MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

by

James D. Fulford, President

We in Indiana are justly proud of our high school athletic program. It will compare favorably with similar programs anywhere. The Indiana program did not just happen. It has grown into maturity under the careful guidance and encouragement of the Indiana High School Athletic Association.

Membership in the I.H.S.A.A. is open to all public, private, parochial and institutional high schools of the state, provided they meet the requirements of the association and will subscribe to its rules and regulations.

The I.H.S.A.A. is a voluntary and democratic organization, founded for the purpose of promoting and guiding the athletic program of our secondary schools at a high level of scholarship and sportsmanship.

The primary purpose of the I.H.S.A.A. is to manage and to foster high school athletics on a high plane which has been upheld as an ideal by the association through the sixty-five years of the life of the I.H.S.A.A. New and advanced steps have been taken and will be taken whenever conditions make it necessary. In the beginning the association concerned itself largely with track and football. As time went on it became evident that the I.H.S.A.A. should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The association sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball, gymnastics, track and field, and girls' play days. State championships are determined in cross country, swimming, wrestling, basketball, track, golf, gymnastics and baseball.

The legislative body of the association is a twenty-five member Athletic Council elected by its member schools. Each year the Athletic Council elects five of its members to the Board of Control. It is the duty of the Board of Control, the Commissioner and the Assistant Commissioner to function as the administrative division of the Association.

We have always had the highest type of leadership. A. L. Trester, L. V. Phillips, and Bob Hinshaw gave us leadership in the past that was of the highest caliber, and never hesitated to take their stand for the enforcement of our rules and betterment of the I.H.S.A.A. Mr. Eskew and Mr. Keller are continuing this same high type of leadership. A leadership that is dedicated to our philosophy and fearless in its enforcement can only lead us on to greater and better accomplishments.

We believe in the I.H.S.A.A. It has served us well. Let us resolve to keep it so, and never relax in our efforts to maintain the high ideals and sound philosophy, which it has always promoted.

The I.H.S.A.A. is not a crutch to lean upon, but a vehicle to establish fair criteria in sports and competition. It is established to aid schools in building a program to organize a unified effort in athletics and to stimulate an attitude of "good sportsmanship" among those who participate.

The highest duty of the I.H.S.A.A. is to serve the youth of Indiana to the best of its ability. Let us resolve to keep and expand the high type of service that has made our association great. The Athletic Association is interested in each young person, each coach, each administrator, and each community. It will take the combined efforts of all to make the I.H.S.A.A. the best. It is my desire that each of us will put forth the effort to make the I.H.S.A.A. a greater association.

HISTORY OF IHSAA

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond in April, 1903. At this time there was a conference of high school principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of high school principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are six hundred eleven (611) member schools. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of

the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944, the Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA. In July, 1961, Herman F. Keller of Evansville Bosse High School became the second Assistant Commissioner of Athletics after the death of Mr. Hinshaw. On the retirement of L. V. Phillips, July 31, 1962, the Board of Control selected Phil N. Eskew, Superintendent, Huntington Public Schools, as the third Commissioner of Athletics. The Board conferred the title of "Honorary Commissioner" on L. V. Phillips.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the sixty-five years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball, gymnastics, track and field, and girls' play days. State championships

are determined in tennis, cross country, swimming, wrestling, basketball, track, golf, gymnastics and baseball.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

PREFACE

This revision of the Constitution, Rules and By-Laws, regulations, interpretations, questions and answers of the Indiana High School Athletic Association, is the result of the combined efforts of the Board of Control, Athletic Council and the revision committee.

Most of the material has been printed in the Handbook and official bulletins published each year. Principals, Coaches and other interested parties are requested to read all information contained herein, and observe the information published in all IHSAA bulletins. The Constitution, Rules and By-Laws printed in the annual Handbook may not be up-to-date at all times, due to legislation between printings.

The printed Constitution, Rules and By-Laws, together with the questions and answers, plus the information in current bulletins, will keep all responsible parties completely and officially informed.

PURPOSE OF IHSAA

(Copied from Introduction to first printing of Constitution in 1904)

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "IHSAA.")

ARTICLE II

MEMBERSHIP

Section 1. Full membership in this Association shall be open to all public, private, parochial, and institutional high schools of the state offering and maintaining three or four years of high school work, provided they meet the requirements of the association and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must be accredited by the State Department of Education.

Section 2. Preparatory membership may be extended to any school accredited by the State Department of Education offering and maintaining school work on the ninth and tenth or tenth grade level

with the understanding that such preparatory membership shall extend the privilege of participating in single athletic games, contests, tournaments and meets with other preparatory members. Preparatory membership also shall permit teams from preparatory members composed of ninth and/or tenth grade students to compete against teams composed of ninth and/or tenth grade students from full members and junior members composed of ninth grade students in single games, contests, tournaments and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding preparatory memberships are not eligible to enter teams in state tournaments or meets. It must be clearly understood that a preparatory membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association. It is further understood preparatory membership is available only to schools that will become eligible for full membership within a two year period. At the end of the two year period the preparatory membership will be reviewed by the Board of Control.

Preparatory members may receive tickets for the state final championship basketball tourney and other state final meets at the discretion of the Board of Control.

Section 3. Junior membership may be extended to any school accredited by the State Department of Education offering the ninth grade, but not eligible for full, preparatory or associate membership. Junior membership shall extend the privilege of participating in single athletic games, contests, tournaments and meets with other junior members. Junior membership also shall permit teams from junior members composed of ninth grade students to compete against teams composed of ninth and/or tenth grade students from full, preparatory and associate members in single games, contests, tournaments and meets without special restrictions as to the number of teams entered, trial runs or geographical location within the state. Schools holding junior memberships are not eligible to enter teams in state tournaments or meets. It must be clearly understood that a junior membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association. Junior members may share in the distribution of tickets to the state final championship basketball tourney and other state final championship meets on a limited basis as determined by the Board of Control.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tournaments and meets, but not in any tournaments or meets conducted for the purpose of determining an official state championship in the IHSAA.
2. Associate members are bound by all rules and regulations of the IHSAA with the exception that a student who changes schools without a corresponding change of residence on the part

of his parents is eligible as to residence immediately, provided there is no undue influence involved in any way.

3. Associate members are not privileged to share in the distribution of tickets to IHSAA championship tourneys and meets or in the distribution of IHSAA surplus funds to member schools.

Section 5. Any high school in the state may become a member of this Association by meeting the requirements, by subscribing to these rules and regulations, and by paying the annual dues of one dollar and fifty cents (\$1.50) to the Commissioner on or before October 1 of each year. All memberships expire on October 1 of each year unless the annual dues are paid.

Section 6. Each member school shall have one vote.

Section 7. The Board of Control shall be judge on all memberships.

Section 8. A member school that is suspended from the IHSAA shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension, according to the Sections in the Constitution and the rules and regulations governing memberships.

Rule 8. Approved officials may not play with or against high school students during the school year.

DIVISION II CONTESTS

Rule 1. No games, meets, or tournaments, shall be played by a member school team without the sanction of the Principal.

Rule 2. All inter-school athletic contests shall be subject to the rules of the IHSAA and the Board of Control.

Rule 3. All games, meets, tournaments and inter-scholastic activities participated in by the member schools belonging to the IHSAA must be held under the direct supervision, management and auspices of the schools concerned or under the direct supervision, management and auspices of the IHSAA. (Note—This rule applies to games, meets, tournaments and inter-school athletic contests within and without the state.)

Rule 4. Participation of students in an athletic contest with or against players not belonging to their school constitutes a game. A "scrimmage" or practice by students with or against teams or players not belonging to their school is considered a game. A try-out or demonstration of athletic ability as a prospective student-athlete for a college shall be considered a violation of this rule.

Rule 5. When a contestant, official, game or decision is protested the game should be played as scheduled and the protest with evidence filed with the Board of Control for settlement later.

Rule 6. Principals shall take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the Association.

Rule 7. Visiting schools shall be held responsible for the conduct of visitors from their home city regardless of the place of the contest.

Rule 8. Mutual agreements to violate the rules of this Association shall result in suspension of all schools concerned.

Rule 9. In all contests the decisions of the officials are considered final and binding.

Rule 10. A school using an official who is not approved by the IHSAA shall be suspended for a period not to exceed one calendar year.

Rule 11. Member schools may maintain any number of teams in the same sport.

Rule 12. All interstate meets and tournaments involving three or more schools must be sanctioned by all of the states concerned, and the National Federation of High School Athletic Associations. Interstate contests involving only two schools need not be sanctioned, provided the round trip travel does not exceed 600 miles.

Note: The IHSAA does not sanction interstate contests involving extensive travel.

Rule 13. The IHSAA rules apply to all teams and all contestants in all games, contests, tournaments and meets between member schools, with independent groups, alumni or teams whose schools are members of other state associations.

Rule 14. In any athletic contest no oxygen shall be administered by mechanical medicinal means except in genuine cardio-pulmonary emergencies and then only by a doctor licensed to practice medicine in the State of Indiana.

Note: All students enrolled in grades nine, ten, eleven and twelve are considered high school students.

DIVISION III RULES FOR CONTESTS GENERAL RULES

These rules apply to all interscholastic contests:

Rule 1. No inter-school contests shall be played prior to the opening of the school year in the fall. (Exception, See Football—Rule 2).

Rule 2. There shall be no inter-school athletic contests played or practices held on Sunday.

Rule 3. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the IHSAA. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 4. Withdrawal of a school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 5. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the IHSAA, unless under the supervision and auspices of the IHSAA by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the IHSAA for such length of time as the IHSAA Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 6. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic contests.

Rule 7. It is recommended that principals, in arranging for games, provide a forfeit of \$25.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 8. Member school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

Rule 9. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSAA expects all member school students to so conduct themselves at all times that they, their school and the State Association will be honored.

Rule 10. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

Rule 11. A member school student who participates in an athletic contest or demonstration during a season as an individual or on any other than his school team, becomes ineligible in that sport for the remainder of the season. Note: The season for golf, baseball, softball, swimming, gymnastics, track, cross country and tennis defined as the period beginning with the opening day of school and ending with the closing day of school, each school year. (See football, wrestling and basketball rules for limited seasons.)

Rule 12. A ninth, tenth, eleventh or twelfth grade student may not participate in a contest with or against a student enrolled in a grade lower than the ninth.

Rule 13. Participation of students in an athletic contest with or against players not belonging to their school constitutes a game. A

"scrimmage" or practice by students with or against teams or players not belonging to their school is considered a game. A tryout or demonstration of athletic ability as a prospective student-athlete for a college shall be considered a violation of this rule.

Rule 14. The IHSAA Constitution, Rules and By-Laws govern in all sports. This Division contains only rules for contests. Be sure to check other Divisions for rules which apply to all interscholastic athletics.

BASEBALL AND SOFTBALL

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The National Alliance Edition of Baseball Rules shall govern in baseball.

Rule 2. The National Alliance Edition of Softball Rules (12-inch baseball) shall govern in softball.

Rule 3. Pupils may be permitted to play on baseball and softball teams other than teams representing their school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA.

- a. Member school students, who play on baseball teams other than their school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the school Principal. Note: Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

(Note: It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary).

- b. The IHSAA considers that a member school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the school principal in each case.
- c. The baseball season is defined as beginning and ending with the school year.

BASKETBALL

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The Official Rules of the National Basketball Committee of the United States and Canada shall govern basketball.

- b. Playing floors shall be marked with a four foot end line wherever deemed practical.
- c. The backboards shall be rectangles, six feet horizontally and four feet vertically in all IHSAA tourneys, but fan shaped boards as described in the official rules may be used in single games by mutual consent prior to the game.
- d. If the backboard is transparent, it shall be marked as follows: A rectangle shall be centered behind the ring and marked by a two-inch white line. The rectangle shall have outside dimensions of twenty-four inches horizontally and eighteen inches vertically. For the rectangular backboard, the top edge of the baseline shall be level with the ring. Borders of the backboard should be marked with a white line three inches in width.
- e. The regulation type of baskets, as described in the official rules, shall be used in all IHSAA tourneys, but other types of baskets may be used in single games by mutual consent prior to the game. Each basket ring and the attaching flange and braces shall be bright orange in color.

The penalty is suspension.

Students playing independent, league, recreation or organized basketball games, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all interscholastic athletics until the closing date of the State Basketball Championship Tournament of the following year. A prospective student-athlete who engages in a practice, scrimmage tryout or otherwise demonstrates his

athletic ability either on or off the campus for a college shall be considered in violation of this rule.

Rule 3. The maximum number of games for the regular schedule of any team in basketball shall be eighteen. (The penalty is suspension.)

- a. A player may participate in a maximum of seventy-two quarters of interschool basketball, and one invitational tourney during any one season. No player may participate in more than four quarters in any one session. If a player participates in two invitational tourneys, the quarters played in one tourney, shall be included in the seventy-two quarters permitted during the season.
- b. A record of the quarters played in basketball by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

Rule 4. Teams and players may participate in two basketball tourneys in addition to the tourneys of the State Basketball Championship Series under the following provisions:

- a. No inter-school basketball tourney which involves more than four schools, shall be held without the sanction of the IHSAA, except where all the schools are located in a single county.
- b. Ninth grade basketball tournaments shall be completed prior to the week of the sectional basketball tournament each year. Players who compete in the ninth grade tournament played after January 31, will not be eligible to compete in the State Championship Tourney Series.

Rule 7. "Donkey Basketball", "Skruball", "Skateball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball", "Skruball", "Skateball" or similar games, shall be subject to IHSAA eligibility rules the same as in regular basketball games.

Rule 8. A high school shall not be considered eligible to enter a sectional basketball tourney in the IHSAA in any year unless the team representing the high school has played eight (8) interscholastic

games during that season, and before the Official Entry Blank for Tournaments is filed in the IHSA Office.

Rule 9. There shall be ten separate days of organized practice in basketball under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests. Only one practice may be counted for any one day.

FOOTBALL

(EXCEPTION, see Jamboree Rule 5, C)

Note: It is assumed that any member school which participates in an inter-school football game under the above rule before the opening day of school does so with the approval of the Board of School Trustees through the Superintendent of Schools.

Rule 3. All organized or formal football practices by players or teams shall be limited to the period beginning August 15 and ending November 30 of each school year.

Rule 4. Football practices shall be held on the regular practice or play field and under the direct supervision of the member school coaching staff.

- b. A team or player may participate in not to exceed two quarters in one football jamboree without such participation being charged as a game or quarters played.
- c. No team or player shall participate in a football jamboree earlier than the day following the tenth day of practice nor later than the second calendar day prior to the first scheduled game.
- d. A record of the quarters played in football by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

- e. Schools shall be limited to the playing of one (1) inter-school football game in a calendar week for each team sponsored. (Calendar week defined as Monday through Saturday). A student may participate in only four (4) quarters of inter-school football during a week. In order to place the emphasis on the varsity squad, the record of quarters of each student shall start on the day of a varsity scheduled game and end the day before the next varsity game scheduled or seven days which ever comes first. No student may participate in more than four quarters of football on successive days.

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The United States Golf Association Rules shall govern with such exceptions as the Board of Control deem necessary. When USGA rules conflict with any IHSA rules and by-laws, the IHSA rules take precedence.

Rule 2. Member school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 3. It is not considered a violation of present IHSA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSA rules except for such modifications as may be necessary.

GYMNASTICS

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. Due to the fact that this is a comparatively new sport the Board of Control will establish the rules and regulations for the present time.

Rule 2. There shall be ten separate days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests. Only one practice may be counted for any one day.

Rule 1. The United States Lawn Tennis Association Rules shall govern.

Rule 2. It is not considered a violation of present IHSA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSA rules except for such modifications as may be necessary.

Weigh-in for all tournaments shall count only one weigh-in for meeting the minimum requirements for qualification in the State Tournament Series.

Note: An inter-school wrestling meet which involves three or more schools shall be considered a tournament. A tournament shall count as one match for students.

Rule 5. In dual meets, during the weigh-in period each coach shall record the name of the student who is to wrestle in each weight classification. These students shall wrestle unless due to illness or other extenuating circumstances, they are unable to do so. Substitutions can be made only by mutual consent of the coaches. Penalty: Forfeiture of the match. One additional eligible student in each weight class may be weighed-in at dual meets and tournaments for the purpose of meeting minimum weight classification requirements for the state tournament series.

Rule 6. A student shall be considered as having engaged in a bout if he has officially weighed in, his name has been recorded in the official scorebook, and he has appeared on the mat in uniform, willing to wrestle.

Rule 7. Each time a student enters a dual meet or tournament his actual weight shall be recorded, at weigh-in time, in the official scorebook in ink and signed by the referee. The home scorebook shall be the official book.

DIVISION V ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby

adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of four or more subjects requiring a minimum of twenty regular high school recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Note: Schools having lengthened periods must meet the time equivalency.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "a passing grade in each of four or more subjects requiring a minimum of twenty regular high school recitations per week" is interpreted to mean—"a passing grade in each of four regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the four regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern:

- (a) for the current semester the average of the period grades up to

the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any member school, shall be permitted to participate in any inter-school contest as a member of another member school until he has been enrolled in such school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew (See Enrollment Q. and A. 12-4).

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another school of the same city or school corporation until he has been enrolled in the other school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Enrollment Q. and A. No. 6.)

Rule 4. The fact that a transfer has or has not been issued, or that the student pays or does not pay his tuition, has no bearing except when the omission of a transfer or payment of full tuition is

done for the purpose of unduly influencing a student to enroll for athletic reasons. (See Undue Influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. A high school student who is regularly enrolled in three or more high school credit courses may, with prior written approval of his high school principal, enroll in or attend an accredited institution of higher learning for credit that is either acceptable for high school graduation or for college credit. The credit may be counted toward high school eligibility (3 semester hours or the equivalent shall be counted as equivalent to one high school credit).

During a vacation period a high school student with remaining athletic eligibility may enroll in or attend a program in an accredited institution of higher learning that may give him college credit provided he has prior written approval of his high school principal, a copy of which must be placed on file in the office of the IHSA.

It is clearly understood the approval is for his attendance. The student is responsible for conducting himself in a manner that in no way violates the rules or the spirit of the rules of the IHSA.

Note: An accredited institution is one that grants credits that count toward a Baccalaureate Degree.

Rule 7. Enrollment eligibility shall be limited to eight semesters with the understanding that a student who enrolls in the ninth grade for the first time at the beginning of semester two may choose either his first or ninth semester for enrollment eligibility. A mid-year student who participates in any sport during his first semester becomes ineligible for all sports during his ninth semester.

Rule 8. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 9. Any student who has been enrolled more than fifteen (15) school days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter fifteen (15) or more school days between December 1 and March 1 for four times.

Rule 10. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 11. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any

game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter fifteen (15) or more school days between March 1 and June 1 for four times.

Rule 12. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 13. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with residence eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way. (This rule is primarily to enable seniors to remain in the school in which they enrolled and remain eligible to compete in athletics when it is impractical for them to move with their parents.)

In every instance when the parents of an underclassman move, the principal must inform the parents of the IHSAA rule and if the athlete remains in the school after his parents move from the school district, it shall be the duty of the principal to check before he is certified for athletic eligibility. The principal shall report the circumstances and reasons why he remained in the school district on the form (Form J) prepared for that purpose. This report shall be sent to the IHSAA Office and to the principal of the high school in the district to which the parents moved. A student is not eligible under this rule until his residence eligibility report has been reviewed by the IHSAA.

Rule 15. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each member school files a statement, with supporting evidence, with the Board of Control as proof that the change was necessary and that no undue influence was attached to the case in any way. If any action of a legal agency is to be submitted as evidence of unavoidable change of residence such action should be taken prior to the student's enrollment in the new school.

Rule 16. Change of residence as used in these rules shall mean a bona fide move about which there is no question. If the case is that of a change of residence of parents, the change shall be definite and complete.

Rule 17. Foreign exchange students and students of parents assigned to foreign countries may be considered for residence eligibility by the Board of Control.

Rule 18. A student who becomes ineligible under the rules of another state cannot remove that ineligibility by transferring to an Indiana high school. Note: Questions in a case of this kind are to be referred to the Board of Control.

D. Participation—

Rule 1. Any student of a member school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 10, under "Enrollment.")

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

Rule 4. A member school student who participates for demonstration purposes, or otherwise, in a coaching school or clinic outside the State of Indiana becomes ineligible for inter-school athletics for a period of time as may be decided by the Board of Control.

E. Parents and Physicians' Certificates—

Rule 1. Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any inter-scholastic athletic contest by a physician licensed to practice medicine in Indiana.

Rule 2. Previous to the student's first inter-school participation, the principal shall certify to the IHSAA that the certificates required herein are on file in his office.

Rule 3. A student properly certified to participate in inter-scholastic athletic activities, who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury, must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a school other than his home school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

I. Amateurism—

Rule 1. All contestants in the IHSAA must be amateurs.

Rule 2. Professionalism is defined in the IHSAA as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any member school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all inter-school high school sports.

Rule 3. A member school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, tryouts, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A member school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. Member school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No member school student shall be eligible to participate in any inter-school contest under the rules of the IHSAA, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended from membership in the IHSAA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A member school student, who has violated his amateur standing according to the rules and by-laws of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his school principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

Rule 3. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Schools belonging to athletic conferences, or participating in tourneys and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 10. Penalties for violations of the above rule will be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE IHSAA

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the Interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

Q. What is a five-year man?

A. Students who have been enrolled in high school for more than fifteen (15) school days between September 1 and December 1, or between December 1 and March 1, or between March 1 and June 1, for four times are ineligible respectively, for football, basketball, wrestling and spring athletics, with the following exceptions:

A student who enters high school for the first time at the beginning of semester II of any school year, may be enrolled four times of fifteen (15) or more school days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters high school for the first time at the beginning of semester II, may be enrolled four times of fifteen (15) or more school days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

* * * *

2.

Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?

A. No, enrollment rather than participation is the determining factor in such cases.

* * * *

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspond-

60

ingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, who parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions under "Enrollment" Division V, IHSAA By-Laws.)

* * * *

6.

Q. When are students, who finish the work given in one member school, eligible in another school?

A. Students finishing the work in a member school giving less than four years of high school work are just as eligible in a new school as they were in the old school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside their regular high school district.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does his enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

61

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a member school located in one city or school district to a school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student usually attends high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there. A student not transferring who is an underclassman is not eligible until a "Residence Eligibility After Parents Move From District" form has been reviewed by the IHSAA.

3. A student who changes schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a school outside his home school district and subsequently returns to his home school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made by the Board of Control.

6. If a student changes schools because of an action by a legal agency taken before the change is made, a copy of such legal action may be filed with the IHSAA in connection with proof that the change of schools was unavoidable.

7. A student, whose parents are separated or divorced and reside in separate school districts, may choose residence with either parent with residence eligibility. Once his place of residence has been determined, either by order of the court, or mutual agreement of the parents, he cannot change residence to the home of the other parent without losing eligibility for one calendar year.

8. A student who has been enrolled in Indiana Boys' School may return to his home school with the same residence eligibility as when he left. Credits earned in the state school are considered the same as those earned in any other high school so far as eligibility is concerned.

9. It is the duty of the principal to check carefully the record of every student who transfers from another school. The principal should also advise the students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

10. No student who has transferred from another school is eligible until the principal has on file an IHSAA Athletic Transfer Certificate.

GIRLS' ATHLETICS INDIANA LEAGUE OF HIGH SCHOOL GIRLS' ATHLETIC ASSOCIATIONS

—Purpose—

Many girls in high school are interested in a more extensive program of physical education than can be provided in the regular physical education classes. This desire for a more extensive physical

65

education program has led many high schools to organize some type of girls' athletic association. In 1931 the Indiana League of High School Girls' Athletic Associations was formed, with the purpose of stimulating the co-curricular phase of the high school girls' physical education program. Membership in the League is open to any high school in the state of Indiana. The League has the endorsement of the Indiana High School Athletic Association and the Division of Health and Physical Education of the Indiana State Board of Health.

The State League offers much to both physical education teachers and students. It provides opportunities for sponsors and students to exchange ideas, share problems, receive encouragement, and engage in a variety of learning activities. The enthusiasm generated through the enjoyment of learning and doing things with people of like interests is one of the main reasons the League is steadily growing.

—Activities—

Each organization carries on its own program of varied activities for which points are given. The purpose of awarding points is to encourage regularity of attendance and to furnish a uniform basis for awards, if a school desires to use awards. The *Sponsor's Handbook* explains the suggested point system.

The State League sponsors activities on both a state and a district basis. Each spring the League, with the co-operation of a state college or university physical education department as host, sponsors a Wall Plaque Winners' playday. Attending this playday is perhaps as great an honor as winning the wall plaque, for here outstanding girls from all over Indiana come together for a day of fun and sport. Each fall the League sponsors a State Leadership Camp—training girls and inspiring both girls and sponsors to be better leaders in their organizations, schools and communities. District activities include dance days, playdays, basketball clinics, and weekend camps—usually two or three such activities each year.

"Sportingly Yours," published six times yearly, contains news of other G.A.A. groups, ideas, new materials, bulletin board materials, and professional articles. Both sponsors and students find it interesting and helpful. "Sportingly Yours," the official organ of the Indiana League, is edited by a high school G.A.A. and is published by the Indiana State Board of Health.

Wrestling out of season makes the student ineligible for all sports until the date of the State Final Wrestling Tourney, of the following year.

* * * *

RESPONSIBILITY

Wherever and whenever in the IHSAA membership the conditions are found to be such that the school principal is not the administrative head in name and in fact of the inter-school athletic activities of the school and of the students in the school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the member school principal is not the administrative head, in name and in fact, of the inter-

school athletic activities of the school and of the students in the school. * * * *

8.

Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in four regular high school subjects for this period?

A. In order to be eligible at the end of any grading period in a semester, a student must have passed in four regular high school subjects for the current grading period and his average grade in each of four regular high school subjects for all of the grading periods in that semester must be passing. * * * *

Careful consideration was given to a budget recommended by the Commissioner for 1968-69. The budget was adopted as submitted. The Board gave approval to a few expenditures in excess of the 1967-68 estimated expenditures. The Commissioner presented a statement of receipts and expenditures over the past twelve months together with an itemized statement of government securities owned by the IHSAA at present. It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 1. Results of this audit will be presented to members of the Board of Control at the first meeting after the completion of the audit and will be published in the 1968 Handbook. The Commissioner was authorized to deposit with the American Fletcher National Bank and Trust Company of Indianapolis, for exchange or credit as needed to keep a safe balance in the bank, such securities as may come due. It is

understood that all transactions in securities are to be reported at the next Board of Control meeting following such transactions.

OFFICIALS

A detailed report was presented on the registration of officials in the various sports. The report showed that for the 1967-68 year the IHSAA had approved a total of 4166 officials with fees amounting to \$22,633.00.

REGULAR DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for adequate reserve in the IHSAA treasury, the Board set \$150.00 as the maximum amount of surplus funds to be paid any member school in the regular distribution to be made October 1, 1968. Because there was a special distribution in 1967, all the money to be distributed was earned during the current year.

It was decided to make this distribution according to the following plan:

1. One hundred twelve dollars and fifty cents (\$112.50) for participation in the 1968 sectional basketball tourney.
2. Thirty-seven dollars and fifty cents (\$37.50) for membership in the IHSAA during the membership year, 1967-68.
3. Any school sharing the regular distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1968.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share shall be sent to the principal of the new or resulting school.

The Board of Control adjourned to meet again in the IHSAA Office August 15, 1968, at 9:30 a.m.

GAA COMMITTEE REPORT

Chairman James Dold reported that the GAA Committee met with representatives from the Indiana League of Girls Athletics. These representatives did have a few changes they wanted made in our By-laws, but the Committee did not feel that they were ready to recommend the changes at this meeting.

The GAA Committee is to continue to work on this problem and study the changes recommended by the GAA representatives.

"There shall be no scheduled wrestling meets or tourneys before November 20 each school year or after the State Final Championship Wrestling Tourney. The penalty is suspension."

This proposal was passed to become effective in the 1968-69 school year.

Dr. Bill Anthis, Principal, Fort Wayne North Side High School, appeared before the Athletic Council to discuss the matter of the Board of Control having more freedom in assessing penalties.

The Athletic Council adjourned to meet again in Indianapolis, May 25, 1968 at 6:30 p.m.

BOARD OF CONTROL AND ATHLETIC COUNCIL

The following named Council Members were elected to serve as the Board of Control from July 1, 1968 to June 30, 1969: James Dold, Class 1; Don Smolinske, Class 2; James Fulford, Class 3; James Gridley, Class 4; and Matthew Walker, Class 5. This proposal was passed unanimously.

- C. To amend Division III, "Golf" Rule 1, by adding the following wording: "with such exceptions as the Board of Control deem necessary. When USGA rules conflict with any IHSAA rules and by-laws, the IHSAA rules take precedence."

The Council passed this proposal by unanimous vote.

AUDITED STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS AND OTHER FINANCIAL INFORMATION

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

June 30, 1968

Board of Control
The Indiana High School
Athletic Association
Indianapolis, Indiana

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1968, and the statement of securities owned at June 30, 1968. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit at June 30, 1968, with the amount reported directly to us by the American Fletcher National Bank and Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements and the cash disbursements were supported by examination of invoices, expense reports, and other data. Securities owned by the Association at June 30, 1968, were inspected.

In our opinion, the accompanying statements of cash receipts and disbursements and securities owned present fairly the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1968, and the securities owned by the Association at June 30, 1968.

FOOTBALL

In 1967 four hundred seventeen junior and senior high schools participated in the football program. All members are now participating in eleven-man football.

Gary Wirt, Plymouth and Jasper repeated as outright champions of the Calumet, Northern Lakes, Southern Indiana, B Division, conferences respectively. Indianapolis Chatard and Southwestern (Lafayette) who were co-champions of the Capital and Mid-Central Conferences respectively in 1966 won the outright championships in 1967. Aurora, champion of the Eastern Conference in 1966, was co-champion with Lawrenceburg this year.

Speedway (9-0), Richmond (10-0), South Bend Washington (8-0-1), Jeffersonville (8-0-2) and Terre Haute Gerstmeyer (8-0-1) were undefeated in their conference play.

Four non-conference teams, Mishawaka Marian, Attica, North Central (Indianapolis) and Springs Valley, all had perfect 10-0 records.

Also undefeated was Concord High School with a 9-0 record. Bosse of Evansville with a 6-0-3 record was undefeated, but tied three times.

Several new conferences have been formed. The winners of all the known conferences are listed on page —.

Prior to the opening game of the season, many schools play in a football jamboree. This event seems to be very popular.

The IHSAA does not sponsor a series of games to determine a champion, but each year honors conference champions by carrying their pictures in the Handbook. If a print was submitted, these team pictures may be found following the list of schools participating in the sport. Also included are non-conference teams with undefeated records.

CROSS COUNTRY

Sectional meet interest is still growing. A total of 338 schools participated in the 16 sectional meets. This was an increase of 16 over the previous year. A total of 4177 individuals were represented in the overall cross country program.

The first three teams and five individuals from each sectional advanced to the four regionals. The same winners from each of the regionals advanced to the state final meet which, due to inclement weather, was held at Riverside Park, instead of the South Grove Golf Course in Indianapolis. Twelve teams and eleven individuals qualified for the state final meet. A total of eighty-three boys participated.

The regional champion at Bloomington was Bloomington High School. At Fort Wayne, Tipton High School was the winner, Crown Point High School won at La Porte and North Central High School (Indpls.) was the winner at New Castle.

Well-balanced Muncie Central High School added its third state cross country title in this, the 21st annual cross country meet. Even though they did not place a runner in the first seven finishers, they captured the championship with a total of 55 points. North Central High School (Indianapolis) was the runnerup with 100 points. In third place was Southport High School with 104 points. Fort Wayne Elmhurst High School was fourth with 112 points, and Tipton High School placed fifth with a total of 124 points.

Regino Espitia of Highland High School fought off a determined bid by Mark Bir of Lafayette Central Catholic High School for individual honors. The champion time was 9:37.5 which was very good considering the weather conditions.

Trailing Espitia and Bir in third place was Robert Seals of South Bend Central High School. Steve Wynder of Highland High School placed fourth and Dan Fineran of Brazil High School fifth.

SECTIONAL CROSS COUNTRY MEETS

The Board of Control set up sixteen sectional cross country meets to be held Friday, October 20, 1967 after 3:00 P.M. These meets are conducted as an elimination series in order to select teams and individuals for the regional meets.

Sixteen sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1966, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan if a greater number of schools enter than is anticipated.

Schools have been assigned by counties and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin to the principal.

MANAGEMENT—The management of these meets rests solely with the Board of Control. Responsibility for local arrangements

has been delegated to the center principals. All meet officials will be selected by the center principals except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Friday afternoon, October 20 after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Tuesday, October 17, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Team positions at the start are to be drawn by lot.

OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding junior, preparatory or associate memberships. A school may certify twelve students, with no more than six participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual wards.

NOTE: Each year some schools file entry blanks, then fail to participate in the meet. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for any reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

ELIGIBILITY—The eligibility of each player shall be certified to by the principal of his school. The official entry list must be used, and all data given. Entries positively will close **Wednesday, October 11**. The entry lists must be in the hands of the Commissioner, complete in every detail, by 4 p.m. on that date. Twelve students may be certified for the meet, with six or fewer participating on the day of the meet.

LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. Individuals are ranked and tallied in the placement column, but their position is dropped and not recorded in the team scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. In the event of a tie, the tie is to be broken by adding the position of the sixth place man on each team. The team with the lower score will then be awarded the proper place.

In case one of the teams involved in the tie has only five participating members, the team with six participating members, will be awarded the higher ranking position. (Example: In case of a tie for third place, the five-man team will be automatically awarded fourth place.)

RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running as found on pages 35 to 38 in the 1967 National Alliance Edition of the Track and Field Rules shall govern—with IHSAA exceptions, the length of course and limit of contestants. **All contestants must wear shoes.** (Cross Country, Tennis or Track, not Gymnastic Shoes.)

PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the regional meet, provided they finish the race. The first five individual winners will receive ribbons. The IHSAA will award a trophy to the winning school.

QUALIFICATIONS FOR REGIONAL MEETS—The first three teams* to finish in each sectional shall be eligible to advance to the regional meets. The first five individuals to finish shall be eligible for the regional meet regardless of their team position.

*A school must have five or more boys finishing the race to be considered a team competing in that sectional.

WRESTLING

The largest field in history participated in the 16 sectional tournaments. One hundred ninety-two schools entered the sectional eliminations. This is an increase of 21 schools over the previous year.

Southport High School was again the site of the State Championship Meet. A large crowd was in attendance.

Elkhart High School, with five regional champions participating, won the state championship with 34 points. Franklin Central took runner-up honors with 23 points. In third place was Bloomington High School with 20 points. Indianapolis Shortridge was fourth with 16 points.

Dale Barnard at 138 repeated as a champion. However, the previous year he won in the 133 lb. division. Richard Pritchard of Indianapolis Arlington defended his Heavy Weight title successfully.

As proof of the great interest shown in wrestling, 32 schools scored in the state final meet.

SWIMMING

Fifty-eight high school teams participated in the Sectional Swimming Meets. This represented an increase of seven over the previous year.

Six sectionals were held instead of four. Columbus, Frankfort, LaPorte, Lawrence Central, Munster and South Bend Washington sponsored sectionals.

Columbus was the sectional winner at Columbus, Kokomo at Frankfort, LaPorte at LaPorte, Lawrence Central at Lawrence Central, Munster at Munster, and South Bend Adams at South Bend Washington.

Royer Pool at Indiana University again was the site of the State Swimming Meet. A capacity crowd was in attendance to see powerful South Bend Adams sweep to its third consecutive state swimming title by accumulating 52 points. Kokomo edged Columbus for runner-up honors. Kokomo finished with 35 points while Columbus finished with 34. Lawrence Central and Bloomington University tied for fourth with 24 points.

Six new state meet records were established. This is evidence of the tremendous growth and improvement the swimming program is making in Indiana. Only three records from as far back as 1966 remain in the book.

Mike Fitzgerald of South Bend Adams established two records in outstanding times. He swam the 200 yard freestyle in 1:47.0 and the 400 yard freestyle in 3:49.5.

Charles Johnson of Lawrence Central established a new mark in the 100 yard backstroke in :56.0 as well as Gary Thomas of Carroll High School in the 100 yard freestyle in :49.4.

Thomas Perrin of Muncie Central bettered the old mark in the 100 yard butterfly in :53.9. Kokomo's 400 yard freestyle relay team set the last new standard in the time of 3:23.2.

The team members of the championship relay team were David and Rick Roberts, Brad Zirkle and Roger Ridenour.

Twenty-two teams participated in the scoring which indicates the keen competition exhibited in the state meet finals.

BASKETBALL

The fifty-eighth annual high school basketball championship was won by Gary Roosevelt High School. It was the first state basketball championship for Gary Roosevelt.

The championship game between Gary Roosevelt and Indianapolis Shortridge was touch and go through more than three quarters. It was only in the last minute and one-half of the game that the panthers broke it open and won 68-60. Shortridge led 15-11 at the first quarter stop, but at the mid-way point the score was all tied up at 32 all. By the third stop the Panthers had worked to a 47-44 hard-earned lead, and did not break away until the final minute of the hard fought contest. Great outside shooting by Aaron Smith in the early going kept the Panthers in the running. The final story was told by the great defensive board work done by Smith, McFerson and Nelson.

In the first afternoon game, Gary Roosevelt defeated Vincennes Lincoln 65-48. The Panthers led through most of the game although the Alices several times really challenged the winners. The score at the end of the first quarter found Gary Roosevelt leading 15-11. The low scoring first half found Gary Roosevelt ahead 24-22. At the third stop they led 43-35 and widened the gap in the final quarter to a 65-48 score.

The second afternoon game saw one of the most spectacular finishes witnessed in the state tournament for several years. With the score tied at 56 all, and one second showing on the clock, Oscar Evans of Indianapolis Shortridge let go with a long side jump shot that found its mark to defeat Marion High School 58-56. As it dropped through at the final buzzer, it killed a great comeback by the Marion Giants. Marion led 18-14 at the first quarter stop. Indianapolis Shortridge had edged ahead 24-23 at half-time. Shortridge led 38-33 at the third quarter stop and then led 58-56 by Evans' great shot at the end of the game.

The Board of Control unanimously selected James Nelson of Gary Roosevelt as the recipient of the Arthur L. Trester coveted Award for Mental Attitude.

Consolidation again reduced the number of high schools participating in the sectional tournaments. This year 488 participated as compared to 512 last year. Gross receipts were \$1,505,269.60 and the total attendance was 1,013,687.

ANNOUNCEMENT OF STATE BASKETBALL TOURNEY SERIES

THE FIFTY-EIGHTH ANNUAL

These rules are reprinted from the 1968 January Bulletin.

The Board of Control has completed the details for the State Championship Basketball Tournaments and announces the plan in full; with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tournaments if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNEYS

1. **TYPE OF BALL**—The molded type basketball approved orange or natural tan has been legalized for the State Championship Series. See pages 18 and 20 for Semi-State and State balls.

2. **PRIZES**—No prizes of any kind are to be awarded to any school or individual from any source, other than the IHSAA. The IHSAA will present a trophy to each sectional winner.

3. **RADIO SERVICE**—Stations in Indiana may broadcast IHSAA tournaments provided the requirements in the "IHSAA Rules and Regulations Governing Broadcasting" are observed. Station managers and Center Principals will have copies of these rules and regulations.

4. **PICTURES**—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. **This ruling is meant to protect the vision of the players.** Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. **SOUVENIR PROGRAMS**—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control nor the Commissioner's Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.

6. **SUGGESTIONS**—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tournaments prevent difficulties during and after tournaments. Make and keep copies of all agreements.

7. **MANAGEMENT**—The exclusive control of all these tournaments rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every effort will be made to choose only fair, disinterested and competent men. All schedules and assignment of officials will be made and distributed by the Board. All schedules will be drawn by lot by the Board of Control, and no changes will be made in them. Representatives of the press will be invited.

8. **TIME SCHEDULE**—The Board of Control has ruled that all tournaments will be held on the prevailing time of the community in which the Center is located. All Saturday games will be 12:30, 1:45, and 8:15 p.m.

9. **OFFICIALS**—The assignment of game officials and their decisions will be considered final. Schools enter the tournaments with this understanding. Give this information to your students and fans now.

Official scorer(s) shall be dressed in a manner that will distinguish them from others who may be seated at the scorers and timers table. Black and white striped shirts or jackets are strongly recommended.

10. **PRIVILEGES**—Twelve competing players, coaches, principal and manager for each team (16 in all) shall be admitted free to all games.

11. **OVERTIME GAMES**—The same rule applies in tournaments as used during the regular season games.

12. **WARM UP PERIOD**—There shall be fifteen minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game. The first two teams playing in a session shall also be limited to the fifteen minute warm-up period. The fifteen minute period shall be exclusive of announcements and opening ceremonies.

13. **NUMBERING OF SHIRTS**—In order for a school to be eligible to enter the sectional tournament, all players' shirts must be properly numbered according to Rule 3, Section 4, Question 3, of the Official Basketball Rules.

14. **PLAYERS BENCHES**—Shall be placed along that side of the court on which the scorer's table is located.

15. **CHEER LEADERS**—Only the cheer leaders from the two participating schools may be used in connection with any one game.

16. **RESTRICTIONS**—Please inform your students and others about the following tournament restrictions:

By ruling of the Board of Control:

- a. Balloons, banners, posters, etc., that are objectionable in the wording or which obstruct the view of others, are not allowed.
- b. Cow-bells, and other such noise instruments are not allowed.
- c. The use of bands at IHSAA tournaments is not sanctioned.
- d. No live animal mascots are permitted.

It shall be the responsibility of each high school principal to see that his fans (adult & student) abide by the above restrictions.

NOTE: Card sections as part of the cheering block are permitted.

17. **HOME TEAM**—The first named team in each game throughout the entire tournament is always designated as the "Home Team." It shall wear white uniforms and have a choice of bench (exception—host team shall have choice of home bench).

The second named team in each game shall have choice of basket and wear colored uniforms. In the event the Host Team is the second named team it shall wear colored uniforms but have choice of bench only.

SECTIONAL TOURNAMENTS

February 19-24

The following bases were used in selecting sectional, regional and semi-state centers:

(1) Invitations filed by the principals. (2) Locations considered but not necessarily the determining factor. (3) Transportation facilities. (4) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities. (5) Rotation. (6) Success and satisfactory management of previous tournaments. (7) Adjustment because of reorganization and consolidation.

Many schools have been assigned by counties but there are a number of exceptions which are clearly indicated. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The plan arranged is to have no less than 6 teams and no more than 8 teams in each tournament, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tournaments is indicated. No doubt these numbers will be very nearly correct this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers are tentative. The winners will constitute the teams in the Regional Tournaments according to assignment. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—Four officials will be assigned to all tournaments. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tournament.

TOURNAMENT REQUIREMENTS—A high school shall not be considered eligible for entering an IHSAA sectional basketball tournament in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games

during that season before filing an entry blank. Schools holding junior and/or preparatory membership are not eligible to enter.

ENTERTAINMENT—Twelve men may be certified and in uniform. The Central Principals have contracted with the Board of Control to entertain sixteen men (which must include coaches, principal and manager) from each competing school according to the following plan:

1. **Transportation**—All schools are entitled to one-round trip mileage allowance each day the tournament is in session.
2. **Meals**—All schools are entitled to one meal for each day the tournament is in session.
3. Due to the variations of time schedules of "One-Site Two-Bracket" tournaments, the time schedules, entertainment schedules and admission prices will be set up by the IHSAA and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tournaments will be published as usual at the time of the drawings.
4. **No lodging shall be paid.**

Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank. The Center Schools have contracted to make settlement out of the receipts of the tournaments according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
2. The Center High School shall receive two hundred dollars (\$200).
3. The transportation shall be paid. (The Board of Control has decided on four (4) cents per mile per man (limited to 16 men) for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tournament is held.)
4. The Center High School shall receive one hundred dollars (\$100).
5. The IHSAA shall receive one percent (1%) of the fourth balance.
6. (a) One-half of the fifth balance shall be divided equally among the participating schools, the Center School sharing.
(b) One-half of the fifth balance shall be divided among the participating schools on an enrollment basis.
7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, February 29.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certification must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the IHSAA. All entries must be in the IHSAA office before 4:00 p.m. Wednesday February 7. Do not mail entry blanks before January 29. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday February 7. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

ADMISSION FEE—The admission fees in all tournaments shall be as indicated below and the tickets shall be printed with the following information on them:

Session ticket (all regular tournaments)\$1.00

ONE-SITE TOURNAMENTS:

Season ticket:

- a. Three-session tournament\$2.50
- b. Four-session tournament3.50

Tickets shall not be sold for more nor less than the prices listed. Season tickets only shall be sold prior to the opening session of the tournament. Any remaining seats may be sold as session tickets.

ONE-SITE TWO-BRACKET TOURNAMENTS:

Due to the variation in the number of sessions, season ticket prices shall be established by the Board of Control through the IHSAA office and the Center Principal.

No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tournaments.

RESERVED SEATS—The Board strongly recommends that all seats be reserved.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tournament tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, sixteen tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in his area upon request by Thursday, February 15.
2. Ten percent of the remaining tickets shall be divided equally among the competing schools. (Every school regardless of enrollment, has a certain "must" list; such as assistant coaches,

trainers, student managers, cheerleaders, etc. This allotment is intended primarily for this use.)

3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 15, 1967, or the third day of school if the opening day is later than September 15.

No tickets shall be distributed by the Center Principal until his tournament schedule has been released. Season tickets must be ready for distribution by Thursday, February 15. All ticket information should be procured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tournaments. Season tickets unsold shall be returned by 8:00 a.m. on the day the tournament begins, except that in "one-site two-bracket" tournaments, they shall be returned by 1:00 p.m. the day before the tournament if the tournament begins with a day time session; and by 8:00 a.m. on the day of the tournament if the tournament begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 7, and cannot be changed or accepted afterward. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before January 29. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

REGIONAL TOURNEYS—March 2

STATE TOURNEY HINKLE FIELDHOUSE, INDIANAPOLIS

March 16

ENTRANTS—The four (4) winning teams of the semi-state tourneys shall constitute the participants in the State Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified and in uniform and eligible to compete in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-state entry blank will suffice for the State Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 11. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 11.

ENTERTAINMENT—Sixteen men will be entertained on each team from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$500.00 for meals and lodging and \$500.00 for bonus, 16 season tickets and transportation to and from Indianapolis. Four cents per mile per man for the round trip for sixteen men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fee will be as indicated and the tickets will be printed with the following information on them:

1. Session Ticket:\$2.50
2. Season Ticket:\$4.00

AWARDS—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual award. A trophy will be given to the runnerup team and individual awards to its team members.

The Arthur L. Trester Award for Mental Attitude will be presented to the athlete who, in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for conduct of the persons attending the tourney.

TIME OF GAMES—12:30, 1:45, and 8:15 p.m. (E.S.T.)

Management—The Board of Control has designated Phil N. Eskew, Commissioner, as Manager with Herman F. Keller, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is 637-1519. Fred R. Gorman, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and Radio reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 15 and not later than Thursday, March 7. An identification plan will be used for press representatives, who must be properly certified by their managers at the time requests are made.

Tickets—All tickets will be handled by the IHSAA Office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 16. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at approximately 14,943.

2. Each high school principal having a team entered in an IHSAA Sectional Basketball Tourney for 1968, may order tickets to $3\frac{1}{2}$ percent of his high school enrollment not exceeding 1000 students. The Board of Control has established two to six tickets according to enrollment as the number that may be ordered by each junior and preparatory member school principal. Principals whose high school enrollments exceed 1000 may order $3\frac{1}{2}\%$ of the enrollment to 1000 and one (1) additional ticket for each 300 students, or fraction thereof, over 1000 enrollment. The enrollment shall be the same as submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1967, for grades 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket and no school shall be limited to less than four tickets. Post graduates shall not be counted. Principals should carefully observe the limitations as outlined. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right. A chart giving the enrollments with ticket allotments will be printed on the reverse side of the ticket order blank.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSAA must accompany each order. Tickets purchased cannot be returned. Please do not send cash. The limitations below must be observed as given:

- (a) Orders for tickets having official postmarks on the envelopes from and including Thursday, February 15, to and including Friday, February 23, will be accepted if received not later than Saturday, February 24. Ticket orders mailed prior to February 15 will be returned for proper mailing. The IHSAA reserves the right to check the mailing of all ticket orders and to act on the findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their schools.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quotas, will be distributed pro rata among the principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None is guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

- a. Ticket orders from principals are due any time from February 15 to February 23, inclusive. Postmark will determine mailing date.

- b. Upon receipt of ticket orders in the IHSAA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.

- c. Incorrect orders are returned with instructions.

- d. The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 1000 seats to the block, will be reserved until Monday, March 11, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-state tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by Monday, March 11, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

THE ARTHUR L. TRESTER AWARD

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Award for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Award for Mental Attitude.

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

TRACK AND FIELD

Fort Wayne South Side High School won its first state track and field meet in one of the most hotly contested state meets in several years. The winner of the suspense-filled meet was not determined until the final event was completed.

As further evidence of the closely contested state meet, South Side won the sixty-eighth annual state track and field meet with 20 points, Terre Haute Gerstmeier, with 19 points, was in the runner-up position, and Indianapolis Attucks finished third with 18 points. Elkhart was fourth with 14 points. Forty-one high schools broke into the scoring column.

Four new records were established. A fifth new record was established in the 220 yard dash. This was the first year the 220 yard dash was run around one curve. It was also the first year the state meet was run on Indianapolis Tech's fine new all-weather track.

In one of the greatest mile run duals ever witnessed in Indiana history, Scott Hiles of Anderson Madison Heights defeated Chuck Baker of Elkhart in the fantastic record breaking time of 4:08.0. From the second lap through to the finish line Hiles and Baker ran stride for stride with Hiles holding a slight edge to the end. Baker ran unofficially in 4:08.9. Both boys broke the record of 4:10.3 established last year by Don Vandrey of Valparaiso. The time by Hiles was the fastest in high school circles in the nation this year.

Perhaps even more amazing was Hoosierdom's first 15 foot pole vaulter in the person of Gary Thrapp of East Noble (Kendallville). He upped the state record nearly one foot, posting a meet record of 15 ft. one-half inch.

Lafayette Central Catholic's Mark Bir established a new record in the excellent time of 9:19.2 for the two mile run.

Leroy Spikener of Gary Froebel broke his own record in the 880 yard run. His new time was 1:52.7.

Greg Martin of Indianapolis Attucks won the first 220 yard dash around the curve in :22.3.

Several other excellent marks were made. Jeff Rhodes of Ben Davis (Indpls.) won the high jump with a jump of 6 ft 7 3/4 inches. Bill Tovsen of Calumet (Gary) long jumped 23 ft, 6 1/2 inches. Ron Clayton of New Albany won the 180 yard low hurdles in 19.1. North Central (Indps.) won the 880 yard relay in 1:29.0.

The Board of Control unanimously selected Stephen Porter of Jeffersonville as the recipient of the Robert S. Hinshaw Track & Field Award. The recipient of this award must excel in scholarship, mental attitude, school citizenship, as well as athletic ability in track and field. In the state meet he won the high hurdles in 14.4 and placed second in the low hurdles.

A total of 395 schools entered the track sectionals. This represented a total of 3,794 athletes.

SECTIONAL TRACK AND FIELD MEETS

FIFTY-SECOND ANNUAL

Friday or Saturday, May 10 or 11

(These rules are reprinted from April 1968 Bulletin)

The following bases were used in selecting centers:

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principal, except the Referee-Starter, and he will be assigned by the Board of Control. He will be in complete charge of the meet and shall assume the duties of a Referee and Starter as a representative of the IHSAA.

The meet must be held Friday afternoon, Friday evening, Saturday afternoon or Saturday evening. The Center Principal shall notify all schools participating in his sectional, and the IHSAA office by Tuesday, May 7, as to the time and place of holding the meet. The Center Principals shall arrange a program for his meet from the list of entries sent to him by the Commissioner.

Admission Fee—Admission fee to all meets shall be not less than fifty cents (50¢) or more than one dollar (\$1.00).

Open Contest—These meets are open to all members of the Association, except to schools holding preparatory, junior or associate memberships.

Entertainment—The Center Principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

Expenses—There will be no entry fee. Traveling expenses must be paid by the competing schools.

Privileges—All actual contestants in uniform, one coach, one assistant coach and principal for each team are admitted free to the meet.

Entrance Requirements—The minimum standards of performance which contestants must achieve to be eligible to enter sectional track and field meets shall have been equalled or bettered in actual competition in regularly scheduled interschool meets during the present outdoor track season. These performance standards may be established by competent timing of the first three, four or five places in interschool outdoor meets.

Standards of Performance for 1968

100 Yd. Dash	:10.5	High Hurdles	:16.3
220 Yd. Dash	:24.0	Mile Relay	3:40
440 Yd. Dash	:54.0	880 Relay	1:38
880 Yd. Run	2:08	Pole Vault	11'6"
Mile Run	4:48	Shot Put	45'
Two Mile Run	10:45	Long Jump	19'6"
Low Hurdles	:22.0	High Jump	5'6"

Eligibility—The eligibility of each participant who equalled or bettered the standards of performance in actual competition must be certified to by the principal of the school sending the team. The best performance for each contestant must be indicated for each event or events in the regular IHSAA entry blank. Unless the best

performance is indicated in the proper space the contestant will not be considered entered in that event. Entries positively will close Wednesday, May 1, at 4:00 P.M. This means the entry and best performance blanks must be in the hands of the Commissioner, complete in every detail, on the date. See warnings below.

Official Rules—The current National Alliance Edition of the Track and Field Guide as published by the National Federation is official in the IHSAA. A few modifications have been made by the IHSAA and they are given in the present Bulletin. In both relays "off the curve" method of exchange shall be used. Both relays may be run in lanes the first 220 yards with a staggered start if lanes have been marked. When the half mile relay is run with the first 220 yards marked in lanes the first and second runners will exchange in their own lane.

Scoring—Winning first place in any event in the sectional meet counts five points; second place, three points; third place, two points; and fourth place, one point. Points in the relays will be counted in determining the winning team, the points for each place in each relay to be double the points in each place in other events. In case of a tie in a track event, the points shall be divided equally and the prizes awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position, with its points, to the contestant with the lowest number of trials for the tied height. If the tie still is not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by the method outlined in Rule 5, Section 2, I (a, b, c, d, and e), pages 8, 21 and 22, of the 1968 Track Rules Book. No misses shall be charged to a competitor for a passed height. In case of a tie in the shot put or long jump, position and points are awarded according to Rule 5, Section 2, II (a and b) "determined by distance," page 22 of the 1968 Track Rules Book.

In case two or more contestants tie for fourth place the above method shall be applied to this place for determining the contestant who advances to the Regional and wins the ribbon. This means that ties for the last qualifying position for the Regional must be broken by applying Rule 5-2-I to insure that no meet will send more qualifiers to the Regional than they are permitted. Be sure the contestants are notified of any ties immediately after the event so they will be available for any runoff for the qualifying position. Points are not affected.

Limitations—No contestant will be permitted to enter or participate in more than three events, and no contestant will be permitted to enter or participate in both relay races. Do not enter the same boys in both relay races.

No contestant in the 880 yard run, mile run or two-mile run may participate in any other race of 880 yards or more. A contestant may enter in both the mile and two-mile run but participate in only one.

It is recommended, especially in the 440 yard dash, that this race be run in heats, no more than 12 contestants in a heat. Referring to the best performance blank, the 12 contestants having the fastest times shall be placed in the first heat, the next 12 fastest

in the second heat, etc. Four places shall be timed in each heat. It is suggested that there be three watches on each of the four winners.

Scoring—Winning first place in any event in the State Meet counts six points; second place, four points; third place, three points; fourth place, two points; and fifth place, one point. Points in the relays will be counted in determining the winning team, the points for each place in each relay to be 10-8-6-4-2. In case of a tie in a track event, the points shall be divided and the places awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position to the contestant with the lowest number of trials for the tied height. If the tie is still not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by the method outlined in Rule 5, Section 2, I (a, b, c, d and e), pages 21 and 22, of the 1968 Track Rules Book. No misses shall be charged to a competitor for a passed height. In case of a tie in the shot put or long jump, position and points are awarded according to Rule 5, Section 2, II (a and b), "determined by distance," page 22 of the 1968 Track Rules Book.

Ties for all places in the high jump or pole vault must be broken by applying Rule 5-2-I. This is for determining the proper awarding of medals. Points are divided equally for all places except first.

Prizes—The IHSAA will award the winning school a trophy; the winners of first, second, third, fourth and fifth places in each event will receive medals of gold, silver and bronze. No other prizes shall be given.

Privileges—All qualifying contestants in uniform, one coach, one assistant coach and principal for each team are to be admitted free to the meet.

Admission Fee—The admission fee to the meet shall be one dollar and twenty-five cents (\$1.25).

Management—The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Meets.

Meals—The noon meal will be served in the Cafeteria of the Technical High School to qualifying contestants, one coach, one assistant coach and principal for each team. The public cannot be served.

Registration—All teams must be checked in at the Technical High School Gymnasium by the Coach or Principal. The check-in office will be open at 10:00 A.M. to 12:00 noon (E.S.T.), on Saturday. Principals are responsible for the proper registration of their teams on time. Late registration will not be accepted. Correct expense statements must be filed at the time of registration. Principals are responsible for these statements. (See statements under Entertainment.)

THE ROBERT S. HINSHAW TRACK AND FIELD AWARD

The IHSAA Board of Control awards the Robert S. Hinshaw Track and Field Award to an outstanding participant in the State Track Meet. The recipient of this award must excel in scholarship, mental attitude, and school citizenship, as well as athletic ability in track and field.

The Robert S. Hinshaw Award is symbolic of the great devotion the late Robert S. Hinshaw had given to the high school track program in Indiana as a participant, coach, and later as Assistant Commissioner of the Indiana High School Athletic Association.

GOLF

Madison Heights High School (Anderson) became the fourth school ever to repeat as state high school golf champion. Madison Heights won with a total of 306 strokes. Carmel High School finished second with 311. LaPorte was third with 315 and Columbus High School fourth with 317.

The winning team was composed of Bill Spannuth, 79, Bob Williams, 81, Mike Roberts, 75, and Mickey DeHority, 71. A most unusual feat was accomplished by the winning team. All four members birdied the par 16th hole. DeHority then eagled the 17th.

Ken Czajkowski of South Bend Washington won the individual title with a par 36-34-70. DeHority of Madison Heights was runner-up with 38-33-71. Tom Hayes of South Bend Riley won the third spot in a sudden death play off on the first extra hole against Mark Roth of Columbus. Both had finished with a 73.

Again, due to the growth of golf, the number of sectionals was increased from twelve to sixteen. The first three teams and low medalists from each sectional advanced to four regionals. The same qualifiers from the regionals then advanced to the state meet.

Twelve complete teams and four individuals qualified for the state meet held at the Coffin Golf Course in Indianapolis. A total of 290 schools entered the sixteen golf sectionals. They represented a total of 1,705 participants.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

Instructions and starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

Eligibility—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. **Entry blanks are due in the IHSAA Office on or before 4:00 p.m., Wednesday, May 8, 1968, and cannot be accepted afterwards.**

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. **You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA Office and the Sectional Center Principal immediately.**

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of players from different schools. The players will count and keep score for each other.

Awards—The IHSAA will award a trophy to the winning team in each sectional. In case of a tie an additional hole or holes shall be played until a winner is determined.

Suitable ribbons will be presented by the IHSAA to the members of the three teams qualifying for the Regional Meet. The three low Medalists will receive ribbons.

Teams—Each school may enter six (6) players and the team must consist of four (4) of these six. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR REGIONAL MEET

Teams

The first three teams to finish in the sectional shall advance to the Regional Meet.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals

The three low medalist players in each sectional meet are eligible to compete as individuals in the regional meet competition, provided their school posted a team score in the sectional.

Ties—In all cases of ties, either low-medalists or teams, an additional hole or holes shall be played until the tie is broken. These play-offs will be used to determine the trophy winner as well as determining the low-medalists or teams who will advance to the Regional Meet. Only 3 teams and 3 individuals are to advance to the Regional Meet.

BASEBALL

Even though, due to consolidations, the membership of the IHSAA was smaller than the previous year, twenty-four more high school teams entered the baseball tournament series. Four hundred thirty-six schools entered the sixty-four sectional tournaments. The winners participated in sixteen regionals, four semi-states, and the state finals.

East Chicago, Franklin, Jasper and Madison Heights (Anderson) hosted semi-state tournaments. Hammond Bishop Noll High School was the winner at East Chicago, Spencer High School copped the Franklin tournament. From Jasper and Madison Heights, Jasper High School and Marion High School respectively advanced to the state finals.

The final three games were played in Bush Stadium in Indianapolis. Due to inclement weather the start of the first game was delayed about an hour and a half. Thereafter the games were played without any further interruptions.

In the first game Marion High School defeated Jasper High School by a score of 8-2. Jasper started out strong and led 2-0 until the sixth inning. In this inning Marion blew the game open by scoring six runs. Jasper was the only team of the 1967 finalists to make the title round again.

Hammond Bishop Noll in the second game defeated Spencer 4-0. Spencer which had won 25 of 26 games and had a 20 game winning streak got eight hits and could not score. Noll made only four hits off Spencer pitcher, Bob Taylor, but made them count.

In a tight game Hammond Bishop Noll High School defeated Marion High School 1-0. Terry Quinn tripled and scored on a bad relay throw in the first inning for the only run of the game. The game was a tightly pitched battle between Noll's Jack Polance and Marion's Rick Hutcheson. Marion's only threat was in the seventh inning. Hutcheson allowed two hits, struck out three batters and walked none. Polance surrendered three hits, struck out nine and also walked none.

The Board of Control unanimously selected Hugh McClelland III of Marion High School as the recipient of the second L. V. Phillips Award. The recipient of this award must excel in scholarship, mental attitude, school citizenship, as well as athletic ability in baseball.

These rules are reprinted from the 1968 May Bulletin.

The Board of Control has completed the details for the State Championship Baseball Tournament and announces the plan in full; with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tournaments if conditions arise making changes advisable or cancellations necessary.

The following bases were used in selecting sectional, regional and semistate centers: (1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General Conditions—attitude of local authorities, fields, entertaining facilities, etc.; (4) Invitation.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNAMENTS

1. BALL—The Board of Control has selected the Rawlings #R.O. Official ball as the official ball for the entire tournament series. Practice balls must be furnished by competing schools.

2. LENGTH OF GAME—All Tournament games are scheduled for seven innings, unless shortened by weather conditions or the game ends in a tie, in which case the game will continue until one team is the winner.

A game shall also end when, if after five innings, a team is 10 or more runs behind and has completed its turn at bat. (Exception—the final state championship game).

3. OFFICIAL RULES—The Baseball Rules 1968 National Alliance Edition, published by the National Federation of State High School Athletic Associations will be the Official Rules in the games and tournaments.

4. SCHOOLS ELIGIBLE—All members in good standing in the IHSAA are eligible to enter teams in the series of tournaments. Each eligible school may enter a team in the tournament series even though its second semester may end before or during the tournaments.

However, only those students who were eligible at the close of school may be used on the tournament team. Seniors who may have graduated at the close of the second semester may participate in the tournament provided they meet all other eligibility requirements.

5. SINGLE ELIMINATION—All phases of the IHSAA Tournament are based on the single elimination plan.

6. MEN IN UNIFORM—In each of the tournaments, no school shall have more than eighteen players, the team coach (or coaches) and two managers (one of whom must be the bat boy). The eighteen players shall be the ones certified for the tournament. Trainers not in uniform may be permitted on the bench.

The only representatives of a school allowed on the bench are the players, coaches, managers, and a trainer.

7. COACHER'S BOXES—The Coacher's Boxes may be occupied by two coaches, one coach and one member of the team or two members of the team and all must be in uniform.

8. PITCHING REGULATION—A pitcher may not pitch in more than ten (10) innings in any three consecutive calendar days. This period begins when he officially enters the game as a pitcher.

Note: The three day rule shall begin with the first day of the sectional tournament and shall be in effect continuously throughout the entire state tournament series.

9. DECISIONS OF UMPIRES FINAL—The decisions of the umpires are final and protests arising from the decisions of the umpires or any inadvertent misinterpretation of the rules will not be considered by the IHSA.

10. HEAD PROTECTOR REQUIRED—The batter and runner in all IHSA games and tournaments are required to wear a head protector.

11. PRE-GAME PRACTICE—Each team will be allowed 15 minutes practice before each game to be used as the coach sees fit. Prior to the championship game, 20 minutes will be allotted each team for batting practice and 10 minutes for fielding, weather permitting.

12. HOME TEAM—Prior to each tournament game, home team privileges shall be determined by the toss of a coin. The home team shall occupy the third base bench.

13. CONDUCT OF COACHES AND PLAYERS:

- A. No coach, player or other person officially connected with the team shall be permitted to smoke on the bench or playing field either during practice or while a game is in progress.
- B. No coach or other school official shall, during the progress of a game, be allowed on the field of play except by permission of the game officials.
- C. Except for those coaches or eligible players who may be serving as coaches at first or third base and players legally in the "next batter" boxes, all other coaches, managers, substitutes and players awaiting their turn at bat shall remain on the players' bench. Umpires will be instructed to enforce this rule to the limit.
- D. The captain and the head coach shall be the official spokesmen and the sole representatives of their team in all communications with the officials.
- E. Abusive remarks to game officials by coaches or players shall be regarded as unsportsmanlike conduct. The offender or offenders shall be disqualified and removed from the bench and playing field.

14. INTERRUPTED GAMES—Interrupted baseball games shall start at the point of interruption until it is an official game in accordance with Rule 4, Section 2, Article 5 Note of the Official Rules.

Example: At the end of the second inning, game is interrupted by rain. When play is resumed either on that day or a following day the same line-ups shall be used and the game will proceed from the point of interruption. Runs, count on batter, baserunners, etc. shall be the same when the game is resumed.

15. COACHES CONFERENCES—Each team may be granted not more than three charged conferences during a game, without

penalty, to permit a coach or his representative to confer with a defensive player or players.

Time granted for an obviously incapacitated player shall not constitute a charged time out. PENALTY—For any charged conference in excess of three, the pitcher must be removed as pitcher for the duration of the game.

16. FIELD MARKINGS—The playing field shall be marked in accordance with Rule 1, Section 2, Article 1. The foul lines should be extended a minimum of 250 feet from home base.

17. UMPIRES—Three umpires will be assigned by the IHSA to all sectional and regional tournaments. Four umpires will be assigned to all semi-states and the state tournament.

18. PLAYING SCHEDULES—All pairings for all tournaments will be made by a chance drawing by the Board of Control on May 21, 1968. Games will be played according to the way they are drawn on the schedule.

19. The Re-entry Rule 3-1-3 will NOT be used in any of the State Sponsored Baseball Tournaments. A Withdrawn Player shall not re-enter the game.

SECTIONAL TOURNAMENTS

May 27-June 1, 1968

Many schools have been assigned by counties but there are a number of exceptions. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The plan is to have no less than 4 teams and no more than 8 teams in each tournament, and the tentative assignment of all schools is given in the list which follows. The winners will constitute the teams in the Regional Tournaments according to assignment. ENTRY BLANKS ARE NECESSARY. AN ENTRY BLANK IS ENCLOSED.

RAINED OUT GAMES—If a game in any tournament must be postponed because of rain or wet grounds; or if a game is called by the umpire because of rain, darkness, or other reasons the game must be re-scheduled for the following day and resumed at the point of interruption. If the postponed or called game is the first opening round game, it should take precedence. This procedure shall be continued if there are two or more consecutive days when it is necessary to postpone or call any game or games. See page 4 for interrupted games.

NOTE (1): If necessary to postpone any game and the first possible playing date falls on Memorial Day, the game may be played on that date by agreement of the participating schools.

OPEN CONTEST—These tournaments are open to all members of the Association, except to schools holding preparatory, junior or associate memberships.

ENTERTAINMENT—If possible, the Center Principal shall provide adequate dressing rooms, lockers and shower facilities for all teams.

EXPENSES—There will be no entry fee. Traveling expenses must be paid by the competing schools.
