MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

by

Judson S. Erne, President

The concept of a good athletic program as a function in the modern educational system would demand that it must be progressive, forward looking, and must foster a willingness to change. Athletics are more closely tied to the actual educational program of our public schools than at any time in the past.

Participants cannot be considered to be athletes apart from the curricular aspects of the school; they must be students first, athletes second. Administrators, coaches, and communities must adjust their thinking to these facts of life. With secondary schools adopting higher standards of achievement in the classroom and higher requirements for graduation; with colleges and universities requiring higher standards for admission, and with industries expecting more knowledgeable employees; an athlete, to take advantage of his opportunities and skills, must be determined to develop his academic and vocational abilities as well as his athletic prowess. In other words, athletes are no longer at an advantage in college entrance or in job placement because they are athletes; they will only warrant scholarships and good jobs because they have developed intellectual skills along with their athletic ability.

A greater participation by students in the secondary school athletic program is more desirable today than ever before. Young people need the discipline, the responsibility, and the physical development achieved through athletics. Our democratic society is a competitive way of life and athletics must be a force in stimulating competitive spirit. The knowledge of sports and the skills developed by the participant will prove very beneficial to the young individual because of the leisure time brought about by automation in industry.

Athletic programs must be a part of an all-consuming way of life—not just a way of life. Administrators must assume the responsibility of developing a broad program of athletics and intramural sports; not alone for boys, but also including girls. Coaches must be educators in the real sense of the word, excellent teachers in the classroom as well as fine teachers in the area of athletics.

The IHSAA will only be as strong as the member schools desire it to be. We have splendid leadership in the commissioner and assistant commissioner. This leadership will only be able to exert influence, if we as administrators support a strong program, abide by the rules in fact, as well as in spirit, and discipline ourselves to enforce all regulations. Evading the spirit of a regulation in an athletic program is certainly a disastrous way to exert positive influence over young people.

The IHSAA is not a crutch to lean upon, but a vehicle to establish fair criteria in sports and competition. It is established to aid schools

in building a program, to organize a unified effort in athletics and to stimulate an attitude of "good sportsmanship" among those who participate.

Our Athletic Association is a strong organization. It is interested in each young person, each coach, each administrator, and each community. It is my hope that we build upon the strong foundation which has been established. The future is what we desire it to be. It is my desire to make the IHSAA the best. This should be your desire. Let us each put forth the effort to make it such.

HISTORY OF IHSAA

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond in April, 1903. At this time there was a conference of high school principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of high school principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are six hundred thirty-nine (639) member schools. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of

the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944, the Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA. In July, 1961, Herman F. Keller of Evansville Bosse High School became the second Assistant Commissioner of Athletics after the death of Mr. Hinshaw. On the retirement of L. V. Phillips, July 31, 1962, the Board of Control selected Phil N. Eskew, Superintendent, Huntington Public Schools, as the third Commissioner of Athletics. The Board conferred the title of "Honorary Commissioner" on L. V. Phillips.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the sixty-four years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball, gymnastics, track and field, and girls' play days. State championships

are determined in cross country, swimming, wrestling, basketball, track, golf, gymnastics and baseball.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

PREFACE

This revision of the Constitution, Rules and By-Laws, regulations, interpretations, questions and answers of the Indiana High School Athletic Association, is the result of the combined efforts of the Board of Control, Athletic Council and the revision committee.

Most of the material has been printed in the Handbook and official bulletins published each year. Principals, Coaches and other interested parties are requested to read all information contained herein, and observe the information published in all IHSAA bulletins. The Constitution, Rules and By-Laws printed in the annual Handbook may not be up-to-date at all times, due to legislation between printings.

The printed Constitution, Rules and By-Laws, together with the questions and answers, plus the information in current bulletins, will keep all responsible parties completely and officially informed.

PURPOSE OF IHSAA

(Copied from Introduction to first printing of Constitution in 1904)

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "IHSAA.")

ARTICLE II MEMBERSHIP

Section 1. Full membership in this Association shall be open to all public, private, parochial, and institutional high schools of the state offering and maintaining three or four years of high school work, provided they meet the requirements of the association and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must be accredited by the State Department of Education.

Section 2. Preparatory membership may be extended to any school accredited by the State Department of Education offering and maintaining school work on the ninth and tenth or tenth grade level

with the understanding that such preparatory membership shall extend the privilege of participating in single athletic games, contests, tournaments and meets with other preparatory members. Preparatory membership also shall permit teams from preparatory members composed of ninth and/or tenth grade students to compete against teams composed of ninth and/or tenth grade students from full members and junior members composed of ninth grade students in single games, contests, tournaments and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding preparatory memberships are not eligible to enter teams in state tournaments or meets. It must be clearly understood that a preparatory membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association. It is further understood preparatory membership is available only to schools that will become eligible for full membership within a two year period. At the end of the two year period the preparatory membership will be reviewed by the Board of Control.

Preparatory members may receive tickets for the state final championship basketball tourney and other state final meets at the discretion of the Board of Control.

Section 3. Junior membership may be extended to any school accredited by the State Department of Education offering the ninth grade, but not eligible for full, preparatory or associate membership. Junior membership shall extend the privilege of participating in single athletic games, contests, tournaments and meets with other junior members. Junior membership also shall permit teams from junior members composed of ninth grade students to compete against teams composed of ninth and/or tenth grade students from full, preparatory and associate members in single games, contests, tournaments and meets without special restrictions as to the number of teams entered, trial runs or geographical location within the state. Schools holding junior memberships are not eligible to enter teams in state tournaments or meets. It must be clearly understood that a junior membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association. Junior members may share in the distribution of tickets to the state final championship basketball tourney and other state final championship meets on a limited basis as determined by the Board of Control.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tournaments and meets, but not in any tournaments or meets conducted for the purpose of determining an official state championship in the IHSAA.
2. Associate members are bound by all rules and regulations of the IHSAA with the exception that a student who changes schools without a corresponding change of residence on the part

of his parents is eligible as to residence immediately, provided there is no undue influence involved in any way.

3. Associate members are not privileged to share in the distribution of tickets to IHSAA championship tourneys and meets or in the distribution of IHSAA surplus funds to member schools.

Section 5. Any high school in the state may become a member of this Association by meeting the requirements, by subscribing to these rules and regulations, and by paying the annual dues of one dollar and fifty cents (\$1.50) to the Commissioner on or before October 1 of each year. All memberships expire on October 1 of each year unless the annual dues are paid.

Section 6. Each member school shall have one vote.

Section 7. The Board of Control shall be judge on all memberships.

Section 8. A member school that is suspended from the IHSAA shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension, according to the Sections in the Constitution and the rules and regulations governing memberships.

c. The twenty-five district-class units shall at all times be entitled to representation in the Athletic Council of the IHSAA.

d. All elective terms for Athletic Council members shall be for five years, or for the remainder of an unexpired term in case of a vacancy.

Rule 11. Member schools may maintain any number of teams in the same sport.

Rule 12. All interstate meets and tournaments involving three or more schools must be sanctioned by all of the states concerned, and the National Federation of High School Athletic Associations. Interstate contests involving only two schools need not be sanctioned, provided the round trip travel does not exceed 600 miles.

Note: The IHSAA does not sanction interstate contests involving extensive travel.

Rule 13. The IHSAA rules apply to all teams and all contestants in all games, contests, tournaments and meets between member schools, with independent groups, alumni or teams whose schools are members of other state associations.

Rule 14. In any athletic contest no oxygen shall be administered by mechanical medicinal means except in genuine cardio-pulmonary emergencies and then only by a doctor licensed to practice medicine in the State of Indiana."

Note: All students enrolled in grades nine, ten, eleven and twelve are considered high school students.

DIVISION III RULES FOR CONTESTS GENERAL RULES

These rules apply to all interscholastic contests:

Rule 1. No inter-school contests shall be played prior to the opening of the school year in the fall. (Exception, See Football—Rule 2).

Rule 2. There shall be no inter-school athletic contests played or practices held on Sunday.

Rule 3. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the IHSAA. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 4. Withdrawal of a school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 5. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the IHSAA, unless under the supervision and auspices of the IHSAA by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the IHSAA for such length of time as the IHSAA Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 6. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic contests.

Rule 7. It is recommended that principals, in arranging for games, provide a forfeit of \$25.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 8. Member school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

Rule 9. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSAA expects all member school students to so conduct themselves at all times that they, their school and the State Association will be honored.

Rule 10. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

Rule 11. A member school student who participates in a sport during a season on any team other than his school team, becomes ineligible in that sport for the remainder of the season. Note: The season for golf, baseball, softball, swimming, gymnastics, track, cross country and tennis defined as the period beginning with the opening day of school and ending with the closing day of school, each school year. (See football, wrestling and basketball rules for limited seasons.)

Rule 12. A ninth, tenth, eleventh or twelfth grade student may not participate in a contest with or against a student enrolled in a grade lower than the ninth.

Rule 13. Participation of students in an athletic contest with or against players not belonging to their school constitutes a game. A

"scrimmage" or practice by students with or against teams or players not belonging to their school is considered a game. A tryout or demonstration of athletic ability as a prospective student-athlete for a college shall be considered a violation of this rule.

Rule 14. The IHSAA Constitution, Rules and By-Laws govern in all sports. This Division contains only rules for contests. Be sure to check other Divisions for rules which apply to all interscholastic athletics.

BASEBALL AND SOFTBALL

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The National Alliance Edition of Baseball Rules shall govern in baseball.

Rule 2. The National Alliance Edition of Softball Rules (12-inch baseball) shall govern in softball.

Rule 3. Pupils may be permitted to play on baseball and softball teams other than teams representing their school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA.

- a. Member school students, who play on baseball teams other than their school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the school Principal. Note: Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

(Note: It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary).

- b. The IHSAA considers that a member school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the school principal in each case.
- c. The baseball season is defined as beginning and ending with the school year.

BASKETBALL

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The Official Rules of the National Basketball Committee of the United States and Canada shall govern basketball.

- b. Playing floors shall be marked with a four foot end line wherever deemed practical.
- c. The backboards shall be rectangles, six feet horizontally and four feet vertically in all IHSAA tourneys, but fan shaped boards as described in the official rules may be used in single games by mutual consent prior to the game.
- d. If the backboard is transparent, it shall be marked as follows: A rectangle shall be centered behind the ring and marked by a two-inch white line. The rectangle shall have outside dimensions of twenty-four inches horizontally and eighteen inches vertically. For the rectangular backboard, the top edge of the baseline shall be level with the ring. Borders of the backboard should be marked with a white line three inches in width.
- e. The regulation type of baskets, as described in the official rules, shall be used in all IHSAA tourneys, but other types of baskets may be used in single games by mutual consent prior to the game. Each basket ring and the attaching flange and braces shall be bright orange in color.

The penalty is suspension.

Students playing independent, league, recreation or organized basketball games, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all interscholastic athletics until the closing date of the State Basketball Championship Tourney of the following year. A prospective student-athlete who engages in a practice, scrimmage tryout or otherwise demonstrates his

athletic ability either on or off the campus for a college shall be considered in violation of this rule.

Rule 3. The maximum number of games for the regular schedule of any team in basketball shall be eighteen. (The penalty is suspension.)

- a. A player may participate in a maximum of seventy-two quarters of interschool basketball, and one invitational tourney during any one season. No player may participate in more than four quarters in any one session. If a player participates in two invitational tourneys, the quarters played in one tourney, shall be included in the seventy-two quarters permitted during the season.
- b. A record of the quarters played in basketball by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

Rule 4. Teams and players may participate in two basketball tourneys in addition to the tourneys of the State Basketball Championship Series under the following provisions:

- b. Ninth grade basketball tournaments shall be completed prior to the week of the sectional basketball tournament each year. Players who compete in the ninth grade tournament played after January 31, will not be eligible to compete in the State Championship Tourney Series.

Rule 7. "Donkey Basketball", "Skruball", "Skateball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball", "Skruball", "Skateball" or similar games, shall be subject to IHSAA eligibility rules the same as in regular basketball games.

Rule 8. A high school shall not be considered eligible to enter a sectional basketball tourney in the IHSAA in any year unless the team representing the high school has played eight (8) interscholastic

games during that season, and before the Official Entry Blank for Tourneys is filed in the IHSA Office.

Rule 9. There shall be ten separate days of organized practice in basketball under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests. Only one practice may be counted for any one day.

(EXCEPTION, see Jamboree Rule 5, C)

c. No team or player shall participate in a football jamboree earlier than the day following the tenth day of practice nor later than the second calendar day prior to the first scheduled game.

d. A record of the quarters played in football by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

e. Schools shall be limited to the playing of one (1) inter-school football game in a calendar week for each team sponsored. (Calendar week defined as Monday through Saturday). A student may participate in only four (4) quarters of inter-school football during a week. In order to place the emphasis on the varsity squad, the record of quarters of each student shall start on the day of a varsity scheduled game and end the day before the next varsity game scheduled or seven days which ever comes first. No student may participate in more than four quarters of football on successive days.

Rule 2. Member school students may participate in independent golf tourneys and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 3. It is not considered a violation of present IHSA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSA rules except for such modifications as may be necessary.

Note: An inter-school wrestling meet which involves three or more schools shall be considered a tournament. A tournament shall count as one match for students.

Rule 5. In dual meets, during the weigh-in period each coach shall record the name of the student who is to wrestle in each weight classification. These students shall wrestle unless due to illness or other extenuating circumstances, they are unable to do so. Substitutions can be made only by mutual consent of the coaches. Penalty: Forfeiture of the match. One additional eligible student in each weight class may be weighed-in at dual meets and tournaments for the purpose of meeting minimum weight classification requirements for the state tournament series.

DIVISION V ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby

adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of four or more subjects requiring a minimum of twenty regular high school recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Note: Schools having lengthened periods must meet the time equivalency.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "—a passing grade in each of four or more subjects requiring a minimum of twenty regular high school recitations per week" is interpreted to mean—"a passing grade in each of four regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the four regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern:

- (a) for the current semester the average of the period grades up to

the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any member school, shall be permitted to participate in any inter-school contest as a member of another member school until he has been enrolled in such school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew (See Enrollment Q. and A. 12-4).

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another school of the same city or school corporation until he has been enrolled in the other school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Enrollment Q. and A. No. 6.)

Rule 4. The fact that a transfer has or has not been issued, or that the student pays or does not pay his tuition, has no bearing except when the omission of a transfer or payment of full tuition is

done for the purpose of unduly influencing a student to enroll for athletic reasons. (See Undue Influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSAA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. A high school student who is regularly enrolled in three or more high school credit courses may, with prior written approval of his high school principal, enroll in or attend an accredited institution of higher learning for credit that is either acceptable for high school graduation or for college credit. The credit may be counted toward high school eligibility (3 semester hours or the equivalent shall be counted as equivalent to one high school credit).

During a vacation period a high school student with remaining athletic eligibility may enroll in or attend a program in an accredited institution of higher learning that may give him college credit provided he has prior written approval of his high school principal, a copy of which must be placed on file in the office of the IHSAA.

It is clearly understood the approval is for his attendance. The student is responsible for conducting himself in a manner that in no way violates the rules or the spirit of the rules of the IHSAA.

Note: An accredited institution is one that grants credits that count toward a Baccalaureate Degree.

Rule 7. Enrollment eligibility shall be limited to eight semesters with the understanding that a student who enrolls in the ninth grade for the first time at the beginning of semester two may choose either his first or ninth semester for enrollment eligibility. A mid-year student who participates in any sport during his first semester becomes ineligible for all sports during his ninth semester.

Rule 8. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 9. Any student who has been enrolled more than fifteen (15) school days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter fifteen (15) or more school days between December 1 and March 1 for four times.

Rule 10. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 11. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any

game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter fifteen (15) or more school days between March 1 and June 1 for four times.

Rule 12. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 13. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with residence eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way. (This rule is primarily to enable seniors to remain in the school in which they enrolled and remain eligible to compete in athletics when it is impractical for them to move with their parents.)

In every instance when the parents of an underclassman move, the principal must inform the parents of the IHSAA rule and if the athlete remains in the school after his parents move from the school district, it shall be the duty of the principal to check before he is certified for athletic eligibility. The principal shall report the circumstances and reasons why he remained in the school district on the form (Form J) prepared for that purpose. This report shall be sent to the IHSAA Office and to the principal of the high school in the district to which the parents moved. A student is not eligible under this rule until his residence eligibility report has been reviewed by the IHSAA.

Rule 15. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each member school files a statement, with supporting evidence, with the Board of Control as proof that the change was necessary and that no undue influence was attached to the case in any way. If any action of a legal agency is to be submitted as evidence of unavoidable change of residence such action should be taken prior to the student's enrollment in the new school.

Rule 16. Change of residence as used in these rules shall mean a bona fide move about which there is no question. If the case is that of a change of residence of parents, the change shall be definite and complete.

Rule 17. Foreign exchange students and students of parents assigned to foreign countries may be considered for residence eligibility by the Board of Control."

Rule 18. A student who becomes ineligible under the rules of another state cannot remove that ineligibility by transferring to an Indiana high school. Note: Questions in a case of this kind are to be referred to the Board of Control.

D. Participation—

Rule 1. Any student of a member school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 10, under "Enrollment.")

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

Rule 4. A member school student who participates for demonstration purposes, or otherwise, in a coaching school or clinic outside the State of Indiana becomes ineligible for inter-school athletics for a period of time as may be decided by the Board of Control.

E. Parents and Physicians' Certificates—

Rule 1. Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a school other than his home school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration.

Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any member school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all inter-school high school sports.

Rule 3. A member school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, tryouts, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Rule 3. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in each high school in which he may be enrolled.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even if the award is duly inscribed. An inscription cannot validate such awards in the IHSAA.

Rule 4. Schools belonging to athletic conferences, or participating in tourneys and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 8. No member school or student shall accept a championship award unless the championship has been determined by the IHSAA or its member schools. No award of any type shall be accepted from any outside organization designating athletes as having "All-state" or "All-America" status.

Rule 9. Athletic equipment is considered as merchandise. Any student who attempts to evade the rule by "purchasing" a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Rule 10. Penalties for violations of the above rule will be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE IHSAA

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the Interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

A. Students who have been enrolled in high school for more than fifteen (15) school days between September 1 and December 1, or between December 1 and March 1, or between March 1 and June 1, for four times are ineligible respectively, for football, basketball, wrestling and spring athletics, with the following exceptions:

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. A. No, enrollment rather than participation is the determining factor in such cases.

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspond-

ingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, who parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions under "Enrollment" Division V, IHSAA By-Laws.)

* * * *

6.

Q. When are students, who finish the work given in one member school, eligible in another school?

A. Students finishing the work in a member school giving less than four years of high school work are just as eligible in a new school as they were in the old school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside their regular high school district.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does his enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a member school located in one city or school district to a school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student usually attends high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there. A student not transferring who is an underclassman is not eligible until a "Residence Eligibility After Parents Move From District" form has been reviewed by the IHSAA.

3. A student who changes schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a school outside his home school district and subsequently returns to his home school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made by the Board of Control.

6. If a student changes schools because of an action by a legal agency taken before the change is made, a copy of such legal action may be filed with the IHSAA in connection with proof that the change of schools was unavoidable.

7. A student, whose parents are separated or divorced and reside in separate school districts, may choose residence with either parent with residence eligibility. Once his place of residence has been determined, either by order of the court, or mutual agreement of the parents, he cannot change residence to the home of the other parent without losing eligibility for one calendar year.

8. A student who has been enrolled in Indiana Boys' School may return to his home school with the same residence eligibility as when he left. Credits earned in the state school are considered the same as those earned in any other high school so far as eligibility is concerned.

9. It is the duty of the principal to check carefully the record of every student who transfers from another school. The principal should also advise the students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

10. No student who has transferred from another school is eligible until the principal has on file an IHSAA Athletic Transfer Certificate.

GIRLS' ATHLETICS INDIANA LEAGUE OF HIGH SCHOOL GIRLS' ATHLETIC ASSOCIATIONS

—Purpose—

Many girls in high school are interested in a more extensive program of physical education than can be provided in the regular physical education classes. This desire for a more extensive physical

65

education program has led many high schools to organize some type of girls' athletic association. In 1931 the Indiana League of High School Girls' Athletic Associations was formed, with the purpose of stimulating the co-curricular phase of the high school girls' physical education program. Membership in the League is open to any high school in the state of Indiana. The League has the endorsement of the Indiana High School Athletic Association and the Division of Health and Physical Education of the Indiana State Board of Health.

The State League offers much to both physical education teachers and students. It provides opportunities for sponsors and students to exchange ideas, share problems, receive encouragement, and engage in a variety of learning activities. The enthusiasm generated through the enjoyment of learning and doing things with people of like interests is one of the main reasons the League is steadily growing.

—Activities—

Each organization carries on its own program of varied activities for which points are given. The purpose of awarding points is to encourage regularity of attendance and to furnish a uniform basis for awards, if a school desires to use awards. The *Sponsor's Handbook* explains the suggested point system.

The State League sponsors activities on both a state and a district basis. Each spring the League, with the co-operation of a state college or university physical education department as host, sponsors a Wall Plaque Winners' playday. Attending this playday is perhaps as great an honor as winning the wall plaque, for here outstanding girls from all over Indiana come together for a day of fun and sport. Each fall the League sponsors a State Leadership Camp—training girls and inspiring both girls and sponsors to be better leaders in their organizations, schools and communities. District activities include dance days, playdays, basketball clinics, and weekend camps—usually two or three such activities each year.

"Sportingly Yours," published six times yearly, contains news of other G.A.A. groups, ideas, new materials, bulletin board materials, and professional articles. Both sponsors and students find it interesting and helpful. "Sportingly Yours," the official organ of the Indiana League, is edited by a high school G.A.A. and is published by the Indiana State Board of Health.

* * * *

Playing basketball out of season makes a student ineligible for all sports until the date of the State Final Tourney of the following year. Playing football out of season makes the student ineligible for all sports until the following November 30. Wrestling out of season makes the student ineligible for all sports until the date of the State Final Wrestling Tourney, of the following year.

* * * *

8.

Q. Should amateurism be defined by the IHSAA for its specific purposes or should the definitions of other organizations be accepted in the association?

A. Amateurism should be defined by the IHSAA for IHSAA purposes. There is no definition of amateurism acceptable to all organizations.

RESPONSIBILITY

1.

Q. Who is the responsible party in IHSAA athletics?

A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the principal of each member school voluntarily taking out a membership in the IHSAA has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the school and of the students in the school.

Wherever and whenever in the IHSAA membership the conditions are found to be such that the school principal is not the administrative head in name and in fact of the inter-school athletic activities of the school and of the students in the school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the member school principal is not the administrative head, in name and in fact, of the inter-

school athletic activities of the school and of the students in the school. The proof that the member school principal is the administrative head, in name and in fact, of the inter-school athletic activities of the school and of the students in the school shall rest in all cases with the school officials concerned.

* * * *

2.

Q. Who is the proper official to sign contracts for games?

* * * *

3.

Q. Who may manage a member school team?

A. A member school principal or teacher authorized by him. Student management is not permitted.

SCHOLARSHIP

1.

Q. May back work be made up and counted toward eligibility?

* * * *

* * * *

A. No, the granting and acceptance of a high school diploma makes the student a high school graduate. (See exception under "Games" Question and Answer No. 18.)

* * * *

Q. May an ineligible student practice with the regular team?

A. Yes at home in regular practice, but ineligible students should not appear in athletic uniforms at games.

A. No, the passing marks of the schools are usually honored, but the Board of Control reserves the right to check the validity of grades and credits and to act on their findings.

* * * *

6.

Q. Who is a post-graduate?

A. A post-graduate is a student who has finished his high school work and has received his high school diploma. Students who have completed sufficient work to receive a diploma, but who continue in school until commencement, must be considered eligible or ineligible according to all other rules of eligibility, such as age, time in school, participation, work carried, etc.

* * * *

7.

Q. To determine eligibility, what constitutes the last semester?

A. The last semester for any student is the last semester in which the student was enrolled in any school for any length of time after the first fifteen (15) school days.

* * * *

8.

Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in four regular high school subjects for this period?

A. In order to be eligible at the end of any grading period in a semester, a student must have passed in four regular high school subjects for the current grading period and his average grade in each of four regular high school subjects for all of the grading periods in that semester must be passing. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

* * * *

9.

Q. Is a "condition" or an "incomplete" considered a "pass" in the IHSAA?

* * * *

10.

Q. Is a student, who carries three regular high school subjects and one or more eighth grade subjects, considered a high school student?

A. Yes, a student who carries fifteen hours of regular high school work is a high school student, providing such a student has been promoted to high school in the regular way. Such a student would be considered enrolled in high school, but would not be eligible because of insufficient subject matter. (See Division V, Section B.)

79

11.

Q. Is a student, who has made sufficient credits to graduate at the end of semester one, eligible for athletics during semester two?

* * * *

14.

Q. What constitutes scholarship eligibility?

A. In order to be eligible for a current semester a student must have passed in four regular high school subjects in his last semester of enrollment in any high school and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

* * * *

15.

Q. Are any special regulations in force pertaining to discharged veterans?

A. By action of the Athletic Council, May 23, 1947, all IHSAA special regulations concerning discharged veterans were discontinued.

* * * *

16.

Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?

A. This is a school problem and must be answered by the consideration whether regular school work to the extent of twenty hours is being maintained or not. Usually students who miss school are not passing in their school work.

* * * *

17.

Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?

A. Yes.

80

18.

Q. If a student becomes ineligible at the end of a grading period in a semester when can he become eligible?

A. At the end of the next regular grading period in that semester, provided he passes in four regular high school subjects during the period and also provided his average in each subject for all grading periods of the semester is passing in a similar amount of work.

A. No.

Q. How long may a student be enrolled in a semester then drop out without the semester being counted under the Scholarship Rule?

A. Within the first fifteen (15) school days of the semester, provided he was eligible when he withdrew.

* * * *

Q. If a student is passing in four regular high school subjects when he drops out during a semester, may he be considered eligible under the Scholarship Rule at the beginning of his succeeding semester of enrollment?

A. No, such a student would not meet the requirement of passing in four regular high school subjects throughout the last semester of enrollment. (See exception, under "Enrollment.")

Indianapolis, Indiana, September 1, 1966

"Called Meeting"

Present: President Lloyd W. Miller, Otto Albright, Eugene Huddleston, Don Sakel, Everett L. Shively, Commissioner Phil N. Eskew and Assistant Commissioner Herman F. Keller.

SCHERERVILLE SCHOOLS

Principal Cornelius Vanderkolk and Coach William Beckwith of Schererville schools appeared before the Board to discuss the problem of some forty-two eighth grade students who reside in Schererville who wish to attend Lake Central High School (St. John's Township).

Schererville had announced early in 1966 that they would offer a ninth grade beginning in the fall of 1966. The parents of approximately forty-two of these eighth grade students applied for transfer to Lake Central High School and this transfer was granted by the General Commission on Education.

Some Schererville patrons reportedly made phone calls and distributed literature in an attempt to get all of the eighth grade students at Schererville to attend Lake Central this fall.

Mr. Vanderkolk asked the Board to consider whether or not this was undue influence.

After a general discussion of the entire school situation in St. John's Township and Schererville, the Board of Control was unanimous in the following decision:

DECISION

1. Since the reported attempt was to transfer all students (boys and girls) to Lake Central and was reportedly made by Schererville patrons, the Board did not feel that there was sufficient evidence presented to show that undue influence was involved.

2. Eighth grade students from Schererville who enter Lake Central in the fall of 1966-67 as ninth graders may be considered eligible as to residence.

3. It should be clearly understood that this is their choice and that should they later transfer to some other school without a corresponding change of residence on the part of their parents to that school district, they will be ineligible for one calendar year.

During this time he continued to attend Gavit High School. During the football season of 1965, his mother moved to the Dyer school district and he was taken along. He entered Dyer High School, where he finished the 1965-66 school year.

During the summer of 1966, he returned to live with his father who now lived in the family residence in the Gavit school district. CLAY CITY HIGH SCHOOL—JAMES MISHLER

This student lived with his parents and attended Patrickburg High School during his ninth and tenth year. His parents have farming operations in both Patrickburg and Clay City school districts and decided to move to the Clay City school district into a camping trailer, where they slept. Since the trailer was parked near the home of the grandmother, cooking was done in her home.

Principal Alvin Schwartz of Patrickburg approved an athletic transfer blank at the beginning of school since he is a new principal and was informed that the boy's parents had moved to Clay City. In November Mr. Schwartz had many reports that the move had not been complete and bona fide and so notified the IHSAA Office.

Principal Schwartz of Patrickburg, Principal Francis Bogard of Clay City, James Mishler and his parents appeared before the Board of Control to discuss the situation. They all agreed that nothing had been moved to the Clay City district except a small camping trailer in which they slept and a few personal belongings.

DECISION

It was the unanimous decision of the Board of Control that the move was not complete and bona fide; therefore James Mishler is

ineligible for one calendar year from the date of his enrollment in Clay City High School this fall.

Any athletic contests in which he participated should be forfeited. Principal Bogard acted in good faith when he permitted this boy to play since he had an athletic transfer blank.

SPECIAL DISTRIBUTION CHECK

Principal John Hayes of Frontier High School notified this office that they had not received a check for the special distribution of funds made October 1. The Board gave approval for a duplicate check to be written to Frontier High School.

The Commissioner reported that U. S. Savings Bonds, Series J, in the amount of \$20,000.00 due December 1, 1966, had been reinvested in U. S. Treasury Bonds (4 1/4%), due 5/15/74.

IHSAA OFFICE

The Board authorized the Commissioner to purchase gift certificates for the office staff in the amount of \$65.00 for Christmas.

BASKETBALL TOURNEYS

The Board reviewed the work done at previous meetings on the 1967 State Championship Basketball Tourney series. Final approval was given for the location of sites, ticket prices, number and pay of officials, distribution of quota orders and complimentary tickets, approval of one-site, two-bracket tourneys time schedules and other details necessary to the conduct of the entire tourney series. The Commissioner was directed to sign definite contracts in duplicate with all tourney center principals, to prepare the tourney bulletin for distribution to the member schools and the press, radio and television, setting forth all details in connection with the conduct of the tourney. The Commissioner's office was authorized to make minor adjustments which may be necessary in publishing the tourney bulletin.

Approval was given for the employment of Fred R. Gorman of Indianapolis to assist in the distribution of state tickets and to employ, assign and supervise necessary help for conducting the state tournament.

The Commissioner was authorized to approve radio and television coverage under the same plan as approved last year.

The Board decided to continue the plan started a few years ago of presenting a trophy furnished by the IHSAA to each sectional winner.

The Board approved the plan to have new tournament principals attend a pre-tourney meeting in Indianapolis. The noon luncheon to be paid by the IHSAA with mileage charged to the miscellaneous expenses of the sectional tourney financial report.

The Board of Control adjourned to meet again in Indianapolis, January 18 and 19, 1967 at 9:30 a.m. in the IHSAA Office.

Commissioner Phil N. Eskew and Assistant Commissioner Herman F. Keller reported on the meeting held by the executives of the state high school athletic associations and the changes made in the National Alliance Football Rules Committee Meeting.

ANGOLA HIGH SCHOOL—MIKE MYERS

This boy participated in a gymnastics meet in Ft. Lauderdale, Florida on December 23, 1966, against boys from other high schools. He participated as an independent and did not represent his high school. This boy, his parents, Mr. Nesbitt a teacher in Angola and the gymnastics coach at Angola appeared before the Board of Control to discuss his eligibility. The Commissioner had notified Principal Hammel of Angola that Mike was ineligible as he had violated Rule II, Division III, page 32 of the 1966 Handbook. Because the parents wanted to appear before the Board of Control they were invited to appear. The case and the rule were discussed at length.

DECISION

Mike Myers should be considered ineligible for further participation in gymnastics for the 1966-67 school year.

EVANSVILLE HARRISON HIGH SCHOOL—CHRIS GOLLNICK

This boy is a ward of the court due to family difficulties. He has been placed in a foster home in Evansville by the court. This home is that of Mr. Merle C. Melton. Letters are on file from all parties concerned. Principal W. T. Pritchett of Harrison has asked the Board of Control to consider his eligibility under the unavoidable change of residence rule.

DECISION

Chris Gollnick should be considered eligible as to residence at Evansville Harrison High School.

INDIANAPOLIS ARLINGTON HIGH SCHOOL—MICHAEL SANDS

This boy lived in Alexandria, Virginia with his mother and attended high school there. He had trouble making his grades and get-

ting adjusted in Alexandria. During the summer of 1966 he moved into the home of a family friend, Mr. and Mrs. George Smeltz of Indianapolis. He still had a home in Virginia and his mother did not change residence. Principal Ralph Clevenger of Arlington High School at the request of Mr. Smeltz, asked the Board of Control to consider his eligibility.

DECISION

Michael Sands is ineligible as to residence for one calendar year from the date of his enrollment in Arlington High School.

WORTHINGTON HIGH SCHOOL—EDWARD P. HASH

This student lived in Bloomington with his father and attended school there. His father remarried and did not want Edward to live with him any longer. Edward went to Worthington to live with a sister and entered school there.

Principal Donavon Wells of Worthington asked the Board of Control to consider this case under the unavoidable change of residence rule. Affidavits and letters from all parties concerned are on file.

DECISION

Edward Hash may be considered eligible as to residence at Worthington High School.

TOURNEY OFFICIALS

The Board approved a meeting of all men who have received contracts to work the basketball tournament series. It is understood the IHSAA will pay for a buffet luncheon for this meeting as well as mileage to men who actually drive to the meeting. It is suggested that as many officials as possible ride together to the meeting. This meeting is to be held at the Marott Hotel on Sunday, February 19, at 2:00 p. m.

The Board of Control was unanimous in praise of the splendid job Assistant Commissioner Herman F. Keller did in getting the material together for use in the selection of tourney officials.

BASEBALL TOURNEY

Approval was given for the employment of Walter Floyd of Indianapolis to assist in conducting the baseball tournament this spring.

3. The Commissioner was authorized to handle complimentary tickets under the same plan as used in previous years.

4. The Board approved the following policy for televising the 1967 tournament:

- Only the final game of the sectional and regional may be telecast.
- No delayed telecast will be permitted.
- Stations may telecast in their home areas only.
- In the three Marion County Sectionals, any station telecasting from any site must post a \$6,000.00 guarantee against unsold seats in all three sites. Any unused money would of course be refunded to the sponsor. Other details, such as guarantee, etc. will be on the same basis as in past years.

5. The Board approved filming the games of the 1967 semi-state and final basketball tournaments provided satisfactory arrangements can be made by the IHSAA Office for the photography.

6. When radio broadcasts are delayed, they must not be on school time.

INSURANCE ON TOURNAMENT OFFICIAL

The Board approved insurance for tournament officials under the same plan as used last year.

The Board of Control adjourned to meet again in the IHSAA Office on February 14, 1967, at 1:30 p.m.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 14 & 15, 1967

Present: President Lloyd Miller, Otto Albright, Eugene Hudleston, Don Sakel, Everett L. Shively, Commissioner Phil N. Eskew and Assistant Commissioner Herman F. Keller.

The minutes of the previous meeting were approved as written.

FAYETTEVILLE HIGH SCHOOL—RICKY SHERRILL

This boy lived in the Marshall Township School District with his parents on a 319 acre farm and attended school there. He was cut from the basketball team in January. Within a few days he and his father went to Fayetteville and he wanted to enter school there. He was told that he would not be eligible unless the move was bona fide and complete. Within a few days the family moved to the Fayetteville School District but only Ricky attended school there the two other children continued to attend Marshall Township.

Principal James Kern of Fayetteville asked the Board of Control to determine Ricky's eligibility.

DECISION

Ricky Sherrill is ineligible for one calendar year from the date of his enrollment in Fayetteville High School.

MORTON MEMORIAL (Knightstown)—STEVEN RAY HANDLEY

This boy is a ward of the Vanderburg County Department of Public Welfare and has been placed in the Soldier and Sailors Home by the probation officer of that county. Although the boy is not

eligible scholastically at this time, Principal Max Stanley would like for the Board of Control to consider this case under the unavoidable change of residence rule in order that he may be eligible as to residence when he becomes scholastically eligible.

DECISION

Steven Ray Handley should be considered eligible as to residence at Morton Memorial High School.

BARR-REEVE HIGH SCHOOL (Montgomery)—TOM McCracken

This boy was enrolled in Washington High School and a member of the basketball squad. He and his parents became dissatisfied with the coach so they moved from a new modern house they had built to a house in the Barr-Reeve School District, which had not been lived in for about three years. The father appeared before the Board of Control to discuss the move.

Principal John Walker of Barr-Reeve High School had asked the Board to determine Tom's eligibility.

DECISION

Tom McCracken is ineligible for one calendar year from the date of his enrollment in the Barr-Reeve High School. The Board of Control felt that this move was not bona fide and further more it violated the spirit of the rules of the IHSAA.

BREBEUF-CHARTRAND HIGH SCHOOLS

On Friday evening, February 10, during a basketball game between these two schools some unfortunate incidents occurred. It was reported that there was bickering between the players on both teams during the game. This contributed to an unfriendly feeling between the teams. Both teams were warned about this once by the officials.

To add to the unpleasantness, the clock was not functioning properly. At the close of the game, with only three seconds to play, a Brebeuf player hit the winning basket. Brebeuf students in their exuberance rushed on the floor to congratulate their team and in so doing a Chartrand boy was pushed to the floor after he had kicked the ball into the top of the gymnasium.

Father Kitchen and Coach Harold Schoen from Chartrand, Father Schmidt, Father Cagney and Coach Wayne Monson of Brebeuf and referee Don Phillips appeared before the Board to discuss these incidents.

DECISION

Father Schmidt and Father Cagney were instructed to:

1. Make sure the clock is in proper working order.
2. Make a concerted effort to keep their students in the cheering section under control.
3. Have a meeting of the student body informing them that they are to conduct themselves in a sportsmanlike manner.
4. Make plans for more strict supervision of the crowd.

5. The Board of Control feels that it is in poor taste to use the National Anthem as a buildup to a yell. It is our understanding that the Brebeuf teams are called the Braves and that at the close of the National Anthem the entire student body yells "BRAVES."

6. Father Kitchen and his coach are instructed to make sure that his team members conduct themselves in a sportsmanlike manner at all times.

Approval was given for the Commissioner's Office to invest funds from the 1967 basketball tourneys in U. S. Securities.

7. The Commissioner was authorized to employ help to conduct the state tourney.

8. The schedules for the sectional, regional, semi-state and state tourneys were drawn by the Board of Control in the presence of representatives of the Indianapolis News and Star and the Associated Press and United Press International. 9. The Board voted that all rebroadcasts of any tournament must be held at a time other than during school hours.

"SPECIAL MEETING"

Present: President Lloyd Miller, Otto Albright, Eugene Huddleston, Everett Shively, Commissioner Phil N. Eskew, and Assistant Commissioner Herman F. Keller.

Absent: Don Sakel.

GARY HIGH SCHOOLS

Early in December, Principal R. O. Greer of Gary Edison called the Commissioner inquiring as to whether or not his track squad could go to the University of Chicago Fieldhouse to practice track. Permission was given for such practice provided they did not enter any track meet sponsored by anyone other than a member of our Association or the Illinois Association and they did not practice with or against boys from other high schools, colleges or independent track teams. Principal Greer was also told that the practice should not in any way be involved with the AAU or USTFF.

Principal Greer related this information to his Coach, Lee Calhoun.

Through a misunderstanding of terms or questions asked and answers given, Coach Calhoun entered his team in the University of Chicago Track Club Open December 31, 1966, and again on January 7. On January 21, the boys participated in the Chicagoland Open Track Meet. Boys from many schools in the Chicago area and high school and college graduates participated. This meet was sanctioned by the AAU and USTFF. In so doing the boys violated the following IHSAA rules:

Division II, Rules 3 and 4; Rule 12

Rule 3. "All games, meets, tourneys and inter-scholastic activities participated in by member schools belonging to the IHSAA must be held under the direct supervision, management and auspices of the schools concerned or under the direct supervision, management and auspices of the IHSAA. (Note—This rule applies to games, meets, tourneys and inter-school athletic contests within and without the state.)"

Rule 4. "Participation of students in an athletic contest with or against players not belonging to their school constitutes a game. A 'scrimmage' or practice by students with or against teams or players not belonging to their school is considered a game. A try-out or demonstration of athletic ability as a prospective student-athlete for a college shall be considered a violation of this rule."

Rule 12. "All interstate meets and tourneys involving three or more schools must be sanctioned by all of the states concerned and the National Federation of High School Athletic Associations. Interstate contests involving only two schools need not be sanctioned, provided the round trip travel does not exceed 600 miles."

Division III, Rule 11

Rule 11. "A member school student who participated in a sport during a season on any team other than his school team, becomes ineligible in that sport for the remainder of the season. Note: The season for golf, baseball, softball, swimming, gymnastics, track,

cross country and tennis defined as the period beginning with the opening day of school and ending with the closing day of school, each school year. (See football, wrestling and basketball rules for limited seasons.)"

After hearing that some students from Gary Edison, Lew Wallace, and William A. Wirt participated in the three above mentioned track meets the Commissioner notified them that any boy so participating was ineligible for the remainder of the 1966-67 school year in track.

Since there was an apparent misunderstanding, representatives of two of the teams involved and Gary Athletic Director, John Smith, appeared before the Board of Control to discuss the situation.

DECISION

After considering all circumstances, the Board was unanimous in the decision that any boy participating in these meets be declared ineligible in track for the remainder of the 1966-67 school year.

OSSIAN HIGH SCHOOL

On March 1, 1967, Principal Harry Andes, Coach Art Windmiller, Assistant Coach Gene Felton, Superintendent J. M. Benson of the Ossian School System, Principal Fred Park of Bluffton and Mr. Don Hurst and Mr. Firman Grimes appeared before the Board of Control to discuss the incidents which occurred at the close of the final game between Ossian and Bluffton High Schools in the Bluffton Sectional, February 25, 1967. Written reports were also filed regarding this game.

In the hearing it was reported that Coach Windmiller, during a game in which his team was not playing, while seated in the stands, wrote a note to the officials, folded it and sailed it onto the floor.

With three seconds remaining in the game in question, a technical foul was called on the Ossian assistant coach. At this point Coach Windmiller stepped to the floor and said to referee Hurst, "Call one on me.", which he did. He then said, "Call two on me", and the referee called another technical. Referee then told Coach Windmiller to be seated or he would have to ask him to leave the gym. The coach then took his seat and they proceeded with the shooting of free throws. After these were attempted, Coach Windmiller stood up and clapped his hands in the face of the referee making unsportsmanlike remarks. At this point the referee called the game.

After thoroughly investigating the situation, the Board of Control was unanimous in its opinion that the type conduct displayed by the Ossian coach is detrimental to all high school athletics and is in direct conflict with the whole philosophy of the IHSAA.

DECISION

Ossian High School is hereby suspended from the IHSAA until September 1, 1967. They may apply for reinstatement at the beginning of the 1967-68 school year if they so desire. If such application is made their case will then be reviewed by the Board of Control to determine if the suspension will be lifted or continued.

If Ossian High School consolidates with another school the resulting school will also be governed by the above statement.

Players on both teams are to be commended for their behavior during this incident.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 13, 1967

Present: President Lloyd Miller, Otto Albright, Eugene Huddleston, Don Sakel, Commissioner Phil N. Eskew and Assistant Commissioner Herman F. Keller

Absent: Everett Shively

The minutes of the three previous meetings were approved as written.

IHSAA FINANCES

The Commissioner reported that \$20,000.00 in U. S. Treasury Bills were reinvested when they came due March 16. He also reported that \$60,000.00 in tournament funds were invested in Treasury Bills due September, 1967. \$100,000.00 in tournament funds were invested in a certificate of deposit dated April 7, 1967 and due October 1, 1967 at 4½% interest.

CHAMPIONSHIP BASKETBALL TOURNAMENT SERIES

The management, officiating, and finances of all tourneys were checked. It is understood that all details concerning the tourneys from the sectional through the finals will be audited by an independent auditor with complete reports published in the 1967 IHSAA Handbook. A brief summary will also be printed in the April issue of the Bulletin.

Ratings filed by the participating schools on the officiating will be kept on file for the benefit of the Board of Control in selecting officials for the 1968 tournament.

TRACK AND FIELD MEETS

Final approval was given to sites selected for the 1967 IHSAA Track and Field Meets. Approval was given to a list of applicants from which the Commissioner's office is to assign referee-starters for sectional and regional meets. It is understood that where necessary some schools may be transferred to a different section when the total number of entries at each site is known.

The Board of Control approved the selection of Technical High School track and cafeteria facilities for the State Meet. C. P. Dagwell was chosen as a representative of the IHSAA to select and make the necessary arrangements at the field. It is understood that complete details on track and field meets will be published in the April Bulletin.

GOLF MEETS

Due to increase interest in golf the Board increased the number of sectionals to twelve and added four regionals to plans for this year's meets. Sites were chosen. Fred Keesling was chosen as the IHSA representative for the State Meet. Coffin Golf Course was selected as the site for the meet. It is understood that complete details on golf meets will be published in the April Bulletin.

SUMMER COACHING SCHOOL

The Commissioner reported that plans for the Coaching School in August were progressing and part of the personnel had been secured for the school.

ATHLETIC INJURY INSURANCE

Fisk Landers, who handles the athletic injury insurance, presented a policy for the coming school year. This policy is much the same as has been offered in the past years. The Board accepted the policy as submitted.

HOWE MILITARY ACADEMY

The Headmaster from Howe Military Academy, Mr. D. E. Sandifar, appeared before the Board to discuss the possibility of joining as a regular member. After discussing the problem, the Board was of the opinion that before Howe could join as a regular member it would be necessary to alter the Constitution and By-Laws. This change will be brought before the Athletic Council for a discussion.

FORT WAYNE CONCORDIA LUTHERAN HIGH SCHOOL

Reverend Peter A. Zadeik of Concordia High School reported that several members of his golf team had accepted prizes and gift certificates during the summer of 1966 for participating in golf tournaments in the Fort Wayne area and that he had declared the boys ineligible on March 8, 1967. He asked for permission to appear before the Board of Control to discuss the situation. Athletic Director Baack appeared before the Board for Reverend Zadeik. In the discussion Athletic Director Baack said that he was in the process of collecting the items to be returned to the donors.

DECISION

Because these boys had violated their amateur standing it was the unanimous decision of the Board that they were ineligible for further participation in athletics. It should be called to their attention that they may ask for reinstatement of their amateur status at the end of one calendar year.

If any of these boys participated in athletics while ineligible Principal Zadeik should follow the steps as outlined in Division V, Section L.

EVANSVILLE MATER DEI—DONALD EUGENE WRIGHT

This boy is a ward of the Vanderburg County Court and has been placed in the care and custody of Catholic Charities Bureau. He has been living in the Rex Mundi district and attended that high school. The Catholic Bureau has placed him in a home which is in the

Mater Dei District. Letters are on file from all persons concerned. Sister Mary Clare of Mater Dei asked the Board to consider him under the unavoidable change of residence rule.

DECISION

Donald Wright may be considered eligible as to residence at Mater Dei High School.

BATTLE GROUND HIGH SCHOOL—DAVID WILLIAMSON

This boy lived in the Klondike school district and attended Klondike High School. His mother transported him to Battle Ground High School during the 1965-66 school year in order that he could take Vocational Agriculture. The Agriculture credit was transferred to Klondike High School. The mother was unable to provide transportation during the 1966-67 school year so David enrolled in Battle Ground High School full time in the fall of 1966-67. His residence did not change. Principal Bruce Stucker of Battle Ground asked if David could be considered eligible at Battle Ground High School.

DECISION

The Board of Control has never considered subject matter as a reason for changing schools. Because David changed schools without a change of residence on the part of his parents, he is ineligible for one calendar year from the date of his enrollment in Battle Ground as a full time student this fall.

BASEBALL

The Board approved tentative plans for the baseball tournament with the understanding that details would be published in the Baseball Bulletin for release about May 1. Approval was given for a meeting of the Sectional Baseball Center Principals and Athletic Directors. These men are to be guests of the IHSA for lunch.

The Board of Control adjourned to meet again in Indianapolis on May 8, 1967 at 9:00 a.m. They will meet at the Marott Hotel, just prior to the baseball meeting.

The Board gave approval to a few expenditures in excess of the 1966-67 estimated expenditures. The Commissioner presented a statement of receipts and expenditures over the past twelve months together with an itemized statement of government securities owned by the IHSAA at present. It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 1. Results of this audit will be presented to members of the Board of Control at the first meeting after the completion of the audit and will be published in the 1967 Handbook. The Commissioner was authorized to deposit with the American Fletcher National Bank and Trust Company of Indianapolis, for exchange or credit as needed to keep a safe balance in the bank, such securities as may come due. SPECIAL DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for adequate reserve in the IHSAA treasury, the Board set \$150.00 as the maximum amount of surplus funds to be paid any member school.

in the special distribution to be made October 1, 1967. Because there was a special distribution in 1966, all the money to be distributed was earned during the current year.

It was decided to make this distribution according to the following plan:

1. One hundred twelve dollars and fifty cents (\$112.50) for participation in the 1967 sectional basketball tourney.
2. Thirty-seven dollars and fifty cents (\$37.50) for membership in the IHSAA during the membership year, 1966-67.
3. Any school sharing the special distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1967.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share shall be sent to the principal of the new or resulting school.

AUDITED STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS AND OTHER FINANCIAL INFORMATION

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

June 30, 1967

Board of Control
The Indiana High School
Athletic Association
Indianapolis, Indiana

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1967, and the statement of securities owned at June 30, 1967. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit at June 30, 1967, with the amount reported directly to us by the American Fletcher National Bank and Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements and the cash disbursements were supported by examination of invoices, expense reports, and other data. Securities owned by the Association at June 30, 1967, were inspected.

In our opinion, the accompanying statements of cash receipts and disbursements and securities owned present fairly the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1967, and the securities owned by the Association at June 30, 1967.

FOOTBALL

Interest in football is still continuing to increase. In 1966 four hundred junior and senior high schools participated in the football program. Of this total one conference, composed of 9 teams, participated in 8-man football.

Only one team, Fountain Central, repeated as outright champion of its conference. Greenfield, Indianapolis Chatard and Centerville repeated as co-conference champions of their respective conferences. The crowning of many new conference champions is evidence of the keen competition that exists in the football program.

Delphi finished its third consecutive season with a 10-0 record. Indianapolis Washington, Brebeuf (Indianapolis), Gary Wallace, Gary Wirt and Lafayette Jefferson also finished with 10-0 records. Columbia City and South Bend Adams had 9-0 records and Winchester had an 8-0 record.

Undeclared, but once tied, were North Central (Indianapolis) 9-0-1 and West Lafayette 8-0-1. Marion was tied twice but undefeated with a 7-0-2 record.

Delphi will begin the new season with a consecutive string of 30 games going for them. Brebeuf (Indianapolis) will protect a 20 game consecutive winning streak.

The winners of the various conferences are listed on page 131.

Prior to the opening game of the season many schools play in a football jamboree. This event is still rapidly growing in popularity.

The IHSAA does not sponsor a series of games to determine a champion, but each year honors conference champions by carrying their pictures in the Handbook. If a print was submitted, these squad pictures may be found following the list of high schools participating in the sport. Included also are non-conference teams with very outstanding records.

CROSS COUNTRY

In cross country three hundred twenty-two teams participated in sixteen sectional meets. A total of 3178 individuals were represented in the entire program.

The first three teams and the first five individuals in each sectional advanced to the regionals. The same winners at each of the four regional sites advanced to the State Championship Meet which was held at the South Grove Golf Course in Indianapolis. Twelve complete teams and eleven individuals were represented at the state meet. A total of 83 contestants participated.

At the Bloomington Regional site, host Bloomington High was the winner with 58 points. Fort Wayne Elmhurst with 60 points won at Ft. Wayne. The winner at LaPorte was Calumet of Gary with 58 points, and Indianapolis Howe with a total of 80 points was the winner at New Castle.

On a cloudy, cold and snowy day Valparaiso placed two runners in the first three places and won its first State Cross Country championship. Valparaiso posted a team total of 89 points.

Elkhart was in the runner-up position with 99 points. In third place was West Lafayette with a score of 112. Indianapolis Howe was fourth with 117 and Ft. Wayne Elmhurst fifth with 126 points.

Don Vandrey of Valparaiso defended his title with the good time of 9:33.0. This was excellent time considering the weather and the conditions of the score.

Trailing Vandrey in second place was Fred Lands of Elkhart. In third place was Vandrey's teammate James Barth. Tom New of Greenfield was fourth and Ralph Foote of East Noble fifth.

SECTIONAL CROSS COUNTRY MEETS

The Board of Control set up sixteen sectional cross country meets to be held Friday, October 21, 1966 after 3:00 P.M. These meets are conducted as an elimination series in order to select teams and individuals for the regional meets.

Sixteen sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1965, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan if a greater number of schools enter than is anticipated.

Schools have been assigned by counties and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin to the principal.

MANAGEMENT—The management of these meets rest solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be se-

lected by the center principals except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Friday afternoon, October 21 after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Tuesday, October 18, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Team positions at the start are to be drawn by lot.

OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding junior, preparatory or associate memberships. A school may certify twelve students, with no more than six participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

NOTE: Each year some schools file entry blanks, then fail to participate in the meet. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for any reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

ELIGIBILITY—The eligibility of each player shall be certified to by the principal of his school. The official entry list must be used, and all data given. Entries positively will close **Wednesday, October 12**. The entry lists must be in the hands of the Commissioner, complete in every detail, by 4 p.m. on that date. **Twelve students may be certified for the meet, with six or fewer participating on the day of the meet.**

LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. **Individuals** are ranked and tallied in the placement column, but their position is dropped and not recorded in the team scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. In the event of a tie, the tie is to be broken by adding the position of the sixth place man on each team. The team with the lower score will then be awarded the proper place.

In case one of the teams involved in the tie has only five participating members, the team with six participating members, will be awarded the higher ranking position. (Example: In case of a tie for third place, the five-man team will be automatically awarded fourth place.)

RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running as found on pages 35-38 in the 1966 National Federation Edition of the Track and Field Rules shall govern—with IHSAA exceptions, the length of course and limit of contestants. **All contestants must wear shoes.** (Cross Country, Tennis or Track, not Gymnastic Shoes.)

PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the regional meet, provided they finish the race. The first five individual winners will receive ribbons. The IHSAA will award a trophy to the winning school.

QUALIFICATIONS FOR REGIONAL MEETS—The first three teams* to finish in each sectional shall be eligible to advance to the regional meets. The first five individuals to finish shall be eligible for the regional meet regardless of their team position.

*A school must have five or more boys finishing the race to be considered a team competing in that sectional.

WRESTLING

One hundred seventy-one schools participated in the sixteen tournaments. This was an increase of eighteen over the previous year. Four regionals followed the sectional tournaments.

The state championship wrestling tournament was held at Southport High School. A large crowd was in attendance. Thirty-five high schools qualified contestants to participate in the state tournament.

Indianapolis Shortridge, with 25 points, became a two-time winner of the team title. Franklin Central and North Central (Indianapolis) with 22 and 21 points respectively finished second and third in team scoring. Defending champion South Bend Adams finished in fourth place with 20 points. Anderson finished fifth with 16 points.

In one of the finest matches ever witnessed in a state final meet, Mickey Janes, 1965 state champion and 1966 runnerup in the 145 pound division, defeated Charles Blackwell of Indianapolis Shortridge, the defending champion in the 154 pound division. 1966 runner-up Steve Startzman of Lawrence Central in the 103 pound division was crowned the champion in this division in 1967.

BASKETBALL

Evansville North High School captured the fifty-seventh annual high school basketball championship tournament. This was the first state championship for the Huskies. It was also the first sectional, regional, and semi-state for the champs.

In a game which saw the lead change hands several times, Evansville North pulled away in the final minutes and survived a desperate rally by Lafayette Jefferson to survive by a score of 60-58. Evansville North led at the end of the first quarter by a score of 19-16. During the second quarter Lafayette Jefferson rallied and led by a score of 39-36 at intermission. At the end of three quarters the score was all tied up at 50-50. Lafayette Jefferson tried desperately to tie or overtake the Huskies in the late stages but, fell short by two points. Bob Ford's 27 points and 21 rebounds were the contributing factors in North's victory trail.

In the first afternoon game, New Castle led Evansville North 15-12 at the end of the first quarter. During the second quarter North caught up at 23-23 and went on to take a 38-29 lead at halftime. New Castle decreased the lead during the third quarter, but by the end of the quarter North had again built up a six point advantage, 45-39. Bob Ford of North, with a total of 35 points and 20 rebounds was impressive in New Castle's defeat at the hands of Evansville North.

In the second afternoon game, Lafayette Jefferson battled its way into the championship game by defeating Ft. Wayne South Side by a score of 79-70. In a closely matched first half Ft. Wayne South Side led 14-13 at the end of the first quarter and 35-34 at intermission. The Bronchos shot 9 for 13 in the third quarter and took a 55-52 lead. Early in the fourth quarter another Broncho flurry suddenly made the score 66-56. Lafayette Jefferson had a sizzling .508 shooting average from the field.

The Board of Control unanimously selected Charles Nelson of Fort Wayne South Side High School as the recipient of the Arthur L. Trester Award for Mental Attitude.

Consolidation again decreased the number of high schools that participated in the sectional tournaments. This year 513 participated, as compared to 544 in 1966. Gross receipts were \$1,185,017.31 and the total attendance was 1,401,018.

ANNOUNCEMENT OF STATE BASKETBALL TOURNEY SERIES

THE FIFTY-SEVENTH ANNUAL

These rules are reprinted from the 1967 January Bulletin.

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full: with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNEYS

1. TYPE OF BALL—The molded type basketball approved orange or natural tan has been legalized for the State Championship Series. See pages 18 and 20 for Semi-State and State balls.

2. PRIZES—No prizes of any kind are to be awarded to any school or individual from any source, other than the IHSAA. The IHSAA will present a trophy to each sectional winner.

3. RADIO SERVICE—Stations in Indiana may broadcast IHSAA tourneys provided the requirements in the "IHSAA Rules and Regulations Governing Broadcasting" are observed. Station managers and Center Principals will have copies of these rules and regulations.

4. PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. SOUVENIR PROGRAMS—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control nor the Commissioner's Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.

6. SUGGESTIONS—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

7. MANAGEMENT—The exclusive control of all these tourneys rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every effort will be made to choose only fair, disinterested and competent men. All schedules and assignment of officials will be made and distributed by the Board. All schedules will be drawn by lot by the Board of Control, and no changes will be made in them. Representatives of the press will be invited.

8. TIME SCHEDULE—The Board of Control has ruled that all tourneys will be held on the prevailing time of the community in which the Center is located. All Saturday games will be 12:30, 1:45, and 8:15 p.m.

9. **OFFICIALS**—The assignment of game officials and their decisions will be considered final. Schools enter the tourneys with this understanding. Give this information to your students and fans now.

Official scorer(s) shall be dressed in a manner that will distinguish them from others who may be seated at the scorers and timers table. Black and white striped shirts or jackets are strongly recommended.

10. **PRIVILEGES**—Twelve competing players, coaches, principal and manager for each team (16 in all) shall be admitted free to all games.

11. **OVERTIME GAMES**—The same rule applies in tourneys as used during the regular season games.

12. **WARM UP PERIOD**—There shall be fifteen minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game. The first two teams playing in a session shall also be limited to the fifteen minute warm-up period. This fifteen minute period shall be exclusive of announcements and opening ceremonies.

13. **NUMBERING OF SHIRTS**—In order for a school to be eligible to enter the sectional tourney, all players' shirts must be properly numbered according to Rule 3, Section 4 of the Official Basketball Rules.

14. **CHEER LEADERS**—Only the cheer leaders from the two participating schools may be used in connection with any one game.

15. **RESTRICTIONS**—Please inform your students and others about the following tourney restrictions:

By ruling of the Board of Control:

- Banners, posters, etc., that are objectionable in the wording or which obstruct the view of others, are not allowed.
- Cow-bells, and other such noise instruments are not allowed.
- The use of bands at IHSAA tourneys is not sanctioned.
- No live animal mascots are permitted.

16. **HOME TEAM**—The first named team in each game throughout the entire tournament is always designated as the "Home Team." It shall wear white uniforms and have a choice of bench (exception—host team shall have choice of home bench).

The second named team in each game shall have choice of basket and wear colored uniforms. In the event the **Host Team** is the second named team it shall wear colored uniforms but have choice of bench only.

SECTIONAL TOURNEYS

February 20-25

The following bases were used in selecting sectional, regional and semi-state centers:

(1) Invitations filed by the principals. (2) Locations considered but not necessarily the determining factor. (3) Transportation facilities. (4) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities. (5) Rotation. (6) Suc-

cess and satisfactory management of previous tourneys. (7) Adjustment because of reorganization and consolidation.

Many schools have been assigned by counties but there are a number of exceptions which are clearly indicated. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The plan arranged is to have no less than 7 teams and no more than 10 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers are tentative. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—Four officials will be assigned to all tourneys. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering an IHSAA sectional basketball tourney in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an entry blank. Schools holding junior and/or preparatory membership are not eligible to enter.

ENTERTAINMENT—Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. The Center Principals have contracted with the Board of Control to entertain sixteen men (which must include coaches, principal, and manager) from each competing school according to the following plan:

1. **Transportation**—All schools are entitled to one-round trip mileage allowance each day the tourney is in session.
2. **Meals**—All schools are entitled to one meal for each day the tourney is in session.
3. Due to the variations of time schedules of "One-Site Two-Bracket" tourneys, the time schedules, entertainment schedules and admission prices will be set up by the IHSAA and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.
4. **No lodging shall be paid.**

Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.

2. The Center High School shall receive two hundred dollars (\$200).

3. The transportation shall be paid. (The Board of Control has decided on four (4) cents per mile per man (limited to 16 men) for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)

4. The Center High School shall receive one hundred dollars (\$100).

5. The IHSAA shall receive one percent (1%) of the fourth balance.

6. (a) One-half of the fifth balance shall be divided equally among the participating schools, the Center School sharing.

(b) One-half of the fifth balance shall be divided among the participating schools on an enrollment basis.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, March 2.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certification must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the IHSAA. All entries must be in the IHSAA office before 4:00 p.m. Wednesday, February 8. Do not mail entry blanks before January 30. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, February 8. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

Session ticket (all regular tourneys)\$1.00

ONE-SITE TOURNEYS:

Season ticket:

- a. Four-session tourney\$2.50
- b. Five-session tourney 3.00
- c. Six-session tourney 3.50

Tickets shall not be sold for more nor less than the prices listed. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets.

ONE-SITE TWO-BRACKET TOURNEYS:

Due to the variation in the number of sessions, season ticket prices shall be established by the Board of Control through the IHSAA office and the Center Principal.

No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

RESERVED SEATS—The Board strongly recommends that all seats be reserved.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, sixteen tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in his area upon request by Thursday, February 16.
2. Ten percent of the remaining tickets shall be divided equally among the competing schools. (Every school regardless of enrollment, has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This allotment is intended primarily for this use.)
3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 15, 1966, or the third day of school if the opening day is later than September 15.

No tickets shall be distributed by the Center Principal until his tourney schedule has been released. Season tickets must be ready for distribution by Thursday, February 16. All ticket information should be secured prior to this date. The IHSAA will furnish Center Principal with enrollments of all high schools participating in their tourneys. Season tickets unsold shall be returned by 8:00 a.m. on the day the tourney begins, except that in "one-site two-bracket" tourneys, they shall be returned by 4:00 p.m. the day before the tourney if the tourney begins with a day time session; and by 8:00 a.m. on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 8, and cannot be changed or accepted afterward. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before January 30. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

REGIONAL TOURNEYS—MARCH 4

Each of the sixteen (16) regional tourneys will have four (4) teams and will play to a winner, according to the following assignment. The winners in each of the sixteen (16) regional tourneys will constitute the teams in the semi-state tourneys according to assignment.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men who participated in the sectional tourneys.

The sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, February 27. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, February 27. (Ask for Miss Sizelove, who has charge of making the changes.)

DISTRIBUTION OF TICKETS—All tickets shall be distributed by the Center School Principal according to the following plan:

1. Season tickets only shall be sold prior to Saturday, March 4.
2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.
3. **Press.** (a) Each paper within the regional district but outside of the tourney center may be granted one ticket upon request not later than Saturday, February 25.
(b) Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted 3 tickets upon request not later than Monday, February 27.

STATE TOURNEY HINKLE FIELDHOUSE, INDIANAPOLIS

ENTRANTS—The four (4) winning teams of the semi-state tourneys shall constitute the participants in the State Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-state entry blank will suffice for the State Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 13. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 13.

ENTERTAINMENT—Sixteen men will be entertained on each team from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$500.00 for meals and lodging and \$500.00 for bonus, 16 season tickets and transportation to and from Indianapolis. Four cents per mile per man for the round trip for sixteen men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

1. Session Ticket:\$2.50

2. Season Ticket:\$4.00

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

TYPE OF BALL—McGregor X10L

OFFICIALS—See Page 230.

RADIO SERVICE—See Page 229.

SOUVENIR PROGRAMS—See Page 229.

PICTURES—See Page 229. (Note: Local official school photographers cannot be admitted to the State Tournament.)

TIME OF GAMES—12:30, 1:45, and 8:15 p.m. (E.S.T.)

Management—The Board of Control has designated Phil N. Eskew, Commissioner, as Manager with Herman F. Keller, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is 637-1519. Fred R. Gorman, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and Radio reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 16 and not later than Thursday, March 9. An identification plan will be used for press representatives, who must be properly certified by their managers at the time requests are made.

Tickets—All tickets will be handled by the IHSAA office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 18. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at 14,943.

2. Each high school principal having a team entered in an IHSAA Sectional Basketball Tourney for 1967, may order tickets to 3½ percent of his high school enrollment not exceeding 1000 students. The Board of Control has established two to six tickets according to enrollment as the number that may be ordered by each junior and preparatory member school principal. Principals whose high school enrollments exceed 1000 may order 3½% of the enrollment to 1000 and one (1) additional ticket for each 300 students, or fraction thereof, over 1000 enrollment. The enrollment shall be the same as submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1966, for grades 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket and no school shall be limited to less than four tickets. Post graduates shall not be counted. Principals should carefully observe the limitations as outlined. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right. A chart giving the enrollments with ticket allowance will be printed on the reverse side of the ticket order blank.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSAA must accompany each order. Tickets purchased cannot be returned. Please do not send cash. The limitations below must be observed as given:

(a) Orders for tickets having official postmarks on the envelopes from and including Thursday, February 16, to and including Friday, February 24, will be accepted if received not later than Saturday, February 25. Ticket orders mailed prior to February 16 will be returned for proper mailing. The IHSAA reserves the right to check the mailing of all ticket orders and to act on the findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their schools.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quotas, will be distributed pro rata among the principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None is guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

(a) Ticket orders from principals are due any time from February 16 to February 24, inclusive. Postmark will determine mailing date.

(b) Upon receipt of ticket orders in the IHSAA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

(c) Incorrect orders are returned with instructions.

(d) The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent

of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 1000 seats to the block, will be reserved until Monday, March 13, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-state tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by Monday, March 13, about these tickets for they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

THE ARTHUR L. TRESTER AWARD

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Award for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Award for Mental Attitude.

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few

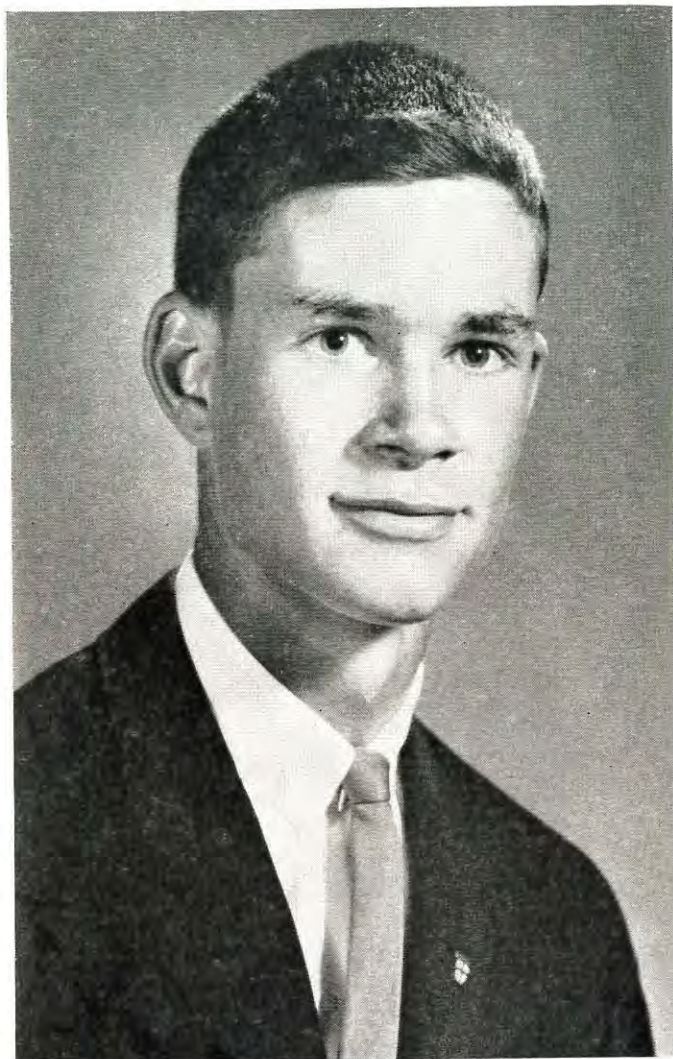

boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

GYMNASTICS

The IHSAA officially sponsored a state championship meet in Gymnastics for the first time. The meet was held in the beautiful Warren Central High School facilities.

Twenty-three high schools participated in three sectional meets. These were conducted at Crown Point, North Central (Indianapolis) and Wabash' high schools. Concord High School was the sectional champion. Crown Point, Columbus at North Central (Indianapolis) and Anderson Madison Heights at Wabash.

Columbus with excellent over-all depth and by virtue of sweeping the last three events won the first IHSAA sponsored State Gymnastics Meet with a total score of 106 points. Concord was second with 89 points, Anderson Madison Heights third with 85 points, and North Central (Indpls.) fourth with 65 points.

Tom Dunn of North Central (Indpls.) with a total score of 679 points captured the first IHSAA All-around title.

The first state sponsored gymnastic meet created a great deal of interest as evidenced by the large crowd which attended the meet.

TRACK AND FIELD

Gary Froebel's Blue Devils easily won their twelfth state track and field title, the first since 1955. They out-distanced the rest of the field by collecting a total of 42 points.

The 67th annual track and field state championship meet again presented a great display of skill and talent by establishing seven new records. This signifies that new records were established in exactly half of the events which make up the entire track program.

Indianapolis Washington and Elkhart stayed with Froebel until the concluding relays after which they finished second and third respectively. Washington wound up with 24 points and Elkhart with 23. Evansville Harrison was fourth with 16.

Don Vandrey of Valparaiso, the defending state champion in the mile run, broke his own state record with a time of 4: 10.3.

Larry Highbaugh of Indianapolis Washington climaxed an outstanding track career by setting a new mark in the 220 with the excellent time of 20.5. He also ran the 100 yard dash in 9.6. This was the fourth year he had placed in the state finals of the 100 yard dash event.

Elkhart's Fred Lands posted a new mark in the two-mile run in the time of 9: 23.9.

Larry Spikener of Gary Froebel set a new standard in the half-mile run with a 1: 54.0. Levi Mitchell, also of Froebel, joined the record parade with a 23 ft. 9 1/2 inch long jump.

One of the most amazing records was established by Gary Hauptert of Northfield High School. Hauptert who did not have a miss recorded against him until he tried 6 ft. 11 inches in the high jump wound up with a shattering 6 ft. 10 inches.

The Gary Froebel half-mile relay team established the last new record. The foursome of Levi Mitchell, Bob Mackins, Judge Graddick and Bill Banks established the new mark of 1: 28.6.

Several other outstanding marks were made. Vaughn Wedeking of Evansville Harrison won the 440 in 48.4. Bob Mackins of Gary Froebel skimmed over the low hurdles in 19.0. The excellent time of 3: 18.6 was recorded also by Gary Froebel in the mile relay.

James Teter of Lawrence Central vaulted 14 ft. 0 inches and Bob Winchell of Evansville Harrison put the shot 61 ft., 1 1/4 inches.

The Board of Control unanimously selected Don Vandrey of Valparaiso as the recipient of the Robert S. Hinshaw Track and Field Award. The recipient of this award must excel in scholarship, mental attitude, school citizenship, as well as athletic ability in track and field. A total of 393 schools entered the track sectionals. This represented a total of 3510 athletes.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principal, except the Referee-Starter, and he will be assigned by the Board of Control. He will be in complete charge of the meet and shall assume the duties of a Referee and Starter as a representative of the IHSAA.

The meet must be held Friday afternoon, Friday evening, Saturday afternoon or Saturday evening. The Center Principal shall notify all schools participating in his sectional, and the IHSAA office by Tuesday, May 9, as to the time and place of holding the meet. The Center Principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner.

Admission Fee—Admission fee to all meets shall be not less than fifty cents (50¢) or more than seventy-five cents (75¢).

Open Contest—These meets are open to all members of the Association, except to schools holding preparatory, junior or associate memberships.

Entertainment—The Center Principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

Expenses—There will be no entry fee. Traveling expenses must be paid by the competing schools.

Privileges—All actual contestants in uniform, one coach, one assistant coach and principal for each team are admitted free to the meet.

Entrance Requirements—The minimum standards of performance which contestants must achieve to be eligible to enter sectional track and field meets shall have been equalled or bettered in actual competition in regularly scheduled interschool meets during the present outdoor track season. These performance standards may be established by competent timing of the first three, four or five places in interschool outdoor meets.

Standards of Performance for 1967

100 Yd. Dash	:10.5	High Hurdles	:16.0
220 Yd. Dash	:24.0	Mile Relay	3:40
440 Yd. Dash	:54.0	880 Relay	1:38
880 Yd. Run	2:08	Pole Vault	11'6"
Mile Run	4:48	Shot Put	45'
Two Mile Run	10:45	Long Jump	19'6"
Low Hurdles	:22.0	High Jump	5'6"

Eligibility—The eligibility of each participant who equalled or bettered the standards of performance in actual competition must be certified by the principal of the school sending the team. The best performance for each contestant must be indicated for each event or events in the regular IHSAA entry blank. Unless the best perform-

ance is indicated in the proper space the contestant will not be considered entered in that event. Entries positively will close **Wednesday, May 3, at 4:00 P.M.** This means the entry and best performance blanks must be in the hands of the Commissioner, complete in every detail, on the date. See warnings below.

Official Rules—The current National Alliance Edition of the Track and Field Guide as published by the National Federation is official in the IHSAA. A few modifications have been made by the IHSAA and they are given in the present Bulletin. In both relays "off the curve" method of exchange shall be used. Both relays may be run in lanes the first 220 yards with a staggered start if lanes have been marked. When the half mile relay is run with the first 220 yards marked in lanes the first and second runners will exchange in their own lane.

Scoring—Winning first place in any event in the sectional meet counts five points; second place, three points; third place, two points; and fourth place, one point. Points in the relays will be counted in determining the winning team, the points for each place in each relay to be double the points in each place in other events. In case of a tie in a track event, the points shall be divided equally and the prizes awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position, with its points, to the contestant with the lowest number of trials for the tied height. If the tie still is not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by the method outlined in Rule 5, Section 2, I (a, b, c and d), pages 14 and 15, of the 1967 Track Rules Book. No misses shall be charged to a competitor for a passed height. In case of a tie in the shot put or long jump, position and points are awarded according to Rule 5, Section 2, II (a and b) "determined by distance," page 15 of the 1967 Track Rules Book.

In case two or more contestants tie for fourth place the above method shall be applied to this place for determining the contestant who advances to the Regional and wins the ribbon. This means that ties for the last qualifying position for the Regional must be broken by applying Rule 5-2-I to insure that no meet will send more qualifiers to the Regional than they are permitted. Be sure the contestants are notified of any ties immediately after the event so they will be available for any runoff for the qualifying position. Points are not affected.

Limitations—No contestant will be permitted to enter or participate in more than three events, and no contestant will be permitted to enter or participate in both relay races. Do not enter the same boys in both relay races.

No contestant in the 880 yard run, mile run or two-mile run may participate in any other race of 880 yards or more. A contestant may enter in both the mile and two-mile run but participate in only one.

It is recommended, especially in the 440 yard dash, that this race be run in heats, no more than 12 contestants in a heat. Referring to the best performance blank, the 12 contestants having the fastest times shall be placed in the first heat, the next 12 fastest in the

second heat, etc. Four places shall be timed in each heat. It is suggested that there be three watches on each of the four winners.

Entrants—Three contestants in the 440, 880, mile and two-mile races; four in all other events, and two half-mile and two mile relay teams will qualify from each sectional for regional participation. (See qualifications for regional.)

Privileges—All actual contestants in uniform, one coach, one assistant coach and principal for each team are to be admitted free to the meet.

Admission Fee—The admission fee to the meet shall be seventy-five cents (75¢).

Management—The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Meets. The Center Principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner.

The Center Principal shall notify all schools participating in his regional, and the IHSAA office by Tuesday, May 16, as to the place of holding the meet.

Entertainment—The Regional Center Principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

Expenses—There will be no entry fee. Traveling expenses must be paid by the competing schools.

Official Rules—The current National Alliance Edition of the Track and Field Guide as published by the National Federation is official in the IHSAA. A few modifications have been made by the IHSAA and they are given in the present Bulletin.

A contestant must be at the starting mark in the uniform of his team when the starter calls the contestants to the mark the first time.

The start shall be staggered and the first 220 yards run in lanes for both relays, using "off the curve" method of exchange. In the half-mile relay the first and second runners will exchange in their own lane. The first runners in the mile relay shall run an equal distance in lanes to a designated place before being allowed to cut for the pole position. This spot must be marked by a flag or line across the track on the back stretch approximately 5 yards beyond the turn.

Order of Events and Limitations. (See Sectional)

Scoring—Winning first place in any event in the regional meet counts five points; second place, three points; third place, two points and fourth place, one point. Points in the relays will be counted in determining the winning team, the points for each place in each relay to be double the points in each place in other events. In case of a tie in a track event, the points shall be divided and the prizes awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position with its points to the contestant with the lowest number of trials for the tied height. If the tie still is not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by the method outlined in Rule 5, Section 2, I (a, b, c and d), pages 14 and 15, of the 1967 Track Rules Book. No misses shall be charged to a competitor for a passed height. In case of a tie in the shot put or long jump, position and points are awarded according to Rule 5, Section 2, II (a and b), "determined by distance," page 15 of the 1967 Track Rules Book.

In case two or more contestants tie for fourth place the above method shall be applied to this place for determining the contestant who advances to the State and wins the ribbon. This means that ties for the last qualifying position for the State must be broken by applying Rule 5-2-I to insure that no meet will send more qualifiers to the State than they are permitted. Be sure the contestants are notified of any ties immediately after the event so they will be available for any runoff for the qualifying position. Points are not affected.

Prizes—Suitable ribbons shall be given by the IHSAA to the winners of first, second, third and fourth places in each event. No other prizes shall be given.

QUALIFICATIONS FOR STATE MEET

1. The winners of first, second and third places in the 440, 880, mile and two-mile races and winners of first, second, third and fourth places in all other individual events, shall constitute the entrants for the State Meet.

2. Relay teams finishing first and second in each Regional shall qualify for the State Meet. Six men may qualify for a relay team, if contestants' names are listed on the IHSAA Official Entry Blank.

3. In cases of ties concerning the first three or first four places, the winners shall be selected by lot, except as outlined in "Scoring."

Names of winners must be clearly designated on the score sheet. Only three men from the 440, 880, mile and two-mile races and four men from other individual events are eligible to qualify for the State Meet.

THE ROBERT S. HINSHAW TRACK AND FIELD AWARD

The IHSAA Board of Control awards the Robert S. Hinshaw Track and Field Award to an outstanding participant in the State Track Meet. The recipient of this award must excel in scholarship, mental attitude, and school citizenship, as well as athletic ability in track and field.

The Robert S. Hinshaw Award is symbolic of the great devotion the late Robert S. Hinshaw had given to the high school track program in Indiana as a participant, coach, and later as Assistant Commissioner of the Indiana High School Athletic Association.

GOLF

Madison Heights High School (Anderson) climaxed a perfect season in easy fashion by outdistancing runner-up LaPorte by nine strokes. Madison Heights chalked up a 300 total fashioned on a 71 by Mike Roberts, 75s by Bill Spannuth and Bob Williams and a 79 by Mickey De Harity.

LaPorte, in the runner-up spot, carded a total of 309 team strokes. Lebanon finished third with a total of 312.

Fred Clark of Muncie Burris emerged as low medalist with a one-stroke edge over Madison Heights' Mike Roberts in a one hole "sudden death" play-off. Both finished the 18 hole route with a one-over par 71. Lafayette Jefferson's Bob Guinnup also went into "overtime" to defeat Lebanon's Don Denger for third place after both came in with 73s.

Due to the rapid growth of golf, the Board of Control again expanded the golf program. Twelve sectionals instead of nine were held and four regionals were established. Sectional sites were: Anderson, Bedford, Elkhart, Evansville, Lebanon, Logansport, Michigan City, Muncie and Richmond. Regional sites were: Bloomington, LaPorte, Logansport and Richmond.

Twelve complete teams and two low-medalists qualified for the state meet held at Coffin Golf Course in Indianapolis.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

Instructions and starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

Eligibility—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. Entry blanks are due in the IHSAA Office on or before 4:00 p.m., Wednesday, May 10, 1967, and cannot be accepted afterwards.

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA Office and the Sectional Center Principal immediately.

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of players from different schools. The players will count and keep score for each other.

Awards—The IHSAA will award a trophy to the winning team in each sectional. In case of a tie an additional hole or holes shall be played until a winner is determined.

Suitable ribbons will be presented by the IHSAA to the members of the three teams qualifying for the Regional Meet. The three low Medalists will receive ribbons.

Teams—Each school may enter six (6) players and the team must consist of four (4) of these six. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR REGIONAL MEET

Teams

The first three teams to finish in the sectional shall advance to the Regional Meet.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals

The three low medalist players in each sectional meet are eligible to compete as individuals in the regional meet competition, provided their school posted a team score in the sectional.

Ties—In all cases of ties, either low-medalists or teams, an additional hole or holes shall be played until the tie is broken. These play-offs will be used to determine the trophy winner as well as determining the low-medalists or teams who will advance to the Regional Meet. Only 3 teams and 3 individuals are to advance to the Regional Meet.

REGIONAL GOLF MEETS

BASEBALL

This year the Board of Control sponsored a State Baseball Tournament Series. The first IHSAA baseball tournament was held in 1912. The second was in 1917. Thereafter an occasional invitational tournament was held. This year however the Board of Control held the first baseball tournament series in which there were 64 sectionals, 16 regionals, four semi-states and one state final.

The renewal of the tournament was most popular as 412 schools participated in the 64 sectionals. Columbia City, Indianapolis Arlington, Jasper and LaPorte won the respective semi-state sites of Madison Heights (Anderson) Franklin, Jasper and East Chicago. The final three games were played in beautiful Victory Field in Indianapolis.

In the first morning game Indianapolis Arlington got off to an early lead and defeated a fighting Jasper team by a score of 10-1. Jasper got off to a bad start and never recovered. Gregg Ennis of Arlington allowed Jasper five scattered hits and was in control through the entire game.

The second morning game was between Columbia City and LaPorte. LaPorte was impressive in defeating a hard fighting Columbia City team. With suddenness LaPorte built up an early lead and coasted to an 8-2 victory. Al Malekovic was the winning pitcher.

The championship game in the afternoon was a keenly contested game between two fine high school baseball teams. Indianapolis Arlington behind the fine pitching of Jim Hedges built up a 5-0 lead and seemed headed to a certain victory. However, playing before a nice crowd and trailing 5-0, the LaPorte Slicers exploded for seven runs in the sixth inning and held the lead for a 7-5 triumph and the state baseball championship. The hard hitting of Rich Lenard and the excellent relief hurling of Al Malekovic were largely responsible for LaPorte's triumph. In winning both games Malekovic boosted his season's record to a very impressive 15-0.

The Board of Control unanimously selected Phil Rohleder of Jasper as the recipient of the first L. V. Phillips Award. The recipient of this award must excel in scholarship, mental attitude, school citizenship as well as athletic ability in baseball.

ANNOUNCEMENT OF STATE BASEBALL TOURNAMENT SERIES

THE FIRST ANNUAL

The Board of Control has completed the details for the State Championship Baseball Tournament and announces the plan in full; with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tournaments if conditions arise making changes advisable or cancellations necessary.

The following bases were used in selecting sectional, regional and semistate centers: (1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General Conditions—attitude of local authorities, fields, entertaining facilities, etc.; (4) Invitation.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNAMENTS

1. BALL—The Board of Control has selected the Spalding #1 Official ball as the official ball for the entire tournament series. Practice balls must be furnished by competing schools.

2. LENGTH OF GAME—All Tournament games are scheduled for seven innings, unless shortened by weather conditions or the game ends in a tie, in which case the game will continue until one team is the winner.

A game shall also end when, if after five innings, a team is 10 or more runs behind and has completed its turn at bat. (Exception—the championship game).

3. OFFICIAL RULES—The Baseball Rules 1967 National Alliance Edition, published by the National Federation of State High School Athletic Associations will be the Official Rules in the games and tournaments.

4. SCHOOLS ELIGIBLE—All members in good standing in the IHSAA are eligible to enter teams in the series of tournaments. Each eligible school may enter a team in the tournament series even though its second semester may end before or during the tournaments.

However, only those students who were eligible at the close of school may be used on the tournament team. Seniors who may have graduated at the close of the second semester may participate in the tournament provided they meet all other eligibility requirements.

5. SINGLE ELIMINATION—All phases of the IHSAA Tournament are based on the single elimination plan.

6. MEN IN UNIFORM—In each of the tournaments, no school shall have more than eighteen players, the team coach (or coaches) and two managers (one of whom must be the bat boy). The eighteen players shall be the ones certified for the tournament.

The only representative of a school allowed on the bench are the players' coaches and managers.

7. COACHER'S BOXES—The Coacher's Box may be occupied by one coach and one member of the team or two members of the team and all must be in uniform.

8. PITCHING REGULATION—"A pitcher may not pitch in more than ten (10) innings in any three consecutive calendar days. This period begins when he officially enters the game as a pitcher."

Note: The three day rule shall begin with the first day of the sectional tournament and shall be in effect continuously throughout the entire state tournament series.

Example: If it is necessary to play the regional on June 12, because of inclement weather and the semi-state is played on June 13, the three calendar day rule is in effect.

9. DECISIONS OF UMPIRES FINAL—The decisions of the umpires are final and protests arising from the decisions of the umpires or any inadvertent misinterpretation of the rules will not be considered by the IHSAA.

10. HEAD PROTECTOR REQUIRED—The batter and runner in all IHSAA games and tournaments is required to wear a head protector.

11. PRE-GAME PRACTICE—Each team will be allowed 15 minutes practice before each game to be used as the coach sees fit. Prior to the championship game, 20 minutes will be allotted each team for batting practice and 10 minutes for fielding, weather permitting.

12. HOME TEAM—Prior to each tournament game, home team privileges shall be determined by the toss of a coin. The home team shall occupy the third base bench.

13. CONDUCT OF COACHES AND PLAYERS:

1. No coach, player or other person officially connected with the team shall be permitted to smoke on the bench or playing field either during practice or while a game is in progress.
2. No coach or other school official shall, during the progress of a game, be allowed on the field of play except by permission of the game officials.
3. Except for those coaches or eligible players who may be serving as coaches at first or third base and players legally in the "next batter" boxes, all other coaches, managers, substitutes and players awaiting their turn at bat shall remain on the players' bench. Umpires will be instructed to enforce this rule to the limit.
4. The captain and the head coach shall be the official spokesmen and the sole representatives of their team in all communications with the officials.
5. Abusive remarks to game officials by coaches or players shall be regarded as unsportsmanlike conduct. The offender or offenders shall be disqualified and removed from the bench and playing field.

14. INTERRUPTED GAMES—Interrupted baseball games shall start at the point of interruption until it is an official game in accordance with Rule 4, Section 2, Article 5 Note of the Official Rules.

Example: At the end of the second inning, game is interrupted by rain. When play is resumed either on that day or a following day the same line-ups shall be used and the game will proceed

from the point of interruption. Runs, count on batter, baserunners, etc. shall be the same when game is resumed.

15. COACHES CONFERENCES—Each team may be granted not more than three charged conferences during a game, without penalty, to permit a coach or his representative to confer with a defensive player or players.

Time granted for an obviously incapacitated player shall not constitute a charged time out. PENALTY—For any charged conference in excess of three, the pitcher must be removed as pitcher for the duration of game.

16. FIELD MARKINGS—The playing field shall be marked in accordance with Rule 1, Section 2, Article 1. The foul lines should be extended a minimum of 250 feet from home base.

17. UMPIRES—Three umpires will be assigned by the IHSAA to all sectional and regional tournaments. Four umpires will be assigned to all semi-states and the state tournament.

18. PLAYING SCHEDULES—All pairings for all tournaments will be made by a chance drawing by the Board of Control on May 22, 1967. Games will be played according to the way they are drawn on the schedule.

19. The Re-entry Rule 3-1-3 will NOT be used in any of the State Sponsored Baseball Tournaments. A Withdrawn Player shall not re-enter the game.

SECTIONAL TOURNAMENTS

May 29 - June 3, 1967

Many schools have been assigned by counties but there are a number of exceptions. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The plan is to have not less than 4 teams and no more than 8 teams in each tournament, and the tentative assignment of all schools is given in the list which follows. The winners will constitute the teams in the Regional Tournaments according to assignment. ENTRY BLANKS ARE NECESSARY. AN ENTRY BLANK IS ENCLOSED.

2. In all seven-team tournaments, the first game of the first round shall be played on Monday, May 29; the second game on Wednesday, May 31; the third game on Thursday, June 1. The final three games shall be played on Saturday, June 3.

5. In all four-team tournaments the final three games shall be played on Saturday, June 3.

RAINED OUT GAMES—If a game in any tournament must be postponed because of rain or wet grounds; or if a game is called by the umpire because of rain, darkness, or other reasons the game must be re-scheduled for the following day and resumed at the point of interruption. If the postponed or called game is the first opening round game, it should take precedence and the local manager should attempt to schedule both opening round games on the following day, using other nearby available fields if necessary; otherwise all games in the tournament shall be postponed by one day. This procedure shall be continued if there are two or more consecutive days when it is necessary to postpone or call any game or games. See page 4 for interrupted games.

NOTE(1): If necessary to postpone any game and the first possible playing date falls on Memorial Day, the game may be played on that date by agreement of the participating schools.

NOTE (2): If it becomes necessary to play a game on Friday, June 2, the final game will not be played on Saturday, June 3.

OPEN CONTEST—These tournaments are open to all members of the Association, except to schools holding preparatory, junior or associate memberships.

ENTERTAINMENT—If possible, the Center Principal shall provide adequate dressing rooms, lockers and shower facilities for all teams.

EXPENSES—There will be no entry fee. Traveling expenses must be paid by the competing schools.

ELIGIBILITY—The eligibility of players must be certified by the principal of the school sending the team. Certification must be

made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. **Be sure to send only the "Official Entry Blank" to the IHSAA.** All entries must be in the IHSAA Office before 4:00 p.m. Wednesday, May 17. Do not mail entry blanks before May 3. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, May 17. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

REPORTING GAME WINNERS—It is the responsibility of the Center Principal to turn in a complete summary of the games played on the official form to the IHSAA Office immediately at the conclusion of the tournament.

PROGRAMS—Programs provided by the Center Principal shall be the only program distributed or sold at the tournament and no solicitation of advertisements shall be made.

REGIONAL TOURNAMENT QUALIFICATIONS—The winning team of each sectional tournament shall advance to the Regional Tournament.

WARNINGS—Entry blanks must be in the IHSAA Office on or before 4:00 p.m. Wednesday, May 17, and they cannot be accepted afterwards. Special privileges will be granted to no one. Send all entry blanks to the IHSAA.
