in which an ineligible student has been used, the high school principal shall be held responsible and take action as set out in the succeeding rules.

Rule 2. Inform the IHSAA office definitely by giving the name of the student, the cause of ineligibility, the list and scores of contests in which the pupil participated when ineligible, how the error was made and other particulars about the case.

Rule 3. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

DIVISION VI PRIZES AND AWARDS

Rule 1. The giving and receiving of awards and medals shall: (a) be kept within reasonable bounds; (b) have symbolic value only, and (c) be done by and with the consent and under the supervision of the high school principals concerned.

Note—The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even if the award is duly inscribed. An inscription cannot validate such awards in the IHSAA.

Rule 4. Schools belonging to athletic conferences, or participating in tournaments and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 5. Suitable awards may be given by such organizations as service clubs, patriotic organizations, civic groups, dads' and mothers' clubs, and the sports department of a newspaper or radio station. No

awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. High school athletes should be permitted to complete their high school careers without being molested by outside sources. The acceptance of travel expenses either directly or indirectly from a college as a prospective student-athlete shall be considered a violation of this rule.

Rule 8. Athletic equipment is considered as merchandise. Any student who attempts to evade the rule by "purchasing" a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Rule 9. Penalties for violations of the above rule will be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE IHSAA

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the Interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

A. High school students may play independent baseball or softball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. BASEBALL AND SOFTBALL

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism.")

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. High school students, who play on baseball teams other than their high school teams during the school year, make themselves ineligible for baseball in high school in that school year.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school principal on file in the principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school principal. See Note.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school principal in each case. See Note.

Note: Permission granted by a principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the principal informed about his students.

A. No, the game limitation requirement holds for teams.

* * * *

A. No, the wording of the rule and the spirit of the rule are clear and binding.

* * * *

13.

Q. Are vocational, agricultural and similar teams and players bound by the rules and regulations of the IHSAA?

Q. If contracts specify that first teams shall participate, can second teams be used?

A. No, it is recommended that contracts specify the ranking of the teams.

* * * *

A. First team ranking.

5.

Q. How may high school principals secure blank contracts for games and officials?

A. By writing to the Commissioner.

ENROLLMENT

(See Undue Influence Rule. It Takes Precedence.)

1.

Q. What is a five-year man?

A. Students who have been enrolled in high school for more than fifteen (15) school days between September 1 and December 1, or between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

* * * *

2.

Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?

A. No, enrollment rather than participation is the determining factor in such cases.

* * * *

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old

school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions under "Enrollment" Division V, IHSAA By-Laws.)

* * * *

6.

Q. When are students, who finish the work given in one high school, eligible in another high school?

A. Students finishing the work in a high school giving less than four years of high school work are just as eligible in a new high school as they were in the old high school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside that school corporation.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does this enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

58

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized Court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student usually attends high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there. A student not transferring who is an underclassman is not eligible until a "Residence Eligibility After Parents Move From District" form has been reviewed by the IHSAA.

3. A student who changes high schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a high school outside his home school district and subsequently returns to his home high school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made by the Board of Control.

6. If a student changes schools because of an action by a legal agency taken before the change is made, a copy of such legal action may be filed with the IHSAA in connection with proof that the change of schools was unavoidable.

59

7. A student, whose parents are separated or divorced and reside in separate school districts, may choose residence with either parent with residence eligibility. Once his place of residence has been determined, either by order of the court, or mutual agreement of the parents, he cannot change residence to the home of the other parent without losing eligibility for one calendar year.

8. A student who has been enrolled in Indiana Boys' School may return to his home high school with the same residence eligibility as when he left. Credits earned in the state school are considered the same as those earned in any other high school so far as eligibility is concerned.

9. It is the duty of the principal to check carefully the record of every student who transfers from another high school. The principal should also advise students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

10. No student who has transferred from another school is eligible until the principal has on file an IHSAA Athletic Transfer Certificate.

GAMES

1.

Q. What is considered a game of basketball?

A. A game of any kind in the IHSAA is an "inter" contest as distinguished from an "intra" contest. An "inter" scrimmage is a game.

* * * *

2.

Q. May a member school of the IHSAA schedule and play single games with teams and schools in Indiana not members of the IHSAA?

A. Yes, provided these teams and schools are not high schools eligible for membership and also provided the members of the IHSAA observe all of the rules of the IHSAA. There should be no high school students on the non-member teams, except high school teams not eligible for membership.

* * * *

3.

Q. What is the difference between a preliminary game and a regular game?

A. There is no difference as far as the IHSAA is concerned, as the same rules and regulations govern.

* * * *

4.

Q. If a "practice" game of basketball is played is it to be counted as one of the eighteen games on the regular schedule?

A. Inter-"practice" games are regular games and must be counted as such. Intra-"practice" games are not counted as regular games. In fact, there are no such things as practice games in the IHSAA. There are practice games within the school only.

5.

Q. Does the omission of an admission charge make any difference as to the designation of a contest as a game?

A. No, games are "inter"-contests or "inter"-scrimmages with or without admission charges.

* * * *

6.

Q. Is an alumni game considered a game?

A. Yes, such must be counted as one of the games permitted on the regular schedule.

* * * *

7.

Q. What is considered an "inter" game or an "inter-scrimmage?"

A. Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A "scrimmage" by students with or against teams or players not belonging to their high school is considered a game.

* * * *

8.

Q. What date marks the end of the football season?

A. November 30 of each year.

* * * *

9.

Q. May football practices be held any time during the school year?

A. No, organized or formal football practices must be limited to the period beginning August 15 and ending November 30 of each school year.

* * * *

10.

Q. May a member school of the IHSAA schedule and play single games with high schools of other states?

A. Yes, provided the high schools of these other states, if eligible for membership, are members in good standing in their state high school athletic associations. The principal is obligated to check this matter carefully.

* * * *

11.

Q. May practice periods in one high school be counted as such in another high school where a student changes high schools?

A. Yes, provided definite proof of the practice periods are on file from the principal of the school in which the practices were held.

* * * *

12.

Q. Must a boy, who has participated in football during the season, have ten days of organized practice in basketball before he is eligible to play in a game of basketball?

A. Yes.

A. Intra-mural game. * * * *

15.

Q. Is a game between the alumni and the high school students considered an intra-mural game or an inter-school game?

A. Inter-school game. * * * *

16.

Q. Are "Donkey Basketball," "Skruball" or other similar games considered basketball in the IHSAA?

A. Yes, and all IHSAA rules are binding. * * * *

17.

Q. May member schools participate in meets and tournaments, in Indiana or in other states, in which more than two schools are entered, if one or more of these schools are non-members of their own state high school athletic association?

A. No. * * * *

18.

Q. May students participate in inter-school contests after their school is closed?

A. Due to the great variation of time in which member schools close in the spring, (a) students may represent their schools in meets and tourneys sponsored by the IHSAA; (b) they may participate in scheduled contests where one of the two schools is still in session; (c) they may participate in a contest where both schools are closed, provided it was a regularly scheduled contest that was postponed because of weather conditions; and (d) graduating seniors may participate in contests according to the above conditions, even though they may have received their diplomas.

GIRLS' ATHLETICS INDIANA LEAGUE OF HIGH SCHOOL GIRLS' ATHLETIC ASSOCIATIONS

—Purpose—

Many girls in high school are interested in a more extensive program of physical education than can be provided in the regular physical education classes. This desire for a more extensive physical

education program has led many high schools to organize some type of girls' athletic association. In 1931 the Indiana League of High School Girls' Athletic Associations was formed, with the purpose of stimulating the co-curricular phase of the high school girls' physical education program. Membership in the League is open to any high school in the state of Indiana. The League has the endorsement of the Indiana High School Athletic Association and the Division of Health and Physical Education of the Indiana State Board of Health.

The State League offers much to both physical education teachers and students. It provides opportunities for sponsors and students to exchange ideas, share problems, receive encouragement, and engage in a variety of learning activities. The enthusiasm generated through the enjoyment of learning and doing things with people of like interests is one of the main reasons the League is steadily growing.

—Activities—

Each organization carries on its own program of varied activities for which points are given. The purpose of awarding points is to encourage regularity of attendance and to furnish a uniform basis for awards, if a school desires to use awards. The *Sponsor's Handbook* explains the suggested point system.

The State League sponsors activities on both a state and a district basis. Each spring the League, with the co-operation of a state college or university physical education department as host, sponsors a Wall Plaque Winners' playday. Attending this playday is perhaps as great an honor as winning the wall plaque, for here outstanding girls from all over Indiana come together for a day of fun and sport. Each fall the League sponsors a State Leadership Camp—training girls and inspiring both girls and sponsors to be better leaders in their organization, school, and community. District activities include dance days, playdays, basketball clinics, and weekend camps—usually two or three such activities each year.

"Sportingly Yours," published six times yearly, contains news of other G.A.A. groups, ideas, new materials, bulletin board materials, and professional articles. Both sponsors and students find it interesting and helpful. "Sportingly Yours," the official organ of the Indiana League, is edited by a high school G.A.A. and is published by the Indiana State Board of Health.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provisions made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships.)

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The high school Principal in any high school belonging to the IHSAA is considered the responsible party in athletics as far as the IHSAA is concerned.

3. The IHSAA considers it the duty and responsibility of the senior high school principal or principals to extend the rules and regulations of the IHSAA with such explanations as may be necessary to all principals in the school system having 9th grade students enrolled and whose schools do not belong to the IHSAA.

4. A high school student is one who carries at least 15 hours of regular high school work, provided such a student has been promoted to the high school in the regular way and according to good school procedure.

5. The IHSAA requests principals having 9th grade students enrolled to confer and co-operate with the senior high school principal

or principals regarding the participation of 9th grade students in inter-school athletics.

6. The IHSAA does not attempt to determine or classify junior high schools and senior high schools. The Association is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the IHSAA when participating in inter-school athletics.

8. A 9th grade student in a junior high school not holding modified membership, may participate on the junior high school team or on the senior high school team in a sport during the season, but he cannot participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the IHSAA.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The IHSAA has no jurisdiction over students below the 9th grade.

12. The IHSAA believes that 9th grade students belong in athletics to the schools, junior or senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc.

13. The IHSAA believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the junior high school rules and regulations in athletics required in the senior high school.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the junior high school or in the senior high school.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are permitted to enter tourneys and meets in accordance with rules provided for Modified Members. (See Article II, Section 2 of the Constitution.)

17. All IHSAA supplies and publications will be sent to junior high school principals upon request.

18. See modified membership regulations immediately following.

Junior and Senior High School Modified Membership Regulations

Modified membership may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

1.

Q. What type of school may hold a modified membership?

A. A high school offering and maintaining less than three years of high school work.

* * * *

2.

Q. Is it necessary for a junior-senior high school, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?

A. No, full membership meets the requirements.

* * * *

3.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?

A. No, schools holding modified or full memberships are required to use students in the 9th and 10th grades.

* * * *

4.

Q. May schools holding modified memberships compete with high schools who do not hold membership in the IHSAA?

A. No, permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

66

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No, these students are not eligible for any teams in high schools holding any type of membership in the IHSAA.

* * * *

6.

Q. May a 9th grade student, who is enrolled in a junior high school participate on the senior high school team?

A. No, if the junior high school holds a modified membership. Yes, if the junior high school does not hold a modified membership.

MISCELLANEOUS

A. The IHSAA has no ruling in regard to this matter, but recommends that mid-week games not be scheduled or played except in emergencies.

* * * *

2.

Q. May schools hold or sanction Sunday practices?

A. No. (See Division III, IHSAA By-Laws.)

* * * *

A. No, ineligibility for one team means the same for all teams.

* * * *

4.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes, this one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in interscholastic athletics.

* * * *

5.

Q. Does the IHSAA stipulate any price for tickets to other than tourneys and meets held strictly under the supervision of the Board of Control?

A. No, other than a recommendation that reasonable prices be made at all times for all games.

* * * *

6.

Q. Is a student, who is expelled from high school one semester, eligible for the following semester?

A. The IHSAA has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the IHSAA are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.

* * * *

7.

Q. May a high school support a grade team in the same school system out of its athletic funds?

A. Yes, so far as the IHSAA is concerned.

* * * *

11.

Q. Does wrestling come under the rules of the IHSAA?

A. Yes, all "inter" athletic participation comes under the IHSAA.

68

12.

Q. May high schools belonging to the IHSAA take part in track meets or tourney games outside of Indiana?

A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the high schools belonging to the IHSAA must be held under the direct supervision, management and auspices of the member high schools concerned, or under the IHSAA. Interstate basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the IHSAA are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The IHSAA believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance fails.

* * * *

14.

Q. What is considered the school year?

A. A school year covers all time from the first day to the last day of the school year, including vacations. The IHSAA considers the first day of school to be the day that attendance is counted and teachers are paid.

12. Any inducement to get parents or students to change residence for athletic reasons.

* * * *

29.

Q. Why should a school be penalized because some person outside of school uses undue influence?

A. Usually a school is not penalized unless it is involved or uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence: **An athlete that has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.**

71

30.

Q. Is it the duty of the IHSAA to prove that undue influence has been used?

A. No, the high school principal has agreed to conduct his athletic activities according to the rules and regulations of the IHSAA. * * * *

31.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?

A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

* * * *

32.

Q. What steps should be taken in ineligibility cases?

A. In cases in which an ineligible student has been used in interschool athletics the following steps should be taken immediately by the high school principal:

1. Inform the IHSAA office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The IHSAA should be informed as to how the error was made.

2. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these principals to notify the IHSAA office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

* * * *

33.

Q. What is considered the first day of school?

A. The first day of school is the first day on which attendance is counted and teachers are paid.

72

34.

Q. Do seniors have any rights and privileges in athletics not granted to other students?

A. No, in fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the IHSAA in which their high school holds membership.

* * * *

35.

Q. What constitutes a regularly employed teacher in the IHSAA?

A. The Board of Control has ruled that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full time service, as a teacher on a full time contract and regularly paid out of school funds. Specific questions require specific answers.

* * * *

A. Yes.

* * * *

* * * *

2.

Q. What is considered participation in a sport for a season?

A. Playing in a part of one game or contest in a sport constitutes participation in that sport for that season. (See exception, Division V, under "Enrollment.")

73

3.

Q. May member schools play against College, Y. M. C. A. and independent teams?

A. Yes, in single games, but not in tourneys, meets and leagues. In single games the member schools must obey all of the rules of the IHSAA and there must not be any high school students on the opposing teams.

* * * *

4.

Q. May a student who plays on an independent team be permitted to participate in intra-mural athletics?

A. Yes. IHSAA rules and regulations govern inter-school athletics only.

3. All prizes and awards should be limited in number and confined to those reasonable in price and having symbolic value only. Cash or merchandise prizes or awards are not permitted. Awards or prizes of any kind which may be construed as advertising for any individual or firm are not permitted.

4. Purposes should be critically studied so that commercial interests, proselyting interests and interests foreign to good school procedure may be eliminated.

5. Principals shall be expected to know and to execute the rules, regulations and policies to the best of their ability according to their wording and spirit since the giving and receiving of awards shall be done by and with the consent and under the supervision of the principal in each high school.

6. No awards should be made by a "secret committee" of any outside organization, without the knowledge and consent of the high school principal as to the recipient.

A. Accepting remuneration, directly or indirectly, for playing on athletic teams, officiating in athletic games or managing athletic teams, or playing, officiating or managing under assumed names. 75

3.

Q. Does a student become ineligible in all sports, if he plays on a team other than the high school team in one sport?

A. No, a student becomes ineligible only in the sport in which he participates as a member of a team other than the high school team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing basketball out of season makes a student ineligible for all sports until January 1 of the following year. Playing football out of season makes the student ineligible for all sports until the following November 30.

* * * *

4.

Q. Are high school students permitted to play on teams that split the gate receipts among the players including the high school students?

A. No, this would be considered professionalism.

A. Yes, a high school student, who has violated his amateur standing according to the rules and regulations of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

8.

Q. Should amateurism be defined by the IHSAA for its specific purposes or should the definitions of other organizations be accepted in the association?

A. Amateurism should be defined by the IHSAA for IHSAA purposes. There is no definition of amateurism acceptable to all organizations.

RESPONSIBILITY

1.

Q. Who is the responsible party in IHSAA athletics?

A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the principal of each high school voluntarily taking out a high school membership in the IHSAA has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the IHSAA membership the conditions are found to be such that the high school principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the high school principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. The proof that the high school principal is the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school shall rest in all cases with the school officials concerned.

* * * *

* * * *

3.

Q. Who may manage a high school team?

A. A high school principal or teacher authorized by him. Student management is not permitted.

SCHOLARSHIP

1.

Q. May back work be made up and counted toward eligibility?

A. Yes. Back work cannot be made up, however, during a grading period or semester for eligibility during that grading period or semester. Special privileges should not be granted to athletes. (See Summer School Work.)

* * * *

2.

Q. Would a student, declared ineligible by one principal, be ineligible under another principal?

A. Yes, if the student is ineligible according to the rules of the IHSAA. The IHSAA has no jurisdiction unless its rules are violated.

* * * *

3.

Q. May a student, who receives his high school diploma, be eligible afterwards?

A. No, the granting and acceptance of a high school diploma makes a high school graduate. (See exception under "Games" Question and Answer No. 18.)

* * * *

6.

Q. Who is a post-graduate?

A. A post-graduate is a student who has finished his high school work and has received his high school diploma. 78

7.

Q. To determine eligibility, what constitutes the last semester?

A. The last semester for any student is the last semester in which the student was enrolled in any high school for any length of time after the first fifteen (15) school days.

* * * *

8.

Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in three regular high school subjects for this period?

A. In order to be eligible at the end of any grading period in a semester, a student must have passed in three regular high school subjects for the current grading period and his average grade in each of three regular high school subjects for all of the grading periods in that semester must be passing. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

* * * *

9.

Q. Is a "condition" or an "incomplete" considered a "pass" in the IHSAA?

* * * *

14.

Q. What constitutes scholarship eligibility?

A. In order to be eligible for a current semester a student must have passed in three regular high school subjects in his last semester of enrollment in any high school and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

* * * *

15.

Q. Are any special regulations in force pertaining to discharged veterans?

A. By action of the Athletic Council, May 23, 1947, all IHSA special regulations concerning discharged veterans were discontinued.

* * * *

16.

Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?

A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school are not passing in their school work.

* * * *

17.

Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?

A. Yes.

The Commissioner was directed to issue a duplicate in the amount of \$125.00 to Tennyson High School.

BRIDGETON HIGH SCHOOL

The Trustee of Racoon Township (Parke County) had announced that Bridgeton High School would be discontinued beginning with the present school year and that students would be transferred to other high schools. The Trustee's action in closing Bridgeton High School is now being contested in the court. A number of students have enrolled in other schools on transfer. The IHSAA had been asked about the residence eligibility of former Bridgeton High School students now enrolled in other schools without a change of residence. Action concerning this matter was postponed pending further information on the Bridgeton situation.

NORTH VERNON-GREENSBURG GAME

Three officials who worked the North Vernon-Greensburg football game at Greensburg, September 9, 1960, had reported unsportsmanlike conduct of a serious nature. The reports were very critical of the North Vernon coach for his conduct during the game. The Commissioner was directed to request the principals and head football coaches of the two schools to appear before the Board of Control at the next scheduled meeting, October 6, 1960.

CARLISLE-HADDON HIGH SCHOOL—LONNIE JONES

This student is from a broken home. During the 1959-60 school year Lonnie resided with his mother and attended Oaktown High

School. This year he is with his father and is enrolled in Carlisle-Haddon High School.

Decision—Larry Reading is considered eligible as to residence at Hartford City High School.

WINAMAC HIGH SCHOOL—DON HOLMES

This boy's father died in 1956. Since that time his stepmother has provided a home for Don in Monticello, where he has been enrolled in high school the past two years. This year he is living in the home of a farmer in the Monroe-Winamac District and is enrolled in Winamac High School. Principal Harry Cords requested a ruling on Don's residence eligibility under the unavoidable change of residence rule.

Investigation at Monticello revealed that: (1) Don's former home still exists in Monticello. (2) His conduct was such that the stepmother appealed to relatives to assist her in disciplining the boy. (3) Failing to correct the situation, the relatives found a home for Don near Winamac.

Decision—It is the unanimous opinion of the Board of Control that this boy's change of residence to Winamac was the result of his own misconduct and not because he no longer had a home available at Monticello.

Don Holmes, therefore, is considered ineligible as to residence for one calendar year, beginning on the date of enrollment at Winamac.

The Board of Control adjourned to meet again in Indianapolis on October 6, at 9:30 a.m.

Decision—David Poling is considered ineligible as to residence at Cross Plains High School for one calendar year, beginning on the date he enrolled there this semester.

HAMMOND TECHNICAL HIGH SCHOOL—JORGE ORTEGON

A question had arisen regarding this student's date of birth. On the basis of a birth certificate filed by Director H. H. A. North Vernon and Greensburg Football Game

Officials of the Greensburg-North Vernon football game, played at Greensburg, September 9, 1960, filed detailed reports on the unsportsmanlike conduct in connection with the game. They were especially critical of the conduct of Coach Terry Holthouser of North Vernon. It was also reported that football Coach Richard Revalee of Greensburg had failed to keep his players under proper control. Principal M. L. Livingston and Coach Holthouser appeared before the Board for North Vernon, along with Assistant Superintendent M. L. Hedge and Coach Revalee for Greensburg. The two coaches admitted their indiscretions as reported by the officials.

Both coaches were directed to write apologies to all three officials, with copies to their principals for filing with the IHSAA Office. It was also understood that the principals were to report immediately to the IHSAA any unsportsmanlike conduct of their coaches in the future.

B. Marion-Huntington Freshman Football Game

Officials of the Marion-Huntington freshman football game at Huntington, September 16, 1960, reported that Marion Coach Ray Farley was guilty of unsportsmanlike conduct including the use of profanity in addressing the officials. Principal John M. Hougland (Marion) reported that he had reprimanded Coach Farley. He also filed with the IHSAA a copy of an apology Coach Farley had written the officials.

Principal Hougland was directed to report to the IHSAA immediately any further unsportsmanlike conduct on the part of Coach Farley.

C. Richland (Luce Twp.)-Owensville Football Game

Officials of the Owensville-Richland (Luce Township) football game played at Owensville, September 9, 1960, reported that Coach Charles Harbison and players of Richland had acted in an unsportsmanlike manner including the use of profanity during the contest. Principal Robert Harris of Richland reported that he

had reprimanded Coach Harbison and the players and that he believed there would be no repetition of the conduct that had occurred in the game with Owensville.

Coach Harbison was directed to write a written apology to each of the game officials and to file copies with Principal Harris for transmission to the IHSAA Office. Principal Harris was directed to report immediately to the IHSAA any further unsportsmanlike conduct of Richland's coach or players.

DAYTON HIGH SCHOOL—JACK ROBERTS

John Mikels, umpire in a baseball game between Dayton and Battle Ground, September 19, 1960, reported that he had been addressed by Jack Roberts of the Dayton team in very unsportsmanlike language for which the player was ejected from the game. The boy declined to apologize at the time, but later sent Umpire Mikels a written apology with a copy to the IHSAA.

Decision—Jack Roberts is placed on probation in the IHSAA during the remainder of the 1960-61 school year. Principal David E. Thayer is directed to report immediately to the IHSAA any further unsportsmanlike conduct on the part of Jack Roberts. Failure on the part of the principal to make such a report may result in a penalty being assessed against Dayton High School.

BRIDGETON HIGH SCHOOL—DISCONTINUED

Beginning with the 1960-61 school year, Bridgeton High School was discontinued by the Township Trustee and students were transferred to Brazil, Rockville, Rosedale, and Van Buren (Clay County) High Schools. An action was filed in the Parke County Circuit Court that had for its purpose the setting aside of the Trustee's action thereby resulting in the continuance of Bridgeton High School. The principals of the four schools where former Bridgeton students had been transferred asked about their athletic eligibility. Action was deferred until the Court made a final decision.

On September 27, 1960, Parke County Superintendent of Schools, J. W. Conlin, reported to the IHSAA that the Court had upheld the Trustee in his action closing Bridgeton High School.

Decision—The Board of Control ruled that the students enrolled in Bridgeton during the 1959-60 school year may be considered eligible as to residence immediately in the schools to which they transferred, provided of course they were eligible when Bridgeton High School closed.

During the entire time Jack has been in high school his parents have resided in Center Township and there has been no change of residence from one school corporation to the other on the part of his parents.

WRESTLING MEETS

Consideration was given to the selection of IHSAA sectional wrestling sites. Final action was postponed until a later meeting.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, November 9, 1960

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

SEYMOUR-CLEARSPRING HIGH SCHOOL—HOWARD STEWART

On October 22, 1958, the Board of Control approved an agreement with Seymour High School to the effect that for a period of three years Seymour High School would not use a transfer student in athletics until his residence eligibility had been cleared through the IHSAA Office. Principal Joseph N. Cull had been following the terms of this agreement.

Prior to the opening of the present school year Howard Stewart, who had attended Clearspring High School last year, and his mother moved to Seymour. Howard enrolled at Seymour and went out for football before his residence eligibility was cleared with the IHSAA. He participated briefly in a game with North Vernon, won by Seymour, 39-0. When Principal Cull discovered his error he immediately forfeited the game to North Vernon and ruled Howard ineligible at Seymour because Seymour had neglected to comply with the special agreement with the IHSAA in a case of this kind.

Howard and his mother have now moved back to Clearspring where he again enrolled in high school. No undue influence has been charged by anyone connected with the case.

Principal Charles R. West of Clearspring had requested a clarification of Howard's residence eligibility status at Clearspring.

Decision—After giving careful consideration to statements filed by the principals of the two schools concerned it is the unanimous decision of the Board of Control that the failure of Principal Cull to comply with Seymour's special agreement with the IHSAA should not apply to Howard Stewart now that he is enrolled in another school. Principal Cull is warned to comply strictly with the agreement in the future. He is also to direct his coaches not to have players on the bench in uniform whose eligibility has not been cleared through the principal.

IHSAA CHAMPIONSHIP WRESTLING MEETS

1961 CHAMPIONSHIP BASKETBALL TOURNEY SERIES

Invitations for the 1961 sectional basketball tourney sites were checked along with recommendations filed by a number of principals. Careful consideration was given to sites where two or more invitations had been received. Except for those sites where additional information is needed, tentative selections were made with the understanding the entire list will be reviewed at a later date.

IHSAA STATE SWIMMING MEETS

Approval was given for standards of performance required of contestants in order to be eligible to enter the State Swimming Meet with the understanding that these standards will be published in the December Bulletin.

LOGANSPOUT HIGH SCHOOL—COACH HARVEY ROBERTS

The Commissioner reported that Harvey Roberts had filed a copy of his apology for unsportsmanlike remarks made to official Allan Stanley (Westfield) at a football game between Logansport and Rensselaer, September 16, 1960.

LEXINGTON—DEPUTY HIGH SCHOOL

With less than six minutes remaining in a basketball game, November 1, 1960, between Lexington and Deputy, Coach William Blagrave of Lexington chose to take his team from the floor and forfeit the game because he said he had only four eligible players left on his team.

Decision—In removing his team from the floor before the end of the contest, Coach Blagrave committed two violations as follows:

(a) Rule 3, Section 1 of the Official Basketball Rules says:

"A team must start with five players, but if it has no substitutes to replace disqualified players it must continue with less than five."

(b) IHSAA Division III, Rule 20 says:

"Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA."

Lexington High School is warned that further violation of either of the above rules will be considered cause for suspension of the school from the IHSAA for a period not to exceed one year.

LAPORTE HIGH SCHOOL

Principal John Miller and reserve football Coach Ken Schreiber were requested to appear before the Board of Control, November 19, 1960, in connection with charges of unsportsmanlike conduct at the LaPorte-South Bend Riley reserve football game, played at Riley, October 26, 1960.

The Board of Control adjourned to meet again at 9:00 a.m. November 19, in the Memorial Building, Purdue University, Lafayette, Room 209.

IHSAA BOARD OF CONTROL MEETING

West Lafayette, Indiana, November 19, 1960

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner, Commissioner L. V. Phillips, and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

IHSAA FINANCES

The Commissioner reported that a Treasury Bill (maturity value, \$5,000.00) was sold and the proceeds deposited in the IHSAA checking account to cover current expenses. The amount deposited was \$4,951.56.

LAPORTE HIGH SCHOOL

Principal John R. Miller and Freshman Football Coach Kenneth Schreiber appeared before the Board of Control in connection with

a charge of unsportsmanlike conduct on the part of Coach Schreiber toward Referee Richard P. Morrison in the LaPorte-South Bend Riley Freshman football game, played at South Bend, October 26, 1960. Previous to the meeting Coach Schreiber had apologized in writing to Referee Morrison and South Bend Riley school officials.

Referee Morrison had charged that the obnoxious tactics of Coach Schreiber had been reflected among the players on the field. With a few minutes remaining in the fourth quarter, referee Morrison forfeited the game to South Bend Riley.

Coach Schreiber admitted that he had been in error and that such unsportsmanlike conduct would not be repeated. Principal Miller assured the Board of Control that unsportsmanlike conduct on the part of Coach Schreiber or any other member of the LaPorte coaching staff would not be tolerated.

Coach Schreiber complained that Referee Morrison was not dressed in proper attire on the field. The Commissioner was directed to inform Referee Morrison that he is to appear in regulation attire when officiating for IHSAA member schools.

ORLAND—BRIGHTON HIGH SCHOOLS

During the fourth quarter of a basketball game between Orland and Brighton, November 4, 1960, there was a discrepancy between the official scorebook and the scoreboard. Time was called so that Referees Ronald Hosinski and Len Buczkowski could check the score. The officials charged that Principal George Dietrich of Orland stationed himself behind the scorers' bench, where he engaged in unwarranted and prolonged interference with the work of the officials in checking the score. Referee Hosinski stated that Principal Dietrich's interruptions delayed the game twenty minutes.

In the information filed on this case there was some indications of a lack of proper cooperation between the home and visiting scorers in keeping check on the score.

Decision—

1. Principal George Dietrich of Orland is warned that any undue interference on his part with the officials will jeopardize the standing of his school in the IHSAA.

2. Principal Dietrich of Orland and Principal R. L. Kraning of Brighton are directed to have their bench officials thoroughly familiarize themselves with the scorers and timers manual, as published in the Official Basketball Rules for 1960-61.

SHIPSHEWANA-SCOTT—ROME CITY HIGH SCHOOLS

A basketball game between Shipshewana-Scott and Rome City High Schools, November 10, 1960, at Shipshewana, ended with the score 65-59 in favor of Rome City. The game was officiated by Frank J. Hoagburg and Louis M. Roach, both of Fort Wayne. Principal Lynn Brown and Coach Harold Coffman of Shipshewana appeared before the Board of Control in connection with unsportsmanlike conduct toward the referees.

The referees reported the following: (a) With about four minutes remaining, Coach Coffman came on the floor to protest a decision, for which he received a technical foul. (b) Fans threw debris on the floor. (c) At the end of the game fans came on the floor using

abusive language. (d) Referee Hoagburg was shoved against the wall. (e) School officials cleared way for referees to get to their dressing room. (f) Referees requested police escort to their car which was provided by a State Trooper and local constable. (g) Fans followed referees and attempted to force their car off the highway. (h) At Ligonier an attempt was made to block the line of traffic for referees' car, which could have caused a serious accident. (i) Referees stopped at the Ligonier State Police Post for a period of time and proceeded without further incident.

Coach Coffman admitted his error in going on the floor. He also said he thought the officials were letting the game get out of hand. The officials said the game was under control at all times. Principal Brown told the Board of Control that measures had been taken to assure good sportsmanship in the future.

Decision—

1. Shipshewana-Scott High School is placed on probation for one calendar year, ending, November 19, 1961.

2. Coach Harold Coffman is emphatically reminded that IHSAA rules provide that officials are to be mutually agreed upon prior to the contest and that their decisions shall be considered final and binding. A coach who goes on the floor to protest and argue decisions definitely places his school's membership in jeopardy in the IHSAA. Coach Coffman is further reminded that it is the coach's responsibility to keep players from getting out of hand on the floor. A player who is out of hand should be immediately removed by the coach.

3. Principal Brown is directed to inform his fans that mistreatment of referees will not be tolerated. Wherever it is found that a member will not or cannot provide protection for the game officials, the Board of Control will not hesitate to invoke suspension as the penalty.

WHITE'S SCHOOL—LAGRO

Principal Lawrence Wade reported that James Coyne (White's), who had participated in three quarters of the "B" game, was inadvertently used two quarters in the "A" game played with Lagro on November 16, 1960. The score of the "A" game was White's 85-Lagro 44. Principal Wade forfeited the game to Lagro.

Principal Wade was directed by the Board of Control to follow the recommendation of the IHSAA Athletic Council that players who have participated in four quarters not be permitted to be on the bench in uniform.

BASKETBALL TOURNEYS

The Board continued work on the details for the 1961 state championship basketball tourney series. Tentative approval was given to the location of tourney sites and numerous other details in connection with the conduct of the basketball tourney series. It was understood that final approval would be given at the next meeting for all basketball tourney information to be published in the January Bulletin.

The Commissioner's office was authorized to hire the necessary extra help to conduct the state tournament.

The Board of Control adjourned to meet again in Indianapolis, on December 10, at 9:30 a.m., in the IHSAA Office.

The Board of Control adjourned to meet again on January 14 and 15, 1961, at 9:30 a.m. in the IHSAA Office.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 14 and 15, 1961

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner, Commissioner L. V. Phillips, and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

HAMMOND BISHOP NOLL HIGH SCHOOL—RONALD HIGGINS

Ronald Higgins was ruled ineligible as to residence, December 10, 1960, by the Board of Control. Reverend A. Zimmerman, Principal of Bishop Noll had requested that the case be reviewed by the Board of Control.

Decision—After giving careful consideration to all information on file concerning this case, the Board unanimously voted to make no change in the previous decision.

MICHIGAN CITY ELSTON SENIOR HIGH SCHOOL— BERNARD HOOVER

This student resided with his parents, Staff Sgt. and Mrs. Claire Hoover, in Denver, Colorado, where he was enrolled in high school. Bernard withdrew from school in Denver and enrolled, November 30, 1960, at Elston Senior High School, at Michigan City, Indiana. There was no change of residence on the part of either parent.

Decision—When Bernard Hoover transferred from Denver to Elston Senior High School, Michigan City, Indiana, he automatically made himself ineligible for a period of one calendar year beginning, November 30, 1960.

FINANCES

In order to maintain an adequate balance to meet the Association's current expenses, the Commissioner reported a U. S. Treasury Bill, maturity value \$10,000.00, had been sold. The proceeds, \$9,956.06, were deposited in the IHSAA's checking account at the American Fletcher National Bank.

NATIONAL FEDERATION MEETING, CHICAGO, ILL.

January 2-5, 1961

Assistant Commissioner Robert S. Hinshaw reported on the changes made at the Annual Meeting of the National Alliance Football Rules Committee. Commissioner L. V. Phillips reported on the meeting held by the executives of state high school athletic associations.

NATIONAL FEDERATION ANNUAL MEETING

The Commissioner reported that the 1961 Annual Meeting of the National Federation of State High School Athletic Associations will be held at the French Lick-Sheraton Hotel, French Lick, Indiana, July 2 to 6.

Formerly it was customary for the host state to pay part of the expenses in connection with holding this convention; however, at the 1960 convention it was voted that the National Federation would charge a registration fee for those in attendance. This money is to be used to finance the convention. The cost to the IHSAA will be limited to whatever Indiana wishes to contribute to the convention in the way of entertainment. It is understood that this will be considered at a later meeting.

BASKETBALL TOURNEYS

1. The Board selected a tentative list of officials to be used in the tourney series, and Articles of Agreement are to be mailed by the Commissioner to the list of officials.

2. The Board approved the plan used last year in which the IHSAA cooperated with the Indiana Broadcasters' Association in the allotment of space to the various stations in the state for broadcasting the final tourney.

3. The Commissioner was authorized to handle complimentary tickets under the same general plan as used in previous years.

4. The Board voted to continue the same amount of liability and compensation insurance that has been in effect for the past several

years. The maximum coverage under this policy is \$250,000.00 each person and \$500,000.00 each accident with \$5,000.00 property damage.

5. The Commissioner was authorized to confer with the center principal at each tourney site where television stations are located to determine amount of guarantee to be posted for television rights. It is understood that only the championship game of the sectional, regional and semi-state and all games of the final tourney will be available for television.

6. The Board approved filming the games of the 1961 final state basketball tournament provided satisfactory arrangements can be made by the IHSAA Office for the photography.

7. It was agreed that the plan used in 1960 for the pairings and release of the schedules to the press would be used again this year. The pairings are to begin at 7:00 a.m. CST (8:00 a.m., Indianapolis Time), February 15, 1961, with immediate release to the Indianapolis News, Times and Star and the Associated Press and United Press International.

BLOCK DRAWINGS FOR FINAL TOURNEY TICKETS

The drawings for blocks of seats at the State Final Tourney for the four schools in the tourney and the twelve other semi-state schools were made, with the following results:

Final Tourney Schools:

School No. 1 drew Block No. 1	School No. 3 drew Block No. 2
School No. 2 drew Block No. 4	School No. 4 drew Block No. 3

Semi-State Tourney Schools:

School No. 1 drew Block No. 3	School No. 7 drew Block No. 2
School No. 2 drew Block No. 4	School No. 8 drew Block No. 8
School No. 3 drew Block No. 7	School No. 9 drew Block No. 12
School No. 4 drew Block No. 10	School No. 10 drew Block No. 5
School No. 5 drew Block No. 9	School No. 11 drew Block No. 1
School No. 6 drew Block No. 6	School No. 12 drew Block No. 11

The names of the schools will be arranged alphabetically by cities as soon as they are known, then numbered in this order—and the plan automatically operates.

DELAYED TELECASTS OF IHSAA BASKETBALL TOURNEYS

A request from an Indianapolis television station to tape the last half of each of the four semi-state final games, March 11, 1961, to be used in a delayed telecast program of more than an hour in length, was not approved. This action does not prevent the use of brief "highlights" of a few minutes in length on televised reports of any of the tourneys.

PORTER COUNTY SECTIONAL SITE

The Porter County Principals' Association, which had recommended that the 1961 sectional tournament be located at Valparaiso, had requested the Board of Control to give reasons for assigning the tournament to Chesterton High School. The Board outlined its reasons and

directed the Commissioner to send the Board's reply to all members of the Porter County Principals' Association.

The Board of Control adjourned to meet again in Indianapolis, February 2, at 9:30 a.m.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 2, 1961

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

ALL STAR CONTESTS

On January 11, 1961, the National Collegiate Athletic Association passed the following rule with reference to certain all-star contests, which reads in part as follows:

"He shall be denied his first year of varsity athletic competition if, following his graduation from high school and before his enrollment in college, he was a member of a squad which engaged in any all-star football or basketball contest which was not specifically approved by the appropriate state high school athletic association or, if interstate, by the National Federation of State High School Athletic Associations or all of the state high school athletic associations involved."

After giving careful consideration to the above NCAA rule, the Board of Control directed the Commissioner to send anyone requesting sanction of an all-star contest copies of the IHSAA Constitution, Rules and By-laws and policies pertaining to such contests.

TRACK AND GOLF MEETS

The IHSAA Office was authorized to proceed with preliminary plans for holding the 1961 state championship series in track and golf.

WHITING HIGH SCHOOL—RONALD VRABEL AND DREW THOMAS

Ronald Vrabel lived with his parents at a Whiting postal address, which is located in the Hammond Clark District. He completed the eighth grade at St. John's parochial school in June, 1959. In September, 1959, he enrolled in Whiting High School at which time he gave his address as that of his brother in Whiting. He has participated in basketball at Whiting.

Drew Thomas lived with his mother at a Whiting postal address located in the Hammond Clark District. He completed the eighth grade at St. John's parochial school in June, 1960. In September, 1960, he enrolled in Whiting High School at which time he gave his address as that of his grandfather in Whiting. He has participated in basketball.

When Principal Ray P. Gallivan discovered that these two boys had enrolled as ninth grade students at Whiting without a change of residence on the part of the parents he requested a ruling on their residence eligibility.

Decision—If there was no undue influence used in any way, Ronald Vrabel and Drew Thomas did not violate the change of residence rule because neither student had previously enrolled in the ninth grade of any other high school. In the event any member school files a charge of undue influence, it will become the duty of Principal Gallivan to defend his school against such a charge.

WILLIAM BUCHANAN (HOLTON)—CERTIFIED IHSAA OFFICIAL

William Buchanan, an IHSAA Certified official in basketball and baseball, attended the Ripley County tourney as a spectator. In a letter to the IHSAA dated January 14, 1961, Mr. Buchanan was very critical of the officiating in one game of the tourney. He also said that if the IHSAA wanted such officiating he as a certified official wanted no part of this organization (IHSAA). One official reported that Mr. Buchanan's remarks became so intense and direct that he considered having him ejected from the gymnasium.

In view of Mr. Buchanan's expressed attitude toward his fellow officials and the IHSAA, the Board of Control strongly suggests that he not make application to renew his officiating card for the 1961-62 season.

BASKETBALL TOURNEYS

1. The Board reviewed work done at previous meetings on tourney officials. Tentative approval was given to a list of officials to be assigned for work in the eighty-five tourneys from the sectionals to the final tourney. It was understood that changes may be made prior to the drawing of the schedules, February 15, 1961.

2. It was decided to present the "Star Spangled Banner" by trumpet at the final tourney.

3. The Board of Control specified the manner in which tourney officials should dress. It is understood that all tourney officials will be notified as to proper dress at the time they receive their assignment.

4. Mr. Dave Fox of Fox and Fox appeared before the Board to deliver policies to cover workmen's compensation, liability and property damage as approved by the Board of Control at the meeting on January 14.

The Board of Control adjourned to meet again in the IHSAA Office, February 14, at 2:30 p.m.

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

IHSAA FINANCES

The Commissioner's office was authorized to invest surplus funds received from the tourneys in United States Government securities

with the understanding that the Commissioner will report to the Board of Control on these investments at the next meeting.

BASKETBALL TOURNEYS

1. It was agreed that the liability insurance policy, delivered by Fox and Fox (Indianapolis), February 2, 1961, be exchanged for a comprehensive policy which would provide additional coverage as follows: (a) automobile non-ownership and hired car liability, (b) general liability exposures which might arise and (c) products liability.

2. All 688 entry blanks, having been filed on time, complete in every detail, were accepted.

3. Final approval was given to the list of officials selected to work the tourneys.

4. In the presentation of trophies and awards for the state tournament, it was decided to follow the same plan as has been in effect for several years. The President will award the championship trophy and the presentation of the other awards is to be determined by lot among the other Board Members.

5. It was decided that the selection of the Trester Award Winner would be made according to the same plan as used in previous years. This includes ratings of players by the principals and coaches and observations by Board members both at the semi-state and state tourney.

6. The Commissioner was authorized to employ help to conduct the state tourney.

7. The schedules for the sectional, regional, semi-state and state tourneys were drawn by the Board of Control in the presence of representatives of the Indianapolis News and Times and the Associated Press and United Press International. A representative of the Indianapolis Star was detained because of car trouble. Immediately after the first schedule was drawn, the office staff started typing and checking copies for the press. These copies were made available to the news media for immediate release.

UNSPORTSMANLIKE CONDUCT

The Commissioner presented reports on unsportsmanlike conduct after basketball games at Camden and Greenfield. No action was taken in either case because the Board felt that satisfactory action had been taken by local school officials.

INDIANA SECONDARY SCHOOL PRINCIPALS

A committee from the Indiana Association of Junior and Senior High School Principals had requested a meeting with the Board to discuss problems in connection with non-athletic activities. The Commissioner was directed to arrange for such a meeting at an early date.

The Board of Control adjourned to meet again, March 17, 1961, at 2:30 p.m. in the IHSAA Office.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, March 17 and 18, 1961

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

UNSPORTSMANLIKE CONDUCT

Consideration was given to reports of unsportsmanlike conduct involving five different schools in various parts of the state. The Commissioner reported that his investigations indicated that each school was taking action on its own initiative. It was decided no additional action would be taken in these cases.

OUT-OF-SEASON WRESTLING

In response to questions as to what penalty should be applied to a student who participated in independent wrestling meets during the school year, it was unanimously decided that the penalty should be ineligibility for participation on the high school wrestling team for the remainder of the school year.

OFFICIALS FAILURE TO FULFILL CONTRACTS

Principal Edson C. Catt of Monroe City High School reported that Keith A. Combs and William E. Combs, both of Evansville, had contracted to work a basketball game at Monroe City, February 17, 1961. They failed to report, but instead worked a game at Bedford and sent two substitutes to Monroe City. Principal Catt was not contacted in regard to the change. The Combs later sent an apology to Principal Catt.

Decision—Referees Keith A. Combs and William E. Combs are placed on probation for one calendar year beginning March 17, 1961. It is also understood that breaking a contract in the future by either or both of these officials, without mutual consent of the contracting parties, will result in their suspension from the IHSAA for a period of one calendar year.

HAMMOND HIGH SCHOOL—GEORGE VAN HASSELT

This boy formerly attended Marshall Harlan High School in Chicago, Illinois. He resided with friends because his mother was deceased and his father's whereabouts unknown. Recently an uncle, who lives in the Hammond High district, provided a home for George. Principal Oliver Rapp of Hammond High requested that George's case be considered under the unavoidable change of residence rule. Statements had been filed by both principals concerned.

Decision—George Van Hasselt is considered eligible as to residence at Hammond High School.

TOURNEY ATTENDANCE AND RECEIPTS

The Commissioner reported that a partial audit of basketball tourney attendance and receipts indicate they will be in excess of last year. It was understood that a complete audit would be presented at the next meeting.

IHSAA FINANCES

The Commissioner reported that \$80,000.00 in U. S. Treasury Bills, due March 16, 1961, had been reinvested in the same type of securities. It also was understood that a complete report on the investment of tourney funds would be made at the next meeting.

ALL-STAR CONTESTS

It has been a long standing policy of the IHSAA neither to approve nor disapprove all-star contests, in which recent high school graduates participate, on the ground that the IHSAA has no jurisdiction over the athletic activities of persons who have been graduated from high school.

On January 11, 1961, the National Collegiate Athletic Association passed a rule that any student who participated in an all-star basketball or football contest and enrolled in college would lose one year college varsity competition unless the all-star game had been approved by the appropriate high school athletic associations or, if interstate, by the National Federation of State High School Athletic Associations. This rule was placed in effect immediately.

The National Federation had declined to sanction any all-star contest unless such sanction had previously been specifically recommended by the states concerned. Four groups that had been sponsoring all-star contests and had made plans for 1961 in Indiana, appealed to the Board of Control to take action to permit the 1961 contests to be played. It was the unanimous opinion of the Board of Control that the NCAA had erred in making their rule effective immediately without giving the all-star sponsors time to make adjustments in their 1961 plans.

In the spirit of fair play and justice, the Board of Control unanimously decided to recommend that the following contests, which had been in operation prior to 1961 be approved: Amateur Athletic Club of Ft. Wayne North-South Contest, Clark County Council for Crippled Children at Charlestown. Forty and Eight Club of Ripley County at Versailles, and Indiana-Kentucky All-Star Contests at Louisville and Indianapolis.

It is understood that this action is taken for one year only in order to give sponsors of all-star contests in Indiana ample time to clarify their status with the NCAA and the National Federation of State High School Athletic Associations.

WILL BE-HAS BEEN GAMES

Permission was given for the four schools participating in the state final basketball tourney to hold a "Will Be-Has Been Game" provided the game is played within the week following the State Tourney.

ARTHUR L. TRESTER AWARD FOR MENTAL ATTITUDE

The Board of Control observed the playing of members of the four State Final teams during the afternoon games. The information cards signed by the principal and coach of each competing school were analyzed by the Board Members after seeing the players in action.

It was unanimously decided by the Board of Control for the first time in history to award the Arthur L. Trester Award for Mental

Attitude in duplicate to Dick and Tom VanArsdale, twin brothers, of Indianapolis Manual High School.

ASSISTANT COMMISSIONER HINSHAW

The Board of Control unanimously approved the absence of Assistant Commissioner Hinshaw from the office, April 2-6, in order to assist the Official Sports Film Service (Chicago) in making the 1961 films on the 1961-62 Official Basketball Rules at Ames, Iowa.

IHSAA OFFICE

Approval was given for Miss Betty Sizelove to attend the Educational Secretaries Workshop at Indiana University, April 10 and 11, with necessary expenses paid by the IHSAA.

The Board of Control adjourned to meet again in the IHSAA Office on March 30, 1961, at 9:30 a.m.

Indianapolis, Indiana, March 30, 1961

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

CHAMPIONSHIP BASKETBALL TOURNEY SERIES

The management, officiating, and finances of all tourneys were checked. It is understood that all details concerning the tourneys from the sectionals through the finals will be audited by an independent auditor with complete reports published in the 1961 IHSAA Handbook. A brief summary will also be printed in the April issue of the Bulletin.

Ratings filed by the participating schools on the officiating will be kept on file for the benefit of the Board of Control in selecting officials for the 1962 tourneys.

IHSAA FINANCES

The Commissioner reported that \$175,000.00 (maturity value) in U. S. Treasury Bills had been purchased and deposited in the safety vault of the American Fletcher National Bank and Trust Company.

TRACK AND FIELD MEETS

Final approval was given to sites selected for the 1961 IHSAA Track and Field Meets. Approval was given to a list of applicants from which the Commissioner's Office is to assign referee-starters for sectional and regional meets.

It is understood that where necessary some schools may be transferred to a different sectional when the total number of entries at each site is known.

The Board of Control approved the selection of Technical High School track and cafeteria facilities for the Meet. C. P. Dagwell was chosen as a representative of the IHSAA to select help and make the necessary arrangements at the field.

GOLF MEETS

Sites for sectional golf meets were chosen. It was voted to allow a sum of \$25.00 to each sectional center school to pay a referee-starter and scorer.

Fred Keesling was chosen as the IHSAA representative for the State Meet. Coffin Golf Course was selected as the site for the meet.

SUMMER COACHING SCHOOL

Approval was given to plans as outlined by Assistant Commissioner Robert S. Hinshaw for the IHSAA Coaching School in football and basketball to be held at Purdue University, August 7-10, 1961.

NATIONAL FEDERATION MEETING

The Board directed the Commissioner to make reservations for the 1961-62 Board of Control Members and Athletic Council President as well as Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw to attend the annual meeting of the National Federation to be held at French Lick, Indiana, July 2-6, 1961.

INDIANA ASSOCIATION JUNIOR AND SENIOR HIGH SCHOOL PRINCIPALS

A committee representing the Indiana Association of Junior and Senior High School Principals met with the Board of Control to explore ways and means of financing a stronger organization by the principals to control non-athletic activities. The Committee stated that it was not their purpose to place the control of all activities under the IHSAA, but rather to improve and strengthen their present plan for sanctioning interschool activities other than athletics. They said that the immediate problem is finances. They hope that some plan could be devised whereby a portion of the surplus funds distributed by the IHSAA could be used by the schools for better control of non-athletic activities.

The conference closed with the understanding that the Principals would outline their needs along with an estimate of the cost for presentation to the IHSAA at a later date.

ALL-STAR CONTEST

Approval was given for the Huntingburg Junior Chamber of Commerce to sponsor the South portion of the North-South All-Star game instead of the Evansville Junior Chamber of Commerce, sponsor in previous years. This contest had been approved for 1961 only by the Board of Control, March 18, 1961.

RILEY HIGH SCHOOL—TOM WARREN

This boy previously attended Terre Haute Laboratory School. According to information filed by Principal Forrest O. Martin (Riley) Tom's mother is deceased and he had been abandoned by the father. A home was found for Tom in the Riley District where he is now enrolled in Riley High School.

Decision—Tom Warren is considered eligible as to residence at Riley High School.

FORT WAYNE CONCORDIA—POST SEASON BASKETBALL PARTICIPATION

Assistant Principal Edward Werner of Fort Wayne Concordia reported that five students had been ruled ineligible for all school athletics because of participation in a post season basketball tourney. He also reported that five other students had participated in a basketball scrimmage which was not an organized game. The Board directed that these five boys, all seniors, be placed on probation for the remainder of the school year.

The Board of Control adjourned to meet again in the IHSAA Office on May 8, 1961, at 9:30 a.m.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 8, 1961

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner, Commissioner L. V. Phillips and Assistant Commissioner Robert S. Hinshaw.

The minutes of the previous meeting were approved as written.

TRACK AND FIELD MEETS

The Commissioner reported that 416 schools had entered 3,576 boys in the sectional track and field meets. This is an increase of 7 schools and a decrease of 1,631 boys as compared to 1960. The smaller number of boys was attributed largely to the standards of performance required for a contestant to enter the sectionals. This is the first year that such standards had been required since 1939. There were no late entries.

It was agreed that the Board of Control would serve as the Games Committee for the State Track and Field Meet. Also that Board Members would present individual awards while the Commissioner would award the championship trophy to the winning school.

The Board also approved filming of the events in the State Track Meet.

REGISTRATION FEES FOR OFFICIALS

Since 1952, the membership fee for an approved official had been \$3.00 regardless of the number of sports in which he was approved. Due to increased costs in rules books, insignia, postage and services to officials, the Board felt that there should be some increase in registration fees. It was unanimously agreed that beginning with the 1961-62 year, the fee for one or two sports would remain at \$3.00, with the understanding that \$2.00 would be added for each additional sport approved beyond two.

The fee for a new applicant was set at \$5.00 with the understanding there would be no refund for the applicant who failed to qualify.

An official who is approved may add a sport by paying an additional \$2.00 fee and passing the required examination or meeting necessary standards.

IHSAA OFFICE

Approval was given for two weeks vacation, with pay, for Miss Betty Sizelove and Mrs. Paul Ashley, regular office employees.

Approval was given for the employment of Miss Maryellen Smartz during the summer to assist in reregistration of officials and other duties at a salary of \$50.00.

Approval was given for purchase of an electric mail opener for use in the IHSAA Office.

SOUTHWESTERN HIGH SCHOOL (SHELBYVILLE)—JOHN WAYNE McKNIGHT

This student formerly resided with grandparents and attended Clearspring High School. He is now living with an aunt and is enrolled at Southwestern High School (Shelbyville). Statements on file by the aunt and the two principals concerned agreed that the grandparents at Clearspring are no longer able to provide a home for the boy.

Decision—John Wayne McKnight is considered eligible as to residence at Southwestern High School.

PINNELL—PERRY CENTRAL HIGH SCHOOLS—JAMES ANDERSON

James Anderson resided with his parents in the Pinnell District and attended Pinnell High School. In early March 1961, the family moved to the Perry Central District. James enrolled in Perry Central, March 6, 1961, and attended classes one full day of school. On March 7, he returned to Pinnell High School. The parents have not returned to the Pinnell District.

Decision—James Anderson is ineligible as to residence for one calendar year beginning March 7, 1961.

METROPOLITAN SCHOOL DISTRICT OF WABASH COUNTY

The Metropolitan School District of Wabash County at present has six high schools, each with its own commission and IHSAA membership. Beginning in 1962, the six schools will be consolidated into two high school units, each of which plans to sponsor football as an interschool sport. School officials have asked if students of the three schools in each of the proposed two high school units might practice football together this fall in preparation for the 1962 interschool schedules.

Decision—It was the unanimous opinion of the Board of Control that because each school is a separate member of the IHSAA such practices would not be within the rules.

McMILLAN FOUNDATION

The McMillan Foundation of Fort Wayne plans to sponsor a baseball recreation program during the summer of 1961 in the Fort Wayne area. It is to be known as the Wildcat League and is for boys from ages 8½ through 14, who are not identified with any other baseball league. The program will operate five days a week from 8:30 a.m. to 4:30 p.m.

While the program will be under the direction of men experienced in high school coaching the plan calls for the employment on a full time basis, of a number of high school boys as junior assistants.

Their duties will include taking care of diamonds and equipment, keeping scores and records, some umpiring and other incidental work.

High school principals of the area, while giving their strong approval to the program, desired to know if umpiring by the students as a part of their full time employment in a program of this type might affect their amateur status in the IHSAA.

Decision—After giving careful consideration to all factors involved it was the unanimous opinion of the Board of Control that high school students employed in McMillan Foundation Baseball Program as outlined above would not be in violation of their amateur standing in so far as the IHSAA is concerned. It is understood that principals will check on their students to be certain they are performing general duties on a full time basis and not just umpiring.

ATHLETIC INJURY INSURANCE

Since 1954, IHSAA athletic injury insurance has been carried with Mutual of Omaha. This company has indicated that it did not wish to renew the policy for 1961-62 because of excessive losses in the payment of claims. Mr. Fisk Landers, who serves as advisor to the IHSAA on injury insurance, appeared before the Board of Control and recommended the policy be placed with the Security Life and Accident Insurance of Denver, Colorado for the 1961-62 school year. After careful study of rates and schedules of benefits, the Board unanimously voted to place the 1961-62 athletic injury insurance with the Denver company.

INDIANAPOLIS ARLINGTON HIGH SCHOOL

The Indianapolis Public Schools will open a new school to be known as Arlington High School this fall. Work is to be offered the first year for grades 9, 10, and 11.

Principal H. H. Walter had requested a ruling on the residence eligibility of students enrolling in the new school in September.

The following plan was approved:

1. All beginning ninth grade students approved by school officials for attendance at Arlington will be eligible at Arlington as to residence.

2. Students now enrolled in other Indianapolis Public High Schools who are approved for attendance at Arlington may be considered eligible as to residence provided they enroll at Arlington when school opens there this fall. Students now enrolled in other schools who transfer to Arlington after school opens will lose one calendar year of residence eligibility.

The Board of Control adjourned to meet again on May 27, 1961, at 11:30 a.m. at the Technical High School Cafeteria.

BASKETBALL HALL OF FAME

The National Federation of State High School Athletic Associations has gone on record as favoring support for the endowment of a High School Room in the Naismith Memorial Hall of Fame. Consideration was given to a letter from the Executive Secretary of the Basketball Hall of Fame Committee in which suggestions were given on the ways and means that may be used by a state association in financing its share of the endowment. Final action was postponed until a later date.

BLOOMINGTON SECTIONAL TRACK AND FIELD MEET

For the past several years University School has sponsored the sectional track and field meet at Bloomington. This year University School requested that the meet be placed elsewhere. Bloomington High School agreed to accept the assignment provided it did not have to assume any deficit in the event receipts did not cover the expenses. In the absence of any other invitation the IHSAA agreed to assume Bloomington's share of any deficit that might occur. The deficit was \$42.84 and the Commissioner was directed to reimburse Bloomington High School to that amount.

HOWE MILITARY SCHOOL

Howe Military School has a contract with Morgan Park Academy to play a football game this fall. Morgan Park Academy has voluntarily withdrawn from the Illinois High School Association at the end of the present school year. Howe Military School was granted permission to fulfill its contract with Morgan Park Academy with the understanding that no further athletic contests be scheduled between the two schools.

The Board reviewed the proposals that had been filed for consideration at the May (1961) meeting of the Athletic Council.

TRACK AND GOLF MEET FINANCIAL STATEMENTS

Financial statements of the 1961 IHSAA Track and Golf Meets were submitted by the Commissioner and approved by the Board of Control and ordered published in the 1961 Handbook.

BUDGET AND FINANCES

Careful consideration was given to the estimated expenditures recommended by the Commissioner for 1961-62, and were adopted as submitted. The Board gave approval to a few expenditures in excess of the 1960-61 estimated expenditures. The Commissioner presented a statement of receipts and expenditures over the past twelve months together with an itemized statement of government securities owned by the IHSAA at present. It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 1. Results of this audit will be presented to Members of the Board of Control at the first meeting after the completion of the audit and will be published in the 1961 Handbook. The Commissioner was authorized to deposit with the American Fletcher National Bank and Trust Company of Indianapolis, for exchange or credit to the account of the IHSAA, such securities as may come due. Since a portion of the funds is to be used for current expenses, authority was given to sell and deposit to the account of the Association securities as needed to keep a safe balance in the bank. It is understood that all transactions in securities are to be reported to the Board of Control at the next meeting following such transactions.

The Board authorized the Commissioner to pay salary and other current bills a few days in advance of June 30, in order that these

checks may be cleared through the bank before the beginning of the new fiscal year, July 1.

SPECIAL DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for adequate reserve in the IHSAA treasury, the Board set \$150.00 as the maximum amount of surplus funds to be paid any member school in the special distribution to be made October 1, 1961. Because there was a special distribution in 1960, all the money to be distributed was earned during the current year.

It was decided to make this distribution according to the following plan:

1. One hundred twelve dollars and fifty cents (\$112.50) for participation in the 1961 Sectional Basketball Tourney.
2. Thirty-seven dollars and fifty cents (\$37.50) for membership in the IHSAA during the membership year, 1960-61.
3. Any school sharing the special distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1961.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share shall be sent to the principal of the new or resulting school.

OFFICIALS AND COACHING SCHOOL

Commissioner Phillips gave two reports to the Board of Control. The first covered the year's activities in connection with the registration and approval of officials for the various sports. The second dealt with the program for the IHSAA Coaching School.

The Commissioner reported that plans had been completed for the IHSAA Annual Meeting to be held at Indianapolis Manual High School Auditorium at 10:00 a.m., October 27, 1961. Commissioner Theodore Sanford of the Kentucky High School Athletic Association was approved as the principal speaker.

IHSAA OFFICE

An increase of \$5.00 per week salary, beginning the first full week in July, was approved for Miss Betty Sizelove and Mrs. Marthanna Ashley.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, June 21, 1961

"Special Meeting"

Present: President Leo J. Costello, Harold S. Johnson, A. V. Purdue, Ary H. Skillman, Harry E. Stoneburner and Commissioner L. V. Phillips.

The minutes of the previous meeting were approved as written.

POSITION OF ASSISTANT COMMISSIONER

Three applicants for the position of Assistant Commissioner were interviewed by the Board of Control.

ASSISTANT COMMISSIONER

Considerable time was spent on discussing the interpretation of the

IHSAA Constitution with reference to the manner in which the contract, or contracts, should be written to fill a vacancy in the office of Commissioner or Assistant Commissioner. It was decided, with the benefit of legal counsel, that a temporary contract should be written for a period prior to August 1, 1961, and a permanent contract should be written for a three year term, beginning August 1, 1961, and ending July 31, 1964, to be signed by the in-coming Board of Control after July 1, 1961.

It was also the opinion that such contracts should have the approval of the in-coming Board of Control.

The Board then voted to appoint Herman F. Keller for the position of Assistant Commissioner of the IHSAA, with the approval of the in-coming Board.

COMBINED BOARD MEETING

In order to learn the wishes of the in-coming Board it was decided to hold a meeting of the two Boards in the IHSAA Office at 1:00 p.m., June 26, 1961.

It was voted that members of the in-coming Board would receive regular expenses for attending this combined meeting.

The Board of Control adjourned to meet again on June 26, 1961.

NATIONAL FEDERATION MEETING—GLACIER NATIONAL PARK

President Judson Erne and Board President Leo J. Costello gave interesting reports on the 1960 Annual Meeting of the National Federation of State High School Athletic Associations held July 3 to 7, at Glacier National Park. Both were highly complimentary of the work being done by the National Federation in bringing together representatives of all the State Associations for mutual consideration and cooperation in solving many common problems. Each stated that in his opinion Indiana rates with the top state high school athletic associations of the country.

National Federation Past President Herman F. Keller presented a talk on the interesting highlights of his year (1959-60) as President of the National Federation.

PROPOSAL

Principal Robert L. Ritchie of North Webster High School filed a proposal that the Athletic Council adopt a specific penalty for violation of the provision, in the "Official Contract for Games", that the officials be mutually agreed upon by the contracting parties in advance of the date of the game.

A committee was appointed to make a recommendation to the Athletic Council for penalties to be invoked against any host school which violates the mutual agreement section of the contract for games. The following Council Members were appointed by President Erne to serve as the Committee: H. T. McCullough, Chairman; Leo C. O'Neill; Floyd H. Baker; Forest G. Waters; and Ary H. Skillman.

TRACK AND FIELD COMMITTEE

The Athletic Council unanimously approved the following recommendations of the IHSAA Track and Field Committee as reported by Chairman Lester M. Parker:

1. The order of events in dual and triangular track and field meets shall be the same as that used in conducting IHSAA championship track and field meets.

2. Authorized the adoption of minimum standards of performance which contestants must achieve to be eligible to enter the sectional track and field meet. The standards are to be recommended to the Board of Control by the IHSAA Track and Field Committee and a group of high school track coaches.

3. Made mandatory that in event of a tie in high jump and pole vault, awards are to be made in accordance with the number of misses by each contestant at the tied height. If a tie exists in the number of misses, then it will be decided by lot.

COACHES COMMITTEE ON OFFICIALS

Assistant Commissioner Hinshaw reported that a committee representing the Indiana High School Coaches Association had met with the Commissioner and Assistant Commissioner to discuss recommendations the committee wishes to make on the approval, rating and training of game officials. It was understood that the committee would submit its recommendations to the Coaches Association for approval before they were formally submitted to the IHSAA.

JACKETS FOR PLAYERS

Principal C. P. Woodruff of Elkhart High School had informed the IHSAA that local business men wish to furnish members of the basketball team with wearing apparel for traveling purposes. He desires to know if such gifts are governed by IHSAA regulations. It was the unanimous opinion of the Athletic Council Members that Division VI of the rules and regulations sufficiently covers the matter of gifts and awards that athletes may accept.

HIGH SCHOOL ACTIVITIES

As the result of an action taken by the Principals of (Indiana) North Central Association of Schools, President Erne had been asked to appoint a committee of five members to represent the IHSAA in a meeting with representatives of the North Central Association and the Indiana Association of Junior and Senior High School Principals. The purpose of the meeting being to explore the feasibility of placing all school activities under the control and regulations of one activities association.

Following considerable discussion it was unanimously voted to indefinitely postpone action regarding the matter.

The Athletic Council adjourned to meet again in Indianapolis at 6:00 p.m. May 27, 1961.

STANDARDS OF PERFORMANCE IN TRACK AND FIELD

Chairman Lester M. Parker of the Committee on Standards of Performance reported on the work of the Committee in establishing minimum standards of performance required for athletes to be eligible to participate in the sectional track and field meet. Mr. Parker stated that the standards had resulted in a decrease of about one-third in the number of athletes entered in 1961 as compared to 1960. He stated that he believed the standards had resulted in better administration of the meets and had been favorably accepted by most schools. The Committee was instructed to evaluate all information available on the operation of the standards of performance in the 1961 meets and to make recommendations to the Board of Control for any changes considered advisable.

CONTRACTS AND AGREEMENT ON OFFICIALS

Chairman H. T. McCullough of the Committee on Contracts and Agreement on Officials reported on the work of his committee to date. Copies of suggested changes in the contract between schools for games and the manner in which schools agree upon the game officials were presented. Following suggestions made by members of the Council, Chairman McCullough stated that the committee would present revised recommendations for action by the Athletic Council at the October meeting.

ALL-STAR BASKETBALL CONTESTS

President Leo J. Costello of the Board of Control reviewed rules enacted during the past year by the National Collegiate Athletic

Association and the National Federation concerning recent high school graduates participating in All-Star games. President Erne read a letter from Principal Edgar Stahl of Indianapolis Manual High School on behalf of the Association of Junior and Senior High School Principals, in which it was suggested that the IHSAA assist in financing an organization for the control of non-athletic activities. Mr. Stahl stated that the Principals' Association would hold a workshop concerning this problem in November, 1961.

Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1961, and the statement of securities owned at June 30, 1961. Our examination included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit at June 30, 1961, to the amount reported directly to us by the American Fletcher National Bank and Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements, and the cash disbursements were supported by examination of invoices, expense reports, and other data. Securities owned by the Association at June 30, 1961, were presented for our inspection.

In our opinion, the accompanying statements of cash receipts and disbursements and securities owned present fairly the recorded cash transaction of The Indiana High School Athletic Association for the year ended June 30, 1961, and the securities owned by the Association at June 30, 1961.

FOOTBALL

Five of the sixteen conference champions repeated their victories this year as champions or co-champions. Rockport and Kentland were champions in eight-man football. Kentland played six-man football last year. All schools playing six-man football in 1959 switched to eight-man or eleven-man teams for this season.

Huntington (won 9, tied 1) and Lebanon (won 8, lost 1) reported enviable records for the current year.

Interest in football is increasing and most schools are playing a nine or ten game schedule. We also have an increase of eleven schools participating this season, which is a larger increase than in the past few years. Two hundred and thirty-five schools participated in interscholastic football this year. Eleven-man football was sponsored by 215 members with the remaining 20 schools playing eight-man football.

Many schools open their season with a football jamboree and such contests are definitely increasing in popularity.

The Association does not sponsor a series of games to determine a champion, but each year honors teams with outstanding records by carrying their pictures in the Handbook. If a print was submitted, these squad pictures may be found following the list of high schools participating in the sport.

CROSS COUNTRY

Hobart captured its second IHSAA State Cross Country title in four years over the South Grove Golf Course by posting a team score of 89 on Saturday, November 5, in the fifteenth annual IHSAA state cross country championship meet.

New Haven placed second in the runner-up place with 145 points. Indianapolis Cathedral, with a score of 152, gained the third position. Pendleton, a newcomer in the state meet, finished fourth with a team score of 162. Southport, one of the pre-meet favorites, took fifth with 164 points.

Gale Lundquist of Battle Ground took individual honors as he ran the two-mile course in 10:06.8. His team was far short of the 1959 record time of 9:48.2. The remaining individuals who trailed Lundquist to the finish line were Bob Scott, Elkhart, 10:8; Dennis Jones, Fort Wayne South, 10:09; Dick Stewart, Brazil, 10:11; and Jim Marler, Hobart, 10:13.

Sectional meet interest continued to expand this year with 223 schools entering 2160 athletes. This was an increase of 11 schools over 1959.

Some changes were made this year concerning qualifying for the State Meet. No more than three teams could qualify from any one sectional. Six runners was the limit per team. This brought the field down to 22 teams, 17 individuals at the state meet. A total of 149 runners started the race with 147 finishing.

SECTIONAL CROSS COUNTRY MEETS

FOURTEENTH ANNUAL

(These rules are reprinted from the September 1960 Bulletin)

The sectional cross country meets will be held this year on Tuesday, October 25, 1960, after 3 p.m. These meets are conducted as an elimination series in order to select teams and individuals for the state cross country meet.

Eight sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1959, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan and add more centers if a greater number of schools enter than is anticipated. Representation to the state meet will be determined by the number of teams competing in each sectional meet.

Schools have been assigned by counties, and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin to the principal.

ASSIGNMENT OF SCHOOLS TO CENTERS BY COUNTIES

TERRE HAUTE GARFIELD—(James F. Conover, Principal) Boone, Clay, Clinton, Fountain, Greene, Hendricks, Monroe, Montgomery, Morgan, Owen, Parke, Putnam, Sullivan, Tippecanoe, Vermillion, Vigo and Warren.

MANAGEMENT—The management of these meets rests solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be selected by the center principals except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Tuesday afternoon, October 25 after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Friday, October 21, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Team positions at the start are to be drawn by lot.

OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding modified or associate memberships. A school may certify twelve students, with no more than six participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

Note: Each year some schools file entry blanks, then fail to participate in the meet. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for any reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

ELIGIBILITY—The eligibility of each player shall be certified to by the principal of his school. The official entry list must be used, and all data given. Entries positively will close **Monday, October 17**. The entry lists must be in the hands of the Commissioner, complete in every detail, by 4 p.m. on that date. Twelve students may be certified for the meet, with six or less participating on the day of the meet.

LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. **Individuals** are ranked and tallied in the placement column, but their position is dropped and not recorded in the team scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. It is considered a tie event if two or more teams score the same number of points. Individual ties shall be decided by lot.

RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running as found on pages 31 and 66 in the 1960 National Federation Edition of the Track and Field Rules shall govern—with IHSAA exceptions, the length of course and limit of contestants.

PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the state meet, provided they finish the race. The first five individual winners will receive ribbons.

QUALIFICATIONS FOR STATE MEET—Representation at the state meet will be determined by the number of teams competing* in that sectional, as follows: **Ten or less**, one team. **Eleven to twenty**, two teams. **Twenty-one or more**, three teams. The first five individuals to finish shall be eligible for the state meet regardless of their team position.

*A school must have five or more boys finishing the race to be a team competing in that sectional.

WRESTLING

Indianapolis Wood won its second consecutive IHSAA wrestling title without a single individual title in the 23rd annual state high school wrestling meet with a score of 24 points. The Woodchucks clinched the crown in the afternoon by placing three wrestlers into the final bouts. All three men placed second in these bouts.

New Albany, with two individual champions, gained the runner-up spot with a score of 22. Bulldog grapplers Lawrence Mann in the 112-pound class and Wilton Feiock in the 145, won individual titles. Southport and Franklin Central finished in a tie for third and fourth with 20 points. Anderson and Indianapolis Broad Ripple tied for fifth and sixth when each posted a score of 19.

Harry Smyser of Southport took the 95-pound title for the second straight year and Conward Bivens of Anderson repeated as title winner in the 165-pound class. Jim Herald of Indianapolis Broad Ripple, 1960 state champ at 120 pounds, dropped a 2-1 decision to Hammond's Robert Haley in the 127-pound class.

The elimination plan that has been used the past several years was again used. Eight sectional sites were established with first and second in each weight class advancing to the regional. First and second place regional winners from each weight division competed in the state meet. A total of 84 schools entered sectional competition. This was an increase of 11 more schools over the 1960 entry list.

SWIMMING

Four new state records were established as Columbus won the Indiana high school swimming championship in the Purdue pool for the third straight year. The defending champion scored in every event and rolled up a total of 95½ points. The three-time titlists won five of the nine individual events, in addition to the 200 yard medley relay.

South Bend Riley finished second with a score of 31. Central of South Bend came in third with 28½ points. Muncie Burris, runner-up in 1960, trailed in the fourth position by a score of 26.

Wayne Thompson of Columbus accounted for two of the four new records as he won both the 100 yard breast stroke and the 200 yard individual medley. The third mark fell when the Columbus 200 yard medley relay combination came in first and the fourth record went to David Buchanan of South Bend Riley when he won the 100 yard back stroke. Paul Van Dorn of Kokomo scored a double in the 100 yard butterfly and 100 yard freestyle to share individual scoring honors with Thompson.

Twenty-two schools competed in the meet this year which was the same number as in 1960. This year the Board of Control established standards of performance in each event. A contestant had to equal or better the time during the season to be eligible to enter the meet. The plan met with favor and created a better state meet.

BASKETBALL

In an overtime game the Kokomo Wildcats downed the Indianapolis Redskins, 68-66, in the IHSAA 51st annual basketball tournament. The score at the end of the regulation playing time was all even, 62-62. This was the first overtime in a championship title game in modern Indiana basketball tourney play.

Indianapolis Manual led Kokomo 13-12 at the quarter and continued to dominate play. At the halfway mark they were ahead of the Wildcats, 35-28. During the third quarter the Wildcats rallied and trailed 43-42 at the three-quarters mark. Play during the final period was about even. In the overtime, Kokomo scored a field goal but Manual evened it up with a two-pointer. The Wildcats went ahead 66-64. Manual got two big points on foul tosses to tie the score again with 27 seconds to play. Two foul tosses in the final seconds by Kokomo climaxed the scoring and gave them the championship. Kokomo shot .385 with 42 rebounds and Manual hit .421, and led in rebound with 46. Richard VanArsdale of Manual led the scoring with 26 points.

The first afternoon game was won by Indianapolis Manual over the Tell City Marksmen, 70-55. At halftime the Redskins led 29-26 with the score at the end of the third period, 44-43, in favor of Manual. In the final quarter the Redskins rallied over the Ohio River boys to place them in the championship game. Richard VanArsdale was high point scorer with 25 points.

Kokomo defeated Logansport in the second afternoon game for their third win over the Berries during the year. The Wildcats led at every stop, 21-10, 42-22, 63-44, and finished on top by a score of 87-66. Kokomo outshot the Berries from the field .453 to .347 and gathered in 69 rebounds to 40. Jim Ligon of the Wildcats led the scoring with 29 points.

In sectional play 688 schools were entered which was a loss of 6 schools under the 1960 entry list. The consolidation of schools continues to decrease the membership. Despite a severe snow storm on Saturday of the sectional week end, paid attendance figures showed an increase of over 25,000. Gross receipts gained about \$28,000. Gross receipts of \$1,028,152.65 was a new record for the tournament series.

The Arthur L. Trester Award for Mental Attitude for the first time was made as a dual award. The Board of Control unanimously selected Richard VanArsdale and Thomas VanArsdale of Indianapolis Manual as the winners.

ANNOUNCEMENT OF STATE BASKETBALL TOURNEY SERIES

THE FIFTY-FIRST ANNUAL

These rules are reprinted from the January 1961 Bulletin.

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full,

with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNEYS

1. **TYPE OF BALL**—The molded type basketball, approved orange or natural tan has been legalized for the State Championship Series.

2. **PRIZES**—No prizes of any kind are to be awarded to any school or individual from any source.

3. **RADIO SERVICE**—Stations in Indiana may broadcast IHSAA tourneys provided the requirements in the "IHSAA Rules and Regulations Governing Broadcasting" are observed. Station managers and Center Principals will have copies of these rules and regulations.

4. **PICTURES**—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. **SOUVENIR PROGRAMS**—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control nor the Commissioner's Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.

6. **SUGGESTIONS**—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

7. **MANAGEMENT**—The exclusive control of all these tourneys rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every effort will be made to choose only fair, disinterested and competent men. All schedules and assignment of officials will be made and distributed by the Board. All schedules will be drawn by lot by the Board of Control, and no changes will be made in them. Representatives of the press will be invited.

8. **TIME SCHEDULE**—The Board of Control has ruled that all tourneys will be held on the prevailing time of the community in which the Center is located. All Saturday games will be 12:30, 1:45, and 8:15 p.m.

9. **OFFICIALS**—The assignment of game officials and their decisions will be considered final. Schools enter the tourneys with this understanding. Give this information to your students and fans now.

Official scorer(s) shall be dressed in a manner that will distinguish them from others who may be seated at the scorers and timers table. Black and white striped shirts or jackets are strongly recommended.

10. **PRIVILEGES**—Ten competing players, one coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

11. **WARM UP PERIOD**—There shall be at least ten minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game.

12. **NUMBERING OF SHIRTS**—In order for a school to be eligible to enter the sectional tourney, all players' shirts must be properly numbered according to Rule 3, Section 4 of the Official Basketball Rules.

13. **CHEERLEADERS**—Only the cheerleaders from the two participating schools may be used in connection with any one game.

14. **RESTRICTIONS**—Please inform your students and others about the following tourney restrictions:

By ruling of the Board of Control:

- a. Banners, posters, etc., that are objectionable in the wording or which obstruct the view of others, are not allowed.
- b. Cow-bells and other such noise instruments are not allowed.
- c. The use of bands at IHSAA tourneys is not sanctioned.

SECTIONAL TOURNEYS

February 22, 23, 24 and 25

The following bases were used in selecting sectional, regional and semi-state centers:

- (1) Invitations filed by the principals.
- (2) Locations considered but not necessarily the determining factor.
- (3) Transportation facilities.
- (4) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities.
- (5) Rotation.
- (6) Success and satisfactory management of previous tourneys.

Many schools have been assigned by counties but there are a number of exceptions which are clearly indicated. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The plan arranged is to have no less than 8 teams and no more than 14 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—Three officials will be assigned to tourneys having 8, 9, 10, 11, and 12 teams; four officials to 13 and 14 team tourneys and four officials to each two-site tourney. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering an IHSAA sectional basketball tourney in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an entry blank. Schools holding modified membership are not eligible to enter.

ENTERTAINMENT—Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the Coach and a faculty manager) from each competing school according to the following plan:

1. **Transportation**—All schools are entitled to one-round trip mileage allowance each day the tourney is in session.
2. **Meals**—All schools are entitled to one meal for each day the tourney is in session.
3. Due to the variations of time schedules of "Two-site" and "One-site Two-Bracket" tourneys, the time schedules, entertainment schedules and admission prices will be set up by the IHSAA and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.
4. **No lodging shall be paid.**

Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
2. The Center High School shall receive one hundred and fifty dollars (\$150).
3. The transportation shall be paid. (The Board of Control has decided on four (4) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The Center High School shall receive one hundred dollars (\$100).
5. The IHSAA shall receive one percent (1%) of the fourth balance.
6. (a) One-half of the fifth balance shall be divided equally among the participating schools, the Center School sharing.
(b) One-half of the fifth balance shall be divided among the participating schools on an enrollment basis.
7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, March 2.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certification must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the IHSAA. All entries must be in the IHSAA office before 4:00 p.m. Wednesday, February 8. Do not mail entry blanks before January 30. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, February 8. Registered letters are not recommended as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

Session ticket (All regular tourneys).....\$0.75

ONE-SITE TOURNEYS:

Season ticket:

- a. Four-session tourney\$2.00
- b. Five-session tourney 2.50
- c. Six-session tourney 3.00

Tickets shall not be sold for more or less than the prices listed. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets.

ONE-SITE TWO-BRACKET AND TWO-SITE TOURNEYS:

Due to the variation in the number of sessions, season ticket prices shall be established by the Board of Control through the IHSAA office and the Center Principal.

No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each ex-Board member shall be granted two tickets to the sectional in his area upon request by Thursday, February 16.
2. Ten percent of the remaining tickets shall be divided equally among the competing schools. (Every school regardless of

enrollment, has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This allotment is intended primarily for this use.)

3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction. September 15, 1960, or the third day of school if the opening day is later than September 15.

No tickets shall be distributed by the Center Principal until his tourney schedule has been released. Season tickets must be ready for distribution by Thursday, February 16. All ticket information should be secured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tourneys. Season tickets unsold shall be returned by 9:00 a.m. on the day the tourney begins, except that in "two-site" and "one-site two bracket" tourneys, they shall be returned by 4:00 p.m. the day before the tourney if the tourney begins with a day time session; and by 9:00 a.m. on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 8, and cannot be changed or accepted afterward. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before January 30. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

REGIONAL TOURNEYS—MARCH 4

Each of the sixteen (16) regional tourneys will have four (4) teams and will play to a winner, according to the following assignment. The winners in each of the sixteen (16) regional tourneys will constitute the teams in the semi-state tourneys according to assignment.

made up of the same men who participated in the sectional tourneys. The sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, February 27. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, February 27. 2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.
3. Press.

 - (b) Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted 3 tickets upon request not later than Monday, February 29.
 - (c) Papers outside of the state shall not be granted tickets unless they have a large coverage in the state, and then the limit is given under (a).
 - (d) School papers shall not be granted tickets.
4. **Radio.** Each station broadcasting the games may be granted 3 tickets upon request not later than Monday, February 27.
5. Complimentary tickets shall be confined to those directly connected with the tourney. Each participating school is entitled to twelve complimentary tickets for the use of its own players, the principal and the coach. Each Athletic Council member and each ex-Board member shall be granted two tickets to the Regional in his area upon request prior to Saturday, February 25. **A list of the complimentary tickets must be furnished the IHSAA giving name, position and number of tickets.**
6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.
7. Schools entered in a sectional tourney may secure twelve tickets to the Regional Tourney in their area. Orders must reach the Regional Center Principal between February 18 and 23. All principals should use the Regional Ticket Order enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance **TO THE REGIONAL CENTER PRINCIPAL IN THEIR AREA.**

8. Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the high school principal not later than Monday, February 27:

- (a) One-half of the tickets remaining divided on an equal basis.
 - (b) One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1960, or the third day of school, if the opening day is later than September 15, for the school years 9, 10, 11 and 12.
 - (c) If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).
9. All tickets remaining at this stage shall be placed on open sale on Thursday, March 2, 9:00 a.m., with the understanding that all sales shall be guarded to insure fairness to all.

ENTERTAINMENT—The Regional Center Schools have contracted with the Board to entertain twelve men (which must include the coach and a faculty manager) from each competing school. 2. The Center High School shall receive two hundred dollars (\$200).
3. The transportation shall be paid. (See sectional transportation allowance.)
4. The Center High School shall receive one hundred fifty dollars (\$150).
5. The IHSAA shall receive fifty percent (50%) of the balance.

This hour and date are binding on all schools. In the distribution of receipts, all tickets purchased according to the provision under "Distribution of Tickets," item 7, shall be credited to the winner of the sectional in which the school purchasing the tickets is located.

STATE TOURNEY BUTLER FIELD HOUSE, INDIANAPOLIS March 18

ENTRANTS—The four (4) winning teams of the semi-state tourney shall constitute the participants in the State Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-state entry blank will suffice for the State Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 13. If you desire to make any substitutions in your entry

blank, wire or telephone the IHSAA office, giving complete data on Monday, March 13.

ENTERTAINMENT—Twelve men will be entertained on each team (which must include the coach and a faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$500.00 for meals and lodging and \$500.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Four cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

1. Session ticket: \$2.25
2. Season ticket: \$3.50

The Arthur L. Trester Award for Mental Attitude will be presented to the athlete who, in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

TIME OF GAMES—12:30, 1:45 and 8:15 p. m. (C.D.T.)

MANAGEMENT—The Board of Control has designated the Commissioner as Manager with Robert S. Hinshaw, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Melrose 7-1519. Fred R. Gorman, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and Radio reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 16 and not later than Thursday, March 9. An identification plan will

be used for press representatives, who must be properly certified by their managers at the time requests are made.

Tickets—All tickets will be handled by the IHSAA office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 18. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at approximately 14,943.

2. Each high school principal having a team entered in an IHSAA Sectional Basketball Tourney for 1961, and each high school principal holding a modified membership in the IHSAA, may order tickets to four (4) percent of his high school enrollment not exceeding 1000 students. Principals whose high school enrollments exceed 1000 may order 4% of the enrollment to 1000 and one (1) additional ticket for each 50 students, or fraction thereof, over 1000 enrollment. The enrollment shall be the same as submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1960, for grades 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket and no school shall be limited to less than four tickets. Post graduates shall not be counted. Principals should carefully observe the limitations as outlined. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right. A chart giving the enrollments with ticket allotments will be printed on the reverse side of the ticket order blank.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSAA must accompany each order. Tickets purchased cannot be returned. Please do not send cash. The limitations below must be observed as given:

(a) Orders for tickets having official postmarks on the envelopes from and including Thursday, February 16, to and including Friday, February 24, will be accepted if received not later than Saturday, February 25. Ticket orders mailed prior to February 16 will be returned for proper mailing. The IHSAA reserves the right to check the mailing of all ticket orders and to act on the findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their schools.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quotas, will be distributed pro rata among the principals of the 64 sectional

tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None are guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filed, the following statements are made:

a. Ticket orders from principals are due any time from February 16 to February 24, inclusive. Postmark will determine mailing date.

b. Upon receipt of ticket orders in the IHSAA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 1000 seats to the block, will be reserved until Monday, March 13, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-state tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by Monday, March 13, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

THE ARTHUR L. TRESTER AWARD

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Award for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Award for Mental Attitude.

By High School Principal By High School Coach

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but this year, for the first time, the Board of Control chose co-winners.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

TRACK AND FIELD

Gary Roosevelt High School won its third consecutive State Track and Field Championship with a total of 30 points. Roosevelt scored three firsts including the mile relay. They also had two runners gain third place and two place fourth in other events.

East Chicago Washington, scoring in four events, was runner-up with a total of 22 points. Fourteen points scored by Fort Wayne South Side gained third place for that school and Anderson High School was fourth with 13 points. Richmond and Hobart each scored nine points.

Three new state records were set this year. Marvin Morgan of Anderson ran the 440 in 48.8, breaking last year's record of 48.9. Fort Wayne Central's Henry King was clocked in 1:56.2 besting last year's record of 1:56.5. Otha Thomas of Evansville Central jumped 23 feet, 3½ inches, to set a new record in the Broad Jump. The old record established in 1952 was 23 feet, 2½ inches.

Standards of performance to enter the sectional meets were established this year. This plan was well received and many commented that better sectional and regional meets resulted from the policy.

Although the standards of performance reduced the number of individuals entered, there was a gain of seven schools. A total of 416 schools entered 3576 athletes in the sectional meets.

The sun shone brightly to make an almost perfect day for the record crowd attending this year's State Track and Field Meet.

SECTIONAL TRACK AND FIELD MEETS

FORTY-FIFTH ANNUAL

Friday or Saturday, May 12 or 13

(These rules are reprinted from the April 1961 Bulletin)

The following bases were used in selecting centers:

(1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General Conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.; (4) Rotation; (5) Invitation.

Schools have been assigned by counties, and the accompanying plan gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the assignments. Entry blanks are necessary.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principal, except the Referee-Starter, and he will be assigned by the Board of Control. He will be in complete charge of the meet and shall assume the duties of a Referee and Starter as a representative of the IHSAA.

The meet must be held Friday afternoon, Friday evening, Saturday afternoon or Saturday evening. The Center Principal shall notify all schools participating in his sectional, and the IHSAA office by Tuesday, May 9, as to the time and place of holding the meet. The Center Principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Places on the track must be assigned by lot.

Admission Fee—Admission fee to all meets shall be not less than fifty cents (50¢) or more than seventy-five cents (75¢).

Open Contest—These meets are open to all members of the Association, except to schools holding modified or associate memberships.

Entertainment—The Central Principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

Expenses—There will be no entry fee. Traveling expenses must be paid by the competing schools.

Privileges—All actual contestants in uniform and one coach for each team are admitted free to the meet.

Entrance Requirements—The minimum standards of performance which contestants must achieve to be eligible to enter sectional track and field meets shall have been equalled or bettered in regular scheduled interschool meets during the present outdoor track season. These performance standards may be established by competent timing of the first three, four or five places in interschool outdoor meets.

Standards of Performance for 1961

100 Yd. Dash.....	:10.9	Mile Relay	3:50
220 Yd. Dash.....	:24.5	880 Relay	1:40
440 Yd. Dash.....	:56.0	Pole Vault	10'3"
880 Yd. Dash.....	2:12	Shot Put	44'
Mile Run	4:55	Broad Jump	19'2"
Low Hurdles	:23	High Jump	5'5"
High Hurdles	:17		

Eligibility—The eligibility of each player must be certified to by the principal of the school sending the team. The regular blank of the IHSAA must be used and all data must be given. Entries positively will close **Thursday, May 4, at 4:00 p.m.** This means the entry blank must be in the hands of the Commissioner, complete in every detail, on that date. See warnings below.

Official Rules—The current National Alliance Edition of the Track and Field Guide as published by the National Federation is official in the IHSAA. A few modifications have been made by the IHSAA and they are given in the present Bulletin. In both relays "off the curve" method of exchange shall be used. Both relays may be run in lanes the first 220 yards with a staggered start if lanes have been marked. When the half mile relay is run with the first 220 yards marked in lanes the first and second runners will exchange in their own lane.

Scoring—Winning first place in any event in the sectional meet counts five points; second place, three points; third place, two points; and fourth place, one point. Points in the relays will be counted in determining the winning team, the points for each place in each relay to be double the points in each place in other events. In case of a tie in a track event, shot put or broad jump, the points shall be divided and the places awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position to the contestant with the fewest misses at the tied height. If the tie is still not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by lot. No misses shall be charged to a competitor for a passed height.

Limitations—No contestant will be permitted to enter or participate in more than three events, and no contestant will be permitted to enter or participate in both relay races. **Do not enter the same boys in both relay races.**

GOLF

Indianapolis Washington High School won its first IHSAA state golf championship. The team chalked up a 72-hole score of 311. A bright sun made an ideal day for the meet. Washington team members and scores included: James Knobel, 77; Dennis Dennett, 77; William Becker, 78; and Robert Clark, 79.

Indianapolis Broad Ripple placed second with a score of 317. North Central (Indianapolis) tallied 319 strokes to become a close third. LaPorte's 320 score placed them fourth and Bedford was fifth with 331.

Ronald Frantz of Broad Ripple and Timothy Leslie of Hammond Bishop Noll, one of the individual qualifiers, were low medalists, each scoring 71. This was a repeat performance for Frantz, who won low medalist honors last year. James Somrak, Indianapolis Cathedral, placed next with 72 strokes.

One hundred twenty-five schools entered 722 golfers in the sectional meets. This was an increase of six schools over 1960.

Seventeen schools qualified full teams for the state meet and six others sent low medalists. A total of 74 players competed.

(2) **Management**—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

(3) **Instructions and a starting time schedule** will be sent to each competing school prior to the meet by the Center Principal.

(4) **Eligibility**—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. Entry blanks are due in the IHSAA office on or before 4:00 p.m., Thursday, May 11, 1961, and cannot be accepted afterwards.

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided

by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of players from different schools. The players will count and keep score for each other.

Teams—Each school may enter six (6) players and the team must consist of four (4) of these six. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR STATE MEET

Teams

Representation at the State Meet will be determined by the number of teams competing in that Sectional, as follows: Five or less, one team; six to ten, two teams; eleven to fifteen, three teams; sixteen or more, four teams.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals

The three low medalist players in each sectional meet are eligible to compete as individuals in state meet competition, provided their school posted a team score in the sectional.

Ties

All individuals or teams tying for the last qualifying position shall be eligible for State meet competition.

STATE GOLF MEET TWENTY-FIFTH ANNUAL

Saturday, May 27

Entrants—Individuals and schools whose teams qualify according to the sectional regulations shall constitute the entrants for the State Meet. (Teams must be composed of any four of the six certified entrants.)

Registration—All teams must be checked in at the Club House by the Principal or his official faculty representative. This responsibility belongs to the school.

Transportation—This will be an obligation of the participating school in each case.

Entertainment—Noon meals will be furnished by the IHSAA at the Club House to the actual participants and one faculty manager from each school.

Prizes—A trophy will be given to the winning school. Medals will be presented to the winning team members of first, second and third places and the three low medalists.

Medal Play—The tournament will be conducted as Medal Play and 18 holes will be played.
