## CROWN POINT'S ANDY SIMPSON TO BE HONORED AS THIS YEAR'S OUTSTANDING OFFICIAL

Andy Simpson is the recipient of the 2020 Interscholastic Athletic Officials Association Award for excellence in the sport of football. Simpson will be honored in a special ceremony at this weekend's state finals.

Each year, the Indiana High School Athletic Association, in cooperation with the National Federation of Interscholastic Officials Association, recognizes and honors an outstanding official in each sport during the school year.

During his career in football, Andy has officiated 21 sectionals, 12 regionals, seven (7) semi-states, and three (3) state finals.

Simpson was selected for this honor by a committee representing the officials' associations. In Indiana there are 24 associations made up of men and women who assist in providing wholesome, worthwhile, and healthy activities for the student athletes in our state. Statewide, there are more than 6,000 officials licensed by the IHSAA in 18 sports.

A licensed football referee for 20 years, Simpson is a member of the Lake County Athletic Officials Association and has held many different positions within the LCAOA. In addition to officiating football, he is also a softball, basketball, swimming and volleyball official. Andy has been extremely involved serving as an IHSAA Rules Interpreter, IHSAA Clinician, Local Association Rules Interpreter, and a Local Association Clinician.

Andy is a 1978 graduate of Highland High School, and is a retired Mechanical Reliability Engineer. Andy and his wife Barbara reside in Crown Point, Indiana.

### Something Interesting About You Personally Or Professionally That People Might Not Know:

As the son of a head coach and athletic director (Matt Lindsay), I was brought up running the halls and fields of Bishop Luers High School. I'm fortunate to have a lot of fond memories attending state title games as a kid, as well as the experience of playing around on the field during state championship practices at the old Hoosier/RCA Dome. I've been a ball boy, a player, an assistant coach, an offensive coordinator, and now a head coach at a state title game.

### Something Interesting About You Personally or Professionally That People Might Not Know:

I have grown up around Indiana High School football my whole life as my father (Denny Pelley) was a long time head coach at Mooreville High School and then Speedway High School from 1974-2014. I now have had the privilege to coach alongside my father for the past 7 years as he works with our D-Lineman.

### Something Interesting About You Personally Or Professionally That People Might Not Know:

I was born and grew up in Montana. I was born in Billings and attended Montana State University in Bozeman. It was a wonderful place to grow up and go to school. The people are fantastic just like here in Indiana. We have become full on Hoosiers and very proud of it but I am very proud of where I grew up as well. It played a large role in who I am today.
