A Letter From The Commissioner

The Indiana High School Athletic Association, Inc. is honored to provide support and guidance to our 410 member schools in their offerings of education-based athletics to over 160,000 Hoosier student-athletes. It is our belief that participation in these activities will shape the future leaders of our society while providing a fabric that will unite communities across our great state.

The educational knowledge gained through participation in interscholastic athletics is both critical and unique. Lessons of self-discipline, teamwork, tolerance, dedication, sportsmanship and work ethic are all values acquired through participation in education-based athletics. These attributes along with the understanding that victory is not final and that defeat is not fatal allows our young people to acquire valuable life lessons which are applicable in the real world.

Integrity is a characteristic that is most important to the IHSAA. An uncompromising adherence to the principles of fair play, impartiality and good sportsmanship are at the center of our core values. Our objectives have remained constant for over a century and take residence in the promotion of wholesome, amateur interscholastic athletic opportunities for the student-athletes of our member schools. It is why we promote the IHSAA as Pure Spirit, Pure Sport, Pure Indiana.

The Association staff is most appreciative for the opportunity to serve our member schools and will continue to provide the excellence in service our stakeholders have come to expect. On behalf of the entire IHSAA family, we extend our best wishes for a successful school year. We hope you are looking forward to the events of the coming year with the same enthusiasm and energy that is held by the IHSAA staff and Board of Directors.

Cordially,

Bobby Cox

About IHSAA Membership

As stated in Article III of the IHSAA By-Laws & Articles of Incorporation

Section 1.

All Memberships Are Voluntary. An Indiana-based secondary school may become a member of this Corporation by meeting the requirements for membership, by subscribing to all rules and regulations of the Corporation, and by completing and submitting a membership application form to the Commissioner, accompanied by a Two Thousand dollar (\$2,000.00) initiation fee, on or before August 1.

Section 2.

Full membership in this Corporation shall be open to all public, private, parochial, boarding, and institutional high schools of the state offering and maintaining two or more years of high school work, provided they meet the requirements of the Corporation and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must (a) have Full Accreditation or Freeway Accreditation from the Indiana Department of Education or be fully accredited by the Commission on Accreditation and School Improvement or by another national or regional accrediting agency recognized by the Indiana Department of Education for purposes of the School Scholarship Program under Ind. Code §20-51 and approved by the IHSAA, provided the school meets the graduation qualifying requirements of the state of Indiana and (b) must have previously provided and continue to maintain at least one team in an IHSAA sponsored sport for each gender during each sports season. A school shall neither become a member nor remain a member in the IHSAA whose detailed financial (athletic or otherwise), scholastic and attendance records are not readily made available, as requested, to the IHSAA during an investigation.

Section 3.

Any school upon being granted membership in the Association shall not be permitted to participate in IHSAA tournaments for a period of four years from the date of admittance.

NOTE: Existing IHSAA member schools that consolidate or divide into multiple schools shall be excluded from said rule.

Section 4.

Junior membership may be extended to a school which is accredited by the Department of Education, which offers ninth grade, but which is not eligible for full membership.

Section 5.

Each full member school shall have one vote.

Section 6.

The Committee shall determine the status of all memberships.

Section 7.

As a condition of membership, all members and their administrators, faculty, and students consent to the exclusive jurisdiction and venue of courts in Marion County, Indiana for all claims and disputes between and among the IHSAA and a member school, its administrators, its faculty, and its students, including, but not limited to, any claims or disputes involving membership, eligibility, rule violation or injury.
