L. V. PHILLIPS
COMMISSIONER OF ATHLETICS
 1945 — 1962

In December, 1944, the Board of Control selected L. V. Phillips as Commissioner of the Indiana High School Athletic Association succeeding Arthur L. Trester. Mr. Phillips became the second man to have held the position as Commissioner since the Association was formed in 1903.

In April, 1962, L. V. Phillips notified the Board of Control of his desire to retire, thus ending almost eighteen years of devoted service and leadership. A certificate of merit from the National Federation of State High School Athletic Associations, "for outstanding services in the field of school athletics and in appreciation of notable contributions in constructive thinking and achievement on the national level", describes well his service to Indiana and the nation.

Under his leadership the IHSAA has grown in stature and is highly regarded by other similar state associations. During his term of office state championships were established in cross country and re-established in golf, wrestling and swimming. With the aid of the Assistant Commissioner he set up a program for testing and rating athletic officials in an effort to improve officiating at athletic events. Clinics for these officials were established.

A coaching school for all basketball and football coaches was established, as well as clinics in track, wrestling and swimming.

One of his greatest challenges came with the Seymour court case, which was finally settled by the Indiana Supreme Court in November, 1959, upholding the authority of the Association.

Mr. Phillips loved his work. He traveled over the state many times on official business—attending athletic events, talking with students about their education and athletics.

Words are inadequate to express appreciation to a man for giving of himself completely for so many years to his position. Therefore, L. V., this 1962 edition of the IHSAA Handbook is dedicated to you in appreciation of your loyalty, service and devotion to duty as Commissioner of High School Athletics in the state of Indiana.

Our sincere thanks.

MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

By SANFORD SANDERS, President
Board of Control

It has been 59 years since a group of high school principals met in Indianapolis to set the groundwork for the Indiana High School Athletic Association. This small group could not possibly have foreseen the tremendous scope and influence which high school athletics now occupy in our educational concepts, yet the growth and stability which their foresight engendered stand as glowing tribute to their wisdom, vision and organization.

For only the third time in its history, the IHSAA this year introduces a new commissioner to its membership. This is not only striking proof of the quality of its leadership, but a solid testimonial to the sinew and the bedrock which are prime ingredients in the lasting success of any venture.

Although the title of "commissioner" was not officially created until 1929, the late and unforgettable Arthur L. Trester fulfilled the same duties with the same zeal and uncompromising purpose for 16 years before that under the title of "permanent secretary."

Commissioner Trester, who served the IHSAA so long and directed its operation with such personal dedication that the average person regarded him the father of the association, devoted 31 years to the permanence and progress of the IHSAA until his death in 1944.

L. V. Phillips, who moved up from the principalship of Vincennes High School to succeed Trester, gives up the office this year after nearly 18 years and hands over the reins to Phil Eskew, Huntington Superintendent whose wide experience as teacher, administrator and athletic official have provided the excellent training for the job. He is certain to keep the wonderful image of the IHSAA both inviolate and a hallmark for all other facets of education in Indiana.

The IHSAA has endured, progressed and functioned well because its fundamental tenets embody all the precious precepts of democracy, just as every American school room should.

It is strictly voluntary. Its 25 Athletic Council members are elected by the schools they represent and the five members of the Board of Control provide an elected composite of Council leadership. The Athletic Council conceives and passes the legislation, the Board of Control and the Commissioner administer it. It is hard to improve upon this system of self-government.

The IHSAA made great strides under both Mr. Trester and Mr. Phillips, and for their wise and prudent stewardship every coach and principal in Indiana is grateful. The late Robert S. Hinshaw as the first assistant commissioner must be remembered too for his valuable contributions.

Strangely, perhaps, Mr. Eskew takes over when the total membership of the IHSAA is shrinking. But as the membership is compressed under the hand of school consolidations across the state, the IHSAA actually grows in stature and strength.

The administration of the IHSAA, complex and all-embracing, remains in good hands, for both Mr. Eskew and the assistant commissioner, Herman Keller, assure it of broad experience, implacable faith and a glowing prestige that are the elements of success.

This is both fundamental and fortunate, for on the troubled horizons that persistently border each day, youth is still our most priceless heritage and our most fervent hope . . . and the IHSAA is dedicated to Indiana youth.

Just as our greatest weapon in World War II was the All-American boy, so must we rely now on their strong young muscles and unswerving loyalty for the fulfillment of peacetime tradition.

All they need is strong hands to guide them.

HISTORY OF IHSAA

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of high school principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Pearcey, of Anderson, issued a call for a meeting of high school Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are six hundred eighty-six (686) member high schools. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA. In July, 1961, Herman F. Keller of Evansville Bosse High School became the second Assistant Commissioner of Athletics after the death of Mr. Hinshaw.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the fifty-eight years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball and girls' play days. State championships are determined in cross country, swimming, wrestling, basketball, track and golf.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

CONSTITUTION OF INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

PREFACE

This revision of the Constitution, Rules and By-Laws, regulations, interpretations, questions and answers of the Indiana High School Athletic Association, is the result of the combined efforts of the Board of Control, Athletic Council and the revision committee.

Most of the material has been printed in the Handbook and official bulletins published each year. Principals, Coaches and other interested parties are requested to read all information contained herein, and observe the information published in all IHSAA bulletins. The Constitution, Rules and By-Laws printed in the annual Handbook may not be up-to-date at all times, due to legislation between printings.

The printed Constitution, Rules and By-Laws, together with the questions and answers, plus the information in current bulletins, will keep all responsible parties completely and officially informed.

PURPOSE OF IHSAA

(Copied from Introduction to first printing of Constitution in 1904)

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "IHSAA.")

ARTICLE II MEMBERSHIP

Section 1. Full membership in this Association shall be open to all public, private, parochial, and institutional high schools of the state offering and maintaining three or four years of high school work, provided they meet the requirements of the association and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must be accredited by the State Department of Education.

Section 2. Modified membership may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the under-

standing that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Section 3. Any high school in the state may become a member of this Association by meeting the requirements, by subscribing to these rules and regulations, and by paying the annual dues of one dollar and fifty cents (\$1.50) to the Commissioner on or before October 1 of each year. All memberships expire on October 1 of each year unless the annual dues are paid.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tourneys and meets, but not in any tourneys or meets conducted for the purpose of determining an official state championship in the IHSAA.
2. Associate members are bound by all rules and regulations of the IHSAA with the exception that a student who changes schools without a corresponding change of residence on the part of his parents is eligible as to residence immediately, provided there is no undue influence involved in any way.
3. Associate members are not privileged to share in the distribution of tickets to IHSAA championship tourneys and meets or in the distribution of IHSAA surplus funds to member schools.

Section 5. Each member high school shall have one vote.

Section 6. The Board of Control shall be judge on all memberships.

Section 7. A high school that is suspended from the IHSAA shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension, according to the Sections in the Constitution and the rules and regulations governing memberships.

Such person shall be from the class of high school from which the selection is to be made in that particular year. Expiration of membership on the Athletic Council shall automatically terminate membership on the Board of Control. Temporary vacancies on the Board of Control may be filled by the Board of Control from the membership of the Athletic Council, but only until the next meeting of the Athletic Council, when the Athletic Council shall itself choose the successors.

Both the Athletic Council and the Board of Control shall choose their own presiding officer, who may or may not be the same individual.

Four places shall be counted in all meets except the State final meet and the places shall count 5, 3, 2 and 1. In the 1924

Annual Meeting it was voted to score as follows in the State Final Meet: First, 5 points; second, 4 points; third, 3 points; fourth, 2 points; and fifth, 1 point. Places in the relay races count double for points. In case of a tie in a track event, shot put or broad jump, the points shall be divided and the places awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position to the contestants with the fewest misses at the tied height. If the tie is still not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by lot. No misses shall be charged to a competitor for a passed height. The points involved in a tie shall be divided equally among the contestants.

c. Events:

The events in all meets shall be 100 yard dash; 220 yard dash; 440 yard dash; half-mile run; mile run; 120 yard high hurdles; 180 yard low hurdles; running high jump; running broad jump; pole vault; putting 12-lb. shot; mile relay and half-mile relay.

Rule 6. There shall be ten separate days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests in the following sports: basketball, football, track, cross country, swimming and wrestling. Only one practice may be counted for any one day.

Rule 7. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the closing date of the sectional tourneys of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tourneys of The State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tourneys if earlier than this final tourney date. (The penalty is suspension.)

Students playing independent, league or organized basketball games, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all inter-scholastic athletics until January 1 of the following year. A prospective student-athlete who

engages in a practice, scrimmage, tryout or otherwise demonstrates his athletic ability either on or off the campus for a college shall be considered in violation of this rule.

Rule 8. The maximum number of games for the regular schedule of any team in basketball shall be eighteen. (The penalty is suspension.)

- a. A player may participate in a maximum of seventy-two quarters of interschool basketball, and one invitational tourney during any one season. No player may participate in more than four quarters in any one session. If a player participates in two invitational tourneys, the quarters played in one tourney shall be included in the seventy-two quarters permitted during the season.

- c. Teams or players participating in a tourney which extends into a second week shall not be permitted to enter a second tourney.
- d. No tourney shall be scheduled to extend over more than two consecutive weekends.

The penalty for violation of this rule is suspension.

Rule 10. All organized or formal basketball practices by players or teams shall be limited to the period beginning October 1 and ending with the date of the State Final Championship Basketball Tourney each school year.

Rule 11. All basketball tourneys, other than the State Championship Tourney Series, shall be held prior to February 1 of each year.

Rule 11a. No inter-school basketball tourney which involves more than four schools, shall be held without the sanction of the IHSAA, except where all the schools are located in a single county.

Rule 12. "Donkey Basketball," "Skruball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball," "Skruball" or similar games, shall be subject to IHSAA eligibility rules the same as in regular basketball games.

Rule 13. All inter-school football games by players or teams shall be limited to the period beginning with the opening day of school or September 1 if school is not in session and ending November 30 of each calendar year. The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until the following November 30.

Note: It is assumed that any member school which participates in an inter-school football game under the above rule before the opening

day of school does so with the approval of the Board of School Trustees through the Superintendent of Schools.

Rule 14. All organized or formal football practices by players or teams shall be limited to the period beginning August 15 and ending November 30 of each school year.

Rule 15. Football practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff.

Rule 16. The maximum number of inter-school games for any team in football shall be ten and one jamboree.

- b. A team or player may participate in not to exceed two quarters in one football jamboree without such participation being charged as a game or quarters played.
- c. No team or player shall participate in a football jamboree later than the second calendar day prior to the first scheduled football game.
- d. A record of the quarters played in football by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.
- e. Schools shall be limited to the playing of one (1) inter-school football game in a calendar week for each team sponsored. A student may participate in only four (4) quarters of inter-school football in any calendar week. (Calendar week defined as Monday through Saturday.) The rule to be effective with the 1963 football season.

Note: A football jamboree is defined as a football contest in which four or more schools, divided into two groups, participate with the winner being determined on the basis of the total points scored by each group.

Rule 17. No inter-school contests shall be played prior to the opening of the school year in the fall. (Exception, see Rule 13.)

Rule 18. There shall be no inter-school athletic contests played, or practices held on Sunday.

Rule 19. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the IHSAA. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 20. Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 21. A high school shall not be considered eligible to enter a sectional basketball tourney in the IHSAA in any year unless the team representing the high school has played eight (8) inter-scholastic games during that season, and before the Official Entry Blank for Tourneys is filed in the IHSAA office.

Rule 22. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the IHSAA, unless under the supervision and auspices of the IHSAA by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the IHSAA for such length of time as the IHSAA Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of \$25.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA.

a. High school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written

permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

NOTE: It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. All organized or formal wrestling practice by students or teams shall be limited to the period beginning November first and ending with the date of the State Final Championship Wrestling Tourney each school year.

Rule 27. There shall be no scheduled meets or tourneys before November 22nd each school year.

Rule 28. The maximum number of dual meets for the regular schedule of any student or team in wrestling shall be fourteen. A student or team may participate in the following (1) Fourteen inter-school dual meets and one tournament in addition to the State Tournament series, or (2) additional tournaments may be scheduled on the following basis: One tournament shall count as two dual meets. Weigh-in for all tournaments shall count only one weigh-in for meeting the minimum requirements for qualification in the State Tournament series. Note: An interschool wrestling meet which involves three or more schools shall be considered a tournament. A tournament shall count as one match for students.

Rule 29. In dual meets, during the weigh-in period each coach shall record the name of the student who is to wrestle in each weight classification. These students shall wrestle unless due to illness or other extenuating circumstances, they are unable to do so. Substitutions can be made only by mutual consent of the coaches. Penalty: Forfeiture of the match. One additional eligible student in each weight class may be weighed-in at dual meets and tournaments for the purpose of meeting minimum weight classification requirements for the State Tournament series.

Rule 30. A student shall be considered as having engaged in a bout if he has officially weighed in, his name has been recorded in the official scorebook, and he has appeared on the mat in uniform, willing to wrestle.

Rule 31. By mutual agreement of competing schools, the inter-collegiate rule relating to maximum and minimum weigh-in time, may be used in dual meets only. The weigh-in may be conducted by any faculty member appointed by the principal except the wrestling coaches. The principal or his representative shall sign the scorebook certifying that the students have met the weight requirements.

Rule 32. Each time a student enters a dual meet or tournament his actual weight shall be recorded, at weigh-in time, in the official scorebook in ink and signed by the referee, and by the principal or his representative if early weigh-in is mutually agreed upon. The home scorebook shall be the official book.

Rule 33. Pupils in schools having modified membership in the IHSAA may participate on the following bases:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a junior high school having modified membership may not compete on the team of a senior high school.

c. Schools with modified membership may participate in tourneys and meets in accordance with the regulations in Article II, Section 2 of the IHSAA Constitution.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in inter-school games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the IHSAA.

Rule 34. A ninth grade student who is enrolled in a junior high school without modified membership in the IHSAA, may compete on either the junior high school or the senior high school team, but not on both. Such junior high schools may have teams using pupils of the seventh, eighth and ninth grades, depending on organization of the school. These teams may compete with similar teams from other schools not having modified membership.

DIVISION IV GIRLS' ATHLETICS

Rule 1. Girls' athletics are bound by the rules and regulations of the IHSAA except for participation in Girls' Play Day programs.

Rule 2. Rules for girls' contests shall be those published for the division for Girls and Women's Sports of the American Association for Health, Physical Education and Recreation.

Rule 3. Inter-school basketball games and tourneys are not recommended for girls.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tourneys.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship, out of season participation, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools concerned and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games.

DIVISION V ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "—a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester

credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school Principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any high school, shall be permitted to participate in any inter-school contest as a member of another high school until

he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew. (See Enrollment Q. and A. 12-4.)

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other high school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Enrollment Q. and A. No. 6.)

Rule 4. The fact that a transfer has or has not been issued, or that the student pays or does not pay his tuition, has no bearing except when the omission of a transfer or payment of full tuition is done for the purpose of unduly influencing a student to enroll for athletic reasons. (See Undue Influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSAA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under IHSAA rules in any contest with any other team, either within or without the State of Indiana.

Rule 7. Enrollment eligibility shall be limited to eight semesters with the understanding that a student who enrolls in the ninth grade for the first time at the beginning of semester two may choose either his first or ninth semester for enrollment eligibility. A mid-year student who participates in any sport during his first semester becomes ineligible for all sports during his ninth semester.

Rule 8. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 9. Any student who has been enrolled more than fifteen (15) school days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter fifteen (15) or more school days between December 1 and March 1 for four times.

Rule 10. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having

participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 11. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter fifteen (15) or more school days between March 1 and June 1 for four times.

Rule 12. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 13. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with residence eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way. (This rule is primarily to enable seniors to remain in the school in which they enrolled and remain eligible to compete in athletics when it is impractical for them to move with their parents.)

In every instance when the parents of an underclassman move, the principal must inform the parents of the IHSAA rule and if the athlete remains in the school after his parents move from the school district, it shall be the duty of the principal to check before he is certified for athletic eligibility. The principal shall report the circumstances and reasons why he remained in the school district on the form (Form J) prepared for that purpose. This report shall be sent to the IHSAA Office and to the principal of the high school in the district to which the parents moved. A student is not eligible under this rule until his residence eligibility report has been reviewed by the IHSAA.

Rule 15. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each high school files a statement, with supporting evidence, with the Board of Control as proof that the change was necessary and that no undue influence was attached to the case in any way. If any action of a legal agency is to be submitted as evidence of unavoidable change of residence such action should be taken prior to the student's enrollment in the new school.

Rule 16. Change of residence as used in these rules shall mean a bona fide move about which there is no question. If the case is that of a change of residence of parents, the change shall be definite and complete.

Rule 17. A student who becomes ineligible under the rules of another state cannot remove that ineligibility by transferring to an Indiana high school. Note: Questions in a case of this kind are to be referred to the Board of Control.

D. Participation—

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 10, under "Enrollment.")

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

Rule 4. A high school student who participates for demonstration purposes, or otherwise, in a coaching school or clinic outside the State of Indiana becomes ineligible for inter-school athletics for a period of time as may be decided by the Board of Control.

Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any inter-scholastic athletic contest by a physician licensed to practice medicine in Indiana.

Rule 2. Previous to the student's first inter-school participation, the principal shall certify to the IHSAA that the certificates required herein are on file in his office.

Rule 3. A student properly certified to participate in inter-scholastic athletic activities, who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury, must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has

not yet entered the ninth grade, to enroll in a high school other than his home high school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a high school when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Rule 3. Students meeting requirements for graduation in three and one-half years in a high school with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the IHSAA.

H. Age—

Rule 1. Students shall be ineligible for any (interschool) athletic competition upon reaching nineteen years of age; with the following exceptions: If the student's nineteenth birthday occurs on or after August 15, he is eligible for fall sports; if the nineteenth birthday occurs on or after November 1, he is eligible for winter sports; if the nineteenth birthday occurs on or after March 1, he is eligible for spring sports. (This rule is effective for all students who enroll in high school after May 23, 1959.)

Rule 1a. Students shall be ineligible for any interschool athletic competition upon reaching twenty years of age. (This rule is effective until August 15, 1963 for all students who have been enrolled in high school prior to May 23, 1959.)

I. Amateurism—

Rule 1. All contestants in the IHSAA must be amateurs.

Rule 2. Professionalism is defined in the IHSAA as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any high school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all inter-school high school sports.

Rule 3. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A high school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. High school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No high school student shall be eligible to participate in any inter-school contest under the rules of the IHSAA, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended from membership in the IHSAA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A high school student, who has violated his amateur standing according to the rules and by-laws of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school Principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

J. Conduct—

Rule 1. Any student, whose conduct or character is such, in the judgment of his high school principal or the Board of Control, as to reflect discredit upon his high school or upon the IHSAA, is not eligible.

K. Married Students—

Rule 1. Married students shall not be eligible for participation in inter-school athletic competition.

Rule 2. Students who have been divorced or whose marriages have been annulled are bound by the above rule.

L. Ineligibility.

Rule 1. In cases in which an ineligible student has been used, the high school principal shall be held responsible and take action as set out in the succeeding rules.

Rule 2. Inform the IHSAA office definitely by giving the name of the student, the cause of ineligibility, the list and scores of contests in which the pupil participated when ineligible, how the error was made and other particulars about the case.

Rule 3. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

DIVISION VI PRIZES AND AWARDS

Rule 1. The giving and receiving of awards and medals shall: (a) be kept within reasonable bounds; (b) have symbolic value only, and (c) be done by and with the consent and under the supervision of the high school principals concerned.

Note—The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in each high school in which he may be enrolled.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even if the award is duly inscribed. An inscription cannot validate such awards in the IHSAA.

Rule 4. Schools belonging to athletic conferences, or participating in tournaments and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make

awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 5. Suitable awards may be accepted by schools and/or students from such local organizations as: service clubs, patriotic organizations, civic groups, dads' and mothers' clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. High school athletes should be permitted to complete their high school careers without being molested by outside sources. The acceptance of travel expenses either directly or indirectly from a college as a prospective student-athlete shall be considered a violation of this rule.

Rule 8. Athletic equipment is considered as merchandise. Any student who attempts to evade the rule by "purchasing" a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Rule 9. Penalties for violations of the above rule will be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE IHSAA

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the Interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

BASEBALL AND SOFTBALL

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism.")

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. High school students, who play on baseball teams other than their high school teams during the school year, make themselves ineligible for baseball in high school in that school year.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school principal on file in the principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school principal. See Note.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school principal in each case. See Note.

Note: Permission granted by a principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the principal informed about his students.

* * * *

A. First team ranking.

5.

Q. How may high school principals secure blank contracts for games and officials?

A. By writing to the Commissioner.

ENROLLMENT

(See Undue Influence Rule. It Takes Precedence.)

1.

Q. What is a five-year man?

A. Students who have been enrolled in high school for more than fifteen (15) school days between September 1 and December 1, or between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

* * * *

2.

Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?

A. No, enrollment rather than participation is the determining factor in such cases.

* * * *

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old

school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions under "Enrollment" Division V, IHSAA By-Laws.)

* * * *

6.

Q. When are students, who finish the work given in one high school, eligible in another high school?

A. Students finishing the work in a high school giving less than four years of high school work are just as eligible in a new high school as they were in the old high school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside that school corporation.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does this enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

58

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized Court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student usually attends high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there. A student not transferring who is an underclassman is not eligible until a "Residence Eligibility After Parents Move From District" form has been reviewed by the IHSAA.

3. A student who changes high schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a high school outside his home school district and subsequently returns to his home high school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made by the Board of Control.

6. If a student changes schools because of an action by a legal agency taken before the change is made, a copy of such legal action may be filed with the IHSAA in connection with proof that the change of schools was unavoidable.

59

7. A student, whose parents are separated or divorced and reside in separate school districts, may choose residence with either parent with residence eligibility. Once his place of residence has been determined, either by order of the court, or mutual agreement of the parents, he cannot change residence to the home of the other parent without losing eligibility for one calendar year.

8. A student who has been enrolled in Indiana Boys' School may return to his home high school with the same residence eligibility as when he left. Credits earned in the state school are considered the same as those earned in any other high school so far as eligibility is concerned.

9. It is the duty of the principal to check carefully the record of every student who transfers from another high school. The principal should also advise students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

10. No student who has transferred from another school is eligible until the principal has on file an IHSAA Athletic Transfer Certificate.

GAMES

1.

Q. What is considered a game of basketball?

A. A game of any kind in the IHSAA is an "inter" contest as distinguished from an "intra" contest. An "inter" scrimmage is a game.

* * * *

2.

Q. May a member school of the IHSAA schedule and play single games with teams and schools in Indiana not members of the IHSAA?

A. Yes, provided these teams and schools are not high schools eligible for membership and also provided the members of the IHSAA observe all of the rules of the IHSAA. There should be no high school students on the non-member teams, except high school teams not eligible for membership.

* * * *

3.

Q. What is the difference between a preliminary game and a regular game?

A. There is no difference as far as the IHSAA is concerned, as the same rules and regulations govern.

* * * *

4.

Q. If a "practice" game of basketball is played is it to be counted as one of the eighteen games on the regular schedule?

A. Inter-"practice" games are regular games and must be counted as such. Intra-"practice" games are not counted as regular games. In fact, there are no such things as practice games in the IHSAA. There are practice games within the school only.

5.

Q. Does the omission of an admission charge make any difference as to the designation of a contest as a game?

A. No, games are "inter"-contests or "inter"-scrimmages with or without admission charges.

* * * *

6.

Q. Is an alumni game considered a game?

A. Yes, such must be counted as one of the games permitted on the regular schedule.

* * * *

7.

Q. What is considered an "inter" game or an "inter-scrimmage?"

A. Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A "scrimmage" by students with or against teams or players not belonging to their high school is considered a game.

* * * *

8.

Q. What date marks the end of the football season?

A. November 30 of each year.

* * * *

9.

Q. May football practices be held any time during the school year?

* * * *

10.

Q. May a member school of the IHSAA schedule and play single games with high schools of other states?

* * * *

11.

Q. May practice periods in one high school be counted as such in another high school where a student changes high schools?

A. Yes, provided definite proof of the practice periods are on file from the principal of the school in which the practices were held.

A. Inter-school game.
* * * *

16.

Q. Are "Donkey Basketball," "Skruball" or other similar games considered basketball in the IHSAA?

A. Yes, and all IHSAA rules are binding.
* * * *

17.

Q. May member schools participate in meets and tournaments, in Indiana or in other states, in which more than two schools are entered, if one or more of these schools are non-members of their own state high school athletic association?

A. No.
* * * *

18.

Q. May students participate in inter-school contests after their school is closed?

A. Due to the great variation of time in which member schools close in the spring, (a) students may represent their schools in meets and tourneys sponsored by the IHSAA; (b) they may participate in scheduled contests where one of the two schools is still in session; (c) they may participate in a contest where both schools are closed, provided it was a regularly scheduled contest that was postponed because of weather conditions; and (d) graduating seniors may participate in contests according to the above conditions, even though they may have received their diplomas.

GIRLS' ATHLETICS

INDIANA LEAGUE OF

HIGH SCHOOL GIRLS' ATHLETIC ASSOCIATIONS

—Purpose—

Many girls in high school are interested in a more extensive program of physical education than can be provided in the regular physical education classes. This desire for a more extensive physical

education program has led many high schools to organize some type of girls' athletic association. In 1931 the Indiana League of High School Girls' Athletic Associations was formed, with the purpose of stimulating the co-curricular phase of the high school girls' physical education program. Membership in the League is open to any high school in the state of Indiana. The League has the endorsement of the Indiana High School Athletic Association and the Division of Health and Physical Education of the Indiana State Board of Health.

The State League offers much to both physical education teachers and students. It provides opportunities for sponsors and students to exchange ideas, share problems, receive encouragement, and engage in a variety of learning activities. The enthusiasm generated through the enjoyment of learning and doing things with people of like interests is one of the main reasons the League is steadily growing.

—Activities—

Each organization carries on its own program of varied activities for which points are given. The purpose of awarding points is to encourage regularity of attendance and to furnish a uniform basis for awards, if a school desires to use awards. The **Sponsor's Handbook** explains the suggested point system.

The State League sponsors activities on both a state and a district basis. Each spring the League, with the co-operation of a state college or university physical education department as host, sponsors a Wall Plaque Winners' playday. Attending this playday is perhaps as great an honor as winning the wall plaque, for here outstanding girls from all over Indiana come together for a day of fun and sport. Each fall the League sponsors a State Leadership Camp—training girls and inspiring both girls and sponsors to be better leaders in their organizations, schools and communities. District activities include dance days, playdays, basketball clinics, and week-end camps—usually two or three such activities each year.

"Sportingly Yours," published six times yearly, contains news of other G.A.A. groups, ideas, new materials, bulletin board materials, and professional articles. Both sponsors and students find it interesting and helpful. "Sportingly Yours," the official organ of the Indiana League, is edited by a high school G.A.A. and is published by the Indiana State Board of Health.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provisions made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships.)

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The high school Principal in any high school belonging to the IHSAA is considered the responsible party in athletics as far as the IHSAA is concerned.

3. The IHSAA considers it the duty and responsibility of the senior high school principal or principals to extend the rules and regulations of the IHSAA with such explanations as may be necessary to all principals in the school system having 9th grade students enrolled and whose schools do not belong to the IHSAA.

4. A high school student is one who carries at least 15 hours of regular high school work, provided such a student has been promoted to the high school in the regular way and according to good school procedure.

5. The IHSAA requests principals having 9th grade students enrolled to confer and co-operate with the senior high school principal

or principals regarding the participation of 9th grade students in inter-school athletics.

6. The IHSAA does not attempt to determine or classify junior high schools and senior high schools. The Association is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the IHSAA when participating in inter-school athletics.

8. A 9th grade student in a junior high school not holding modified membership, may participate on the junior high school team or on the senior high school team in a sport during the season, but he cannot participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the IHSAA.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The IHSAA has no jurisdiction over students below the 9th grade.

12. The IHSAA believes that 9th grade students belong in athletics to the schools, junior or senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc.

13. The IHSAA believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the junior high school rules and regulations in athletics required in the senior high school.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the junior high school or in the senior high school.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are permitted to enter tourneys and meets in accordance with rules provided for Modified Members. (See Article II, Section 2 of the Constitution.)

17. All IHSAA supplies and publications will be sent to junior high school principals upon request.

18. See modified membership regulations immediately following.

Junior and Senior High School Modified Membership Regulations

Modified membership may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

1.

Q. What type of school may hold a modified membership?

A. A high school offering and maintaining less than three years of high school work.

* * * *

2.

Q. Is it necessary for a junior-senior high school, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?

A. No, full membership meets the requirements.

* * * *

3.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?

A. No, schools holding modified or full memberships are required to use students in the 9th and 10th grades.

* * * *

4.

Q. May schools holding modified memberships compete with high schools who do not hold membership in the IHSAA?

A. No, permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

66

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No, these students are not eligible for any teams in high schools holding any type of membership in the IHSAA.

* * * *

6.

Q. May a 9th grade student, who is enrolled in a junior high school participate on the senior high school team?

A. No, if the junior high school holds a modified membership. Yes, if the junior high school does not hold a modified membership.

MISCELLANEOUS

1.

A. The IHSAA has no ruling in regard to this matter, but recommends that mid-week games not be scheduled or played except in emergencies.

* * * *

Q. May schools hold or sanction Sunday practices?

A. No. (See Division III, IHSAA By-Laws.)

* * * *

A. No, ineligibility for one team means the same for all teams.

* * * *

4.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes, this one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in interscholastic athletics.

* * * *

5.

* * * *

6.

Q. Is a student, who is expelled from high school one semester, eligible for the following semester?

A. The IHSAA has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the IHSAA are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.

* * * *

7.

Q. May a high school support a grade team in the same school system out of its athletic funds?

A. Yes, so far as the IHSAA is concerned.

A. Yes, all "inter" athletic participation comes under the IHSAA.

68

12.

Q. May high schools belonging to the IHSAA take part in track meets or tourney games outside of Indiana?

A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the high schools belonging to the IHSAA must be held under the direct supervision, management and auspices of the member high schools concerned, or under the IHSAA. Interstate basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the IHSAA are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The IHSAA believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance fails.

* * * *

14.

Q. What is considered the school year?

A. A school year covers all time from the first day to the last day of the school year, including vacations. The IHSAA considers the first day of school to be the day that attendance is counted and teachers are paid.

* * * *

15.

12. Any inducement to get parents or students to change residence for athletic reasons.

* * * *

29.

Q. Why should a school be penalized because some person outside of school uses undue influence?

A. Usually a school is not penalized unless it is involved or uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence: An athlete that has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

71

30.

Q. Is it the duty of the IHSAA to prove that undue influence has been used?

A. No, the high school principal has agreed to conduct his athletic activities according to the rules and regulations of the IHSAA. * * * *

31.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?

A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

* * * *

32.

Q. What steps should be taken in ineligibility cases?

A. In cases in which an ineligible student has been used in interschool athletics the following steps should be taken immediately by the high school principal:

1. Inform the IHSAA office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The IHSAA should be informed as to how the error was made.

2. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these principals to notify the IHSAA office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

* * * *

33.

Q. What is considered the first day of school?

A. The first day of school is the first day on which attendance is counted and teachers are paid.

72

34.

Q. Do seniors have any rights and privileges in athletics not granted to other students?

A. No, in fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the IHSAA in which their high school holds membership.

* * * *

35.

Q. What constitutes a regularly employed teacher in the IHSAA?

A. The Board of Control has ruled that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full time service, as a teacher on a full time contract and regularly paid out of school funds. Specific questions require specific answers.

* * * *

* * * *

2.

Q. What is considered participation in a sport for a season?

A. Playing in a part of one game or contest in a sport constitutes participation in that sport for that season. (See exception, Division V, under "Enrollment.")

73

3.

Q. May member schools play against College, Y. M. C. A. and independent teams?

A. Yes, in single games, but not in tourneys, meets and leagues. In single games the member schools must obey all of the rules of the IHSAA and there must not be any high school students on the opposing teams.

* * * *

4.

Q. May a student who plays on an independent team be permitted to participate in intra-mural athletics?

A. Yes. IHSAA rules and regulations govern inter-school athletics only.

PRIZES AND AWARDS

* * * *

5.

A. 1. Donors should be checked carefully regarding attitudes, purposes and types of business.

2. Recipients should be selected by committees on which the principal and school authorities hold the balance of power.

3. All prizes and awards should be limited in number and confined to those reasonable in price and having symbolic value only. Cash or merchandise prizes or awards are not permitted. Awards or prizes of any kind which may be construed as advertising for any individual or firm are not permitted.

4. Purposes should be critically studied so that commercial interests, proselyting interests and interests foreign to good school procedure may be eliminated.

5. Principals shall be expected to know and to execute the rules, regulations and policies to the best of their ability according to their wording and spirit since the giving and receiving of awards shall be done by and with the consent and under the supervision of the principal in each high school.

6. No awards should be made by a "secret committee" of any outside organization, without the knowledge and consent of the high school principal as to the recipient.

Q. What constitutes professionalism in the IHSAA?

A. Accepting remuneration, directly or indirectly, for playing on athletic teams, officiating in athletic games or managing athletic teams, or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. See Division V under Amateurism in the IHSAA By-Laws.

A. Yes, a professional in one sport is ineligible for all sports.

3.

Q. Does a student become ineligible in all sports, if he plays on a team other than the high school team in one sport?

A. No, a student becomes ineligible only in the sport in which he participates as a member of a team other than the high school team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing basketball out of season makes a student ineligible for all sports until January 1 of the following year. Playing football out of season makes the student ineligible for all sports until the following November 30.

* * * *

4.

Q. Are high school students permitted to play on teams that split the gate receipts among the players including the high school students?

A. No, this would be considered professionalism.

A. Yes, a high school student, who has violated his amateur standing according to the rules and regulations of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

A. Yes, there seems to be no justifiable reason for a high school student to participate in professional athletics and also in high school athletics.

76

8.

Q. Should amateurism be defined by the IHSAA for its specific purposes or should the definitions of other organizations be accepted in the association?

A. Amateurism should be defined by the IHSAA for IHSAA purposes. There is no definition of amateurism acceptable to all organizations.

RESPONSIBILITY

1.

Q. Who is the responsible party in IHSAA athletics?

A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the principal of each high school voluntarily taking out a high school membership in the IHSAA has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the IHSAA membership the conditions are found to be such that the high school principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the high school principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. The proof that the high school principal is the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school shall rest in all cases with the school officials concerned.

* * * *

2.

Q. Who is the proper official to sign contracts for games?

* * * *

3.

Q. Who may manage a high school team?

A. A high school principal or teacher authorized by him. Student management is not permitted.

77

SCHOLARSHIP

1.

Q. May back work be made up and counted toward eligibility?

A. Yes. Back work cannot be made up, however, during a grading period or semester for eligibility during that grading period or semester. Special privileges should not be granted to athletes. (See Summer School Work.)

* * * *

2.

Q. Would a student, declared ineligible by one principal, be ineligible under another principal?

A. Yes, if the student is ineligible according to the rules of the IHSAA. The IHSAA has no jurisdiction unless its rules are violated.

* * * *

3.

Q. May a student, who receives his high school diploma, be eligible afterwards?

A. No, the granting and acceptance of a high school diploma makes a high school graduate. (See exception under "Games" Question and Answer No. 18.)

A. Yes, at home in regular practice, but ineligible students should not appear in athletic uniforms at games.

* * * *

* * * *

6.

Q. Who is a post-graduate?

A. A post-graduate is a student who has finished his high school work and has received his high school diploma. Students who have completed sufficient work to receive a diploma, but who continue in school until commencement, must be considered eligible or ineligible according to all other rules of eligibility, such as age, time in school, participation, work carried, etc.

78

7.

Q. To determine eligibility, what constitutes the last semester?

A. The last semester for any student is the last semester in which the student was enrolled in any high school for any length of time after the first fifteen (15) school days.

* * * *

8.

Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in three regular high school subjects for this period?

A. In order to be eligible at the end of any grading period in a semester, a student must have passed in three regular high school subjects for the current grading period and his average grade in each of three regular high school subjects for all of the grading periods in that semester must be passing. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

* * * *

9.

Q. Is a "condition" or an "incomplete" considered a "pass" in the IHSAA?

* * * *

10.

Q. Is a student, who carries three regular high school subjects and one or more eighth grade subjects, considered a high school student?

* * * *

11.

A. No, the IHSAA has no such requirements.

79

13.

* * * *

14.

Q. What constitutes scholarship eligibility?

A. In order to be eligible for a current semester a student must have passed in three regular high school subjects in his last semester of enrollment in any high school and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

* * * *

15.

Q. Are any special regulations in force pertaining to discharged veterans?

A. By action of the Athletic Council, May 23, 1947, all IHSAA special regulations concerning discharged veterans were discontinued.

* * * *

A. No, such a student would not meet the requirement of passing in three regular high school subjects **throughout** his last semester of enrollment. (See exception, under "Enrollment.")

Q. May a credit in "Physical Fitness" be counted toward eligibility in athletics?

In fact, the IHSAA recommends summer school work of an approved type for students needing credits.

Approval was also given for the transfer of Glenn (Terre Haute) High School to modified membership from full membership.

BROOKVILLE HIGH SCHOOL—WADE URBAN AND ERWIN ROBERTS

These two boys are beginning ninth grade students and reside with their respective parents in Springfield Township (Fayette County). Neither boy has previously been enrolled in any other high school. Springfield Township High School has been discontinued.

Principal George E. McKinney of Brookville High School desired to know the residence eligibility of Wade Urban and Erwin Roberts

if they enroll in Brookville High School either by transfer or payment of cash tuition.

Decision—Wade Urban and Erwin Roberts may be considered eligible as to residence at Brookville provided no undue influence is attached to the two cases in any way.

BROOKVILLE HIGH SCHOOL—DOUGLAS SIEBERT

Last year this boy resided with his parents and attended Brookville High School. Recently the boy's father was appointed Superintendent of Whitewater State Park near Liberty. The family is now residing at the Park. The home at Brookville has been rented with the exception of one room which may be used occasionally by Douglas and his mother, who is an elementary teacher at Brookville. Mrs. Siebert drives from the park to Brookville daily. Principal George E. NOW THEREFORE, BE IT RESOLVED that the members of the IHSAA Board of Control, assembled in meeting, August 18, 1961, recognize and acknowledge their esteem and high regard for this outstanding leader, and the debt of gratitude which the IHSAA owes to him, and

BE IT FURTHER RESOLVED, that we extend our sincere sympathy to Mrs. Costello and other members of the family, and that a copy of this resolution be sent to Mrs. Costello."

The Board of Control adjourned to meet again in the IHSAA Office on September 14, 1961, at 9:30 a.m.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, September 14, 1961

Present: President Lester M. Parker, Eugene Huddleston, H. T. McCullough, Lloyd W. Miller, Bill Tislow, Commissioner L. V. Phillips and Assistant Commissioner Herman F. Keller.

The minutes of the previous meeting were approved as written.

IHSAA FINANCES

The Commissioner reported that U. S. Treasury Bills in the amount of \$15,000.00 due September 7, 1961, had been sold and the proceeds deposited in the IHSAA checking account for current expenses. U. S. Treasury Bills in the amount of \$80,000.00 due and payable September 14, 1961 had been reinvested in U. S. Treasury Bills due March 14, 1962. He also reported that U. S. Treasury Bills in the amount of \$100,000.00, due September 21, 1961, would be deposited in the IHSAA checking account for the purpose of making the special distribution to member schools, October 1, 1961. U. S. Treasury Bills due September 28, 1961, in the amount of \$50,000.00 will be reinvested.

Careful consideration was given to an offer by the U. S. Treasury Department to exchange bonds bearing a higher rate of interest for some issues now held by the IHSAA. It was decided not to make the exchange because of the long time maturity date of the new bonds.

IHSAA CLINICS

Assistant Commissioner Herman F. Keller outlined plans for the state clinic for coaches of swimming and wrestling. Approval was given for the IHSAA to sponsor these clinics.

BLUE CROSS-BLUE SHIELD INSURANCE

The Board approved the renewal of Blue Cross-Blue Shield Insurance for IHSAA Office employees at a slight increase in rates.

Decision—Richard Clouse is considered eligible as to residence at Columbia City due to unavoidable change of residence.

HUNTINGTON HIGH SCHOOL—HUNTINGTON TWP. HIGH SCHOOL—JERRY FAHRNOW

This boy is from a broken home. Last year he lived with his mother and attended Huntington Township High School. His mother is now

MENTONE HIGH SCHOOL-BEAVER DAM HIGH SCHOOL—RICKY NINE

Ricky Nine resides in Seward Township (Kosciusko County) which maintains no high school. Students are transferred to other high schools. Last year bus transportation was provided to both Beaver Dam and Mentone. This year the Seward Township Trustee has discontinued transportation to Beaver Dam, giving as his reasons the small number of students riding the bus and lower tuition costs at Mentone.

Ricky Nine, who was enrolled at Beaver Dam last year, has transferred to Mentone on the ground that he no longer has bus transportation to Beaver Dam. The latter school has questioned Ricky's eligibility at Mentone on the ground that the bus was discontinued for the purpose of making Ricky eligible at Mentone.

Representatives of both schools along with the Seward Township Trustee and Ricky Nine appeared before the Board in connection with the case.

Decision—After weighing all the information at hand the Board decided that the evidence was not sufficient to warrant ruling Ricky Nine ineligible at Mentone. Principal John F. Frederick is warned that he must be prepared to defend his school against any further charges that may be filed in connection with this case.

MUNCIE BURRIS HIGH SCHOOL—LEON DIXON

Leon Dixon resides with his parents in Muncie, Indiana. During the past three years he has been enrolled as a student in Marmion Military Academy, Aurora, Illinois. This year he has transferred to Muncie Burris High School. There has been no change of residence on the part of the parents.

Principal M. C. Howd has requested a ruling on this boy's eligibility.

Decision—Leon Dixon is ineligible as to residence at Burris High School for one calendar year beginning on the date he enrolled at Burris this semester.

PETERSBURG HIGH SCHOOL-DECKER CHAPEL HIGH SCHOOL—GARY HORRALL

Because of a change of residence on the part of the parents Gary Horrall transferred from Decker Chapel High School to Petersburg High School at the beginning of the present semester. Principal O. A. Sanders of Decker Chapel questioned Gary's eligibility at Petersburg because of reports that he had violated the rule on out-of-season basketball participation in connection with a recreation program at Petersburg.

Principal Sanders along with Principal William Weathers (Petersburg), two members of the Petersburg coaching staff and Gary Horrall appeared before the Board of Control. Following a review of

the Petersburg summer program including basketball activities it was agreed that Gary Horrall had not been in violation of the rule on out-of-season basketball participation. Principal Sanders said he would withdraw his question about Gary's eligibility.

Decision—Gary Horrall is considered eligible at Petersburg High School.

SHELBYVILLE HIGH SCHOOL-MUNCIE CENTRAL HIGH SCHOOL—THOMAS JOHNSON

This boy is from a broken home. Last year he resided with relatives and attended Muncie Central High School. The home in Muncie is no longer available and Thomas is with his father and is enrolled in Shelbyville High School. Letters are on file from the principals of the two schools concerned.

BASKETBALL RULES

As has been the custom for the past several years, the Board of Control approved a number of special rules and regulations for the state basketball championship series which deviate somewhat from the official rules. For the information of coaches and school officials, the Board directed that these changes be printed in the October Bulletin.

NEW MEMBERS

Otter Creek Junior High School of North Terre Haute and Osolo Junior High School of Elkhart were approved for modified membership in the IHSAA for the 1961-62 school year.

On September 19, 1961, the School Board of Carroll Consolidated School District adopted a policy of refusing to accept transfer students. Terry had to withdraw from Carroll and transfer to Delphi.

Decision—Terry Snider is considered eligible as to residence at Delphi High School.

DUGGER HIGH SCHOOL—RONNIE BOOKER

Last year this boy lived in the home of a brother and attended Pleasantville High School. During the summer the brother moved from Pleasantville and Ronnie went to Dugger to reside with his parents.

Letters on this case were filed by Principal C. B. Lind of Pleasantville and Principal C. W. Stegemoller of Dugger.

Decision—Ronnie Booker may be considered eligible as to residence at Dugger High School.

EAST CHICAGO WASHINGTON HIGH SCHOOL— DANIEL BRIGGS

Last year this boy resided with his mother and attended Lincoln High School, Charleston, Missouri. This year he resides with a sister and attends East Chicago Washington High School. Statements are on file from the principals of the two schools.

Decision—Daniel Briggs may be considered eligible as to residence at East Chicago Washington High School.

ELMHURST (FORT WAYNE) HIGH SCHOOL—VANCE WISE

Last year this boy resided with relatives and attended Miamisburg (Ohio) High School. This year he has returned to the home of his parents in Fort Wayne and is enrolled at Elmhurst High School. The principal of Miamisburg stated very emphatically that in his opinion it was not necessary for Vance to return to Fort Wayne in order to have a home.

Decision—Vance Wise is ineligible for one calendar year at Elmhurst beginning on the day he enrolled there this semester.

REYNOLDS HIGH SCHOOL—JERRY WIESE

Last year Douglas Smith attended Glenn High School as a ninth grade student. In the school reorganization of Vigo County, Glenn has been made a junior high school and no longer offers work above the ninth grade. In a letter dated September 27, 1961, Principal Harley Lautenschlager of Laboratory School stated that in accordance with the policy of the School Board of the Vigo School Corporation, Douglas had a choice of attending either Gerstmeyer or Laboratory. Douglas chose to enroll at Laboratory.

Decision—Douglas Smith is considered eligible as to residence at Laboratory High School.

SULLIVAN-TERRE HAUTE GERSTMAYER FOOTBALL GAME

On September 29, 1961, Terre Haute Gerstmeyer and Sullivan played a football game at Sullivan with the score 6-0 in favor of Gerstmeyer.

Because of mechanical difficulties with the automatic timer it was decided that the umpire keep time with a stop watch during the final quarter. Umpire Clifford Stone (Evansville) inadvertently ended the game with only eleven minutes played in the last quarter. The error was discovered later. Considerable discussion followed, but no action was taken. The officials did not order resumption of the game.

Principal Paul L. Asbury of Sullivan filed a protest with the Board of Control. Both schools filed written reports.

Decision—It is the unanimous opinion of the Board of Control that the error in timing should have been corrected immediately by the game officials. Sullivan's protest is denied and the score remains Gerstmeyer 6-Sullivan 0.

MIDDLETOWN-MARKLEVILLE BASEBALL GAME

On September 26, 1961, Markleville and Middletown played a baseball game at Middletown with the result Middletown 9-Markleville 1. In the absence of a base umpire, Principal Earl L. Grove of Middletown, who is not an approved baseball official in the IHSAA, served as base umpire in the game.

Markleville, while not protesting the outcome of the game, did protest the use of a non-approved official by Middletown. Principal Grove informed the IHSAA that he had worked without being approved by the IHSAA.

Decision—Principal Earl L. Grove is severely reprimanded and warned that a repetition of this infraction of the rules may cause his school to be suspended from the IHSAA for a period not to exceed one year as may be determined by the Board of Control.

ALL-STATE FOOTBALL PLAYERS

For several years the United Press International has selected a first, second and third all-state high school football teams. This year the publisher of a Bloomington newspaper, which is a client of UPI, plans to invite the thirty-three players and their coaches to a dinner at a downtown hotel in Bloomington. The Board of Control was asked if any IHSAA rule would be involved if these boys attended the dinner.

It was the opinion of the Board of Control that unless prizes and awards were given there would be no violation of the rules by attending the dinner. The Board recommended that the Athletic Council appoint a committee to review the present IHSAA rules on prizes and awards for the purpose of recommending any changes that may be considered desirable.

IHSAA OFFICE

The Board approved the expenses of the IHSAA office secretaries in connection with attendance at the meetings of the Indiana Educational Secretaries Association, October 25 and 26.

The Board of Control adjourned to meet again, October 26, at 9:30 a.m. in the IHSAA Office.

Last year this boy was enrolled at Vernon High School where he was ruled ineligible until January 1, 1962, by Vernon school officials

for breaking training rules. This year he is attending Dupont High School. There is also a question as to whether John Charles made a bona fide change of residence to Dupont. IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, November 9, 1961

Present: President Lester M. Parker, Eugene Huddleston, H. T. McCullough, Lloyd W. Miller, Bill Tislow, Commissioner L. V. Phillips and Assistant Commissioner Herman F. Keller.

The minutes of the previous meeting were approved as written.

DUPONT HIGH SCHOOL—JOHN CHARLES HARDING

During the 1960-61 school year this student attended Vernon High School at Vernon, where his parents resided. On September 8, 1961, the parents changed their residence to the Dupont school district and John Charles enrolled in Dupont High School. Principal Jerome Ulrich questioned this change of schools on the ground that it was done so that John Charles could avoid a penalty for breaking a training rule which had been assessed by Vernon's basketball coach. Principal Robert M. Henning of Dupont, the student and his father appeared before the Board of Control in connection with the case.

Decision—After considering all the information on file it was ruled that John Charles Harding may be considered eligible as to residence at Dupont High School.

EAST CHICAGO WASHINGTON HIGH SCHOOL—LEONARD ADAMS JR.

As the result of a protest made by East Chicago Roosevelt on the scholastic eligibility of an East Chicago Washington football player, the following named persons appeared before the Board of Control: From Washington—Principal John P. Fox, Head Football Coach Jules Siegle and Miss Patricia Lucas, English teacher; from Roosevelt—Principal H. E. Walley and Head Football Coach Pete Rucinski, John Patrick, Athletic Director of East Chicago City Schools, also attended.

Leonard Adams, Jr., a junior in East Chicago Washington, passed in only two subjects (three are required for athletic eligibility) for his last previous semester. During summer school he repeated a course in American Literature and failed for a second time. His teacher, Miss Patricia Lucas, filed a grade of "F" for Leonard Adams, Jr., in the principal's office following the close of summer school. Failure to have three recorded credits by the opening day of school, September 6, 1961, automatically made Leonard scholastically ineligible for the entire semester. Information to the effect that Adams had scholastic difficulties was carried by the press in a pre-season article on Washington football prospects. Due to ineligibility he did not practice with the squad.

On September 19, 1961, Miss Lucas, who taught Leonard during summer school, visited the principal's office and changed Leonard's grade from "F" to "D". At the same time she filed with Principal Fox an eight page statement in which she attempted to justify her action.

In the statement she gave Mr. Fox the grades made by Leonard in summer school which clearly indicated failure. She said it was against her principles to change a grade but after making an exhaustive study of Leonard's home life she had decided to change the grade to passing for the good of the boy. Also she warned that she realized that the boy was a good football player and that her action might bring an investigation. Asked by the Board of Control if any pressure had been brought to get her to change the grade, she replied in the negative, but did say that she had been approached by Jules Siegle, football coach, to ask if there was anything she could do for Leonard Adams.

Principal Fox without further investigation accepted the changed grade and after ten days of practice he certified Leonard Adams as being eligible to participate. He participated in five games.

Prior to the East Chicago Washington-Roosevelt game, Principal H. E. Walley of Roosevelt protested the scholastic eligibility of Leonard Adams, Jr., who was withheld from the game pending investigation.

During the meeting it was brought out that Coach Siegle had severely blasted Principal Walley over the radio because the protest had been filed. Coach Siegle apologized to Principal Walley before the Board of Control and others present.

Decision—

1. East Chicago Washington High School shall forfeit all football games in which Leonard Adams, Jr. participated this semester including a tie game with Michigan City.

2. Leonard Adams, Jr., is ineligible the remainder of this semester and all of the next semester in which he is enrolled in high school.

Entry blanks and entry fees were to be sent directly to the Shamrock Club. Awards were being solicited from commercial interests and the officials and other help were being supplied by the Shamrock Club.

In view of the fact that the meet was being conducted in a manner contrary to IHSAA rules, the Commissioner recommended that sanction be withdrawn. The Board of Control unanimously voted to withdraw sanction of this meet.

During the 1960-61 school year Edward resided with his mother at Converse and attended Oak Hill High School. At the beginning of the present school year Edward moved to the home of his uncle and aunt, Mr. and Mrs. Estel Birch, at Disco and enrolled in Laketon High School. At first Edward was ruled ineligible as to residence. Later the mother reported to Principal Don H. Arnold of Laketon that she had moved her residence to the Birch home at Disco. A question arose as to whether the mother had made a bona fide change of residence.

Principal Arnold, Edward Shaneberger and his uncle, Estel Birch appeared before the Board and explained the circumstances of the case.

3. The Commissioner was authorized to handle complimentary tickets under the same general plan as used in previous years.
4. The Board voted to continue the same amount of liability and compensation insurance as was in effect last year. The maximum coverage under this policy is \$250,000.00 each person and \$500,000.00 each accident with \$5,000.00 general property damage and \$25,000.00 auto property damage. The pairings are to begin at 8:00 a.m. EST, February 14, 1962, with immediate release to the Indianapolis News, Times and Star and the Associated Press and United Press International.

Semi-State Tourney Schools:

School No. 1 drew Block No. 7	School No. 7 drew Block No. 8
School No. 2 drew Block No. 1	School No. 8 drew Block No. 12

School No. 4 drew Block No. 9	School No. 10 drew Block No. 10
School No. 5 drew Block No. 3	School No. 11 drew Block No. 11
School No. 6 drew Block No. 6	School No. 12 drew Block No. 4

The names of the schools will be arranged alphabetically by cities as soon as they are known, then numbered in this order—and the plan automatically operates.

DELAYED TELECASTS

The Board voted not to approve the filming or taping of all or a portion of tournament games to be used in a delayed telecast. This action does not prevent the use of brief highlights of a few minutes in length on telecast news reports of any of the tourneys.

The Board of Control adjourned to meet again in Indianapolis, February 1, at 9:30 a.m.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 1, 1962

The minutes of the previous meeting were approved as written.

HALL OF FAME

In response to a letter from the Executive Secretary of the Naismith Memorial Hall of Fame soliciting IHSAA membership, the Commis-

sioner was requested to present detailed information on the types and costs of institutional and individual memberships in the Hall of Fame.

FRANKLIN HIGH SCHOOL—JOHN WEAVER

Principal Ray Reed of Franklin High School reported that this boy earlier in the season, when not a member of the squad, on one occasion had engaged in basketball playing with boys outside of school. Principal Reed said there was no coach, no referee, no timer or scorebook.

Decision—In the opinion of the Board, John Weaver came dangerously near to making himself ineligible for participation in basketball the remainder of the season. Principal Reed was directed to warn this boy to refrain from any similar activity outside the school which might jeopardize his eligibility for the high school team.

TOURNEY OFFICIAL

Referee Alan F. Smith (Versailles) who had been selected as a 1962 basketball tourney official asked to be relieved of his contract due to an injury received while officiating a game. The request was granted.

BROWNSTOWN-MILAN

A game of basketball between Milan and Brownstown at Milan, January 29, 1962, was officiated by referees Don Hurst (Greensburg) and Paul Grimes (Columbus). Referee Hurst reported that he was addressed by a Brownstown fan in particularly vile language and that Brownstown fans were unusually critical of the officiating. He also said he attributed the unfavorable reaction of the fans to what was termed the "antics" of Mr. Harry Spurgeon, a Brownstown teacher and an IHSAA official. Principal William F. McNees of Milan and Referee Paul Grimes substantiated the complaints made by Referee Hurst.

Decision—Principal Driver is directed to send written apologies on behalf of his school to Principal McNees and Referees Hurst and Grimes. He is also directed to improve the sportsmanship of Brownstown fans. Mr. Spurgeon is directed to send letters of apology to Referees Hurst and Grimes.

discussed. It is understood action on this matter will be taken at an early date.

ALL-AMERICA AWARDS

The Commissioner reported that he had directed that certificates and other awards sent to high school students designating them as "All-America football players" be returned. The IHSAA has never approved such an award. Furthermore high school principals were not contacted before such awards were made to students. Apparently a considerable number of these All-America awards were scattered throughout Indiana. Recipients were invited to participate in an All-America football game in Oklahoma about mid-May before schools are closed.

OAKLAND CITY-FORT BRANCH

In a reserve basketball game between Oakland City and Ft. Branch with nine seconds to play (score Ft. Branch 36-Oakland City 32) the Oakland City coaches took their team from the floor and did not finish the game.

Decision—Principal Martin E. Kell of Oakland is to warn Coaches Robert Reinhart and Jerry Aydt that any further action of this kind may result in a period of suspension for their school from the IHSAA. Coaches Reinhart and Aydt are directed to write letters of apology to Fort Branch High School with copies filed with the IHSAA.

ALL-STAR GAMES

The National Collegiate Athletic Association has approved a plan whereby requests for sanction of all-star games in which recent high school graduates participate will be screened by the NCAA where the state association has no authority over the athletic activities of students after they have graduated from high school.

The constitution, rules and by-laws of the Indiana High School Athletic Association cover only athletic events between and among member schools for grades nine through twelve.

Because the IHSAA is not authorized to approve or disapprove all-star games in which high school graduates participate, the Board of Control directed the Commissioner to refer persons making requests for sanction of such all-star contests to the sanctioning committee of the NCAA.

BASKETBALL TOURNEYS

1. The Board reviewed work done at previous meetings on tourney officials. Tentative approval was given to a list of officials to be assigned for work in the eighty-five tourneys from the sectionals to the final tourney. It was understood that changes may be made prior to the drawing of the schedules, February 14, 1962.

5. The Board of Control approved the Spalding basketball for use in the final tournament.

The Board of Control adjourned to meet again in the IHSAA Office, February 13, 1962, at 2:30 p.m.

During a basketball game between New Castle and Muncie Central at Muncie, January 26, 1962, Bill Dinwiddie (Muncie Central) and Eric Harter (New Castle) engaged in an altercation in which it was alleged that Dinwiddie struck Harter. The referee immediately ejected both players. At the time it did not appear there was any physical injury to either player. Later x-rays of Eric Harter disclosed a hairline fracture of the jaw.

On January 29, 1962, Principal James L. Pugh (New Castle) informed Principal John P. Huffman (Muncie Central) of Harter's injury. Principal Huffman told Principal Pugh that he would take immediate action. On January 30, 1962, Principal Huffman ruled Dinwiddie permanently ineligible for athletic participation in connection with another incident.

Because Dinwiddie had been ruled ineligible for future athletic participation no action was taken by the Board of Control.

CONDUCT OF MUNCIE CENTRAL ATHLETES

While returning by bus from a basketball game with Indianapolis Shortridge High School, some members of the squad conducted themselves in such a manner that Principal John Paul Huffman and Muncie school officials made a prompt investigation which resulted in four players being ruled ineligible for athletic participation during the remainder of the school year. Because Principal Huffman had treated this situation as an internal school disciplinary problem and had promptly assessed severe penalties, the IHSAA did not enter the case.

BASKETBALL HALL OF FAME

The Board approved for the IHSAA an Institutional Membership in the Naismith Memorial Basketball Hall of Fame at Springfield, Massachusetts.

ROBERT S. HINSHAW TRACK AND FIELD AWARD

The Board of Control voted unanimously to establish a track and field award in memory of the late Robert S. Hinshaw, who served as IHSAA Assistant Commissioner from December 10, 1945, to the date of his death, June 3, 1961. This award will be similar to the Trester Award in basketball.

6. The schedules for the sectional, regional, semi-state and state tourneys were drawn by the Board of Control in the presence of representatives of the Indianapolis News and Times and the Associ-

ated Press and United Press International. Immediately after the first schedule was drawn, the office staff started typing and checking copies for the press. These copies were made available to the news media for immediate release.

The Board of Control adjourned to meet again in the IHSAA Office, on March 16, 1962, at 2:30 p.m.

Approval was given for the payment of a fee of \$150.00 to Howard E. Nyhart Company of Indianapolis for services as consultants on an IHSAA annuity plan.

CONFERENCE ON ADMINISTRATION OF ATHLETICS

The American Association of Health, Physical Education and Recreation had informed the IHSAA that the AAHPER, in conjunction with several other organizations, would sponsor a conference in December, 1962, for making recommendations on the administration of secondary school athletics at the local level. The IHSAA was requested to submit a list of five persons from which representatives would be invited to attend the conference in Washington, D. C. On the advice of the Board of Control the Commissioner submitted the names of three Athletic Council Members and the Commissioner and Assistant Commissioner. Apparently the AAHPER was not satisfied with the list and has now asked that a list of athletic directors be added to the original list of five names.

The Board of Control decided that no additions be made to the original list.

The IHSAA Office was authorized to proceed with plans for holding the state track and golf meets. It was understood that these plans would be published in the April Bulletin.

Only at the Chesterton sectional was there official criticism of the management by participating schools. Reports on this situation will be considered at a later meeting.

The Commissioner reported that adverse criticisms of the officiating by participating schools had been at a minimum for the 1962 tourneys.

FAYETTE CENTRAL HIGH SCHOOL—DANNY LACY

This boy resided with his mother and stepfather at Rushville and enrolled at Rushville High School. Later he went to live with his grandmother in Milroy where he enrolled in high school (October 30, 1961). Because there was no change of residence on the part of the parents and in the opinion of Principal Ben Earley of Rushville the change was not necessary in order for the boy to have a home, Danny became ineligible as to residence for one calendar year, ending, October 30, 1962.

In February, 1962, Danny changed his residence to the home of an uncle and aunt and enrolled in Fayette Central High School. In the opinion of Principal Everett W. Heath of Milroy this change was necessary in order that Danny have a home.

Decision—Danny Lacy may be considered eligible as to residence at Fayette Central High School beginning, October 30, 1962.

CHESTERTON SECTIONAL BASKETBALL TOURNEY

As a result of complaints made by the participating schools in regard to the management of the 1962 Chesterton sectional basketball tourney, the following named persons appeared before the Board of Control: (from Chesterton) Dr. Joseph Griffin, President of the school board, and Principal George Kriviskey; from other schools—Principal Melvin B. Taylor (Kouts High School), Principal Myron C. Knauff (Hebron High School), Principal King Telle (Valparaiso High School) and Principal James W. Dold (Washington Township High School).

The chief complaint centered around the sale of single session tickets for the evening of February 23, 1962. Principal Kriviskey confirmed that, due to unfavorable weather, tickets had been placed on sale prior to the time that previously had been agreed upon. No announcement had been made about the change. Many fans did not get a change to purchase tickets. This resulted in considerable ill feeling and verbal controversy.

Following a lengthy discussion these points were agreed upon for the conduct of future sectional tourneys held in Porter County:

1. The Center Principal, as designated by the IHSAA, shall be responsible for the administration of the tourney without interference from any source.
2. The Center Principal shall hold a pre-tourney meeting of all principals for the purpose of arranging details for the conduct of the tourney. These details shall be put in writing with copies furnished to all the participating schools and the IHSAA.
3. All tickets shall be reserved. All single session tickets shall be placed on sale at the time and place previously agreed upon. In the event of any change because of an emergency, the Center Principal shall notify all other schools if at all possible.
4. All the principals will be expected to do their utmost to promote good sportsmanship on the part of their students and fans throughout the tourney.

PROPOSALS

(a) Proposals before the Athletic Council at the May, 1961, meeting concerned the maximum number of basketball games, per team, a school may schedule for each season. Action was postponed to the October, 1961, meeting pending an opinion poll by the Board of Control among all member schools.

Below are the questions submitted to the member schools with the results obtained:

1. Does your school favor retaining the present regulations which permit an eighteen game basketball schedule with practice starting October 1, and games November 1?
Yes 301 No 196
2. Does your school favor limiting only football playing schools to a basketball schedule of sixteen games?
Yes 148 No 342

Chairman Lester M. Parker of the Track and Field Committee reported that the Board of Control had been working on plans to expand Cross Country sectionals from eight to twelve with three regionals added to the present plan. Mr. Parker also recommended that consideration be given to holding the State Track and Field Meet in the afternoon, thus eliminating forenoon trials.

FOOTBALL SCHEDULES

Norman J. Hubner, Chairman of the Football Committee, made a report on a survey of 1962 football schedules to determine how many schools schedule more than one football game in one week. The report showed that 59 schools had indicated they had scheduled 2 games in one week. Some 12 schools reported scheduling two games in a week twice during the season.

Following a discussion of this report the following rule, effective with the 1963 football season was unanimously approved:

(Add to Division III, Rule 16—"Rules for Contests")

"e. Schools shall be limited to the playing of one interschool football game in a calendar week for each team sponsored. A

student may participate in only four (4) quarters of interschool football in any calendar week. (Calendar week defined as Monday through Saturday.)"

Note—See Division III, Rule 16, for rules on jamborees.

PROPOSALS

- A. To amend Article III, Section 3, of the Constitution by adding: "The Board of Control may establish a pension retirement plan for regular employees of the Indiana High School Athletic Association." (Submitted by the Board of Control.)

This amendment was approved by unanimous vote to become effective immediately.

- B. To amend Division VI, Rule 2, "Prizes and Awards"

"Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in each high school in which he may be enrolled."

To amend Division VI, Rule 5, "Prizes and Awards"

"Suitable awards may be accepted by schools and/or students from such local organizations as: service clubs, patriotic organizations, civic groups, dads' and mothers' clubs and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

(Submitted by Athletic Council Prizes and Awards Committee)

These amendments were approved by unanimous vote to become effective immediately.

To amend Division VI, by adding new Rule 8, "Prizes and Awards":

"No member school or student should accept a championship award unless the championship has been determined under IHSA rules and regulations. No award of any type should be accepted from any outside organization designating athletes as having 'All-State' or 'All-America' status."

(Submitted by Athletic Council Prizes and Awards Committee)

This amendment was postponed until next meeting for further study of the wording.

- C. To amend Division III, Rules for Contests", as indicated:

Amended Rule 28: "The maximum number of dual meets for the regular schedule of any student or team in wrestling shall be fourteen. A student or team may participate in the following: (1) fourteen interschool dual meets and one tournament in addition to the State Tournament series, or (2) additional tournaments may be scheduled on the following basis: One tournament shall count as two dual meets. Weigh-in for all tournaments shall count only one weigh-in for meeting the minimum requirements for qualification in the State Tournament series.

Note: An interschool wrestling meet which involves three or more schools shall be considered a tournament. A tournament shall count as one match for students."

Amended Rule 29: "In dual meets, during the weigh-in period each coach shall record the name of the student who is to wrestle in each weight classification. These students shall wrestle unless due to illness or other extenuating circumstances, they are unable to do so. Substitutions can be made only by mutual consent of the coaches. PENALTY: Forfeiture of the match. One additional eligible student in each weight class may be weighed-in at dual meets and tournaments for the purpose of meeting minimum weight classification requirements for the State Tournament series."

New Rule 31: "By mutual agreement of competing schools, the intercollegiate rule relating to maximum and minimum weigh-in time, may be used in dual meets only. The weigh-in may be conducted by any faculty member appointed by the principal except the wrestling coaches. The principal or his representative shall sign the scorebook certifying that the students have met the weight requirements."

New Rule 32. "Each time a student enters a dual meet or tournament his actual weight shall be recorded, at weigh-in time, in the official scorebook in ink and signed by the referee, and by the principal or his representative if early weigh-in is mutually agreed upon. The home scorebook shall be the official book."

(Submitted by Council Member H. T. McCullough)

These amendments passed unanimously to become effective immediately.

C. To amend Division III, Rule 27, "Rules for Contests" by deleting: "There shall be no scheduled meets or tourneys before November 22, each school year"

and substitute:

"There shall be no scheduled meets or tourneys before the Tuesday preceding Thanksgiving Day."

(Submitted by Principal R. E. Emery, Indianapolis Wood High School)

This proposal was defeated.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS AND OTHER FINANCIAL INFORMATION

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

June 30, 1962

Board of Control,
The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1962, and the statement of securities owned at June 30, 1962. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit at June 30, 1962, with the amount reported directly to us by the American Fletcher National Bank and Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements and the cash disbursements were supported by examination of invoices, expense reports, and other data. Securities owned by the Association at June 30, 1962, were presented for our inspection.

In our opinion, the accompanying statements of cash receipts and disbursements and securities owned present fairly the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1962, and the securities owned by the Association at June 30, 1962.

Ernst & Ernst,
Certified Public Accountants.

FOOTBALL

Interest in football is continuing to increase with each year. Two hundred fifty-one schools participated in interscholastic football. Of this total 230 participated in eleven-man and 21 in eight-man football. This represents an increase of 26 teams over the previous year.

In the seventeen conferences over the state, only Mississinewa, New Haven, Evansville Reitz and Terre Haute Wiley retained their individual crowns won the previous year. Speedway, who was a co-winner the previous year, was the outright winner this year. All conference winners are listed on page 133.

There were several schools with undefeated seasons. Those who reported such records were Pike 8-0-2, Hagerstown 10-0, Fair Oaks 8-0 (8-man), Kokomo 6-0-2, Oakland City 6-0-1 (8-man), Evansville Reitz 9-0, South Bend Washington 9-0-1, Speedway 8-0-1, Terre Haute Wiley 9-0, Hammond Morton 9-0.

Evansville Reitz not only had the enviable record of a 9-0 season but held their opponents scoreless over the entire season. They scored 368 points to their opponents 0.

Many schools, prior to the opening of the season, play in a football jamboree. This event seems to become increasingly more popular.

The IHSAA does not sponsor a series of games to determine a champion, but each year honors teams with outstanding record by carrying their pictures in the Handbook. If a print was submitted, these squad pictures may be found following the list of high schools participating in the sport.

CROSS COUNTRY

Ben Davis of Marion County and Indianapolis captured its first state title in cross country over the South Grove Golf Course on November 4. The titlists scored 104 points when their first five runners placed second, sixth, twenty-seventh, twenty-ninth and fortieth in the team standings.

Fort Wayne, North Side was second with 139. Valparaiso, with a total of 140 points, finished third. There was a tie between Calumet (Gary) and Richmond with 164 points for fourth place.

Henry King of Fort Wayne Central won the race, covering the two-mile course in 9:54.9. In second place for the individuals was Richard Stewart of Brazil. Third place went to Donald Fay of Ben Davis. Dick Fountain of Southport was fourth and fifth place was Tom Graham of Scottsburg.

Sectional interest in cross country is continuing to grow. There were 234 schools entered in the sectional meets, which was an increase of eleven over 1960.

Twenty-four teams and twenty-one individuals qualified to enter the state meet. A total of one hundred sixty-four runners started and finished the race.

SECTIONAL CROSS COUNTRY MEETS

FIFTEENTH ANNUAL

(These rules are reprinted from the September 1961 Bulletin)

These sectional cross country meets will be held this year on Tuesday, October 24, 1961, after 3 p.m. These meets are conducted as an elimination series in order to select teams and individuals for the state cross country meet.

Eight sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1960, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan and add more centers if a greater number of schools enter than is anticipated. Representation to the state meet will be determined by the number of teams competing in each sectional meet.

Schools have been assigned by counties, and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin to the principal.

ASSIGNMENT OF SCHOOLS TO CENTERS BY COUNTIES

TERRE HAUTE WILEY—(V. R. Rutherford, Principal) Boone, Clay, Clinton, Fountain, Greene, Hendricks, Monroe, Montgomery, Morgan, Owen, Parke, Putnam, Sullivan, Tippecanoe, Vermillion, Vigo and Warren.

MANAGEMENT—The management of these meets rests solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be selected by the center principals except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Tuesday afternoon, October 24 after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Friday, October 20, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Team positions at the start are to be drawn by lot.

OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding modified or associate memberships. A school may certify twelve students, with no more than six participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

Note: Each year some schools file entry blanks, then fail to participate in the meet. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for any reason, after filing an entry blank, it becomes necessary to

withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

South Bend Central, 1956 state champion was in the runner-up position with 25 points. Charles Bush in the 154-pound and Charles Martin in the 165-pound classes won individual state titles. Anderson finished third with 24 points. In fourth place was Ben Davis with 23 points. Tied for fifth and sixth places were Crawfordsville and Shortridge.

Eight sectional sites were established with first and second places in each weight class advancing to the regional. The same plan was used to advance to the state. BASKETBALL

Evansville Bosse won its third state championship in the IHSAA 52nd annual basketball tournament. The Bulldogs won previous championships in 1943-44 and 1944-45.

Bosse downed East Chicago Washington in the final game by a score of 84-81. The Senators led throughout the early stages of the game but the Bulldogs came on with a rush in the fourth quarter and won the championship. Both teams exhibited superb marksmanship with Bosse shooting an incredible percentage of .531 and Washington shot .421.

The first game in the afternoon was won by Bosse over Madison. The Bulldogs led the Cubs by a small margin at every stop and won by a 79-75 score.

Washington defeated Kokomo, the defending state champion, in the second afternoon game. Kokomo built up a lead of 13 points during the second half but Washington stormed back to take the lead and held on to take a one-point victory, 74-73. Bobby Miles led all scorers with 32 points.

All three games were hotly contested. The point spread for the three games was only 8 points. The last time there was any semblance of a comparable spread was in 1944 when the total spread was 11 points.

There was a loss of 26 schools due to consolidation. 660 schools participated in the sectional tourneys. Despite the loss in membership of schools, records were set in both receipts and attendance. Gross receipts were \$1,044,850.70 and the total attendance was 1,554,454.

The Board of Control unanimously selected John Wilson of Bosse as the winner of the Arthur L. Trester Award for Mental Attitude.

ANNOUNCEMENT OF STATE BASKETBALL TOURNEY SERIES

THE FIFTY-SECOND ANNUAL

These rules are reprinted from the January 1962 Bulletin.

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full, with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNEYS

1. **TYPE OF BALL**—The molded type basketball, approved orange or natural tan has been legalized for the State Championship Series.
2. **PRIZES**—No prizes of any kind are to be awarded to any school or individual from any source.
3. **RADIO SERVICE**—Stations in Indiana may broadcast IHSAA tourneys provided the requirements in the "IHSAA Rules and Regu-

lations Governing Broadcasting" are observed. Station managers and Center Principals will have copies of these rules and regulations.

4. **PICTURES**—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. **SOUVENIR PROGRAMS**—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control nor the Commissioner's Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.

6. **SUGGESTIONS**—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

7. **MANAGEMENT**—The exclusive control of all these tourneys rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every effort will be made to choose only fair, disinterested and competent men. All schedules and assignment of officials will be made and distributed by the Board. All schedules will be drawn by lot by the Board of Control, and no changes will be made in them. Representatives of the press will be invited.

8. **TIME SCHEDULE**—The Board of Control has ruled that all tourneys will be held on the prevailing time of the community in which the Center is located. All Saturday games will be 12:30, 1:45, and 8:15 p.m.

9. **OFFICIALS**—The assignment of game officials and their decisions will be considered final. Schools enter the tourneys with this understanding. Give this information to your students and fans now. Official scorer(s) shall be dressed in a manner that will distinguish them from others who may be seated at the scorers and timers table. Black and white striped shirts or jackets are strongly recommended.

10. **PRIVILEGES**—Ten competing players, one coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

11. **WARM UP PERIOD**—There shall be at least ten minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game.

12. **NUMBERING OF SHIRTS**—In order for a school to be eligible to enter the sectional tourney, all players' shirts must be properly numbered according to Rule 3, Section 4 of the Official Basketball Rules.

13. **CHEERLEADERS**—Only the cheerleaders from the two participating schools may be used in connection with any one game.

14. **RESTRICTIONS**—Please inform your students and others about the following tourney restrictions:

By ruling of the Board of Control:

- a. Banners, posters, etc., that are objectionable in the wording or which obstruct the view of others, are not allowed.
- b. Cow-bells and other such noise instruments are not allowed.
- c. The use of bands at IHSAA tourneys is not sanctioned.

15. **OVERTIME GAMES**—The "sudden death" method will be used during tournament play.

The first extra period will be three minutes in length. If the score is tied at the end of this or any subsequent extra period, the game shall continue after a one-minute intermission in an additional extra period which shall be 3 minutes long unless ended earlier as follows: The team which scores two points from a field goal immediately wins the game except that if a foul or fouls occur after the end of the first extra period, the offended team is entitled to its free throws. A team which accumulates two points from free throws after the first extra period has ended, wins the game unless free throws result in the opponent winning by having the higher score or in a tie score. After such a tie score, the game continues until one team scores one or more additional points.

16. **HOME TEAM**—Rule 4, Section 1. The first named team in each game throughout the entire tournament is always designated as the "Home Team." It shall wear white uniforms and have a choice of bench (exception—host team shall have choice of home bench).

The second named team in each game shall have choice of basket and wear colored uniforms. In the event the **Host Team** is the second named team it shall wear colored uniforms but have choice of bench only.

SECTIONAL TOURNEYS

February 21, 22, 23 and 24

The following bases were used in selecting sectional, regional and semi-state centers:

- (1) Invitations filed by the principals.
- (2) Locations considered but not necessarily the determining factor.
- (3) Transportation facilities.
- (4) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities.
- (5) Rotation.
- (6) Success and satisfactory management of previous tourneys.
- (7) Adjustment because of reorganization and consolidation.

Many schools have been assigned by counties but there are a number of exceptions which are clearly indicated. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The plan arranged is to have no less than 8 teams and no more than 14 teams

in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

* All semi-final and final games of two-site tourneys will be played at the site indicated by an asterisk (*).

MANAGEMENT—Three officials will be assigned to tourneys having 8, 9, 10 teams; four officials to 11, 12, 13 and 14 team tourneys and four officials to each two-site tourney. Two officials will work

each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering an IHSAA sectional basketball tourney in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an entry blank. Schools holding modified membership are not eligible to enter.

ENTERTAINMENT—Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the Coach and a faculty manager) from each competing school according to the following plan:

1. **Transportation**—All schools are entitled to one-round trip mileage allowance each day the tourney is in session.
2. **Meals**—All schools are entitled to one meal for each day the tourney is in session.
3. Due to the variations of time schedules of "Two-site" and "One-site Two-Bracket" tourneys, the time schedules, entertainment schedules and admission prices will be set up by the IHSAA and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.
4. **No lodging shall be paid.**

Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
2. The Center High School shall receive one hundred and fifty dollars (\$150).
3. The transportation shall be paid. (The Board of Control has decided on four (4) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The Center High School shall receive one hundred dollars (\$100).

5. The IHSAA shall receive one percent (1%) of the fourth balance.

6. (a) One-half of the fifth balance shall be divided equally among the participating schools, the Center School sharing.

(b) One-half of the fifth balance shall be divided among the participating schools on an enrollment basis.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, March 1.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certification must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the IHSAA. All entries must be in the IHSAA office before 4:00 p.m. Wednesday, February 7. Do not mail entry blanks before January 29. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, February 7. Registered letters are not recommended as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

Session ticket (All regular tourneys).....\$0.75

ONE-SITE TOURNEYS:

Season ticket:

- a. Four-session tourney\$2.00
- b. Five-session tourney 2.50
- c. Six-session tourney 3.00

Tickets shall not be sold for more or less than the prices listed. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets.

ONE-SITE TWO-BRACKET AND TWO-SITE TOURNEYS:

Due to the variation in the number of sessions, season ticket prices shall be established by the Board of Control through the IHSAA office and the Center Principal.

No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council member and each ex-Board member shall be granted two tickets to the sectional in his area upon request by Thursday, February 15.
2. Ten percent of the remaining tickets shall be divided equally among the competing schools. (Every school, regardless of enrollment, has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This allotment is intended primarily for this use.)
3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction. September 15, 1961, or the third day of school if the opening day is later than September 15.

No tickets shall be distributed by the Center Principal until his tourney schedule has been released. Season tickets must be ready for distribution by Thursday, February 15. All ticket information should be secured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tourneys. Season tickets unsold shall be returned by 8:00 a.m. on the day the tourney begins, except that in "two-site" and "one-site two bracket" tourneys, they shall be returned by 4:00 p.m. the day before the tourney if the tourney begins with a day time session; and by 8:00 a.m. on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNING—Entries close at 4:00 p.m., Wednesday, February 7, and cannot be changed or accepted afterward. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before January 29. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

REGIONAL TOURNEYS—MARCH 3

Each of the sixteen (16) regional tourneys will have four (4) teams and will play to a winner, according to the following assignment. The winners in each of the sixteen (16) regional tourneys will constitute the teams in the semi-state tourneys according to assignment.

The sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, February 26. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, February 26. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA.  - (b) Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted 3 tickets upon request not later than Monday, February 26.

Each Athletic Council member and each ex-Board member shall be granted two tickets to the Regional in his area upon request prior to Saturday, February 24. A list of the complimentary tickets must be furnished the IHSAA giving name, position and number of tickets.
6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.
7. Schools entered in a sectional tourney may secure twelve tickets to the Regional Tourney in their area. Orders must reach the Regional Center Principal between February 17 and 22. All principals should use the Regional Ticket Order enclosed with

this bulletin, and should attach a check in the proper amount, sending the order and remittance **TO THE REGIONAL CENTER PRINCIPAL IN THEIR AREA.**

8. Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the high school principal not later than Monday, February 26.
 - (a) One-half of the tickets remaining divided on an equal basis.
 - (b) One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1961, or the third day of school, if the opening day is later than September 15, for the school years 9, 10, 11 and 12.
 - (c) If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).
9. All tickets remaining at this stage shall be placed on open sale on Thursday, March 1, 9:00 a.m., with the understanding that all sales shall be guarded to insure fairness to all.

ENTERTAINMENT—The Regional Center Schools have contracted with the Board to entertain twelve men (which must include the coach and a faculty manager) from each competing school. 3. The transportation shall be paid. (See sectional transportation allowance.)
4. The Center High School shall receive one hundred fifty dollars (\$150).

In the distribution of receipts, all tickets purchased according to the provision under "Distribution of Tickets," item 7, shall be credited to the winner of the sectional in which the school purchasing the tickets is located.

All requirements of the State and City Fire Marshals shall be met in all tourneys.

RESERVED SEATS—All seats shall be reserved.

TIME OF GAMES—See Time Schedule.

WARNING—Entries are due Monday, February 26, and cannot be changed afterward. Special privileges will not be granted. 5. Complimentary tickets shall be confined to those directly connected with the tourney in some way. Each Athletic Council member and each ex-Board member shall be granted two tickets to the semi-state in his area upon request prior to Saturday, March 3. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the principal and the coach. A list of the complimentary tickets must be furnished the IHSAA giving name, position and number of tickets.
6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual seating capacity of the gymnasium.

7. Schools entered in a sectional tourney may secure twelve (12) tickets to the semi-state tourney in their area. Orders must reach the semi-state principal between February 24 and March 1. All principals should use the Semi-State Ticket Order enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance TO THE SEMI-STATE CENTER PRINCIPAL IN THEIR AREA.

8. Each participating school may secure tickets at this stage as follows, providing they are purchased and paid for by the high school principal not later than March 6.

- (a) One-half of the tickets remaining divided on an equal basis.
- (b) One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1961, or the third day of school, if the opening date is later than September 15, for the school years 9, 10, 11 and 12.
- (c) If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the Center School, if not a participant, on the two bases mentioned in (a) and (b).

9. All tickets remaining at this stage shall be placed on open sale on Thursday, March 8, 9:00 a.m., with the understanding that all sales shall be guarded to insure fairness to all.

WARNING—Entries are due Monday, March 5, and cannot be changed afterwards. Special privileges will not be granted to anyone. The management, protests and privileges will be governed according to the regulations pertaining to the sectional tourneys. If no word is received from principals on Monday, March 5, regional entry blanks will be used for the semi-state tourneys.

STATE TOURNEY BUTLER FIELD HOUSE, INDIANAPOLIS

March 17

ENTRANTS—The four (4) winning teams of the semi-state tourney shall constitute the participants in the State Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-state entry blank will suffice for the State Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 12. If you desire to make any substitutions in your entry

blank, wire or telephone the IHSAA office, giving complete data on Monday, March 12.

ENTERTAINMENT—Twelve men will be entertained on each team (which must include the coach and a faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$500.00 for meals and lodging and \$500.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Four cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fees will be as indicated and the tickets will be printed with the following information on them:

1. Session ticket: \$2.25
2. Season ticket: \$3.50

AWARDS—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual award. A trophy will be given to the runnerup team and individual awards to its team members.

The Arthur L. Trester Award for Mental Attitude will be presented to the athlete who, in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

TIME OF GAMES—12:30, 1:45 and 8:15 p. m. (C.D.T.)

MANAGEMENT—The Board of Control has designated the Commissioner as Manager with Herman F. Keller, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Melrose 7-1519. Fred R. Gorman, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and Radio reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 15 and not later than Thursday, March 8. An identification plan will

be used for press representatives, who must be properly certified by their managers at the time requests are made.

Tickets—All tickets will be handled by the IHSAA office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 17. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at approximately 14,943.

2. Each high school principal having a team entered in an IHSAA Sectional Basketball Tourney for 1962, and each high school principal holding a modified membership in the IHSAA, may order tickets to four (4) percent of his high school enrollment not exceeding 1000 students. Principals whose high school enrollments exceed 1000 may order 4% of the enrollment to 1000 and one (1) additional ticket for each 100 students, or fraction thereof, over 1000 enrollment. The enrollment shall be the same as submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1961, for grades 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket and no school shall be limited to less than four tickets. Post graduates shall not be counted. Principals should carefully observe the limitations as outlined. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right. A chart giving the enrollments with ticket allotments will be printed on the reverse side of the ticket order blank.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSAA must accompany each order. Tickets purchased cannot be returned. Please do not send cash. The limitations below must be observed as given:

(a) Orders for tickets having official postmarks on the envelopes from and including Thursday, February 15, to and including Friday, February 23, will be accepted if received not later than Saturday, February 24. Ticket orders mailed prior to February 15 will be returned for proper mailing. The IHSAA reserves the right to check the mailing of all ticket orders and to act on the findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their schools.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quotas, will be distributed pro rata among the principals of the 64 sectional

tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None is guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filed, the following statements are made:

a. Ticket orders from principals are due any time from February 15 to February 23, inclusive. Postmark will determine mailing date.

b. Upon receipt of ticket orders in the IHSAA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 1000 seats to the block, will be reserved until Monday, March 12, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-state tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by Monday, March 12, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

THE ARTHUR L. TRESTER AWARD

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Award for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Award for Mental Attitude.

By High School Principal By High School Coach

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

TRACK AND FIELD

Gary Roosevelt, the pre-meet favorite, easily won its fourth consecutive State Track and Field Championship with a total of 32 points. This is a total of seven championships since 1951 for the Panthers.

A morning rain which flooded the track forced a 3½ hour postponement. The trials were reset for 2:00 p.m. with the finals at 3:00 p.m.

Despite the morning rain, three new track records were registered. City rivals, Gary Tolleston and Gary Roosevelt, waged a fierce battle for supremacy in the mile relay during the entire season. In the regional the previous week, Gary Roosevelt won in the phenomenal time of 3:15.7, however, in the state meet Gary Tolleston won in the very excellent time of 3:17.6. This erased the state record of 3:23.4.

Jerry Saffell of LaPorte ran the 120-yard high hurdles in 14.4, which broke the record of 14.5. James Harris of Gary Roosevelt won the 880 in 1:54.4 which broke last year's record of 1:56.2 by 2.2 seconds. Other outstanding marks were made by Robert Hubbard of Fort Wayne Central in the 180-yard low hurdles with a 19.3. Steve Norris of Greencastle cleared 6 feet 4¼ inches.

Randall Deddle of Nappanee, who won the 100-yard dash and placed third in the 220-yard dash, was unanimously selected by the IHSAA Board of Control as the recipient of the first annual Robert S. Hinshaw Track and Field Award in memory of the late assistant commissioner of the Indiana High School Athletic Association. The recipient of this award must have excelled in scholarship, mental attitude, and school citizenship, as well as athletic ability in track and field.

A total of 421 schools entered 3,895 athletes. This was a gain of five schools over the previous year.

In spite of the storm in the morning, a near record crowd attended this year's State Track and Field Meet.

SECTIONAL TRACK AND FIELD MEETS

FORTY-SIXTH ANNUAL

Friday or Saturday, May 11 or 12

(These rules are reprinted from the April 1962 Bulletin)

The following bases were used in selecting centers:

(1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General Conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.; (4) Rotation; (5) Invitation.

Schools have been assigned by counties, and the accompanying plan gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the assignments. Entry blanks are necessary.

Eligibility—The eligibility of each player must be certified to by the principal of the school sending the team. The regular blank of the IHSAA must be used and all data must be given. Entries positively will close Thursday, May 3, at 4:00 p.m. This means the entry blank must be in the hands of the Commissioner, complete in every detail, on that date. See warnings below.

Official Rules—The current National Alliance Edition of the Track and Field Guide as published by the National Federation is official in the IHSAA. A few modifications have been made by the IHSAA and they are given in the present Bulletin. In both relays "off the curve" method of exchange shall be used. Both relays may be run in lanes the first 220 yards with a staggered start if lanes have been marked. When the half mile relay is run with the first 220 yards marked in lanes the first and second runners will exchange in their own lane.

Scoring—Winning first place in any event in the sectional meet counts five points; second place, three points; third place, two points; and fourth place, one point. Points in the relays will be counted in determining the winning team, the points for each place in each relay to be double the points in each place in other events. In case of a tie in a track event, shot put or broad jump, the points shall be divided and the places awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position to the contestant with the fewest misses at the tied height. If the tie is still not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by lot. No misses shall be charged to a competitor for a passed height. The points involved in a tie shall be divided equally among the contestants.

Limitations—No contestant will be permitted to enter or participate in more than three events, and no contestant will be permitted to enter or participate in both relay races. Do not enter the same boys in both relay races.

GOLF

The state golf championship this year was won by South Bend Riley High School. In spite of a downpour in the morning which delayed the progress of the tournament, the Riley team chalked up a fine 72-hole score of 301. Dwight Helm set the pace for Riley's champions with a 73. He was supported by James Jewell's 75, James Peterson's 76, and Andrew Nemith's 77.

LaPorte and North Central (Indianapolis) tied for second with a score of 305. In fourth place was Madison Heights (Anderson) which tallied 310 strokes. Tied for fifth were Peru and Indianapolis Cathedral with 317.

James Somrak of Indianapolis Cathedral was the low medalist with an even-par 70.

Due to increased interest in golf and more schools entering the State Meet, the Board of Control increased the number of sectionals from four to six this year.

A total of 137 schools entered the tournament series which was an increase of 12 schools over 1961. Eight hundred four golfers were entered which also was an increase of 82.

Nineteen schools qualified full teams and seven others sent low medalists. A total of 84 players participated in the championship.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

Instructions and a starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

Eligibility—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announce-

ment if your school has a golf team. There will be no entry fee. Entry blanks are due in the IHSAA office on or before 4:00 p.m., Thursday, May 10, 1962, and cannot be accepted afterwards.

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of players from different schools. The players will count and keep score for each other.

Teams—Each school may enter six (6) players and the team must consist of four (4) of these six. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR STATE MEET

Teams

Representation at the State Meet will be determined by the number of teams competing in that Sectional, as follows: Six to ten, one team; eleven to fifteen, two teams; sixteen or more, three teams.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals

The three low medalist players in each sectional meet are eligible to compete as individuals in state meet competition, provided their school posted a team score in the sectional.

Ties

All individuals or teams tying for the last qualifying position shall be eligible for State meet competition.

Transportation—This will be an obligation of the participating school in each case.

Entertainment—Noon meals will be furnished by the IHSAA at the Club House to the actual participants and one faculty manager from each school.
