MESSAGE TO THE INDIANA HIGH SCHOOL
ATHLETIC ASSOCIATION

by

Norman J. Hubner, President

The space age arriving with its varied and multiple problems affecting athletic programs has found the Indiana High School Athletic Association well prepared to accept the challenge without disruption or curtailment of its established programs. The continual loss of members schools has not stalled the advancement nor the quality of athletic achievements of the youth of our state. A more active and progressive program of sport championships in nine sports was set in motion with active planned studies being carried out by the IHSAA for a football state championship in the near future.

New and enlarged athletic facilities have been designed and provided by many communities as the result of increased enrollments. The facilities provide every youth the opportunity to develop physically in a variety of sports activities and excel in the sport of his choice. The improved and enlarged sports program planned by school administrators and effectively carried out by active and well qualified coaches provide opportunities for competition so that individuals are more adequately prepared to meet the demands of tomorrow. The athlete today shows good sportsmanship, discipline, responsibility, both physical and emotional, and stability as well as leadership needed in our changing world.

The opportunity to attend many sports attractions today that were denied the public a few years ago tends to increase student interests and desires to be a part of the active participating groups. Student interest in participation makes for more serious competition giving emphasis to record performances.

Additional sports are being initiated by member schools for the growing student population. The effects of these additions will result in future consideration for additional sport championships by the IHSAA.

The high standards of eligibility and age to participate provide an incentive for stronger athletic programs, and provide a challenge to all youth to excel mentally as well as physically.

Leadership of the IHSAA is provided by Phil Eskew, Commissioner and Herman Keller, Assistant Commissioner and is recognized nationally as one of the most progressive in the nation. We in Indiana know of their outstanding achievements.

Improved communication and knowledge of the IHSAA is the result of sponsored Coaches Clinics, Rules Clinics for officials, district meetings for school administrators and the representation of coaches of the various sports on the IHSAA sports committees provides excellent communication of ideas necessary for a complete and efficient operation of the athletic program.

The IHSAA has provided the basic ideas and guidelines for successful athletic programs, and it now becomes the responsibility of all school people to prevent outside individuals who claim interest in our programs from exploiting our fine athletes or curtailing the existing activities. The task now is to actively promote and explain the achievements of the responsible active youth in our society.

HISTORY OF IHSAA

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond in April, 1903. At this time there was a conference of high school principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of high school principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are five hundred eighty-three (583) member schools. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944, the Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. In 1944, the Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA. In July, 1961, Herman F. Keller of Evansville Bosse High School became the second Assistant Commissioner of Athletics after the death of Mr. Hinshaw. On the retirement of L. V. Phillips, July 31, 1962, the Board of Control selected Phil N. Eskew, Superintendent, Huntington Public Schools, as the third Commissioner of Athletics. The Board conferred the title of "Honorary Commissioner" on L. V. Phillips.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the sixty-six years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to

meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball, gymnastics, track and field, and girls' play days. State championships are determined in tennis, cross country, swimming, wrestling, basketball, track, golf, gymnastics and baseball.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

PREFACE

This revision of the Constitution, Rules and By-Laws, regulations, interpretations, questions and answers of the Indiana High School Athletic Association, is the result of the combined efforts of the Board of Control, Athletic Council and the revision committee.

Most of the material has been printed in the Handbook and official bulletins published each year. Principals, Coaches and other interested parties are requested to read all information contained herein, and observe the information published in all IHSAA bulletins. The Constitution, Rules and By-Laws printed in the annual Handbook may not be up-to-date at all times, due to legislation between printings.

The printed Constitution, Rules and By-Laws, together with the questions and answers, plus the information in current bulletins, will keep all responsible parties completely and officially informed.

PURPOSE OF IHSAA

(Copied from Introduction to first printing of Constitution in 1904)

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "IHSAA.")

ARTICLE II

MEMBERSHIP

Section 1. Full membership in this Association shall be open to all public, private, parochial, and institutional high schools of the state offering and maintaining three or four years of high school work, provided they meet the requirements of the association and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must be accredited by the State Department of Education.

Section 2. Preparatory membership may be extended to any school accredited by the State Department of Education offering and maintaining school work on the ninth and tenth or tenth grade level

with the understanding that such preparatory membership shall extend the privilege of participating in single athletic games, contests, tournaments and meets with other preparatory members. Preparatory membership also shall permit teams from preparatory members composed of ninth and/or tenth grade students to compete against teams composed of ninth and/or tenth grade students from full members and junior members composed of ninth grade students in single games, contests, tournaments and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding preparatory memberships are not eligible to enter teams in state tournaments or meets. It must be clearly understood that a preparatory membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association. It is further understood preparatory membership is available only to schools that will become eligible for full membership within a two year period. At the end of the two year period the preparatory membership will be reviewed by the Board of Control.

Preparatory members may receive tickets for the state final championship basketball tournament and other state final meets at the discretion of the Board of Control.

Section 3. Junior membership may be extended to any school accredited by the State Department of Education offering the ninth grade, but not eligible for full, preparatory or associate membership. Junior membership shall extend the privilege of participating in single athletic games, contests, tournaments and meets with other junior members. Junior membership also shall permit teams from junior members composed of ninth grade students to compete against teams composed of ninth and/or tenth grade students from full, preparatory and associate members in single games, contests, tournaments and meets without special restrictions as to the number of teams entered, trial runs or geographical location within the state. Schools holding junior memberships are not eligible to enter teams in state tournaments or meets. It must be clearly understood that a junior membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association. Junior members may share in the distribution of tickets to the state final championship basketball tournament and other state final championship meets on a limited basis as determined by the Board of Control.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tournaments and meets, but not in any tournaments or meets conducted for the purpose of determining an official state championship in the IHSAA.
2. Associate members are bound by all rules and regulations of the IHSAA with the exception that a student who changes schools without a corresponding change of residence on the part

of his parents is eligible as to residence immediately, provided there is no undue influence involved in any way.

3. Associate members are not privileged to share in the distribution of tickets to IHSAA championship tourneys and meets or in the distribution of IHSAA surplus funds to member schools.

Section 5. Any high school in the state may become a member of this Association by meeting the requirements, by subscribing to these rules and regulations, and by paying the annual dues of one dollar and fifty cents (\$1.50) to the Commissioner on or before October 1 of each year. All memberships expire on October 1 of each year unless the annual dues are paid.

Section 6. Each member school shall have one vote.

Section 7. The Board of Control shall be judge on all memberships.

Section 8. A member school that is suspended from the IHSAA shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension, according to the Sections in the Constitution and the rules and regulations governing memberships.

c. The twenty-five district-class units shall at all times be entitled to representation in the Athletic Council of the IHSAA.

d. All elective terms for Athletic Council members shall be for five years, or for the remainder of an unexpired term in case of a vacancy.

Rule 9. In all contests the decisions of the officials are considered final and binding.

Rule 10. A school using an official who is not approved by the IHSAA shall be suspended for a period not to exceed one calendar year.

Rule 11. Member schools may maintain any number of teams in the same sport.

Rule 12. All interstate meets and tourneys involving three or more schools must be sanctioned by all of the states concerned, and the National Federation of High School Athletic Associations. Interstate contests involving only two schools need not be sanctioned, provided the round trip travel does not exceed 600 miles.

Note: The IHSAA does not sanction interstate contests involving extensive travel.

Rule 13. The IHSAA rules apply to all teams and all contestants in all games, contests, tourneys and meets between member schools, with independent groups, alumni or teams whose schools are members of other state associations.

Rule 14. In any athletic contest no oxygen shall be administered by mechanical medicinal means except in genuine cardio-pulmonary emergencies and then only by a doctor licensed to practice medicine in the State of Indiana.

Note: All students enrolled in grades nine, ten, eleven and twelve are considered high school students.

DIVISION III RULES FOR CONTESTS GENERAL RULES

These rules apply to all interscholastic contests:

Rule 1. No inter-school contests shall be played prior to the opening of the school year in the fall. (Exception, See Football—Rule 2).

Rule 2. There shall be no inter-school athletic contests played or practices held on Sunday. Calling one or more team members together on Sunday for the purpose of studying scouting reports or viewing films of games will be considered a violation of this rule.

Rule 3. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the IHSAA. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 4. Withdrawal of a school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 5. Participation, directly or indirectly, in the management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the IHSAA, unless under the supervision and auspices of the IHSAA by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the IHSAA for such length of time as the IHSAA Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 6. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic contests.

Rule 7. It is recommended that principals, in arranging for games, provide a forfeit of \$25.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 8. Member school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

Rule 9. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSAA expects all member school students to so conduct themselves at all times that they, their school and the State Association will be honored.

Rule 10. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

Rule 11. A member school student who participates in an athletic contest or demonstration during a season as an individual or on any other than his school team, becomes ineligible in that sport for the remainder of the season. Note: The season for golf, baseball, softball, swimming, gymnastics, track, cross country and tennis defined as the period beginning with the opening day of school and ending with the closing day of school, each school year. (See football, wrestling and basketball rules for limited seasons.)

Rule 12. A ninth, tenth, eleventh or twelfth grade student may not participate in a contest with or against a student enrolled in a grade lower than the ninth.

Rule 13. Participation of students in an athletic contest with or against players not belonging to their school constitutes a game. A "scrimmage" or practice by students with or against teams or play-

ers not belonging to their school is considered a game. A tryout or demonstration of athletic ability as a prospective student-athlete for a college shall be considered a violation of this rule.

Rule 14. The IHSAA Constitution, Rules and By-Laws govern in all sports. This Division contains only rules for contests. Be sure to check other Divisions for rules which apply to all interscholastic athletics.

BASEBALL AND SOFTBALL

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The National Alliance Edition of Baseball Rules shall govern in baseball.

Rule 2. The National Alliance Edition of Softball Rules (12-inch baseball) shall govern in softball.

Rule 3. Pupils may be permitted to play on baseball and softball teams other than teams representing their school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA.

a. Member school students, who play on baseball teams other than their school teams during the school year, must have written permission of their high school Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the school Principal. Note: Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

(Note: It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary).

b. The IHSAA considers that a member school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the school principal in each case.

c. The baseball season is defined as beginning and ending with the school year.

Rule 4. There shall be ten separate days of organized practice in baseball under the direct supervision of the high school coaching staff by each player preceding participation in interschool contests. Only one practice may be counted for any one day.

BASKETBALL

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The Official Rules of the National Basketball Committee of the United States and Canada shall govern basketball.

Note: The following apply to the IHSAA tourney games:

- b. Playing floors shall be marked with a four foot end line wherever deemed practical.
- c. The backboards shall be rectangles, six feet horizontally and four feet vertically in all IHSAA tourneys, but fan shaped boards as described in the official rules may be used in single games by mutual consent prior to the game.
- d. If the backboard is transparent, it shall be marked as follows: A rectangle shall be centered behind the ring and marked by a two-inch white line. The rectangle shall have outside dimensions of twenty-four inches horizontally and eighteen inches vertically. For the rectangular backboard, the top edge of the baseline shall be level with the ring. Borders of the backboard should be marked with a white line three inches in width.
- e. The regulation type of baskets, as described in the official rules, shall be used in all IHSAA tourneys, but other types of baskets may be used in single games by mutual consent prior to the game. Each basket ring and the attaching flange and braces shall be bright orange in color.
- f. The molded type of basketball, tanned in natural or orange leather color, shall be used in all IHSAA tourneys. Other types and other colors may be used in single games by mutual consent prior to the game.

Rule 2. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the closing date of the sectional tourneys of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tourneys of the State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tourneys if earlier than this final tourney date. The penalty is suspension.

Students playing independent, league, recreation or organized basketball games, before November 1 or after the closing date of the Sectional Basketball Tourney of the State Basketball Championship Series, make themselves ineligible for all interscholastic athletics until the closing date of the State Basketball Championship Tournament of the following year. A prospective student-athlete who engages in a practice, scrimmage tryout or otherwise demonstrates his

athletic ability either on or off the campus for a college shall be considered in violation of this rule.

Rule 3. The maximum number of games for the regular schedule of any team in basketball shall be eighteen. (The penalty is suspension.)

- a. A player may participate in a maximum of seventy-two quarters of interschool basketball, and one invitational tourney during any one season. No player may participate in more than four quarters in any one session. If a player participates in two invitational tourneys, the quarters played in one tourney, shall be included in the seventy-two quarters permitted during the season.
- b. A record of the quarters played in basketball by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

Rule 4. Teams and players may participate in two basketball tourneys in addition to the tourneys of the State Basketball Championship Series under the following provisions:

- a. The games in one tourney may be in addition to the regular schedule.
- b. The games of the other tourney shall be included within the eighteen game limitation for the season's schedule.

Rule 6. All basketball tourneys, other than the State Championship Tourney Series, shall be held prior to February 1 of each year.

- a. No inter-school basketball tourney which involves more than four schools, shall be held without the sanction of the IHSAA, except where all the schools are located in a single county.
- b. Ninth grade basketball tournaments shall be completed prior to the week of the sectional basketball tournament each year. Players who compete in the ninth grade tournament played after January 31, will not be eligible to compete in the State Championship Tourney Series.

Rule 7. "Donkey Basketball", "Skruball", "Skateball" or any similar game in which a basketball and/or basketball goals are used shall be considered a game of basketball. High school students who participate in "Donkey Basketball", "Skruball", "Skateball" or similar games, shall be subject to IHSAA eligibility rules the same as in regular basketball games.

Rule 8. A high school shall not be considered eligible to enter a sectional basketball tourney in the IHSAA in any year unless the team representing the high school has played eight (8) interscholastic

games during that season, and before the Official Entry Blank for Tournaments is filed in the IHSAA Office.

Rule 9. There shall be ten separate days of organized practice in basketball under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests. Only one practice may be counted for any one day.

FOOTBALL

(EXCEPTION, see Jamboree Rule 5, C)

Note: It is assumed that any member school which participates in an inter-school football game under the above rule before the opening day of school does so with the approval of the Board of School Trustees through the Superintendent of Schools.

Rule 3. All organized or formal football practices by players or teams shall be limited to the period beginning August 15 and ending November 30 of each school year.

Rule 4. Football practices shall be held on the regular practice or play field and under the direct supervision of the member school coaching staff.

Rule 5. The maximum number of inter-school games for any team in football shall be ten and one jamboree.

- a. A player may participate in a maximum of forty quarters of inter-school football, exclusive of one jamboree, during any one season. No student may participate in more than four quarters of football on successive days.
- b. A team or player may participate in not to exceed two quarters in one football jamboree without such participation being charged as a game or quarters played.
- c. No team or player shall participate in a football jamboree earlier than the day following the tenth day of practice nor later than the second calendar day prior to the first scheduled game.
- d. A record of the quarters played in football by individual players shall be kept on file in the principal's office at all times for his information in certifying eligibility of players.

- e. Schools shall be limited to the playing of one (1) inter-school football game in a calendar week for each team sponsored. (Calendar week defined as Monday through Saturday). A student may participate in only four (4) quarters of inter-school football during a week. In order to place the emphasis on the varsity squad, the record of quarters of each student shall start on the day of a varsity scheduled game and end the day before the next varsity game scheduled or seven days which ever comes first. No student may participate in more than four quarters of football on successive days.

(Note: A football jamboree is defined as a contest in which four or more schools participate. Each school shall be limited to playing of no more than two quarters. Quarters shall be no more than 12 minutes in length.)

Rule 6. There shall be ten separate days of organized practice in football under the direct supervision of the high school coaching staff by each player preceding participation in interschool contests. Only one practice may be counted for any one day.

GOLF

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The United States Golf Association Rules shall govern with such exceptions as the Board of Control deem necessary. When USGA rules conflict with any IHSAA rules and by-laws, the IHSAA rules take precedence.

Rule 2. Member school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 3. It is not considered a violation of present IHSAA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary.

GYMNASTICS

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. Due to the fact that this is a comparatively new sport the Board of Control will establish the rules and regulations for the present time.

Rule 2. There shall be ten separate days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in inter-school contests. Only one practice may be counted for any one day.

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The United States Lawn Tennis Association Rules shall govern.

Rule 2. It is not considered a violation of present IHSA rules for a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSA rules except for such modifications as may be necessary.

TRACK AND CROSS COUNTRY

Note: See Division III—"Rules for Contests"—General Rules 1-14, which apply to all sports.

Rule 1. The Intercollegiate Wrestling Guide for High School Wrestling shall govern.

Rule 2. All organized or formal wrestling practice by students or teams shall be limited to the period beginning November first and ending with the date of the State Final Championship Wrestling Tourney each school year. Weigh-in for all tournaments shall count only one weigh-in for meeting the minimum requirements for qualification in the State Tournament Series.

Note: An inter-school wrestling meet which involves three or more schools shall be considered a tournament. A tournament shall count as one match for students.

Rule 5. In dual meets, during the weigh-in period each coach shall record the name of the student who is to wrestle in each weight classification. These students shall wrestle unless due to illness or other extenuating circumstances, they are unable to do so. Substitutions can be made only by mutual consent of the coaches. Penalty: Forfeiture of the match. One additional eligible student in each weight class may be weighed-in at dual meets and tournaments for the purpose of meeting minimum weight classification requirements for the state tournament series.

Rule 6. A student shall be considered as having engaged in a bout if he has officially weighed in, his name has been recorded in the official scorebook, and he has appeared on the mat in uniform, willing to wrestle.

Rule 7. Each time a student enters a dual meet or tournament his actual weight shall be recorded, at weigh-in time, in the official scorebook in ink and signed by the referee. The home scorebook shall be the official book.

DIVISION V ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby

adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject for the preceding semester in school; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of four or more subjects requiring a minimum of twenty regular high school recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Note: Schools having lengthened periods must meet the time equivalency.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, "—a passing grade in each of four or more subjects requiring a minimum of twenty regular high school recitations per week" is interpreted to mean—"a passing grade in each of four regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the four regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement of work specified in Rule 1 above, the following shall govern:

- (a) for the current semester the average of the period grades up to

the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any member school, shall be permitted to participate in any inter-school contest as a member of another member school until he has been enrolled in such school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew (See Enrollment Q. and A. 12-4).

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another school of the same city or school corporation until he has been enrolled in the other school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Enrollment Q. and A. No. 6.)

Rule 4. The fact that a transfer has or has not been issued, or that the student pays or does not pay his tuition, has no bearing except when the omission of a transfer or payment of full tuition is

done for the purpose of unduly influencing a student to enroll for athletic reasons. (See Undue Influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSAA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. A high school student who is regularly enrolled in three or more high school credit courses may, with prior written approval of his high school principal, enroll in or attend an accredited institution of higher learning for credit that is either acceptable for high school graduation or for college credit. The credit may be counted toward high school eligibility (3 semester hours or the equivalent shall be counted as equivalent to one high school credit).

During a vacation period a high school student with remaining athletic eligibility may enroll in or attend a program in an accredited institution of higher learning that may give him college credit provided he has prior written approval of his high school principal, a copy of which must be placed on file in the office of the IHSAA.

It is clearly understood the approval is for his attendance. The student is responsible for conducting himself in a manner that in no way violates the rules or the spirit of the rules of the IHSAA.

Note: An accredited institution is one that grants credits that count toward a Baccalaureate Degree.

Rule 7. Enrollment eligibility shall be limited to eight semesters with the understanding that a student who enrolls in the ninth grade for the first time at the beginning of semester two may choose either his first or ninth semester for enrollment eligibility. A mid-year student who participates in any sport during his first semester becomes ineligible for all sports during his ninth semester.

Rule 8. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 9. Any student who has been enrolled more than fifteen (15) school days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter fifteen (15) or more school days between December 1 and March 1 for four times.

Rule 10. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 11. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any

game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter fifteen (15) or more school days between March 1 and June 1 for four times.

Rule 12. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 13. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.

Rule 14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with residence eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way. (This rule is primarily to enable seniors to remain in the school in which they enrolled and remain eligible to compete in athletics when it is impractical for them to move with their parents.)

In every instance when the parents of an underclassman move, the principal must inform the parents of the IHSAA rule and if the athlete remains in the school after his parents move from the school district, it shall be the duty of the principal to check before he is certified for athletic eligibility. The principal shall report the circumstances and reasons why he remained in the school district on the form (Form J) prepared for that purpose. This report shall be sent to the IHSAA Office and to the principal of the high school in the district to which the parents moved. A student is not eligible under this rule until his residence eligibility report has been reviewed by the IHSAA.

Rule 15. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each member school files a statement, with supporting evidence, with the Board of Control as proof that the change was necessary and that no undue influence was attached to the case in any way. If any action of a legal agency is to be submitted as evidence of unavoidable change of residence such action should be taken prior to the student's enrollment in the new school.

Rule 16. Change of residence as used in these rules shall mean a bona fide move about which there is no question. If the case is that of a change of residence of parents, the change shall be definite and complete.

Rule 17. Foreign exchange students and students of parents assigned to foreign countries may be considered for residence eligibility by the Board of Control.

Rule 18. A student who becomes ineligible under the rules of another state cannot remove that ineligibility by transferring to an Indiana high school. Note: Questions in a case of this kind are to be referred to the Board of Control.

Rule 19. A student may represent only one school in any sport during the tournament series regardless of the change of residence on the part of his parents.

D. Participation—

Rule 1. Any student of a member school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 10, under "Enrollment.")

Rule 3. A student who has participated in an inter-scholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

Rule 4. A member school student who participates for demonstration purposes, or otherwise, in a coaching school or clinic outside the State of Indiana becomes ineligible for inter-school athletics for a period of time as may be decided by the Board of Control.

E. Parents and Physicians' Certificates—

Rule 1. Previous to a student's first practice for any inter-scholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any inter-scholastic athletic contest by a physician licensed to practice medicine in Indiana.

Rule 2. Previous to the student's first inter-school participation, the principal shall certify to the IHSAA that the certificates required herein are on file in his office.

Rule 3. A student properly certified to participate in inter-scholastic athletic activities, who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury, must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule—

Rule 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSAA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a school other than his home school or the one he ordinarily would be expected to

attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration.

G. Post Graduates—

Rule 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a high school when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Rule 3. Students meeting requirements for graduation in three and one-half years in a high school with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the IHSAA.

Students shall be ineligible for any interschool athletic competition upon reaching nineteen years of age; with the following exceptions: If the student's nineteenth birthday occurs on or after August 15, he is eligible for fall sports; if the nineteenth birthday occurs on or after November 1, he is eligible for winter sports; if the nineteenth birthday occurs on or after March 1, he is eligible for spring sports.

I. Amateurism—

Rule 2. Professionalism is defined in the IHSAA as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any member school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all inter-school high school sports.

Rule 3. A member school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, tryouts, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A member school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball prior to the student's graduation, is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school

to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA at once. This is a violation of the Agreement between the National Federation and Organized Baseball, and the penalty for such action is under the jurisdiction of Organized Baseball.

Rule 5. Member school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing, provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No member school student shall be eligible to participate in any inter-school contest under the rules of the IHSAA, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended from membership in the IHSAA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A member school student, who has violated his amateur standing according to the rules and by-laws of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his school principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

Rule 2. Inform the IHSAA office definitely by giving the name of the student, the cause of ineligibility, the list and scores of contests in which the pupil participated when ineligible, how the error was made and other particulars about the case.

Rule 3. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting points, games, meets, matches, and honors won, and requesting these principals to notify the IHSAA office as soon as they receive these letters. Note: In team contests, the game must be forfeited. In contests where individual points are awarded, only the points the ineligible student scored are forfeited.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in each high school in which he may be enrolled.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even

if the award is duly inscribed. An inscription cannot validate such awards in the IHSAA.

Rule 4. Schools belonging to athletic conferences, or participating in tourneys and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 9. Athletic equipment is considered as merchandise. Any student who attempts to evade the rule by "purchasing" a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Rule 10. Penalties for violations of the above rule will be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE IHSAA

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the Interpretations of the several Boards of Control.

It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

2.

Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?

A. No, enrollment rather than participation is the determining factor in such cases.

* * * *

3.

Q. Which is the determining factor in eligibility—enrollment or participation?

A. Either one may cause ineligibility. Both are factors and must be considered.

* * * *

4.

Q. If a student changes high schools, when is he eligible?

A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspond-

62

ingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, who parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

* * * *

5.

Q. What is considered enrollment in a semester?

A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions under "Enrollment" Division V, IHSAA By-Laws.)

* * * *

6.

Q. When are students, who finish the work given in one member school, eligible in another school?

A. Students finishing the work in a member school giving less than four years of high school work are just as eligible in a new school as they were in the old school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside their regular high school district.

* * * *

7.

Q. What is a semester?

A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

* * * *

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?

A. School days.

* * * *

9.

Q. If a student fails in all subjects for a semester does his enrollment count as a semester?

A. Yes, enrollment is enrollment and always counts as such.

* * * *

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

63

A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

* * * *

11.

Q. Are legal guardians considered as parents in the IHSAA?

A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

* * * *

12.

Q. If a student transfers from a member school located in one city or school district to a school in another city or school district, how is his eligibility determined?

A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student usually attends high school in the district where his parents reside.

2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there. A student not transferring who is an underclassman is not eligible until a "Residence Eligibility After Parents Move From District" form has been reviewed by the IHSAA.

3. A student who changes schools without a corresponding change of residence by the parents is ineligible for one calendar year—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.

4. If a student attends a school outside his home school district and subsequently returns to his home school, he is ineligible for one calendar year. This also includes military, private, and religious schools which offer work on the secondary school level.

5. A student who changes schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made by the Board of Control.

6. If a student changes schools because of an action by a legal agency taken before the change is made, a copy of such legal action may be filed with the IHSAA in connection with proof that the change of schools was unavoidable.

7. A student, whose parents are separated or divorced and reside in separate school districts, may choose residence with either parent with residence eligibility. Once his place of residence has been determined, either by order of the court, or mutual agreement of the parents, he cannot change residence to the home of the other parent without losing eligibility for one calendar year.

8. A student who has been enrolled in Indiana Boys' School may return to his home school with the same residence eligibility as when he left. Credits earned in the state school are considered the same as those earned in any other high school so far as eligibility is concerned.

9. It is the duty of the principal to check carefully the record of every student who transfers from another school. The principal should also advise the students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

10. No student who has transferred from another school is eligible until the principal has on file an IHSAA Athletic Transfer Certificate.

GIRLS' ATHLETICS INDIANA LEAGUE OF HIGH SCHOOL GIRLS' ATHLETIC ASSOCIATIONS

—Purpose—

Many girls in high school are interested in a more extensive program of physical education than can be provided in the regular physical education classes. This desire for a more extensive physical

67

education program has led many high schools to organize some type of girls' athletic association. In 1931 the Indiana League of High School Girls' Athletic Associations was formed, with the purpose of stimulating the co-curricular phase of the high school girls' physical education program. Membership in the League is open to any high school in the state of Indiana. The League has the endorsement of the Indiana High School Athletic Association and the Division of Health and Physical Education of the Indiana State Board of Health.

The State League offers much to both physical education teachers and students. It provides opportunities for sponsors and students to exchange ideas, share problems, receive encouragement, and engage in a variety of learning activities. The enthusiasm generated through the enjoyment of learning and doing things with people of like interests is one of the main reasons the League is steadily growing.

—Activities—

Each organization carries on its own program of varied activities for which points are given. The purpose of awarding points is to encourage regularity of attendance and to furnish a uniform basis for awards, if a school desires to use awards. The **Sponsor's Handbook** explains the suggested point system.

The State League sponsors activities on both a state and a district basis. Each spring the League, with the co-operation of a state college or university physical education department as host, sponsors a Wall Plaque Winners' playday. Attending this playday is perhaps as great an honor as winning the wall plaque, for here outstanding girls from all over Indiana come together for a day of fun and sport. Each fall the League sponsors a State Leadership Camp—training girls and inspiring both girls and sponsors to be better leaders in their organizations, schools and communities. District activities include dance days, playdays, basketball clinics, and weekend camps—usually two or three such activities each year.

"Sportingly Yours," published six times yearly, contains news of other G.A.A. groups, ideas, new materials, bulletin board materials, and professional articles. Both sponsors and students find it interesting and helpful. "Sportingly Yours," the official organ of the Indiana League, is edited by a high school G.A.A. and is published by the Indiana State Board of Health.

* * * *

13.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

* * * *

2. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting the points, games, meets, matches and honors won and requesting these principals to notify the IHSAA office as soon as they receive these letters. Note: In team contests, the game must be forfeited. In contests where individual points are awarded, only the points the ineligible student scored are forfeited.

The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

Playing basketball out of season makes a student ineligible for all sports until the date of the State Final Tourney of the following year. A. Yes, a member school student, who has violated his amateur standing according to the rules and regulations of the IHSAA

may apply to the Board of Control for reinstatement as an amateur in the Association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his school principal and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

* * * *

7.

* * * *

8.

Q. Should amateurism be defined by the IHSAA for its specific purposes or should the definitions of other organizations be accepted in the association?

A. Amateurism should be defined by the IHSAA for IHSAA purposes. There is no definition of amateurism acceptable to all organizations.

RESPONSIBILITY

1.

Q. Who is the responsible party in IHSAA athletics?

A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the principal of each member school voluntarily taking out a membership in the IHSAA has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the school and of the students in the school.

Wherever and whenever in the IHSAA membership the conditions are found to be such that the school principal is not the administrative head in name and in fact of the inter-school athletic activities of the school and of the students in the school, the Board of Control will consider that the member school has broken its agreement with the IHSAA and has in fact removed itself from the membership in the Association.

The IHSAA Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the member school principal is not the administrative head, in name and in fact, of the inter-

school athletic activities of the school and of the students in the school. The proof that the member school principal is the administrative head, in name and in fact, of the inter-school athletic activities of the school and of the students in the school shall rest in all cases with the school officials concerned.

* * * *

2.

Q. Who is the proper official to sign contracts for games?

A. The member school principal always. This authority should not be delegated. IHSAA contracts (forms A and B) call for the signature of the principal.

* * * *

A. A member school principal or teacher authorized by him. Student management is not permitted.

* * * *

A. Yes at home in regular practice, but ineligible students should not appear in athletic uniforms at games.

80

* * * *

6.

Q. Who is a post-graduate?

A. A post-graduate is a student who has finished his high school work and has received his high school diploma. A. The last semester for any student is the last semester in which the student was enrolled in any school for any length of time after the first fifteen (15) school days.

* * * *

8.

Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in four regular high school subjects for this period?

A. In order to be eligible at the end of any grading period in a semester, a student must have passed in four regular high school subjects for the current grading period and his average grade in each of four regular high school subjects for all of the grading periods in that semester must be passing. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

* * * *

9.

Q. Is a "condition" or an "incomplete" considered a "pass" in the IHSAA?

* * * *

10.

Q. Is a student, who carries three regular high school subjects and one or more eighth grade subjects, considered a high school student?

A. Yes, a student who carries fifteen hours of regular high school work is a high school student, providing such a student has been promoted to high school in the regular way. Such a student would be considered enrolled in high school, but would not be eligible because of insufficient subject matter. (See Division V, Section B.)

81

11.

Q. Is a student, who has made sufficient credits to graduate at the end of semester one, eligible for athletics during semester two?

* * * *

14.

Q. What constitutes scholarship eligibility?

A. In order to be eligible for a current semester a student must have passed in four regular high school subjects in his last semester of enrollment in any high school and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

* * * *

15.

Q. Are any special regulations in force pertaining to discharged veterans?

A. By action of the Athletic Council, May 23, 1947, all IHSAA special regulations concerning discharged veterans were discontinued.

* * * *

16.

Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?

A. This is a school problem and must be answered by the consideration whether regular school work to the extent of twenty hours is being maintained or not. Usually students who miss school are not passing in their school work.

* * * *

17.

Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?

A. Yes.

18.

Q. If a student becomes ineligible at the end of a grading period in a semester when can he become eligible?

A. Yes, the books are considered closed at the end of the semester.

* * * *

24.

Q. If a student passes in four regular high school subjects during the last grading period of a semester but fails to earn credits in four regular high school subjects for the semester, will he be eligible at all for the next semester?

A. No.

Q. How long may a student be enrolled in a semester then drop out without the semester being counted under the Scholarship Rule?

A. Within the first fifteen (15) school days of the semester, provided he was eligible when he withdrew.

* * * *

Q. If a student is passing in four regular high school subjects when he drops out during a semester, may he be considered eligible under the Scholarship Rule at the beginning of his succeeding semester of enrollment?

* * * *

2.

Q. If a student fails to pass in four regular high school subjects during semester two, may he count work done in summer school toward eligibility?

A. See Division V.

The Commissioner reported that U. S. Treasury Bills dated June 30, 1968 and July 5, 1968 in a total amount of \$70,000.00 were reinvested in U. S. Treasury Bills dated July 5, 1968 and Due January 2, 1969.

HINKLE FIELDHOUSE CONTRACT

Duplicate copies of the contract were signed by the Board Members and the Commissioner.

COACHING SCHOOL

RULES CLINICS AND FILMS

Assistant Commissioner Keller reported to the Board on the rules clinics and films being sponsored for the IHSAA and local officials associations throughout the state.

CROSS COUNTRY SITES

The Board selected the sites for the sectional, regional and state cross country meets. The Board directed the Commissioner's office to proceed with details for holding the meets under the same regulations that were adopted for the 1967 sectionals, regionals and state meet. It is understood that complete details regarding these meets will be published in the September Bulletin.

NEW MEMBERS

Approval was given to the application for Kokomo Haworth High School as a regular member of the IHSAA.

BEDFORD HIGH SCHOOL—JAN SMITH

On January 30, 1968, the Board of Control declared Jan Smith ineligible for all interscholastic athletics until August 15. It was also stated that he might be considered for reinstatement on that date provided his conduct was such that his principal could recommend reinstatement. Principal Elmer Dunbar assured the Board that Jan's conduct and attitude was such that he could recommend the boy be reinstated for athletic eligibility.

DECISION

After considering the facts in the case the Board of Control reinstated him for athletic eligibility under the conduct rule with the understanding that his conduct and sportsmanship would be observed and that any unsportsmanlike conduct would put his future eligibility in jeopardy. Principal Dunbar is asked to confer with the boy and his father and make sure that they understand he has been reinstated on a probationary basis.

STATE PRINCIPALS' MEETINGS

The Board of Control authorized scheduling nine principals' meetings over various parts of Indiana where Principals and Athletic Directors can get together to discuss various athletic problems.

BELLMONT HIGH SCHOOL—RICK A. WINKLER

This student lived in the Fort Wayne South Side school district and attended school there for two years. During the summer of 1968 he became a ward of the Allen County Juvenile Court and was placed in the home of Mr. & Mrs. Kohne, in the Bellmont school district. Principal Zerkle requested the Board to rule on this boy's residence eligibility.

DECISION

Rick Winkler may be considered eligible as to residence at Bellmont High School.

GLENN HIGH SCHOOL (WALKERTON)—DENNIS RAY HURT

This student lived in the North Liberty school district, but no longer has a home there. On December 12, 1967, he enrolled in John Glenn High School at Walkerton and lives with Mr. & Mrs. John Groves in Walkerton. Principal Hal Muncie of Glenn High School asked that Dennis be considered eligible under the unavoidable change of residence rule. Letters are on file from all parties concerned.

DECISION

Dennis Hurt may be considered eligible as to residence at Glenn High School.

HAMILTON HEIGHTS HIGH SCHOOL—TIM THOMAS

This student participated in a football game, Friday, August 30, before he had ten practices on ten separate days. This incident was reported by Principal Thomas McConnell of Hamilton Heights on September 3. The Commissioner ordered this boy withheld from the game which was to be played September 6, until the Board could rule on his eligibility.

DECISION

Hamilton Heights should forfeit the game to Westfield with the score 1-0. Because this boy had been withheld from one football game his eligibility was restored as of September 12.

Mr. McConnell is to make certain that his coaching staff thoroughly understands the IHSAA rules and is to make a more careful check of his students' eligibility in the future. Any further infraction of the rules will put his school in serious jeopardy of suspension from the IHSAA.

LADOGA HIGH SCHOOL—CHARLES JACOB ROUSE JR.

This student's parents were killed in an airplane accident in Texas and he has gone to live with Mr. & Mrs. Floyd Deck in the Ladoga High School district. They have been made his legal guardians. Letters are on file from all parties concerned. Principal Priebe has asked the Board to consider this student's eligibility as to residence.

DECISION

Charles Jacob Rouse may be considered eligible as to residence at Ladoga High School.

HOBART HIGH SCHOOL—PATRICK CONLEY

Due to illness this student was asked to take a lighter load in high school soon after the beginning of the second semester of the 1967-68 school year. In lightening his load he took only three regular high school subjects. Due to an oversight on the part of the coaching staff and counselors he was allowed to participate in a football jamboree at LaPorte. Principal Moody of Hobart asked the Board to consider the fact that he was under the doctor's care last year and could not carry more than three subjects.

DECISION

This is an unfortunate situation, but the Board of Control has no authority to allow a school to violate the rules concerning scholastic eligibility. Pat Conley should therefore be considered ineligible for the fall semester, 1968-69 school year. All points scored in the jamboree should be forfeited.

MORTON MEMORIAL HIGH SCHOOL (KNIGHTSTOWN)—JERRY FREEMAN

This student is a ward of the court and has been placed in the Indiana Soldiers' and Sailors' Children's Home by the welfare department. Principal Max Stanley has asked the Board to determine his residence eligibility. Letters are on file from all parties concerned.

DECISION

Jerry Freeman may be considered eligible as to residence at Morton Memorial High School.

TERRE HAUTE SCHULTE HIGH SCHOOL—JOHN DEBORD

This student lived in California with his mother where he attended high school three years. Due to the lack of harmony in the home John came to Terre Haute to live with his grandmother. He still has a home in California.

DECISION

Jim Ellis DeBord is ineligible for one calendar year from the date of his enrollment at Schulte High School because he has changed schools without a corresponding change of residence on the part of his parents.

WASHINGTON HIGH SCHOOL—JAMES MICHAEL WALLS

This student's parents have been assigned to Australia and he is returning to the United States to live with his grandmother and attend high school at Washington. Principal Kinman asked the Board to consider this case under Division III, Enrollment, rule 17.

DECISION

This boy should be considered eligible as to residence at Washington High School.

The Board of Control adjourned to meet again in the IHSAA Office, October 2, 1968, at 9:30 a.m.

CLARKSVILLE HIGH SCHOOL—JAMES A. MULLINS

This student lived with his aunt and uncle in the Silver Creek School District and attended school there. He moved from their home into an apartment in Clarksville and entered high school there, September, 1968. Principal Roth of Clarksville asked the Board to determine his eligibility.

DECISION

James A. Mullins is ineligible for one calendar year from the date of enrollment at Clarksville High School.

FORT WAYNE CENTRAL HIGH SCHOOL—CLYDE DICKEY

This student lived with his grandmother and attended school at South Side High School. Since the grandmother became ill and

was unable to care for him, the Allen County Welfare Department moved him to the home of his brother who lives in the Central District. Letters are on file from all parties concerned. Principal Paul Spuller of Central asked the Board to consider this case under the unavoidable change of residence rule.

DECISION

Clyde Dickey should be considered eligible as to residence at Fort Wayne Central High School.

FORT WAYNE CENTRAL—SNIDER HIGH SCHOOLS

At a football game between these two schools played at South Side Stadium, September 27, there were several incidents of rock throwing, pushing, slugging and other attacks on Snider fans after the fans had left the stadium.

Mr. Paul Spuller and Mr. Maurice Davis, principals of these schools, were asked to meet with the Board of Control to discuss the situation. It seems that practically all of the incidents took place outside of the stadium as the fans were on their way home.

After a thorough discussion of all the incidents the Board of Control outlined the following points:

1. All principals in the Fort Wayne area make sure that they have sufficient police protection to insure the safety of all spectators and participants at all athletic events. This can be done only with the full cooperation of the law enforcement agencies as well as all school personnel.

2. Future incidents such as these can seriously endanger the future of all high school athletics.

3. Due to the action of some of the Central fans following the Snider-Central football game, all fans need to realize that the conduct of fans can jeopardize the schools' right to participate.

4. Principals Paul Spuller of Central and Maurice Davis of Snider are to be commended for the outstanding effort made to promote good sportsmanship in both schools. Such effort should be made by all school people in the area to stress the value of good sportsmanship among the student body and fans.

5. The Board of Control feels that it is unfortunate that a small group of irresponsible fans has contributed to these incidents which could lead to the suspension of the entire sports program.

6. The Board respectfully requests that all fans review their responsibility to the total sports program.

HAMMOND HIGH SCHOOL—TOM PARENTI

This boy lived with his parents in Grove City, Pennsylvania, and attended school there. In June he came to Hammond to visit his brother. He obtained employment and then decided to stay there living with his brother and attending Hammond High School. Principal Feuerbach of Hammond High asked that the Board consider this case under the unavoidable change of residence rule.

DECISION

Because Tom Parenti still has a home in Pennsylvania and has changed schools without a corresponding change of residence on the part of his parents, he is ineligible for one calendar year from the date he enrolled at Hammond High School.

MORTON MEMORIAL HIGH SCHOOL (KNIGHTSTOWN)—PETER NORTH

This boy was placed in the Indiana Soldiers' and Sailors' Children's Home by the doctors at Larue Carter Hospital. Max Stanley asked the Board to consider him under the unavoidable change of residence rule.

DECISION

Peter North may be considered eligible as to residence at Morton Memorial High School.

TERRE HAUTE LABORATORY HIGH SCHOOL—JERRY NICOSON

This student lived in the Gerstmeyer district and attended school there until January, 1967. He withdrew from Gerstmeyer and entered Laboratory, where he was declared ineligible for one calendar year from the date of his enrollment in January of 1967. During the summer his parents moved into an optional school district. This is a district where students entering the ninth grade may choose either Gerstmeyer or Laboratory. Since it is not in the definite Laboratory district, he has not moved out of the Gerstmeyer district.

Laboratory school, thinking that he had moved into their district, allowed him to participate in baseball early in September. A question then arose as to whether he had actually moved into the Laboratory district so Principal Lautenschlager asked the Board of Control to rule on his eligibility.

DECISION

Since he had not moved out of the Gerstmeyer district, Jerry Nicoson should be considered ineligible for one calendar year from the date of his enrollment in Laboratory school. Since he had participated for Laboratory while ineligible, he is ineligible for the remainder of this semester and his next semester in school.

WARSAW HIGH SCHOOL—DANIEL MAWER

This student lived with his father in Ohio and on April 5, 1968, he went to Warren, Michigan, to live with his mother. In August, 1968, his mother moved to Warsaw. Principal Davis of Warsaw asked the Board of Control to determine Daniel's eligibility.

This student lived with his mother and step-father in the Pendleton school district and attended school there during the 1967-68 school year. During the summer of 1968, he and his mother decided it would be better for him if he were to move with Mr. Gene Valentine, who was appointed by the court as his legal guardian. Mr. Valentine lives in the Mt. Vernon School District. Mr. McCleerey asked the Board to consider this case under the unavoidable change of residence rule.

DECISION

Because Robert Rummell still has a home in the Pendleton School District and has changed schools without a corresponding change of residence on the part of his mother he is ineligible as to residence for one calendar year from the date of his enrollment at Mt. Vernon High School.

NEW PRAIRIE HIGH SCHOOL—GERARD PIZARK

This student lived with his father and stepmother in New Buffalo, Michigan, where he attended school in the 1967-68 school year. During the summer he moved to the New Prairie School District to live with Mr. & Mrs. Victor Brown, who were appointed his guardians. His father and stepmother still live in New Buffalo, Michigan.

Principal Amzie Miller, Jr., asked the Board to consider this case under the unavoidable change of residence rule.

DECISION

Gerard Pizark is ineligible as to residence for one calendar year from the date of his enrollment in New Prairie High School because he has changed schools without a corresponding change of residence on the part of his father.

NORTH NEWTON HIGH SCHOOL—MARLON SLAYTON

This boy lived with his father and stepmother in Mokena, Illinois, where he attended high school. In September, 1968, he came to live with his sister in the North Newton School district. Marlon Slayton is ineligible for one calendar year from the date he enrolled in North Newton High School.

RUSHVILLE HIGH SCHOOL — CONNERSVILLE HIGH SCHOOL BASEBALL GAME

In a baseball game, April 22, at Connorsville, Mr Larry Goens, Rushville coach, objected to a call and it became necessary to remove him from the playing field. Due to the fact he had no assistant to handle the team, the umpire forfeited the game to Connorsville.

Principal Cyral Turner and Coach Goens appeared before the Board of Control to discuss this situation. There was no indication of abusive language, but Coach Goens did continue to argue the decision with the umpire.

James Gridley who is Athletic Director at Rushville and a member of the Board of Control did not participate in the discussion or decision.

DECISION

1. Coach Larry Goens is severely reprimanded for his conduct during this game.
2. Principal Turner should call his entire coaching staff together to make sure they understand all of the IHSAA rules and regulations.
3. It is suggested that if at all possible two people accompany the team on out-of-town games.

The Board of Control adjourned to meet again on May 20, in the IHSAA Office at 9:30 a.m.

It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 1. Results of this audit will be presented to members of the Board of Control at the first meeting after the completion of the audit and will be published in the 1969 Handbook.

It is understood that all transactions in securities are to be reported at the next Board of Control meeting following such transactions.

OFFICIALS

A detailed report was presented on the registration of officials in the various sports. The report showed that for the 1968-69 year the IHSAA has approved a total of 4,360 officials with fees amounting to \$23,960.00.

SPECIAL DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for adequate reserve in the IHSAA treasury, the Board set \$150.00 as

the maximum amount of surplus funds to be paid any member school in the special distribution to be made October 1, 1969. Because there was a regular distribution in 1968, all the money to be distributed was earned during the current year.

It was decided to make the distribution according to the following plan:

1. One hundred twelve dollars and fifty cents (\$112.50) for participation in the 1969 sectional basketball tourney.
2. Thirty-seven dollars and fifty cents (\$37.50) for membership in the IHSAA during the membership year, 1968-69.
3. Any school sharing the regular distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1969.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share shall be sent to the principal of the new or resulting school.

AUDITED STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS AND OTHER FINANCIAL INFORMATION

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

June 30, 1969

Board of Control
The Indiana High School
Athletic Association
Indianapolis, Indiana

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1969, and the statement of securities owned at June 30, 1969. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit at June 30, 1969, with the amount reported directly to us by the American Fletcher National Bank and Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Canceled checks returned by the bank were compared with the record of cash disbursements and the cash disbursements were supported on a test basis by examination of invoices, expense reports, and other data. Securities owned by the Association at June 30, 1969, were inspected.

In our opinion, the accompanying statements of cash receipts and disbursements and securities owned present fairly the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1969, and the securities owned by the Association at June 30, 1969.

FOOTBALL

Three hundred ten full members, one hundred six junior and two associate members of the IHSAA participated in the football program in 1968.

Southwestern (Lafayette), Eastern (Greentown), Plymouth, Jimtown (Elkhart) South Spencer (Rockport) and Terre Haute Gerst-meyer repeated as outright champions of the Mid-Central, Mid-Indiana, Northern Lakes, Northern State, Pocket (8-man) and West-ern Conference respectively. Tipton, outright winner in 1967, shared the Central Indiana Conference title this year with Huntington and Wabash. Avon shared the Mid-Capital Conference championship with Hamilton Heights (Arcadia).

Mississinewa and Delta (Muncie) were co-champions of the Mis-sissinewa Valley Conference in 1967, however, Mississinewa won the conference championship outright in 1968.

Chesterton (10-0), Decatur Central (Indianapolis) (9-0); Elkhart (10-0) Gary Andrean (10-0), Crawfordsville (8-0-1) Bloomington (10-0), North Knox (10-0) were undefeated in conference play.

Two non-conference teams, Indianapolis Chatard (10-0) and Wakarusa (8-0) had perfect records. Indianapolis Cathedral was undefeated but tied once.

Several new conferences were again formed. The winners of all known conferences are listed on page 135.

Many schools are participating in a football jamboree prior to the opening of the season. The event is seemingly getting more and more popular.

If a print was submitted, all the conference champions are rec-ognized in the Handbook, as well as non-conference teams with un-defeated records.

CROSS COUNTRY

Three hundred forty-nine high schools participated in the sixteen IHSAA sponsored sectional cross country meets. This was an increase of eleven over the previous year.

The first three teams and the first five individuals from each sectional advanced to the four regionals. Likewise the first three teams and first five individuals from each regional advanced to the State Championship Meet which was held at the South Grove Golf Course in Indianapolis. Twelve schools with complete teams and thirteen individuals representing an additional twelve schools, comprised a total of eighty-five contestants, participating in the state meet.

Providence (Clarksville) High School was the winner at the Bloomington Regional with 49 points. Fort Wayne North Side with 64 points won at Fort Wayne, Chesterton with 56 points won at LaPorte and Muncie Central with 55 points won at New Castle.

Ft. Wayne North Side won its first state cross country championship by placing two runners in the top twenty—11th and 12th places—and bunched its other runners well in the top thirty to grab the twenty-third annual state championship with 85 points. North Central (Indianapolis) High School placed second with 98 points. In third place was Chesterton High School with 112 points. The defending state champion, Muncie Central High School, with 115 points placed fourth and in fifth place was Highland High School with 135 points.

Steve Wynder of Chesterton High School ran off with individual honors. Mark Bir of Lafayette Central Catholic High School placed second. Dan Fineran of Brazil High School, Charles Baker of Elkhart High School and Tom New of Greenfield High School finished third, fourth and fifth, respectively.

Interest in cross country continues to grow. By far the largest crowd in state meet history—estimated between 1500 and 2000—was in attendance to witness the colorful event.

SECTIONAL CROSS COUNTRY MEETS

—reprinted from Sept. 1968 Bulletin

The Board of Control set up sixteen sectional cross country meets to be held Friday, October 18, 1968 after 3:00 P.M. These meets are conducted as an elimination series in order to select teams and individuals for the regional meets.

Sixteen sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1967, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. **THE BOARD MAY FIND IT NECESSARY TO ALTER THIS PLAN IF A GREATER NUMBER OF SCHOOLS ENTER THAN IS ANTICIPATED.**

Schools have been assigned by counties and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin to the principal.

MANAGEMENT—The management of these meets rest solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be selected by the center principals except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Friday afternoon, October 18 after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Tuesday, October 15, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Team positions at the start are to be drawn by lot.

OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding junior, preparatory or associate memberships. A school may certify twelve students, with no more than six participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

NOTE: Each year some schools file entry blanks, then fail to participate in the meet. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for any reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

ELIGIBILITY—The eligibility of each player shall be certified to by the principal of his school. The official entry list must be used, and all data given. Entries positively will close **Wednesday, October 9**. The entry lists must be in the hands of the Commissioner, complete in every detail, by 4 p.m. on that date. Twelve students may be certified for the meet, with six or fewer participating on the day of the meet.

LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. Individuals are ranked and tallied in the placement column, but their position is dropped and not recorded in the team scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. In the event of a tie, the tie is to be broken by adding the position of the sixth place man on each team. The team with the lower score will then be awarded the proper place.

In case one of the teams involved in the tie has only five participating members, the team with six participating members, will

be awarded the higher ranking position. (Example: In case of a tie for third place, the five-man team will be automatically awarded fourth place.)

RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running as found on pages 36 to 39 in the 1968 National Alliance Edition of the Track and Field Rules shall govern—with IHSAA exceptions, the length of course and limit of contestants. All contestants must wear shoes. (Cross Country, Tennis or Track, not Gymnastic Shoes.)

PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the regional meet, provided they finish the race. The first five individual winners will receive ribbons. The IHSAA will award a trophy to the winning school.

QUALIFICATIONS FOR REGIONAL MEETS—The first three teams* to finish in each sectional shall be eligible to advance to the regional meets. The first five individuals to finish shall be eligible for the regional meet regardless of their team position.

*A school must have five or more boys finishing the race to be considered a team competing in that sectional.

TENNIS

The second annual IHSAA state tennis tournament was again held at Pike (Indianapolis) High School.

The winning doubles teams and singles winners from sixteen sections advanced to four regionals. The same winners at the four regional sites advanced to the state championship meet.

Regionals were held at Bloomington, Fort Wayne, Gary and Lawrence Central. Points carried at the regional level were added to those earned at the state for the purpose of determining a state championship team.

LaPorte High School swept to the team championship by placing first in the singles championship and third in the doubles. Dan Bigg of LaPorte swept past Indianapolis Broad Ripple's Mike Kuhfeld in a grueling 7-5, 6-3 finale. LaPorte's Steve Komp and Scott Richter defeated Evansville Memorial's Paul Simpson and James Neidy, 6-1, 6-2, for third place.

Indianapolis Sccecina's Mark Boulais and Kevin Clarkowski after finishing fourth in the state meet last year won the doubles championship by defeating Goshen's Rex Lehman and Dave Swartzen-druber 6-1 and 7-5. Goshen defeated LaPorte 6-4 and 6-2 in the morning round, and Indianapolis Sccecina disposed of Evansville Memorial 6-1 and 6-4.

To reach the finals Dan Bigg of LaPorte defeated one of the state's highest regarded players, Greg Reed of Northwestern (Kokomo) in a long and grueling match 10-8 and 6-4. Mike Kuhfeld of Indianapolis Broad Ripple defeated Randy Arpan of Bloomington High in a tight match 6-1, 4-6, 6-2.

One hundred forty schools participated in the sixteen sectionals. This was an increase of thirty-one schools over the previous year.

SECTIONAL TENNIS MEETS

Second Annual

October 2, 3, and 4, 1968

The Board of Control set up sixteen sectional tennis tournaments to be held October 2, 3, and 4, 1968. The following bases were used in selecting these centers: schools competing in tennis in 1967, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for these meets. Schools will be assigned to centers after the number of entries has been determined.

SWIMMING

The largest field in history participated in the sectional swimming tournaments. Seventy-one high schools took part in the sectional meets which represented a gain of thirteen schools over the previous year.

Seven sectionals were held instead of six as the previous year. Anderson, Columbus, Frankfort, LaPorte, Lawrence Central, Munster, and South Bend Washington sponsored the sectional meets.

Muncie Central won at Anderson, Columbus at Columbus, Kokomo at Frankfort, LaPorte at LaPorte, Southport at Lawrence Central, Hammond Bishop Noll at Munster, and South Bend Jackson at South Bend Washington.

The site of the State Swimming Meet was Royer Pool at Indiana University in Bloomington. The largest crowd (standing room only) in the history of the state meet was in attendance.

Kokomo High School, which had settled for second place twice, won its first state swimming championship. Kokomo High School and Southport High School, the top two finishing teams were tied 32-32 at the beginning of the day's last event, the 400 yard freestyle relay. Kokomo finished second and Southport fourth in the relay which provided Kokomo the championship, with the total of 42 points to 38 points for Southport. In third place was Columbus High School with 33 points. Speedway High School and South Bend Jackson High School, with 28 and 21 points respectively, finished fourth and fifth. New state records were established in three events.

Craig Sewell of Lawrence Central High School established a new record in the 100 yard butterfly in the time of :53.6.

Roger Ridenour of Kokomo High School set a new record in the 100 yard free style in :49.1. He also won the 200 yard freestyle in 1:48.5 which made him the only double winner of the day.

Pat O'Connor of Indianapolis Cathedral broke the record in the 200 yard individual medley in the time of 2:01.2.

Competition in swimming is becoming keener every year. Only two state records established as far back as 1966 are still in the record books.

BASKETBALL

Indianapolis Washington High School captured the fifty-ninth annual state basketball championship tournament just four years after it had won its first state championship.

The championship game between Indianapolis Washington and Gary Tolleston was a game in which Indianapolis Washington built up a substantial lead and then Gary Tolleston fought back with a tremendous drive that narrowed the margin to a mere three points. At the end of the first quarter Indianapolis Washington led 18-14. At half time the score was 39-27. Early in the third quarter Indianapolis Washington built up a commanding lead of 48-30. But at this time Gary Tolleston went to work. At the end of the third stop the score was 53-47. Indianapolis Washington was able to stay ahead of stubborn Gary Tolleston and win the Championship game by the score of 79-76. George McGinnis of Indianapolis Washington scored 35 points and grabbed 27 rebounds.

The first afternoon game was a real thriller. Marion pretty well dominated the game for three quarters and then in the fourth quarter it was all Indianapolis Washington. Marion led at the first quarter 18-13, at the half 31-29 and 52-42 at the end of the third stop. From this point on Marion was outscored 19-8 and lost to Indianapolis Washington by a score of 61-60. In this game McGinnis scored 27 points and snared 16 rebounds.

The second game in the afternoon between Gary Tolleston and Vincennes Lincoln started out in nip-and-tuck fashion. Gary Tolleston raced to a quick seven point lead early in the second quarter and Vincennes Lincoln never could recover from this barrage of points. Gary Tolleston led by only one point, 16-15 at the first stop. At the half the score was 36-27 and at the end of the third quarter it was 56-46. By about an even exchange of points in the fourth quarter the score at the end of the game was 77-66. All five starters for Gary Tolleston were in double figures. Turner and Memering scored 27 and 23 points for Vincennes Lincoln respectively.

The Board of Control selected Joe Sutter of Marion High School as the recipient of the coveted Arthur L. Trester Award for Mental Attitude.

An unparalleled feature of this tournament was the fact that Indianapolis Washington (29-0), Marion (27-0), Vincennes Lincoln (27-0) were undefeated and Gary Tolleston (27-1) had lost one game. This accounted for 110 wins against only one loss.

Consolidation again reduced the number of high schools that participated in the sectional tournaments. This year 463 schools participated compared to 488 last year. Gross receipts were \$1,505,524.81 and the total attendance was 1,318,451.

ANNOUNCEMENT OF STATE BASKETBALL TOURNEY SERIES

THE FIFTY-NINTH ANNUAL

These rules are reprinted from the 1969 January Bulletin.

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the plan in full; with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNEYS

1. TYPE OF BALL—The molded type basketball approved orange or natural tan has been legalized for the State Championship Series. See pages 18 and 20 for Semi-State and State balls.

2. PRIZES—No prizes of any kind are to be awarded to any school or individual from any source, other than the IHSAA. The IHSAA will present a trophy to each sectional winner.

3. RADIO SERVICE—Stations in Indiana may broadcast IHSAA tourneys provided the requirements in the "IHSAA Rules and Regulations Governing Broadcasting" are observed. Station managers and Center Principals will have copies of these rules and regulations.

4. PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management. Filming of tournament games will not be permitted.

5. SOUVENIR PROGRAMS—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control nor the Commissioner's Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.

6. SUGGESTIONS—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

7. **MANAGEMENT**—The exclusive control of all these tourneys rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every effort will be made to choose only fair, disinterested and competent men. All schedules and assignment of officials will be made and distributed by the Board. All schedules will be drawn by lot by the Board of Control, and no changes will be made in them. Representatives of the press will be invited.

8. **TIME SCHEDULE**—The Board of Control has ruled that all tourneys will be held on the prevailing time of the community in which the Center is located. All Saturday games will be 12:30, 1:45, and 8:15 p.m.

9. **OFFICIALS**—The assignment of game officials and their decisions will be considered final. Schools enter the tourneys with this understanding. Give this information to your students and fans now.

Official scorer(s) shall be dressed in a manner that will distinguish them from others who may be seated at the scorers and timers table. Black and white striped shirts or jackets are strongly recommended.

10. **PRIVILEGES**—Twelve competing players, coaches, principal and manager for each team (16 in all) shall be admitted free to all games.

11. **OVERTIME GAMES**—The same rule applies in tourneys as used during the regular season games.

12. **WARM UP PERIOD**—There shall be fifteen minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game. The first two teams playing in a session shall also be limited to the fifteen minute warm-up period. The fifteen minute period shall be exclusive of announcements and opening ceremonies.

13. **NUMBERING OF SHIRTS**—In order for a school to be eligible to enter the sectional tourney, all players' shirts must be properly numbered according to Rule 3, Section 4, Question 3, of the Official Basketball Rules.

14. **PLAYERS BENCHES**—Shall be placed along that side of the court on which the scorer's table is located.

15. **CHEER LEADERS**—Only the cheer leaders from the two participating schools may be used in connection with any one game.

16. **RESTRICTIONS**—Please inform your students and others about the following tourney restrictions:

By ruling of the Board of Control:

- a. Balloons, banners, posters, etc., that are objectionable in the wording or which obstruct the view of others, are not allowed.
- b. Cow-bells, and other such noise instruments are not allowed.

c. The use of bands at IHSAA tourneys is not sanctioned.

d. No live animal mascots are permitted.

It shall be the responsibility of each high school principal to see that his fans (adult & student) abide by the above restrictions.

NOTE: Card sections as part of the cheering block are permitted.

17. **HOME TEAM**—The first named team in each game throughout the entire tournament is always designated as the "Home Team." It shall wear white uniforms and have a choice of bench (exception—host team shall have choice of home bench).

The second named team in each game shall have choice of basket and wear colored uniforms. In the event the Host Team is the second named team it shall wear colored uniforms but have choice of bench only.

SECTIONAL TOURNEYS

February 24-March 1

The following bases were used in selecting sectional, regional and semi-state centers:

(1) Invitations filed by the principals. (2) Locations considered but not necessarily the determining factor. (3) Transportation facilities. (4) General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities. (5) Rotation. (6) Success and satisfactory management of previous tourneys. (7) Adjustment because of reorganization and consolidation.

Many schools have been assigned by counties but there are a number of exceptions which are clearly indicated. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The plan arranged is to have no less than 6 teams and no more than 8 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers are tentative. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—Four officials will be assigned to all tourneys. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering an IHSAA sectional basketball tourney in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an entry blank. Schools holding junior and/or preparatory membership are not eligible to enter.

ENTERTAINMENT—Twelve men may be certified and in uniform. The Center Principals have contracted with the Board of Control to entertain sixteen men (which must include coaches, principal and manager) from each competing school according to the following plan:

1. **Transportation**—All schools are entitled to one-round trip mileage allowance each day the tourney is in session.
2. **Meals**—All schools are entitled to one meal for each day the tourney is in session.
3. Due to the variations of time schedules of "One-Site Two-Bracket" tourneys, the time schedules, entertainment schedules and admission prices will be set up by the IHSAA and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.
4. **No lodging shall be paid.**

Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
2. The Center High School shall receive two hundred dollars (\$200).
3. The transportation shall be paid. (The Board of Control has decided on four (4) cents per mile per man (limited to 16 men) for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The Center High School shall receive one hundred dollars (\$100).
5. The IHSAA shall receive one percent (1%) of the fourth balance.
6. (a) One-half of the fifth balance shall be divided equally among the participating schools, the Center School sharing.
(b) One-half of the fifth balance shall be divided among the participating schools on an enrollment basis.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Thursday, March 6.

ELIGIBILITY—The eligibility of each player must be certified by the principal of the school sending the team. Certification must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked "Your Duplicate" is enclosed for your convenience. Be sure to send only the "Official Entry Blank" to the IHSAA. All entries must be in the IHSAA office before 4:00 p.m. Wednesday February 12. Do not mail entry blanks before February 3. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m. Wednesday, February 12. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

ADMISSION FEE—The admission fees in all tournaments shall be as indicated below and the tickets shall be printed with the following information on them:

Session ticket (all regular tournaments)\$1.00

ONE-SITE TOURNAMENTS:

Season ticket:
a. Three-session tournament\$2.50
b. Four-session tournament3.50

Tickets shall not be sold for more nor less than the prices listed. Season tickets only shall be sold prior to the opening session of the tournament. Any remaining seats may be sold as session tickets.

ONE-SITE TWO-BRACKET TOURNAMENTS:

Due to the variation in the number of sessions, season ticket prices shall be established by the Board of Control through the IHSAA office and the Center Principal.

No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tournaments.

RESERVED SEATS—The Board strongly recommends that all seats be reserved.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tournament tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, sixteen tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board

member shall be granted two tickets to the sectional in his area upon request by Thursday, February 20.

2. Ten percent of the remaining tickets shall be divided equally among the competing schools. (Every school regardless of enrollment, has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This allotment is intended primarily for this use.)
3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 15, 1968, or the third day of school if the opening day is later than September 15.

No tickets shall be distributed by the Center Principal until his tournament schedule has been released. Season tickets must be ready for distribution by Thursday, February 20. All ticket information should be procured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tournaments. Season tickets unsold shall be returned by 8:00 a.m. on the day the tournament begins, except that in "one-site two-bracket" tournaments, they shall be returned by 1:00 p.m. the day before the tournament if the tournament begins with a day time session; and by 8:00 a.m. on the day of the tournament if the tournament begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 12, and cannot be changed or accepted afterward. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before February 3. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified and in uniform. These teams may or may not be made up of the same men who participated in the sectional tourneys.

The sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 3. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 3. (Ask for Miss Sizelove, who has charge of making the changes.)

DISTRIBUTION OF TICKETS—All tickets shall be distributed by the Center School Principal according to the following plan:

1. Season tickets only shall be sold prior to Saturday, March 8.

2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.

3. **Press.** (a) Each paper within the regional district but outside of the tourney center may be granted one ticket upon request not later than Saturday, March 1.

(b) Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted 3 tickets upon request not later than Monday, March 3.

(c) Papers outside of the state shall not be granted tickets unless they have a large coverage in the state, and then the limit is given under (a).

(d) School papers shall not be granted tickets.

4. **Radio.** Each station broadcasting the games may be granted 3 tickets upon request not later than Monday, March 3.

5. Complimentary tickets shall be confined to those directly connected with the tourney. Each participating school is entitled to sixteen complimentary tickets for the use of twelve players, the principal and coaches and a manager. Each Athletic Council member and each Ex-Board member shall be granted two tickets to the Regional in his area upon request prior to Saturday, March 1. A list of the complimentary tickets must be furnished the IHSA, giving name, position and number of tickets.

6. The Center School if not a participant, shall receive five per cent of the number of tickets representing the actual seating capacity of the gymnasium.

7. Schools entered in a sectional tourney may secure sixteen (16) tickets to the Regional Tourney in their area. Orders must reach the Regional Center Principal between February 22 and 27. All principals should use the Regional Ticket Order enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance TO THE REGIONAL CENTER PRINCIPAL IN THEIR AREA.

8. Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the high school principal not later than Monday, March 3.

- (a) One-half of the tickets remaining divided on an equal basis.
- (b) One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1968, or the third day of school, if the opening day is later than September 15, for the school years 9, 10, 11 and 12.
- (c) If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).

9. All tickets remaining at this stage shall be placed on open sale on Thursday, March 6, 9:00 a.m., with the understanding that all sales shall be guarded to insure fairness to all.

ENTERTAINMENT—The Regional Center Schools have contracted with the Board to entertain sixteen men from each competing school. Entertainment will begin, if necessary, at 9:00 a.m. Saturday, March 8, and continue, if necessary, to 8:00 a.m. Sunday, March 9. All competing schools are requested to ask for no longer entertainment than is necessary. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School. The expenses of a manager, if any, belong to the Center School and not to the Tourney.

2. The Center High School shall receive two hundred dollars (\$200).

3. The transportation shall be paid. (See sectional transportation allowance page 12.)

4. The Center High School shall receive one hundred fifty dollars (\$150).

5. The IHSA shall receive fifty per cent (50%) of the balance.

6. The remainder shall be divided as follows: (a) one-half equally among the participating schools and (b) one-half on the basis of season tickets sold and reported by the participating schools in the local communities on or before 4:00 p.m. Friday, March 7. This hour and date are binding on all schools. In the distribution of receipts, all tickets purchased according to the provision under "Distribution of Tickets" item 7, shall be credited to the winner of the sectional in which the school purchasing the tickets is located.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

- (c) If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the Center School if not a participant, on the two bases mentioned in (a) and (b).

9. All tickets remaining at this stage shall be placed on open sale on Thursday, March 13, 9:00 a.m., with the understanding that all sales shall be guarded to insure fairness to all.

STATE TOURNEY HINKLE FIELDHOUSE, INDIANAPOLIS

March 22

ENTRANTS—The four (4) winning teams of the semi-state tourneys shall constitute the participants in the State Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified and in uniform and eligible to compete in any one game. These men must be designated to the official scorer prior to the team's game. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-state entry blank will suffice for the State Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 17. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 17.

ENTERTAINMENT—Sixteen men will be entertained on each team from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$500.00 for meals and lodging and \$500.00 for bonus, 16 season tickets and transportation to and from Indianapolis. Four cents per mile per man for the round trip for sixteen men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fee will be as indicated and the tickets will be printed with the following information on them:

- 1. Session Ticket:\$2.50
- 2. Season Ticket:\$4.00

AWARDS—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual award. A trophy will be given to the runnerup team and individual awards to its team members.

The Arthur L. Trester Award for Mental Attitude will be presented to the athlete who, in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURNEY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for conduct of the persons attending the tourney.

TYPE OF BALL—Spalding 100

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 1000 seats to the block, will be reserved until Monday, March 17, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-state tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by Monday, March 17, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

THE ARTHUR L. TRESTER AWARD

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Award for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Award for Mental Attitude.

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration.

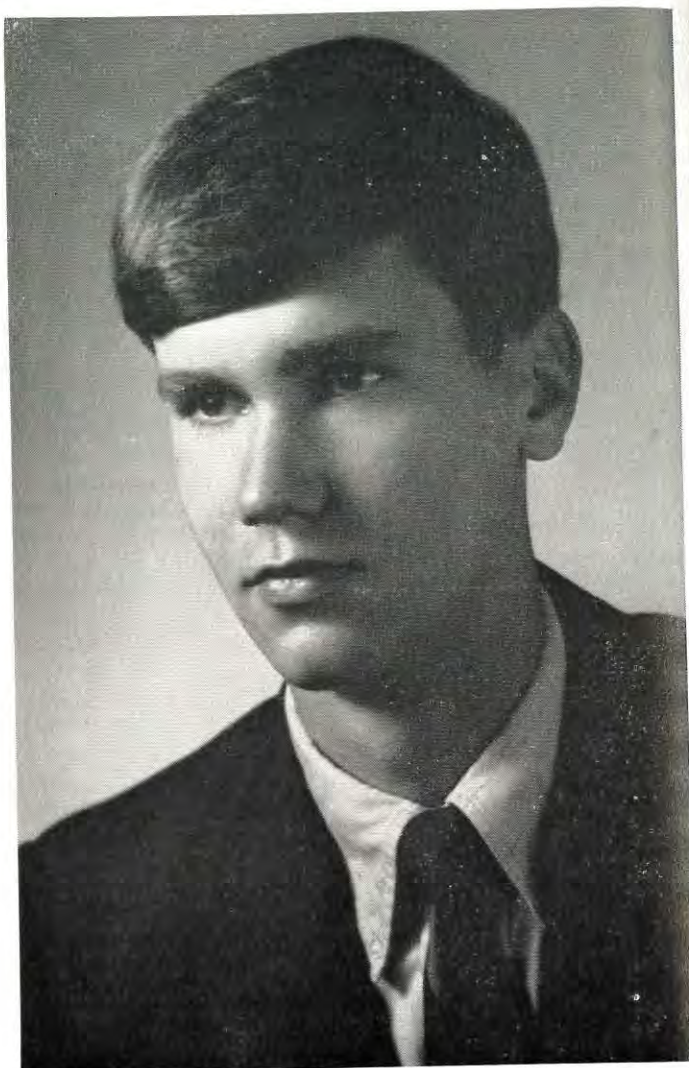

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

Columbus High School continued its mastery in gymnastics by winning its third IHSAA state championship in a row. The IHSAA sponsored its first gymnastic state meet in 1967.

The state championship gymnastic meet was again efficiently sponsored by Warren Central High School which has excellent gymnastic facilities. A record-breaking crowd was in attendance.

Three gymnastic sectionals were sponsored by Crown Point, North Central (Indianapolis), and Wabash High Schools. Concord High School (Elkhart) won at Crown Point, Columbus High School was the winner at North Central, and Madison Heights High School (Anderson) won at Wabash.

TRACK AND FIELD

Elkhart High School won its first state track and field meet in a very hotly contested state meet. A near capacity crowd of 8,000 was in attendance at Tech Stadium.

Elkhart won the sixty-sixth annual state track and field meet with a total of 20 points. North Central (Indianapolis) with 18 points, was in the runner-up position. Gary Froebel came in third with 12 points, and in fourth place was Terre Haute Gerstmeier with 10 points. Indianapolis Crispus Attucks, Indianapolis Tech, Muncie Central, and Fort Wayne Elmhurst, all with 9 points, tied for fifth place. Forty-eight high schools broke into the scoring column.

Three new records were established. A new record in the 200 yard dash around one curve was established by Randall Sims of Muncie Central in the time of 21.9. This is only the second year for the 220 around one curve. Larry Highbaugh of Indianapolis Washington holds the record in the 220 run on the straightaway in the excellent time of 20.5.

Don Phillips of Indianapolis Washington won the shot put for the second straight year; however, this year he set a new record with a fine put of 64' 3 1/2". All of his official puts were well above the old record of 62' 8 3/4".

Mark Bir, 5' 5" dynamo of Lafayette Central Catholic, broke his own record of the previous year with the time of 9:09.3.

Charles Baker, who pushed Scott Hiles of Madison Heights to the 4:08.0 state record last year, won the mile with a time of 4:15.9.

Dave Churchill of Crawfordsville High School gave the large crowd a thrill when he won the high jump with a leap of 6' 7" which is one foot over his actual height.

Several other fine marks were made. Ron Sayles of Indianapolis Tech won the high hurdles in 14.4. Greg Martin of Indianapolis Attucks won the 100 in 9.8. Mike Brown of Gary West Side won the 440 around two curves in 48.9. This is only the second year for the event run around two curves. Ezekial Bradley of Gary Mann won the low hurdles in 19.0.

The Board of Control unanimously selected Charles Baker of Elkhart as the eighth recipient of the Robert S. Hinshaw Award. The recipient must excell in scholarship, mental attitude, school citizenship, as well as athletic ability in track and field. In the state meet he won the mile run, and ran on the victorious mile relay team.

A total of 359 high schools entered the track and field sectionals.

SECTIONAL TRACK AND FIELD MEETS

FIFTY-THIRD ANNUAL

Friday or Saturday, May 9 or 10

(These rules are reprinted from April 1969 Bulletin)

The following bases were used in selecting centers:

(1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General Conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.; (4) Rotation; (5) Invitation.

Schools have been assigned by counties, and the accompanying plan gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to adjust the assignments. Entry blanks are necessary.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principal, except the Referee-Starter, and he will be assigned by

the Board of Control. He will be in complete charge of the meet and shall assume the duties of a Referee and Starter as a representative of the IHSAA.

The meet must be held Friday afternoon, Friday evening, Saturday afternoon or Saturday evening. The Center Principal shall notify all schools participating in his sectional, and the IHSAA office by Tuesday, May 6, as to the time and place of holding the meet. The Center Principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner.

Admission Fee—Admission fee to all meets shall be not less than fifty cents (50¢) or more than one dollar (\$1.00).

Open Contest—These meets are open to all members of the Association, except to schools holding preparatory, junior or associate memberships.

Entertainment—The Center Principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

Expenses—There will be no entry fee. Traveling expenses must be paid by the competing schools.

Privileges—All actual contestants in uniform, one coach, one assistant coach and principal for each team are admitted free to the meet.

Entrance Requirements—The minimum standards of performance which contestants must achieve to be eligible to enter sectional track and field shall have been equalled or bettered in actual competition in regularly scheduled interschool meets during the present outdoor track season. These performance standards may be established by competent timing of the first three, four or five places in interschool outdoor meets.

Standards of Performance for 1969

100 Yd. Dash	:10.5	High Hurdles	:16.3
220 Yd. Dash	:24.0	Mile Relay	3:40
440 Yd. Dash	:54.0	880 Relay	1:38
880 Yd. Run	2:05.0	Pole Vault	12'0"
Mile Run	4:45.0	Shot Put	48'0"
Two Mile Run	10:30.0	Long Jump	20'0"
Low Hurdles	:22.0	High Jump	5'9"

Eligibility—The eligibility of each participant who equalled or bettered the standards of performance in actual competition must be certified to by the principal of the school sending the team. The best performance for each contestant must be indicated for each event or events in the regular IHSAA entry blank. Unless the best performance is indicated in the proper space the contestant will not be considered entered in that event. Entries positively will close Wednesday, April 30, at 4:00 P.M. This means the entry and best per-

formance blank must be in the hands of the Commissioner, complete in every detail, on that date. See warnings below.

Official Rules—The current National Alliance Edition of the Track and Field Guide as published by the National Federation is official in the IHSAA. A few modifications have been made by the IHSAA and they are given in the present Bulletin. In both relays "off the curve" method of exchange shall be used. Both relays may be run in lanes the first 220 yards with a stagger start if lanes have been marked. When the half mile relay is run with the first 220 yards marked in lanes the first and second runners will exchange in their own lane.

Scoring—Winning first place in any event in the sectional meet counts five points; second place, three points; third place, two points; and fourth place, one point. Points in the relays will be counted in determining the winning team, the points for each place in each relay to be double the points in each place in other events. In case of a tie in a track event, the points shall be divided equally and the prizes awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position, with its points, to the contestant with the lowest number of trials for the tied height. If the tie still is not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by the method outlined in Rule 5, Section 2, I (a, b, c, d, and e), pages 8, 21 and 22, of the 1969 Track Rules Book. No misses shall be charged to a competitor for a passed height. In case of a tie in the shot put or long jump, position and points are awarded according to Rule 5, Section 2, II (a and b) "determined by distance," page 22 of the 1969 Track Rules Book.

In case two or more contestants tie for fourth place the above method shall be applied to this place for determining the contestant who advances to the Regional and wins the ribbon. This means that ties for the last qualifying position for the Regional must be broken by applying Rule 5-2-I to insure that no meet will send more qualifiers to the Regional than they are permitted. Be sure the contestants are notified of any ties immediately after the event so they will be available for any runoff for the qualifying position. Points are not affected.

Limitations—No contestant will be permitted to enter or participate in more than three events, and no contestant will be permitted to enter or participate in both relay races. **Do not enter the same boys in both relay races.**

No contestant in the 880 yard run, mile run or two-mile run may participate in any other race of 880 yards or more. A contestant may enter in both the mile and two-mile run but participate in only one.

It is recommended, especially in the 440 yard dash, that this race be run in heats, no more than 12 contestants in a heat. Referring to the best performance, the 12 contestants having the fastest times shall be placed in the first heat, the next 12 fastest in the second heat, etc. Four places shall be timed in each heat. It is suggested that there be three watches on each of the four winners.

Scoring—Winning first place in any event in the State Meet counts six points; second place, four points, third place, 3 points; fourth place, two points; and fifth place, one point. Points in the relays will be counted in determining the winning team, the points for each place in each relay to be 10-8-6-4-2. In case of a tie in a track event, the points shall be divided and the places awarded by lot. Ties in the high jump and pole vault shall be decided by awarding the position to the contestant with the lowest number of trials for the tied height. If the tie is still not broken, the fewest total misses in the entire competition is the determining factor. Existing ties at this stage shall be decided by the method outlined in Rule 5, Section 2, I (a, b, c, d and e), pages 21 and 22, of the 1969 Track Rules Book. No misses shall be charged to a competitor for a passed height. In case of a tie in the shot put or long jump, position and points are awarded according to Rule 5, Section 2, II (a and b), "determined by distance," page 22 of the 1969 Track Rules Book.

Ties for all places in the high jump or pole vault must be broken by applying Rule 5-2-1. This is for determining the proper awarding of medals. Points are divided equally for all places except first.

Prizes—The IHSAA will award the winning school a trophy; the winners of first, second, third, fourth and fifth places in each event will receive medals of gold, silver and bronze. No other prizes shall be given.

Privileges—All qualifying contestants in uniform, one coach, one assistant coach and principal for each team are to be admitted free to the meet.

Admission Fee—The admission fee to the meet shall be one dollar and twenty-five cents (\$1.25).

Management—The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Meets.

Meals—The noon meal will be served in the Cafeteria of the Technical High School to qualifying contestants, one coach, one assistant coach and principal for each team. The public cannot be served.

Registration—All teams must be checked in at the Technical High School Gymnasium by the Coach or Principal. The check-in office will be open at 10:00 A.M. to 12:00 noon (E.S.T.), on Saturday.

Principals are responsible for the proper registration of their teams on time. Late registration will not be accepted. Correct expense statements must be filed at the time of registration. Principals are responsible for these statements. (See statements under Entertainment.)

THE ROBERT S. HINSHAW TRACK AND FIELD AWARD

The IHSAA Board of Control awards the Robert S. Hinshaw Track and Field Award to an outstanding participant in the State Track Meet. The recipient of this award must excel in scholarship, mental attitude, and school citizenship, as well as athletic ability in track and field.

The Robert S. Hinshaw Award is symbolic of the great devotion the late Robert S. Hinshaw had given to the high school track program in Indiana as a participant, coach, and later as Assistant Commissioner of the Indiana High School Athletic Association.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principals.

Instructions and starting time schedule will be sent to each competing school prior to the meet by the Center Principal.

Eligibility—The rules and regulations of the IHSAA shall govern. An entry blank is required and one accompanies this announcement if your school has a golf team. There will be no entry fee. **Entry blanks are due in the IHSAA Office on or before 4:00 p.m., Wednesday, May 7, 1969, and cannot be accepted afterwards.**

Note—Each year some schools file entry blanks, then fail to participate in the tournament for some unknown reason. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. **You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA Office and the Sectional Center Principal immediately.**

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each threesome or foursome will be made up of players from different schools. The players will count and keep score for each other.

Awards—The IHSAA will award a trophy to the winning team in each sectional. In case of a tie an additional hole or holes shall be played until a winner is determined.

Suitable ribbons will be presented by the IHSAA to the members of the three teams qualifying for the Regional Meet. The three low Medalists will receive ribbons.

Teams—Each school may enter six (6) players and the team must consist of four (4) of these six. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR REGIONAL MEET

Teams

The first three teams to finish in the sectional shall advance to the Regional Meet.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual "participating" teams.

Individuals

The three low medalist players in each sectional meet are eligible to compete as individuals in the regional meet competition, provided their school posted a team score in the sectional.

Ties—In all cases of ties, either low-medalists or teams, an additional hole or holes shall be played until the tie is broken. These play-offs will be used to determine the trophy winners as well as determining the low-medalists or teams who will advance to the Regional Meet. Only 3 teams and 3 individuals are to advance to the Regional Meet.

BASEBALL

Four hundred thirty-one high schools participated in the baseball tournament series. There were sixty-four sectionals, sixteen regionals, four semi-states, and the state finals.

Bloomington, Jasper, Richmond, and South Bend hosted semi-state tournaments. Bloomington Sr. High School emerged the winner at Bloomington, South Spencer High School at Rockport won at Jasper. Ft. Wayne Concordia High School was the winner at Richmond, and Lafayette Jefferson High School won at South Bend.

The final three games were played at beautiful Bush Stadium in Indianapolis, under ideal weather conditions. All four teams were newcomers to the state final tournament.

The first game was a real crowd-pleaser, and ended up in extra innings. Mark Hackard of Lafayette Jefferson and Jim Harris of South Spencer hooked up in a great pitchers' duel, each striking out 19 and 18 batters respectively in the nine inning overtime game. Lafayette Jefferson was the winner by a 3-2 score. Both teams brought great records into state tournament play. Lafayette Jefferson had allowed only two runs in seven tournament games, while South Spencer permitted only one run to cross the plate in seven games. One of the games was a 2-1 fifteen inning semi-state victory over Jeffersonville High School.

Bloomington High School spotted Fort Wayne two runs in the first inning of the second game, and then exploded with a powerful attack which netted twelve runs. The final score was 12-3.

In the final game Lafayette Jefferson surprised Bloomington High with four runs in the first inning, and from there went on to win the final game, and the state championship by a score of 9-1. One of the highlights of the game was Gregg Boehings steady pitching. He gave up six hits, struck out seven, and walked two, which gave him a personal record of 9-2 for the season.

The Board of Control unanimously selected Dan Grossman of Bloomington High School as the recipient of the third L. V. Phillips Award. The recipient of this award must excel in scholarship, mental attitude, school citizenship, as well as athletic ability in baseball.

ANNOUNCEMENT OF STATE BASEBALL TOURNAMENT SERIES THE THIRD ANNUAL

The Board of Control has completed the details for the State Championship Baseball Tournament and announces the plan in full; with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tournaments if conditions arise making changes advisable or cancellations necessary.

The following bases were used in selecting sectional, regional and semistate centers: (1) Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General Conditions—attitude of local authorities, fields, entertaining facilities, etc.; (4) Invitation.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNAMENTS

1. **BALL**—The Board of Control has selected the Wilson A1010 ball as the official ball for the entire tournament series. Practice balls must be furnished by competing schools.

2. **LENGTH OF GAME**—All Tournament games are scheduled for seven innings, unless shortened by weather conditions or the game ends in a tie, in which case the game will continue until one team is the winner.

A game shall also end when, if after five innings, a team is 10 or more runs behind and has completed its turn at bat. (Exception—the final state championship game).

3. **OFFICIAL RULES**—The Baseball Rules 1969 National Alliance Edition, published by the National Federation of State High School Athletic Associations will be the Official Rules in the games and tournaments.

4. **SCHOOLS ELIGIBLE**—All members in good standing in the IHSAA are eligible to enter teams in the series of tournaments. Each eligible school may enter a team in the tournament series even though its second semester may end before or during the tournaments.

However, only those students who were eligible at the close of school may be used on the tournament team. Seniors who may have graduated at the close of the second semester may participate in the tournament provided they meet all other eligibility requirements.

5. **SINGLE ELIMINATION**—All phases of the IHSAA Tournament are based on the single elimination plan.

6. **MEN IN UNIFORM**—In each of the tournaments, no school shall have more than eighteen players, the team coach (or coaches) and two managers (one of whom must be the bat boy). The eighteen players shall be the ones certified for the tournament. Trainers not in uniform may be permitted on the bench.

The only representatives of a school allowed on the bench are the players, coaches, managers, and a trainer.

7. **COACHER'S BOXES**—The Coacher's Boxes may be occupied by two coaches, one coach and one member of the team or two members of the team and all must be in uniform.

8. **PITCHING REGULATION**—A pitcher may not pitch in more than ten (10) innings in any three consecutive calendar days. This period begins when he officially enters the game as a pitcher.

Note: The three day rule shall begin with the first day of the sectional tournament and shall be in effect continuously throughout the entire state tournament series.

9. DECISIONS OF UMPIRES FINAL—The decisions of the umpires are final and protests arising from the decisions of the umpires or any inadvertent misinterpretation of the rules will not be considered by the IHSAA.

10. HEAD PROTECTOR REQUIRED—The batter and runner in all IHSAA games and tournaments are required to wear a head protector. "LINERTYPE" HEAD PROTECTORS WILL NOT BE PERMITTED.

11. PRE-GAME PRACTICE—Each team will be allowed 15 minutes practice before each game to be used as the coach sees fit. Prior to the championship game, 20 minutes will be allotted each team for batting practice and 10 minutes for fielding, weather permitting.

12. HOME TEAM—Prior to each tournament game, home team privileges shall be determined by the toss of a coin. The home team shall occupy the third base bench.

13. CONDUCT OF COACHES AND PLAYERS:

- A. No coach, player or other person officially connected with the team shall be permitted to smoke on the bench or playing field either during practice or while a game is in progress.
- B. No coach or other school official shall, during the progress of a game, be allowed on the field of play except by permission of the game officials.
- C. Except for those coaches or eligible players who may be serving as coaches at first or third base and players legally in the "next batter" boxes, all other coaches, managers, substitutes and players awaiting their turn at bat shall remain on the players' bench. Umpires will be instructed to enforce this rule to the limit.
- D. The captain and the head coach shall be the official spokesmen and the sole representatives of their team in all communications with the officials.
- E. Abusive remarks to game officials by coaches or players shall be regarded as unsportsmanlike conduct. The offender or offenders shall be disqualified and removed from the bench and playing field.

14. INTERRUPTED GAMES—Interrupted baseball games shall start at the point of interruption until it is an official game in accordance with Rule 4, Section 2, Article 5 Note of the Official Rules.

Example: At the end of the second inning, game is interrupted by rain. When play is resumed either on that day or a following day the same line-ups shall be used and the game will proceed from the point of interruption. Runs, count on batter, baserunners, etc. shall be the same when game is resumed.

15. COACHES CONFERENCES—Each team may be granted not more than three charged conferences during a game, without penalty,

to permit a coach or his representative to confer with a defensive player or players.

Each team when on offense may be granted not more than one charged conference per inning to permit the coach or any of that team's personnel to confer with base runners and/or the batter. The umpire shall deny any subsequent offensive team requests for charged conferences.

Time granted for an obviously incapacitated player shall not constitute a charged time out. PENALTY—For any charged conference in excess of three, the pitcher must be removed as pitcher for the duration of game.

16. FIELD MARKINGS—The playing field shall be marked in accordance with Rule 1, Section 2, Article 1. The foul lines should be extended a minimum of 250 feet from home base.

17. UMPIRES—Three umpires will be assigned by the IHSAA to all sectional and regional tournaments. Four umpires will be assigned to all semi-states and the state tournament.

18. PLAYING SCHEDULES—All pairings for all tournaments will be made by a chance drawing by the Board of Control on May 20, 1969. Games will be played according to the way they are drawn on the schedule.

19. The Re-entry Rule 3-1-3 will NOT be used in any of the State Sponsored Baseball Tournaments. A Withdrawn Player shall not re-enter the game.

SECTIONAL TOURNAMENTS

May 26-31, 1969

Many schools have been assigned by counties but there are a number of exceptions. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The plan is to have no fewer than 6 teams and no more than 8 teams in each tournament, and tentative assignment of all schools is given in the list which follows. The winners will constitute the teams in the Regional Tournaments according to assignment. ENTRY BLANKS ARE NECESSARY. AN ENTRY BLANK IS ENCLOSED.

RAINED OUT GAMES—If a game in any tournament must be postponed because of rain or wet grounds; or if a game is called by the umpire because of rain, darkness, or other reasons the game must be re-scheduled for the following day and resumed at the point of interruption. If the postponed or called game is the first opening round game, it should take precedence. This procedure shall be continued if there are two or more consecutive days when it is necessary to postpone or call any game or games. See page 4 for interrupted games.

NOTE (1): If necessary to postpone any game and the first possible playing date falls on Memorial Day, the game may be played on that date by agreement of the participating schools.

OPEN CONTEST—These tournaments are open to all members of the Association, except to schools holding preparatory, junior or associate memberships.
